

Read Novel The Sweet Pursuit Chapter 19

The sweet pursuit Chapter 19-What she said was explicit, Xu Yiyi was a little embarrassed, originally wanted to deny it, but the thought turned, just smiled implicitly, "I don't know why he likes me?"

Su Xi turned his head and glanced at the woman named Yiyi.

At first, I felt a little familiar, but soon remembered, Cheng Yiyi chased a fairy drama before, Xu Yiyi played a princess in it, there are not many scenes, but it is more outstanding, Cheng Yiyi also said that it is a pity that she has not been popular.

The woman in blue she also remembered, she was also a little star, called An Tong.

An Tong did not hide the envy on his face, "There is Ling Jiuze, you don't want anything yet. In the future, you will become a movie queen, but don't forget to take me with you.

Xu Yiyi smiled reservedly, "What's the use of me to carry you, don't you have Lu Mingsheng?"

An Tong's eyes flashed, he applied lipstick to the mirror, and said proudly, "It took me so much thought to break through President Lu's heart, and it's hard to ask for it now."

Xu Yiyi said with a light smile, "If you don't mention it, President Lu will also give it to you!"

An Tong's lips were red, and he said angrily, "He only bought me some jewelry and bags, but he refused to give me a good role." It was the second female last time, or I spent one night coaxing him, and he agreed.

"Lu is always afraid that your wings will harden and ignore him!" Xu Yiyi quipped.

An Tong pursed her lips and smiled coquettishly, "No matter how hard my wings are, I can't escape his palm!" The

private rooms in the store have bathrooms, so few people come here, the two chatted unscrupulously, and just about to leave, they heard a cold voice behind them, "Stop!"

Both were startled and turned around sharply.

Behind him is a hollow wooden door with a roof, Xu Yiyi and the two came here for the first time, did not understand the structure here, and thought it was a wall, so they did not taboo when speaking, but they did not expect it to be a door.

The two looked at each other, not knowing how much Su Xi heard, An Tong spoke first, "Who are you?"

Su Xi approached and looked at An Tong coldly, "Are you and Lu Mingsheng real?"

An Tong was immediately relieved, it turned out to be one of the many women who adored Lu Mingsheng.

She rolled her eyes and put her hands around her chest, "What's the matter with you?" President Lu hates stalkers the most, you better not trouble me, otherwise he will see it later, I can't help you!"

Su Xi raised his eyebrows, "He's here?"

An Tong raised his chin, "Yes, it was President Lu who brought me here to eat."

"Take me to him!" Su Xi said.

An Tong smiled disdainfully, "Who are you?"

Without saying a word, Su Xi grabbed her neckline, pulled open the door, and pulled her out.

An Tong was taken aback, stumbling behind Su Xi, she was one meter and seven meters tall, a little taller than Su Xi, but in Su Xi's hands, she had no spare strength to struggle.

"Let go of me, you let me go!" An Tong tried to hit Su Xi with the bag in his hand.

Su Xi's eyes were cold, and she threw her against the wall, An Tong's head hit the wall, screamed, and the whole person went limp.

Xu Yiyi's legs were not sharp, and he caught up with him slowly, reaching out to grab Su Xi's arm, "What are you, let her go!"

Su Xi flicked his arm, Xu Yiyi stumbled back, also hit the wall, and exhaled loudly.

Sister Li, Xu Yiyi's agent, ran over, helped Xu Yiyi get up, and shouted angrily, "Where is the security, come people, come people!" The

security guards in the store and the waiters passing by all ran over and stopped Su Xi, "This young lady, no matter what the reason, you can't hurt people here, otherwise we will call the police!"

Su Xi was still holding An Tong in his hand, his face was snow-white, and his cold eyes were full of anger, "Get out of the way!"

Xu Yiyi saw a familiar figure passing by, and immediately shouted, "President Xu!"

Xu Chen walked over, looked at the chaos in front of him, and asked in amazement, "What's going on?"

Xu Yiyi's tears flowed, and she shook her head weakly, "I don't know, I ate here with Sister An Tong, and that young lady was indiscriminate, and she beat people when she came over." Sister

Li supported Xu Yiyi and was angry, "We have just a little bit of Yiyi's legs, we could have filmed next month, but this time it may be serious again."

Xu Chen's eyes sank, and he said in a low voice, "President Ling is also eating here, I'll go over and say something."

Xu Yiyi is the person arranged by Ling Jiuzhe to come in, Xu Chen naturally thinks that Xu Yiyi and Ling Jiuzhe have a relationship, and now that Xu Yiyi is injured again, Xu Chen feels the need to talk to Ling Jiuzhe.

Xu Yiyi's eyes lit up when he heard Ling Jiuzhe here, "President Ling is also there?"

"Yes, I'll come when I go!"

Xu Chen glanced at Su Xi not far away, turned around and walked quickly towards Ling Jiuzhe's private room.

Sister Li here knew that Ling Jiuzhe was there, and her arrogance suddenly rose a little more, and she shouted to the security guard who stopped Su Xi, "Stop her, don't let her run!"

Su Xi turned around and threw An Tong aside, his tone was cold, "Looking for someone, right?" I'm waiting!

"What's going on?"

Jin Dan heard the clerk's prayer, walked over quickly, stood beside Su Xi, and said in amazement, "Xixi? What happened? The

clerk briefly explained the situation, and they did not understand the specific reason, only knew that Su Xi injured An Tong.

Jin Dan apologized to Xu Yiyi, "I'm really sorry!" Xixi is young, the start is not serious, the two should give me a face, don't calculate with her, today's meals and drinks are all paid by me, it is considered to be atonement, if the two are injured, I am also fully responsible. Sister

Li sneered, "No wonder it's so arrogant, it turns out to be a friend of Boss Jin."

Jin Dan was neither humble nor arrogant, "Yes, I didn't take good care of it." Sister

Li's face was tense, "It's useless for anyone to intercede today!" I thought we were good at bullying, and I will let you know today that there are some people you can't afford to mess with!

Jin Dan's face faded, and without Fang Cai's good temper, he smiled indifferently, "Then ask Miss Xu's friend to come out, I also see which mountain Miss Xu is leaning on?"

Xu Yiyi's gaze sank, and the corner of his lips outlined a seemingly innocuous sneer.

An Tong got up against the wall, slowly moved to Xu Yiyi's side, and looked at Xu Yiyi with his back to Su Xi inquiringly.

Xu Yiyi hooked his lips slightly, and said in a voice that the two could hear, "President Ling happens to be eating here."

An Tong's eyes suddenly lit up, turned around sharply, and pointed at Su Xi with a high tone, "TM's no one should go today, if you don't let you go sideways, I will call your ancestor!" "

.....

Xu Chen found the private room, knocked on the door and entered, Under everyone's attention, he walked in front of Ling Jiuze and leaned over and whispered, "President Ling, come out."

"What's going on?" Ling Jiuze asked.

"Miss Xu was injured by someone, and the other party is still holding on." Xu Chen said.

Ling Jiuze had long eyes like ink, and asked quietly, "What kind of person?"

Xu Chen shook his head, "I don't know, but it's quite arrogant." Ling

Jiuze bowed his head, stood up, and walked towards the door.

The two went out of the private room one after another, and Shen Ming picked up the fox eyes, "Is it President Ling's woman?"

Zhao Tianhai said with a smile, "It should be!"

Shen Ming suddenly smiled, "Then I have to go and see how beautiful a woman who makes President Ling so nervous is!" "
