## Chapter 591

### Chapter 591 Wedding Photography

Elvis had been with a lot of women over the past three years, but he had never touched them. 32 years old is a young age, once the door of lust opens, it will become serious.

Liam was still sitting beside him, but the table was covered with a long lace tablecloth. Elvis reached out his large hand, grasping her small foot.

Olive angrily teased him, but she didn't know that he had grabbed her little foot.

His rough palm circled her slender and delicate ankle, then rested her small foot on his sturdy thigh like a treasure.

Now the two of them are sitting on their sides, and her little foot is caught. This move is difficult, but Olive has been dancing since she was a child. This move is very difficult for other girls, but it is too easy for her.

He wasn't afraid of being discovered, but Olive was. She quickly retracted her small foot.

However, with one move, Elvis used his strong muscles to lock her little foot into his thighs.

This time, his strength was so strong that she couldn't move.

The posture of them was extremely ambiguous.

Olive's soft and seductive face was even hotter with a red streak, looking very suspicious.

"Olive, do you feel hot?" Liam raised his head and asked.

Being noticed, Olive averted her gaze apologetically, "Yeah, a little."

Seeing her act like a thief, Elvis curved his thin lips.

The most embarrassing was Clara. She wanted to feed Elvis steak, but Elvis didn't answer her at all, now Clara's hand ached.

Clara was the most beautiful princess in Greenland, pursued by many men, but she fell in love with Elvis at first sight.

But he rejected her again and again, which really let her down.

But the more Elvis rejected her, the more she wanted this man.

"President Augustine," Clara pouted her red lips and coyly said, "Open your mouth. I want to feed you a steak."

Elvis looked at Clara.

At this point, Olive used her small foot which was locked between his legs to kick hard, hitting his vital parts.

"Ouch," Elvis snorted. This time, he was kicked painfully by her.

She is so cruel. After three years, she has become so hot-tempered.

"Mr. Augustine, are you okay?"

“President Augustine, what’s wrong with you?”

Both Liam and Clara looked at Elvis nervously.

Elvis pursed his thin lips, endured the pain of being kicked by her, and calmly said, “I’m okay.”

Chapter 591 Wedding Photography

At this time, Olive strongly retracted her small leg and stood up, “I’ve finished eating. Take your time.”

Olive turned and left.

Elvis watched Olive’s beautiful figure leave. She was wearing high heels. When she walked, her waist was as soft as a water snake, and her beautiful butt was also swaying, revealing an indescribably soft and seductive style. He had to put her to bed tonight!

In the afternoon, Olive and Liam started taking wedding photos.

Olive wore a black two-piece dress for a walk on the beach. Right now the sun is setting, the light golden sunset is shining on the sparkling sea, extremely beautiful.

The photographer was holding a camera, saying: “Miss Hart, look here.”

Elvis stood not far away, his hands in his pockets, the refreshing sea breeze blowing his black shirt, his tall handsome figure becoming a canvas.

Elvis’ gaze fell on Olive. She was wearing no shoes, stepping barefoot into the shallow water, against the wind. Her long, pure black hair was tangled around her beautiful little face. She rolled her eyes and smiled, and the photographer hurriedly pressed the button to take a picture.

Olive is naturally beautiful and has a knack for photography and fashion. Her natural smile is the work that pleases these top photographers.

Elvis was looking at her, and another person was looking at her, too, who was Mr. Mahone from the resort.

Mr. Mahone first saw Olive and was shocked. Now seeing Olive taking pictures, his eyeballs can’t seem to move.

Clara next to him quickly took out her cell phone, and with a “click”, she took a picture of Mr. Mahone peeked at Olive, and was captivated by her.

Clara pouted, thinking, “If I remember correctly, Mr. Mahone has a tigress in his house. I don’t know who this tigress will bite if she catches them.”

Today went by smoothly, she must have something exciting.

Clara quickly sent this picture, and she just sat and waited to see a good show.

The photographer took a single shot of Olive and said, “Miss Hart, Mr. Theodore, come out. Let’s take a couple photo.”

At this point Liam came out, saying, “I’m here.”

“Mr. Theodore, you can put an arm around Miss Hart’s waist, then gently kiss her on the cheek.” The photographer said.

At the photographer’s request, Liam wrapped his arm around Olive’s slim waist and moved his handsome face toward Olive’s petite face.

But Liam didn’t really kiss either. He curled his thin lips, “Princess of Visionary, why do I feel cold behind? Is Mr. Augustine staring at me?”

Olive lifted her head, her clear eyes darting behind Liam’s straight shoulder, and directly facing Elvis’s narrowed, quiet eyes.

Elvis was looking at her, then at Liam.

His sharp hawk-like eyes glanced vaguely at Liam’s large hand that was wrapped around her slim waist as if he were about to puncture Liam’s hand.

When Elvis saw Liam about to kiss her, his heroic brows furrowed, and his whole body was so dark that it could drop water.

No wonder Liam said his spine was cold, now Elvis wants him to disappear from this world.

Olive quickly looked away, and she whispered, “Don’t worry about him.”

At this point, Clara came to Elvis’s side. She said innocently: “Mr. Augustine, Liam and Olive are really affectionate, aren’t they?”

Affectionate?

Elvis snorted coldly, his narrow eyes were covered with a layer of gloom and cruelty. He turned to leave, not looking at Clara.

“President Augustine, where are you going?” Clara asked.

Elvis didn’t turn around. He went to a remote place, took out his cell phone, and dialed a number...

Olive and Liam had their poses ready, and the photographers were ready to start shooting. At this time, Mr. Mahone rushed over and wiped a cold sweat, saying, “I’m sorry, King of Gold City, Princess of Visionary. I just received a call from my Big Boss. My Big Boss has ordered that you are not allowed to take pictures in this area!”

Chapter 592 Elvis said that she was an idiot!

What?

That mysterious and secretive Big Boss called just to prevent them from taking pictures here? Why?

Mr. Mahone was very embarrassed. He really didn’t dare offend either side. He apologized and smiled, “King of Gold City, Princess of Visionary, this is

really...”

Liam let go of Olive. She straightened up and said, “King of Gold City, forget about today. Don’t make things difficult for him.”

Liam nodded, “Okay, although we can’t take pictures in this place, the scenery here is so good. It is said that the sea of clouds is the most beautiful in the morning, so we can stay for one night.”

Seeing the beauty of this place, Olive didn’t intend to leave tonight, either. She rarely goes out for a break, so she said, “Okay.”

Olive returned to her room, “ding”, the text message on her cell phone rang, She clicked to open it. Elvis texted her, “Come to my room.”

Olive shivered. Last time outside the palace, he wanted to take her home for the night. This time in the sea of clouds, he wants her to come to his room, is there anything else on his mind?

Olive didn’t answer because she didn’t want to go!

In the other room, Elvis didn’t wait for her to answer. She saw the message, but she played dead, and the meaning of the rejection was clear.

Elvis twisted his thin lips in a slight arc, and then he sent a text to Nathan, “Hurry to the sea of clouds in half an hour.”

Two minutes later, the phone went silent, and Lil’ Nathan didn’t even answer him!

“...” Elvis wondered if Nathan had a cold personality like him, or if his non-answering personality was from his mother.

Elvis sent another text, “Your mom is in the sea of clouds.”

In the next second, there was a “ding”, and Lil’ Nathan’s answer came immediately.

Elvis: “...”

In the presidential suite, Olive comfortably bathed in rose shower gel, but when she came out, she accidentally bumped her forehead against the frosted glass door, causing it to bleed.

She wore pajamas, stood in front of the dressing table with her bare feet as white as snow, and stretched out her slender hands to treat the wound on her forehead.

The wound on her forehead was a bit deep. Even after simple treatment, it still hurts.

There was a medicine box in the room. Olive took it out, intending to process it again.

At this time, there was a “ding”, the doorbell rang

Someone was knocking on the door.

Who was that?

Olive stepped forward and opened the door.

“Miss Fairy~” Lil’ Nathan ran over and hugged Olive’s calf.

“Nathan, why are you here?” Olive asked. She didn’t expect that Lil’ Nathan would come to Greenland. Her eyes lit up, and she quickly reached out and touched his forehead.

“Miss Fairy, I came here with my dad. Are you surprised?” Lil’ Nathan laughed.

At this moment, there was a steady sound of footsteps, and Olive looked up to see Elvis walking slowly.

He changed his clothes, wearing a handmade white shirt, below were black trousers, the classic male idol style. The bangs on his forehead were pulled up, revealing his handsome facial features. He stepped out from the red carpet, majestic as an emperor.

He came too, huh?

The man who texted her to come to his room just now appeared in front of her.

Elvis walked over, his narrow, deep eyes darting to her small face, then to her forehead. His handsome eyebrows suddenly furrowed, and he asked in a deep voice: “Why are you injured?”

Olive had just finished taking a shower, her long, wet hair fell over her shoulders, her hand-sized face was even more picturesque, and her skin was like peeled egg whites, white and soft as pearls without blemish. But there was a blood stain on her beautiful forehead, which was very dazzling.

He saw the wound on her forehead at a glance.

Olive instinctively reached out her small hand to cover the wound on her forehead, saying, “It’s okay.”

“Miss Fairy, is there someone who hurt you?” Nathan angrily asked. “Who bullied you? You can tell my dad. He is very powerful. He will help you get revenge.”

Olive thought “Yeah?”. Why did she feel that Nathan was starting to sell his father to her?

But looking at Nathan’s young and innocent face, filled with concern for her, Olive felt that she was thinking too much.

“Dad,” Lil’ Nathan grabbed Elvis’s trouser leg, innocently asking: “Tell Miss Fairy. Dad will protect her, right?”

Elvis’s deep gaze fell on her small, beautiful hand-sized face. He didn’t say anything.

Olive felt his gaze both dark and hot so she quickly averted her gaze, “Lil’ Nathan, thank you.”

“You’re welcome. Dad and I will protect you from now on.” Lil’ Nathan said solemnly.

“1

Olive's heart softened, revealing a warm and gentle smile as she looked at the boy's small, pink face and his bright black eyes which were like night pearls. She really likes Lil' Nathan.

At this point, Elvis entered the room on his long legs, his voice deep and full of magnetism: "Come in. I'll treat your wound."

Olive instinctively refused, "No need..."

Chapter 592 Elvis said that she was an idiot!

But the next second, what the heck?

She turned her head to look at the man. Elvis was standing in her room. His pose was natural and comfortable as if this were his room!

She turned him down and didn't let him in, didn't she?

How did he get in?

"Miss Fairy, let's go to the room." At this moment, the little boy took Olive's small hand.

Olive, "..."

In the room.

Olive sat on the big soft bed, Elvis stood beside the bed, holding an alcohol swab in his bony palm to help her treat the wound on her forehead.

"Ow!..." Olive painfully swallowed.

Elvis didn't move anymore. Now that he was standing and she was sitting, he could easily look at her with condescending eyes, "Does it hurt?"

"A little bit."

Elvis poked her wound with a cotton swab.

What was he doing?

She was in a lot of pain, and he poked at her wound.

Olive burst into tears because of the pain, raised her head, and glared at him, angrily saying: "President Augustine, you did it on purpose. Is it fun to prank me?"

Elvis pursed his lips and snorted softly, "Idiot!"

"

Olive's heart skipped a beat. When this man said these two words in his deep voice, she had the illusion of being loved.

Idiot!

Olive's gaze was a bit dull, but her sockets were red from the pain, her curled eyelashes were still a little wet, and she looked pitiful. Elvis felt his heart flutter, and he couldn't help but ask, "Does it really hurt?"

Elvis lowered his tall and handsome body, one hand cupped the back of her neck, and stroked her soft hair: "It won't hurt, will it?"

His words were very vague, more like teasing her, teasing his kitten.

The two unnatural blushes on Olive's charming little face gradually disappeared. Now he is very close. Looking at him from such a close distance, his handsomely carved face was a bit delinquent. She also smelled clean and clear masculinity on him, very fragrant.

To be fair, this is a very attractive, handsome, rich, mature, noble, gallant man and very attractive to women.

Olive hastily avoided his gaze, reaching out her small white hand to take the cotton swab in his hand, "President Augustine, I won't bother you. I'll do it myself."

She snatched the cotton swab from his hand and involuntarily grasped his broad hand with her soft, smooth fingers.

Olive froze for a moment as their hands interlocked and held each other.

She hastily wanted to pull out her small hand, but he stretched out his hands and threw her directly onto the large soft bed.

Her beautiful slender back was pressed against the mattress, and before she could get up, her vision went dark, and Elvis pressed down on her.

Two big hands supported her body, he looked at her with fiery eyes, his overbearing tone filled with affection, "You're injured but you're not even honest. Are you itchy?"

Olive quickly reached out and pushed him, "President Augustine, I'm itchy. Do you want to treat it?" Elvis's gaze darkened, his Adam's apple rolling up and down, "So do you want me to handle it?" Olive raised her delicate willow-leaf eyebrows, pressed against his hard chest, and pushed him away with force, "I'm sorry, Mr. Augustine. I didn't make an appointment."

Elvis didn't budge, and she couldn't push him away. The man's tall body was like a wall pressed against hers, his large, clearly articulated hands clutching her trembling little hands to the top of her head. He laughed and said, "Olive, are you playing hard-to-get? Didn't you ask me to be nice to my son?"

"I like Lil' Nathan, and he is also my son..."

"So I'm still Lil' Nathan's dad, do you like me? Buy one get one free. We're all yours."

After saying that, he leaned down and kissed her rosy neck.

The man lying on top of her kissed her, she pushed him with all her strength, but couldn't move. Her little hands threaded through his short hair, tugging,

"President Augustine, let go. Lil' Nathan is here!"

His son is here, he should be a little scared.

Elvis kissed her tender skin, hoarsely saying, "Leave him alone. Let's make out for a while."

With this little brat, he was about to become a monk.

...

Chapter 593 My dad wants to sleep with you too

Olive was trying to push him away, when a childish voice said, "Dad, Miss Fairy, what are you doing?"

Olive turned her head and saw that Lil' Nathan had arrived.

The boy stared at them with his big eyes.

"Elvis, Nathan is here. Let go!" Olive used her strength to push him.

Of course Elvis knew Nathan was coming. This brat always wants to make him feel uncomfortable.

He frowned with displeasure and impatience and refused to get up.

Olive failed to push the man. At this point, the boy quickly ran over, climbed onto the bed, and pushed Elvis with both hands and feet, "Dad, get up quickly. Why are you pressing on Miss Fairy? You will crush her!"

Nathan didn't know what his father and Miss Fairy were doing, but Olive's soft and seductive face was already red.

But the man on her body pretended to be dead and refused to move.

"Lil' Nathan, hold on a bit. Push your dad away."

"Okay, Miss Fairy. Let's try together."

Lil' Nathan and Olive pushed Elvis as hard as they could.

Elvis's large, clearly articulated hand reached to the woman's beautiful ass and squeezed it, then he flipped over onto the large bed.

Olive hastily jumped off the bed. She adjusted her disheveled clothes, feeling her ass being pinched by the man was very hot. If it weren't for her child, she would have kicked him out of bed.

"Miss Fairy, what's wrong with my dad? Why was he pressing you?"

Olive glanced at the man on the bed. He furrowed his handsome brows, his firm chest rising and falling under his thin white shirt. Lifting her head, she glanced at his pants and immediately averted her gaze. She looked at Nathan and replied, "Well... Lil' Nathan, your dad was drunk."

"Did he drink alcohol? No, I don't smell alcohol." As the little boy spoke, he crawled to his father's side and sniffed with his nose. There was no alcohol smell.

Nathan's big eyes looked down at the man's pants, and he said in surprise, "Miss Fairy, Dad has a big bulge here. Is he sick?"

..

...

”

Olive felt the blush on her face spread to her snow-white earlobes. She

replied, "Lil' Nathan, your dad is not sick..."

"So what happened to him?"

Lil' Nathan looked at his father with concern, and foolishly said, "Miss Fairy, come and see him quickly. Is there any way to save my dad?"

Olive came over, lifted the blanket over Elvis, reached out to hug the boy, and blatantly lied: "Lil' Nathan, trust me. Your dad is really okay. Let him get some sleep and he'll feel better."

"Really?" The boy was still worried.

"Of course. Nathan, come on. I'll bath you."

"Okay, thanks, Miss Fairy."

...

As the mother and son entered the bathroom, Elvis slowly opened his eyes, holding the blanket aside with his large bony palms, his bright red eyes staring at the crystal chandelier overhead.

A few minutes later, he tried to suppress the heat in his body, stood up, one hand in his pocket, and walked to the bathroom door.

Mother and son's laughter came from inside, "Haha, Miss Fairy, I want to sleep with you and Dad tonight."

"Okay... Lil' Nathan. I'll sleep with you tonight, okay?"

"Why? Miss Fairy, don't worry. Dad will sleep with you too, I promise he won't press on you again."

"Yeah..."

Elvis pouted outside the door. After all, it's not useless to raise this kid! However, that promise was made by that little brat, not him!

At the hotel.

A fat woman approached, followed by two bodyguards dressed in black.

When she entered the hotel, she shouted: "Where is the Princess of Visionary? I heard that she seduced my husband. Is she in bed with my husband now? Little slut. If I catch her, I will definitely destroy her temptress' face!"

Chapter 594 She was caught red-handed

This fat woman is the wife of Mr. Mahone, and she rushed over after receiving Clara's photo.

The family of this fat woman is very powerful and rich. Normally, she wasn't

afraid of anything, but just now she couldn't call Mr. Mahone, so she believed her husband was currently having an affair with the Princess of Visionary. The fat woman was leaning against her hips. She scolded more and more harshly. She is best at cursing the third wheel. "Everyone, look. It turns out that the princess of Visionary is a shameless woman! Where is her room? If she dares to seduce my husband now in front of me, I will kill her!"

At this time, there were a lot of people around. When they saw this fat woman, they discussed,

"Isn't it Mrs. Mahone? Did she come to catch the homewrecker?"

"The Princess of Visionary and Mr. Mahone? Impossible! The Princess of Visionary is the fiancée of the King of Gold City. That day I looked at her from afar, her aura was very high."

"But where there's smoke, there's fire. Let's see first."

This fat woman saw many people and made a fuss, becoming more and more arrogant. She immediately ran to the presidential suite that Clara pointed out, raised her hand, and knocked on the door, cursing: "Princess of Visionary, little slut, open the door quickly. Is there any bastard hiding in your room? Is that my husband? Hurry up and open the door, or I'll kick it open to see your miserable nakedness!"

In the room, Olive was still bathing Lil' Nathan, and Elvis was the first to hear the woman swearing outside, so he quickly looked toward the door with cold eyes.

"Elvis, did something happen outside?" Olive inside heard the movement too and asked.

Elvis put one hand in his pocket and calmly said, "It's okay."

After saying that, he walked over to the door and opened it.

Before the fat woman could finish cursing, "click", the door opened, and Elvis' tall body came into view.

Viewers hurriedly tiptoed to look. Unfortunately, a group of security guards rushed over, quickly pulling the rope out to obscure their view.

The fat woman was taken aback when she saw Elvis appear at the door. This man isn't her husband. Who is he? Wow, so handsome!

Elvis' tall frame stood at the door, his deep narrow eyes darting indifferently but sharp at the fat woman, and he said in a deep, magnetic voice, "What's the matter?"

The fat woman quickly regained consciousness. Although this handsome man isn't her husband, it isn't good to be in the Princess of Visionary's room!

The fat woman would never forget the photo sent by Clara, in which her husband was staring at a woman so hauntingly as if his soul had been taken.

But she didn't expect the princess of Visionary to have another man!

"Who are you? I'm looking for the princess of Visionary. Is she in this room?"

Bring her out here!"

Saying this, the fat woman winked at the two guards behind her, "Come and get her for me!"

"Yes." Two bodyguards stepped forward.

But Elvis was still standing at the door. The man is 6.2 feet tall, and his temperament is calm, majestic, and strong, like a gatekeeper.

He narrowed his cold eyes at the two bodyguards dressed in black.

The two black-dressed bodyguards were suppressed by the man's aura, a little scared.

At this time, the fat woman worriedly exclaimed: "What are you doing? Get rid of this man quickly, or you won't get any money!"

"Yes." Two bodyguards in black quickly walked over to hold Elvis.

Elvis stretched out his right hand like lightning, squeezed the wrist of a black-clad bodyguard, and folded it forcefully. His movement was swift and merciless.

"Crack," the black-robed bodyguard dislocated his wrist.

"Ah," he yelled and fell to the carpet.

The other black-clad bodyguard glanced at Elvis, turned and ran.

The fat woman exclaimed: "Hey, hey, where are you going? You useless!"

The fat woman didn't expect that this handsome man not only had good looks but also had top-notch

skills, which scared the two bodyguards she hired with a high salary to run away.

At this moment, "click", the door to the room opened. Olive poked her pretty, delicate face out, asking, "What happened?"

"Princess of Visionary, I'm looking for you!" Seeing Olive, the fat woman's eyes lit up. She immediately rolled up her sleeves, wanting to rush to scratch Olive. She yelled, "It's you who lured my husband. I'll scratch your face and tear you apart!"

The fat woman wanted to charge up and hit Olive, but Elvis remained at the door, blocking Olive's slender body behind him in a protective stance.

Due to his skill and his strong temperament, the fat woman could only look at Olive angrily.

Olive looked at the fat woman and was a little stunned. She never thought she would be caught in adultery today.

"Who is your husband?" She asked.

"Are you pretending? You don't know who my husband is? My husband is Mr. Mahone of this resort!" The fat woman said proudly.

Mr. Mahone?

Olive wasn't impressed with Mr. Mahone. She curled her red lips regretfully, "You should buy a mirror and take a look at home. How can your husband stand up to my seduction?"

"You!" The fat woman's nostrils spewed smoke. What an arrogant woman! "Everybody come and see, Princess of Visionary is a slut!" The fat woman began to scream.

Olive frowned and wanted to talk, but at this point, her vision darkened, and Elvis moved his body to block her behind him.

His handsome features were as sharp as a knife, carrying a dark layer of anger, "Little bitch, who are you scolding?"

The fat woman showed courage and said, "Don't scare me! I'm the owner of this resort. Did you see the guards in black behind me all obey me?"

Saying this, the fat woman commanded two black-clad guards, "Come here."

Two security guards in black quickly stepped forward and said, "Mrs. Mahone."

She grew even more arrogant and said, "See? This resort and the sea of clouds are both my territory. I have the final decision. You dare play tricks on my territory?"

Elvis' lips drew a very slight curve, but he said nothing.

At this point, the fat woman pointed at Olive, shouting, "That bitch just scolded..."

"Bam!" Before the fat woman could finish her sentence, she was slapped in the face.

Oh, God!

The fat woman covered her face being slapped, shocked to see the person who slapped her. It was none other than the security guard in black that she called.

"You... you want to riot right? I'm the owner..."

"Bam!" Before the fat woman could finish speaking, the guard slapped her again.

After two slaps, the cheeks of the fat woman quickly swelled, and the corner of her mouth leaked out a trickle of blood. She was very embarrassed.

Being beaten, she was really stunned. Where did she go wrong?

The fat woman looked at Elvis and saw that he was elegantly dressed. In his gesture exuded an elegant and calm aura, his status was also quite prominent, either rich or noble.

Who was he?

Did these security guards listen to him?

Why?

No matter how hard she tried, she couldn't think of the reason.

"Sir, you have been deceived by the Princess of Visionary. This woman looks pure on the outside, but on the inside, she is very debauched. She likes to seduce men. My husband has been seduced by her. You should see her true face!"

The fat woman's words were cruel, and Olive's delicate eyebrows rose.

Although she was very upright, she still felt a little embarrassed when Elvis heard these words.

She looked up at the man in front of her. He was using his height and his straight shoulders to block her view, using a domineering and strong posture to shield her from behind so that she wouldn't be gossiped about.

For some reason, Olive's heart suddenly softened.

At this moment, a deep and magnetic voice rang, "I'll ask you one last time. Bitch, who are you scolding?"

Elvis repeated this sentence.

The fat woman froze for a moment. At this moment, "bam, bam", the security guard repeatedly slapped her in the face twice.

The fat woman almost spat out a mouthful of blood, and her whole fat face was beaten to swollen.

It's hurt.

The fat woman looked at the man, only to see his deep eyes looking into her face, revealing a sinister murderous intent.

The fat woman was scared, her pale face trembled. She said, "I'm scolding myself. I'm a little bitch!"

Hearing that, Elvis withdrew his gaze, turned his head to look at the little girl behind him, and moved his thin lips, "Go back to your room!"

Simple words but full of domineering.

Olive's heart suddenly pounded.

At this time, the little boy ran over and hugged her calf: "Miss Fairy, what are you and Dad doing?" Olive didn't want the little kid to see the fat woman, so she picked him up, "It's okay, Lil' Nathan. Can I tell you a story?"

“Yes,”

Olive brought Lil’ Nathan into the room.

Seeing Olive enter the room, the fat woman angrily looked at Elvis, saying, “You... you dare to treat me like that, do you know who I am? This is my territory. I will ask my husband to teach you a lesson!!”

Hearing that, Elvis raised his eyebrows, the corners of his thin lips coldly drawing a slight arc. He said sarcastically, “Then turn around and see who it is now.”

Who?

The fat woman turned her head and saw her husband, Mr. Mahone, rush over.

Mr. Mahone ran too fast and almost tripped.

“Honey, why are you here?” The fat woman grabbed Mr. Mahone, asking, “But you came just in time. I was looking for you!”

“Shut up!” Mr. Mahone hurriedly pushed the fat woman away, cold sweat on his face, worriedly whispering: “I just received a call from the Big Boss. He asked me to come over!”

“The Big Boss?” The fat woman was taken aback, too, not expecting that the mysterious and secretive big boss would appear tonight. The person who buys a sea must be rich and precious.

“Yes, it’s the big boss. He has never appeared before, but now suddenly appears. I have a bad premonition. Where is the big boss? He asked me to come over, but why didn’t I see him?” Mr. Mahone said. He looked around, and just then, his gaze fell on Elvis.

Mr. Mahone seemed to suddenly understand something, his pupils constricting and expanding rapidly. Could it be...?

“Mr. Augustine, who are you?” Mr. Mahone asked hesitantly.

Elvis put one hand in his pocket, pursed his thin lips and said coldly, “From now on, you don’t need to come here.”

Mr. Mahone’s speculation has been confirmed. His feet went soft. It turned out that the mysterious big boss had come to his side, and he was... Elvis Augustine, the number one tycoon in the world.

Three years ago, Elvis spent a lot of money in Greenland and bought a sea. The fat woman hastily said, “Who are you? Why tell my husband not to come? My husband is the owner here. There is only one person who can command my husband, that is the mysterious big boss. Unless it’s you.”

Mr. Mahone looked at his wife beside him and he was about to cry because her IQ was so... touching. He said, “Shh, stop talking. It’s embarrassing. Mr.

Augustine is the mysterious big boss!"

What?

The fat woman's pupils immediately widened, looking at the handsome man in front of her in amazement. Turns out he is the mysterious big boss!

"This is not only the mysterious big boss, but also the number one tycoon in the world, Elvis, the CEO of the Augustine family!" Mr. Mahone added.

The fat woman puffed out smoke, then shook her head incessantly. No. She couldn't believe it. She definitely wouldn't believe it!

The fat woman looked at the closed door again. Since when has Princess of Visionary hooked up a prominent person like Elvis?

She thought back to what she'd done just now, feeling like she'd been pushed into the abyss. It was over. Everything ended.

Elvis shoved his hands in his pockets, his handsome eyelashes covered in a faint mist, "You don't need to tell her. Besides, I hope you never appear in front of me again."

The fat woman shivered. How proud she was just now, how embarrassed she is now. She groaned, "Mr.... Mr. Augustine, I'm sorry. It's all my fault. I'm blind. But... But you really were deceived by the Princess of Visionary. She likes to seduce men. My husband was seduced by her!"

"You mean... I'm not attractive enough to keep my woman? So she cheated on me?" Elvis asked again.

The fat woman, pale-faced, sat down on the carpet.

Elvis lowered his eyelids and looked at the fat woman one last time, "Be careful in the future. I'm a very cautious person. If anyone dares to touch my woman, Not only will I chop him up and feed the dogs, but I will also destroy his house. Don't make me angry next time, okay?"

After saying that, Elvis pushed open the door to the room and entered.

The fat woman outside, ".  
"

After being hit with 10,000 points, she was forced to watch a romantic scene!

"Honey..." The fat woman looked at Mr. Mahone and begged for help.

Mr. Mahone wasn't much better either. He remembered seeing the Princess of Visionary a few more times, and the big boss probably remembered him at the time.

But isn't the Princess of Visionary the woman of Liam, the king of Gold City? Since when did she become the woman of Elvis, the number one tycoon in the world?

Mr. Mahone quickly dispelled his wandering thoughts. He should worry about himself now. Princess of Visionary was certainly not the woman he could covet.

"You've hurt me a lot this time. Get up and get out of here. Don't mess around here anymore. I want a divorce from you too!" Mr. Mahone said angrily and left.

The fat woman hurriedly got up and chased him, yelling: "Honey, I don't want a divorce. Wait for me!"

In the presidential suite.

Olive was standing on the balcony with the little boy in her arms. Mother and son were looking at the stars.

At this moment, there were steady sounds of footsteps, Elvis walked over.

Elvis walked over, stretched out his strong arms and hugged the little boy.

The little boy was pulled away from Olive's soft embrace and quickly protested in a childish voice, "Dad, I want to be hugged by my teacher."

Olive reached out and hugged the little boy, "Let me."

Elvis raised his handsome eyes to Olive and asked in a deep, magnetic voice, "Is it heavy to carry him?"

The boy is three years old and weighs 66 pounds. Carrying him is a bit heavy. Olive's heart missed a beat. He...

She looked at the man with clear eyes. The man carried the boy into the room, walking towards the large bed.

The tall and handsome man was holding the boy in one hand, very comfortable and his strength was at its maximum.

They say dad is a plus, and he really is.

There were ripples in Olive's clear pupils.

Elvis put the boy on the big soft bed, saying, "Nathan, it's late. Sleep."

Nathan nodded, then looked at Olive, "Miss Fairy, before I go to bed I want a glass of milk. Can you warm it for me?"

"Of course." Olive quickly went into the kitchen to help him warm the milk.

Seeing Olive's beautiful figure disappear from sight, Elvis stood solemnly by the bed and looked at the little boy, "Tell me, you've distracted your teacher, are you trying to say something to me?"

Lil' Nathan quickly withdrew his innocent expression, sat cross-legged on the

big bed and coldly said: “Just now, what happened outside? Dad, could it be that your rotten mistress is bothering my mom?”

Elvis raised his heroic eyebrows. The fat woman just now was clearly being taken advantage of by others, so she staged a scene to curse like that.

Who was the mastermind behind?

“Huh.” Lil’ Nathan clutched his chest with both hands, snorted coldly, “Dad, I told you. If you can’t deal with the women outside, then I’ll help you deal with them. Now there are people who dare to touch my mom and bully her in front of me, don’t blame me for being rude,”

“Nathan, what do you want to do?”

“Dad, I will do my thing. You can rest assured. Tonight I will give you a chance. You just have to take responsibility for using your beauty to win over my mom!”

Elvis, “...”

“1

Well then, the main supporter behind the scenes would be assigned to his son!

“Lil’ Nathan, hot milk is here.” At this moment Olive came over with a cup of hot milk,

Lil’ Nathan quickly changed into a cute childlike appearance, received the milk and said with a smile: “Miss Fairy, thank you. The milk is delicious.”

Olive stroked Nathan’s small head, “Yes, Nathan. You need more milk, Milk will increase intelligence.” “...” Elvis felt that this son’s intelligence didn’t need to be replenished. He was already outstanding, Elvis went to the bathroom on his long legs, “Go to sleep first. I’ll take a shower.”

Does he really want to sleep here?

This is her room. Has he consulted her?

Olive felt the need to talk to Elvis, so she got up and went to the bathroom,

“Lil’ Nathan, go to sleep after drinking milk. I have something to say to your dad.”

“Yeah, okay.”

Both Olive and Elvis disappeared in the bathroom. Lil’ Nathan quickly finished the hot milk in the glass, put down the glass and took out his cell phone.

Lil’ Nathan’s fingers tapped quickly on the keyboard, and quickly reached the fat woman’s phone, then broke into the protective wall of her phone, and found the text message sent by Clara,

Clara sent it from an anonymous number, but she couldn’t escape the keen

eye of Lil' Nathan, and soon, a photo of Clara and personal information about her life appeared on the screen.

It turned out to be this woman!

Lil' Nathan's big bright eyes flashed a terrifying killing intent. If she dares to bully his mother, she will kill herself!

Then he could just spend time with Clara just to have fun!

Clara didn't show up. She is the most prestigious princess in Greenland, very careful to preserve her image. She was afraid that if she appeared, she would reveal her secret and bring herself unnecessary trouble.

But she was still waiting. She watched the fat woman go upstairs and find Olive to curse at so she was waiting for a good show.

Chapter 596 The little boy took action

However, after waiting forever to see no one, Clara had a vague feeling that something bad was about to happen.

At this moment, "Ding", the elevator door opened, and the fat woman came out.

Clara was still sitting on the sofa in the hall. Her eyes lit up, and she quickly froze. Her ideal fantasy would have been the fat woman pulling the tangled Olive out, but why did the fat woman come out alone?

The fat woman's face was swollen, and she was wearing a mask to cover it, obviously something was wrong.

At this time, the two passers-by who had just been watching ran over and asked the fat woman: "Mrs. Mahone, did you catch the Princess of Visionary, the woman who committed adultery just now?"

"Mrs. Mahone, is the Princess of Visionary really related to your husband?"

The fat woman just wanted to leave this place quickly. She loudly said: "It's just a misunderstanding. The Princess of Visionary is innocent. She won't like my husband either!"

What's wrong?

Clara's expression changed in an instant. This fat woman is very jealous. Furthermore, this is her territory. Should she hold onto Olive? Why did she say Olive was innocent?

Where did it go wrong?

At this time, in the hall, the LCD screen suddenly lit up, and a soft female voice came: "Mr. Mahone, you are so annoying... You have a wife and you still treat me like this..."

Clara was startled. Why did she feel... this voice was so familiar?

It was as familiar as her own.

Clara hurriedly looked up at the LCD screen in the hall, and her expression dramatically changed.

Chapter 597 The hot video

Clara was taken aback.

God, what is this?

She saw a big action scene being shown on the LCD screen in the hall. Two figures, a man and a woman, entwined with each other, half undressed, passionate and suspicious.

That man was... Mr. Mahone, and that woman was none other than... Clara! Clara stared at the woman several times before she was sure she wasn't mistaken. That was really her!

But when did she hook up with Mr. Mahone? Even she didn't know this. Her taste is very good. Her gaze is always fixed on Elvis. She didn't like a man like Mr. Mahone at all. Now seeing herself wrapped up in Mr. Mahone made her want to vomit.

What happened?

Who is she? Where is she? What's going on?

Clara felt that the world was an illusion.

The fat woman and onlookers looked up, too, catching sight of the video of Clara and Mr. Mahone making love in a hotel room.

Mr. Mahone pressed Clara, saying, "Baby, don't talk about that fat woman. Every time I have sex with her, I feel like vomiting. How can she have such delicate skin and tender flesh like yours?"

Clara enchantedly laughed, "That fat woman must be very poor. You should divorce her and marry me. I will make you the son-in-law of Greenland."

Clara couldn't sit still anymore, suddenly stood up and aggressively ordered the front desk: "Turn it off. Turn it off!"

There were many guests in the hall. Everyone looked over and even took out their cell phones to take pictures.

"Oh my gosh, it's been a long time since I've seen a movie like this. What an action blockbuster from Princess Clara!" said one.

"That's Princess Clara. I wasn't mistaken," said another.

"Totally correct. If it's fake, quickly take a photo and post it online. Our princess Clara has released a hot video, the number of hits on the network every minute will exceed 100 million."

“Princess Clara doesn’t look like such a slut. She seems pure on the outside.”  
“The truth is, Princess Clara is not only a slut but also likes married men and seduces other people’s husbands!”

“Ah”, Clara exclaimed, hurrying to the front desk of the hotel, “Quick turn it off! Turn it off!” Clara’s face was pale. She is the most prestigious princess in Greenland. She has always cherished her image, but now she feels that her image has been crushed by someone.

Regardless of where and how this video came from, now that she has released a sex video, it is sure to go viral across the country.

Chapter 597 The hot video

No!

It’s absolutely impossible!

“Clara, so it’s you!” At this moment, the fat woman rushed over, grabbed Clara’s long hair and slapped her twice.

Clara caught off guard and was stunned from being hit, and suddenly fell to the ground.

The anger in the fat woman’s heart can be imagined. She had suffered so much humiliation from Elvis and Olive just now, and she was already suffocating. Now she has found a way out and takes out her anger on Clara. Anyway, she has worked hard, and won’t let Clara be happy. At worst, she will die.

Even if she dies, she will bring Princess Clara with her!

“Clara, you damned woman. It turns out that you seduced my husband. I’ll kill you!” The fat woman aggressively gritted her teeth, punching and kicking Clara.

“Wow.”

The onlookers didn’t expect the fat woman’s strength to be so intense. They cried out, “Hurry up and take pictures. Princess Clara was beaten up by her lover’s wife after playing a hot video. The news is sure to explode.”

Onlookers slapped Clara violently.

Clara covered her head and her face, screaming: “Don’t hit me. Stop taking pictures of me. How dare you? I’m the most precious princess but you treat me like that? I won’t forgive you!”

The fat woman reached out and grabbed Clara’s clothes with both hands.

“Smack!” She tore them apart.

“You bastard. What a shameless homewrecker! I’ll rip your clothes off. This is the most noble princess in Greenland. Everyone come and see! Everyone, come take pictures!” yelled the fat woman. This was probably the firepower Clara was expecting, but it was focused on her.

Clara feels that today is really a crazy day. She still doesn’t understand what happened. She was born noble and beautiful. Moreover, she was smooth-

tongued and the people around her loved her.

She was never yelled at or beaten, and no one dared to treat her like this. Wherever she went, whether she turned left or right, she gave off an aura. But now everything has been destroyed. She didn't know where this sex video came from, in which she had sex with Mr. Mahone, a lowly man, and was beaten by this fat woman. Even these onlookers took out their cell phones and were eager to get a close-up shot of her face.

It shouldn't be like this.

Today, she set a trap for Olive. All of this should be borne by Olive.

However, all this was passed on to her.

"Someone come here!" Clara desperately protected the clothes on her chest and shouted.

At this time, a group of bodyguards dressed in black rushed in, quickly dragging the fat woman away, covering the camera of passersby.

"Princess Clara, are you okay?" The bodyguard asked.

Chapter 597 The hot video

Clara panicked and stood up. Now she is very embarrassed, doesn't even notice that she is always wearing a mask, directly tore off all disguises, fiercely grits her teeth and says: "Confiscate their cell phones. Delete everything!"

"Yes, Princess Clara."

Bodyguards dressed in black stepped forward and started snatching cell phones from those onlookers.

"Princess Clara, even though you're a princess, using cell phones is our right. How can you get our cell phones?"

Those onlookers refused to give their phones and got into a fight with the bodyguards in black.

Clara didn't pay attention to these things at all, she angrily pointed at the fat woman, "Delete everything on the phone! And catch her!"

The fat woman hastily exclaimed: "Everyone come here! Come here! Princess Clara despises human life! Does Greenland have laws? The Princess is beating people and killing them in public! We're just ordinary people, how can we live?"

There was an uproar at the scene. Clara's two hands hanging down were forcefully squeezed into fists. When her fingernails dug into her palm, she didn't feel any pain.

This must be the most humiliating day of her life!

There was a lot of commotion outside, but inside the room was peaceful and warm.

Chapter 598 Next time, don't go out and seduce men

Olive didn't know what was going on outside. She walked to the bathroom door, raised her hand and knocked.

Just then a deep, magnetic voice said, "Come in."

Olive put her thin white hand on the doorknob, pushed it open.

Elvis' tall handsome figure was standing in front of the sink, his slender fingers reaching up to unbutton his shirt.

The two buttons of his shirt were undone, revealing his sexy collarbone. Olive glanced at it, quickly averted her gaze, coughed and said, "Mr. Augustine, it's not good for you to sleep here tonight, okay?"

Elvis glanced at her in the mirror. Her slender figure was standing at the door, her small face tilted, as if not looking at him to avoid suspicion, but he saw half of her face, beautiful and gentle. From this angle, her petite face was unnaturally red.

She came to chase him away.

"Is there something wrong with me sleeping here?" He asked back.

He knew why!

"Mr. Augustine, do you think it's good for a lonely man and a widow to be in the same room?"

"Oh, are you afraid... I will sleep with you?"

Was she afraid he would sleep with her?

Hearing these words, Olive quickly turned her head to look at him. She blushed, raised her eyelids, "Mr. Augustine, don't tell me you don't want to sleep with me?"

Elvis' movements were non-stop. He continued to slowly unbutton his shirt, replying, "Yes, but I don't like forcing others. Even if I want to, I want you to voluntarily sleep with me."

"Ha ha," Olive pursed her red lips with a smile, "It's always good to have a dream, Mr. Augustine. Just wait."

Yes, she is arrogant.

She is his little cat.

"Olive, I have dealt with that woman outside for you, and I can be considered your benefactor. Is this how you treat your benefactor?"

"President Augustine, even without you, I will handle it myself."

The woman's silk-soft voice had a bit of clarity, her clear eyebrows were alluring more because of her intelligence and composure. Elvis glanced at

her, "Is what that woman said true?"

"What?"

"Did you seduce her husband?"

"No..."

"Oh," Elvis half-smiled, taking off his white shirt, "Do you like to seduce men?"

"..." Olive frowned, thinking she'd noticed a hint of vanity in his deep voice.

Chapter 598 Next time, don't go out and seduce men

"Or is it... you look innocent on the outside, but deep inside... you're... flirty?"

Olive's two small hands that hung at her side quickly clenched into fists.

Although the fat woman said these words, he asked her over and over again, making her feel embarrassed.

"Elvis, you..."

Before she finished her words, her eyes suddenly darkened. The man threw the white shirt he had taken off her head.

The shirt had just been taken off, the thin material still lingered on the warm breath of the man. The clean masculine breath of the man brushed against her, making Olive's face flush.

He... he actually threw the shirt over her head.

His scent hit her nose. Olive stretched out her slender white hands and hurriedly pulled down the white shirt on her head, staring at the man with her bright eyes. She asked, "Elvis, what are you doing?"

Elvis looked at her loose hair, her clear and watery eyes. She was still as charming as always.

It felt like a cat's claw scratching his heart.

Elvis slowly pursed his thin lips, "Next time, if you go out to flirt with men, the punishment won't be easy."

What a madman!

Olive felt the need to reason with him, "Elvis, you met Mr. Mahone this afternoon, and I never spoke to him. How can I seduce him?"

Of course Elvis knows the story of Mr. Mahone. She didn't seduce Mr. Mahone, but he looked at her and couldn't take his eyes off her.

While she was taking pictures, Mr. Mahone couldn't take his eyes off her.

Elvis felt that she was showing her charm to him. Three years later, she doesn't need to wiggle her fingers anymore, those men will become her servants.

At this moment, Elvis stretched his thumb and index finger on the metal belt, glanced at the woman with his long, narrow eyes, and said two words: "Get out!"

What?

This is her room!

Why is he giving her orders with the tone of a boss?

“Elvis!”

“Aren’t you going out?” Elvis raised his handsome eyebrows, his narrow eyes revealing a bit of a grown man’s demeanor, “I know you want to look at me, so I’ll show you enough for now!”

As he said that, he “clicked” once, removing the belt around his waist.

“Ah,” Olive let out a small voice, and quickly ran out.

The bathroom door behind her closed, Elvis’ deep laugh echoed from inside.

He was laughing at her!

Olive put her small hands over her face. Her face was hot. She wanted to kick him out, but didn’t expect that she would come to him to tease her!

Damn it!

Elvis took a cold shower and stepped out. He wore a white hotel bathrobe, his short, wet hair falling to his forehead.

Olive wasn’t in the room and went to the restaurant for a drink.

Just then, “ding”, Elvis’ cell phone rang.

He clicked on it, and quickly saw the breaking news of tonight’s blockbuster.

All major entertainment weekly’s in Greenland worked overtime for headlines!

Elvis clicked the corresponding link, and Clara’s sexual incident crippled Facebook and other major browsers. At the same time, Clara appeared on the Internet, commanding the bodyguards in black to snatch everyone’s cell phones and arrest the fat woman with a sinister expression. That video really made storms in Greenland, making everyone sleepless tonight.

Most netizens in turn left comments,

“Is that really our most revered princess Clara?”

“Yes, it is her. Our most precious Princess Clara slept with a married man. Mr. Mahone is our groom!”

“Yes, it is her. Our most delicate, lovely and innocent Princess Clara. She staged a face change for us. Let’s see her sinister expression. Be careful when clicking, because it will scare the children into crying.”

Online, Clara’s evil expression as her disguise was torn apart has been used for animations and emojis. Clara has completely destroyed all the images, revealing the most evil and cruel side.

Of course, the sex video between Clara and Mr. Mahone spread instantly at the speed of light.

“Wow, Princess Clara has a hot body.”

“It seems that her bed skills are also top notch.”

“Princess Clara, please look at me, how about I become your groom? Hehe.”

“How can you smear our fragile and innocent Princess Clara? Princess Clara, don’t listen to them. Please look at me! I haven’t married yet. I don’t have a wife to beat you up or tear your clothes off!” The dark and the internet bastards all appeared, one after another leaving messages for Clara, introducing themselves as the groom with extremely obscene words.

Tonight in Greenland must have been the busiest night in so many years. At present, perhaps the whole royal family is brightly lit. Some people became so famous that they stomped their feet. Someone was busy with public relations all night.

Clara used tricks she’d come up with over the past twenty years to put the mask on her face and was ripped off by... Lil’ Nathan.

Elvis put down the phone and looked helplessly at the little boy lying on the bed. It was right for him to do it, but he made too much noise.

Elvis sat on the bed and said. “Nathan, wake up!”

At this point, the little boy was still sleeping.

Lil’ Nathan was fast asleep. Hearing his father’s voice, he immediately froze, not opening his eyes, “Dad, what happened?”

“You caused an earthquake in Greenland. Are you still in the mood to sleep? If I guess right, the royal. gold medal public relations team and top computer hackers are looking for you like crazy.” Elvis said.

Lil’ Nathan was really sleepy. His small, jade-like face was red from sleep, making people unable to help but want to kiss him hard. He said sleepily, “It’s okay. Leave them alone. No matter how they search all over the world, they won’t find me.”

Elvis was speechless, “Nathan, Clara set up your mom so you gave them a fake video. I’ve only heard of fake photos but you made a fake video. Why couldn’t you be patient?”

Lil’ Nathan pouted his ruddy little mouth, “I told you early on. All those who despise my mom won’t have a good ending. This is just a little lesson!”

Why did Elvis feel his son was a crazy pervert? What could he do? He could only continue to pamper his wife and son.

Let Lil’ Nathan confidently and boldly play. If there are any consequences, he as a father can only help out.

“Sleep.” Elvis said, pulling the blanket over his son.

Lil’ Nathan quickly fell asleep.

Elvis got up and went to the balcony, took out his cell phone and dialed

Peterson's number. Soon the other end was connected, and Peterson knew right away that little prince Nathan was causing trouble for the Greenland royal family. He said, "Young Master, I heard that Logan Theodore is very angry and that he spent a lot of money to hire dozens of the world's top hackers to track down the little master. With this overwhelming network, as long as the little master reveals any trace, he will be caught."

Elvis pursed his thin lips. He still had some confidence in his son, "Nathan won't show any trace, but for his own safety, keep an eye on the royal family."

Night

Chapter 599 Two genetically talented sons!

"Okay."

At the royal family.

Clara cried and fell into Concubine Molly's chest, "Dad, mom, you must help me this time! That sex video is fake. It's not me."

Molly's face was unsightly. Clara was raised by herself alone and she had never made a mistake for so many years. She didn't expect that this time she would fall into disaster.

Logan was the most angry. He broke everything in the room. Aaron was too scared to come because he knew that once he did, he would become a sandbag. And Logan was sure to hit and kick him like crazy.

"Sir, this is very awkward. Moreover, it has caused great damage and affected the reputation of Princess Clara..." The minister of public relations said in a low voice.

Logan was so angry that he turned red, scolding: "That sex video is fake. That woman is not Clara at all. Hurry up! Declare it!"

The frightened public relations minister was speechless. That sex video was so real. Even if Princess Clara said she was still a virgin at this point, no one would believe her.

In short, this time Clara's reputation was seriously damaged.

"Yes, sir, we will definitely do public relations, but the most urgent thing right now is to find the mastermind." Speaking of the mastermind, the minister of public relations felt appalled, "Sir, that mastermind is certainly a genius, and now he is one of the top ten in the world. All the top hackers in the world have all been summoned by us. This person is really outside the top ten, but his technique is definitely in the top ten. Right now, I really haven't heard of such a dangerous hacker!" Logan suddenly stood up, saying, "No matter who the mastermind is, we must catch him tonight at all costs. He dared to plot against Clara and turn the entire royal family and Greenland upside down. I won't let him go!"

“Yes, sir.”

Logan, Concubine Molly and Clara arrived at the study. Currently the top ten hackers in the world were all gathered together. Everyone had a computer. On their screen, there were numbers that were jumping fast. They were all looking for Lil’ Nathan’s ID.

But they found nothing.

“How is that? Did you find him?” Molly urged.

Clara’s face was gloomy, “Is it possible? It’s been an hour but still no trace!”

One of the hackers, with a serious look on his face, said, “Princess Clara, the mastermind is so powerful. He can switch between multiple IDs in a second, auto-anti-tracking, unpredictable. We just can’t find him.”

Clara was so angry that her teeth were bleeding. Which hacker was so talented?

At this moment, a hacker suddenly exclaimed: “This’s had. There’s a hacker!”

With a “boom” sound, the hacker’s computer screen quickly turned black, and on it slowly appeared a large X.

Right after that, “boom boom boom”, the computers of the other nine hackers were black, too, and there were big Xs on them.

What happened?

Everyone present was stunned, in disbelief looking at the ten black-screened computers in front of them.

They are the top ten hackers in the world, and someone directly hacked their computer right under their nose. This person is really arrogant!

X.

This X, still emitting black gas, represents a warning!

“What’s happening? The person who actually hacked your computer was the one who started it? Did he show up?” Logan asked in surprise.

“No, not the mastermind. This is another person. Another pervert has appeared. In our world, X is the last warning from the king. This pervert is warning us to stop immediately and not to interfere in this matter.”

Chapter 600 Crazy for their mom

Ten hackers packed up their belongings and fled immediately.

Logan, Molly, and Clara were all dumbfounded. They didn’t understand the

hacker world, they just knew that there was a type of super hacker that made these people scared and want to run away.

“Stop! Don’t leave! If you go, who’s going to check this...? Oh no, two super hackers?” Logan said, wanting to stop them.

But these hackers had already escaped.

“Mr. Theodore, I’m so sorry. This time we really couldn’t help you, couldn’t find the mastermind, and were targeted by a super hacker. Together, these two are invincible.” One said.

A kind computer hacker convinced: “Mr. Theodore, I advise you to forget about this. Don’t cause more trouble!”

The hackers disappeared without a trace.

With clean ears, Logan felt an emptiness inside. He took a step back and sat down on the sofa.

Molly hastily said: “Sir, we can’t just leave it like this. This person dared to harm Clara, causing her to suffer so much injustice and hurt. We must find him!”

“If you have the skills, go find them. I don’t dare to find them anyway!” Logan choked angrily at Molly,

Molly froze. Logan hadn’t said such serious words to her in all these years. Recently, her two children, Aaron and Clara, have been having problems respectively, but Logan no longer respects her as before.

“Dad” At this point, Clara took a step forward, wanting to coax Logan to continue investigating. But Molly is a very smart woman, and has seen Logan’s temper, so she promptly glanced at Clara.

Clara immediately fell silent.

Seeing that the mother and daughter had calmed down, Logan’s face softened a little. He said, “This ends here. I will let the public relations team state to justify Clara. Don’t go out. Keep quiet. Lia and the Princess of Visionary’s engagement party will be held in two days. During this time, I don’t want anyone to cause trouble for me. Do you understand?”

Clara quickly nodded, “Yes, I do. Dad. I’m sorry-”

“Okay, in the future, use your brain a little more. Don’t ask me to solve it for you every time.” Logan. said and went away.

Logan left, and Molly and Clara’s faces quickly darkened. Clara said, “Mom, I think this must have something to do with Olive. I was planning to trap her, but I ruined it myself.

Molly thought for a moment, then said, “I’ve sent someone to check on Olive. It’s very quiet in her place tonight. It’s not her. There must be no super hacker next to her.”

“So where did these two super hackers come from? Apparently, they helped Olive deal with me!” Molly and Clara couldn’t believe that these two super hackers were three-year-olds, and they were the sons of Olive and Elvis. Molly said: “This is over. Our focus is still on the engagement two days later. Joyce Brown will show up.”

“Speaking of Joyce, she’s been on my dad’s mind for so many years. Mom, look at what Dad said just

now. He even ignored us just to see her at the engagement party.”

Molly snorted coldly, “No need to worry about this for the time being. I also want to see Joyce. We need to settle our feud with Visionary!”

“I get it, mom.”

In the presidential suite.

Elvis got a call from Peterson, and he knew there must be some move from the royal family.

Elvis pressed the button, and Peterson’s voice quickly came, full of excitement, “Young master, there’s big news.”

“Say it.”

“I heard that a super hacker just appeared, directly attacked the top ten computer hackers, and sent a warning X to each one. Ten computer hackers were scared and ran away. Logan also stopped finding the little master. They will put an end to Clara’s sexual incident overnight.”

Elvis pursed his thin lips. “Super hacker?”

“That’s right, young master. Isn’t this super hacker the little master?” Peterson believes that it was Lil’ Nathan who did it because only Nathan has this ability. Elvis looked at the little boy inside. He was still in the sweet dream and hadn’t woken up. He said, “It’s not Nathan.”

“What?” Peterson exclaimed, “So who is this super hacker?”

Another boy suddenly appeared in Elvis’ mind. Levi!

Levi also hacked his computer once, sending him a blind date invitation. This kid is as talented as Nathan.

At this point, there was a “ding”, and a text message came to Elvis’ cell phone. He clicked on it, and it turned out to be a text from Levi, “Hello, handsome uncle. I’ve dealt with the consequences for my mom.”

He guessed it right. It was Levi who defeated ten hackers!

Elvis replied with a text message, “Why did you do this?”

Levi replied, “Bullying my mom will be punished.”

Elvis: "..."  
"

Tsk tsk. Even if he had a thousand words right now, he could only say one thing. Olive really gave birth to two good sons. Nathan and Levi are both spoiled brats crazy for their mother!

At this moment, a soft voice reached his ears. Elvis looked up and saw that Olive had returned to the room.

Perhaps she saw him standing on the balcony dealing with work, so she walked quietly without making a sound. She climbed into bed alone and stretched out her arms to hug the sleeping little boy.

The little boy had sensed the soft scent of his mother's body, so his small hands were also embracing Olive's slim waist, his small body lying in his mother's chest.

Seeing the small boy's face brush against Olive's chest, Elvis pursed his thin lips, showing a slight displeasure.

Putting the phone away, he entered the room on his long legs.

In the room, Olive just hugged the little boy when she felt the mattress of the bed sink. Looking up, she saw Elvis on the bed, too.

Now Lil' Nathan is sleeping between them. She is inside and Elvis is outside. They will sleep like this.

Olive wanted to close her eyes, but at this moment, Elvis suddenly reached out his strong arm, then looked at her with his deep narrow eyes. He pointed to his own arm and said two words in a deep voice, "Come here."

He asked her to come over!

Olive shivered and quickly closed her eyes, pretending not to see.

She discovered that every time the three of them slept together, Elvis would come and do this!
