The Substitute Bride Doted by My Billionaire Husband Chapter 825

Chapter 825 She is my blatant preference

North was in her apartment, when there was a “ding d ong”, the apartment doorbell rang.

Is Raven back?

North walked over and opened the apartment door. Outside wasn't Raven but two bodyguards dressed in black.

A bodyguard in black said, “Miss Paulo, hello. The Old Master is in Los Angeles. He wants to see you.”

Mr. Dominos?

North's heart was pounding. In her memory, she only saw Mr. Dominos once. It was the day Tobias brought her home many years ago. At that time, a luxury official vehicle slowly stopped outside the Dominos family's villa. She turned around and suddenly saw Mr. Dominos in the car window when the back seat slid down.

Mr. Dominos was sitting in the car, silently watching her.

Those eyes were strangely quiet, but made her shiver.

After that, she never saw him again.

Mr. Dominos didn't come to Los Angeles these years, but he was the true ruler of the Dominos family, holding the power of life and death.

Now Mr. Dominos is back and wants to see her.

Perhaps it was the psychological obsession created by those eyes when she was young, she evaded. Mr. Dominos abound.

However, she didn't refuse.

Because Mr. Dominos didn't give her a chance to refuse.

“Okay, I'll go with you.”

Half an hour later, North came to a mansion. The bodyguard pushed open the study door and said, “Master, Miss Paulo is here.”

North walked in and saw Mr. Dominos.

Mr. Dominos wore a black suit and had a cheerful demeanor. Although his face was old and full of wrinkles, his cloudy eyes radiated a sharp light.

This seems to be a ruthless man.

“Hello, Mr. Dominos, are you looking for me?” North politely and generously greeted. The cloudy eyes of Mr. Dominos looked at North’s soft face, he slowly smiled, “Miss Paulo, don’t tense up. I won’t hurt you. I just have something for you.”

“Is it between me and Tobias?”

Mr. Dominos shook his head, “Didn’t Raven lock his father up, send him out of Los Angeles, live abroad for the rest of his life and never return? Since Raven has handled it perfectly, there is no need to bring up the old story again.”

North’s eyelashes that looked like two combs trembled. She still didn’t know about it.

“Miss Paulo, I’m looking for you today because I want you to leave my grandson Raven.”

Mr. Dominos came here for this.

North slowly bowed her head, then raised her head a few seconds later: “Mr. Dominos, I think you are mistaken. I have never clung to Raven, but he clung to me. You are looking for the wrong person. You should go find your grandson.”

Mr. Dominos smiled and said: “You’re already here, can Raven be late? He’s already on his way.”

“I will use my way to make him let go. Of course, I also hope Miss Paulo can cooperate with me. You can use your way to make him let go. Miss Paulo, you are always smart. So, you know what I’m talking about, right?”

North’s delicate white fingers at her side curled slightly, her face was pale and speechless.

Mr. Dominos picked up the teacup and gracefully took a sip of tea: “Miss Paulo, you don’t love Raven anymore, do you?”

North’s heart suddenly ached in pain. She doesn’t know....

She only knows that in her life there is only... Raven.

Only him.

At this time, the eyes of Mr. Dominos falls on North. He squinted his sharp, cloudy eyes, looked North up and down, then smiled incomprehensibly: “In the blink of an eye, Ezra Paulo’s daughter has grown up.”

Ezra is North’s father.

North hasn't heard her father's name for a long time. Now she suddenly heard Mr. Dominos mentioned it, she immediately opened her eyes wide in surprise and looked at him, "Do you.... know my dad?"

"Oh," Mr. Dominos smiled incomprehensibly, "Who doesn't know that Ezra came from a noble family that year? He gave birth to a son and a daughter. The girl is a delicate rose, and the boy... Grayson Paulo is even more like a dragon, becoming a CEO at the age of 18, amazingly talented. The Paulo family back then was truly brilliant. But unfortunately, Ezra died in a car accident, his son, Grayson, disappeared overnight, and his daughter became adopted by another family. It's really unfortunate."

North looked at Mr. Dominos. She could see that he was not sighing with emotion when he said these words. On the contrary, there was a light in his eyes, a very dark light.

This made North frown slightly. She has a hunch that the relationship between Mr. Dominos and the Paulo family isn't that simple!

At this time the maid came in and respectfully said: "Master, the young master is here!" Raven is here.

Mr. Dominos withdrew his thoughts and smiled faintly: "He arrived quite quickly. Miss Paulo, please stay in the secret room for a moment."

North went to a secret room where she could see what was going on outside.

Raven quickly walked over and stood tall in front of Mr. Dominos, his dark eyes looking around, "Grandpa, where is North?"

Mr. Dominos snorted coldly, "Raven, do you still have your grandfather in your eyes? I think you only have North in your heart. For her, you are willing to go against your father."

Raven's face was calm and he said coldly: "Grandpa, North is timid, so don't scare her. I'll take her home first. Let's talk about it later."

"Raven, how did I teach you when you were young? A rich family's marriage is a necessity for exchanges of interests. As a qualified heir, you can't show your true feelings. What are you doing

now? You and your dad became enemies because of North. I can't stand such a woman. Break up with her immediately."

“Grandpa, I won’t break up with her.”

“Bam”, Mr. Dominos slammed the teacup on the table, his cloudy eyes became sharp, and scolded: “You bastard. Kneel!”

Raven’s handsome face was always calm, he didn’t even frown, and slowly knelt down. The servant brought a whip, Mr. Dominos held it in his hand and whipped Raven’s back hard with a “crack” sound.

This is a family rule.

In the secret room, North’s black pupils shrank, her heart felt like it was being held tightly by a huge hand, every time she breathed it was painful.

The whip hit him, but it made her heart ache.

North wanted to go out, but the secret room was locked and she couldn’t find the switch.

Mr. Dominos whipped him, blood seeping from the back of Raven’s shirt. He asked, “Raven, what do you say now?”

Raven knelt very straight and slowly said: “I think you all know that in recent years... North is my favorite person, and also my blatant preference.”
