The sweet pursuit Chapter 25-He thought that Su Xi would take the opportunity to teach him a lesson, telling him that good students can't fight.

Su Xi nodded sincerely, "Of course, you help the bullied classmates, isn't this a righteous and courageous act?"

Ling Yihang's pure eyes lit up for a moment, and then he said dejectedly, "But I broke their heads, their parents found them, and the teacher asked me to call their parents to school in the afternoon."

"Your teacher doesn't know that you are the Ling family?" Su Xi asked.

Ling Yihang nodded, "There are so many people with the surname Ling in the school, and the names of my parents are written in my file, and my parents are very low-key."

Su Xi understood, "You want me to impersonate your parents?"

"Smart!" Ling Yihang smiled and revealed his freshly grown front teeth.

Su Xi also laughed, "No!"

Ling Yihang's smile froze, "Why?"

"First, I'm not your parent, if your second uncle knows, my job will definitely not be guaranteed!" Su Xi looked straight, "Second, after all, I am also your teacher, and I can't help you cheat the teacher."

"You don't say no one will know!"

"That doesn't work either." Su Xi's attitude was resolute, and he asked suspiciously, "Why don't you go to your second uncle?"

Ling Yihang lowered his eyes, "My second uncle promised me that if I don't make a mistake for a week, he will personally teach me to ride a horse on the weekend."

Su Xi said, "But there is a reason for this incident!"

Ling Yihang shook his head, "My second uncle is very principled, if he is wrong, he is wrong, no matter what the reason!"

Su Xi shrugged, "Then it will be difficult!" Ling

Yihang rolled his eyes and said to Su Xi, "You came to my house to be a tutor, how much money does my second uncle give you?"

"Eight thousand pieces, what's wrong?"

"As long as you are willing to help me, I will go and tell the second uncle that you taught very well, and let him double your salary, how about it?"

Su Xi took a sip of water and raised his eyebrows, "What you say counts!"

"Of course!" Ling Yihang affirmed.

Su Xi's heart was moved, eight thousand yuan, you can add ninety-six thousand a year, and it is a small step closer to buying Qingyuan.

"But who am I impersonating, your grandmother?" Su Xi asked suspiciously, she could pretend to be older, but she was afraid that the teacher would be suspicious.

Ling Yihang looked at him for a moment, went back to his bag and took out his mobile phone, "I'll call my second uncle now, you want to be a!"

"Poof!"

Su Xi sprayed out a mouthful of water, and while going to get a tissue, he went to block Ling Yihang, "Stop, otherwise I will regret it!"

Ling Yihang was fearless, "If you dare to repent, I will tell my second uncle, you want to take advantage of him!"

Su Xi had an innocent expression, "Then who am I pretending to, your teacher should have seen your mother, right?" Ling

Yihang immediately said, "I already thought about it, you are pretending to be my second aunt!"

Su Xi's eyes widened, "..."

She wants to impersonate herself?

The two looked at each other like this for three seconds, and Su Xi spoke first, "If your second uncle knows, I think not only will he not give me a salary increase, I'm afraid he will sweep me out!"

"He won't know!"

"Are you sure?"

"Definitely!"

Su Xi took a long breath, considered for five seconds, and looked tragic, "Okay!"

Ling Yihang succeeded, very happy, "In order to express my gratitude, I invite you to eat, whatever you want, order whatever you want."

Su Xi opened the meal list, and suddenly had the feeling of being sent to the severed head meal.
