Chapter 852 He Loved Only Her.

“Princess, I just got the news that Logan is dead.”

Olive’s hands froze.

“Logan is dead. The Randy family expressed their support for Marvin to become king. It’s said that there were a lot of responses. Now, Greenland is preparing for the succession ceremony. Marvin will become the new lord!”

Olive was not surprised. The evil Marvin wanted everything. Now that Greenland was in turmoil, it was the best time for him to seize power.

He personally killed Elvis, she would never forgive him.

“Understood, you don’t have to tell me about his news in the future.”

“Yes, princess.”

“By the way, is there any news about Nathan recently?”

When Elvis was still alive, they had sent Nathan to acquire more skills. She missed him so much.

Sadie shook her head, “Princess, there is no news from him.”

Olive felt a little disappointed. Her two sons were so independent that they didn’t need her anymore.

“Princess, go to bed early. Tomorrow is the queen’s ceremony.”

Olive had officially succeeded the queen.

Greenland.

In the middle of the night, it snowed outside.

Marvin walked out and stood at the top of the stairs.

He was staring at the world before him.

At this moment, Gael walked over and draped a black cloak over the his shoulders.

“Master, it’s snowing and the weather is cold. Let’s go back.”

The black cloak made Marvin’s handsome face even more elegant. He raised his head

and looked at the white snow flying in the sky.

The lonely night shrouded in bleakness.

Marvin stood alone in the snowy night, he lowered his head and coughed twice.

Gael couldn't resist the sadness in his heart. He knew that his master would not be able to last for long.

"Master, what are you thinking?" Gael asked.

Marvin stood quietly, as he reminisced on the past twenty-seven years of his life.

He thought about his father, Alpha, his mother, Annabelle, his brother, Elvis, his aunt, Bounty, and his grandmother, Samantha.

Finally, he thought of Olive.

His encounter in the capital happened to become a lifelong experience. Olive was all the beauty and Waruth in his heart. He loved her.

However, she was gone.

"What time is it?" he asked.

"Master, it's twelve o'clock."

Twelve o'clock?

Gael hesitated for a moment, then said, "Master, tonight is new year's eve. Olive has officially become the queen. This night, she will accompany her people to celebrate the new year's eve."

With that, Gael handed over a video, and Marvin lowered his eyes to watch.

Tonight, in Visionary, the sky was filled with stars. All the people gathered in the square and looked at the LCD screen. They counted down excitedly.

Suddenly, a familiar face appeared. A crown was placed on Olive's jet-black hair.

The people started cheering, and then, fireworks exploded in the sky.

Marvin's eyes seemed to be fixed on her happy little face, and then he lightly hooked lips.

In his short life, he had made her smile.

He had promised that he would trade his life for her happiness. And he did.

Marvin lowered his head and coughed again.

Gael's eyes were red, because he also felt that his master's deadline had arrived.

Master, if you want to see Miss Hart, we can go meet her.”

To be by the side of the person one loves the most, can be considered a kind of fulfillment.

Marvin slowly shook his head, “Forget it.”

Gael wanted to say something, but he could not say a word.

At this moment, a young voice called out, “Uncle.”

Marvin turned around and saw little Nathan.

Tonight, Nathan wore a thick hoodie.

“Nathan, come over here.” Marvin’s cold black eyes lit up. He stood on the throne and extended his big hand to Nathan, “Nathan, come to Uncle’s side.”

Gael withdrew to the side. He looked up and saw that little Nathan was walking up the stairs. Nathan walked over, Marvin held his little hand, he smiled, and said, “Nathan, I was born for this.”

Nathan raised his immature face to look at Marvin, “Uncle, I think you are very bad now.” Marvin gently touched his little head with his big hand, “Nathan, you still don’t understand, Uncle is very good.”

“I can tell mummy that.”

Marvin shook his head, “No need to say anything.”

With that, Marvin turned around and left.

Marvin returned to his room. He pushed open the back door. At this moment, a gust of fresh wind blew in, and the entire garden was visible.

No one knew that Marvin had planted red beans in his backyard.

Now, the red beans have bloomed.

Marvin walked in, and his cold and graceful figure shuttled through the red bean.

Marvin suddenly remembered that on the wedding day, she had put on a crown for him, and he had lifted up her veil.

He always thought that was true.

He felt that she was already his wife.

Life happened to be full of love and infatuation. Humans can’t choose who loved them,

but they can who they loved.

Marvin gently closed his eyes. His fate was irreversible. His life was already complete.
