

The Billionaire Ceo's Runaway Wife Chapter 13 - He Recognized Him as His Brother Again

C13 He Recognized Him as His Brother Again

But in front of him, no one can be so calm.

Not to mention a girl who was sent to the Mad Man Desert without any ability to resist!

Gu Wuyan stuffed the septum on the strawberry tail into her mouth.

She tilted her head and stared blankly at Bao Yanfeng.

"Who are you? Why did you kiss me?"

"You just called me brother. Now you don't know who I am?" Bao Jingfeng coldly harrumphed.

"Big brother!" Gu Wuyan smiled like a little angel and hugged him. "Big brother, you're back. Where is big brother?"

"I'm so scared. Ghost cries. Did you hear that? Ghosts want to eat my eyeballs!" Gu Wuyan hugged him tightly. Her thin and weak body trembled in his arms.

He struggled free from Gu Wuyan's hands and his eyes were terrifyingly dark.

At this moment, Gu Wuyan looked like a lost child.

He was not a good person, but at this moment, he actually could not continue!

Damn woman, she was as thin as a bone. Who would want to sleep with her!

He could not just because he was temporarily hungry and stuff all sorts of food into his mouth!

Especially this messy little idiot!

"Brother, what's wrong with you? Where are you going?" Gu Wuyan sat up from the bed and hugged the blanket tightly.

She watched helplessly as Bao Jingfeng walked into the bathroom and slammed the door shut.

Not long after, the sound of flowing water came from inside.

Gu Wuyan heaved a sigh of relief and fell onto the bed as if she had been sucked dry.

It was really dangerous.

He suddenly stopped touching her. Was it because he saw that she had fallen ill and felt pity for her? Or was it because she called him big brother?

No matter what the reason was, as long as there was a way to make this man not touch her, not to mention calling him big brother, he could call her father or grandpa.

When Bao Jingfeng came out, he saw Gu Wuyan lying on her hands like a little pig in a big triangle. One of her legs was hanging by the bed, and the blanket wasn't even covered properly.

"You don't even know how to sleep, Dumbass!"

Bao Jingfeng cursed, then lied on the bed and pulled her over.

Gu Wuyan moved her body and opened her eyes in a daze. She yawned and muttered some words that she did not understand. Then she turned around and fell asleep.

The more Bao Jingfeng looked at this woman, the more he felt that she was not pleasing to the eye. He had a feeling that he was being played.

The last person who played with him was now as tall as the Empire State Building.

He had never seen such a annoying woman!

Bao Jingfeng lay beside her, irritated. He pulled her over and hugged her!

This woman was really annoying!

...

Bao Jingfeng left before dawn.

Gu Wuyan was held in his arms like this and did not sleep well the entire night.

This man's embrace was really too arrogant. He hugged her so tightly that she almost could not breathe. It was as if he wanted to merge her into his body.

After Bao Jingfeng put on his clothes and left the room, Gu Wuyan suddenly sat up from the bed and put on her slippers as she walked towards the closet.

The closet was filled with dresses. They looked very expensive and it was very beautiful to wear, but it was not convenient for her to escape. It was too eye-catching.

Suddenly, she saw a man's white shirt and a pair of pants.

She dragged her two aching feet and found scissors and some needles in the house.

Then, she took the shirt and pants to the bed. She first started with the pants and put them on her waist to measure the size. Then, she cut off a large part of the pants.

More than an hour later. ...

Gu Wuyan lifted the shirt in her hand. At this moment, it had been perfectly changed to a small size by her. On the ground was the cloth that she had cut off.

After some delicate modifications by her hands, the pants and the white shirt became very suitable for her.

Just as she was about to put on her clothes and run through the window, there was a knock on the door.

"Miss."

Gu Wuyan quickly stuffed the piece of cloth that was cut off from the ground into the bottom of the bed and stuffed her pants and shirt into it as well. Then, she returned to the bed and laid down.

The door was opened and Liu Xiaoyun walked in with Dr. Mu.

"Miss, Dr. Mu has come to change the medicine for you."

Gu Wuyan moved her body and stretched. She looked at them blankly and bit her finger, giggling.

"Miss, what happened to you?"

Dr. Mu lowered his voice and said, "Psycho."

"What?" ___ asked.

Liu Xiaoyun was shocked.

The young lady actually had a mental illness. How was she going to live these days?

Poor...

Liu Xiaoyun could not continue watching. She wanted to tell this matter to her elder sister and share her pain.

Dr. Mu carried the medicine box to the bedside.

"Miss, don't be afraid. I am here to change your leg's medicine."

Gu Wuyan blinked, "Brother."

She chuckled. "Big Brother, you're back."

She went forward and hugged him.

"Big brother, did you bring me something delicious?"

"Ah?" Dr. Mu was stunned.
