

My Seven Sisters are all Stunningly Beautiful

chapter 6 The Xu Family is mere, how dare you?

In the elevator of Haileen Building.

Titan Gu looked sideways frequently, sizing up the young man beside her, showing disdain from time to time.

She had worked with Hailee Ye for so long, and only knew that Hailee Ye had a younger brother named Garry Wang who was not doing business.

And this person in front of her had never been seen before, what is he if he is not a toy boy?

It was just that Titan Gu couldn't figure it out, what qualifications did Lewis Lu have to be a toy boy?

The clothes were ordinary, the temperament was ordinary, although the appearance was qualified, but not handsome, at least not worthy of Hailee Ye.

Besides, his complexion was not white at all.

"I don't know what method you used to deceive Mr. Ye, but I

advise you, it's best to stay away from her."

"It is not easy for Hailee Corp to develop to today. If it is because of you that the company's listing is affected, I, Titan Gu, will definitely not let you go."

"Also, before eating swan meat, it's best to weigh whether you are qualified. If it's a toad, just stay in the well and don't try to reach the sky."

Titan Gu chattered endlessly, her tone was full of contempt and contempt for Lewis Lu.

What she hates the most are these unrealistic toy boys who only think about crooked ways.

"Did you even listen to me?"

Titan Gu stomped her feet angrily.

She just said so much in the hope that Lewis Lu would be a little self-aware, but Lewis Lu face was indifferent, like a piece of wood.

Of course Titan Gu was angry.

It wasn't until the elevator door opened that Lewis Lu replied flatly: "Titan Gu, I understand your feelings, but it's not your turn to tell me how to do things."

"What did you say?"

Titan Gu was taken aback for a moment, then anger welled up in her heart, and the waves on her chest trembled a few times. She chased out of the elevator and was about to reprimand Lewis Lu, but a figure walking in front of her changed her expression instantly.

Gold-rimmed glasses, a Versace suit, and a Cartier diamond watch, all the rich man's aura rushed towards him.

And the Master of these expensive ornaments is John Xu , the youngest of the Xu Family .

"Titan Gu, I heard that Hailee Corp brought back a toy boy, is it true?"

John Xu was Hailee Ye's fanatical suitor, and he had a lot of eyeballs in the Hailee Corp. Hailee Ye just brought someone back before he got the news.

The purpose of this trip was to ask Hailee Ye to answer for a wrongdoing.

Titan Gu complexion changed slightly and she said, "Where did Master Xu hear the rumors? It's not like you don't know our Mr. Ye's personality, so how could she like other men."

Hearing this, Xu Kai breathed a sigh of relief and said, "I knew that Hailee would not do such a ridiculous thing."

Titan Gu looked at it, feeling very uncomfortable.

How could she not be tempted by a handsome young master like John Xu, but there was no way, he liked Boss Ye.

Thinking of this, Titan Gu glared at Lewis Lu even more angrily. She really didn't know what Hailee was thinking, but she would actually fall in love with this guy. Compared with Young Master Xu, he was nothing.

Just as Titan Gu glared at Lewis Lu, what Lewis Lu said instantly made her look pale.

"I am the toy boy brought back by Sister Hailee."

Swish!

John Xu's gaze fell on Lewis Lu in an instant, and the surrounding temperature seemed to suddenly drop by a few points.

Titan Gu suddenly came to her senses and snapped, "Lewis Lu, what nonsense are you talking about? Boss Ye has nothing to do with you!"

She desperately winked at Lewis Lu.

However, Lewis Lu seemed not aware of it, and said to himself:

"Some things cannot be hidden. When I came in with Sister in Hailee Crop, many people saw it."

Boom!

Titan Gu's mind was like an earthquake, her face was pale and bloodless.

It was over.

It was over now.

This damned Lewis Lu wanted to bring down Hailee Corp!

John Xu looked very gloomy, staring at Lewis Lu and said, "I'll give you another chance to repeat your relationship with Hailee."

"Sister Hailee is the person I will protect all my life." Lewis Lu said truthfully.

"How dare you talk nonsense!"

Titan Gu was so angry that she couldn't hold back a slap towards Lewis's face, but was caught by Lewis Lu backhand.

"Don't think that because you are sister's friend, I dare not beat you."

Lewis Lu glanced at Titan Gu coldly, just this one glance made the latter feel cold all over, and he was speechless for a long time.

John Xu sneered and said, "Bro, I'm afraid you don't know my identity yet?"

"I really don't know."

"Then let me tell you now, my surname is Xu, and behind me is the Xu Family in Kota Jiang ."

"so what?"

"how?"

John Xu looked at Lewis like a fool:

"I'll tell you what will happen. Our Xu Family is the largest channel provider of Hailee Corp. What do you think will happen to Hailee Corp if I close the channel?"

Hearing these words, Titan Gu tender body trembled suddenly, the thing she was most worried about had indeed happened.

This Lewis Lu was simply the scourge of Hailee Corp!

But soon, Titan Gu discovered that this was not the worst, and the worse was yet to come.

I only heard Lewis Lu say lightly: "Don't talk about Kota Jiang, even if it is a wealthy family in the Capital City, they would not dare to be so presumptuous in front of me. How dare you, a mere Xu Family?"

It was just a channel dealer. As long as Lewis Lu said a word, countless forces that were hundreds of times stronger than the Xu Family will kneel down and ask for cooperation.

He really didn't pay attention to a mere Xu Family.

However, when these words fell into Titan Gu ears, she felt that Lewis Lu was crazy. Not only did he want to bring down the Hailee Corp, he simply wanted to make the Hailee Corp never recover!

"Immediately! Immediately! Kneel down and apologize to Young Master Xu!" Titan Gu ordered.

Snapped!

Her response was a slap.

"I said, don't point fingers in front of me."

Titan Gu was completely stunned, where did Hailee bring back such an arrogant barbarian?

"I want to see Hailee!"

At this time, John Xu walked towards the elevator, ready to ask Hailee Ye for clarification.

The elevator doors opened.

Hailee Ye just came down.

When she was in the office upstairs, she had already found out about the situation through the intercom and hurried over, but it seemed a little late.

"Hailee, you came just in time, tell me, who is this kid?" John Xu asked loudly.

Hailee Ye originally wanted to explain, but when he heard John Xu questioning like this, her face turned cold instantly.

"Who is Lewis Lu to me? It seems that he has nothing to do with you, Young Master Xu, right?"

John Xu face froze.

immediately.

anger!

Bitch, who usually pretends to be so pure, never thought that she would keep a pretty face, she really has no sense of shame!

John Xu said angrily: "Hailee Ye, don't forget that the Hailee Corp' s success today is due to the credit of my Xu Family. Are you trying to force me to sever cooperation?"

"up to you."

Hailee Ye didn't know that cutting off cooperation with the Xu Family would seriously hurt the Hailee Corp, but she really couldn't bear John Xu's attitude, as if she was his pre-determined woman.

And, most importantly...

Hailee Ye looked at Lewis Lu and thought, I would only recognize this younger brother in my life, if I don' t spoil him, who else will?
