

My Seven Sisters are all Stunningly Beautiful

chapter 7 This younger brother is a bit domineering!

The entire Hailee Corp was a sensation.

Hailee Ye, the cold-blooded president, turned against the young master of the Xu Family because of a little boy?

Is this crazy?

The Xu Family was the largest distributor of Hailee Corp!

Sure enough, that sentence was confirmed, once a woman was carried away by her emotions, she would lose her mind.

As strong as Hailee Ye, she cannot escape this law.

Rumors spread all over the place for a while.

Hailee Ye didn't bother to pay attention, and directly dragged Lewis Lu away from Corp Building, but unfortunately, he ran into Garry Wang outside again.

Garry Wang was still the boy he used to be, he hadn't changed at all.

The moment he saw Hailee Ye, he knelt down: "Sister, please

give me another 200,000, this is really the last time, I swear!"

It turned out that Garry Wang took the 200,000 that Hailee Ye had given before, and instead of repaying the debt, he wanted to make money, but in the end he lost everything again.

"Go away, I feel disgusted when I see you!"

Hailee Ye was in an extremely bad mood, and Garry Wang happened to hit the gun, so of course he couldn't get any good results.

The Porsche roared and left.

On the way home, Lewis Lu looked at the serious profile of Hailee, and said guiltily, "Sister, I'm sorry!"

Lewis Lu also admired himself for making Sister so uneasy on the first day back.

Hailee Ye's face softened, and he said, "Little Lewis Lu, what are you talking about? It's not your fault."

She had had enough of John Xu's entanglement for a long time, but because of the other party's status as a channel dealer, she didn't tear her face.

Even if there was no Lewis Lu today, this conflict would erupt sooner or later.

"Sister, I thought about it seriously. The position of Personnel

Department manager is still not suitable for me."

crunch——

Hailee Ye slammed on the brakes, turned her head to stare at Lewis Lu, and said angrily:

"Don't you mind those rumors too? We two siblings are doing well, so we don't have to be afraid of others talking about it?"

She was really angry this time.

No matter what people in the company said, Hailee Ye didn't care, but Lewis Lu's words made her very sad.

"No sister, you misunderstood me."

Lewis Lu hurriedly explained: "I'm just used to freedom, and I'm really not suitable for managing a company. It has nothing to do with rumors."

Hailee Ye was silent for a while, and finally sighed and said:

"Well, as long as you are happy."

"By the way, sister, is there a new product launch event in your company the day after tomorrow?"

"Well, I'm a little worried now. I always feel that John Xu and the Beauty Corp will not let it go."

Hailee Corp was planning to hold a new product launch conference before going public, focusing on introducing the

company's new products, and the reporters have already contacted them in advance.

However, judging from the recent incidents, this press conference may not go so smoothly.

Hailee Ye had a headache.

...

Green Villa.

The place where Hailee Ye usually lived was surrounded by gardens and the shadows of butterflies flutter.

Whenever the courtyard door was opened and the fragrance of flowers rushed towards her face, Hailee Ye's troubles would be swept away.

Lewis Lu looked around and said in surprise, "Sister, do you live alone in such a big house?"

"Well, your other sisters have been very busy recently, and they rarely come back. If you didn't say that you want to keep it secret, I would definitely call them to go home tonight."

Hailee Ye had already changed into loose home clothes, and it was still a top with a cartoon pattern of a Delly rabbit printed on it, which is very cute.

There is a feeling of changing from a high-cold goddess to a

sister next door in an instant.

"Little Lewis Lu, you watch TV in the living room, and I will cook for you." Hailee Ye said.

"You don't need to be so troublesome, you can just order a bowl of noodles."

"Would this... be too casual?"

"No, I still remember that when we were young, we didn't have any snacks. Sister, you often secretly cooked noodles in Wu's pot for us to eat. I really want to cherish the memory of the taste of my childhood."

"Oh well!"

Hailee Ye immediately turned into a charming cook, busy in the kitchen for a while, and after a while, two bowls of steaming boiled egg noodles were brought out.

Lewis Lu gobbled it up, and said full of praise, "Well...sister, the noodles you cook still taste the same as before. I haven't eaten them for a long time."

"If you like it, I will do it for you for a lifetime."

Seeing Lewis Lu drink up every drop of the noodle soup, Hailee Ye's eyes turned into crescent moons.

When he was about to clean up the dishes, Lewis Lu stood up

first and said, "Sister, let me do it. Your hands are so delicate that they are easily hurt by detergent."

"Yo, little Lewis Lu actually knows how much he loves his sister."

Hailee Ye showed a gratified smile, did not compete with Lewis Lu, and said, "Then sister, go take a bath first."

After speaking, he went into the bathroom.

But after taking a bath, Hailee Ye was suddenly dumbfounded.

She actually forgot to take her pajamas.

There had never been a man in the house before, and Hailee Ye always came out after taking a shower, not only her, but also her sisters.

Looking at the dirty clothes that had been thrown into the washing machine, Hailee Ye fell into deep thought.

To wear or not to wear, that is the question.

In the end, Hailee Ye grabbed a white bath towel, and was about to sneak back to the room while Lewis Lu was watching TV, but halfway through, her feet suddenly slipped.

"Ouch~"

"Sister, are you okay?"

"Don't ..."

Before Hailee Ye could say the word "come", Lewis Lu had

already appeared in front of her, his pretty face turned red.

Lewis Lu was also stunned.

what's the situation?

He heard the scream of Sister, and ran over immediately, and then saw her fell to the ground.

?

Lewis Lu was stunned for a moment, and when he came back to his senses, he suddenly strode forward and hugged Hailee Ye by the waist.

"Little Lewis Lu, you..."

Hailee Ye pretty face was flushed, and her heart was beating wildly.

Although the two were as close as sisters and brothers, they were not related by blood after all. Could it be that little Lewis Lu wanted to...

Hailee Ye was extremely nervous.

At this time, Lewis Lu suddenly asked, "Is there any iodophor at home?"

"...Yes, in the cabinet under the TV."

After Lewis Lu hugged Sister to the bed, he immediately turned around and left the room to find iodophor and cotton swabs.

Taking advantage of this time, Hailee Ye hurriedly put on her nightgown.

"Your knee is injured, I'll apply iodine for you to disinfect."

Lewis Lu used a cotton swab dipped in iodophor and carefully wiped the abrasion on the Sister's knee.

"I... I will do it myself!"

Hailee Ye voice trembled slightly.

Although she had already put on a nightdress, she was still relatively thin. It was a bit shameful to face Lewis Lu in such a posture.

"Don't move!"

However, at this time, Lewis Lu gave a low drink with a serious expression.

Hailee Ye was slightly taken aback.

Then, she buried her head in the bed in embarrassment.

Shame to death!

but.

This younger brother seemed a bit domineering!

...

This night, Lewis Lu slept soundly.

When she got up the next day, Hailee had already gone to the

company, and there was breakfast she had prepared in the living room, and she also left a love note.

"Little devil, eat breakfast obediently!"

A smiley face was drawn on the back.

Lewis Lu heart was filled with a sense of happiness.

Don't look at Hailee who was very cold outside, but at home, she was definitely a warm-hearted elder sister.

Therefore, he can't let her be wronged in the slightest.

Thinking of this, a cold light suddenly flashed in Lewis Lu eyes, and he took out his mobile phone and dialed a special number.
