

Sacred Body 1021

[Chapter 1021: Gods and Demon Ants fight to eat God insects, Swire's top Zerg showdown](#)

Not only the saint of blood, but also the heavenly arrogances of other royal families.

One by one, their heads exploded and died.

For these people, Jun Xiaoyao naturally won't have the slightest pity.

Looking at the royal family Tianjiao who was still aloof before, and regarded them as ants, died.

Don't mention how refreshing these slave creatures are.

As for the origin of Jun Xiaoyao, they are also clear about it.

Because Jun Xiaoyao was in a foreign land during this time, he was so famous.

It can be said that up to some unspeakable places of the ultimate emperor creatures.

Down to the humble slave creatures.

They all know that they have created an unparalleled chaotic body.

The first person to gain a ray of life in the hands of the emperor in the supreme realm.

Rao Tuobayu could not have imagined that this divine envoy could have such a big background!

"The Lord God Envoy turned out to be the Chaos God of War!"

Tuobayu was so excited that his pupils trembled.

The **** of destiny and creation is against the sky!

Even a divine envoy who appeared casually was an unparalleled chaotic body.

"Unexpectedly, the true identity of the Lord God Envoy is the unparalleled God of War." Tuoba Lan's beautiful eyes are also colorful.

At this moment, the beliefs in the hearts of all slave creatures became more steadfast.

In an instant, Jun Xiaoyao realized that in the universe within himself.

The power of faith has skyrocketed.

And it has become more refined than before.

The corners of Jun Xiaoyao's mouth show a slight curvature.

This is why he is willing to come here to help himself.

Otherwise, Jun Xiaoyao wouldn't bother to care about the life and death of those slaves.

Seeing the fallen blood spirit saint and others, the Emperor God Devourer didn't blink his eyes.

These royal creatures are nothing but coolies he calls to work casually.

If you die, you die, and it has nothing to do with him.

"Since this is a Chaos Body, she should be King Luo from the God of War Academy."

The Emperor Devourer looked at Luo Xiangling.

His expression became extremely solemn, knowing that he was in serious trouble today.

"Damn it, how come these people come here, and even stand up for these slaves." The Emperor God Devourer was puzzled.

But on the surface, he still smiled without a smile.

"Who I am, turns out to be the **** of war who has gained fame recently."

"You hurt my person, how can this be resolved?" Jun Xiaoyao went straight in.

"Why, dignified Lord War God, will it have something to do with these humble slaves?" The Emperor God Devourer said lightly.

"What's wrong with the slaves? Isn't the life of the slaves dead? What's more, I am still an envoy of the gods of destiny and creation. I should take care of their suffering."

Jun Xiaoyao said righteous words.

"My Lord God Envoy!"

Tuobayu, Tuobalan and others, as well as the patriarchs of the major slave tribes, all had red eyes.

The God of War, who was so high above that even the emperor clan folded his waist in front of him, cared and sympathized with them in such a way.

At this moment, millions of slave creatures are full of crazy and devout worship and belief in Jun Xiaoyao and the God of Destiny.

Jun Xiaoyao's acting skills, even Luo Xiangling's quasi-immortal can fall.

Let alone fool these slave creatures.

But Jun Xiaoyao did indeed save their lives, not a complete deception.

"Your words"

The Emperor God Devourer felt something was wrong instinctively.

This unprovoked god, there is still a divine envoy?

And also the famous Chaos God of War?

Thinking about it, I feel a little absurd and unbelievable.

Even the Emperor God Biter had a vague feeling of being pitted.

He showed a ray of vigilance and said: "In this case, for the sake of you and King Luo, I will spare those slaves."

Compared with the sacrifice of the ring of devouring the gods, Jun Xiaoyao and King Luo are even more unprovoked.

After that, the Emperor God Devourer turned around and was about to leave.

"Hold on."

Jun Xiaoyao's voice came out.

"Is there any advice?" God Biting Emperor said indifferently.

"The one who killed me

Wouldn't it be too simple to want to leave like this?" Jun Xiaoyao said.

Divine Emperor Son is his resource.

The Devouring Immortal Qi in Jun Xiaoyao's body is still about to move, how could he let this leek go away?

"Enough, do you want to be my enemy for these humble slaves?"

The supreme aura of Emperor Chuan God also erupted.

He is afraid of Emperor Xiaoyao, but it doesn't mean that he will be like a coward.

As the emperor of the imperial clan, he is one of the seven emperors.

Does he want face?

"Let me deal with him!"

Suddenly, a tender voice of milky milk sounded.

"Ok?"

The eyes of Emperor Devourer God converged.

In front of Jun Xiaoyao, a purple-gold ant about the size of a little finger appeared.

The body is golden, made of purple gold with a trace of the gods, and it is extremely gorgeous.

"This is the sacred ant!"

Divine Devouring Emperor Zi's pupils shone, and the hole shot out a terrifying beam.

Divine Demon Ants and Divine Devouring Insects are the highest zergs handed down in the ancient times.

There are even records in ancient legends.

If these top-level Primordial Supreme Zergs swallow each other.

In the end, there may be an eternally invincible worm emperor!

The Gods and Demons Ants, the Devouring Insects, the Ten Transformation God Silkworms, the Primordial Emperor Butterfly, the Sky Splitting Demon Butterfly, and the Heavenly Dream Mi Butterfly are all Primordial Alien Species and are eligible to join this battle for hegemony.

Of course, this is just a legend and has not been confirmed.

Now, seeing this **** and demon ant, the eyes of Emperor Chuan were cold.

Although he coveted the Chaos Body, he knew that it was impossible to swallow him.

But if the **** and demon ant can be swallowed, it will also have great benefits for the emperor of the god.

The same is true for the little gods and demon ants, and their fighting spirit is full.

The opposite is the same as him, the same God-eater of the Primordial Zerg.

If you can defeat him and refine his power, it will also be of great benefit to the little **** demon ant.

"The gods and devil ants are creatures in the fairyland, you" the emperor of God Biter looked at Jun Xiaoyao.

"He is a war servant I conquered in Bianhuang, is there a problem?" Jun Xiaoyao smiled lightly.

"Stop talking nonsense, UU reading www.uukanshu.com devours the worm, I want to suppress you!"

The little **** demon ant yelled and shot directly.

The small fist seemed to carry the terrifying power of destroying the nine heavens.

The magical powers of the gods and monsters come out!

"presumptuous!"

Emperor Chuan had an ugly face.

Jun Xiaoyao said that the **** demon ant is his war servant.

And now, the Servant of War shot him.

Invisible, doesn't it mean that the Emperor Zhuozi is only worthy to fight against Jun Xiaoyao's war servants?

The emperor God Devourer's eyes were cold, and he raised his hand to kill him.

The black and faint light beam shot out, annihilating all surrounding matter.

This is the exclusive devouring power of God Devourer.

The two great divine insects of Taikoo collided with each other, and the fluctuations were extremely shocking.

Although the body of the little **** demon ant is small, but the blood is full of blood, it directly condenses the magic image of the demon ant.

The blood-colored ant that has been extremely huge, emerges in the void, and can collapse the sky!

The Emperor God Devourer also frequently uses extreme moves. Behind him, the Supreme Law condenses and turns into a black hole, as if it can swallow the heavens and the world.

The contest between the two divine worms has been turbulent.

But what makes the Emperor God Eater look ugly.

He couldn't suppress the little **** demon ant unexpectedly.

Of course, the little **** demon ant could not suppress him either.

This is a kind of humiliation for the Emperor God Devourer.

After all, the little **** demon ant is just Jun Xiaoyao's war servant.

And he is the Seven Little Emperors!

Seeing such a battle, Jun Xiaoyao's eyes were pierced.

Suddenly he had an idea in his mind, is it possible for the little **** demon ant to swallow other Primordial Zergs in the future and finally transform into the eternal insect king?

This is not impossible.

"But now, let's end it all." Jun Xiaoyao muttered to himself.

He directly explored his hand and slapped it, the chaotic big mudra condensed, blessed the gods and demon's powerful supernatural powers, collapsed the sky with a palm, and pressed against the god-chewing emperor!

[Chapter 1022: Kill the God-Emperor, strip off the Law of Swallowing, the 5 Vein King...](#)

"Jade Xiaoyao, you!"

Seeing that Jun Xiaoyao's Chaos Handprints came under the cover, the Emperor Chew God screamed.

He was a little surprised to find out.

What Jun Xiaoyao displayed was also the magical power of the gods and demons in the line of the gods and demons.

And it is even more terrifying than the power displayed by the little **** demon ant!

Rumble!

Those five fingers are like pillars supporting the sky, and the haze of chaos is encircled, and even the palm prints are clearly visible, like the lines of the stars orbits of the heavens.

The emperor of Devouring God directly sacrificed his own destiny soldier, Devouring God Ring.

The black lacquered ring, like a black hole, released a terrifying devouring force.

The result was a bang.

The void collapsed.

The Divine Devouring Ring was directly collapsed by Jun Xiaoyao's palm and shook into the distance.

His Chaos Handprints remained undiminished, and directly encased the Emperor God Devouring Son.

Practice!

Jun Xiaoyao secretly urged God Swallowing Demon Art, and a terrifying devouring force burst out.

Want to strip away the swallowing law in the god-eating emperor's son.

"How come, this kind of devouring power!" The Emperor Chew God couldn't believe it.

This swallowing power is actually no weaker than his own swallowing great supernatural power.

He couldn't understand how Jun Xiaoyao could control this swallowing power.

"No, he doesn't just want to suppress me, he wants to deprive me of the law of swallowing!"

The Emperor God Devourer is not stupid, he immediately wanted to understand this.

He is a god-eater, and naturally he condenses and swallows the law to achieve the supreme status.

At the moment, Jun Xiaoyao's behavior is undoubtedly an attempt to pick his peaches.

"Jade Xiaoyao, do you really dare to kill me!"

The Emperor God Devourer was drinking.

He did not bring a guardian because he was going to attend the recruitment meeting.

Coupled with his own identity, no one in a foreign land dared to provoke him.

But now, the emperor of God Biter couldn't think that Jun Xiaoyao was really so bold and wanted to kill him.

Jun Xiaoyao's expression was indifferent, with a hint of sarcasm in his eyes.

"I want to understand this now, is it too late."

Jun Xiaoyao didn't leave any hands.

After these seven little emperors grew up, they were all threats to the fairyland.

One can be removed is one.

Not to mention that he still needs to swallow the law of swallowing in the **** emperor's son, and it is even more impossible to let him go.

"Ahhhhhhh!"

The Emperor God Devourer shouted angrily, directly manifesting the body.

A black faint, terrifying monster with mouthparts like black holes emerged.

Surprisingly, it is the main body of the Devouring God Insect!

Jun Xiaoyao urged the power of Devouring, coupled with the power of Chaos, to envelop the Emperor of God Devouring, and refining frantically.

The Emperor God Devourer is roaring.

He originally wanted to resist desperately, and even blew himself up to devour the law.

As a result, Jun Xiaoyao's move was too sudden, and it was hard to guard against.

Not even the law of self-destruction!

Soon, the law of swallowing in the god-eating emperor's son was stripped away and absorbed by Jun Xiaoyao.

The primordial spirit of the Emperor God Devourer was annihilated.

Before Jun Xiaoyao was in the quasi-sovereign realm, he crucified Emperor Mojie, who was also one of the seven emperors.

Now, Jun Xiaoyao, who has broken through to the Supreme Realm, naturally doesn't have to spend too much effort on the emperor of the same level.

Then, Jun Xiaoyao directly sacrificed the big Luo sword fetus, and slashed towards the god-devouring ring.

The Divine Devouring Ring, which had consumed a lot of energy of the Emperor God Devourer, was directly absorbed by Daluo Jiantai.

The world is silent.

Tuobayu and others were even more shocked.

In their eyes, high above, like a god-like immortal emperor.

Be crushed and killed by Jun Xiaoyao at will!

This impact deeply shook their souls!

In the face of countless crazy worshiping eyes, Jun Xiaoyao looked light.

Killing the emperor was a trivial matter for him.

At this time, the little **** demon ant opened his mouth and said: "The corpse of the **** eater..."

Although the swallowing law in the god-eating emperor's child was absorbed by Jun Xiaoyao.

But the corpse itself is still very attractive to the little **** demon ant.

These Primordial Divine Insects have a kind of instinct that is carved into the blood and swallows each other.

Just like raising Gu, the one who swallows it and survives at the end can become the eternal insect emperor.

"Give you."

Jun Xiaoyao directly threw the body of the God Devouring Insect to the little God Demon Ant.

The little **** demon ant took it happily.

Refining the corpses of various Primordial Divine Insects is extremely beneficial to it.

Here, the creatures of the Five Meridian Royal Family are all dumbfounded.

Emperor God Devourer, that's it?

It's chilling to think about it.

Jun Xiaoyao looked at the five vein royal family.

"I'm all driven by the emperor of God Devourer, please forgive the Lord of War!"

A Tianzun of the Blood Spirit Royal Family stepped forward and said.

Obviously a great god, but bowed to Jun Xiaoyao.

Of course, there is also the reason for Luo Xiangling.

Jun Xiaoyao looked at the five vein royal family.

There is no plan to destroy them all.

It's not because of kindness.

It's because these five-veined royal families are all clumps of green leeks.

They are the best believers.

Jun Xiaoyao's current destiny cult, only penetrated the ice spirit royal family.

The power of faith provided by the royal family is much more than that of the slaves.

"It's not impossible to spare your life, I want your loyalty and surrender." Jun Xiaoyao said indifferently.

"This is the blessing of my family!"

The powerhouses of the Five Vein Royal Family nodded again and again without hesitation.

Their five-vein royal family originally belonged to the lower end among the hundred great royal families.

Otherwise, he wouldn't be the running dog of the God-Emperor Son.

Moreover, Luo Xiangling had already wiped out all the top masters in the five vein royal family.

Now the strength of the five vein royal family has been weakened even more.

Even if they don't follow Jun Xiaoyao, they are likely to be eliminated, or even fall into the ranks of the royal family.

Jun Xiaoyao is now in a foreign land like the sun, and behind him there are top powerhouses such as Shenao King, Luo King, Mysterious Immortal, etc.

Following him, he climbed high.

Jun Xiaoyao nodded secretly.

The strong in foreign lands are respected. As long as the strength is strong enough and the influence is strong enough, it is easy to make others surrender.

These people actually know the current affairs.

"After that, you will take orders from Tuobayu the leader of the slave tribe for the time being, and follow him to believe in the **** of destiny and creation." Jun Xiaoyao said.

"This...good."

Tianzun of Jimai royal family hesitated slightly, but still agreed.

"Also, remember, I hate betrayal. Those millions of traitors are just an example." Jun Xiaoyao's tone was cold.

The five veins of the royal family's creatures all secretly fought a cold war.

The scene where Jun Xiaoyao snapped his fingers and annihilated millions of creatures was deeply imprinted on their hearts.

"Of course, you can also receive the gift of the God of Destiny and Creation, and be able to practice the law he gave."

Jun Xiaoyao still plays the trick of giving a date with a stick.

Sure enough, the creatures of the five-vein royal family were all delighted.

They were also very curious before, why these slaves have become so strong.

Now it seems that it is because of the gift of the **** of destiny and creation.

"My Lord God Envoy!"

Tuobayu and Tuobalan stepped forward, UU reading www.uukanshu.com. When com saw Jun Xiaoyao, he couldn't hide his excitement, his face flushed.

Jun Xiaoyao already exists as a legend in their hearts.

"Develop well, if you encounter obstacles, report my name, I believe that no one will be so uninterested."

"As for the royal family of the five veins, they are all handed over to you." Jun Xiaoyao said.

"Yes, thank you God for your favor and appreciation!"

Lord Mahatma of the dignified Fate Alliance, at this moment, is like a little fan who has been gifted by an idol.

Tuobalan on the side, beautiful eyes are also brilliant.

"The Lord God Envoy is not only a God of War, but also looks so good..." Tuobalan's eyes were a little blurred.

The materials for dreaming at night are available.

[Chapter 1023: The Destiny Sect was officially established, Luo Xiangling's little grudge,...](#)

"After the five-vein royal family merges, I think the name can be changed."

"The Alliance of Destiny is no longer suitable, just call it the Destiny Cult."

"The **** of destiny and creation will bless you. He is watching you."

Jun Xiaoyao bluffed people in different ways.

"Fate God Cult..." Tuobayu muttered to himself, his eyes firm.

"We will certainly not let the Lord God Envoy's expectations be let down!"

Tuobayu and countless slaves all responded in unison, and the sound shook the sky.

Jun Xiaoyao nodded with satisfaction.

Since the Emperor's Court, Jun Xiaoyao once again established a second force of his own today.

Destiny religion.

It just so happens that Jun Xiaoyao himself is also a fateless person.

It matches the **** of destiny.

Although at the moment, Destiny is weak and pitiful, and there is not even a top master.

Unlike the Emperor's Court, at the beginning of its establishment, Xuanzun, super powers of the gods level joined.

However, Jun Xiaoyao is confident that the Destiny Cult will expand into a giant force in the future.

Because religion is often more attractive than ordinary forces.

I'm afraid that even Jun Xiaoyao himself couldn't think of it.

This destiny religion was established in order to facilitate the harvesting of faith.

In the future, it will become a super master who swept across the heavens and worlds, and made hundreds of millions of creatures believe in and worship!

Of course, that's a story.

After the matter was over, Jun Xiaoyao arranged a little bit, and then left directly.

Next, let Tuobayu and others confidently develop believers.

In some royal families, it is also possible to start preaching.

Jun Xiaoyao can already feel that the power of faith in the inner universe is skyrocketing all the time.

It is hard to imagine what existence will be bred by the seed of faith.

In short, Jun Xiaoyao felt that he should not be disappointed.

"Unintentionally inserting willows and willows into the shadows, I hope this destiny will bring me more surprises in the future." Jun Xiaoyao thought.

Afterwards, Jun Xiaoyao did not hurry on the way, but wandered on the foreign land with Luo Xiangling.

Let Luo Xiangling be a tool man this time, so naturally he has to compensate her.

Jun Xiaoyao is also comprehending the swallowing law that was stripped from the body of the emperor Devourer.

He didn't want to change the law of Devouring God's Son into his own.

It is to disassemble, analyze, and comprehend, so as to condense their own laws.

As for the Little God Demon Ant, after refining the body of the God Devouring Insect, it also returned to Jun Xiaoyao's inner universe to undergo transformation.

In just one month, Jun Xiaoyao and Luo Xiangling traveled through the mountains and rivers.

During this period, Jun Xiaoyao's body was once again filled with the power of law.

In his body, the power of the law merged with the Devouring Immortal Qi.

A whole new law emerged.

Hei faint, as if representing a supreme engulfing meaning.

The law of swallowing, condensed!

This is the second law that Jun Xiaoyao condenses after the law of the physical body.

Jun Xiaoyao's body shook slightly, feeling that his strength had risen again.

Although it didn't break through the realm, it was much stronger than before.

Not only that, the law of devouring makes Jun Xiaoyao's devouring magic power stronger, and it also incorporates the devouring magical power of God Devouring Insects.

All in all, Jun Xiaoyao's trip was a big deal.

"Hey, Xiaoyao, you..." Luo Xiangling sensed the subtle changes in Jun Xiaoyao's breath.

"A little bit of gain." Jun Xiaoyao smiled faintly.

Luo Xiangling glanced at Jun Xiaoyao deeply.

"It seems you still have a lot of secrets."

"Who isn't, Xiangling, if you want to know, I can tell you." Jun Xiaoyao looked at Luo Xiangling.

If she were to let her know her true identity, how would she react?

However, Luo Xiangling shook his head somewhat capriciously like a spring onion girl.

"No, I hope that when the time comes, you will tell me sincerely, instead of forcing you to tell me."

Jun Xiaoyao didn't force to explore her past, how could she force Jun Xiaoyao.

"Xiang Ling, you are really considerate." Jun Xiaoyao smiled.

This beautiful old aunt is really likable sometimes.

"Wh...Where is it?" Luo Xiangling rolled his face.

But his cheeks are slightly burnt.

Obviously it is not the age of a little girl.

But I was always blushing and heartbeat.

After another month, Jun Xiaoyao and Luo Xiangling returned to the Styx state slowly.

On the way, Jun Xiaoyao also heard about the imminent start of the demon-man Dazhou family recruitment conference.

It's time for Jun Xiaoyao to sign in at Tushan.

"Xiang Ling, aren't you going?"

Jun Xiaoyao asked.

"I won't go, then what will I do with a woman?" Luo Xiangling shook his head.

She went, just looking jealous.

It would be better to not see the heart.

Moreover, she and Jun Xiaoyao have been getting along for a long time, and they also know how Jun Xiaoyao is.

Beauty is not attractive to him.

"Well."

Jun Xiaoyao nodded slightly, and after a few greetings, he left.

He wanted to know what good things he could sign in at the recruiting conference.

Seeing Jun Xiaoyao's leaving figure, Luo Xiangling was slightly stunned for a moment.

Only then did she bit her lip with her jade teeth like a shell.

"Idiot, I don't want you to go."

Luo Xiangling couldn't say such words anyway.

It is even more impossible to speak in front of Jun Xiaoyao.

So she returned to the God of War Academy with a little bit of resentment.

...

Demon state, one of the ten foreign states.

It is the paradise of the monster race, the paradise of the beast.

Among the top ten states, it is considered a wild place.

But recently, it has become the focus of a foreign land.

Tushan Five Beauty, which is famous in a foreign land, will hold a wedding invitation meeting.

Attracted countless arrogant talents, and people from all walks of life gathered.

This is the invitation meeting of the Immortal Emperor.

If you can form a relationship with one of Tushan's Five Beauties, then there is a line of imperial patrons.

It is equivalent to a wealthy family.

Even the quasi-imperial clan with similar status and status, the imperial clan.

That is equivalent to getting an ally of the imperial clan.

Therefore, the recruitment conference is extremely attractive to all male Tianjiao.

In Yaoman Dazhou, there is a region called Tushan.

This is the residence of the immortal emperor of the foreign land, Tushan.

At this moment, in the area of Tushan, there are lights and festoons, and the atmosphere is jubilant.

Tianjiao of all ethnic groups gathered in Tushan, looking forward to it.

Even if there is no possibility of being selected.

Just seeing the five beauties of Tushan Mountain is a worthwhile trip.

In the void, there was a sudden surging of brilliance.

A lion like a white jade, pulling a gorgeous car.

"That is, Zhaoye Jade Lion!" When a foreigner saw it, he couldn't help exclaiming.

This is a different kind of blood, and its strength is extremely strong, comparable to the Tianjiao of the quasi-emperor.

Now it is pulling the cart.

"It's the emperor's car of the An Lan Emperor Clan!"

On the other side, in the void, Puffball Seeds fluttered like snowflakes.

A woman in a long green dress appeared, and she was a goddess of palm sunflower.

"Another Seven Little Emperors has appeared!"

Some of the great figures in the exotic Tianjiao showed up, causing a lot of uproar.

This is a rare figure in the daily life~www.mtlnovel.com~ Suddenly there is a howling sound like wearing gold and cracking stones.

It was a nine-headed golden-crowned eagle, which came with a chariot.

A brave man with a red-gold armor and red wings on his back is located in it.

His face was indifferent, revealing a winning ticket.

"It's Chi Hongyu, he really came!"

Many eyes converge.

The news that Chi Hongyu was begging for a kiss in Tushan before had been raged.

Today, the Chi Xiao clan is soaring, and Chi Hongyu has become a disciple of the Chi Xiao King.

Can Chi Hongyu, who has a very different status and status, counterattack and embrace the beauty?

Many people are curious.

[Chapter 1024: Stop the mysterious emperor of the God Eater 1 clan and break through 3 levels](#)

Countless eyes fell on Chi Hongyu.

As a figure in the demon state of Dazhou, Chi Hongyu's every move is very eye-catching.

Not to mention that he had a "dark history" in Tushan.

This is a memory that Chi Hongyu himself didn't want to think of.

But now, Chi Hongyu looked calm and calm.

Today is not what it used to be.

Chi Hongyu came this time, but came with the goal of marrying a sweet wife and concubine.

There may even be more than one.

Inside the Tushan Mountains, the sky is full of lights and colorful fireworks, which is very lively.

Tens of thousands of flowing water banquets are all over it.

Numerous back-back foxtails, beautiful and unparalleled Tushan fox girls, brought jade pan delicacies to the table.

Seeing the many male Tianjiao who came, was dazzled.

The women of the Tushan Fox tribe are well-known, and these girls alone are so touching.

It is hard to imagine the beauty of Tushan Mountain.

"I heard that the five beautiful Tushan mountains have different personalities and different appearances. Some are coquettish, some are lovely, some are elegant..."

"Oh, what you think is a bit complicated. Men don't care so much, so you can distinguish them by big, medium and small."

"That should be the bigger the better..."

"No, moderation is beautiful, just a full grip."

"You are really vulgar, want me to say, beautiful or not, look at your thighs..."

A group of men began to discuss the topic of gentlemen, causing some girls from the Tushan Fox tribe around Feixia to sneer.

Of course, those noble quasi-imperial clans, the emperor Tianjiao, are naturally in the VIP seats.

Emperor An Lan suddenly walked to Pu Kui Tiannv's side.

His hair is full of brilliance, his face is handsome, and his whole person is very dusty.

An Lan emperor, a well-known immortal emperor in a foreign land.

Its ancient ancestor An Lan, with a spear of An Lan, shocked the heavens.

As the emperor of the Anlan clan, he is also extraordinary and one of the seven emperors.

"Pu Kui goddess, have you heard any news recently?" Emperor An Lan asked deeply.

The Goddess of Pu Kui, wearing a green dress, the body is the Pu Mo tree.

She came here naturally not to recruit relatives, but to wonder if she could run into someone.

"You mean, the emperor of God Devouring Son." Tiannv Pu Kui had obviously heard it too.

These top figures, the intelligence network behind them is not weak.

"God Devouring Emperor Son was killed by Chaos Body in Tianmu Dazhou."

"God Devouring Clan, there was a big man who was furious and wanted to attack the Chaos Body, but in the end it was stopped." Emperor An Lan said.

"Is it another Shenao King of the God of War Academy?" Pu Kui Tiannv was a little curious.

The Shenao King of the God of War Academy took good care of the Chaos Body, which was already known to everyone.

"No, it's the Yixie clan." Emperor An Lan said.

"The Yixie clan, the clan that has a little connection with the Unspeakable Land." Pu Kui Tiannv showed an unexpected look.

The Yixie clan are both immortal emperors.

But its special feature is that it has some connections with the Unspeakable, and it is also a very mysterious ethnic group.

"But the Yixie clan seems to have nothing to do with the Chaos Body, how can it be possible to block the Devouring God Clan for him?" Pu Kui Tiannv felt very strange.

"It should be related to the identity of the Sixth King of the Chaos Body. I heard that there seems to be an awakened king in the Yixie clan," said Emperor An Lan.

"So, it seems that in our world, no one dares to provoke the Chaos Body. The Pu Kui Tian Nu sighed slightly.

The God of War Academy, the Yixie clan, plus the mysterious and immortal figure behind the chaotic body.

In a foreign land, besides the ultimate emperor, who else would dare to really kill the chaotic body?

"Isn't the purpose of your coming this time for that chaotic body?" Emperor An Lan had a deep gaze.

"Indeed, the Tianjiao Pu Yao of my clan has provoke Chaos Body before, and now he is thinking about whether he can ease the relationship with him."

"After all, he has killed two of the seven little emperors, I am afraid I will suddenly disappear." Pu Kui Tiannv said truthfully.

She was really scared.

Seven little emperors who are famous in a foreign land.

Beheaded one by one by Jun Xiaoyao as if he wanted to kill a chicken.

Tiannv Pu Kui is afraid that it will be her turn sometime.

"But he hasn't come now, and I don't know if he can see the Chaos Body this time." Emperor An Lan shook his head.

Afterwards, the elders of the Tushan imperial clan appeared.

"Welcome everyone to come to Tushan. This invitational meeting is also for the five princesses of Tushan, to find a good relationship and good son-in-law."

"Of course, a man who can become my son-in-law of Tushan, he has to be one in a million, and he is beyond his peers."

"Next, I will set up three levels in Tushan, anyone can participate."

"As long as you can break through, you are eligible to be selected by the princess."

After the elders of the Tushan emperor clan had finished speaking, there were waves surging throughout Tushan.

In the twinkling of brilliance, a three-party area faintly emerged.

"These three levels are Psychedelic Realm, Ten Thousand Beast Array, and Hydrangea War."

"If you want to be my Tushan son-in-law, you can join the battle if you are willing to participate."

The voice of the elder of the Tushan emperor clan fell.

The world immediately thought of countless breaking wind sounds.

Tianjiao of all races is densely packed, like crucian carp crossing the river, pouring into the formation.

"Heh, I'll join in the fun and see if I can get a good match." Emperor An Lan smiled slightly and walked away in the void.

It is impossible for Pu Kui Tian Nu to participate.

She sighed slightly, looked towards the horizon and said, "Is he not coming?"

In another place, Chi Hongyu had a faint smile at the corner of his mouth.

He was trained by King Scarlet Owl.

In terms of strength, it is not insignificant to be a Tianjiao of the Seven Little Emperor rank.

So today, he can get one of the five US dollars at the worst.

If you are lucky, it is not impossible to win Shuangmei.

After all, there is a world of difference between him now and before.

There should be no women who watched it, so they won't be surprised and admired.

Soon, the breakthrough began.

In the first level, the psychedelic realm is naturally tested by character, concentration, spirit, soul, and so on.

To some extent, it is similar to the reincarnation that Jun Xiaoyao once experienced in the sea of reincarnation.

Of course, this intensity is more than a little bit worse than that of the reincarnation.

However, there are still a large part of Tianjiao, sinking into it, talking crazy, unable to extricate themselves, and ugly.

"Without even the most basic xinxing, what qualifications do you have to be my Tushan son-in-law?"

The elder of Emperor Tushan sneered in his heart when he saw this scene.

Is the high branch of the immortal emperor so easy to climb?

Not all **** can counterattack.

Of course, there are also outstanding performers.

Such as Emperor An Lan, walked directly through the psychedelic realm, such as entering an uninhabited land, without even stopping.

The same is true for Chi Hongyu.

There are some other imperial clans, and the Tianjiao of the quasi-imperial clans have performed quite well.

The second level is called Ten Thousand Beast Array.

Among them are many fierce beasts with intertwined formations. UU Reading www.uukanshu.com

Most of them have quasi supreme, supreme strength.

There are even the Supreme Dzogchen level.

Obviously, this is a test of the true foundation and strength.

At this level, a large number of talents who lacked strength and vain appearances were eliminated.

And just when Tianjiao broke through.

On the highest peak in the depths of Tushan Mountain, in a luxurious palace on the top of the cloud.

Five women with different styles are located among them.

In front of them, a light curtain emerged, and the images of those who broke through the barriers were vividly reflected.

A somewhat lazy voice sounded behind them.

"Daughters, which one do you like?"

[Chapter 1025: Concubine Tu Shan, give gifts, Jun Xiaoyao is here](#)

These five women with very different appearances are naturally the five princesses of the Tushan emperor clan.

The eldest princess Tu Shan Yueyue, dressed in a red dress robe, has a domineering figure, and is a charming and hot stunner.

The second princess Tushan Taotao, wearing an apricot and yellow dress, looks soft and weak, and has the feeling of being sick, but she is also quite aesthetic.

The three princesses Tushan Xiaoxiao, long skirt with long sleeves, slender figure, flawless jade, more proficient in guzheng, simple and elegant, beautiful and exquisite in mind.

The four princesses Tu Shan Wanwan, cyan armor wrapped her curvaceous body, heroic and cool, although she is called a man by other sisters, they are both heroic and charming.

The five princesses are pure and pure, with delicate pink clothes, soft white hair, quirky, charming and charming, like a crystal doll.

It can be said that these five beauties with different styles will definitely blind all men if they go out at the same time.

Yan Shou Huan Fat, there are all types that should be.

And behind the five of them, stood a beautiful, plump and tall woman.

There is a mature charm in the charming appearance.

This is something that the eldest princess Tu Shan Yueyue does not possess.

Tu Shan Yueyue is indeed charming, but she lacks the charm brought by years of precipitation.

This is the mother of the five princesses, named Concubine Tu Shan Ming, a strong **** of good fortune, and one of the leaders of Tu Shan.

For the marriage of the five daughters, Concubine Tu Shan Ming was broken.

Because if they can't find a Taoist companion, it will be difficult for them to transform their love dreams, let alone break through a higher realm and reach a new height.

"Daughters, is there anything you like, you can't delay the major events of your life anymore," Tu Shan Ming urged.

Had it not been for the five daughters to find a good son-in-law, Concubine Tu Shan would not be so anxious.

However, the eldest princess Tu Shan Yueyue, looking at the many arrogances in the light curtain, just scratched her hands and nails boredly.

The second princess painted Shan Taotao, her eyes drifting away.

The third princess Tu Shan Xiaoxiao, her beautiful eyes twinkled, she didn't know what she was thinking.

The fourth princess Tu Shanwan and the fifth princess Tushan Chunchun both looked absent-minded.

He didn't look at the light curtain at all, as if he was wandering away from the sky, thinking of something on his mind, his face was dispirited.

Looking at the five daughters who seemed to be totally uninterested, Concubine Tu Shan Mingyu held her forehead, a little helpless.

"Why didn't the husband come?" Tu Shanchunchun was very depressed.

Jun Xiaoyao promised her that he would come to the recruiting conference.

Even if he didn't come to recruit relatives, as long as he could come to the meeting, Tu Shanchunchun would be content.

And Tu Shan Xiaoxiao also thought so in my heart.

"The two Nizis, I'm afraid that my heart will not be at the invitation conference long ago?" Tu Shanyueyue glanced at Tu Shanchunchun and the others.

Looking at the five daughters, Concubine Tu Shan Ming had her hands on her hips, and said with a plump breast: "It's my mother, today you five must find someone."

"If you don't have an object, you will not be able to improve your strength. The future Tushan will depend on you."

"Mother, it depends on whether there is something that the girls will like." Tu Shan Xiaoxiao said.

"I think the emperor of the Anlan clan is not bad, and Chi Hongyu from the Scarlet Owl clan, he is worthy of you now."

Concubine Tu Shan Ming glanced at the light curtain.

Emperor An Lan, Chi Hongyu and others are indeed the most prominent performers.

If in the past, Concubine Tu Shan would have looked down upon Chi Hongyu, but now he can accept it so-so.

Wumei disagrees.

Crimson has indeed counted as a counterattack.

But in their eyes, that's it.

On the other side, Chi Hongyu and others had already easily broken through the second stage of the Ten Thousand Beast Array.

Next is the third level, the hydrangea war.

This level is the last level.

The rules are also very simple.

A huge ring suspended in the void.

There are twenty hydrangea on it.

Tianjiao who can grab the hydrangea is eligible to be selected by Tushan Wumei and become their husband-in-law.

Tianjiao who can reach the third level, although not many.

But there are hundreds of them.

Of these arrogances, those with the lowest status are from the top royal family.

The competition is also fierce.

"Huh, who dares to fight with me?"

Chi Hongyu's expression was indifferent, her eyes gleaming like electricity.

The surrounding Tianjiao all avoided far away.

He got the hydrangea smoothly.

Emperor An Lan and others also got it.

In the periphery, countless spectators are watching the ceremony.

They were not surprised by the selected candidates.

"It seems that Emperor An Lan will be able to return home with the beauty today as he wished." Pu Kui Tiannv muttered to herself.

Soon, twenty candidates who got the hydrangea appeared.

"Congratulations, everyone, you are qualified to be the son-in-law of my Tushan clan." The elder of the Tushan clan smiled.

These twenty people came to the palace on the top of the cloud.

Below, hundreds of thousands of creatures of all races are watching, with admiring eyes.

"I don't know who it is today, who can hold a beautiful woman?" Many people are curious.

In the void, flowers and rain are flying.

The appearance of five peerless beauties made heaven and earth overshadowed.

When Chi Hongyu saw this, his five fingers squeezed slightly.

The time has come to wash away the shame.

He is confident in himself and can be selected.

Because, Tushan Wumei has no choice!

The only people who really stood out were him and Emperor An Lan and a few others.

The emperor An Lan looked indifferent, participating in pure entertainment, it is best to be able to embrace the beautiful.

"Everyone, you are all peerless figures out of a million, I hope you treat my daughter sincerely."

Concubine Tu Shan Ming also appeared.

Charming and beautiful, plump and plump.

The curve is not much more than that of Tushan Yueyue.

It's almost ripe and full enough to drip juice.

"Good fellow, absolutely." A Tianjiao surnamed Cao looked at Concubine Tu Shan and swallowed.

Here, Chi Hongyu smiled slightly and said: "The concubine Ming concubine has said this. I waited to participate in the recruitment meeting, and naturally, I was very close to the five Shuli admiration."

"Well, that's good." Consort Tu Shan nodded slightly.

Chi Hongyu knew what it meant.

What else can be compared next, isn't it just the bride price?

Chi Hongyu waved his sleeves, and various rare treasures emerged.

Many of them were accumulated by him for a long time, or obtained by adventure.

There are even the most precious quasi-emperor soldiers bestowed by the Scarlet King, all of which were offered by him.

Upon seeing this, Emperor An Lan also took out his betrothal gift.

This is also a part of the competition.

Even in the quasi-emperor clan, among the emperor clan, Tianjiao is divided into three or six or nine grades.

Only the most favored Tianjiao can capital be stronger.

Looking at the dazzling betrothal gift, the many arrogances below were amazed.

This is the handwriting of the quasi-emperor and the emperor.

Concubine Tu Shan nodded slightly, but these gifts were justified.

However, the five princesses of UU reading www.uukanshu.com all looked plain.

"Daughters, start to urge the fairy tale of love and dreams to see if the red line of marriage can be tied to the destined person." Tu Shanming concubine said.

Tu Shanwan and Tu Shanchunchun both sighed inwardly.

Especially Tu Shanwan, she knew that the red line of marriage that belonged to her was already connected to someone.

Just when everyone was watching, waiting for the five princesses of Tushan to find those good sons-in-law.

A faint voice suddenly came from the sky in the distance.

"Am I late for this invitational conference?"

Hearing this voice, Tu Shanwan and Tushan Chunchun's beautiful eyes lit up instantly.

"Mr!"

"The son!"

The two women couldn't help but yelled out, very happy.

[Chapter 1026: An unexpected act, 6 red lines of marriage, Tushan...](#)

In the distance, a hazy, handsome figure appeared in white clothes.

Naturally Jun Xiaoyao.

He didn't deliberately hurry on the road.

Because it was not for blind dates.

Seeing Jun Xiaoyao appear, the audience was quiet for a moment.

"It's a chaotic body!"

"Master Ares is here!"

"Sure enough, someone guessed it, Lord Ares will really come!"

The arrival of Jun Xiaoyao undoubtedly attracted the attention of all directions.

As today's top traffic in a foreign land, Jun Xiaoyao will attract everyone's attention wherever he goes.

"The Lord of War is really like a rumors, he is a fairy."

"It's just a **** walking on the earth!" Some female creatures are even more peachy.

In a foreign land, just having good looks will only become a plaything.

Face value and strength are the real eye-catching.

As soon as Jun Xiaoyao appeared, his transcendent appearance and demeanor immediately overwhelmed all the male Tianjiao in the audience.

Even Chi Hongyu, Emperor An Lan and others who had been highly anticipated before.

Jun Xiaoyao also took away all the limelight and became a little bleak.

"Mr!"

"The son!"

Tu Shanchunchun and Tu Shanwanwan, the two daughters, flew over to Jun Xiaoyao directly regardless of their image.

One left and one right, sandwiching Jun Xiaoyao in the middle.

"Sir, Chunchun thought you wouldn't come anymore!"

"That is, if the son doesn't come, what's the point of calling a pro-conference?"

Looking at Jun Xiaoyao who was sandwiched by the two beauties, all the alien creatures in the audience were a little dumb.

Today, they are the brides to be married.

As a result, he was so passionate about Jun Xiaoyao.

He Cai's attitude towards those suitors is quite different.

"Oh, sorry, I wasted a little time by encountering some small things on the road." Jun Xiaoyao smiled slightly.

On the one hand, Tiannv Pu Kui suddenly stepped forward, and her lips were slightly smiled and said: "The so-called trivial matter in the son's mouth, should be the killing of the emperor of God, right?"

In a word, the world is dead silent.

"Wha...what, Lord Ares killed one of the Seven Little Emperors, the Emperor God Devourer?"

Many people are confused and scalp numb.

The story of the fall of the Emperor of God Devouring Son has not been completely spread.

"Oh?" Jun Xiaoyao looked at Pu Kui Tian Nu.

The news of these emperors is well-informed.

"The little girl Pu Mo clan, the Pu Kui goddess, the Pu Yao of my clan had conflicts with the son before, and I hope that the son will not mind."

The Pu Kui Tian Nu's posture is very low.

Just say to Jun Xiaoyao, I hope you don't **** me, you are causing me trouble.

"Who is that, I don't care anymore." Jun Xiaoyao waved his hand.

Tu Shan Yueyue, Tu Shan Taotao, Tu Shan Xiaoxiao and the three daughters all look towards Jun Xiaoyao.

All the eyes lit up.

Jun Xiaoyao's temperament is indeed very special.

But Tushan Xiaoxiao among them, a suspicion flashed in his eyes.

This temperament is familiar.

But she changed her mind and shook her head secretly.

"There shouldn't be such a thing, he is a chaotic body."

Tu Shan Xiaoxiao cut off the absurd idea in his mind.

Concubine Tu Shan Ming also looked at Jun Xiaoyao, feeling a little amazing.

It was the first time that she saw a younger generation with such a unique temperament.

"Dignified God of War, admiring for a long time, I'm under Emperor Anlan." Emperor Anlan slightly arched his hands towards Jun Xiaoyao, with a kind attitude.

"An Lan family." Jun Xiaoyao murmured in his heart.

This family is very famous.

Jun Xiaoyao also nodded.

Then he looked at Chi Hongyu.

Chi Hongyu's expression was cold.

Especially seeing Tu Shanwanwan and Tu Shanchunchun's attitude towards Jun Xiaoyao.

He felt even more uncomfortable.

Before he asked for a kiss, he was mercilessly rejected, and he didn't even see the five princesses.

But they are so enthusiastic about Jun Xiaoyao, it's just an inverted post.

How can the gap between people be so big?

"God of War Jade Xiaoyao, shouldn't you be here to participate in the recruitment meeting?" Chi Hongyu said lightly.

"It's just to join in the fun." Jun Xiaoyao said.

He could faintly feel that there was a special fluctuation in Chi Hongyu's body.

This is something that only the controller of the heavenly book can sense.

"Chi Hongyu really is the master of the soul book." Jun Xiaoyao's eyes were darkened.

He can faintly perceive Chi Hongyu's fluctuations.

But Chi Hongyu could not perceive his fluctuations.

With the help of the law of stealing the sky and changing the sun, Jun Xiaoyao can completely cover up any of his breath and fluctuations.

Later, even though Tu Shanwan and Tu Shan Chunchun were helpless, they were still together with the other three sisters and began to spur the fairy tale of love.

From them, a red line of marriage spread.

Thousands of people's attention!

Everyone wants to know who these five Mei Jiao'e will be cheaper in the end.

"It's me, it must be me!" Chi Hongyu murmured in his heart.

Not only did he want to marry the princess of the Tushan fox clan, but also to wash away the humiliation of being rejected in asking for marriage in the past!

The five red threads of marriage fell on the twenty seekers who got the hydrangea.

However, they were skipped one by one.

A few red threads came to Chi Hongyu's side.

Chi Hongyu breathed slightly.

He saw the red line of marriage approaching.

Then, just miss it!

"How come?" Chi Hongyu's brain buzzed.

call out!

The five red lines of marriage suddenly swept away as if sensing something.

Then, among the gazes of the tens of thousands of people, they were tied to Jun Xiaoyao's hands.

Five fingers are tied with five red threads of marriage.

Not to mention the tens of thousands of Tianjiao who were full of surprises.

Even Jun Xiaoyao himself was stunned.

He is a bystander, eating melons.

Never thought of getting involved.

"This... how is this possible?"

"How can the five red lines of marriage be tied to one person!"

"Even if it's the God of War, isn't it?"

"Could it be that there was something wrong with this technique of the Tushan Fox Clan?"

Everyone's faces were filled with stunned, stunned.

To marry a princess from the Tushan imperial clan is already three lives fortunate.

As a result, the five red threads are now tied to Jun Xiaoyao's hands.

This is outrageous!

"What's the matter, could it be that something went wrong?"

The mother of the five princesses, Concubine Tu Shan Ming was also very surprised.

How good is someone who can be worthy of her five daughters at the same time?

In order to detect whether it is a mistake in the fairy tale.

Concubine Tu Shan's beautiful eyes flashed slightly, which was also a slight stimulus to the fairy tale of love.

A red line of marriage emerged.

Although Concubine Tu Shan is already a mother.

But still practicing this technique. UU reading [www. uukanshu.com](http://www.uukanshu.com)

Then, the red line of marriage, as if attracted again, fell to Jun Xiaoyao and tied it to his wrist.

Concubine Tu Shan was stunned.

The five princesses were also stunned.

Jun Xiaoyao himself was stunned.

Everyone was stunned.

What the **** is this?

Can the marriage red thread of Concubine Tu Shan be tied to Jun Xiaoyao?

Some creatures were astonished and couldn't help but say: "Good fellow, I'm just a good fellow!"

"This is even the mother-in-law..."

"How should the next situation develop? Could it be?"

"Grow the second spring?"

[Chapter 1027: The favor of Tushan 5 beauty, the bet with Chi Hongyu](#)

This scene surprised everyone.

Unexpectedly, there would be such a ridiculous scene.

The five beauties of Tushan Mountain are lucky enough to have one of them, and now, the five red lines of marriage are tied to Jun Xiaoyao.

What is even more outrageous is that even their mother-in-law and Concubine Tushan's marriage are tied to Jun Xiaoyao.

It can be said that the eyes of all creatures almost fell off.

Even Jun Xiaoyao himself as the party concerned.

The brain is short-circuited slightly.

There is something in this Tushan Emperor Clan's exercises.

Although Jun Xiaoyao knew that he was very good.

It can be said that there is no one in the past, and no one in the future. It is unique in the world.

No man can look better than him.

There is no man whose talent can surpass him.

If there are immortals in the world, it is estimated that at the same age as Jun Xiaoyao, they may not be as good as him.

Jun Xiaoyao knows his own excellence.

But it's ridiculous to post it all.

"Mother, how can you be like this? This is our invitation meeting!"

Tu Shan Chunchun immediately got anxious and stomped.

Originally now, the competition between the five sisters is big enough.

As a result, even her mother's marriage was tied up.

This is definitely a big oolong.

Concubine Tu Shan's face couldn't help but flushed.

She wasn't a little girl anymore, but she was a little embarrassed and embarrassed at the moment, she didn't expect this to happen.

I just wanted to test whether something went wrong with the red line of marriage.

Now it seems.

Jun Xiaoyao is indeed too good.

It perfectly meets their Tushan Fox Clan's mate selection criteria.

Therefore, these red lines are all tied to Jun Xiaoyao.

Even her red line is...

If Jun Xiaoyao is not there, the red line of marriage may also be interested in Emperor An Lan, Chi Hongyu and others.

But now, Jun Xiaoyao is like a bright moon, and the other twenty family seekers who stand out are nothing but fireflies.

"What should we do about this situation?"

"It seems that Lord Ares is not here to participate in the invitational meeting."

"Yes, I should just be here to watch the ceremony."

"It's ironic that an observer is better than all the Tianjiao attending the conference."

Many creatures are sighing.

I didn't expect to see such a wonderful scene.

How should things develop next?

"Sure enough, sir, you are Chunchun's true destiny!" Tu Shanchun jumped for joy.

She hadn't wanted to participate in the recruitment meeting before, and she had made plans in her heart, not planning to marry anyone other than Jun Xiaoyao.

Now, everything happens to be perfect.

"My son, so do I." Tu Shanwan was originally a straightforward character, but now she is a little bit shy.

"He is the **** of war, he looks gentle, but he doesn't know what his personality is?" Tu Shan Taotao couldn't help but whispered while looking at Jun Xiaoyao secretly.

"How come, besides Jun Xiaoyao, there are still people..." Tu Shan Xiaoxiao became suspicious.

Before, her red line of marriage was connected with the son of the goddess of Xianyu Jun's family.

After severing, she determined that Jun Xiaoyao had fallen.

"It seems that the talent of this chaos body is really not weaker than that of the **** son of the immortal monarch." Tu Shan Xiaoxiao thought.

As for Tu Shan Yueyue, a pair of beautiful peach blossom eyes had locked him since Jun Xiaoyao appeared.

"Wang Gu Wushuang Chaos Body is indeed the best object, and it can also bring my realm to a higher level."

"The important thing is that the Chaos Body should be very durable." Tu Shan Yueyue xiang licked her red lips.

Although she looks charming and charming, she is actually guarded like a jade.

If it is confirmed, it will only be loyal to one person.

From all aspects, Jun Xiaoyao really met her criteria for mate selection.

It is much better than Emperor Anlan and Chi Hongyu.

"Tsk tsk, son-in-law, you are really late."

Concubine Tu Shan Mingmei smiled to relieve the embarrassment, and the red line quietly disappeared.

She looked at Jun Xiaoyao, and the more she looked, the more satisfied she became.

"This should be Senior Concubine Ming, Zaina is here to observe the ceremony, and has no other meaning." Jun Xiaoyao smiled decently.

If someone else was given this kind of treatment, I would have long since embraced the five beauties.

But Jun Xiaoyao came all the way, and he had seen too many peerless women, and he already had a strong immunity.

Although it wasn't Liu Xiahui, it wasn't an animal thinking from the lower body.

He can't stop other women from liking him.

But he wouldn't like anyone easily.

"Sir, you can't hide it!" Tu Shanchunchun giggled.

"My son, Wan Wan hopes that my son can always guide Wan Wan in her practice." Tu Shan Wan's words are also very straightforward.

"It seems that the fairy tale of love has helped me make a choice." Tu Shan Xiaoxiao also did not refuse.

"I, I want to try too." Tu Shan Taotao raised his hand weakly.

"Man, you succeeded in attracting my attention." Tu Shan Yueyue cast a winking eye at Jun Xiaoyao, charming and charming.

Tushan Wumei actually expressed interest in Jun Xiaoyao at the same time.

As for the other twenty outstanding Tianjiao.

It was left in the cold, snow fluttered, and the north wind was bleak.

They feel cold.

"This is not in accordance with the rules." Chi Hongyu couldn't help but said.

They passed three levels all the way, and finally had the opportunity to ask for a kiss.

As a result, when Jun Xiaoyao came and didn't do anything, he was favored by Wumei and even his mother-in-law.

This is too ridiculous, and Chi Hongyu's mentality collapsed.

What about marrying Mei Jiao Niang?

What's the shame before saying good things?

This doesn't follow the plot routine at all.

"Rules? This red line of marriage is the best rules." Tu Shanwan whispered.

From the time she was at the God of War Academy, her mind had been set.

Even if Jun Xiaoyao doesn't come today, she won't be able to marry Chi Hongyu and his ilk.

Looking at Chi Hongyu's reluctant appearance.

Jun Xiaoyao's eyes flashed darkly.

Isn't this exactly what he wants to see?

"Chi Hongyu, it seems that you really want to ask for a kiss?" Jun Xiaoyao asked.

"What do you mean by this?" Chi Hongyu raised his brow.

Although Jun Xiaoyao is now in a foreign land like the sun.

But Chi Hongyu is not weak, so there is nothing wrong with him.

"If you can come up with something that touches my heart, maybe I am willing to gamble with you. If I lose, I won't interfere with the current situation."

Jun Xiaoyao showed a smile.

"Oh, how to bet?" Chi Hongyu said.

"Let you beat me, UU reading www.uukanshu.com would be difficult for some strong people." Jun Xiaoyao muttered.

A sharp light flashed in Chi Hongyu's eyes.

But he didn't say anything.

Because it is true.

"Well, if you can repel me, even if you only make me take a step back, you will win."

"Even half a step is fine. I will leave immediately without any hesitation."

"Of course, the premise is that you can come up with something that strikes my heart, otherwise everything will not be discussed."

Jun Xiaoyao had already set up his sleeve, so Chi Hongyu had to walk in.

But Jun Xiaoyao's insight into people's hearts is too deep.

He has seen through Chi Hongyu.

He will definitely not refuse!

[Chapter 1028: After torturing Chi Hongyu, the soul book is in hand, the good show is not over yet](#)

Jun Xiaoyao's gambling agreement was definitely a temptation, and it hit Chi Hongyu's weakness.

When he came, he really wanted to marry Mei Jiao Niang.

Secondly, I really want to wash away the shame of the past.

Therefore, Jun Xiaoyao's proposal was very tempting to him.

"Sir, you..." Tu Shanchun stopped talking.

To put it bluntly, isn't Jun Xiaoyao taking them as a bet?

If Jun Xiaoyao loses, wouldn't they still marry others?

"Don't worry, don't you believe me?" Jun Xiaoyao smiled faintly.

He admitted that he might be a bit scumbag.

But it's definitely not bad.

It is even more impossible to make a brain-destructive behavior that pushes a woman who likes herself to others.

He can't stop Tushan Wumei from liking him.

He may not really have a wonderful relationship with Tushan Wumei.

But it must be impossible for him to personally push Tushan Wumei to other men.

The mentally retarded behavior of giving off a girl.

It is estimated that only those green hat slaves who like to cuckold themselves will do it.

Jun Xiaoyao thinks he has no such special habit.

There is also no habit of leading others to become old in the past month.

Jun Xiaoyao dared to gamble because he was 100% sure.

Hear what Jun Xiaoyao said.

Tu Shanchun was completely relieved.

She had absolute confidence in Jun Xiaoyao.

Seeing this scene, Chi Hongyu's eyes became more solemn.

He took out some treasures.

Such as immortality medicine, immortal golden iron and so on.

But Jun Xiaoyao didn't even bother to take a look.

Don't care at all.

"Please, can this little thing compare to one of our hairs?" Tu Shanchun snorted.

She is giving Jun Xiaoyao an assist.

"Don't you think that you have no ability to repel the son by one step? If so, which one of our five sisters is willing to marry you?"

Tu Shanwan also started to assist.

Hearing these words, Chi Hongyu's face became stiff and cold.

Today, he was originally embarrassed.

As a result, he was humiliated instead.

Thousands of onlookers, with strange expressions, were watching the show.

"Could it be that today, Chi Hongyu staged the old things again?"

"Enough, you want to bet, I will accompany you, can you refuse the thing I will take out next?" Chi Hongyu shouted.

He was a little angry.

And Chi Hongyu asked himself, he didn't say that he could defeat Jun Xiaoyao.

Repelling one step, you can always do it, right?

If this can't be done, Chi Hongyu himself will look down upon himself.

He took out a dark golden scroll, like gold leaf, simple and low-key, but with a sense of vicissitudes of life.

Obviously, this is an extremely ancient thing.

"this is..."

Although Jun Xiaoyao knows it well, he still needs to ask knowingly.

"Nine Great Books, have you ever heard of it?" Chi Hongyu sneered.

With one word, countless creatures were shocked.

"It turned out to be the nine heavenly books!"

"Isn't it lost in the dusty history?"

"I heard that the nine heavenly books are about an amazing secret. If you can gather the nine heavenly books, you can see an unprecedented road!"

When Chi Hongyu took out the heavenly book, all the creatures were shocked.

Compared with the heavenly book, there are other immortal drugs, immortal gold, quasi-di soldiers, not even farts.

It's not that they have no value, but that they are completely incomparable compared with the heavenly books.

Because the nine heavenly books are too rare, there are only nine books in the entire universe.

It can be said that Chi Hongyu also spared no effort for the sake of shame.

"Yes, it did arouse my interest." Jun Xiaoyao smiled slightly.

"Let me try your jinliang."

There is no unnecessary nonsense.

Chi Hongyu shot directly.

He raised his hand to explore, the flames set a prairie, and burned the sky.

Even the void was burnt down.

The Red Owl is an ominous bird born in a fire, and has the ultimate fire law in its control.

Facing Chi Hongyu's methods, Jun Xiaoyao's body was slightly shaken.

Twenty levels of mana are immune to the divine ring, covering him.

No flame can get close to him.

"The method of Emperor Mojie."

Tiannv Pu Kui and Emperor An Lan's eyes flashed.

"Three Realms and Six Paths, Fire House Buddha Prison!"

Seeing this, Chi Hongyu didn't have any reservations, and directly displayed the ancestral art of the Chi Xiao clan.

In an instant.

The world seems to have turned into a sea of fire.

It seems that there are endless sentient beings, wailing up and down in the flames.

The entire Three Realms world seemed to be a burning house, in which all living creatures were suffering.

This is the ancestral technique of the Red Owl clan, with great power.

It is like a prison of fire, imprisoning Jun Xiaoyao in it, burning and refining at all times.

Moreover, this move also blessed the law of flame in Chi Hongyu's body and doubled its power.

"What a powerful method!"

When some Tianjiao saw this, their expressions were extremely solemn.

After being trained by the Immortal King, Chi Hongyu's strength has indeed undergone a qualitative transformation.

"As expected of King Scarlet King's disciple, his current strength is no longer weaker than our seven emperors." Emperor An Lan sighed.

Facing Chi Hongyu's ultimate move.

Jun Xiaoyao's expression is still plain.

He activated the law of swallowing in his body.

This is not the law of eating the emperor son of God, but the law that Jun Xiaoyao comprehended after dismantling and comprehension.

A huge black hole appeared.

There are countless dark swallowing roads around it spreading and interweaving.

The overwhelming sea of fire, as well as the fire house prison, were all swallowed into it.

"That's... the way to eat God's son!"

Emperor An Lan and Tiannv Pu Kui looked at them, and they were shocked.

It is enough for Jun Xiaoyao to display the method of Emperor Mojie.

Now even the law of Devouring God's Son has been displayed.

"how come?"

Chi Hongyu was a little confused.

How could his ancestors be cracked so easily?

call out!

Jun Xiaoyao stepped forward, pushing horizontally, in the void, the ancient monument appeared, quaking the void.

It is Sanshou and Zhanbei Shou in the catalog of God of War.

boom!

Chi Hongyu was severely shocked, his chest churning with blood.

Jun Xiaoyao stomped again.

In the void, space ripples spread out, and wisps of space cracks appeared.

The same is Sanshou in the catalog of the God of War, the void shakes!

Puff!

Chi Hongyu finally couldn't help but spit out a mouthful of blood.

Jun Xiaoyao's figure flashed over Chi Hongyu in an instant, stepped on his chest, stomped it down, and slammed heavily towards the top of the mountain.

Chi Hongyu was shocked to vomit blood.

"Bring the heavenly book."

Jun Xiaoyao stepped on Chi Hongyu, his tone indifferent.

Chi Hongyu had no doubt that if he hesitated for a moment, Jun Xiaoyao would directly explode his body!

"Give you!"

The corners of Chi Hongyu's mouth were full of blood, and his lips were all bitten.

He can only give the soul book to Jun Xiaoyao.

Jun Xiaoyao accepted the soul book, then let go of his foot, smiled and said: "I am willing to accept the gambling and lose, but it is admirable."

Chi Hongyu was about to vomit blood out of anger.

Can he refuse to admit defeat?

If you don't admit defeat, your life will be gone.

He knew that Jun Xiaoyao didn't blink at killing, and even the emperor Mojie didn't have the slightest scruples about it.

Many of the gazes at the scene looked at Jun Xiaoyao with coveting color.

After all, the heavenly book is an absolute treasure, I am afraid no one will covet it.

Although getting the soul book in public, it might cause some trouble.

But Jun Xiaoyao is backed by the God of War Academy, UU Reading www.uukanshu.com is covered by King Shenao and King Luo.

There is also a mysterious immortality in the eyes of outsiders.

Jun Xiaoyao believed that no one dared to hit his attention.

"It seems that there is no suspense about the recruitment of relatives today."

"Five beauties marry a husband, this is really unexpected."

"Have you forgotten one?"

Many creatures are whispering, and this result is something they didn't expect.

At this moment, Jun Xiaoyao suddenly felt a little hot on his wrist.

It was the mark of the dark six-pointed star, which was burning hot.

Jun Xiaoyao looked into the distance and noticed a dark breath of the same origin.

"Sure enough, the good show is not over yet."

[Chapter 1029: 5 out of 1 will not work, I disagree with this marriage](#)

Seeing Jun Xiaoyao's few moves, he defeated Chi Hongyu.

The other nineteen talents who stood out and got the hydrangea were shocked in their hearts.

After all, Chi Hongyu's strength had reached the level of the Seven Little Emperors.

The result was still crushed by Jun Xiaoyao's three or two tricks.

"In addition to the Six World Destroying Kings of the same level, there are also the enchanting evildoers of the ultimate emperor. There should be no younger generation. They are the opponents of the Chaos Body?"

Many creatures present were whispering, trying to figure out the strength of Jun Xiaoyao.

"Hehe, seeing is better than hearing, Brother Xiaoyao's strength is worthy of the title of God of War."

"It seems that Xiongtai is blessed today." Emperor An Lan smiled slightly and took the initiative to withdraw.

He is not stupid, there is no need to have **** with Jun Xiaoyao for a dispensable woman.

Seeing that Emperor An Lan showed weakness and withdrew.

The other Tianjiao shortlisted also expressed their withdrawal one by one.

They don't have the courage and ability to rob a woman with Jun Xiaoyao.

Seeing Jun Xiaoyao who overwhelmed the audience with one person.

Tu Shanwan's beautiful eyes couldn't help but small stars appeared.

She has always admired the strong.

Jun Xiaoyao's performance undoubtedly proves once again that he has a dominant hegemony among the younger generation in a foreign land.

"It's really good."

Even Tu Shan Yueyue, with a high-sightedness, couldn't find the slightest slot in the face of Jun Xiaoyao who was impeccable in appearance, identity, and strength.

It can be said that facing such an excellent man.

Not to mention the five beauty of Tushan Mountain.

Even Concubine Tushan Ming's heart shook slightly, and couldn't help but admire that such a peerless figure appeared in this era.

"If I'm tens of thousands of years younger..." Consort Tu Shan couldn't even think about it.

As for now, she must have no such thoughts.

She still couldn't do anything to grab food with her five daughters.

Wumei surrounded Jun Xiaoyao.

Looking at the five beauties of Yan Shou Huan Fat, Jun Xiaoyao felt a little headache.

He did come here with purpose.

But the purpose of coming here is not for these five beauties.

"Sisters, what do you say?" Tu Shan Yueyue looked at the four younger sisters.

"I won't let it!" Tu Shanchunchun was the first to comment.

"Neither will I." Tu Shanwan's tone was determined.

"I'm interested." Tu Shan blinked his eyes.

"There won't be any better." Tu Shan Taotao is weak.

Upon seeing this, Tu Shan Yueyue sighed rather helplessly.

"Since we sisters don't want to let go, there is only one way."

The charming eyes of Tu Shanyueyueshui Lingling suddenly turned to Jun Xiaoyao, his voice was sweet and greasy.

"Master Ares, five, can you do it?"

When Jun Xiaoyao heard the words, his expression remained unchanged, and he said calmly: "For the time being, regardless of other things, asking a man if he can do it is a dangerous behavior in itself."

"because..."

Jun Xiaoyao suddenly stepped forward and pinched Tu Shanyue's pointed chin.

"It's easy to be eaten and wiped out."

Tu Shan Yueyue's face flushed silently.

Tu Shan Xiaoxiao was slightly surprised.

For a long time, the eldest sister has been cold, strong and domineering in their hearts, with a strong aura.

Now, it was completely suppressed by Jun Xiaoyao.

Just like a little woman.

"Young Master Xiaoyao is really strong."

Tu Shan Yueyue retracted.

For the first time, there was a feeling that the aura was completely suppressed.

It can only be said that the water in the man in front of him is too deep, and she can't grasp it.

"Oh, it seems that my five daughters don't have any opinions. If that's the case, then..."

Concubine Tu Shan Ming is ready to make a final decision.

However, at this time, she seemed to have sensed something, and her eyes were strange.

"Hey, this feeling of blood pulse..."

Concubine Tu Shan Ming was a little surprised.

Not only her, but all the Tushan Fox tribes are all at the same moment.

I noticed that my blood was turbulent, boiling.

It seemed to be welcoming something, and it seemed to be afraid of something.

"Well, that's..."

Tushan Wumei also looked into the distance at the same time.

A voice suddenly came from the firmament.

"I don't agree with this marriage!"

The cold voice blasted the entire sky.

All the creatures in Tushan were surprised.

"Who would dare to speak like this and be deadly?"

"Could it be another stunner with passion, who is coming to grab relatives?"

"Snatching relatives? Who is eligible to **** relatives in front of Lord Ares?"

Almost all creatures look at the source of the sound.

Above the sky in the distance, black clouds swept over.

In the dark clouds, a figure faintly emerged, stepping out.

Everyone's eyes are staring, wanting to know where is sacred, so bold.

however...

When that figure appeared.

Everyone looked stunned.

That kind of completely unexpected astonishment.

Tu Shanwan, who was in the Five Beauty, was even more stunned, thinking that her eyes had hallucinations.

"Xiao...Xiao Hei?"

The figure that appeared was ma Fuyun Xiaohei who had disappeared before.

But now, Yun Xiaohei's breath and coercion made Tu Shanwan feel extremely strange.

That is the coercion of the supreme.

At the same time, there was an aura that made the blood of all Tushan Fox tribes restless.

"Is this the Tianjiao of the Tushan Fox Clan?"

"But why is it a black fox? Isn't the black fox the cheapest among the Tushan fox tribe?"

"Besides, with his breath, in the Supreme Realm, when did such a young arrogant be born in the Tushan Fox Clan?"

Many Tianjiao present were all blank.

Emperor An Lan, Tiannv Pu Kui and others were also extremely confused.

Even they don't know the inside story.

Yun Xiaohei ignored the gaze of the outside world.

Since he appeared, his eyes have been fixed on Tu Shanwan's body.

Now, he finally has the confidence to face Tu Shanwan!

Because he is one of the six kings!

"Wan Wan, I am finally qualified to be with you. I am no longer the humble little black fox before." Yun Xiaohei's tone couldn't help being excited.

Although he awakened an extraordinary power.

But obviously the character is still the original character.

"Yun Xiaohei, what are you talking about, why did you run away, what have you experienced during this time?"

Tu Shanwan was completely daunting.

"Wan Wan, I want to marry you, no one can own you except me!"

A flame was burning in Yun Xiaohei's eyes.

That is an exclusive desire.

Tu Shanwan is the goddess of white moonlight in his heart.

Now, he is finally qualified to marry his goddess.

"What nonsense are you talking about, you're just my groom." Tu Shanwan frowned.

In the past, she indeed took Yun Xiaohei in because of pity.

It is also a manifestation of her kindness. U U Reading www.uukanshu.com

Unexpectedly, Yun Xiaohei had a longing for her.

Just forget it if you have a longing, and speak out in public.

What did Jun Xiaoyao hear?

"Yes, I am indeed your groom, but now, my identity is different, and I am qualified to marry you." Yun Xiaohei's eyes were eager.

"I don't care what your status is, I can't marry you, your words will make the son misunderstand!"

Tu Shanwan was also anxious, for fear of Jun Xiaoyao's misunderstanding.

She turned to Jun Xiaoyao and said eagerly: "Gongzi, she is just a groom of mine, I hope not to misunderstand him, Wan Wan is the only one in her heart."

Tu Shanwan's words made the excitement and excitement on Yun Xiaohei's face immediately stiff.

Instead, he cast his extremely cold eyes on Jun Xiaoyao.

[Chapter 1030: The King of World Destroying, the 10-tailed black fox, really treats himself as a person...](#)

To Jun Xiaoyao, Yun Xiaohei had nothing but coldness in his heart.

Had it not been for Jun Xiaoyao, how could Tu Shanwan treat him that way?

He said that Jun Xiaoyao might have something to do with her.

Tu Shanwan also scolded him, not believing him at all.

It can be said that in Yun Xiaohei's heart, Jun Xiaoyao is a stumbling block between him and Tu Shanwan.

In the past, Yun Xiaohei couldn't compare with Jun Xiaoyao at all.

There may be no comparison between the two, it is completely like the existence of two dimensions.

But now, Yun Xiaohei thinks he is qualified to **** Tu Shanwan.

After feeling the cold hostility of Yun Xiaohei.

Jun Xiaoyao felt like he was lying down with the gun again.

But he didn't care either, because he had a mindful view of Yun Xiaohei himself.

It now appears that the situation did not exceed his expectations.

"This is your groom?"

Jun Xiaoyao didn't care about Yun Xiaohei, but instead looked at Tu Shanwan.

"My son, I don't know how he became like this, but he is really just a groom."

Tu Shanwan approached Jun Xiaoyao, wearing a cyan armor, with her undulating body against him.

Yun Xiaohei's eyes turned red when he saw this scene.

Tu Shanwan's attitude was the most kind to him, and it was nothing more than to praise him for raising horses well.

But Jun Xiaoyao could easily get all the attention of Tu Shanwan.

Seeing this scene of his own goddess sticking to others, Yun Xiaohei was about to explode.

boom!

Behind Yun Xiaohei, the endless black magic energy surged.

Vaguely, it seemed to have formed a black demon fox with a terrible aura and the might of exterminating the world.

Behind it, ten foxtails waver.

"That is....."

Almost all the Tushan fox clan felt a strong pressure from blood!

thump!

The creatures of the Tushan fox clan knelt to the ground in a shivering form.

It's not that they voluntarily, but the body seems to be out of control, and the soul fears this coercion.

Not to mention the general Tushan fox family.

Even if it is Tushan Wumei, the beautiful body trembled at the same time, and there was a feeling of kneeling down in worship.

"Do not....."

Tu Shanwan looked pale.

If she really knelt down in front of Yun Xiaohei, what style would she be?

Upon seeing this, Jun Xiaoyao waved his big sleeve to protect the five princesses.

Even this kind of coercion originating from the blood and soul was completely isolated.

"The son~"

Feeling the coercion completely isolated, Tu Shanwan's beautiful eyes appeared moved.

Jun Xiaoyao's mind is really delicate.

Also very good at taking care of people.

Tu Shanwan felt an unprecedented sense of security.

Not only she, but the other four princesses also felt that their pressure had completely disappeared.

A pair of beautiful eyes look towards Jun Xiaoyao, all of them are slightly colored.

There are many powerful men in foreign land.

But most of them are male chauvinists.

There are fewer men who know how to take care of women in details like Jun Xiaoyao.

Jun Xiaoyao didn't expect that his random little actions made the five princesses feel better about him.

As for Concubine Tushan Ming, she is a godly and powerful person, so naturally it is impossible to lose her attitude.

But she also felt a kind of coercion from blood.

"This is... how is it possible, bloodline alienation, ten-tailed black fox?"

Concubine Tu Shan Ming is very unbelievable.

The ten-tailed black fox is a different species with alienated blood.

Very powerful, but also very dangerous.

Because it is too uncontrollable and blood is scarce, it is extremely rare.

Now most of the black foxes are also the ordinary lowly fox tribe.

It is impossible to have another ten-tailed black fox.

"How about, Wan Wan, am I eligible to marry you now?"

Yun Xiaohei looked at the countless surrendered fox tribes, suddenly there was a feeling of being a master, no, it was the feeling of being a fox.

The feeling that a single glance can scare countless creatures is wonderful.

"If you think that as long as you have the strength, I will post it, that would be wrong." Tu Shanwan's eyes showed disgust.

Indeed, she was attracted to Jun Xiaoyao at first because of the mystery and power of Jun Xiaoyao.

But after in-depth contact and exchange.

She found that Jun Xiaoyao attracted her not just because of his strength.

Talking, personality, and the mind to guide her practice carefully.

Jun Xiaoyao is perfect, attracting her in all aspects.

What is the difference between simply wanting to conquer women with strength and being strong?

"What I have is not just strength."

Yun Xiaohei didn't have the slightest scruples, his abdomen was hot, and a dark six-pointed star mark was reflected on the sky!

"That's the mark of a six-pointed star, isn't he, too!"

The audience was silent for a moment.

Then there was an uproar!

Another King of Destruction appeared!

Everyone is shocked.

I didn't expect to witness the appearance of a world-destroying king in this pro-conference meeting.

This is really dreamy.

"In a short period of time, three world-destroying kings have appeared."

"It seems that this ten-tailed black fox is indeed qualified to be shoulder to shoulder with Lord Wars."

"Yes, he is the same as the World Destroyer King, he does have that qualification."

As soon as the status of the World Destroying King came out, the situation was different.

There were still many people who despised Yun Xiaohei before, guessing the origin of Yun Xiaohei.

Now, many creatures only have awe in their eyes.

After all, the Six Kings of Destroying the World is too important to the current foreign land, and it is impossible to lose.

The corner of Yun Xiaohei's mouth was slightly curved.

This feeling of admiration and awe by all people is so wonderful and inflating.

However, he found that Tu Shanwan's complexion had not changed.

"Why, Wanwan, isn't my identity enough?" Yun Xiaohei squeezed his fist, slightly protruding blue veins on his forehead.

He is like this, why is Tu Shanwan still ignorant?

"You don't understand anything at all, so I was blinded and picked you back as a groom." Tu Shanwan suddenly felt a little disappointed.

Originally a kind act.

In the end, it brought this kind of trouble to myself.

The most important thing is that it also brought trouble to Jun Xiaoyao.

"My son, sorry, it's all because of Wanwan's relationship that caused him to target you."

Tu Shanwan was really afraid of causing trouble to Jun Xiaoyao.

"It's okay, no one expected this to happen." Jun Xiaoyao patted Tu Shanwan's scented shoulders comfortingly.

Tu Shanwan was moved again.

"The son is such a gentle person."

Yun Xiaohei saw this scene, his eyes were torn apart.

"You said I don't understand anything, but now I understand it because of him."

"As long as there is no him, everything can return to its original place."

Yun Xiaohei's eyes locked on Jun Xiaoyao.

He could no longer contain the jealousy in his heart.

The supreme cultivation base burst out, and a destructive force was brewing.

Yun Xiaohei rushed towards Jun Xiaoyao, and ten foxtails spread out behind him, which directly turned into ten pitch-black war spears and pierced towards Jun Xiaoyao.

"As long as you die~www.mtlnovel.com~ everything can be back on track!"

This powerful move is enough to tear some ordinary supreme in an instant.

This is the power of the ten-tailed black fox!

however.....

Jun Xiaoyao's body shook, his five fingers clenched his fists, and one punch opened the sky!

boom!

The sky seems to be divided into two and exploded.

There was a sound of vomiting blood.

Yun Xiaohei's figure was blown into the air, his chest was cracked, and the blood was splashing and falling down. He was traumatized in an instant, and he was a little embarrassed.

"A lot of jiji and crooked, do you really treat yourself as a person?"

Jun Xiaoyao tilted his head slightly, his tone didn't fluctuate in the slightest, and he was extremely indifferent, like to an ant.
