The sweet pursuit Chapter 20-The people watching the bustle in the corridor have been cleared by Jindan, only the security guards in the store are surrounded, and the chandelier above their heads emits a warm yellow light, but the atmosphere is tense.

When Ling Jiuze came over, everyone subconsciously retreated to both sides and gave way to the middle road.

Xu Yiyi was supported by Sister Li to step forward two steps, tears flashed when she looked at Ling Jiuze, weak and lovely, and her tone was aggrieved and guilty, "I'm sorry Mr. Ling, I disturbed your meal."

"What's going on?" Ling Jiuze asked, raised his eyes to look at the opposite side, and when he saw Su Xi, his eyes narrowed slightly.

Jin Dan didn't expect it to be Ling Jiuze, his face changed slightly, and he took a wrong step to protect Su Xi behind him.

No wonder Xu Yiyi is so fearless!

Sister Li was busy telling the ins and outs of the matter, and naturally added oil and vinegar, such as Su Xi hitting Xu Yiyi and slamming her against the wall, Xu Yiyi's leg injury was just a little better, and now it is serious again.

Su Xi also saw Ling Jiuze with calm eyes, but he didn't expect that Xu Yiyi was really his lover!

Jin Dan protected Su Xi and spoke, "It turns out that Miss Xu is a friend of President Ling. My friend accidentally injured Miss Xu, and I will definitely be responsible for this matter.

"Are you in charge?" Sister Li's tone was harsh, "We Yiyi could have entered the crew next month, she is an important role, now the leg injury has recurred, I don't know how long to delay, the entire crew has to stop work and wait, how can you be responsible!"

"How do you want to be responsible, let's listen!"

There was a mocking sound behind everyone, Shen Ming walked over, with an evil aura that seemed to be smiling, walked straight to Su Xi's side, and

looked up and down with concern, “Baby, are you injured?” If you lose a hair, I’ll let them all fall out!”

Everyone was stunned, Jin Dan saw that Shen Ming and Su Xi seemed to be very close, turned his gaze, took a step back, and gave up his position to Shen Ming.

Su Xi raised his eyebrows, I don’t know what Shen Ming wants to do?

Shen Ming stood beside Su Xi in the posture of guarding, his face became cold, and he stared at Sister Li, “Say, how do you want my baby to be responsible?” Shen

Ming’s reputation in the entertainment industry is greater than that of first-line male stars, and Sister Li naturally knows him, but she didn’t expect to meet him here, her face turned white, and she didn’t dare to speak!

Shen Ming sneered disdainfully, “Don’t hide from you, my baby hates you the most, I haven’t read a few books, I am full of male prostitutes and female thieves, and I know to show off my wealth every day.” I don’t care who the gold lord behind you is, if you make my baby unhappy today, no one can think about it well!

As soon as his words fell, Xu Yiyi and An Tong’s faces changed, becoming ugly and embarrassed, with hatred hidden in their eyes, and they couldn’t wait to step forward and tear Su Xi apart.

Su Xi secretly took a breath, just now he didn’t know what Shen Ming was going to do, but now he understood that he was clearly taking the opportunity to take revenge on her!

And he and Ling Jiuze also seem to have contradictions, directly pulling him into the water together.

She turned her head to look at Shen Ming, he just lowered his head, gentle and charming smile, “With me, don’t be afraid!”

Su Xi’s eyes were cold and clear, and he spoke meaningfully, “I’m not afraid, just don’t be afraid!”

Shen Ming's smile froze, and then he raised his hand to rub her hair spoiledly, and his smile deepened, "It's okay, for you, I am also willing to go to the soup!"

Su Xi also smiled, "I'll give you this opportunity!" The

two spoke in low voices, and Shen Ming's movements were intimate and gentle, as if he was a real lover.

Jin Dan looked at Shen Ming suspiciously, the two looked like boyfriend and girlfriend, why did his words just now sound like hatred for Su Xila!

Among the people, only Ling Jiuze was calm, his long eyes were deep, and he couldn't see what he was thinking.

There was a dead silence for three seconds in the corridor, and Ling Jiuze, who had not spoken, suddenly walked towards Su Xi, stopped in front of her, looked at her with downcast eyes, and said warmly, "When you see me, why don't you say hello?"

Everyone was shocked again, she and Ling Jiuze also knew?

Su Xi looked into his eyes, did not hesitate, and shouted, "Second uncle!"

Everyone, "...!" The

wanton smile on Shen Ming's face fell a little, and he suddenly turned his head to look at Su Xi.

Su Xi smiled at Shen Ming and introduced him, "My second uncle, you can also call the second uncle!"

Shen Ming, "..."

He suspected that Su Xi and Ling Jiuze were tricking him together, although he had no evidence!
