The sweet pursuit Chapter 4-Ling Jiuzhe asked Ming Zuo to check the woman who jumped out of the window that day, and Ming Zuo went to check the monitoring of Tianyue Mansion for the first time.

Strangely, the monitoring at seven and nine o'clock was blank, and even the security personnel of Tianyue Mansion could not explain what was going on, only guessing that the Internet was probably cut off at that time.

But Ming Zuo still found a person, Xu Yiyi.

Xu Yiyi is an eighteen-tier actor, taking the pure and feminine route, has been tepid, you can see in the monitoring that yesterday evening she entered Tianyue Mansion at 6:50 and walked towards the direction of the Hefeng Pavilion, and the monitoring record after that has a blank, and you can't see which room she went to specifically.

At nine fifty, Xu Yiyi's agent helped her to appear from downstairs of the Lotus Pavilion, her leg was bent, her expression was painful, and she was obviously injured.

Because the records after that were gone, Ming Zuo couldn't see what car Xu Yiyi was sitting in to leave Tianyue Mansion, so it took some time to find out which hospital Xu Yiyi was living in, and her left leg had undergone surgery overnight last night.

Ming Zuo has also seen the medical records, and it was a fall.

It was night, in room VIP706 of the Affiliated Hospital

of Jiangcheng Medical University, the woman lying on the hospital bed clasped her hands together, and looked at Ling Jiuzhe on the opposite sofa with some anxiety, "President Ling, what is the matter with you?"

"How did you break your leg?" Ling Jiuzhe looked at her and spoke lightly.

Xu Yiyi was in a plaster cast on one leg, his eyeballs flashed under his half-drooping eyelids, and he whispered, "Is it related to President Ling?"

"You don't have to hide it, I asked people to check the surveillance, last night at about nine o'clock, your agent helped you to leave in the car, your leg was

already broken, and the person who jumped in my room that night was you, right?" Ling Jiuzhe spoke indifferently as usual.

When it comes to the privacy of guests, Tianyue Mansion does not have a camera pointed at the window of the room, so it is not clear where Xu Yiyi jumped from, but her whereabouts obviously match the events of that night.

Xu Yiyi was stunned, looked up, there was still a dazed under his eyes, but his mind had begun to turn sharply.

The agent standing next to him could not interject, and the atmosphere did not dare to come out.

Ling Jiuzhe folded his legs and said quietly, "You don't need to be afraid, I said, you helped me, I will compensate you!" Ming

Zuo put a card on the table, and his face was cold, "There are ten million in the card, don't mention the events of that night."

Xu Yiyi bit her lower lip and said after a while, "I don't want money, I was at that time, I volunteered, and please rest assured that I won't say it to anyone."

"I mean what I say, you don't want money, you can also make other requests." Ling Jiuzhe spoke.

Xu Yiyi saw that the agent made a look at her, her hand was tight, and she thought carefully, "I don't want anything, if Ling can always look at me, he will treat me as a friend in the future,"

Ling Jiuzhe interrupted her in a cold tone, "I think it's better for you to make some more practical requirements!"

Xu Yiyi's face turned a little pale, her expression was cramped and embarrassed, and she thought about it, "I don't want to stay in the current company, is there a way for Ling?"

Ling Jiuzhe paused for a moment, "Are you willing to come to Shengyu Media, a subsidiary of Ling's?" The

economic man's eyes suddenly lit up, Shengyu is one of the top entertainment companies in China, and has won countless first-line artists, entering Shengyu, not worrying about no resources!

Xu Yiyi's eyes were soft, and he nodded slightly, "Thank you President Ling!"
Ling

Jiuzhe got up, "I will let Xu Chen of Shengyu contact you to sign the contract, as for the liquidated damages between you and the current company, he will help you solve it."

Xu Yiyi thanked again, his voice was delicate, and his face was pale because of his injury, and he looked very moving.

When Ling Jiuzhe left, he suddenly turned around and asked, "Why did you go to my room last night?"

Xu Yiyi was stunned for a moment, and quickly said, "I was going to go to the next door to audition, but I went to the wrong room." "

.....

Ling Jiuzhe left for a long time, Xu Yiyi did not come to her senses, of course, she remembered the events of last night clearly.

She tried a new play, the assistant director asked her to go to Tianyue Mansion to discuss in detail, and when she entered the room, she heard the waiter say that the next door was Ling Jiuzhe's dedicated suite, and she deliberately looked at it twice.

She waited in her room for nearly an hour before the assistant director returned drunk.

Talking about what drama, it is clear that he wants to take advantage of her.

She preferred to die, struggled for a long time, and finally hid under the window, closed her eyes and jumped.

Before Ling Jiuzhe came, the agent was training her in the room, if she wanted to stand out in this circle, don't think about anything out of the mud and not clean!

The agent also reacted at this time, "President Ling recognized the wrong person? It's okay if we lie to him, right?"

Xu Yiyi's face turned snow-white, and he clenched the quilt, "Otherwise, will you be slept by that fat pig-like assistant guide?" "

Signing a contract with Shengyu, this temptation is too great, and what makes her more exciting than this is that she can climb the relationship with Ling Jiuze!

The economic lifeline of Jiangcheng, the controller of the Ling family, and even the entire C country, from the government to the business, which is not the final say of their Ling family, if she can win Ling Jiuze's favor, she doesn't have to worry about anything!

God arranged it this way, helped her like this, why did she push it out?

Think about being able to trample those who looked down on her before, think that those who are high up will come to bother her in the future, what about gambling?

She was not afraid that Deputy Director Chen would debunk her, she suddenly jumped off the building that night, Deputy Director Chen was frightened, and now he wished that he would not have anything to do with him!

Here Ling Jiuze went out of the hospital, sat in the car with a dull face, did not expect that it would be a small actor, and he looked good, but he was inexplicably a little irritable and disappointed in his heart.

Probably because of this sudden irritability, he felt bored by her humiliating him with a hundred dollars, and did not want to pursue it anymore, but just wanted to end it as soon as possible.

.....

On Saturday, after the last class in the morning, Su Xi took the car to Su's house.

The Su family is in the Huanhua villa area of Nancheng, and there is no bus to arrive, so Su Xi can only take a taxi.

It was already eleven o'clock when I arrived at Su's house, the sky was gloomy, and there was rain about to come, and the maid Sister-in-law Zhang opened the door and saw that it was Su Xi, and pulled the corners of her mouth, "The eldest lady is back!"

Su Xi nodded slightly, changed his shoes and walked inside.

Sister-in-law Zhang's attitude was lukewarm, "Sir took Madame out, wait a while to come back, you sit by yourself first."

"Is my sister coming?" There was a surprise sound from upstairs, and then a young girl rushed down the stairs, her beautiful face was full of smiles, and soon arrived in front of Su Xi, "Why did my sister come, I've been waiting for you all morning."

Su Xi greeted with a smile, "Su Tong."

Sister-in-law Zhang smiled at Su Tong, "Miss, the dessert in the kitchen is ready, do you want blueberry mousse or chocolate?" "

"I'll talk later, you go get busy, I'll talk to my sister." Su Tong smiled sweetly.

"Hey!" Sister-in-law Zhang respectfully responded, and glanced at Su Xi when she left, before turning around and going to the kitchen.

Su Tong's hair just made, holding a pair of sharp and thin scissors in his hand, turned sideways to show Su Xi, "Mother pulled me to accompany her to do her hair early in the morning, if you have to change my hairstyle, does my sister think it looks good?"

Su Xi nodded, "Good-looking."

Su Tong touched the hair under the root of his ear, "I just looked in the mirror for a long time, I always feel that the cut here is not good, I cut it myself and cut it again or I am not satisfied, my sister help me cut it."

Su Xi glanced at the scissors handed over, took it, and asked, "Where?"

"It's the root of the ear here, I pinched, my sister helped me cut it." Su Tong turned sideways, tilted his head slightly, and pointed to a strand of hair under the root of his ear.

Su Xi took the scissors and was just about to cut it down according to the place Su Tong said, when he heard a frightened voice from the door,

"Su Xi, what are you doing!"
