The sweet pursuit Chapter 121-After speaking, close the door and lock it.

Han Xiao showed an incredulous expression, pounced, and slammed the door hard, “Ling Jiuze, you come back!” You can’t do this to me, I’m the eldest lady of the Han family, your grandfather won’t let you go!”

“Ling Jiuze, did you hear that! You have no right to do this!

“Ling Jiuze!”

Han Xiao hissed and cried, slamming the door like crazy, but the wooden door embedded with steel did not move, she suddenly turned around, looked at the strong, embarrassed men behind her, and shouted sharply, “Don’t touch me, otherwise I will definitely let you die!”

After she finished speaking, she opened her handbag in a panic, took out her mobile phone and wanted to make a call, but found that there was no signal in the mobile phone at all.

She panicked completely, turned around and continued to bang on the door and shout.

.....

The Han family looked for Han Xiao for a week, and finally found some clues and knew that she was taken away by Ling Jiuze’s people.

The Han family didn’t even dare to go directly to Ling Jiuze, Han Xiao’s mother Shen Yu was helpless, and asked Shen Ming for help, saying that if Han Xiao offended Ling Jiuze, their Han family could promise him any conditions, as long as Han Xiao came back.

Shen Ming made an appointment with Ling Jiuze to meet in Kaisheng, and after entering the door and sitting down, he opened the door and directly pushed him an agreement, “This is what the Han family promised, as long as you are willing to release Han Xiao.” Ling

Jiuze leaned lazily on the sofa, did not look at the documents on the coffee table, and sneered, “Does my Ling family lack this thing?”

Shen Ming hooked his lips and seemed to smile, "I don't want to see my cousin, I think too highly of the Han family, stupid and crazy, and arrogant too much." But I'm here to say peace in the middle, it's also for President Ling, if Han Xiao dies in your hands, how to say it is also a human life, it's not worth it for her!

Ling Jiuze lit a cigarette and took a slow sip, "Who said that Han Xiao is in my hands, if you have evidence, just hand it over to the police station and let them come to me."

Shen Ming smiled lightly, "I know that President Ling is not afraid, don't say that the Han family has no evidence now, even if there is evidence, no one dares to trouble President Ling!" But in case the Han family is forced to rush and stare at President Ling like a vicious dog, if you are bitten, it will hurt for two days, right? Ling

Jiuze's face was waveless, and the corners of his lips hooked a cool arc, "Then I will even kill the dog together!"

Shen Ming's eyes sank for a moment, and only after a moment said, "If I guessed correctly, Han Xiao provoked Su Xi, right?" What happened to her Su Xi?

Later, knowing the relationship between Su Xi and Ling Jiuze, he understood what Han Xiao had invested so much money to let him chase Su Xi for.

Ling Jiuze flicked the cigarette ash, "This has nothing to do with you!"

Shen Ming smiled suddenly, "My girlfriend, how can it be irrelevant?" Why don't I ask her personally, what do I need to relieve my qi?

After he finished speaking, he got up and walked out.

Ling Jiuze's face sank, "Shen Ming, you'd better stay away from her!"

Shen Ming stopped and turned around, put his hands in his trouser pockets, and said quietly, "If it's really because of Su Xi, the Han family will find out about her sooner or later, and the Han family doesn't dare to treat President Ling, but what about Su Xi?" She's a student, can you watch her twenty hours a day, all the time? Ling

Jiuze's eyes were well understood, and he slowly spoke, "They dare!"

“Han Xiao is my aunt’s only daughter, and she can do anything for her daughter!”

Ling Jiuze didn’t speak, his eyes were cold and waveless, and after a moment, he lifted his thin lips, “Okay, I’ll return Han Xiao to the Han family, but dead or alive, I can’t guarantee!”

Shen Ming scoffed, “She died herself, whether she can survive in the hands of President Ling depends on her own life!” ”

The sweet pursuit Chapter 122-Shen Ming personally led someone to find Han Xiao, the door opened, and the men lying on the ground immediately got up and looked over with trepidation.

Shen Ming frowned and asked, “What about Han Xiao?”

Li Quan stood up and pointed to the bedroom door, “Inside!”

Shen Ming went over, opened the door, and a stench came to his face, and he frowned and almost vomited.

The room was full of filth, and Han Xiaoren was lying on the bed without ghosts or ghosts, not knowing whether he was dead or alive.

Shen Ming took a few steps back in disgust, let Han Xiao take him out, and sent him directly to the hospital.

Han Xiao was not violated, and after Ling Jiuze left that day, she couldn’t get through the phone, afraid that Li Quan would really do something to her, and immediately ran into the back room to lock the door.

In the past seven days, someone brought them food, but Han Xiao did not dare to go out of the bedroom door, and there was no food and water in the bedroom, so how she survived these seven days, only she knows.

When Han Xiao first woke up in the hospital, his spirit was a little abnormal, and after three days, he slowly woke up, holding his mother Shen Yu and crying bitterly.

Shen Yu's aching heart was about to break, and he found Shen Ming and said hatefully, "I must avenge Xiaoxiao!"

Shen Ming sneered, "Revenge, who to seek revenge?"

Shen Yu didn't dare to look for Ling Jiuze, but she found Su Xi and gritted her teeth, "It's that female student!"

Shen Ming stood up, the corners of his lips sneered, but his voice was cold, "Then it's not only Ling Jiuze that you want to offend, but also me!"

Shen Yu was stunned, "What do you mean by this?"

Shen Ming took out a ticket and threw it on Han Xiao's hospital bed, "Don't think about revenge, this is the day after tomorrow's ticket, send Han Xiao abroad, don't come back in the past two years, otherwise, I will let her lie here all the time!"

After
that, Shen Ming left directly.

Shen Yu looked shocked, and turned his head sharply to look at Han Xiao, "He, what does this mean?"

Han Xiao's eyes were dull, and he cried out again with a "wow".

Two days later, Han Xiao left Jiangcheng, but instead of taking the ticket given by Shen Ming to country M, she went to London, where she wanted to find someone, someone who could completely defeat Su Xi.

The news of Han Xiao being driven out of Jiangcheng quickly spread in the circle of celebrities, the specific reason is unknown, but it is known that she was driven out by Shen Ming.

After Sheng Yangyang knew it, he intuited that this matter was related to Su Xi.

Han Xiao likes Ling Jiuze is an open secret, and Ling Jiuze and Su Xi are getting closer and closer, if Han Xiao is jealous of Su Xi, he may have done something.

She called Su Xi out to eat and asked what happened by the way.

Su Xi was also a little surprised, ten days had passed since she was abducted, and on the night of the accident, she heard Ling Jiuze call the person behind it, but then he didn't mention it, and she didn't ask, thinking that this matter was over.

Now it seems that Han Xiao let people kidnap her, so why did Shen Ming help her?

After the two finished eating, Sheng Yangyang said, "Go, take you to relax, and suppress you."

Su Xi pursed his lips and said lightly, "When you are shocked, the people have left peacefully, you can only burn more paper."

Sheng Yangyang laughed loudly, "What kind of paper to burn, that's superstition, I'll burn some real money for you!"

Su Xi rolled her eyes, not wanting to deal with her.

Sheng Yangyang took her to Kaisheng, but as soon as she entered the door, someone called Sheng Yangyang to ask her to play.

Sheng Yangyang held the mobile phone and smiled, "Did you send someone to follow me secretly, I just arrived in Kaisheng, you asked me to come to Kaisheng."

"Okay, no need to explain, I'll be there soon, you quickly kneel to greet you!"

Hanging up the phone, Sheng Yangyang turned around and smiled, "A friend happens to be here, I'll take you over to get acquainted, you should also know more people."

Su Xi's eyebrows were clear, "I don't need to contact many people in my future work." "

Su Xi glanced at her, "Haven't I practiced you for a long time?"

Sheng Yangyang hurriedly said, "The heroine spares her life, for the sake of me fighting with Lu Mingsheng every day, you spare me, the roots of my legs are now blue, I don't believe I will show you later!"

Su Xi frowned in disgust, "Are you a little reserved?"

"What is reservedness?" Sheng Yangyang said with a low smile.

Su Xi, "..."

The two entered the VIP private room, there were seven or eight women inside, saw Sheng Yangyang come in, and gathered around together.

Sheng Yangyang introduced Su Xi to them, hugged her waist, and smiled brightly, "This is my own sister, in the future, you will all help me protect it, I will remember her favor!"

One of the women, Fang Miao, joked, "Is only Su Xi your own sister?" What are we, after?

Everyone laughed and hugged Sheng Yangyang and Su Xi inside.

These people are all good at Sheng Yangyang, they take care of Su Xi very much, and seeing her young age, they bring her food and drink vigorously.

Sheng Yangyang said in her ear, "You will eat and drink, and we will leave when we are full of food and drink."

Su Xi said lightly, "People will think that I am here to eat and drink."

Sheng Yangyang's eyebrows flew, "Even if it is, no one can care!"

Everyone sang, laughed, and played for a while, and five or six more people came in, and everyone met and greeted each other, and groups of three or five found people they knew to sit and play with.

Later, when these people came in, Su Xi did not get up, and when he looked up, he saw a familiar face.

Someone in the private room sang and turned on the flash, and the colorful lights flashed back and forth in the private room, and everyone's faces began to become dim.

Fang Miao took the juice to Su Xi, and then sat next to Sheng Yangyang and laughed with the others.

A woman in a slip dress asked Fang Miao, "Who is that woman in a white dress, why haven't you seen it?"

Fang Miao glanced at it, and his tone was filled with disdain, "It's a little star."

The slip dress was a little stunned, "Then what are they doing around her?"

Fang Miao explained, "Her name is Xu Yiyi, she is an artist of Shengyu Entertainment, I heard that the gold owner is the president of the Ling family, the resources are soft, and she has just taken the protagonist of another movie, and the limelight is booming, they are begging her, it is estimated that they also want to have a relationship with the Ling family." The

slip dress suddenly said, "No wonder!"

Sheng Yangyang swept his eyes over, seemingly smiling, "Which one are you talking about?"

Fang Miao pointed out to her, "The one who wears a white skirt and looks like green tea, men like this."

Sheng Yangyang glanced at Su Xi silently, and his voice was slightly cold, "Is the matter between her and Ling Jiuze true?"

"They all know in their circles that it should be true." Fang Miaodao.

Sheng Yangyang's face sank, got up to go over, and was grabbed by Su Xi's wrist.

Su Xi lowered his voice, "If you want to make things difficult for me, you don't have to go!"

Sheng Yangyang said coldly, "You know her?"

"Hmm."

"Then she and Ling Jiuze are real?"

"I don't know, so don't be impatient!" Su Xi's clear eyes were calm.

The sweet pursuit Chapter 124-Sheng Yangyang thought for a while, sat firmly and didn't move again, only said, "If she makes you unhappy, don't endure it, we women can't have men, but we must not let other women ride on the head!"

Su Xi smiled lightly, "This is the experience you have summed up over the years?"

Sheng Yangyang smiled arrogantly, "Of course!"

The two were talking, suddenly the door of the private room "slammed" was kicked open, four or five people walked in, the woman in the front was one meter seven or five meters tall, her facial features were deep and bright, like mixed blood, she swept everyone in the room, and finally fell on Xu Yiyi, and walked straight over.

Xu Yiyi had already stood up, "Linna, what are you doing here?"

"Director Zhang's movie chose you as the female one, is it true?" The woman named Linna asked coldly.

Sister Li, the economic person next to Xu Yiyi, stood up, "This has nothing to do with Miss Lin."

Linna said angrily, "It doesn't matter, the female one who was originally ordered was me!" What shady means did you use to make Director Zhang change me?

Sister Li immediately said, "This is Director Zhang's, and he must think that we Yiyi are more suitable for his movie."

"Fart!" Linna directly burst into foul language, "Don't think I don't know, Xu Yiyi sold meat to get the female one, you really don't want to be faceless!"

Xu Yiyi was insulted in public, her face was snow-white, and she said in a trembling voice, "If you slander me like this, I will send a lawyer's letter!"
"Lawyer's

letter? I'm afraid of you! Linna suddenly grabbed Xu Yiyi's hair, leaned on her height, raised her hand and slapped Xu Yiyi's face, "I'll smash your face, see how you still seduce men?"

"Ugh!" Xu Yiyi went to protect his face with both hands and screamed loudly.

"Let go of Yiyi!" Sister Li pounced.

Several people who came with Linna also rushed up and pushed Sister Li aside.

The others went up to persuade them, but they were also beaten by Linna's people, and the room was suddenly in chaos.

Several women standing on Su Xi's side were startled by the sudden situation, and wanted to go up to persuade them, but were stopped by Sheng Yangyang's eyes, "You guys also want to be beaten?" Just watch the excitement! Sheng

Yangyang has been crawling in the pile of women for so many years, what don't you understand? Since they all said in that circle that Xu Yiyi's gold lord is Ling Jiuze, empty and not windy, either there is really this thing, or Xu Yiyi deliberately gave it out, anyway, no matter which one, she should fight!

Su Xi didn't let her do it, then she would watch others do it!

Xu Yiyi was kicked on the sofa by Linna's backhand, she raised her head in pain and struggled, and suddenly saw Su Xi sitting on the sofa, and suddenly shouted, "Miss Xixi, save me!" Sister

Li ran out to find someone, and happened to hear Xu Yiyi's shout.

She originally wanted to go to the security personnel, who knew that she saw Ming Zuo outside the private room at the end, Ming Zuo was there, then Ling Jiuze must also be here!

She immediately ran over, "Brother Ming, President Ling is not there, I have something to find President Ling!"

Ming Zuo was expressionless, "What's going on?"

"It's Yiyi, she is playing here with her friends, Linna suddenly came over, saying that Yiyi robbed her female one and is beating Yiyi!" Sister Li said anxiously.

Ming Zuo did not change color, "I'll go and talk to President Ling." In

the private room, Ling Jiuze was sitting on the sofa talking and laughing with Jiang Chen, and when he saw Ming Zuo come in, he looked up and asked him something.

Ming Zuo said what Sister Li said.

Ling Jiuze Jun's face was as usual, and he said coldly, "If someone fights, go to the security guard, or call the police, what are you looking for me to do?"

"Yes!"

Ming Zuo understood his attitude and turned back to Sister Li.

Sister Li heard Ling Jiuze's words outside the door, rolled her eyes, and immediately shouted, "President Ling, your niece is also in the private room, and the people brought by Linna will beat people when they see them, as if they have injured your niece." "

.....

When Ling Jiuze and Jiang Chen and the others arrived, there was still chaos in the private room, and Linna's people guarded the door and did not let the security guard in.

Ming Zuo kicked the door open, and when he entered, a woman tried to stop him, but he grabbed his wrist and fell to the ground.

Security guards suddenly rushed in, pulling apart the people who were fighting together.

Ling Jiuze quickly swept around the chaotic crowd, and when she saw Su Xi, she was also looking up at him.

As soon as Ling Jiuze was about to go over, Linna suddenly broke free from the security, ran to him, and gritted her teeth, "You are Ling Jiuze, Xu Yiyi's gold master?" How many people's prospects have been ruined by you manipulating the market with capital, you people must not die well!

Everyone was stunned, they didn't expect Linna to be so bold.

The woman who came with her reached out and tugged at her wrist and told her not to say anything.

Linna was already crazy, "You are afraid of him, I am not afraid, I don't believe he can kill me!"

Jiang Chen said with a calm face, "I can not kill you, but I can make you live better than die!"

After he finished speaking, he said to the humanity around him, "Send this crazy woman to the police station, gather crowds to beat people, pick quarrels and provoke trouble, and send notices to all entertainment companies, such a bad artist, will not be allowed to be used in the future!"

Linna's eyes widened, "Who are you, why do you have the final say?"

Jiang Chen had a wicked smile on his face, "Yes, you don't even know who I am, how do you know if I said it?"

Linna's face turned a little pale.

In the end, Linna and these people were all taken away, Xu Yiyi grabbed the collar and walked over, her clothes were torn by Linna, her makeup was messy, and a five-finger print on her face looked weak and pitiful.

"President Ling!" Xu Yiyi looked up, and tears fell.

"Let's go back and treat the wound first." Ling Jiuze said lightly, "I will tell Xu Chen to give you a few days off to recuperate."

Xu Yiyi looked at him aggrieved and grateful, "Thank you President Ling!"

Jiang Chen raised his eyebrows and looked at Ling Jiuze, "Why don't you know how to pity Xiang Xiangyu so much, Miss Xu is so badly injured, you haven't personally sent it to the hospital, and then send it home."

Ling Jiuze glanced at him, "Since you understand, you go and send it."

Jiang Chen said half-jokingly, "I thought, I'm afraid Miss Xu only wants someone to send it."

Xu Yiyi's face turned red, "I'm already so embarrassed today, Jiang Gongzi don't joke with me."

What else did Jiang Chen have to say, Ling Jiuze didn't give him a chance to speak, and said directly, "Mingzuo, you go and send Miss Xu."

"Yes!" Ming Zuo responded lightly, "Miss Xu, let's go!"

Xu Yiyi knew how embarrassed he was at this time, did not dare to look at Ling Jiuze more, lowered his head and said thank you again, and left in a hurry.

When Ling Jiuze went to find Su Xi again, he found that the place where she was sitting before was empty.

"People are gone, what are you still reluctant to do, go back!" Jiang Chen said with a smile.

Ling Jiuze glanced at the private room again, did not see Su Xi, nodded faintly, and walked out with Jiang Chen.

Outside Kaisheng's door, Sheng Yangyang stepped on high heels and had to trot to catch up with Su Xi, "What are you doing so fast, as if you can't see anyone, don't forget, you are the lady of the main palace!"

Su Xi stopped and turned around, "He never recognized my wife!" "

Su Xi said lightly, "Others don't know, don't you know my relationship with Ling Jiuze yet?" How many lovers he finds, I am not qualified to ask.

Sheng Yangyang said angrily, "Then you have all slept so many times, does he like you or not?"

Su Xi looked at her quietly, for a long time, turned around and continued to walk forward.

Sheng Yangyang caught up, grabbed her wrist, and asked breathlessly, "Su Xi, I can tolerate that there are always women around Lu Mingsheng, that's because I know he loves me, what about you?" What are you and Ling Jiuze together for?

Su Xi's clear eyes were calm and calm, and she spoke quietly, "Didn't you tell me to have fun in time?"

Sheng Yangyang, "..."

She raised her head, took a deep breath, and calmed down for a while, "It's better for me to find someone to try him for you!"

Su Xi raised his eyebrows, "Try what?"

"See if he's Aquaman?"

Su Xi immediately said, "Don't go!"

"What are you afraid of, if he is the sea king, then you leave him as soon as possible, I said that the timely salute is when you have feelings for each other, not you unilaterally being fooled by him!"

Su Xi said positively, "I'm not afraid, but we respect each other, he hasn't tested me like this, and I won't do this to him!"

"Respect? Are you sure?" Sheng Yangyang sneered.

"OK!" Su Xi said solemnly.

.....

When Su Xi returned to the imperial court, it was already ten o'clock, and she read the book for a while after taking a bath and went back to bed.

When she seemed to be sleeping, she felt Ling Jiuze holding her face and kissing her.

He had already bathed, only a bath towel around his waist, and the strong masculine aura invaded her senses.

She snorted twice and slowly opened her eyes.

Ling Jiuze leaned over on her side, the lines of his arm muscles were firm and sexy, he pinched her chin and kissed her side face delicately, his voice was hoarse, "Do you want to be happy?"

Su Xi looked at him with a worried look, "Very sleepy." The

man laughed lowly, got up slightly, and looked at her in the dark, "Have you been hurt tonight?"

Su Xi shook his head, "Even if they came at me, they couldn't hurt me."

"Well, it's far away from such a thing." The man lowered his head again and kissed her.

Su Xi's voice was soft and casual, "You don't blame me for not protecting Xu Yiyi." The

girl's careless words made Ling Jiuze move, and a faint color slipped under her eyes, like a cold moon sinking into a quiet lake, ripples spread, some cool, some cold.

She said this because she heard others talk about Xu Yiyi's relationship with him, but she did not question him and did not cry.

She is so measured and obeys the rules of the game, he should be happy.

But he didn't feel happy, but his chest was inexplicably a little stuffy.

He didn't speak, but the action of kissing Su Xi was more violent, without the warmth and pity just now.

.....

As usual, afterwards, Ling Jiuze took Su Xi to the bathroom to take a bath.

After that, he gently put her on the bed and turned away.

Su Xi was sore and tired, found a comfortable position, closed his eyes, and quickly fell asleep.

After Ling Jiuze returned to the room, he had a video conference with the senior management of the company on the side of country M, and when he turned off the computer, it was already three o'clock in the morning, he got up and walked to the balcony, lit a cigarette, and looked at Jiang Cheng in the middle of the night.

Jiangcheng is close to the sea, the economy is prosperous, there are nightclubs all night long, and now there are still many people who have not slept, still rejoice, and enjoy their youth.

His youth was spent in a hail of bullets, and for a while he walked through the primeval forest every day, and he did not wash his face and bathe for half a month.

When Ling Jiuze felt sleepy, it was almost four o'clock, he got up and went back to the room, lying on the bed and feeling that he had only slept for a while before waking up, and glanced at the time, just half past five.

Perhaps remembering the past before going to bed, he dreamed of the child again, did a mission with him, and saved each other's lives.

They had never seen each other, and he only remembered her eyes, bloodthirsty like wolves and calm as dark nights. She was the youngest of them and had better marksmanship than most.

He found that she loved sweetness, always had chocolate on her, and if she finished eating, she would be noticeably more restless than usual.

At first he gave her his chocolate, and she didn't take it, just looked at him warily, and walked away.

It wasn't until the two had a lifelong friendship that she accepted his chocolate, and said thank you in a hoarse voice.

Later, he hears that she died while on a mission, betrayed by the people above, and all died in an abandoned warehouse with her teammates.

When he heard this, he regretted for a while, and even now he thought of her eyes, and there was a trace of dull pain.

It was already slightly bright.

Ling Jiuze went to the bathroom to take a shower, change clothes, and leave at six o'clock.

Su Xi is still asleep.

She slept until almost eight o'clock, opened the door and went out, there was no one outside, she was just about to go back to her room to wash when she heard the doorbell ring.

Opening the door, standing outside was the hotel delivery staff who often came to deliver breakfast, respectfully handing her the food box, "This is the breakfast ordered by Mr. Ling, I wish you a happy meal!"

After Su Xi thanked him, he took the food box and put it in the kitchen after returning to the house.

The door of the master bedroom was closed, and she thought that Ling Jiuze was still sleeping, but when she washed and changed her clothes and came out, she didn't see Ling Jiuze either.

She went over and knocked on the door, "Mr. Ling, are you awake?"

"Mr. Ling?"

"Second Uncle!"

No one answered, she thought of something, pushed open the door and went in, sure enough, Ling Jiuze was not in the room at all.

When did he leave?

Su Xi frowned, shrugged his shoulders, and went to eat by himself.

Ling's Office Building

After the

meeting in the morning, Ling Jiuze returned to the office and called Xu Chen, "Zhang Xun's movie chose Xu Yiyi as the female one, did you operate behind the scenes?"

Today, Linna's matter was on the hot search, but it was quickly suppressed again, but it had disappeared in an hour.

Xu Chen got some news and busily explained, "No, we just provided Xu Yiyi with an audition opportunity, Zhang Xun himself felt that Xu Yiyi was more suitable for his film character than Linna, so he chose Xu Yiyi as the female one, in fact, we were a little surprised."

Ling Jiuze bowed his head, "I know!"

"Linna injured Xu Yiyi, we will hold her responsible for this!" Xu Chen replied.

"Look at it!"

Ling Jiuze hung up the phone, and the annoyance in his heart was a little lighter, as if he had been wronged, and now he knew that he was innocent, even if he couldn't explain, his heart was comfortable.

.....

In the blink of an eye, on Saturday, when Su Xi went to Ling's house, he remembered that he had not seen Ling Jiuze for four days.

During the time they were together, except for physical communication at night, the two had no contact during the day.

So how could Ling Jiuze like her?

The two are together, just need each other.

But is he Aquaman?

Su Xi again believed that he was not.

She shook her head, feeling a little conflicted.

Ling Jiuze was not at home, Ling Yihang was very obedient, and the two classes went smoothly.

At noon, Su Xi accompanied Ling Yihang to eat together, and the two talked and laughed, which was much more pleasant than when Ling Jiuze was there.

After eating, the driver sent her to Jiangda, and Su Xi did not return to the imperial court, but went to the school library to read books.

The exam is about to come, and she should put away all her other thoughts and prepare for the exam.

Two days later, Su Xi had fallen asleep at night, and when she heard the door outside, she woke up almost immediately.

The sweet pursuit Chapter 128-After about half an hour, Ling Jiuze seemed to go to the kitchen to get water, and then the floor lamp in the living room was always on, and a faint light shone through the crack in the door.

Is he insomnia again and can't sleep?

Su Xi's clear eyes turned in the dark, got up and got out of bed, the door opened, and he heard the man answering the phone.

"What's going on?"

The voice over there was anxious, "Mr. Ling, I am Yiyi's agent Li Ai, today Director Zhang took Yiyi to meet a few investors, Yiyi drank a lot of wine, and now he is taken upstairs by Mr. Sun of Huafeng, his people are guarding outside and don't let people approach, Mr. Ling, you save Yiyi!" Ling

Jiuze frowned, "What about Director Zhang?"

"Director Zhang was split and is not there now!"

Ling Jiuze had a cold expression, just about to let her call Xu Chen, he saw a crack in the door of the side bedroom, almost instantly, he changed his mind and picked up the suit placed on the back of the sofa, "Where are you guys?"

"Sail Hotel!"

“Wait for me, I’ll go right away!”

He walked out, looking like he was in a hurry.

The door closed, Su Xi opened the door of the side bedroom, and the warm yellow floor lamp was turned on in the living room, shining in her beautiful eyes, like a layer of moonlight, cold and cold.

Su Xi’s clear eyes were like Xili Lake in the night, calm and deep, she turned back to her room and closed the door.

Ling Jiuze went out, the night breeze in the garage was cool, he suddenly sobered up, what was he doing?

What did he want to test Su Xi with Xu Yiyi?

Sitting in the car, the man completely calmed down and called Xu Chen, “Xu Yiyi was in the Yangfan Hotel, and was taken away by Sun Feng of Huafeng, you go and take a look.”

Xu Chen immediately answered and went over in person.

This kind of thing often happens, and Xu Chen knows how to deal with it.

Ling Jiuze sat in the car for a while, as if waiting for Xu Chen’s call, or something else.

Half an hour later, he drove away.

Back to the Ling family’s old mansion, when he went upstairs, he received a call from Xu Chen, he had already taken Xu Yiyi out, Sun Feng had always been drunk, and he was beaten by his people and fainted.

Xu Yiyi didn’t have any big problems, but she was a little injured when she resisted Sun Feng, but fortunately, Sun Feng was weak after drinking and didn’t treat her well.

Ling Jiuze let out a faint “hmm” and hung up the phone.

He put his phone on the bed, turned around to take a shower, and after coming out, he read the book for a while, but he was a little absent-minded, and he didn’t turn a page for ten minutes.

Looking at the time, an hour had passed, and he picked up his phone, which did not have any missed calls and messages.

He frowned, threw his phone aside irritably, turned off the light, and went to sleep.

In the next few days, he did not go to the imperial court, and every day was not entertainment, so he and Jiang Chen went to Kaisheng, and when he went back late, he relied on medicine to help sleep.

On Saturday, he came back early in the evening and had dinner with Ling Yihang Yinuo.

"How's your studies lately?" Ling Jiuze asked Ling Yihang.

"Ok!" Ling Yihang said with a faint expression.

Ling Jiuze paused and said quietly, "Teacher Su, lunch with you today?"

"Well, I let the kitchen stew duck soup and took it away for her." Ling Yihang said.

Ling Jiuze asked nonchalantly, "What did she say she didn't?"

Ling Yihang replied casually, "We have said a lot, which one do you ask?"
Ling

Jiuze, "..."

His eyes faded, "Let's eat!"

After

he finished speaking, his eyes swept towards Ling Yinuo, "What day are you guys taking the exam?" "

The sweet pursuit Chapter 129-Ling Yinuo was thinking about something out of his mind, and he was stunned when he heard this, before replying, "The day after tomorrow, what's wrong?"

"It's okay, tell the driver a good time in advance so he can pick you up."

“Second uncle, I made an appointment with my classmates and went on vacation to travel.” Ling Yinuo squinted and smiled.

Ling Jiuze said lightly, “Tell your parents, they agree, I agree!”

Ling Yinuo’s mouth deflated and snorted, “Got it.”

When the

meal was almost finished, Ling Jiuze said to Ling Yihang again, “Your sister and they have finished the exam, Teacher Su does not have to go to class, do you want her to come over every day to make up lessons for you and sprint for the final exam.”

“No thanks!” Ling Yihang’s indifferent tone concealed arrogance, “I’ve already led the circle, even if I stop and wait, they won’t be able to catch up with me.”

Ling Jiuze lowered his long eyes, and after a while, he let out a “hmm” and got up and said, “You guys eat, I’ll go upstairs first!”

When Ling Jiuze left, Ling Yinuo turned his head and said, “Why do I feel that the second uncle is a little unhappy, does he have an opinion about Su Xi?”

Ling Yihang frowned, “What opinion can he have, and it’s not his tutor!”

Ling Yinuo shrugged his shoulders, “Maybe I think too much, usually you say more good things for Su Xi in front of the second uncle!”

“The first place in my exam is the biggest affirmation of her, what good words do I need to say?” Ling Yihang said quietly.

Ling Yinuo smiled, “It’s the same thing, when my parents come back, I have to let them thank me well for hiring such a good tutor for you!”

Ling Yihang snorted coldly, “If you want to thank Teacher Xie Su, why are you thanking?”

“Su Xi was found for you by me, who do you thank me for?”

Ling Yihang glanced at her, “You still want to think about how to tell your parents about your relationship!”

Ling Yinuo was embarrassed, “I want you to worry!”

"I'm too lazy to care about you, just wipe your eyes yourself, don't be deceived!"

Ling Yinuo glared, "You little brat, what do you understand?" Ling

Yihang didn't quarrel with her, finished the last bite of rice, and went upstairs to find Su Xi to play a game.

.....

On the day that Su Xi finished the exam, Sheng Yangyang picked her up outside the school gate, saying that he wanted to relax for her.

The car stopped outside Sheng Yangyang's private design studio, and Su Xicai asked, "Where are you going?" "

There was a cocktail party in the evening with a three-Michelin chef who made a great dessert." Sheng Yangyang lay on the door of the sports car and smiled at Su Xi seductively.

Su Xi chuckled, "Take me to eat and drink again?"

Sheng Yangyang opened the car door and dragged her out of the car, "Wrong, take you to support me with a card!"

At seven

o'clock in the evening, the two came to the hotel, got out of the car, and a woman wearing a burgundy dress greeted her, "President Sheng!"

The woman greeted Sheng Yangyang, looked at Su Xi, and smiled sweetly, "It's Miss Su, right?"

Su Xi smiled lightly, "You know me?"

"I often hear Mr. Sheng mention Miss Su, saying that you are her best friend and the best-looking girl she has ever seen, so I recognized it at a glance!"

The woman smiled gently, revealing two dimples, and stretched out her hand, "I am Jiang Tunan." "

The one who carries the blue sky and Mo Shangyang Que, and then the one who is Omi Tunan.

Su Xi was amazed by her name, stretched out his hand and gently shook her, "Su Xi."

Sheng Yangyang smiled brightly, "The best look is not what I said, Tunan, even if you compliment Su Xi, don't sell me inside."

Tunan said half-jokingly, "You said that Miss Su is better looking than me, isn't this the best looking?"

Su Xi was amused by her, and Sheng Yangyang also laughed, "You float when you see a beautiful woman, how much wine did you drink!"

"Just kidding! The cocktail party is about to start, let's go inside. Tunan laughed.

The sweet pursuit Chapter 130-Sheng Yangyang and Su Xi walked behind and explained to her, "Tunan is my friend, who runs his own public relations company, a very powerful person, and today he came to help us block alcohol!"

Su Xi was clear, Jiang Tunan walking in front was slim, with long curly hair, thin waist and long legs, plus her angelic perfect face, sexy and sweet and cute, with a huge attraction to the opposite sex.

The cocktail banquet hall is magnificently arranged, celebrities from all walks of life in Jiangcheng gather, men drink and laugh together in groups of three or five, and beautiful women in various dresses shuttle among them, looking for each other, elegant and grand.

Not long after they came in, someone came to talk to them, but they were all blocked by Tunan.

Su Xi watched Tunan calmly deal with it in a group of people, obviously a woman with eight faces, but with a smile and seemed to be simple and sincere, which made people fall in love.

Sheng Yangyang is right, this is a powerful woman!

Sheng Yangyang took Su Xi around the banquet hall, and then found a clean place, eating dessert while looking at the scenery in the garden outside.

When the two were talking, Sheng Yangyang saw Ling Jiuze on the other side of the business district, turned his gaze, and said to Su Xi, "A friend came, I'll go over to say hello, you take care of yourself first."

Su Xi held a glass of wine and nodded, "You go busy, don't worry about me!"

Sheng Yangyang raised his eyebrows and smiled, turned and left.

She found Tunan and pointed in Ling Jiuze in her direction, "Do you know how to do it?" Tunan

smiled, "Ling's successor, less than half a year after returning to China, except for having an affair with that little star Xu Yiyi, he has not publicly brought his female companion to any venue, this is a bit difficult, you have to prepare a big red envelope for me!"

Sheng Yangyang smiled lightly, "Look at your skills, if you win, the public relations fee will double from next month." Tu

Nan's eyes moved, but he said with a smile, "No, if I take Ling Jiuze, I don't need you to add more public relations fees, if I can't win it, double it!"

Sheng Yangyang immediately understood what she meant, if Tunan took Ling Jiuze, it was equivalent to helping her find a gold mountain, and this public relations fee naturally could not enter her eyes.

She smiled generously, "No problem!"

She hoped that in the end, Tunan would be doubled, tripled, tenfold!

"Then I'll go, good luck!" Tunan winked at Sheng Yangyang and walked towards the man who was surrounded by everyone.

Such men, wherever they go, are sought after, so their pride and eyes are above the top, which is indeed a test for Tunan.

On her way to the man, she has adjusted to her best condition and is ready to do everything she can.

.....

Sheng Yangyang quickly returned to Su Xi and brought her a cheesesteak, "Want some wine?"

Su Xi played the game for a while, and looked up when he heard the sound, "Good."

Sheng Yangyang poured her a glass of Burgundy white wine, "The organizer invited a few stars to enliven the atmosphere, and it will be more lively later."

Su Xi took a sip of wine, half sweet, and his mouth was clear.

Sheng Yangyang has been keen to take her to such banquets and drinking parties recently, and she knows that she wants her to familiarize herself with this atmosphere and meet more people.

She understood her intentions, but the results might not be too satisfactory.

A friend came over to greet Sheng Yangyang, Su Xi drank wine and was a little dizzy, and took the opportunity to go to the garden outside to blow the wind.

The hotel's garden is managed by a dedicated florist, and every part is neatly and delicately tended, without a single weed.

Su Xi walked along the rose road to the pond, sat on the bench, and watched the swans in the pond swim around.
