

My Seven Sisters are all Stunningly Beautiful

chapter 11 Trembling, trembling to my heart's
content! (two)

Snapped!

After this slap, the audience was silent, and everyone's eye sockets seemed to be torn apart.

That was the young master of the Xu Family!

madman!

This toy boy that Hailee Ye kept was a complete lunatic!

Titan Gu hurriedly ran over to help John Xu up, turned her head and shouted at Lewis Lu: "You are finished! Hailee Ye is also finished! All of you Hailee Corp are completely finished!"

She was glad that she left the Hailee Corp in time, otherwise she would definitely be killed by Lewis Lu, a lunatic.

Titan Gu's roar made all the employees of Hailee Corp tremble.

yes!

This slap directly wiped out the Hailee Corp, and the employees

of the group probably couldn't escape the anger of the Xu Family.

Thinking of this, the eyes they looked at Lewis Lu were instantly filled with endless hatred.

This damned little boy, it was fine if he ate soft rice, why did he want to harm the Hailee Corp, why did he want to harm us?

"Rubbish! I want you to die!! I want you all to die here!!!"

A monstrous hatred erupted from John Xu.

His teeth were knocked out, his glasses were shattered, and his dignity was trampled on. If Lewis Lu was not killed this time, how would he resolve his hatred?

Everyone in Hailee Corp was trembling, fear had completely swallowed their reason.

But Lewis Lu, the culprit, actually said with an unaware face, "I will give you time to call someone, as many as you want, and I will wait for you to kill me."

Boom!

Everyone in Hailee Corp felt suffocated for a while.

Immediately, someone said in horror: "Young Master Xu, I am leaving the Hailee Corp now. This matter really has nothing to do with me!"

"It's late! After I kill this dog, it will be your turn next!"

dead end!

A complete dead end!

They can only pour all their anger on Lewis Lu. If eyes can kill people, he is already riddled with holes.

At this moment, the backstage staff hurriedly woke up Hailee Ye, and said anxiously: "Boss Ye, something serious happened!"

After Hailee Ye listened to the staff's brief introduction, her pretty face lost all color in an instant.

Stumbled and ran back to the conference hall.

"Young Master Xu, I'm sorry! I'm really sorry! I never thought that things would turn out like this..."

"Huh, now you know it's Young Master Xu? Now you know you are sorry? Weren't you very proud before? Don't you like to throw face at me? Show me how proud you are, bitch!"

Snapped!

John Xu was sent flying out again, and a few teeth fell out again.

"Clean your mouth!" Lewis Lu said coldly.

However.

next second.

Snapped!

Another slap rang out.

But this time it was Lewis Lu who was beaten.

Lewis Lu froze for a moment, he could have easily dodged, but he didn't, because the person who hit him was Hailee.

"Lewis Lu, you are crazy!"

Hailee Ye was heartbroken.

If it wasn't because of helplessness, how could she be willing to beat Lewis Lu? It was because this time, the trouble was too big! Hailee Ye's slap in the face was also for the good of Lewis Lu, she didn't want Lewis Lu to continue to make matters worse.

boom!

At this moment, the door of the conference room was kicked open violently, and then a dozen black-clothed bodyguards and a middle-aged man rushed in aggressively.

"Izzy Xu, your son was beaten, why don't you hurry up and avenge your son!"

John Xu yelled and crawled towards the middle-aged man, his words were already leaking.

Seeing his son being beaten so badly, Izzy Xu spewed out his anger in an instant: "Who the hell did this? Come to me and apologize immediately!!"

"I did it, and I bear all the responsibility alone."

Just as Lu Yun was about to speak, a beautiful figure suddenly stepped forward in front of him.

It was Hailee Ye.

She was going to shoulder all the mistakes for Lewis Lu.

"You hit it?"

Izzy Xu pupils shrank, and he naturally didn't believe that a woman could beat John Xu like this.

Seeing this scene, everyone in the Hailee Corp felt completely chilled. Boss Ye was still protecting this toy boy at this time.

At this time, Titan Gu suddenly stood up and said, "It wasn't her, it was the toy boy behind her who hit John."

laugh!

In an instant, Izzy Xu's eyes filled with endless anger passed Hailee Ye and landed on Lewis Lu behind her.

Titan Gu sneered and said, "kept man, weren't you arrogant just now? Why are you acting like a dog now, only hiding behind women?"

"Titan Gu, shut up!" Hailee Ye shouted coldly.

"Ah-ha, Hailee Ye, I am no longer an employee of Hailee Corp, you have no right to order me."

"you....."

Hailee Ye wanted to say something, but at this moment, a big warm hand suddenly pressed her fragrant shoulder.

"Sister, I can handle one person doing the other. Lewis Lu took a step forward.

Hailee Ye just wanted to say how you should deal with it, but the moment she saw Lewis Lu's back, he swallowed the words that came to his lips.

Lewis Lu's back was not particularly generous, but for some reason, it gave Hailee Ye an inexplicable sense of security at this moment.

Especially his calm and composed voice, it seems that he was really sure to deal with it.

However, the Xu Family was so powerful...

At this time, Lewis Lu had already walked in front of Izzy Xu, and said lightly: "I beat that stupid dog of your Xu Family, what's the problem?"

Any questions?

As soon as these words came out, not only Izzy Xu, but everyone in the huge conference hall froze.

One beat someone's son so badly, yet he still spoke confidently,

what's the problem?

What was even more absurd was that Lewis Lu actually called Izzy Xu's son a fool in front of him?

How dare he!

The strong smell of gunpowder instantly enveloped the huge conference hall.

Titan Gu, Ariel, Flynn Guo and others watched with cold eyes, quietly watching Lewis Lu going to die.

Fortunately, they stood on the united front with Young Master Xu early in the morning. If they stayed in the Hailee Corp, they would have to die in the hands of this toy boy.

"You! Stupid! Jerk! You are good enough! Kill him for me!!"

Finally, with Izzy Xu gnashing his teeth and roaring, the conflict broke out completely, and a dozen bodyguards in black behind him swarmed up instantly.

"ah!!"

There was a lot of screaming at the scene, and those media reporters hid in the corner one after another, fearing that they would be affected by the flames of war.

However, in stark contrast to them, Lewis Lu had a calm expression on his face, and said softly in his mouth:

"retreat!"

Suddenly, all the bodyguards trembled, and their brains went blank for a moment. When they came back to their senses, they were easily knocked down by Lewis Lu.

"You...you bunch of idiots! Fight back!!"

Izzy Xu roared angrily. From his point of view, these bodyguards seemed to be cooperating with Lewis Lu in acting, and they didn't know how to fight back.

Sudden.

A hint of horror appeared in Izzy Xu's eyes, because Lewis Lu had already come in front of him.

chapter 12 Trembling, trembling to my heart's content! (three)

"Izzy Xu, maybe in your opinion, I, Lewis Lu, can be pinched with bare hands, but how do you know that in my Lewis Lu's eyes, your Xu Family is no different from an ant."

Lu Yun came to Izzy Xu and said something softly.

boom!

Izzy Xu took a sudden step back, hitting the corner of the table

with his back, grinning in pain.

Shame!

He was the dignified person in charge of the Xu Family, but he was scared away by a young man's words.

"I...I admit that you are very good at fighting, but no matter how good you are at fighting, you are still only one person. Can you still fight against my entire Xu Family?"

Izzy Xu stabilized his mind and roared out of embarrassment.

The stunned people around also suddenly came back to their senses.

When they saw Lewis Lu skill just now, they were all dumbfounded by fright.

One person singled out more than a dozen bodyguards, and he was still unscathed. Are you sure this wasn't a movie?

Although shocked, they agree with Izzy Xu's words.

No matter how much you, Lewis Lu, can fight, you are only one person. Can you beat a dozen bodyguards, can you beat a hundred?

He also said that the Xu Family was an ant, it was extremely arrogant!

Slap!

At this moment, there was a sudden crisp sound of leather shoes, and then a middle-aged man in a suit and leather shoes pushed the door and entered.

The moment they saw the man in the suit, everyone trembled.

"Hien Sun, what are you doing here..."

Izzy Xu also shrank his pupils.

Suddenly, he seemed to have thought of something, and said angrily: "Okay, I said where your courage from, so it is your Sun family in the back to support him."

Like the Xu Family, the Sun family was the top wealthy family in Kota Jiang, and the strength of the two families was almost the same.

And this Hien Sun is the Head of the Sun family.

"So that's it. On the surface, this is a conflict between Lewis Lu and the Xu Family, but in fact it's a contest between two giants in Jiangcheng!"

The surrounding media reporters also thought like Izzy Xu, thinking that Hien Sun was Lewis Lu's backer.

But at this time, Hien Sun glanced at them suspiciously: "What are you talking about?"

What support?

Hien Sun didn't understand, he came with a mission today.
Ignoring everyone, Hien Sun strode up to Hailee Ye, and said loudly: "Hien Sun from the Sun family, under the order of Southern Jiang King, will send a billion-dollar order contract to Hailee Corp."

boom!

In an instant, violent earthquakes erupted in everyone's pupils.

Southern Jiang King!

Billion order contract!

This was just crazy!

And just at this moment, before everyone was overwhelmed, another old man in Tang suit suddenly walked into the conference hall.

"Tang family Kezio Tang, under the order of the Southern Jiang King, sent a billion-dollar order contract to Hailee Corp."

Another wealthy family in Kota Jiang!

It's Southern Jiang King again!

Another billion order contract!

Damn it! In the end what happened? ?

However, this was far from over. After Kezio Tang, a few more people came in, all of whom were influential figures in Kota

Jiang.

"The Lin family, Kaley Lin, was ordered by Southern Jiang King to deliver a billion-dollar order contract to the Hailee Corp."

"The Wu family, Kavi Wu, was ordered by Southern Jiang King to deliver a billion-dollar order contract to Hailee Corp."

"Shia Yao from the Yao family, under the order of the Southern Jiang King, sent a billion-dollar order contract to the Hailee Corp."

"..."

Time and time again, everyone's nerves were numb until the last person came in.

"Southern Jiang King Leo, for Hailee Corp, sent a five billion order contract."

five billion!

and.

The Southern Jiang King is here!

Even though they were numb from shock before, everyone couldn't help but widen their eyes again.

Crazy, all crazy.

In the conference hall of this building, nearly half of the rich and powerful people in Kota Jiang gathered. If this news gets out, it

will be an earthquake!

They wanted to know crazily what was going on!

Hailee Ye was also stunned.

Everyone in Hailee Corp was shocked.

These wealthy families used to be the existence they looked up to, but now they are sending them orders and contracts one by one.

Billion!

five billion!

After receiving these orders, Hailee Corp can instantly be promoted from a company that is difficult to list to the top of Kota Jiang in one step.

Hailee Corp, was about to usher in a great success!

Hailee Ye' s chest heaved violently, and he mumbled aphasia: "... Southern Jiang King, what is...what's going on?"

She also asked the doubts of everyone present.

However, Southern Jiang King Leo smiled and said: "Boss Ye doesn't need to ask too much, these are just a little bit of care from us, just accept it."

After speaking, he looked somewhere, but he quickly looked away.

This subtle move was caught by Hailee Ye. She followed Southern Jiang King's line of sight, and her delicate body trembled.

It was Lewis Lu!

It was her beloved younger brother, Little Lewis Lu!

The Southern Jiang King must have sent such a large order because of little Lewis Lu.

Hailee Ye's eyes were moist.

No wonder, no wonder little Lewis Lu showed a calm expression from the beginning to the end. It turned out that he had known the Southern Jiang King would come.

But she actually slapped him.

Hailee Ye was full of guilt.

"Southern Jiang King, are you crazy? And Hien Sun, Kezio Tang...you, are you all crazy?"

Izzy Xu couldn't believe what he saw, or rather, he didn't want to believe what he saw.

The Southern Jiang King was indeed very powerful, but it was far from being able to command the major families.

Then why these people were willing to send huge orders to Hailee Corp?

Izzy Xu really couldn't figure it out!

At this time, Southern Jiang King snorted coldly and said, "Izzy Xu, maybe we can take a step to talk."

Everyone didn't know what they said. They only knew that when Izzy Xu came back, his body was trembling, and the anger on his face was completely replaced by panic.

"I... I'll kill you bastard!"

Izzy Xu grabbed a stool and slammed it towards John Xu like crazy. He kept smashing and smashing hard until the stool fell apart and John Xu passed out.

Everyone's heart trembled.

It was said that even a vicious tiger will not eat its cubs, but looking at Izzy Xu, it was clear that he was killing him.

How did they know Izzy Xu's fear, just now outside, Southern Jiang King told him that the man behind Hailee Ye was Emperor Dewa Lewis.

That was Emperor Dewa Lewis!

If John Xu was not beaten to death today, the next one to be destroyed was their Xu Family.

How could Izzy Xu not be afraid.

Moreover, although Southern Jiang King did not said who was

Emperor Dewa Lewis, Izzy Xu had already guessed that that person was probably Lewis Lu.

He finally understood what Lewis Lu said just now, in my Lewis Lu eyes, your Xu Family is no different from ants.

Not to mention the Xu Family, even the top wealthy families in the Capital City were no different from ants in the eyes of Emperor Dewa Lewis.

"Can I talk?"

At this time, Lewis Lu suddenly spoke lightly, and everyone's eyes instantly shifted to him.

Needle drop could be heard in the audience.

"I said before that all of you owe an apology to Hailee, can you kneel down now?"

chapter 13 August 15th, a generous gift!

Plop!

As soon as Lewis Lu finished speaking, Izzy Xu was the first to kneel down.

Although he wasn't there when the media criticized Hailee Ye, he was afraid!

Emperor Dewa Lewis's anger was not what his Xu Family could bear, and now he wanted to use all methods to obtain Emperor Dewa Lewis's forgiveness.

Plop!

Plop!

Plop!

Everyone in power in the Xu Family knelt down, and the surrounding media reporters, how dare they stand still, knelt down on the ground one after another.

This scene was so shocking that the eyeballs burst.

Lewis Lu walked up to Garry Wang, and said coldly, "Don't you have anything to say?"

"I... Let me confess, what I said before is all false, it was John Xu who said that he would help me pay off my gambling debts..."

Garry Wang clarified everything. His voice was trembling, his body was trembling, and his soul was also trembling.

Trembling with him was Izzy Xu.

Whenever Garry Wang mentioned John Xu's name, Izzy Xu slapped himself severely, wishing to tear John Xu to pieces.

At this time, Ariel also knelt and climbed in front of Hailee Ye, tearfully said: "Boss. Ye, I was wrong, please give me another

chance, I still have a wife and children at home..."

"Don't you not eat the food that comes from you?" Hailee Ye said with a cold snort.

"I....."

Ariel's mood, how could it be a word of regret.

Hailee Ye looked at Titan Gu and Flynn Guo again: "Since you are determined to leave Hailee Corp, then I will not keep you. I wish you a bright future."

puff!

The two were almost so depressed that they vomited blood.

Offending Hailee Ye today was equivalent to offending Southern Jiang King. In this Kota Jiang area, which company dares to hire them?

The sentence "have a bright future" , which was really ironic to the extreme.

...

After going through a series of twists and turns, the new product launch conference finally came to an end.

All media reporters kept secret about today's interview, and no one dared to report today's content.

As for Hailee Corp's new product promotion...

With nearly tens of billions of orders from Southern Jiang King and the major wealthy families, was there still a need for publicity?

At this time, on the top floor of Hailee Corp Building.

Southern Jiang King Leo bowed his waist and said humbly to the young man in front of him: "His Majesty Dewa Emperor, are you satisfied with my arrangement today?"

Lewis Lu nodded: "That's right, the show is big enough and deserves encouragement."

Hearing this, Leo's face suddenly showed a happy smile, he didn't look like Southern Jiang King at all, he was clearly a child who got full marks in the exam and was praised by the teacher. Leo was complacent for a moment, then quickly restrained his smile and said: "His Majesty Dewa Emperor, the Beauty Corp..."
"There is no need to exist anymore."

If the Beauty Corp followed market rules and competed normally, Lewis Lu would be too lazy to intervene, but if they resorted to despicable means, then I'm sorry.

The Beauty Corp must disappear.

This couldn't be blamed on Lewis Lu for not giving him a way out, but because the Beauty Corp offended him first. If he was

not here today, Sister Hailee really didn't know what will happen to her.

Leo said solemnly: "Understood, I will immediately notify those family leaders to completely block the Beauty Corp." subsequently.

Leo handed over a black card with both hands, and said respectfully: "His Majesty Dewa Emperor, this was the supreme VIP card issued by the Long Country Trading Room, which is universal across the country, please be sure to accept it."

"That' s nice."

Although Lewis Lu wasn't short of money, it was Leo's wish after all. After thinking about it, he still took the black card.

After a while, Lewis Lu remembered a very important matter and asked, "Is there any clue about the fire in the Sunshine Institute fifteen years ago?"

He asked Leo to investigate this matter yesterday, and it was only a day later. He didn't expect Leo's answer, but Leo nodded heavily.

"Reporting to His Majesty Dewa Emperor, there is already a clue."

Leo deserved to be the first person to discover Lewis Lu's

identity, and his work efficiency is very high. He said slowly, "I specifically went to check on Striking Real Estate, and found a contractor who was in charge of related projects back then. According to him, the fire was indeed caused by them."

In order to pry the contractor's mouth open, Leo spent a lot of effort, intimidating and luring, and finally got the answer he wanted.

No matter how Lewis Lu got the news, all he wanted was a result.

When he heard that the fire was indeed related to Striking Real Estate, Lewis Lu's eyes suddenly shot two cold lights.

"Striking Real Estate, looking for death! Who is its behind-the-scenes boss?"

"Andrew Chen."

Leo replied: "He is from the Chen Family in Northern Jiang City, and his main business is the real estate business. More than 90% of the real estate resources in Northern Jiang City are controlled by him, but..."

"But what?"

"However, my main forces are all distributed in Southern Jiang, Northern Jiang City, I can't get involved." Leo smiled wryly.

The geographical location of Kota Jiang is quite special, it was built around the water, and there was Zhangjiang River running from west to east in the middle, which divides Kota Jiang into two regions, north and south.

To the south of Zhangjiang River was Southern Jiang King Leo's territory, and to the north of Zhang River, the Chen Family was the most powerful.

After thinking for a moment, Lewis Lu said, "It's okay, I have my own solution, so where is Andrew Chen , the Chen Family?"

"According to the information I got, he should be in Nanyun Province now."

"Nanyun Province?"

"Well, the middle of next month, that is, August 15th, is the 60th birthday of old Master Chen Family. Andrew Chen made a special trip to Nanyun Province to prepare gifts."

"He is quite filial."

Lewis Lu sneered.

The fire that year almost burned himself and his sisters to death, and tortured Grandpa Wu to such a state. Of course, this rancour must be settled.

But since Andrew Chen went to Nanyun Province, let him have

another month of fun.

"August 15th, I will personally send a generous gift to the Chen Family, do they dare to accept it?"

Lewis Lu put his hands behind his back, narrowed his eyes slightly, and an invisible coercion instantly spread out.

Leo couldn't help his heart trembling.

On August 15th, there might be an earthquake in Northern Jiang City!

...

After Titan Gu left the Hailee Building, she was completely out of her mind. She saw a stray dog barking at her on the road, and couldn't help but picked up a stone and threw it at the dog.

"Even you dare to laugh at me, dead dog!"

"Ow~"

The stray dog let out a scream and fled.

But seeing this scene, Titan Gu felt even more uncomfortable.

Isn't her current situation the same as that stray dog?

Suddenly, a sense of sadness welled up.

"I can not be reconciled!"

"Hailee Ye, didn't you just hook up with Southern Jiang King, you pretending to be a noble bastard, I despise you!"

From Titan Gu point of view, the reason why Southern Jiang King would help Hailee Ye today must be because of their shady activities, and Lewis Lu was Hailee Ye's toy boy...

The relationship between the three of them was simply scandalous.

Titan Gu was not reconciled to losing, so she dialed a phone angrily: "Dad, I agree to marry the Chen Family, and I will marry right away!"

chapter 14 I am the Emperor Dewa Lewis

Andrew Chen had a son named Angko Chen, who was a well-known playboy in Kota Jiang. As long as the woman he targets was basically impossible to escape from his clutches.

There were dozens, if not a hundred, of innocent girls who have fallen into his hands in the past few years.

Until one day, when Angko Chen was enjoying himself, a mysterious female killer suddenly broke in and cut off his lifeblood with a click.

This incident caused a huge sensation at the time.

The Chen Family was furious, and once offered a reward of tens

of millions to catch the female killer, but in the end they all failed.

Ever since, Angko Chen has changed from a flirtatious flamboyant young man to a well-known eunuch in Kota Jiang. Not long ago, the Chen Family suddenly announced a marriage proposal, and the object of the proposal was Angko Chen. Although he knew that Angko Chen was a handicap, but when the news of the marriage proposal came out, countless beauties and celebrities flocked to him.

After all, the status of the Chen Family was there, as long as they married into a wealthy family, they could soar into the sky, and it didn't matter whether he was incomplete or not.

Joses Gu also sent a photo of his daughter with the attitude of giving it a try, but Angko Chen caught his eye at a glance.

Joses Gu excitedly told Titan Gu the news.

But when Titan Gu heard that the person she wanted to marry was Angko Chen, she immediately showed strong resistance. She didn't want to be a widow for the rest of her life.

But now, Titan Gu had changed her mind.

Southern Jiang no longer had her foothold, if she stayed here, she would never try to catch up with Hailee Ye.

Of course Titan Gu was not reconciled.

She was going to Northern Jiang City, she wanted to marry into the Chen Family, and she wanted to use the power of the Chen Family to take revenge on Hailee Ye.

And that damned toy boy Lewis Lu, she wants Lewis Lu to kneel at her feet and lick her heels like a pug!

...

At this time, Lewis Lu had already returned to the president's office.

Hailee Ye was sitting in front of the desk, resting her cheeks in a daze, obviously still feeling guilty for slapping Lewis Lu Yun, when she saw him come in, she got up immediately and said: "Little Lewis Lu, I'm sorry."

In fact, Lewis Lu was not angry with Hailee Ye at all, but he still said with a straight face: "If an apology is useful, why do you need the police?"

Hailee Ye flattened her mouth aggrieved: "Then what do you want from me!"

This kind of contrast was cute.

But Lewis Lu continued to say with a straight face: "My injured heart is like a crushed bottle. Do you think it can be recovered by

saying I'm sorry?"

"The bottle is flat, if you blow it up..."

Hailee Ye just wanted to explain, but when she looked up, she saw Lewis Lu holding back his laughter. She immediately realized that he was pretending to be angry, and immediately glared and said, "Well, you little villain, you dare to tease your sister!"

She grabbed a document on the table and threw it at Lewis Lu. Lewis Lu hurriedly hid to the side, innocently said: "Sister, why are you beating me, I am a traumatized person now, you should comfort me."

"You still pretend! It seems that if I don't give you some teach, you don't know how majestic your sister is!"

Hailee Ye completely gave up the image of a cool goddess, and rushed towards Lewis Lu like she was baring her teeth and claws. The siblings fought for a while, and finally ended with Lewis Lu surrendering.

"Seriously, is it because of you that Southern Jiang King and several big families sent hundreds of millions of orders today?"

Hailee Ye tidied up her clothes and regained her image as a goddess, completely different from before.

Lewis Lu nodded and said seriously, "Yes, because I am the

Emperor Dewa Lewis, the Southern Jiang King is afraid of me, so he sent an order of five billion."

"Tut-tut, little Lewis Lu, I found that you have changed, and you have become more glib. Didn't you say that you have been cultivating immortals on the mountain for fifteen years? How come you have become the Emperor Dewa Lewis again?"

"Well....."

Seeing Hailee's expression of disbelief, Lewis Lu had no choice but to find another excuse and said: "Actually, I am a miracle doctor. I cured Southern Jiang King fucking illness. He came to repay my favor."

"This reason is reliable."

Lewis Lu: "..."

It was hard to be honest these days.

The two were chatting when Hailee Ye's cell phone rang suddenly.

She glanced at the caller ID, and immediately made a silent gesture to Lewis Lu: "It's your fourth sister's call."

The fourth sister Cella Wang is a beautiful reporter.

According to the eldest Sister, the fourth sister was currently investigating a kidnapping case of Tiki King in Cambodia, and

will not be able to return to the country for a while.

Hailee Ye quickly finished answering the phone, Lewis Lu asked curiously: "What did fourth sister tell you?"

"It's nothing, I just asked about the new product launch event, and I almost told her that you are still alive." Hailee Ye said playfully, sticking out her tongue.

"Hey, I don't know how my fourth sister will react when she sees me after returning home."

Hailee Ye thought about it seriously: "I think she should be excited to take off your pants to check the birthmark."

In the evening, the siblings drove away from the company, but they didn't go back to Green Villa, but came to a bar named "Dark Rose" .

Lewis Lu said righteously: "Sister, your brother is innocent, how could you bring me to such a place?"

Snapped!

Hailee Ye slapped Lewis Lu on the back of the head, and said angrily: "What are you thinking about? You, this is the bar opened by your third sister. Didn't you say that you want to give your third sister a surprise? We will do this later..."

She suddenly lay down next to Lewis Lu's ear and appealed a

plan, her beautiful eyes kept flashing with a sly light.

After Lewis Lu finished listening, he said with a strange expression: "Sister, I usually see you as cold-blooded, but I didn't expect you to be worse than me."

"Stop talking nonsense, hurry up and get out of the car."

Hailee Ye took full advantage of her long legs, kicked Lewis Lu out of the car, then drove the Porsche into the parking lot, and entered the bar alone.

Lewis Lu walked around the neighborhood and saw a good bracelet on the street stall, so he bought it.

It wasn't until twenty minutes had passed that he slowly walked into the bar.

chapter 15 make a bet

Dark Rose Bar.

A few wretched men huddled together, commenting.

"Excellent, really excellent, this figure, this appearance, a proper goddess, and those rouge and vulgar women next to her are simply low."

"It is indeed a 100% beautiful woman, but she is too cold-

blooded. In less than 20 minutes, she has rejected seven person who strikes up a conversation with her."

"Hey, you guys don't understand this, right? Goddesses with first-class body and good looks like this are all here for sugar daddies, so how could they have a crush on those dicks?"

"Fatty, you understand it very well, but how do I remember that you were the first person to strike up a conversation and get rejected?"

"Ahem..." The wretched fat man showed an embarrassed expression, "I didn't say I'm not a dick."

"Look, the eighth person who strikes up a conversation has appeared, wait... Isn't that the young master of the Tang family?"

"Hey, it's really the youngest of the Tang family. It's over. The goddess is about to be captured. That's the youngest of the Tang family who has the title of Goddess Harvester. He must not have escaped."

"Why don't we take a gamble and see how long it will take for the young master of the Tang family to capture that superb beauty."

As soon as Lewis Lu walked into the bar, he heard several men discussing, so he walked over and said, "What are you betting

on, add me!"

"you?"

Several people looked at Lewis Lu at the same time, scanning him like a scanner, and finally smiled contemptuously: "Don't come to join in the fun if you are poor, save your money and take the bus!"

To say that he was a dick was flattering him.

Lewis Lu was not angry, and directly pulled out a hundred-yuan bill and said, "I bet that man failed to strike up a conversation."

"One hundred yuan? You are really a fucking rich man!"

The corners of the mouths of several people twitched at the same time. Seeing Lewis Lu's gesture of taking out the money, those who didn't know it thought he might have taken out tens of thousands of yuan!

A gleam flashed in the wretched fat man's eyes, he took one hundred yuan and said, "I bet with you, if the Young Master Tang fails to strike up a conversation, I will pay you five hundred."

Mosquito legs are small, but they are still meat. Why not use this kind of free money?

At this time, Lewis Lu said again: "What do you think is the

chance of success if I strike up a conversation with that beauty?"

"What? Are you going to strike up a conversation?"

As soon as this remark came out, everyone laughed and turned backwards and forwards.

"Puff ha ha ha, bro, are you sure you didn't get your head caught by the door when you went out? You're such a bear, you want to strike up a conversation? I'm afraid you're going to make me laugh to death, ha ha ha!"

But Lewis Lu said seriously: "What if I succeed in striking up a conversation?"

"If you succeed in striking up a conversation, I'll turn on the fifth-speed electric fan on the live broadcast day." The fat man is also a ruthless person, and he set the flag on the spot.

"Okay, remember what you said."

Lewis Lu smiled, and confidently walked towards a bar.

At the bar, there sat a beautiful woman dressed as an urban beauty, holding a red wine glass in her hand, shaking the wine in the glass very elegantly.

Looking at it from the side, the cheeks are slightly drunk, especially the chest part, which corresponds to the sentence: when viewed horizontally, it looks like a mountain and when

viewed sideways, it looks like a peak.

At this time, there was already a handsome man who was accosting her, it was Nico Tang, the youngest of the Tang family.

"Beauty, the first time I saw you, I felt that this place is not suitable for you."

"Why?"

"Because it's too vulgar here, it doesn't match your noble temperament."

"Ha ha, do you usually approach girls like this?"

"Not really, I was just looking for someone, a Master who is worthy of the dream of this star, and now it seems that I have found it."

Nico Tang spread out his palm, revealing a blue crystal pendant. This is the latest limited edition crystal pendant launched by Swarovski, only 100 pieces are sold in the world, and Nico Tang was lucky to buy one.

Girls, who doesn't like beautiful jewelry.

Nico Tang used to coax countless young and beautiful beauties to the hotel with this crystal pendant.

Of course, he was just playing for fun, and he spent some money to send those women away afterwards. It is impossible to really

give them the dream of stars.

Nico Tang came to Dark Rose Bar today just to find new prey. When he saw Hailee Ye for the first time, he fell in love with her. This woman was so beautiful, not only her face, body, but her temperament, she instantly killed all the women he had played with before.

Nico Tang swore that he would take her down, so he resorted to his usual tricks.

However.

To his surprise, Hailee Ye just glanced at the crystal pendant lightly, and then looked away.

"Sorry, I'm not interested."

Refused!

Not only Nico Tang, but even Fatty and the others who pricked up their ears to eavesdrop were stunned for a moment.

In this world, there were still women who didn't love gold and silver jewelry?

Was she pretending to be reserved?

Nico Tang also had the same idea, so he was about to launch the next round of offensive, but at this moment, a figure suddenly came to Hailee Ye's side.

"Hey, this pretty chick has big boobs and ass and is very suitable for giving birth to a baby. I wonder if you can accept the gift from me?"

It was Lewis Lu who came, and he had a frivolous expression on his face, and a bracelet made of plastic beads was twirling on his finger.

Nico Tang was dumbfounded all of a sudden.

Where the hell did this gun come from? His language was vulgar, his behavior was frivolous, and the funniest thing was his bracelet. It looked like a low-quality product bought for a few dollars on the roadside.

Where did he get the courage?

The wretched fat man and the others not far away almost fell to the ground, almost digging out a two-bedroom and one living room with their toes in embarrassment.

"OK!"

Unexpectedly, Hailee Ye smiled sweetly, happily took the string of plastic bracelets, wrapped them in her arms and laughed non-stop.

immediately.

"Fuck!"

"Fuck!"

"Fuck!"

The eyeballs of Fatty and the others almost fell from the shock, they would never have dreamed that such an ending would happen.

It turned out that this was the best thing of this beautiful woman. If I had said it earlier, I can be a rascal too.

The fat man was very depressed.

The companion next to him seemed to have thought of something, and joked: "Fatty, now that he has successfully struck up a conversation, when will you broadcast live?"

"Fuck, before he finds out, hurry up and slip away!"

The fat man immediately moved his fat ass and rolled out of the bar like a ball.

Lewis Lu naturally noticed Fatty's actions, but he didn't care about it. The bet with Fatty was just a joke.

At this time, Nico Tang looked like a stone carving, and it took him a long time to come back to his senses. He said in disbelief, "Beauty, take a good look at it, his bracelet is just a street stall for a few dollars."

"What a street stall that costs a few dollars, I obviously bought it

back with more than a dozen dollars." Lewis Lu said
unconvinced.

The corner of Nico Tang mouth twitched.

Was there a difference between a dozen dollars and a few
dollars?

At this time, Hailee Ye also said: "The gift is not about the value,
but who is giving it to you. As long as you have the heart, it is a
treasure."

As soon as these words came out, Nico Tang became even more
restless.

Just now I sent you Dream of the Stars so sincerely, you didn't
even take a second look, but this dirtbag flirted with you as soon
as he came, and you still said he had a heart?

I felt like you guys were kidding me.

How could Nico Tang still not understand that he was played by
these two people!
