Chapter 833 Moments of Youth

The mermaid princess on the city tower glanced at Olive in the crowd, and her eyes lit up, "Mr. Theodore, Olive is here!"

"Really? Where?" Logan looked downstairs.

At this moment, Olive from downstairs raised her head, her clear eyes looking through the crowd, her gaze fell on Logan and the mermaid princess.

They looked at each other. Olive turned quickly and left.

"Come on, follow me. Olive caught herself in the trap. This time I must catch her!" The mermaid

princess said and quickly chased after Olive with her men.

Seeing the mermaid princess chasing her. Logan didn't fall behind at all. He was so afraid of Olive that he couldn't sleep peacefully at night.

Logan and his bodyguards also chased after her. When he arrived at the royal horse training site, he saw ahead the mermaid princess.

"Where is Olive? Why is she missing?" Logan asked.

The mermaid princess looked worried and pointed forward: "I just saw Olive disappear there. Let's go quickly.

"Okay." Logan followed the mermaid princess.

At this moment, the mermaid princess suddenly stopped.

Logan was stunned: "Princess of the mermaid tribe, why don't you continue?"

The mermaid princess raised her head to look at Logan, slowly curling her lips and smiling.

This smile made Logan's hair stand on end. After all, they only achieved temporary cooperation.

The mermaids want to control him.

So now seeing the mermaid princess acting strangely, Logan's heart immediately echoed: "You..... Why are you smiling?"

The princess of the mermaid clan said quietly: "I want to chase Olive, but I can't let you go, Mr. Theodore. If Visionary and Greenland disappear together, our merfolk will be the

only ones left!”

Logan was stunned and immediately scolded: “You... How dare you?”

At this moment, the mermaid princess moved her hand, and Logan felt a cold light before his eyes. He wanted to move, but her movements were very fast. The next second, a sharp knife pierced deep... in his chest.

Logan suddenly ached, his face pale. He said, “Come. Hurry... Come over...”

The guards behind him rushed over.

The mermaid princess dropped the knife, turned and ran.

“Sir, what’s wrong with you?”

“Don’t worry about me. Quickly chase the princess of the mermaid tribe and kill her!”

Logan covered his wound and said through gritted teeth.

“Yes sir.”

On the other side, the mermaid princess was chasing Olive, but she quickly stopped because Olive

was already waiting for her.

Olive was still wearing her white cloak, had taken off her hat, her jet black hair fell over her shoulders, and there was a small white flower in her ear. She looked exceptionally slim and beautiful. She stood quietly in front of her, her clear eyes radiated a broken light, and in an instant

she became young.

The mermaid princess’s heart suddenly pounded. Apparently, she didn’t expect that Olive wasn’t running away but was waiting for her here.

“Olive, why don’t you run away?”

Olive looked at the mermaid princess and slowly curled her red lips, “Why should I run away? The one who should run away now... is you!”

“What do you mean?” The mermaid princess asked in confusion.

Olive smiled softly, saying nothing. She took two steps back, then waved her little hand forcefully, “Hurry, the princess of the mermaid tribe is here!”

The mermaid princess raised her head to see Logan’s guards all looking over: “The mermaid princess is there! Master has ordered her to be captured and killed!”

What?

The mermaid princess suspected she was hallucinating. Why did that old man Logan want to arrest her? Didn't he promise to capture Olive?

"Olive, what did you do?"

Olive raised her eyebrows delicately and said, "Don't you know what you just Logan." id? You just stabbed

The mermaid princess narrowed her eyes. When did she stab Logan? She had never seen Logan. She was still chasing Olive.

This is not good.

The mermaid princess realized she'd fallen into a trap. She asked, "Olive, is that you? It's you who are impersonating me!"

Olive, in her cold, clear eyes, raised her hand to take off her white cloak, then tied her long hair up: "Princess of the mermaid tribe, today I only ask you for a little blood. One day I will take revenge for the feud between Visionary and the mermaids!"

Having finished speaking, Olive reached out to brush her hands, her beautiful small face quickly transformed into the small face of an ordinary person. Many guards rushed over, Olive joined the crowd, panicked and said: "Where is the mermaid princess? She's there!"

Olive's figure quickly disappeared in the crowd.

The mermaid princess watched helplessly as Olive escaped. Olive is very good at the art of disguise and escapes by disguising herself as a maid.

"What are you doing? Why are you arresting me? Where's Logan? Let him come see me. We've fallen into a trap!" The mermaid princess shouted.

At this time, the injured Logan rushed over, looking at the Mermaid Princess with a sinister look: "You cheater. Let me see where you can run this time."

The mermaid princess was speechless. It's true that she's not afraid of god-like opponents, but of teammates who are as stupid as pigs. She felt deeply the impotence of this statement.

"Mr. Theodore, you've fallen into a trap. It wasn't me who stabbed you just now. Olive used her

disguise to pretend to be me. She's trying to divide us. Don't be fooled!" The mermaid princess explained.

Logan waved his hand, deliberately not listening. He didn't listen to anything. He said, "The Mermaid Princess, do you still want to deceive me? Do you think I'm stupid?" The princess of the mermaids was speechless, "... Logan, what a fool, lacking in resources and tactics!

"Master!" At this time, a bodyguard rushed over to report: "Master, it's not good. There was a fire just before the State Line Gate. Because there were many people watching, everyone was scared and hurried to solve the problem. The scene was extremely chaotic. Mrs. Paisley and the four swordswomen all disappeared in the chaos."

"What?" Logan asked. He was angry.

The mermaid princess's expression changed. She knew this was Olive's plot.

Today, Olive infiltrated the State Line Gate alone, plotting and trying to make fun of her and Logan.

Olive hit two birds with one arrow, not only breaking the alliance with Logan, but also robbing Mrs. Paisley and the four swordswomen.
