

Read Novel The Sweet Pursuit Chapter 10

The sweet pursuit Chapter 10-After ten o'clock in the evening, Ling Yinuo returned home, saw Ling Jiuze sitting on the sofa in the living room, rolled his eyes, made a look at the maid who wanted to talk to her, and tiptoed upstairs.

"Come here!" The man leaned against the back of the sofa, holding a book in his hand, and spoke lightly.

Ling Yinuo knew that he couldn't dodge, so he simply pretended to walk over calmly, "Second uncle, you haven't slept yet?"

Ling Jiuze raised his eyes to look at her, "No wonder you are so anxious to find a tutor, it turns out that you are in a hurry to go out on a date and have a boyfriend?"

"Nope!" Ling Yinuo immediately shook his head, "Just went shopping with my classmates!"

"Boyfriend is a classmate?" The tone of Ling Jiuze's statement.

Ling Yinuo knew that she couldn't hide the old fox of her second uncle, so she sat on the opposite side and said frankly, "Yes, I have a boyfriend, I know that our family is special, but second uncle, can you not check him and not spy on us?" I just want to have an ordinary relationship, don't worry, he is very good, and I have never told him about our family.

Ling Jiuze put down the book, took a sip of tea, and then slowly opened his lips and said, "It's a junior, it's normal to fall in love, I can not check, but you pay attention to your own proportions, your parents are not at home, I am responsible for you."

Ling Yinuo suddenly raised his eyebrows and smiled, "Thank you Second Uncle, Second Uncle is the best!"

"Stop, go upstairs and sleep." Ling Jiuze chuckled, and after speaking, he added, "By the way, Yihang accepted that classmate of yours, and continue to let her come next week."

"Really?" The smile on Ling Yinuo's face was even bigger, and he turned around and walked up while pulling out his mobile phone, "I'll tell her!"
Ling Jiuze heard

Ling Yinuo shout when he walked to the middle of the stairs, “Su Xi, are you sleeping?” Something

was said on the other side of the phone, Ling Yinuo said with a smile, “My second uncle said that you teach very well, and you have decided to do Yihang tutoring work like this, and classes will be held every Saturday and Sunday morning, how do you think?”

He lowered his eyes and frowned unconsciously, when did he say she was fine?

Ling Yinuo had already gone up the stairs, and the voice was gradually inaudible, and the man felt that he didn't have to think about anything with a little girl, and looked down and continued to read the book in his hand.

.....

On Monday afternoon, Su Xi and Cheng Xiaoxiao went to class together, and when they passed by the foreign language building, suddenly a group of people rushed to this side, and the boy in the front was tall and handsome, and his eyes kept burning at Su Xi.

“It's Qiao Yu!” Cheng Xiaoxiao tugged at Su Xi's sleeve excitedly.

Su Xi looked at the rose in Qiao Yu's hand and frowned unconsciously, she turned her head and wanted to leave, but in front of Zhou Ting were several girls, all with bad faces.

Zhou Ting likes Qiao Yu, and Qiao Yu likes Su Xi, which is something that the entire Jiang Da talks about.

In a moment, Qiao Yu had already arrived, his eyes were focused, and his voice was gentle, “Su Xi, I like you, let's be together!” Cheng

Xiaoxiao was much more excited than Su Xi, constantly pinching her arm, making her wink, and making her agree.

Qiao Yu's family is rich, handsome, and the president of the student union, such an excellent person unswervingly likes Su Xi for three years, what do you want?

A group of people around them booed and helped Qiao Yu shout, "Together!" Together! The

sound was deafening, and the man passing by in the corridor of the complex office building opposite heard the shout, casually glanced downstairs, saw the familiar figure in the middle of the crowd, and his steps couldn't help but slow down.

Su Xi took a deep breath, she used to shield the whole world, she has worked hard in recent years to make herself gentle and adapt, but the noise around her can't help but be irritable, she looked at Qiao Yu and said seriously, "I don't like you!" The

smile on Qiao Yu's face was slightly stiff, but he still refused to give up, he was about to graduate, and he had no time.

Without hesitation, he knelt down on one knee, and his handsome face was full of persistence, "Su Xi, don't test me anymore, you like me, I know!"

He didn't think that Su Xi had a reason not to like him, and thought that she had always refused to agree just to get away with it.

"I didn't test you, I really don't like it!" Su Xi said expressionlessly.

Qiao Yu raised his head and looked straight at her, and the others also quieted down, and the atmosphere fell into embarrassment for a while.

Qiao Yu stood up, this is the first time he confessed in front of everyone, showing his face, he didn't expect Su Xi to be so ruthless, he was a little annoyed, even angry, he tried to suppress his emotions, pretending to be nothing, "Su Xi, if you don't like so many people watching, let's find a quiet place to say."

"I've made it clear." Su Xi was unmoved, she thought that if she didn't like it, she should directly refuse, procrastinating, ambiguous, and would only harm others and herself.

Qiao Yu's face sank a little, "You really don't like me?"

"Don't like it!" Su Xi's tone did not hesitate in the slightest.

The rose in Qiao Yu's hand fell to the ground, his face gradually turned livid, staring at Su Xi deadly, and suddenly turned his head to look at Zhou Ting, "Do you want to be with me?"

Zhou Ting was stunned, gritted her teeth, walked over quickly, looked up and asked Qiao Yu, "What do you mean?" Qiao

Yu looked at Su Xi, suddenly reached out and grabbed Zhou Ting's shoulder, pinched her chin with one hand, and kissed her hard.

There was a sigh all around!

Su Xi felt bored, she turned around and left, and Cheng Xiaoxiao behind her recovered from the shock and quickly caught up.

"Su Xi!" Qiao Yu suddenly shouted hoarsely.

Su Xi stopped in his steps, but did not look back.

"You take one more step, I promise you will regret it!" Qiao Yu's eyes were red, staring at Su Xi's back, his eyes were torn.

Su Xi did not stay any longer, and left without looking back.

Zhou Ting's face turned pale, she pushed Qiao Yu's arm away, raised her head and shouted, "What do you take me for?"

After that, he glared at Su Xi fiercely and strode away.

On the third floor, Ling Jiuze put his hands in his trouser pockets and watched a scene with an expressionless face.

"Kusawa!" Principal Fang walked over and said with a smile, "Why are you standing here?" Come inside and I'll make you a good cup of tea! Ling

Jiuze swept his gaze over the girl who had already walked away, and smiled lightly, "It's stuffy in the room, come out and breathe."

"There was something just now that made you wait for a long time, let's talk in the house." Principal Fang politely let Ling Jiuze into the office.

Downstairs, Qiao Yu left angrily, and the others dispersed one after another.

Cheng Xiaoxiao glanced back at Qiao Yu's back regretfully, and couldn't help but complain about Su Xi, "What do you think?" You can't even look at Qiao Yu, who else can you look at? Qiao Yu is really with Zhou Ting, you can't cry too late!

Su Xi looked helpless, "I really don't like him, do I have to accept it if I don't like it?"

"So who do you like?"

Su Xi paused, "No one likes it!"

Cheng Xiaoxiao glanced at her, "I thought you would say you liked me!"

Su Xi looked at her with slight surprise, "Are you in a hurry to go out today and forget that something is at home?"

Cheng Xiaoxiao raised his eyebrows, "What?"

"Shame!"

Cheng Xiaoxiao reacted and went to pinch Su Xi's arm, "Good you Su Xi, I am dedicated to you, you still dare to entertain me!"

Su Xi laughed and ran away, "Don't make trouble, today is your Bai Yueguang's class, I'm about to be late!" "
