

The Substitute Bride Doted by My Billionaire Husband

Chapter 854

The Substitute Bride Doted by My Billionaire Husband Chapter 854

Chapter 854 You're awesome!

Damien looked at the poster.

"Do you want someone to keep you company? Want someone to stay with you through the night,

and keep you warm? Then come to Windshire Palace!" the billboard read.

Damien looked left and right. He realized that he read exactly what was written.

The photo on the poster was that of Olive and North!

"CEO, I just found out that... Miss Brown just opened a place called Windshire Palace..." The private secretary beside him hesitantly said.

Damien frowned. He asked in a low voice, "What is the purpose of the Windshire Palace?"

"It's just a place where beautiful girls accompany men to have fun. Like, the girls play, chat and..."

The private secretary quickly fell silent, because Damien's handsome face had turned cold. "What are you talking about?" Damien asked unhappily.

The private secretary immediately straightened up. "CEO, I didn't say anything..

Damien's chest heaved. He already understood. To him, Joyce's had opened a whore house.

Well, it wasn't enough for her to be a prostitute herself. She even brought his daughter, the daughter of the richest man in the world, to give her a platform.

Damien quickly narrowed his handsome eyes to prevent himself from being dizzy.

His reputation had been ruined in her hands. How many more surprises would she give him?

Damien looked at the private secretary beside him, "Remove the billboard here!"

"CEO, the advertisement for

Windshire Palace has been released. If it's removed from here, there are still in other places." "Then remove them all and block all news!"

"CEO, I'm afraid it's too late. Miss Brown has already sent out invitation letters. And with the queen. of Visionary, and the beautiful North, being her models, everyone is currently

looking forward to the opening date.”

“Not only that, but the dignitaries from all over the world are also gracing her opening.”

Damien was so angry that he was speechless. He quickly took out his phone and dialed

Joyce’s

number.

In fact, he had also called Joyce during his trip, but her phone was always switched off.

Now, it actually got through.

The melodious phone rang once, and then she answered, “Hello, Mr. Robert.”

Damien angrily said, “Where’s my daughter?”

“You mean Olive? Olive and North are both here with me now.”

“Let them leave immediately.”

“Why?”

“Why? Joyce, is Olive your biological daughter?”

“Of course she’s my biological daughter. Otherwise, I wouldn’t have called her over.”

The Submation

Chapter 854 You’re awesome!

Damien laughed angrily. “So, is it an honor for you to let Olive stand in for you?”

“Mr. Augustine, are you angry? Don’t be angry. I know what you’re angry about. Don’t

worry, I’m a good mother. I won’t let Olive participate in anything. I just wanted to use

her beauty and that of North to pull more traffic.”

Listening to her words, Damien couldn’t believe his ears.

“Joyce!” Damien gritted his teeth.

“Mr. Robert, I’m a little busy right now. I have a lot of guests to receive. I can’t chat with

you now. By the way, Boss Robert has to be obedient and drink the man power

medicine. I’m looking forward to your revival as a man. Have a wonderful day.” Joyce

immediately hung up the phone.

Hearing the call got disconnected. Damien felt his blood surge.

“Prepare a special plane and fly to Windshire Palace immediately!” Damien ordered.

Sooner or later, he would make her cry in bed and beg for mercy!

He wanted her to tell him that he was amazing.

Windshire Palace.

Joyce had quickly built the palace. Tomorrow was the opening ceremony. The

Windshire palace was already very popular.

Heroes from all walks of life, as well as dignitaries from all over the world, rushed to the appointment. There were no space around the Windshire palace.

Olive and North met each other. The two best friends conversed endlessly. Olive pulled North, "North, how are you and President Raven recently?"

North raised her hand and brushed her hair. I recently joined a crew, and the schedule is very full. Our relationship can be regarded as disconnected.

Olive looked at North. North seemed to have changed a lot. Her face was light and she no longer smiled. She had a cold aura, and she looked very lazy and nonchalant."

Olive knew that the last time she talked to Raven, Raven had let go of North's hand.

As for how long it would last, Olive did not know.

Because she always felt that Raven, was was clean and handsome on the surface but had a gloomy and dark heart. He had coveted North for so long. As he said, he regarded North as his personal pet.

"North, let's talk about you. Since Mr. Raven is far away from you, then you have to live a normal life. When are you falling in love?"
