

THE CEO'S RUN AWAY WIFE

Chapter 10 She is still mine!

Those men tied Sara and Daniel's hands and threw them in a dark room. There was only Daniel, Sara and that girl. Sara was shocked to see the girl that looked like her. She gave her a bitchy look.

“Who are you?” Sara asked, and she came closer to Sara. She untied her hands and said.

“I know you hate Daniel but I love him. I am giving you a chance to run away from here. You also know Alexander’s intention for you. He will fuck you. He had tried to rape you a few hours ago. He beat you too,” the girl said, and Daniel boiled in anger after hearing all of this. Sara turned her eyes from him, as she lied to him earlier. She said they did not beat her. Sara did not let Alexander touch her, so he beat her.

“Now, do you choose your husband or your freedom?”

I love him, I will take care of his needs. Now you are free from him,” the girl said, and Sara looked at Daniel. They had tied him in the bed. Daniel looked away from Sara.

“Just go away. No need to stay here. I do not want you now. You are free from my clutches,” Daniel said cruelly, so that she would run away from here. He did not want her in Alexander’s hand. He very well knew what he would do with Sara.

“Did you hear him? He does not want you. You two hate each other. Now get out of his life,” she said and pushed Sara to a man. He took her out of the room. Daniel was looking at Sara leaving. He was dying, as she was leaving his life. Finally, she chooses to run away. Now he lost her forever, but he saved her from Alexander.

“See, I saved your wife from Alexander. Now you

have to return the favor,” she said while unbuttoning his shirt. Daniel wriggled and gave her an angry look.

“Don't touch me!” he growled at her, and she kept her hand on his pants.

“Why? I have the same face as her. Fucking her or me is the same thing. Did you forget? I told you, I will fuck you,” she said and kissed his chest. Daniel closed his eyes and she slapped him hard.

“You have to accept me! Now I am your Sara. She has run away, leaving you in my hands, can't you see!!!” She shouted.

“So what? She is still mine! She did good to run away. No matter what I will never accept another woman in my life!” Daniel shouted and she slapped him again in anger.

“Then let’s see who wins!” The girl said and suddenly kissed him. Daniel tried to move his mouth away, but she held his face with both her hands, and he was not able to move. His hands were tied up tightly. She opened his mouth and kissed him.

“Kiss me back,” she said, sitting on his lap. Daniel again tried to move his head. He did not kiss her.

“Now I am your wife,” she said, and Daniel was feeling pain just listening to her. He was not moving now.

“What? Already give up? Now do you understand what she did to you? You love a selfish woman. I know, you only come here for her, and now you are not willing to live without her, but I am with you. I will help you to run away from here. I will become your wife,” she said. Daniel was looking down at the bed. She was right; he was not willing to live now. She

lifted his face and kissed him again. Daniel closed his eyes. He did not want to be kissed by her.

“Move away from my husband!” Daniel heard Sara’s voice and suddenly the girl was shoved away from Daniel. Sara hit her with a piece of wood. Daniel could not believe she called him his husband. She came back and did not run away. She climbed on the bed and quickly tried to untie Daniel’s body.

“Sara what are you doing here?” Daniel asked as she untied his hands.

“I saw you did not like my substitute, so I came back,” Sara said and Daniel smiled at her. Suddenly he pulled her in a kiss. Sara panicked as he did it, but she did not try to push him back.

“You have to accept me! Now I am your Sara. She has run away, leaving you in my hands, can't you

see!!!” She shouted.

“Yes, I never want your substitute,” Daniel said and kissed her gently.

“I was missing this kiss for long,” Daniel said and broke the kiss. Sara had closed her eyes.

“Why were you not moving before? Were you planning to die at the hands of Alexander just because I ran away? Never do this Daniel,” Sara said, touching his bloody lips. Daniel moved closer to her and kissed her again. He pushed her on the bed and was on top.

“We are in trouble,” Sara said and Daniel kissed her neck.

“I know timing is bad, but he will come to us soon. We do not need to go to him, till then i want to spend my

time with my wife,” Daniel said/ Sara looked into his eyes.

“Daniel, you should stop loving me,” Sara said. Daniel shook his head.

“No... never...” he said, and Sara touched his face.

“Daniel, what if I am dirty? What if I am something that you can not imagine? I knew one day my past would come to you, and that day you would regret everything. You would leave me like everyone else. I know what is going to happen to me in the near future. Your love for me is pure, but I am not pure. I am dirty,” Sara said and sat up in the bed. She took Daniel’s hand and put a key in his hand.

“This is the key to the back door. I have stolen it from that man. Leave me here and go back to your world Daniel,” Sara said and Daniel hugged her tightly.

“No matter how dirty you are, you are always pure for me, Sara. You are my only love in this lifetime,” Daniel said, and Sara cried hearing this. He had gone mad for her. She was not understand.

“Yes, I never want your substitute,” Daniel said and kissed her gently.
