The sweet pursuit Chapter 21-Ling Jiuze also looked at Shen Ming, his posture was relaxed, and he didn't speak, as if waiting for Shen Ming to call his second uncle!

Shen Ming's face was a little tense, and he gritted his teeth and smirked, "Another day, I will come to the door with Xixi to pay a solemn visit!"

Xu Yiyi walked over, looking at Su Xi's gaze had changed, from the previous hatred, to the current gentle and kind, smiled and spoke, "It turned out to be President Ling's niece, what a big misunderstanding!" Sister Li has a quick temper, and the words are not serious, so don't go to your heart. Sister

Li quickly apologized, "I really don't know if you are President Ling, in short, I am not good."

An Tong also came over, sincerely afraid, "Miss Xixi, I'm really sorry!"

Because of a "second uncle", in an instant, everyone changed their faces.

Su Xi's eyes were cold, "Miss An shouldn't call me Xixi, but should call me, ancestor!"

An Tong's face turned white!

She just thought that Ling Jiuze would support Xu Yiyi and release cruel words to Su Xi, if Su Xi didn't go out sideways, she would call Su Xi Ancestor!

I didn't expect that the big talk was early, and the person was Ling Jiuze's niece, who was much closer than Xu Yiyike.

And I don't know what's going on, she feels that Su Xi has always targeted herself, could it be that Ling Jiuze's niece likes Lu Mingsheng?

Xu Yiyi said with a smile, "Everyone was angry just now, and they spoke heavier, Miss Xixi don't mind."

An Tong blurted out, "Yes, you just farted with me!"

Shen Ming sneered and said sarcastically, "Sure enough, it is an actor, and the acting skills of the rudder are first-class." Xu

Yiyi and An Tong's faces were not good-looking.

"What happened?" A cold voice suddenly came from behind everyone.

Jin Dan turned around and immediately shouted, "Yangyang, you are here!"
Sheng

Yangyang had been stuck by Lu Mingsheng just now, and hung up the phone to find Su Xi, only to find that something had happened.

She walked in front of Su Xi, her eyes swept over An Tong's people, "What's wrong?"

An Tong's face changed suddenly the moment he saw Sheng Yangyang, and he turned his head sharply to avoid it, and said to Xu Yiyi, "Yiyi, I still have business, go first!"

After
that, he pushed away the security and ran away in a hurry.

Xu Yiyi looked at An Tong's back in amazement, her eyes were cold, An Tong was leaving herself here!

"It's all right!" Jin Dan smiled and said hello to Sheng Yangyang, and turned to look at Xu Yiyi, "Does Miss Xu's leg still hurt, do you want me to send a car to send you to the hospital for examination."

Xu Yiyi hurriedly said, "It's okay, it won't hurt anymore."

After
speaking, he turned his head and said softly to Ling Jiuze, "Don't delay President Ling, I'll go first." Ling

Jiuze said "um", and Sister Li immediately left with Xu Yiyi.

"Why did I run away all the time?" Sheng Yangyang laughed, with a bit of coldness in his smile.

Jin Dan smiled lightly, "It's probably that your appearance is scary!"

The matter has been settled, Ling Jiuze looked at Su Xi lightly, "Come to dinner with friends?"

Su Xi nodded, "Yes."

“Then go ahead, call back.” Ling Jiuze’s voice was magnetic and low, as good as ever.

“Okay, then I’ll go first!”

Su Xi nodded slightly, did not look at Shen Ming, and left with Sheng Yangyang

Jin Dan followed the two of them, and by the way, the security was also removed.
