The Substitute Bride Doted by My Billionaire Husband Chapter 831

Chapter 831 Reborn from the ashes.

Olive took a step forward. She looked at Logan and the Mermaid Princess standing together, a sharp ray of light emitted from her transparent pupils. "Did you give it?"

The mermaid princess couldn't help but raise her hand and clap: "Yes, I gave it to you."

Mrs. Paisley's complexion changed dramatically, and she quickly realized she was being taken advantage of

The princess of the mermaid tribe took advantage of her hatred of Greenland and came up with a trick: when rogues fall out, then honest men come by their own

Mrs. Paisley wanted to talk to Olive, but Olive raised her hand to stop her. **This is** due to her negligence.

Recently, she was busy with the Augustine family and neglected Mrs. Paisley, so the mermaid princess took advantage of the opportunity.

Olive licked her red lips, "Mr. Theodore, so you will cooperate with the mermaid clan to destroy us all? I advise you to think clearly. Once you do that, Greenland and Visionary will have war."

The mermaid princess knew Olive's eloquence, her tongue was so skillful that she could bring the dead back to life. The mermaid princess was afraid that Logan would be shaken again, so she quickly said: "Mr. Theodore, don't hesitate any longer. Visionary **has** a **deadly** blood feud. Now is at great opportunity, so you must act first. The ancestors of Greenland that year failed to destroy Visionary. If Visionary disappears in your hands, then you will become the greatest king of Greenland and will be recorded in the history books!"

All these words touched Logan inside. He is very afraid of Olive. Now he has chosen to cooperate with the mermaid **clan**. Olive must die here today.

Logan waved his hand and said: "Go **ahead!** **Go** ahead! If they resist, then... kill without mercy!"

Logan reveals sinister and cruel intentionLS.

"Kill!" Logan brought his men and immediately took action.

Mrs. Paisley hurriedly said: "Protect the princess! Quickly escort the princess!"

This is Greenland, Logan's territory. Right **now** he has people surrounding this place. The situation is relatively unfavorable. Valentina hugged Olive **and said**: "Princess, let's leave quickly!"

Olive hugged Mrs. Paisley: "Grandma, let's go together!"

Mrs. Paisley immediately pushed Olive away: "Olive, you go first, I'm the last one!"

Valentina broke the window open, "Princess, it's late. Decide quickly. If we don't stop them, they will riot. Let's go!"

Olive turned around **and saw** that Mrs. Paisley, Kinsley, **Genesis and** Valentina were surrounded by Logan, making it increasingly difficult to resist. Today will definitely be a life and death battle.

Olive's clear eyes suddenly turned red. It was then that she clearly realized that the ethnic hatred between Greenland, Visionary, and the mermaids would never be reconciled.

"Princess, be **careful!**" **Kinsley** suddenly shouted.

Olive looked up and saw the mermaid princess holding a bow in her right hand and an arrow in her left. "**Whoosh**", the sharp arrow flew out and flew towards her heart.

Olive's pupils contracted, and the next second there was a "Slice", **the sound** of a sharp arrow piercing **flesh** and blood rang out, **which** was terrifying.

Olive stared blankly ahead. Mrs. Paisley ran out to block

an arrow for her. At this point, the sharp arrow pierced her heart.

Time **seems** to have stopped. Mrs. Paisley slowly turned around, looking at Olive with her usual stern and loving eyes: "Olive, don't.. blame... blame me. The law **is** cruel... When I'm gone, Visionary... will be assigned to you... Be **the** queen. Erase our shame... O live, your journey...has **just** begun..."

After saying that, Mrs. Paisley spat out a mouthful of blood and fell directly to the ground .

Olive couldn't breathe anymore, her eyelids trembled slightly, large tears fell from the corners of her eyes, "Mrs . **Paisley!**"

"Princess!" Valentina hugged Olive, her **eyes** red, "Let's go!"

Valentina and Olive jumped out of the window, landing directly on the **ground**.

But the place was besieged, Valentina pushed Olive away: "Princess, I can only escort you here. Hurry up. Don't look back!"

Olive staggered, the small **hands** hanging at her sides clenched into fists. Her eyes blurred, she turned and ran.

She dared not turn her **head**, but the strong wind howled in her ears, **and** every sound was heard clearly. Kinsley, Genesis and Brooklyn all fell down in a pool of blood.

They fought hard and opened a bloody path for her.

She dared not stop.

She can't disappoint everyone.

At this moment, a “bang” **sound** was heard. The princess of the mermaid clan stabbed the sharp blade in her hand deeply into Valentina’s heart. She finally fell.

The subordinate handed clean handkerchief, the Mermaid Princess wiped her bloody hands.

out

then looked at Olive. In the end, she **was** left alone.

“Bring me a **bow** and arrow.” The mermaid **princess** smiled.

Her men quickly handed over bows and arrows,

The mermaid princess again held a bow in her right hand, an arrow in her left hand, aimed at Olive’s heart, hoping to shoot the sharp arrow in her hand,

But at **this** moment, a loud brake sounded, a black truck suddenly accelerated and stopped, the back door opened, a huge hand reached out and grabbed Olive’s slender arm, directly pulling her into the

car.

The black car quickly disappeared from **sight**.

The **mermaid** princess was shocked. She didn’t know that someone would suddenly rush out and block Olive’s way **halfway**.

Today’s **plan is** so perfect that **Olive** probably won’t be able to escape!

The mermaid princess angrily threw her bow and arrow to the ground, then looked at Logan, “Mr. Theodore, hurry and investigate who is driving the **black truck**. This is your territory, even if we dig **three** feet into the ground, we need to find **that** truck!”

Logan looked at the black **truck**. There was no license plate on the back of the car, but this truck daring to go out was truly daring.

“Okay, I’ll send someone to investigate. If **Olive** escapes today, it could become a big problem later.” Logan said worriedly.

“Mr. Theodore, are you scared?”

“Princess of the mermaid tribe, are you scared?”

The mermaid princess and Logan are both very afraid of Olive. If Olive escapes this time, she may be reborn from the ashes.

“Mermaid princess, I will go first.” At this time, several guards carried the sleeping Elvis out and directly into Logan’s luxury car.

Princess of mermaids raised her eyebrows: “Mr. Theodore, **what** do you want to bring Elvis to do?”

Logan pouted and **said**: “He is the chosen child, **so of course I want** to bring him back ... so that he can. inherit the throne!”
