

No Escape From My Ruthless Alpha

Chapter 80

Chapter 80: Paradox

Penelope POV

Drexel wasn't bothered when I warned him

"Then Let him find out what his sister did with me." He opened the zip of his pants and freed his erection. His face dipped to the crook of my neck and he grazed my skin on my pulse point. I yelped. I started stroking his penis harder. "I want to come inside you, Penelope. I am going to fuck you so hard that you wouldn't dare to escape me ever again!" he hissed

The velvet of skin over his hardness was so enticing that I was losing my mind. With his hand over mine, he guided me through his

entire length and made me stroke him

"I missed those hard nipples, Lippy," he said

He sounded so dirty that my nipples reacted to him and they pebbled instantly. They poked

through my tank top and now raked against his shirt. My thighs clenched as juices poured out

"Ah! I know you are aroused and that you want to come!" He removed his hand from mine and dipped his fingers inside my shorts. In a swift moment, he ripped them off. I gasped

I moaned when his fingers rubbed my clit and my hips bucked on their own volition towards his fingers. He chuckled. "My lusty little piece!" He started to rub my clit as I stroked him. Both

of us were chasing our orgasm or each other's—I don't know. All I wanted was to release this pent-up frustration, this pent-up yearning and need for him. He dipped his mouth to my neck and sucked me at my pulse point. I don't know why but this action was throwing me into a tizzy

All at once, his finger went to my core and he put it inside, parting my folds. I cried as I began to ride his finger and stroked his penis even harder. In and out. In and out, he pounded his finger inside me. My thighs began to shudder and when the shudder reached the apex of my thighs, stars burst into my vision, as full-blown orgasm wrenched out of my body. I wanted to shout, but his hand came to my mouth the next instant and I orgasmed with his hand stifling my cries

He bucked his hips faster in my hand and soon, he came all over my belly. His mouth was over his hand which was on my mouth to stifle his roar

When we were both undone, he rested his forehead over mine and removed his hand

Moments later when our labored breath settled, he lifted himself slightly from my belly and wiped us clean with my sheet. "Though I love to see my mark on you, this has to do for now," he said

All I could do was look at him with my parted lips, still trying to figure out what just happened. He placed his elbows on both my side and stared at me. Hard and long. "Why did you

escape?" he growled

"You are marrying Freya, aren't you?" I replied, as I tried to push him away with my hands, but was unable to move an inch of those sinewy muscles

"That's not the answer to my question."

"I don't care!" I almost snapped. "Go away. Why did you come back?"

He narrowed his eyes and then crashed his lips on mine once again. And I—I melted into his kiss. I moaned in his mouth to my utter horror, showing how desperate I was for him

"Penelope!" Kimberley shouted from the outside. "Penelope! Open up!"

Dread skittered down my spine. I needed him to go away like yesterday. What if Kimberley decided to push open the door and come in? What if they discovered what was going on inside my room? "Go. Please!" I pushed him harder

But he didn't move. "When are you coming to my pack?" His hand moved to my shorts

What? I would never. "Never! And you also shouldn't come here. You are getting married to

Freya. You can't cheat on her!"

"You will come to meet me in a week's time

And if you don't, I will come back and kidnap

"

you

"Penelope! Open the door or I will push it open!" Kimberley shouted, sounding panicky

"Are you fucking mad?" I pushed him again

When he didn't move, I gritted my teeth

Kimberley started pounding the door hard. I was sure that Steven would also come

"I won't go, until you say yes."

"Damn it! Okay I will come in a week!"

Drexel's lips lifted up in a wicked smile. He pressed a soft kiss on my lips and then got up

I missed his weight immediately. Pointing towards the window, I whispered, "You have to

go from there!"

"Penelope!" Kimberley was now in full-blown panic mode. "I am breaking the door!"

"What happened Kim?" Steven's nervous voice came from outside

"Goooo!" I pushed Drexel from the bed

"Please!" Then I said loudly to my brother and his mate, "I am coming. Will you guys wait?" That stopped them for a while

"Come out soon!" Kimberley shouted. "We are having dinner with Alpha Drexel, and you have to be there." I heard their footsteps fading away

Drexel, the louche, got up, pressed another quick kiss on my lips and then trudged to the window. He opened it, dug my panties out of his pants and after winking at me, said, "I want you down there without panties

He jumped off

When the hell did he remove my panties? I rushed to the bathroom and took another bath, scrubbing off his scent from me. Drexel had thrown a curve my way and I was still shaking with our last encounter. I was overwhelmed, my mind a whirlwind of emotions. I didn't know what to do next. If he was to marry Freya, why did he come to my room? This was not right and I felt dirty and good at the same time. My life was such a paradox. In order to clear myself from this constant consternation, I decided to

ask him clearly. And only after he gave me clear answers, would I go to meet him

I chose to wear a green halter dress without panties. Game on, Drexel!
