

THE CEO'S RUN AWAY WIFE

Chapter 3 DO YOU WANT TO KNOW ME

"I don't know. I have to go to see Sara," she said, but Jacob blocked her path.

"I know that you are a very good friend of hers, and you know everything about her. Please tell me whatever you know," Jacob asked, and Lisa moved her face away from him. She was not ready to open her mouth. Jacob saw she did not believe him because of this. She was not telling him anything; after all, Sara was her friend. She did not want to cheat her friend.

"I want to show you something," Jacob said and placed his phone in her hand.

"What is this?" she asked, and looked at the phone.

"It's the letter that Sara wrote before running away

from Daniel last night,” Jacob said. Lisa saw it was a photo of her letter. She read the whole letter written by Sara, and she looked worried about her.

“Where is Sara? Please take me to her.” She held Jacob’s hand in panic.

“She is safe. Don’t worry. This morning she came back. She is with Daniel,” Jacob told and Lisa was still looking worried after reading this letter.

“Now will you tell me everything about Sara?” He asked and held her hand softly. She saw he was treating her like a princess. Suddenly her boyfriend's cheating hit her mind and she pulled her hand away from him.

“Why? I do not know you,” she said, and started to walk away from there.

“Wait! Is this the only reason that you do not know me?” Jacob asked her to stop. She looked back to see him.

“Yes,” she replied rudely.

“Then... Do you want to know me?” he asked, decreasing the distance between them and making her heart beat uncontrollably. He was looking so handsome as he came too close.

“Will you?” He again asked in his deep voice, and Lisa blinked her eyes.

“Okay, so then who are you? I only know your name, but I always find you mysterious. You are not what you show the others. You even call Daniel your brother. I am confused. Who are you?” She asked, and he smiled..

“My name is Jacob Greene. My parents died when I was 14. I had inherited their property, but I was not in my legal age. I had no one, then Daniel’s mother came forward and adopted me. She is my father’s sister. From that day, she treated me like her own son and asked me to call her mother. Daniel and Jackson are only three months older than me. They are like my real brothers. We will die for each other but no one k

nows our relationship, as Daniel had some issue with his own father. I always call him sir in front of everyone and act as his secretary. I have my own business in the other country where I used to live with my parents, but I do not want to leave Daniel and Jackson, so I am living my life like this. I never had any reason to tell anyone about this,” Jacob told everything to Lisa, and she did not even realize that he was holding her body. She was lost in his words and eyes.

“Then why are you telling me? Is it because you want to know about Sara’s past?” Lisa asked. and Jacob smiled.

“No, because I want you to know everything about me. Suddenly for the first time in my life, I want to tell everything hidden about me to someone who has seen that my smile is not real. I am not what I show. You are the one who wanted to see the real me. Only you,” Jacob said and Lisa lowered her eyes to hear him. She smiled a little. He also saw her blush and suddenly kissed her cheeks.

“Will you?” He again asked in his deep voice, and Lisa blinked her eyes.

“Hey! How can you suddenly kiss someone?” she asked In panic and saw a real smile on his face.

“Why? Did you not like it, or you wanted it somewhere

else?” He said while getting close to her lips and she pushed him away.

“Crazy...” she said while walking away from there, but smiling.

“Hey wait, I am coming!” Jacob shouted as he followed her. He saw she turned right. He was not able to see her.

“Jacob...” Lisa said, and as Jacob turned right he saw some people had pointed their guns on Lisa’s head.

“Let her go!” Jacob said and was about to pull his own gun out.

“Don’t even think about it or we will shoot your woman,” one of them said, and Jacob saw they were really going to kill her. They looked professional. They were real criminals.

“Ok, I am not doing anything, but let her go,” Jacob said and looked at Lisa. He tried to comfort her with his eyes, so that she would not panic.

“Then come with us,” they said and Lisa shook her head. She asked him not to come, but Jacob smiled at her and gave them his gun. Lisa became irritated at his fake smile. He could protect himself, but he gave up because of her. They pushed her to him and took both of them away from there.

“You are stupid!” she shouted at him and glared at him angrily.

“Yes, I know,” he said, still smiling as though there was nothing to fear.

“Hey! How can you suddenly kiss someone?” she

asked In panic and saw a real smile on his face.
