

My Seven Sisters are all Stunningly Beautiful

chapter 4 The dragon has reverse scales, if you touch it, you will die!

After chatting for more than half an hour, Hailee Ye stood up and said, "Wu, I'm going back to Hailee Corp, and I'll visit you next time."

"Well, it's important to be busy with your career. Everything is fine here." Wade Wu said happily.

"If Garry Wang dares to make you angry again, you must tell me, and I will teach him a lesson."

After bidding farewell to Wade Wu, Hailee Ye looked at Lewis Lu again: "Come with me, I have something to say with you."

Lewis Lu nodded and followed behind the eldest Sister silently.

After leaving the yard, she saw a Porsche 911 parked on the main road outside, and the driver was waiting by the side.

"boarding."

Hailee Ye spoke concisely.

Lewis Lu got into the back seat of the Porsche, and instantly felt a chill coming from his sister , Hailee Ye.

Lewis Lu was slightly startled.

What's wrong with Sister Hailee? Even if we haven't seen each other for fifteen years and unfamiliar with these years, we shouldn't be so indifferent, right?

"Tell me, what is your purpose for approaching Wu?" Hailee Ye said coldly.

Purpose?

Lewis Lu was startled: "Sister, what are you talking about?"

"Still pretending? I don't have so much time to waste with you, just tell me how much you want!"

Hailee Ye eyes were cold, and he looked at Lewis Lu coldly.

At this time, how could Lewis Lu still not understand that the reason why Hailee Ye was indifferent was because she regarded him as a counterfeit.

Interesting.

A smile suddenly appeared on the corner of Lewis Lu' s mouth, and he decided to tease the eldest Sister, so he lay back, with his entire back pressed against the seat, looking extremely lazy.

"Since you know I'm a counterfeit, why didn't you expose me at

Wu's just now?"

Sure enough, He admitted it.

Hailee Ye's expression became colder and colder.

Indeed, as Lewis Lu thought, she never thought that her brother was still alive. The reason why she didn't expose it just now was because she didn't want to spoil Wu's interest.

Hailee Ye had seen the changes in Wu over the years, and felt distressed, but there was nothing she can do.

Today is the time when Wu smiles the most in the past ten years, and Hailee Ye couldn't bear to expose it.

Of course, she didn't need to explain this to this counterfeit, so instead of answering Lewis Lu's question, she looked at him coldly.

Lewis Lu made fun of himself, shrugged his shoulders and said, "Give me a ride first, I'll drop by with you."

After speaking, he closed his eyes.

Hailee Ye had no choice but to look at the driver: "Drive."

The Porsche quickly sped out, no one spoke during the whole process, and the atmosphere in the car dropped to freezing point.

Hailee Ye's pretty face was also as cold as ice the whole time.

After driving for about twenty minutes, Hailee Ye suddenly frowned: "This is not the direction to Hailee Corp."

The driver didn't seem to hear it, and continued to drive straight.

Hailee Ye had a vague feeling of something bad.

crunch!

Finally, the car stopped in an open space.

The driver, Harvey, turned his head and said with a smile,

"President Ye, everyone is here to make a living. I hope you can understand me."

"What do you mean?" Hailee Ye's eyes were cold.

"It's nothing interesting, I just want President Ye to cooperate with me in taking a few photos. As long as you cooperate well, I will definitely not hurt you."

With that said, Harvey locked the car door, and took out a camera and a sharp knife under the car seat.

"President Ye, you are a smart person, you should know how to do it."

Harvey sneered twice, then glanced at Lewis Lu next to him:

"Bro, you are lucky today. I don't know how many people have fantasized about the body of this beautiful president. You are lucky."

Obviously, he was going to take sex photos of Hailee Ye.

Hailee Ye didn't yell, but stared at Harvey with a pretty face: "I want to know, is it you colluding with the Beauty Corp, or Jacob Liu colluding with them?"

Like the Beauty Corp , the Hailee Group focuses on the skin care market, and the two parties have always been fighting openly and secretly.

Recently, Hailee Corp is preparing to go public. If Hailee Ye's ugly photos are exposed at this time, it will undoubtedly deal a fatal blow to Hailee Corp.

And Jacob Liu, mentioned by Hailee Ye, was the manager of the personnel department of Hailee Group, and this new driver was recruited by him.

Harvey clicked his tongue and said in amazement: "It is said that President Ye is smart and courageous, and today I have witnessed it with my own eyes."

His words undoubtedly confirmed Hailee Ye's guess.

"President Ye, as for me, I've always cherished beauty, especially for a high-ranking goddess like you, and I can't bear to blaspheme you, so you should take it off yourself!"

"If you have to force me to do it, it's not just as simple as taking

pictures, ha ha!"

Harvey laughed strangely, as if he had expected that Hailee Ye would not obediently obey, his eyes began to flicker with greed. But at this moment——

Snapped!

Harvey's wrist was suddenly pinched by a big hand, and immediately after, he met Lewis Lu's cold eyes.

"Dare to bully my sister in front of me, do you want to experience the taste of purgatory?"

Lewis Lu's voice was as cold as his eyes.

After fighting in the battlefield for five years, Lewis Lu has known countless people. As long as the other party shows a hint of malice, none of them can escape his eyes.

As soon as he saw the driver, Lewis Lu saw the problem from his flickering eyes, so he asked Hailee to give him a ride.

Now it seems that it is not easy.

"Bro, don't be so ignorant!"

Harvey's face darkened instantly: "Aren't you satisfied with watching the show for free? Do you want to have some more sister-brother drama?"

He twitched his arm violently, but was shocked to find that Lewis

Lu's fingers were as unbreakable as iron clamps.

Sudden.

Click!

With a crisp cracking sound, Harvey's wrist bones were instantly shattered, and the knife also fell down.

"ah--"

How could Harvey have imagined that the human finger strength would reach such a terrifying level, crushing his wrist bone after only one emotion.

There was a scream.

Harvey dropped the camera, frantically flicked the door lock, and fled.

But soon, there was a sharp pain in his legs, and he fell to his knees on the ground.

Two irregularly shaped stones were deeply embedded behind his knees.

What exactly is this means? ah! ! !

Harvey' s liver and gallbladder were torn apart, an unprecedented fear enveloped his heart, and his whole body was trembling violently.

"My sister, even I can't bear to bully, who are you?"

Lewis Lu stepped forward coldly, pointed at Harvey injured part, and stomped down hard.

"ah--"

There was another pig-killing scream, and Harvey passed out from the pain.

The dragon has reverse scales, if you touch it, you will die!

Lewis Lu's baseline is his seven sisters, whoever dares to touch a single hair of them must bear the wrath of King Tiansha.

If this was the battlefield, Harvey would have been a dead body already.

Hailee Ye also got out of the car and appeared behind Lewis Lu. Seeing that he was so domineering, she couldn't help but her beautiful eyes trembled.

"Who are you?" Hailee Ye asked.

At this time, Lewis Lu suddenly turned around and unbuttoned his pants.

"Sister, look!"
