

My Seven Sisters are all Stunningly Beautiful

chapter 2 Twisted, Garry Wang's jealousy!

Three slaps, one louder than the other.

When the last slap ended, Garry Wang fell to the ground directly.

Senseless!

Completely stunned!

Where the hell did this crazy man come from?

Garry Wang quickly came back to his senses, the veins on his neck popped out:

"Damn it! No matter how unfilial, it's my family business. It's not your turn to meddle, you son of bitch."

"It's not my turn?"

Lewis Lu's icy eyes pierced suddenly: "Open your eyes again and take a good look at who I am!"

"You....."

A cold shout made Garry Wang stunned for a moment, his eyes fixed on Lewis Lu face, and he examined it extremely seriously.

Suddenly, the body trembled violently.

The face of the young man in front of him gradually coincided with that of the thin child fifteen years ago.

How similar!

"Impossible....."

Garry Wang Gang shook his head desperately, his name was on his lips, but he didn't say it out for a long time.

This is ridiculous.

"Surprised, isn't it?"

Lewis Lu sneered and said:

"You used to bully me when I was a kid, pissed on my shoes, stained my clothes with watercolors on purpose."

"There are also several times when you obviously made a mistake, but you falsely blamed me and caused me to be punished by Wu. Don't you remember these things?"

Boom!

Garry Wang took a step back abruptly.

It was him, indeed it was him!

That Lewis Lu who was often bullied by him was back!

"Why didn't you burn to death in that fire? Why did you come back suddenly? Why did you come to disturb my life?"

Garry Wang's mood suddenly became extremely agitated.

"I tried so hard to please those women, but they just refused to recognize me as their younger brother, because they said that only you are their younger brother."

"I tried my best to behave in front of the dean, and let him adopt me, but this old man, he just opened his mouth and kept saying your name."

"I tried my best to live like you, but he, but they, why don't they give me a chance? How can I be inferior to you?"

Garry Wang's expression became more and more ferocious: "Do you know how much I want you to die!"

He completely lost his mind, suddenly turned around and pulled out a steel pipe, roaring and smashing it at Lewis Lu.

However.

There was only one kick in response to him, a kick like a phantom in the wind.

boom!

Before the steel pipe in Garry Wang's hand was knocked out, a very clear shoe print suddenly appeared on his abdomen, and then he flew upside down five meters away.

"Do you want to know, why are you inferior to me?"

Lewis Lu walked over slowly, looked down at Garry Wang, and said indifferently: "Because I won't be bullying, because I won't be ungrateful, because I won't be jealous, are these enough?"
Enough?

Lewis Lu's voice was very soft.

However, it hit Garry Wang's heart like a heavy hammer.

These are the most basic principles of life, did Garry Wang have them?

No.

He was just a bully, ungrateful and jealous scum.

"Puff!"

Maybe it was because of the strongly stimulated, Garry Wang spat out a mouthful of blood, with a pained expression all over his face.

Lewis Lu just watched indifferently, without any pity in his eyes.

This man had been consumed by jealousy to the point of distortion and does not deserve any sympathy at all.

"My child...you...are you really Lewis Lu?"

At this time, Wade Wu trembling voice suddenly sounded behind him.

Lewis Lu turned around, the chill on his face disappeared, and a

sunny smile appeared: "It's me, dean Wu, I'm back."

"It's really you!"

Wade Wu's heart twitched suddenly, and finally, he couldn't help crying while hugging Lewis Lu.

"My little Lewis Lu, you are still alive...you are still alive...God finally doesn't have to torture me anymore...I thought, I thought you were killed..."

Wade Wu cried loudly, but it was not a sad cry, but more like a kind of relief.

The child who made him feel guilty for fifteen years is still alive.

"Yes, Dean Wu, I'm still alive and well."

Lewis Lu comforted softly, but he also knew something from Wu's few words.

After Wu's mood stabilized a bit, Lewis Lu asked:

"Wu, do you have something you are hiding from me? The fire fifteen years ago was not an accident, right?"

Wade Wu wiped away his tears: "What happened fifteen years ago, let it pass, as long as you are still alive..."

This further confirmed Lewis Lu's guess, and he said seriously:

"Wu, if you really feel guilty towards me, please tell me everything, okay?"

Wade Wu wanted to avoid this topic, but seeing Lewis Lu serious expression, he knew he couldn't hide it, so he had no choice but to talk about it.

It turned out that the fire fifteen years ago was really strange.

At that time, the Striking Real Estate took a fancy to the land of Sunshine Institute, they approached Wade Wu many times, trying to force him to sign a low-price purchase contract.

But Wade Wu was stubborn, no matter what method the other party used, he just refused to sign.

There was no way, the person in charge of Striking Real Estate had no choice but to utter harsh words, "if you don't sign the contract, you will bear the consequences."

As a result, on the second day, there was a fire in the orphanage.

Wade Wu suspected that the fire was the revenge of Striking Real Estate, but there was no evidence that they set the fire.

After the fire, Lewis Lu disappeared.

Wade Wu thought that he had killed Lewis Lu, so he quickly took the blame and resigned, and adopted a child who was about the same age as Lewis Lu, namely Garry Wang.

Wade Wu made up for all the guilt towards Lewis Lu to Garry Wang, but he didn't expect to spoil Garry too much. Instead,

Garry became lazy and asked him for money frequently.

Earlier times, the amount was small, he didn't say anything, but this time, Garry actually asked for 200,000.

Of course it was impossible for Wade Wu to give it, so the foregoing scene happened.

...

After Wade Wu finished speaking, there was a moment of silence.

Deathly silence.

He raised his head and glanced at Lewis Lu, and was startled immediately, only to see a frightening cold light radiating from Lewis Lu dark eyes.

Striking Real Estate!

Caused me to leave my hometown for fifteen years! I almost died in the flames! Caused me to almost lose seven sisters!

How to calculate this hatred? ah? ? ?
