The Substitute Bride Doted by My Billionaire Husband Chapter 639

Chapter 639 Elvis' Old and New Lovers

Clara suddenly felt an unprecedented sense of disappointment, One must know that she is the most beautiful and noble princess in Greenland. A lot of men like her. She has never doubted her attractiveness. But now Elvis has no desire for her.

The atmosphere in the room was very quiet and sad.

Elvis was smoking a cigarette. Behind the smoke, he frowned tightly, coldly and displeased. The changes in his body were too obvious, and he couldn't control it. Facing the little maid, his body temperature was as hot as fire. How could he know that when this woman was in front of him, he wouldn't respond?

This is his beloved Olive, but what happened to him?

When she pushed him down just now, he also wanted to try once. He still didn't want to admit that he was seduced by the maidservant. Maybe he hadn't been with Olive for a long time and was lonely, that's why he didn't react, so he let her unbuckle his belt.

Now it seems that he has to accept the fact that the woman in front of him isn't attractive to him, and he has been charmed by that little maid.

That maid's clear eyes and her breath... all were familiar and enthralled him.

"Elvis, you..." Clara didn't know what to say. She had a sense of panic because she felt she was about to be abandoned..

At this point, Elvis rubbed the ash between his fingers into the ashtray, turned around, and said secretly, "Go out."

Olive returned to the dressing room, and as soon as she came out, the door to Elvis' room was open. Clara came out of the room..

Olive faltered, looking at Clara.

Of course Clara saw Olive too. Now seeing Olive, Clara really wants to pounce on her and make her disappear. She has a very ordinary maid face now, but she still attracts Elvis, making

his heart. flutter for her.

At this moment, a tall and handsome figure came into view. Elvis followed.

“Mr. Augustine,” Clara hurriedly hugged Elvis’s strong arm and said fondly, “I’m hungry, Let’s go eat something.”

Elvis looked up, and immediately saw Olive standing in front of him. She was looking at him too. They looked at each other. Elvis gently averted his gaze and nodded gently to Clara, “Okay.”

The two of them left.

Olive stood alone on the spot, lowering her slender eyelashes.

At this time, Clara seemed to remember her, and hurriedly said: “Little girl, why are you so lost? Hurry up and follow me!”

Clara is in a bad mood, her tone is very strict and she really treats Olive like a little maid.

Olive lifted her heel and followed behind them.

The three of them went to a fancy restaurant together. At that moment, a beautiful woman came over, saying, “Hello, Mr. Augustine. Long time no see,”

Olive looked up and quickly recognized the woman in front of her. This woman is Elvis’s ex’mistress, Everly, the daughter of an oil tycoon.

When Olive had just returned to Imperial from Visionary, North had shown her Elvis’s newspaper headlines. At the time. Elvis’s mistress was Miss Everly, and he was photographed by reporters as he entered the hotel with Everly and stayed there all night.

She didn’t expect to see Everly here. Olive looked at Clara and then at Everly. This is truly a gathering place for old and new lovers.

Clara knows that Elvis has dated many women over the past three years, but she doesn’t know who these women are, so she looks at Everly strangely. She asked. “Who are you?”

Clara has a natural aversion to beautiful women, so she looks at Everly unfriendly.

Everly raised her red lips, reached forward and took Elvis’s other strong arm, saying, “President Augustine, tell her who I am.”

The two women simultaneously grabbed Elvis's arms, as if a great show was about to take place.

Clara suddenly got angry. It was okay to have Olive before, but now another temptress popped up midway through and she was simply ignored. She asked, "Elvis, who is this woman? And what wh ore is seducing you?"

"Tsk tsk." Everly looked at Elvis, saying, "President Augustine, is this the woman you will never forget? At first, I was curious as to what kind of woman had captured your heart and made me fail? But when I first met her, I was taken aback. Mr. Augustine, your taste is not so good."

Elvis glanced at Everly and pulled his arm away from her with a blank expression, "Miss Everly, are you joking enough?"

Everly revealed a heartbroken expression, saying, "Mr. Augustine, you're still heartless as before. I'm your ex girlfriend anyway."

Ex-girlfriend?

Only now does Clara know who Everly is. It turned out to be just one of the women Elvis had hung out with over the past three years to broke up with Elvis. Why are you still pestering him now? No matter how much you annoy Elvis, there's no place for you here."

\$ the boring time. She said, "Why are you so shameless? You

Everly always wanted to see what kind of woman Elvis has been obsessed with for the past three years. Now Clara is really charming with Olive's beautiful little face but Clara's way of talking can't be worthy of this face.

Everly looked down on Clara a bit.

Now Elvis pursed his thin lips, "Don't you want to eat? Let's sit there."

"Okay." Clara similed sweetly.

Elvis pulled Clara down by the window.

Everly snorted coldly when she saw Clara's arrogant appearance, and she left in her high heels.

After sending Everly away, Clara looked at Olive from the side, arrogantly said: "Little girl, are you. blind? Hurry up and serve me dinner!"

Olive stepped forward.

Clara pointed to the food court, "I want to eat fruit right now. Go get me some fruit."

Olive said nothing and obediently went to get the fruit.

"I also want some dessert. Go get them for me."

“Now I still want a steak. Go get me a steak.”

By the way, Olive has been ordered back and forth by Clara many times, and her legs hurt from running, but Clara has absolutely no intention of stopping, and she plans to order another meal. At this point, Elvis looked up at Olive. She was quietly standing aside. Although she was quiet, her waist was straight, and she had a calm and refined demeanor.

Chapter 640 He hasn't touched any woman in the past three years

Compared to Olive, Clara looks harsh and mean.

Elvis frowned, and lightly glanced at Clara, saying. “Enough, keep eating like this will make you fat.”

Clara was just about to open her mouth to ask Olive to get foie gras when suddenly she heard Elvis' indifferent voice. Her pupils were constricted. Wh... What did he just say? Get fat?

He said she was fat!

Didn't he say that Olive was his love and his fairy? How could he put down his gentlemanly demeanor and say to a girl that she would be fat?

Olive raised her clear eyes to Elvis. Obviously, she didn't expect that Elvis would speak up for her.

Now, Elvis is looking at her, too,

Their eyes met. The image of her sitting on his lap in the room, hugging his neck and kissing him just now appeared in Elvis's head...

Elvis felt that he was really crazy, and must have been enchanted by this little maid!

Elvis was very irritable. He got up, got out of there, and went out to get some air.

Olive went out too, wanting to find North, but when she came to a corner, she heard a familiar voice, which was Everly.

Everly said, “President Augustine, I have already surrendered, but seeing Olive beside you, my fighting spirit has been aroused. I want to be with you.”

President Augustine?

Did Elvis go outside to get some air and meet Everly?

This man is truly a tempter in every way.

Olive surreptitiously poked her head out. Sure enough, she saw Elvis' tall handsome body there. He is with Everly right now.

Everly reached out and grabbed Elvis's sleeve, looking at him admiringly, saying: “Mr. Augustine, you like me too, don't you? Even just a little bit. Otherwise, you wouldn't have dated me. You also looked at me tenderly and hugged me.....”

Olive arched her slender fingers. She knew that he had dated many women over the past three years but she had never imagined such scenes. Now knowing the intimate things he had done to those women from Everly, she felt as though her heart was being stabbed by a knife.

When they fell to the tribe before, he told her that if the matter between him and those women was fake...

Turns out it was just an “i”.

What between him and those women wasn't fake at all.

Olive felt she was too naive. He used to lock her in a closet to listen to the moans and sounds of him and other women on the bed, how could it be fake?

Olive curled her slender eyelashes with a gloomy expression, then turned to leave.

At this moment, Elvis's cold, nonchalant voice reached her ears: "No, I don't like you. Not at all."

olive stopped.

The Fubuur

Everly shook her head. She couldn't accept this fact. She asked, "How could it be? Mr. Augustine, I'm sure you like me. Although.. Although you are always indifferent when you are with me. I always feel that you are seeing someone else through me. Have you forgotten? You often compliment me on my beautiful nails. You often look at my hands. Look, I still have that pink nail polish. This is your favorite nail set."

Olive turned her head to look. She saw the nails that Everly did. This nail set is very familiar to her because it is the manicure she has done before!

At that time. North took her to the mall to get her nails done, and she did a pink manicure. Maybe... Elvis has a crush on Everly because... her nails are in the same style as hers.

Everly really likes Elvis. She said, "Mr. Augustine, although you looked at me tenderly, hugged me, even sat in my bedroom, we didn't do anything. Even though I loved you and hugged you, you just sat still. The night you were photographed by a reporter, you just smoked all night in my apartment. If I say this, who will believe it? Outside, everyone says you hang out with a lot of women, but I know you've never been close to them. Not only haven't you touched me, you haven't touched any woman yet.

Olive's slender body trembled and her clear pupils constricted violently.

Has he never touched any woman?

Everly continued: "Mr. Augustine, I know there is a woman that you will never forget. This woman is hidden deep in your heart. No one can replace her, even if time passes. So I conceded defeat and broke up with you. After the breakup, I know you had several girlfriends but I never envied them. because I knew they were the same as me. They can't enter your heart. They can't have your love." "The only thing that can make me jealous is the woman you always think of. I thought I lost to her. but I just saw that woman. She is superficial I really don't care about her. Except for her pretty face, who knows what she has in mind? Mr. Augustine, open your eyes and take a closer look. That woman doesn't deserve you."

Olive didn't expect that she had heard the whole truth here. Is this the whole truth of these three years?

The women he had relationships with were all fake. They're just her shadow. Three years after her absence, he still stomped on the spot, searching for her shadow in the vast crowd.

Everly is right. Olive is Elvis' dearest love that time can't take away.

In these three years, he had never forgotten her for a second.

In the past three years, he had never betrayed her.

He is always... her Mr. Augustine.

Olive's bright eye sockets suddenly turned red, covered with a layer of crystal mist. During the past three years at Visionary, she narrowly escaped death, experiencing hardship, loss, confusion, bitterness, and resentment.

But now everything is healed. Olive suddenly feels it is worth it.

Time passes, and the page is still beautiful. He and she are still like the first time they met, and no one can replace them.

Faced with Everly's emotional confession, Elvis remained expressionless. No man could resist Everly's fierce onslaught, but Elvis remained indifferent.

Elvis pursed his thin lips, then ruthlessly pulled the sleeve from her hand. Only then did he raise his head, his hawk-like eyes suddenly looked at the door. He asked, "Who is it? Come out!"

However, there was no movement at the door, and she didn't come out.

Elvis quickly frowned his heroic eyebrows, stepped forward, reached out his big hand, grabbed the slender arm of the person standing by the door, and pulled.
