

# **My Seven Sisters are all Stunningly Beautiful**

## chapter 21 Bunch of blind pedants

Hateful eyes pierced.

Not only Harry Zhu, but also all the calligraphy and painting lovers present, including Elder Han showed their unfriendly look.

It seemed that they blamed Lewis Lu for Hendra Zhu's illness.

It was all because of him that an originally perfect calligraphy and painting exchange meeting was ruined.

And Sally Liu, that damned woman.

In future calligraphy and painting exchange meetings, the two of them should be completely eliminated, and they should be blacklisted forever.

"Ahem..."

Suddenly there was a coughing sound, Hendra Zhu woke up, and the maroon color on his face had faded.

Only then did everyone breathe a sigh of relief.

Roby Hu put away the needle, and said with a cold expression:

"Just now, I seem to have heard someone talking loudly and questioning my medical skills?"

He had heard Lewis Lu's words a long time ago, but he didn't immediately refute him because he was applying the needle and couldn't be distracted.

Now, Hendra Zhu woke up.

Roby Hu was finally able to separate his attention to reprimand Lewis Lu.

His professionalism is absolutely not allowed to be questioned by anyone.

The people around were already dissatisfied with Lewis Lu, and when they saw Roby Hu haggle over with him, they all showed gloating expressions.

Didn't you say that Roby Hu's acupuncture method was wrong? Now that Zhu Hongwei was awake, it depended on how you explain it.

Self-respect, does it hurt?

But Lewis Lu ignored everyone's sneering eyes, and said lightly:

"Within three days, Hendra Zhu will definitely faint again, and seven orifices bleeding, within five days, he will die!"

Just now, when Roby Hu applied the needle, Lewis Lu could see

clearly.

The wrong acupuncture method suppressed Hendra Zhu's surging Qi and blood, only blocking it but not dispersing it. This method will definitely cause a more violent rebound.

If there was no accident, Hendra Zhu would be ill again within three days, and it would be more serious than today.

As soon as Lewis Lu said this, Harry Zhu immediately roared with red eyes: "Bastard, you dare to curse my father, I will fight with you!"

He rushed to Lewis Lu angrily.

But at this time——

Lewis Lu's eyes suddenly turned cold, and he glanced at Harry and said, "If you want to die, just try."

Harry Zhu was shocked.

The footsteps that were just about to rush up froze instantly.

He was frightened by Lewis Lu's momentum.

"waste!"

Lewis Lu didn't want to waste any more time with them, so he turned and left. Before leaving, he took a look at Elder Han.

"A group of blind and pedantic people. It is a shame that Master Louis has admirers like you."

After finishing speaking, he took Sally Liu's slender white hand and strode away from Han's house, everyone's nostrils were blowing out of anger.

Back on the road.

Sally Liu's beautiful eyes flowed, and she kept looking at Lewis Lu.

Lewis Lu smiled wryly and said, "Sister Sally, why are you looking at me like this? Is there something wrong with my face?"

"Little Lewis Lu, you were so domineering just now, I really likes it."

Sally Liu smiled coquettishly, and suddenly, she held Lewis Lu's face in her hands, and kissed on.

Lewis Lu's thick skin, which was comparable to a steel plate, was a little red, which was rare.

Sally Liu said carelessly: "Don't think about it, I'm just too happy."

Lewis Lu smiled wryly in his heart, you are my sister, how dare I think wrongly!

It was almost eleven o'clock in the evening when the two returned to the Green Villa.

Normally, Sally Liu, like the other sisters, chose to live near the

working place for the convenience of work.

Only Hailee Ye, whose company was close to the house, would always live in the Green Villa.

Now that Lewis Lu was back, Sally Liu was planning to come back and live together, it's just a little bit of a hike to work the next day..

"Why did you come back so late?"

When the two returned to the villa, Hailee Ye was still awake. She had finished her shower and was wearing the translucent gauzy nightgown with the lace hem just covering the base of her thighs..

A pair of snow-white and smooth jade legs were exposed in the air, as if they were the most perfect masterpieces in the world. Lewis Lu didn't look sideways, and kept himself Positive Energy at all times.

However, Hailee Ye suddenly widened her eyes and said in the next second: "Little Lewis Lu, your face..."

On Lewis Lu's left cheek, there was still a bright red lip mark, which he forgot to wipe off.

Sally Liu said with a guilty conscience: "Hey, sister, I'm going to take a shower first."

Hailee Ye understood in an instant, and her eyes became a little resentful, as if she had overturned a jar of vinegar.

"Be fair, hand over the right cheek yourself, don't force me to do it myself."

Hailee Ye was extremely domineering.

...

The next day, the sisters all went to work.

Lewis Lu made a call and went out.

What happened last night was of course endless. Lewis Lu must make those self-righteous guys apologize to Sister Sally sincerely.

Soon, an exciting news quickly spread in Kota Jiang.

This Tuesday, Dongzheng Auction House wound open, and there would be a new work by Master Louis on the market.

As soon as this news came out, the entire collection circle in Kota Jiang was completely erupted.

Master Louis's new work!

As they all know, Master Louis had not released new works for many years, and his whereabouts were secretive, so many people speculate whether he has passed away.

Now, new works are available.

It meant that Master Louis was still alive.

One can imagine how shocking this news was to those in the calligraphy and painting circle.

Elder Han, Hendra Zhu and his son, as well as Roby Hu, were overjoyed and immediately ordered tickets to Dongzheng Auction House from the Internet.

Not only Kota Jiang, but also famous collectors in other cities were also frantically buying, and soon the admission tickets were sold out.

Because Sally Liu happened to be busy with a party, by the time she saw this news, the tickets had already been sold out.

For this she was depressed for a long time.

Back at Green Villa at night, Lewis Lu suddenly and mysteriously pulled her into the small room.

"Sister Sally, what do you think this is?"

"Entrance ticket to Dongzheng Auction House! Ahhh! I love you so much, Little Lewis Lu!!"

Sally Liu completely turned into a little fan girl, without any queenly aura, she pressed Lewis Lu's cheek and sent another sweet kiss.

Coincidentally, this scene happened to be seen by Hailee Ye

again.

As a result, two symmetrical lip prints appeared on Lewis Lu's cheeks again.

"..."

Lewis Lu actually wanted to say, sisters, I had grown up now, you could no longer just kiss my face like before!

Really annoying!
