

The Billionaire Ceo's Runaway Wife Chapter 8 - He Actually Knew Her Identity

C8 He Actually Knew Her Identity

She was hungry in the desert, so she came out now, very precious food.

She knew what it felt like to be hungry for a few days, to the point that she could only eat sand.

"Well, Miss, if you're hungry, just call me anytime. There's a button by the bed, just press it."

Gu Wuyan nodded. "Got it. Thank you."

"Miss, you don't have to be polite with me."

Her salary was already high, so she felt bad if she did not do more things.

Liu Xiaoyun packed up the plates and left.

When she was outside, she went to Liu Xiaoqing's side.

"Miss is so pitiful. Look at how thin she is. What kind of life did she live in the past? It's really sad. "

Liu Xiaoyun thought for a while and continued, "Older sister, I will search for some of the best tonight. Forcing the recipes, I will cook them for Miss tomorrow. I really like watching her eat so that she can be cured. "

Just as the sisters were about to turn around and leave, they suddenly saw a well-ironed figure standing behind them.

The two of them were shocked and quickly lowered their heads.

"Mr. Bao."

"How is she now?" Bao Jingfeng asked coldly.

Liu Xiaoyun quickly replied, "The young lady is pretty good. We will take her out for a walk today."

"What else?" He asked.

There was no anger in Bao Jingfeng's voice, but his calm tone was full of oppression.

The sisters could not breathe for a moment.

Liu Xiaoqing mustered up her courage and said.

"After the stroll, we brought Miss back to her room. Miss just finished dinner."

"Mr. Bao, do you need dinner? If not, I will let the kitchen..."

"It's none of your business. Get down." Bao Jingfeng interrupted them.

The sisters did not dare to say anything more. They immediately carried their things downstairs.

...

Late at night, Gu Wuyan laid on the bed, tossing and turning, unable to fall asleep.

She sat up from the bed and turned on the bedside lamp. She bent one of her legs and carefully removed the gauze on her feet. She wanted to see how the injuries on her feet were and whether it was convenient to escape.

Dr. Mu's medical skills were not bad. The gauze did not stick to the wound, but when it was removed, there was still a slight pain in her foot.

She did not know that her feet were injured to this extent.

If she did not treat it in time, it would definitely be infected.

With such a pair of feet, it would be inconvenient to escape.

Suddenly, Gu Wuyan smiled.

She actually escaped. Her legs were like this, but she did not retreat.

However, her smile was very bitter. Only she knew how much she had to pay to escape.

"These two rotten legs are very funny?"

The man's cold voice suddenly sounded.

Gu Wuyan felt a chill on her back. She quickly let go of her legs and sat up straight.

She did not know when Bao Jingfeng had appeared in front of her, but she did not notice.

The atmosphere became silent.

Bao Jingfeng's hands were in the pockets of his pants. His tall and straight body carried a trace of sexy laziness.

He stared at the woman in front of him with a heavy gaze and said again, "However, it's not strange for a mental patient who escaped from Mad Man Desert to smile foolishly at his own feet."

... ""

Suddenly, it was as if a bolt of lightning struck Gu Wuyan.

He knew that she had escaped from the desert!

Then he definitely knew that she had smuggled herself here.

This man had already laid his cards on the table with her. Gu Wuyan knew that it was useless for her to pretend.

She mustered up her courage and looked up at him.

"Do you want to report me?"

Gu Wuyan clenched her fists behind her.

Bao Jingfeng's deep eyes did not show any emotion.

He approached the window step by step, and his tall body approached her.

Gu Wuyan instinctively retreated until she could not retreat.

The man's two large hands pressed on both sides of her.

Gu Wuyan raised her vigilance and the fists hidden behind her tightened even more.

"What good would it do me to report you?" He asked.

... ""

A trace of doubt flashed across Gu Wuyan's eyes. Did he mean that he would not report her?

"I will stay far away from you. I will definitely not give you any trouble. I am just a small figure, insignificant. After I leave, I will pretend that this did not happen. You see... Is that alright? "

Gu Wuyan asked carefully and probingly.

His breath lingered on the tip of her nose. It was so tight.

Gu Wuyan's breathing was rapid.

She was not sure if she could knock this man out with one punch. She had to find an accurate opportunity.

Suddenly, a big hand grabbed her chin and lifted her palm-sized face.

"You're giving me trouble. Are you worthy?"

His voice was so low that it reached the bottom of the valley, carrying a hint of ridicule.

That's right, she was not worthy. To him, she was just like an ant.

How could a god-like figure be worried about an ant giving him trouble?

Gu Wuyan opened her mouth and was about to say that she would leave immediately when the man spoke first.

"You, you are not allowed to leave this place by half a step!"

Gu Wuyan,... ""

A trace of astonishment flashed across her eyes.

Why?

What was wrong with this man? Or was it because she had accidentally offended him that he bore a grudge against her?

Bao Jingfeng stood up straight.

His tall figure was filled with oppression and coldness.

"Without me bringing you here, do you think you can smoothly enter A Country?"

... ""

Gu Wuyan had previously conducted a detailed investigation on this point. She knew that there were patrols along the coast.

If she had not met Bao Jingfeng, perhaps she would not have come in so smoothly.

"Or, you are very confident in that pair of rotten feet. Do you think you can walk in successfully?"

He was particularly fond of the word 'rotten feet'.

Gu Wuyan's feet moved slightly and she lowered her head.

"Enter my territory. I will decide everything for you." He added.

Gu Wuyan,... ""

Why? This man was really arrogant!

However... he does seem to have the right to be arrogant!

But she does not understand why he wants to control her? What did she do wrong?

Please, is it hard to make her leave!

Gu Wuyan was silent and did not argue with him.

She knew that she was currently at a disadvantage and it was meaningless to argue with him. Maybe it would backfire on her, so she chose to be silent, like an obedient little rabbit, pitiful and helpless.

"Name?" Bao Jingfeng asked.
