The sweet pursuit Chapter 151-She was completely on fire, but people will never see this person again.

Song Changfeng asked excitedly on the phone, "Su Xi, who is your second uncle?"

Su Xi raised his eyebrows, "What do you mean?"

Song Changfeng said with a smile, "Yesterday afternoon, when I went back to Barry to get something, their security guards stopped me from entering, saying that their boss was very angry and wanted us to compensate for all losses, otherwise they would sue us." Who knew that one night later, my friend called me to come over, and their boss personally waited for me outside the company, and his attitude was simply good, and he didn't need us to compensate, and he also doubled the salary for painting before, saying that it was a mental damage fee for the two of us.

He smiled incredulously, "My parents don't know about this, so it must be your second uncle who helped, and Yaoyao's matter was exposed, it must have been done by your second uncle, it's really powerful!"

Su Xi lowered his long eyelashes, his eyes flickering, "It's that some people have gone too far, and it's time for retribution."

"Anyway, it's also the credit of your second uncle, and you thank him for me." Song Changfeng smiled heartily, "By the way, Barry's boss gave 20,000, we said to divide it equally, and I'll transfer the money to you later, if I can, I'll invite you to dinner at night and call your second uncle."

Su Xi smiled lightly, "Another day, I said that I will invite my friend to dinner, and I, the second uncle, he also has something to do at night."

"Then I will invite you and your friend, and then invite your second uncle another day!" Song Changfeng immediately said after speaking, "That's it, see you in the evening!"

After speaking, he hung up the phone directly.

When Su Xi went out, Qingning was setting breakfast, "Come on, I made the sandwich you liked, and I also made milk tea."

Su Xi said with a smile, "Someone wants to invite us to dinner, do you have time in the evening?"

Qingning looked up in surprise, "What friend?"

Su Xi took a sip of milk tea, "It's the classmate who painted with me, and today the salary is in hand, and he wants to treat him."

"Okay!" Qingning replied and smiled meaningfully, "Does he like you?"

Su Xi took a bite of the sandwich, his face was as usual, and said quietly, "No."

Qingning laughed, "Don't say it so sure, otherwise why would he be so attentive?"

Su Xi shook his head and disagreed, "You think too much!" Seeing

that she was like this, Qingning didn't seem to really think about the feelings between men and women, and smiled, "I'll come back early that afternoon."

In the evening, Su Xi and Qingning arrived at the agreed restaurant on time on the west bank of the Xiangxie, Qingning looked up and sighed, "The food here is very expensive, is that classmate of yours going to spend all the money he earns?"

Su Xi got along with Song Changfeng for a few days, and also knew a little about him, knowing that his parents were both in business, there was no shortage of money at home, and the work of taking on drawings was purely to pass the time and experience life.

When the two were talking, Song Changfeng came over on a motorcycle, took off his helmet, and smiled handsomely, "Sorry, it's late."

He looked at Qingning and said with a smile, "Su Xi, this is what you said about friends?" Sure enough, the friends of beautiful women are also beautiful women!

Wei Qingning smiled and introduced himself, "My name is Wei Qingning.

"Song Changfeng." He smiled heartily, "I'll go park the car and come right away."

He went to park, Qingning raised his eyebrows at Su Xi, with a hint of urgency in his eyes, "It turned out to be a big handsome guy, it seems that I guessed correctly." The

corners of Su Xi's mouth lifted, and he was just about to speak, his eyes looked into the distance, and he saw that Ling Jiuze was walking towards the west bank gate, followed by a few friends.

Probably aware of something, Ling Jiuze turned his head and looked over, his eyes passed through the noisy crowd and the bright lights, and looked at Su Xi in the air.

The sweet pursuit Chapter 152-Song Changfeng ran from behind Su Xi, "Let's go in!" In

front of the West Bank door, Ling Jiuze narrowed his eyes slightly, swept over several people, and turned and entered the door of the restaurant.

Su Xi remembered what Song Changfeng said on the phone before, and thought about whether to go and thank Ling Jiuze, afraid that if he went, he would not give her a good face.

Song Changfeng had already walked over, and she nodded, "Let's go!"

Song Changfeng booked a private room in advance, the three people went in, and the waiter came in and began to order.

Upstairs in the private room, Ling Jiuze stood in front of the window, Jiang Chen came over and said with a smile, "The boy next to the little girl just now, is it her classmate or boyfriend?"

He looked over with Ling Jiuze just now, first saw Wei Qingning, and then saw Su Xi, a little surprised, did not expect that the two of them would be friends.

When the boy ran over, he obviously felt that Ling Jiuze's face sank a little.

Ling Jiuze glanced at him, turned back to the table, pulled out a chair and sat down.

They are all acquaintances, knowing Ling Jiuze's taste, they have already ordered dishes for him, and when they saw him coming, they immediately asked him what wine he was drinking today?

Before Ling Jiuze could speak, Jiang Chen said, "Which wine tastes sour?"

The others didn't know what he meant, and replied seriously, "Sour? Did Brother Jiu change his taste today?"

Jiang Chen smiled meaningfully, "Yes, it's better to add some vinegar!"

Ling Jiuze stared at him coldly, "You want to die?"

Jiang Chen was overjoyed, "Who made you smell a face from the moment you entered the door, it's too easy for people to misunderstand, you know?"

Ling Jiuze took a cigarette and lit it, ignoring him.

Jiang Chen leaned over and said with a low smile, "It's not just for fun, why be serious?"

Ling Jiuze took a puff of cigarette and said in a nonchalant tone, "Who said I was serious?"

"What does that anger do?"

Ling Jiuze glanced at him, with an evil sneer hooked at the corner of his mouth, "Can't you play enough?"

Jiang Chen raised his eyebrows, "Since you haven't played enough, then you might as well coax again, what's the use of being angry?" If you hold back like this, people will have a new boyfriend! Ling

Jiuze was irritable in his heart, and did not answer with a calm face.

On Su Xi's side, the dish was slow, and the three of them sat together and chatted, and the atmosphere was pleasant.

Especially Song Changfeng and Qingning, the two saw each other as before, and when they chatted, they found that there were many common topics, and they talked hotly.

Qingning Chang is playful and pleasant, and loves to laugh, which is easy to make people feel close.

When the food came up, Su Xi did not participate in the chat between the two, and only concentrated on enjoying the food.

After serving two dishes, the waiter came in and said to Song Changfeng, "Mr. Song, the French blue dragon you ordered needs you to see it in person, our chef can cook for you, please come with me." Song

Changfeng is a little strange, in the past, there was a need for guests to see it first and then make fresh food, all the waiters got to the private room, why did he have to go over to see it himself today?

However, he didn't say anything else, turned around and talked to Su Xiqingning, got up and waited for the student to go out.

The waiter took him to the front room of the back kitchen to see the lobster, made sure it was okay, and then sent him back.

The two passed by the hotel lobby, and Song Changfeng saw the man sitting on the sofa in the leisure area at a glance, he showed surprise on his face, let the waiter go first, and walked towards the leisure area by himself.

"Second uncle?" Song Changfeng walked up to say hello.

Ling Jiuze was looking at his mobile phone, looked up when he heard the sound, and smiled lightly, "Classmate Song? Sit!

"Is it really you?" Song Changfeng was very happy and sat on the opposite sofa, "I told Su Xi to invite you to dinner, Su Xi said that you have something, I didn't expect to meet here, what a coincidence!" "

The sweet pursuit Chapter 153-Ling Jiuze put out the cigarette in his hand in the ashtray, his legs were folded, and his temperament was gentle and dignified, "I made an appointment in advance, it's not good to excuse, I'll invite you another day."

Song Changfeng hurriedly said, "How can that work?" You helped us so much, I should thank you!

“No need to be so polite!” Ling Jiuze looked at the boy with a sunny smile in front of him, “You and Su Xi are in the same class?”

Song Changfeng said with a smile, “No, I’m from the foreign language department.”

Ling Jiuze bowed his head slightly, his eyes deepened a little, “Do you like Su Xi?”

Song Changfeng was stunned and immediately shook his head, “No, you misunderstood, she is very good and excellent in all aspects, but we are just ordinary friends!”

“What about Su Xi?” Ling Jiuze asked.

Song Changfeng said with a smile, “I think she only treats me as a classmate.” Ling

Jiuze spoke slowly, “Her parents are not in Jiangcheng, so I gave her to my care, and I told her in advance that she was not allowed to fall in love in college, so I asked more.”

Song Changfeng nodded, “I understand, don’t worry, we don’t have any ambiguous relationship.”

Ling Jiuze hooked his lips and smiled warmly, “That’s good!” Su Xi eating with you? Then there you go, don’t make her wait long!

“Then I won’t bother you either!” Song Changfeng got up.

“In Su Xina, don’t say you’ve seen me.” Ling Jiuze said lightly.

“I understand!” Song Changfeng smiled, “Second uncle, goodbye!”

“Hmm!” Ling Jiuze nodded slowly.

When Song Changfeng left, Ling Jiuze got up, walked to the elevator, and went to the third floor.

Song Changfeng returned to the private room, did not mention the encounter with Ling Jiuze, and continued the previous topic to talk and laugh with the two.

A meal was very pleasant, after the meal Song Changfeng went to check out, and was told that someone had paid for them, and after he was shocked, he quickly thought that it was Ling Jiuze who settled the bill for them.

He went back to find Su Xi and the two, didn't say anything else, only smiled sincerely, "Su Xi, your second uncle is so good to you!"

Su Xi was stunned, I don't know what his inexplicable sentence meant?

Song Changfeng didn't say more, only said, "I'll send you back?" Originally

, the atmosphere was pleasant, and he still wanted to sing and drink with Su Xi after dinner, but after seeing Ling Jiuze, he knew that Ling Jiuze was very strict with Su Xi, so he changed his attention.

"No need, how can you send the two of us on a bicycle? We just took a taxi. Su Xiwen said with a smile, "Another day, I'll invite you again!"

"Okay, then we'll make another appointment!"

The three said goodbye to each other, Su Xi and Qingning took a taxi back to the imperial court, and Song Changfeng also rode home.

Su Xi and Qingning returned home, and after taking a bath, they sat in the living room watching a movie while eating ice cream, occasionally chatting a few words about tonight and Song Changfeng.

Halfway through the movie, the screen of Su Xi's mobile phone on the right hand side lit up, and the Peugeot of the eagle head on it flashed a few times and gradually disappeared.

Su Xi picked up his mobile phone and got up, "You look first, I have something!"

Qingning waved his hand, "You go busy, don't worry about me!"

Su Xi turned around and went into the side bedroom, opened the mobile phone, clicked on an eagle head Peugeot APP, the mobile phone screen flashed, and a password box appeared.

She enters her password and immediately enters the mission homepage.

At the same time, the two colored eagle heads at the top of the homepage also lit up.

“Come to live?” The goshawk’s doll voice was full of excitement.

The sweet pursuit Chapter 154-Su Xi didn’t speak, the eagle wings in front of the task list were black, which meant that this single was something she had to take, and there was no choice.

Her eyes narrowed, she opened the task list, and looked at it carefully.

“Boss, what mission?” Qingying asked.

The goshawk smiled proudly, “You can’t hold your breath before me this time!” The

green eagle sent an attack wave at the eagle’s head next to it, and several stars appeared on the goshawk’s head, and an eagle fell to the ground with a bang.

The goshawk spoke out in shock, “Grass! And this operation, how did you get it?”

Qingying only returned him a cold white eye.

Su Xi said lightly, “This mission, I will come by myself!”

“Huh?” The goshawk’s fallen body immediately jumped up, “Boss, you come in person?” Qingying

stood straight, “Is it a task above and below?”

Su Xi let out a “hmm” and stared at the text and photos on his phone.

The goshawk was a little excited, “I applied to go on a mission with the boss!”

“Not for now!” Su Xi said lightly, “I will tell you when you need it.”

The goshawk snorted coquettishly, "Boss, you won't be afraid that we will see your true face, right?" Don't be afraid, even if you are old and ugly, you are my boss! The

three of them are all voice-changing, they have never seen each other, and they don't know who the other party is or what their identity is.

After the goshawk finished speaking, without waiting for Su Xi to speak, Qingying sneered, "The boss is afraid that you are old and ugly, and you can't continue to play together in the future!"

The goshawk snorted, "There is a kind of noodle base!"

Qingying ignored him.

Su Xi's tone was as usual, "I'll look for you guys if something happens!" After speaking, he pressed exit.

She opened the door and went out, Qingning looked over, "What's wrong?"

Su Xi sat on the carpet under the sofa, and said lightly, "After the last two tutoring classes this weekend, I will look for a job."

"Huh?" Qingning was stunned, "Didn't you say that after the tutoring class, you want to go back to Yuncheng to see your grandfather?"

Su Xi frowned slightly, "It is estimated that I will go back when the summer vacation is almost over."

Before she made a video with her grandfather, saying that she could go back to see him in mid-July, and was nagged by him. Now that it is going to be postponed again, it is estimated that he will run over and beat people angrily.

Two days later, the training in Qingning Dessert Shop was over, and I was thinking of packing up and going home at night, but who knew that before I went to work early in the morning, I received a call from her mother asking her to stay outside for a few more days.

The reason is that her brother's new girlfriend came to Jiangcheng to work from abroad, and she used to rent a house, but now the landlord wants to raise the rent, so she moved to the Wei family and lived in Qingning's room.

Qingning frowned, "Then when can I go home?"

Wei's mother persuaded, "Xiaoyu is looking for a house, it is estimated that he will move out soon, and if you are wronged outside for a few days, you should help your brother." Qingning

can only respond, it's not that she doesn't want to give the house to her future sister-in-law to live in, but she doesn't know where to live next, she can't always be here in Su Xi, she is also renting a house.

Su Xi heard her call and asked what happened?

Qingning told Su Xi about the family.

Su Xi quickly said, "It's okay, I paid the rent for the whole month, and we can live together until the end of the month."

Qingning was embarrassed, "I have to bother you again."

"It's me who is happier because someone cooks for me again in the evening." Su Xi smiled warmly, "I'm also going to class, I'll go first, see you in the evening."

Qingning waved his hand at Su Xi, feeling indescribable warmth and gratitude in his heart.

.....

This is the last two lessons that Su Xi gave to Ling Yihang before the final exam, Ling Jiuze was not at home, and after the class, Su Xi played with him for a while to shoot, which was considered to relax him.

When saying goodbye, Ling Yihang couldn't help but ask, "After the summer vacation, are you still coming?" "

The sweet pursuit Chapter 155-Su Xi said with a smile, "We'll talk about it when your grades come down, if you don't do well in the exam, I won't have the face to come again."

Ling Yihang snorted, "You don't have to worry about this, I won't embarrass you!"

"I believe in you!" Su Xi put on his backpack, "Even if I don't come, we can play games together every day."

Ling Yihang frowned, "What do you mean by this?"

Su Xi turned around, "It's not interesting, don't think about it."

Ling Yihang rolled his eyes, "When I finish the exam, let's go riding together."

Su Xi thought for a while, "After giving you a tutoring class, I want to find another job, I don't know if I am free, we will call at that time."

"You're really busy!" Ling Yihang pouted.

"No way, you have to make money!" Su Xi shrugged, "I'm leaving, you have a good exam!"

"Got it!" Ling Yihang had an irritable expression.

Su Xi laughed and turned away.

When Ling Jiuze came back in the evening, Uncle Fu replied to him, "Today Teacher Su said that this is the last class, and I paid Teacher Su the salary, according to the whole month. Ling

Jiuze frowned, "She resigned?"

Uncle Fu nodded, "Teacher Su said that she found another job, and she may not have time to teach the little young master after the summer vacation, so she resigned, let me not tell the little young master first." A

dark color flashed in Ling Jiuze's eyes, his thin lips pursed, and he nodded faintly, "I know!"

Going upstairs, the more Ling Jiuze thought about it, the more angry he became, picked up his mobile phone, and dialed out.

As soon as the phone was connected, he asked directly, "Why didn't you tell me why you resigned?"

Su Xi didn't expect that he would call directly to question, and after a pause, he spoke quietly, "I told Uncle Fu."

Ling Jiuze asked, "Who is your employer?"

Su Xi stopped talking.

Ling Jiuze looked at the dull night outside, and after a long while, he asked again, "What job did you find?"

Su Xi's voice was slightly picky, "Do I need to report this to Mr. Ling?"  
Ling Jiuze sneered, "When I use me, it is the second uncle, and when I don't use it, it is 'Mr. Ling', you are quite clear."

Su Xi choked on his words and didn't know how to answer.

There was another silence, and Ling Jiuze said quietly, "Our business has nothing to do with Yihang, he likes you very much, it is easy to accept a tutor, in other words, he will be a demon again, resulting in unstable grades." If you don't want to see me, we can not meet when you come in the future, but there is no need to bring emotions to Ling Yihang.

Su Xi's face was slightly red by what he said, "I'm not implicated in Yihang, I'm just afraid that you don't want to see me."

"I didn't!" Ling Jiuze blurted out.

After speaking, a flash of annoyance flashed on his face, and he deliberately said in a cold voice, "In this way, the make-up classes after the summer vacation are as usual."

Then hung up directly.

Su Xi frowned lightly and looked at the mobile phone screen in a daze.

Qingning cut the fruit and asked with a smile, "What's wrong, who called?"

Su Xi frowned and asked, "If a person makes you angry, but you can't get angry, what's the reason?"

"This one!" Qingning's dark eyes rolled around, tilted his head and smiled, "If it's a man, it's probably because you like him."

Su Xi gasped, threw the phone aside in disgust, and muttered in a low voice, "Ghosts like him!" "Who

!" Qingning was even more curious.

Su Xi thought for a moment and replied, "A distant second uncle!"

Qingning immediately said, "It turns out to be an elder, that is, you respect him very much!"

Su Xi, "..."

The sweet pursuit Chapter 156-Su Xi was looking for a job as a waiter in Kaisheng, because of his beautiful Peugeot, he was assigned to the VIP private room on the eighth floor as soon as he went to work, responsible for delivering wine to guests.

After two days of training, she officially went to work.

The foreman on the eighth floor was called Sister Chen, and on the first day of work, he took her and others to get to know each other.

There are a total of five VIP private rooms and five waiters on the eighth floor, and the others have been working in Kaisheng for more than a year before staying up to the 8th floor, and Su Xi was assigned here as soon as she came, so everyone else looked at her a little strangely.

Sister Chen is in her thirties, dressed in a professional suit, with exquisite makeup, capable and neat, and instructed Su Xi, "Of the five private rooms on the eighth floor, the two private rooms 8801 and 8809 are fixed guests, and usually even if they don't come, they are not allowed to let other guests in." Other precautions I think you have understood when you trained, I will advise again, the guests who can come to the 8th floor are the most honorable, no matter what the reason, do not offend the guests.

Su Xi nodded in agreement.

"Su Xi, you and Yan Xue are in charge of the 8807 private room today, ask Yan Xue if you don't understand anything." After Sister Chen finished ordering, she said to Yan Xue, "Su Xi is new, you take her first!"

A man named Sun Yue next to him immediately said dissatisfied, “8807 has always been the private room I am responsible for, why should I change it to Su Xi?” Sister

Chen said lightly, “Personnel transfers are not a frequent thing, what’s strange!”

Sun Yue glanced at Su Xi and did not speak with a calm face.

After Sister Chen left, everyone went to check the private room.

Sun Yue returned to the lounge first after being busy, she opened the wardrobe, saw that there was an extra sports top inside, and deliberately asked, “Whose clothes is this?” The

wardrobe in the lounge was universal, and the others knew that it was Su Xi, but they didn’t speak.

Sun Yue took out her skirt and mocked, “This was bought at the stall, right?” This cheap dress also goes with my DR suit, which literally pulls me down! After speaking, he directly threw Su Xi’s clothes on the ground.

Just as Su Xi came in, his eyes were cold, “Why throw my clothes?”

Sun Yue sneered, “It turned out to be your clothes!” I thought who didn’t want the rags!

Su Xi said in a deep voice, “Pick it up!”

Sun Yuehuan leaned against the wardrobe with her hands on her chest, and looked at Su Xi with a flowing voice, “I don’t pick it up, what can you do with me?”

Su Xi walked over, his clear eyes were as cold as snow, staring at Sun Yue, “I’ll say it one last time, pick it up!”

Sun Yue was looked at by Su Xi’s cold eyes, and her heart was inexplicably hairy, but a room full of people were there, she couldn’t admit it, and stood up and said, “I won’t pick it up!”

Su Xi clenched his fists, and just about to swing over, he heard Sister Chen behind him shout, “What for?”

She walked over, looked at Su Xi and Sun Yue, and then looked at the clothes on the ground, "Who threw it?"

Sun Yue sneered, "I don't know it's Su Xi's clothes, I thought who didn't want it." Sister

Chen frowned, "Do you know now?" Pick it up for her!

Sun Yue didn't dare not listen to Sister Chen's words, rolled her eyes, picked up the clothes on the ground, and hung them in the closet.

Sister Chen swept at everyone and reprimanded with a cold face, "They are all sisters on the 8th floor, if anyone dares to bully newcomers, don't blame me for turning my face!"

Sun Yue's face was white, and the others all lowered their heads and did not speak.

Sister Chen said to Su Xi, "8807 is coming, this is the wine list, you and Yan Xue go together."

Yan Xue took the wine list and said lightly to Su Xi, "Come with me!"

Su Xi nodded slightly at Sister Chen and followed Yan Xue.

After Sister Chen left, Sun Yue cooled her face, couldn't swallow this breath, found a number in her mobile phone to call out, as soon as the phone was connected, she immediately changed her expression of grievance, "Lin Shao, are you here?" "

## **Read Novel The Sweet Pursuit Chapter 157**

The sweet pursuit Chapter 157-Over there didn't know what to say, Sun Yue's voice was softer, "Today we have a new person here, who bullied me as soon as he came, and robbed me of my errand, you have to be angry for me!" The

man over there seemed to be coaxing her, Sun Yue showed a sweet smile, and said in a loud voice, "Okay, then you can teach her a good lesson later, I will remember your favor!"

"Well, I'll go pour you wine later, bye!"

Hung up the phone, Sun Yue showed a smug smile, took out the powder and touched up makeup on her face.

On Su Xi's side, she and Yan Xue went to get the wine first, and walked to 8807.

After knocking on the door, Yan Xue took the wine from Su Xi's hand, and for a moment, a sweet smile appeared on her face.

The decorated golden private room was lit with warm yellow lights, about a dozen people, four of whom sat in the entertainment area to play cards, five or six people sat on the sofa, and there were four or five people on the leisure area.

With a sweet smile on her face, Yan Xue knelt on one knee and asked with a smile, "Lin Shao, do you want to open the wine?" The

person known as Lin Shao was holding a female publicist in his hand, and was laughing in a low voice, turned his head when he heard the sound, saw Su Xi behind Yan Xue, and deliberately asked, "New people?"

Yan Xue immediately smiled and said, "Yes, I just came, I don't understand the rules, and I asked Lin Shao to mention more."

Lin Shao beckoned to Su Xi, "Come here, I'll take a look!"

Su Xi walked over with a warm expression, "Is there anything I can help you with?"

Lin Shao looked Su Xi up and down, his eyes glanced at the coffee table, and said lukewarmly, "Light me a cigarette!"

Su Xi took a cigarette and handed it to Lin Shao, picked up the lighter and leaned forward to light it for him.

Lin Shao kept staring at Su Xi's face, suddenly grabbed her hand, and seemed to smile, "Sure don't understand the rules, is the smoke lit like this?" The

people around laughed, all with an expression of watching a good show.

Yan Xue watched Su Xi being embarrassed, with a bit of schadenfreude on her face, and stood still.

Su Xi half-bent over, his face sank, and said in a low voice, "Let go!"

"Drink all this bottle and I'll let you go!" Lin Shao smiled playfully and put a freshly opened bottle of whiskey in front of Su Xi.

"I won't drink your wine!" Su Xi raised his eyes, his eyes were cold, "Let go of me immediately!"

"Threaten me?" Lin Shao suddenly changed his face and dragged Su Xi into his arms hard, "Come to this kind of place, what kind of chaste girl, Laozi,"

"Snap!"

Lin Shao was slapped in the face, and he was beaten backwards and fell heavily on the sofa!

Su Xi took a step back, his face was cold, "I'm a waiter, not a public relations, you can see clearly!"

The others were stunned, and Yan Xue was also stunned, and shouted angrily, "Su Xi, how dare you hit the guests?"

Su Xi glanced at her, "Otherwise, should I call the police?"

Lin Shao "rubbed" and got up, pointing at Su Xi's nose in annoyance and scolding, "How dare you hit Laozi!" If Lao Tzu doesn't kill you today, you won't be surnamed Lin!

"Lin Shao, what's the matter, making such a big fire?"

A person from the other side of the leisure area walked over, tall and handsome, his gaze swept over Su Xi's face and fell on Lin Qing.

Everyone got up in unison, Lin Qing's arrogance immediately became shorter, covering his face and saying, "Brother Chen, this waiter who just arrived doesn't understand the rules, I tweaked and tuned her, she still dares to do it!"  
Jiang

Chen smiled at the corner of his lips, but his voice had already cooled down, "She is a waiter, not a female publicist, and she uses you to teach?" "

The sweet pursuit Chapter 158-Lin Qing's face turned pale, although he didn't understand why Jiang Chen was angry, he immediately smiled and said, "Yes, I drank some wine, my brain is confused, Brother Chen don't see half of me!"

At this time, Sister Chen, who got Yan Xue's news, came in and asked carefully, "What happened?"

After

she finished speaking, she saw Jiang Chen and was slightly surprised, "Jiang Shao, you are also there!"

"Well, Lin Shao treats, come and sit." Jiang Chen said lightly.

Sister Chen turned her head to look at Lin Qing, "Su Xi is new, if there is something to offend, Lin Shao looks at my face, don't be very calculating." Lin

Qing saw that Jiang Chen was defending Su Xi, where did he dare to calculate, and said, "It's okay!" The

others didn't dare to say anything when they saw Lin Qing's mouth, and naturally they didn't dare to speak.

Jiang Chen looked at Su Xi, "You come with me!"

Yan Xue's gaze fell on Su Xi curiously, originally she saw Su Xi hit Lin Qing, thinking that today's matter was a big deal, Su Xi would definitely not be able to eat and go, but she didn't expect Jiang Chen to appear, and solved the matter in a few words.

Could it be that Jiang Chen knew Su Xi?

Su Xi herself was also strange, she didn't know this person named Jiang Shao, why should he help her?

Sister Chen looked at Su Xi, "Jiang Shao ordered, go quickly."

Su Xi nodded slightly and followed Jiang Chen out the door.

The two went to the 8809 private room, Jiang Chen sat down, his attitude was gentle and kind, "Miss Su, sit!"

After Su Xi sat down, he thanked him first, "Thank you!"

Jiang Chen smiled with thin lips, "You're welcome, why are you here?"

Su Xi said, "I came to work, the first day today." You know me?

Jiang Chen smiled, "I know Ling Jiuze!"

Su Xi suddenly remembered that on Shen Ming's birthday, Jiang Chen seemed to have spoken to Ling Jiuze outside the door.

Jiang Chen took a cigarette and asked Su Xi, "Can I smoke?"

Su Xi nodded, "Please!"

Jiang Chen lit a cigarette, took a sip, and asked with a smile, "Does Jiuzawa know that you are here?"

Su Xi replied, "I don't know."

"Are you still messing around? Because of Shen Ming's birthday?"

Su Xi didn't know the relationship between Jiang Chen and Ling Jiuze and didn't want to say more, so he remained silent.

Jiang Chen asked her, "Do you like Shen Ming?"

Su Xi said bluntly, "I don't like it."

Jiang Chen said unhurriedly, "Then I advise you to stay away from Shen Ming, Shen Ming is not a good person, and his girlfriend is more diligent than changing clothes." And he and Jiuzawa have always been at odds, you and Shen Ming are close, Jiuzawa will naturally be angry.

Su Xi's eyes were clear, and he said quietly, "I owe Shen Ming a favor, so I promised to help him deliver a cake, I didn't know that it was his birthday."

Jiang Chen pondered for a moment and asked, "You said that the debt to others won't be because of Han Xiao's affairs, right?"

Su Xi asked in surprise, "How do you know?"

Jiang Chen smiled lightly, "This circle says that small is not small, big is not big, and everything is known through the mouths of several people." Han Xiao was sent abroad by Shen Ming, but Shen Ming is not the only one who is angry for you.

Su Xi looked at him puzzled.

“After you had an accident, Jiuzawa found out that Han Xiao did it, arrested the person who robbed you and beat her violently, and locked Han Xiao for seven days, almost killing her!”

After Jiang Chen finished speaking, seeing Su Xi showing a shocked expression, he raised his eyebrows and asked, “You don’t know about this?”

Su Xi shook his head, “I don’t know.”

Jiang Chen laughed, “Jiuze is like this, he refuses to say anything when he does it, and he doesn’t know how to coax girls at all.”

Su Xi blushed, “He really didn’t tell me.”

“Since he didn’t say it, you should not know, if he knows that I talk a lot in the middle, he may turn his face with me.” Jiang Chen smiled, “Do you want me to tell him that you are doing things here?” ”

The sweet pursuit Chapter 159-“No need.”

.....

Coming out of the private room, Su Xi was still thinking about Jiang Chen’s words, the person who robbed her was indeed ordered by Han Xiao, that day she heard Ling Jiuze call to check the person behind it, and then he didn’t say anything, she thought he didn’t find out, and the matter was over.

It turned out that he found Han Xiao and was angry with her.

Why didn’t he say?

Su Xi leaned against the wall, his heart was sour and rising, and he took out his mobile phone and wanted to call Ling Jiuze and at least say thank you to him.

However, after a moment of hesitation, the call still did not go out.

It’s been so long, maybe he forgot about it a long time ago.

She will keep this favor in her heart and find an opportunity to return it to him in the future.

Back in the lounge, Yan Xue and several others were there, probably all heard about the 8807 private room just now, and saw that Su Xi's eyes were jealous, jealous, and a trace of jealousy.

Yan Xue tentatively asked, "Su Xi, do you know Jiang Shao?"

Su Xi said lightly, "It's not an acquaintance, friend's friend." Sun

Yue saw that Lin Qingdu was holding back in Su Xi's hands, and his heart was even more breathless, sneering and mocking, "If you know Jiang Shao, you can still be a waiter like us, Yan Xue, you are so funny!"

Others also relaxed when they heard this, what to do and what to do.

In the next two days, Su Xi gradually became familiar with the work and environment on the 8th floor, and it was quite smooth, Sun Yue converged a little, and did not meet a guest like Lin Qing again.

.....

On Friday night, as soon as Ling Jiuze returned home, he received a call from Jiang Chen, "We are in Kaisheng, come out to play."

Ling Jiuze put a suit on his arm and walked upstairs, "Don't go, you guys play!"

"How many times have you not come out and you are in a bad mood?" Jiang Chen asked with a smile.

"Nope!" Ling Jiuze was excited and didn't want to say more.

Jiang Chen smiled meaningfully, "Guess who I saw just now? Ling

Jiuze was not interested, and his voice was lazy, "Who?"

"It's that little girl from your family, she works as a waitress in Kaisheng, and she came to bring us wine just now." Jiang Chen said with a light smile.

Ling Jiuze pulled the hand of the tie for a while, and his eyes narrowed, "You said Su Xi?"

“That’s her! She has been here for a few days, and I saw her a few days ago and forgot to tell you, Lin Qing was embarrassed by her at that time, or I solved the siege for her.

Ling Jiuze’s eyes darkened, and he asked in a deep voice, “Why did Lin Qing embarrass her?”

Jiang Chen said the situation that day, “The little girl is stubborn enough, and she is ruthless enough, Lin Qing’s face is swollen, by the way, I saw Lin Qing also come just now, I don’t know if I will embarrass her again today?”

As soon as his words fell, Ling Jiuze had already hung up the phone.

He looked at his phone, and a meaningful smile curled at the corner of his lips.

In less than half an hour, Jiang Chen was playing cards with the others when he saw Ling Jiuze enter the door.

The others got up one after another, greeted Ling Jiuze and gave up the middle position of the sofa.

Jiang Chen gave up the position of playing cards to others, walked towards Ling Jiuze, sat down, and ridiculed, “Isn’t it impossible to tell?”

Ling Jiuze glanced at him, “How many days has she been here?”

Jiang Chen calculated, “I saw her that day, she said that it was the first day of work, and it should be four days today.”

Ling Jiuze frowned, “Why didn’t you tell me earlier?”

Jiang Chen shrugged innocently, “She won’t let me say.”

Ling Jiuze’s face suddenly sank a little more, and asked, “Where is Lin Qing?”

“At 8803.”

“Let him come!”

The sweet pursuit Chapter 160-Jiang Chen said to the humane next to him, "Call Lin Qing over, just say that Jiuze has something to do with him!"

The man immediately answered and got up and went.

Soon, Lin Qing opened the door and came in, with a smile on his face, and shouted respectfully, "Brother Jiu, you look for me!" Ling

Jiuze let out a "hmm", his voice was not arguably angry, "Come here!"

"Hey!" Lin Qing came closer and said with a smile, "I haven't seen Brother Jiu for a few days, and my father also said that thanks to your help last time, I have time to invite you to enjoy your face and have a meal together."

Ling Jiuze looked lukewarm and asked, "Is there smoke?"

Lin Qing immediately took out the cigarette on his body, handed one to Ling Jiuze, and then picked up the lighter on the coffee table and leaned over to light a cigarette for him.

"Is that how the smoke is lit?"

Ling Jiuze suddenly spoke coldly, raised his leg sharply, and kicked Lin Qingxin's mouth.

Lin Qing was kicked back several steps, hit the wall with a "bang", and then screamed, covering his chest and falling on the carpet.

Everyone in the private room was stunned, I don't know how Lin Qing provoked Ling Jiuze and made him lose such a big temper.

Only Jiang Chen, sitting on the sofa as steady as Mount Tai, smiled at everyone, "Don't worry, play yours!" No

one dares to care, who dares to provoke Ling Jiuze?

Lin Qing slowed down for a while before crawling over and kneeling on the ground on one knee, "Brother Jiu, I know it's wrong, I don't dare to move that little girl in the future!"

He is greedy, but not stupid, Jiang Chen is here, plus what Ling Jiuze just said, what else does he not understand?

Ling Jiuze was condescending, looked at him coldly, and his thin lips lightly opened, "Roll, don't let me see you here in the future!"

"I'll roll, I'll roll now!" Lin Qing immediately got up, took a few steps back, turned around and ran out in a hurry.

"Are you killing chickens and monkeys?" Jiang Chen reached out and poured him a glass of wine, and Yan Yan said with a smile, "Obviously angry, and you want to clear the way for her to overcome the thorns, what kind of riot are you?" Chasing girls is not like this!

Ling Jiuze looked unhappy and don't mess with me, and took the cigarette point, "Which eye do you see that I am chasing her?"

"Don't admit it!" Jiang Chen glanced at him, "It's been tight!" Ling

Jiuze inadvertently swept towards the door, a little absent-minded, "Qiming Communications has been digging the bottom recently, most of the funds have flowed out, I'm afraid I have to run away, what do you think?"

Jiang Chen sneered, "His old club is staring at the back, he can't run!" The

two talked for a while, someone knocked on the door, came in, and asked a few people who were playing poker in front of them, "Do you want to open this wine now?" Ling

Jiuze turned his head to look, swept the girl's face in the dark light, and quickly lowered his eyes, smoking casually.

Jiang Chen smiled and spoke, "Su Xi, over here, it's the wine I want!"

Su Xi came over with the wine, the dark light was turned on in the private room, and there were three or four people on the sofa, Su Xi only saw Jiang Chen at first, and said with a warm smile, "Mr. Jiang, do you want to open the wine?"

Jiang Chen said with a smile, "Open it, fill it for President Ling first!"

Su Xi was startled and looked beside him, only then did he see Ling Jiuze and his eyes were slightly suffocated.

Ling Jiu looked at the phone, did not look up, and said faintly, "Pour."

Su Xi nodded slightly, opened the wine, poured it into the wine glass, and placed it in front of Ling Jiuze.

Jiang Chen turned around and smiled, "Why are you still cold face, Lin Qing didn't light a cigarette well just now, you also taught him a lesson, and you are angry?" Su

Xi was stunned when he heard this, and looked up at Ling Jiuze, he had just taught Lin Qing a lesson?
