

Sacred Body 1051

[Chapter 1051: Find the mother of flowers on the other shore, enter the abyss, and walk on the road](#)

"Why, inconvenient?"

Seeing Meng Nu'er's expression, Jun Xiaoyao asked.

Meng Nu'er shook her head slightly: "That's not true, it's just that the supreme is not in the ancestral land of my clan."

"Even if it is from my tribe, it is difficult and difficult to see him."

Mengnuer's meaning is expressed.

It's hard for them to meet from family members, let alone foreigners.

"Dare to ask where the nobility is located?"

No matter how difficult it is, Jun Xiaoyao has to go through it.

"Enter the bottomless abyss, step on the Huangquan Road, cross the Naihe Bridge, and you will see the supremacy of our clan." Meng Nuer said.

Jun Xiaoyao knows that there is indeed a place called the Abyss.

The other side is located in the deepest part of the other shore state, which is known as the forbidden land of all souls.

No creatures dare to step in on weekdays.

And by listening to the meaning of Meng Nuer's words, you can know that the Huangquan Road and the Naihe Bridge are obviously not easy to walk through.

"Thank you for letting me know." Jun Xiaoyao arched his hands slightly.

"Do you really want to go? It is not easy to break through, let alone how the supreme family will treat you."

Meng Nuer is advising.

On weekdays, if it doesn't matter to the ethnic group.

Even if it is the strongest of the Bian clan, he dare not go and disturb the mother of Bian Flower.

Not to mention that Jun Xiaoyao is an outsider, the supreme strength is in front of the mother of flowers on the other side, and it is not much different from the ants.

She really didn't understand why Jun Xiaoyao insisted on going to see the mother of flowers on the other side.

"I just want to seek an answer in my heart, to relieve my doubts." Jun Xiaoyao smiled and didn't elaborate.

Meng Nu'er is also very acquainted, and didn't get to the bottom of Jun Xiaoyao.

"Well, how the son chooses is your freedom." Meng Nu'er also stopped admonishing.

Jun Xiaoyao is going to the Abyss.

Xuanyue is very persistent, and she must follow along.

Jun Xiaoyao did not refuse.

He felt that, to a certain extent, Xuanyue also seemed to have a causal relationship with the ghost face girl.

Next, Jun Xiaoyao said goodbye to Meng Nu'er, and went to the Abyss with Xuan Yue.

This news has caused quite a stir in the other state.

Bottomless Abyss, after all, is not a good place, it is normal to have back and forth.

Seven days have passed.

Jun Xiaoyao and Xuan Yue came to an extremely desolate place.

The gray band-shaped haze enveloped this place, making everything hazy.

The world is dim, withered vines and old trees are dim.

From time to time, corpses will be seen on the side of the road, and some even exude a decent coercion even after tens of thousands of years.

There are more bones of giant beasts like shoulder mountains.

This is indeed a fierce place that makes people feel hairy.

"Are you afraid?" Jun Xiaoyao asked.

Xuanyue's face was slightly pale, not because of fear.

But the Qi machine here is too powerful, and her complexion is a little pale.

"Not afraid." Xuan Yue bit her lip and shook her head.

No matter how fierce you go, as long as you are by Jun Xiaoyao, you can feel a warmth.

"Well."

Jun Xiaoyao nodded slightly.

After continued to deepen, a crack that looked like a heaven appeared in front of it, and it was not bottomed.

"That is the abyss."

Jun Xiaoyao did not hesitate, and took Xuanyue directly down.

Jun Xiaoyao thought that Abyssal Abyss was just a title.

The result is indeed the case.

An hour...

Two hours...

one day...

Two days...

Jun Xiaoyao and Xuan Yue, even if they accelerate to the bottom, they have not yet reached the end.

Finally, after seven days.

The feet of the two fell on a solid ground.

Jun Xiaoyao and Xuan Yue, look around.

was slightly stunned.

Because of the front, a dim light appeared.

is a **** sunset!

A road that stretches into the distance.

Both sides of the road are full of scarlet flowers, forming a splendid and weird sea of flowers.

"What a nice view..."

Xuanyue couldn't help muttering.

Who would have thought that at the bottom of the Abyss, it was such a scene.

The setting sun is like blood, and there is a sea of flowers on the other shore, and there is a lonely road extending to an unknown distance.

"Let's go." Jun Xiaoyao let out a sigh of relief.

No matter what weirdness is, he will get through it in order to find an answer.

The two came to the beginning of the road, and there was a stone tablet carved on it.

Huangquan Road, don't look back.

Jun Xiaoyao exhaled slightly, this should be the Huangquan Road in Mennu'er's mouth.

Walking through Huangquan Road, and then crossing Naihe Bridge, you can see the mother of flowers on the other side.

"Remember, after you set foot on Huangquan Road, don't look back, and don't stand back." Jun Xiaoyao exhorted.

"Yeah, I understand." Xuan Yue nodded.

Jun Xiaoyao and Xuan Yue are on the road.

However, unexpectedly, the expected murderous opportunity did not appear.

They seem to be walking on an ordinary road.

But Jun Xiaoyao knew that it must not be that simple.

I don't know how long it took.

Xuanyue suddenly stopped.

aware of the movement, Jun Xiaoyao did not turn his head, but directly asked: "What's the matter?"

"There is... a voice..." Xuan Yue's voice trembled slightly.

"Sound?"

Jun Xiaoyao frowned, he did not hear any sound.

"Is... Brother?"

Xuan Yue's voice came again.

In her ears, she heard a gentle and familiar voice.

"Xuanyue, you are here, do you want to bring me back from the lost reincarnation?"

"Brother?"

'S voice came from behind her, Xuan Yue really wanted to look back.

I just started on the road, Jun Xiaoyao told me, don't look back.

"Xuanyue, don't you look at your brother? My brother wants to see what Xuanyue looks like when she grows up."

There was another voice from behind.

Xuanyue's lips are about to be bitten.

Before meeting Jun Xiaoyao, the only meaning in her life was to resurrect her brother.

Although she knows now, this kind of opportunity is extremely slim and almost impossible.

"Xuanyue, brother is really sad, don't you want to look at me?"

The voice came again.

Xuanyue's body was trembling, her face turned slightly.

At this moment, he drank with a slightly cold voice.

"Don't look back!"

Jun Xiaoyao's voice, like a basin of cold water, poured on Xuanyue's head.

Then, Xuan Yue felt her hand being held.

Jun Xiaoyao held Xuan Yue's hand and pulled her forward.

Perceiving the warmth from her hands, Xuan Yue took a deep breath, completely calming her mind.

"Xuan Yue, you betrayed your brother, did you choose that man?"

An angry voice came from behind.

"No, you are not an elder brother at all, and elder brother is not such a person." Xuan Yue's heart settled.

She followed Jun Xiaoyao forward.

As for Jun Xiaoyao, he was naturally harassed.

his relatives, his friends. UU reading www.uukanshu.com

There was even Jiang Shengyi's voice, with the meaning of weeping blood.

However, Jun Xiaoyao ignored all this.

Among the younger generation, Jun Xiaoyao is ranked second.

That absolutely no one can rank first.

Ahead, the end of the road appeared.

The two of them passed Huangquan Road smoothly.

Don't look at this simple level.

But it is difficult for people with obsessions to pass.

"Thank you, son." Xuan Yue lowered her head slightly and said.

Her jade hand is still being held by Jun Xiaoyao.

Jun Xiaoyao let go of his hand at will, and said: "You can follow me in the future, but I don't want you to be a drag oil bottle."

"Understand." Xuan Yue squeezed her hand and nodded firmly.

Jun Xiaoyao gave her a new meaning in life, and she would naturally not give up easily.

Next, the two moved on.

Soon, the mist ahead.

A river emerges.

There is also a bridge that spans the river and extends to the depths of the fog.

Naihe Bridge, here it is.

[Chapter 1052: The true body of the mother of the other shore flower, the master of the ghost face, seek 1...](#)

"Naihe Bridge..."

Jun Xiaoyao said to himself.

and Xuan Yue stepped onto the bridge together.

There is still a stone monument on it.

is still engraved with two lines.

The other shore flower blooms in seven colors, and the flower becomes immortal for a thousand years!

Seeing this line of words, Jun Xiaoyao's eyes narrowed suddenly.

Because, this is not what he heard.

Before, he had encountered a woman with a ghost face several times.

In the lower realm, the fissures of the ten realms, and the altar of heroic spirits, the ghost-faced woman also manifested.

and read this sentence.

Jun Xiaoyao was deeply impressed.

He didn't expect to see it here too.

It seems that the Nine Heavens Immortal Realm, including the foreign land, and even the entire world of heavens, have left traces of that ghost face woman.

But the ghost-faced woman is extremely mysterious, as if it does not exist in ancient history.

She herself is a mystery and an incredible.

Jun Xiaoyao and Xuanyue stepped on the Naihe Bridge.

is different from Huangquan Road.

At the first moment he stepped on, Jun Xiaoyao felt a pressure.

A coercion from the soul and the soul.

"That mist..."

Jun Xiaoyao's eyes fell on the mist.

Those mists put great pressure on the soul.

Ordinary Tianjiao, may take a few steps, the soul will be crushed by pressure.

But Jun Xiaoyao is a three-generation soul, so don't worry about it.

Xuanyue's face was pale, and although she was under pressure, this was just the starting point, and it was not unbearable.

"If you can't, you can wait for me here." Jun Xiaoyao said.

"No, I want to be together." Xuan Yue was very stubborn.

She wants to follow in the footsteps of Jun Xiaoyao.

And I also want to see what the mother of other flowers looks like.

And why, the other side organization will select her?

The two are advancing on the Naihe Bridge.

The pressure is increasing.

Every wisp of mist is absorbing soul power, as if it can crush the soul.

At the same time, various fantasies emerged.

is similar to the reincarnation in the sea of reincarnation.

Jun Xiaoyao was okay, Xuan Yue's complexion became paler.

After all, her past experience is still very bumpy.

was considered a freak since childhood and was abused and despised.

The only brother who cared about him was killed by himself in the end.

This life experience, no matter how strong the demons are born, it is normal.

Jun Xiaoyao frowned slightly when he saw it.

directly motivates the three generations of souls.

In the void, the soul power is vast, transforming into the flower of three avenues.

On every flower of the avenue, there is a primordial spirit sitting cross-legged.

Past, present, Future!

As soon as the three-generation soul appeared, the mighty soul power swept the surroundings.

Rao is those weird mists, which are also completely shaken away.

Three generations of souls, like three shining lamps, shining all over the world, dispelling the fog and darkness here.

Only Jun Xiaoyao has such a method, and the road is smooth.

Soon, the two crossed the Naihe Bridge.

At the end of the bridge, a huge dark palace is located in it.

is surrounded by scarlet flowers of the other shore, setting off the dark palace, and it has a mysterious and treacherous feeling.

is like the other shore of Huangquan, the main hall of the underworld Yama.

A river of yellow springs surrounds the dark palace.

There are many petals of the other shore flower, floating on the water, beautiful and beautiful.

Jun Xiaoyao stepped forward and pushed open the door of the dark palace.

Xuanyue followed closely behind.

opened the door.

A terrifying coercion swept over.

This coercion was not voluntarily spread.

is natural coercion.

is like an unimaginable immortal existence, located in it.

Just being the Qi machine, it is enough to press the supreme down, and even burst his body into pieces.

Of course, Jun Xiaoyao is not an ordinary supreme.

He was slender, and his chaotic energy rushed out, resisting this coercion.

Xuanyue followed behind him and was not affected.

"Even the natural coercion is so powerful..." Jun Xiaoyao thought secretly.

as the character who took over the emperor's move.

Jun Xiaoyao probably knows what kind of coercion the emperor possesses.

But the pressure right now.

is definitely not the coercion that an ordinary emperor can possess.

"What realm has the mother of the other shore flower reached?" Jun Xiaoyao secretly figured out.

I am afraid that even Meng Nu'er and other people from the other side emperor are not clear.

The mother of the other shore flower, at least the king of immortality.

But Jun Xiaoyao felt that she should not only stay at this step, but have entered a deeper level.

Inside the palace is still full of flowers from the other shore, and there is a small road in the middle.

Jun Xiaoyao and Xuanyue, resisting the pressure, go deep.

Above the palace, big stars flicker and star trails surround, as if they have come to the boundless universe.

The retreat of the mother of the other shore flower is amazing.

Finally, at the end of the road.

Jun Xiaoyao saw it.

A throne that seems to stand forever.

On the throne, there is an ancient imprint of the other shore flower carved.

A peerless shadow wrapped in a black dress, sitting on it.

Endless horror aura envelops her delicate body, which makes people feel unreal.

seems to be a mystery, not located in this piece of time and space.

Only those who are extremely strong will have this kind of vision emerge.

The powerful force seems to be able to obscure cause and effect and existence.

Various chains of order gods, traces of avenues, and mysterious runes surround it.

Jun Xiaoyao frowned slightly, chaos surging in his eyes.

The special ability of the Chaos Body, the Eye of Chaos comes out.

can see through all falsehoods.

After blessing the Eye of Chaos, Jun Xiaoyao can finally see the person on the throne slightly.

Three thousand green silks, like a waterfall, flow down from the throne.

A pair of beautiful straight and slender legs protruding from under the skirt, overlapping.

The bare jade feet, without shoes and socks, the toes are crystal-clear, and the insteps are white and delicate, like exquisite works of art.

Such a pair of beautiful feet like snow should never fall to the ground and be contaminated with dust.

Looking up along the feet and legs of the peerless person, the slender body is perfectly wrapped in the black skirt.

Further up, there is a swan-like white neck.

fell on his face again, Jun Xiaoyao's eyes stopped.

A grimace mask concealed her mysterious face.

"You are the first person who dares to look directly at the king like this."

is full of majestic, but sweet as the sound of nature, from the mouth of the mother of flowers on the other side.

Just ~www.mtlnovel.com~ Jun Xiaoyao can hear it.

In this voice, there seems to be a strange feeling.

"Senior should be the mother of flowers on the other side. I came down here just to find an answer."

Facing the legendary figure of the other side emperor clan, it can be said that no one can calm down.

Jun Xiaoyao smiled, calmly, speaking in the calmest tone.

"Oh? Has this king ever had a cause and effect with you?" The mother of Bianhua's voice is still indifferent.

Jun Xiaoyao took out a grimace mask.

This grimace mask was obtained by Jun Xiaoyao in the Bronze Immortal Palace.

The bronze fairy palace is also one of the backs left behind by the ghost face woman.

When I saw the mask that looked like crying but not crying, and looked like laughing but not smiling, it seemed a little clumsy.

The mother of the other shore flower sitting high on the throne, her breath was slightly shaken, obviously responding.

"The flowers of the other bank bloomed in seven colors, and the flowers became immortals for a thousand years."

"What does the master of this ghost face have to do with seniors, or..."

"Senior is the master of this ghost face!"

Jun Xiaoyao stared directly at the mother of flowers on the other side!

[Chapter 1053: 1 similar flower, she is not her](#)

Regarding the ghost face woman, Jun Xiaoyao has always wanted to find an answer.

He had seen the traces of the ghost face woman several times before.

But the ghost-faced woman seems to have misunderstood him and mistakenly thought it was the reincarnation of her brother.

Therefore, Jun Xiaoyao wanted to seek the truth.

And the traces left by the ghost face woman before, there are traces of the other shore flower.

There is also the grimace mask Xuan Yue wears.

All these clues all point to the other side emperor clan.

So, Jun Xiaoyao is here, and I want to find out a result.

After taking out the grimace mask again, the expression of the mother of Higan Flower is obviously a little strange.

Then, she actually got up from the throne.

The delicate and flawless jade feet, lightly touch the void.

Where the soles of the feet fall, blossoming flowers bloom.

The white barefoot and the scarlet flowers of the other shore complement each other.

Foot control ecstasy!

In the next instant, the mother of Bi An Hua came to Jun Xiaoyao.

The coercion was not deliberately dissipated, but it was enough to instantly crush the supreme and powerful, causing his body to burst.

Rao is Jun Xiaoyao, who has a chaotic physique, and has cultivated the laws of the flesh.

At this moment, the bones are also creaking slightly, and I feel a terrible pressure.

Xuan Yue on the side has a feeling that his soul is about to freeze.

If it wasn't for Jun Xiaoyao to help her withstand all the pressure, Xuanyue's body would be destroyed directly.

so horrible!

The cultivation level of the mother of the other shore flower is unfathomable.

is definitely not limited to the level of the general immortal king.

"Where do you come from, this mask?" asked the mother of Higan Flower.

"Perhaps senior should answer my doubts first." Jun Xiaoyao calmly said.

In the face of this foreign top powerhouse, Jun Xiaoyao has a flat face and no waves in the ancient well.

His inborn family background, coupled with his own temperament, made him calm and calm even when facing the immortal king.

"Are you bargaining with this king?"

The mother of the other shore flower obviously did not expect that Jun Xiaoyao would have this attitude.

In the past, even if her people faced her, they were all five-body, and they didn't dare to look at her directly.

"I'm here to seek answers, not to answer doubts." Jun Xiaoyao said.

There is another reason why he is so calm.

is that he is almost 90% sure of the conclusion.

The mother of flowers on the other side will not be against him.

"Your cause and effect is very vague..." The mother of Higan Flower's voice is indifferent.

She has gone a step further in the realm of the immortal king.

deduce the cause and effect, naturally it is not a problem.

However, she could not capture the slightest past of Jun Xiaoyao.

is like a blank space.

Jun smiled freely, and there was nothing to hide.

He dispelled his concealment means, and his true content was completely revealed.

, she is beautiful and beautiful, handsome and unparalleled.

"Introduce formally, Xianyu Junjia, Jun Xiaoyao."

Jun Xiaoyao had a peaceful face and said with a smile.

Behind, Xuan Yue was completely dumbfounded.

Jun Xiaoyao is going to die?

in front of an immortal king of a foreign emperor, revealing his identity as the family of the immortal emperor.

What's the difference between this and looking for death?

"This.....?"

The mother of flowers on the other side, the gaze under the grimace mask suddenly fixed on Jun Xiaoyao's face.

Her focus is not on the background of the identity of Jun Xiaoyao and the family of Xianyu.

and on his face.

In his memory, there seemed to be a vague face that gradually became clear.

That face brought her endless warmth, just like Jun Xiaoyao in front of her.

is like a similar flower.

After practicing for countless years, that cold and silent heart was actually because of Jun Xiaoyao's slight tremor.

Inexplicable emotions emerged from the bottom of my heart.

"You are... Jun Xiaoyao..."

The mother of the other shore flower muttered to herself, her eyes never looked away from Jun Xiaoyao's face.

"How is this going?"

Behind, Xuan Yue was extremely surprised.

After learning the true identity of Jun Xiaoyao.

The mother of the other shore flower, did not release any killing intent.

was just a little surprised, staring at Jun Xiaoyao dreamily.

Jun Xiaoyao has an expectation in his heart.

Even though he looks good, he is indeed enough to make the women of the world sink at a glance.

But as the mother of the supreme immortal flower of the other side, obviously it won't be Yan Zheng.

That means that Jun Xiaoyao's face mirrors the person in the heart of the mother of Bianhua.

"From this point of view, is it possible that the mother of flowers on the other side is a woman with a ghost face."

"The person she is looking for should be her brother, who is like me."

"The reason why Xuanyue was selected is probably because of similar life experiences, which has a certain resonance."

Jun Xiaoyao instantly thought a lot, guessing the cause and effect.

But then, I was caught off guard.

A warm and delicate jade hand stroked Jun Xiaoyao's cheek.

The mother of the other shore flower, as if the soul had been taken away, just looking at Jun Xiaoyao.

The grimace mask concealed her expression, but could not conceal her complicated gaze.

"In this world, when a flower withers, will it bloom again at some point in the future?"

The mother of flowers on the other side, said something that seemed to be thoughtless.

Jun Xiaoyao showed a different color in his eyes, and then said faintly: "There is no exactly the same flower in this world, just like there is no exactly the same person."

"Really?" The mother tongue of Higan Flower is quiet.

"Can seniors answer the doubts of juniors?"

Jun Xiaoyao wanted to know whether the mother of flowers on the other side was the ghost-faced woman he had been looking for.

Hearing this, the mother of the other shore flower retracted the jade hand that was touching Jun Xiaoyao.

Then slowly lifted up and took off the grimace mask on his face.

The mist is surging, the glow is shining, and it is very hazy.

It is difficult for ordinary people to see his face clearly and will be isolated.

But Jun Xiaoyao has the eyes of chaos, and can see the peerless appearance of the mother of flowers on the other side.

The facial features can be said to be beautiful in the world, and among the women Jun Xiaoyao has seen, they rank in the top five.

Her eyebrows are marked with a little bright red flower.

Time can't leave the slightest flaw on this face.

can only precipitate a flavor of time.

"You said, this king might have misunderstood you as someone."

"But in fact, you may also have some misunderstandings about this king."

The mother way of the other shore flower.

Jun Xiaoyao's eyes flashed ~www.mtlnovel.com~ slightly unexpected.

Did he guess wrong?

The mother of Higan Flower has nothing to do with the ghost girl?

But all the clues of the ghost face woman before, indeed point to the other side clan.

seems to have seen the accident in Jun Xiaoyao's eyes.

The mother of the other shore flower said in a faint voice: "The other shore flower blooms for a thousand years and falls for a thousand years. The flowers and leaves will never meet. Love is not a cause and effect. Fate is doomed to life and death.

"She, just waiting for someone to return."

"Waiting for a thousand years, another thousand years."

"One era, another era."

"In the end, what I waited for was just a similar flower, how sad?"

The sigh of the mother of the other shore flower fell.

Jun Xiaoyao's expression changed slightly.

"Isn't the senior..."

Jun Xiaoyao didn't expect that he would guess wrong.

I heard from the mother of Higan Flower that she is not the ghost-faced woman, but she has met the ghost-faced woman.

"No, you guessed it right, but you didn't guess it completely."

"This king is her, but not her either."

[Chapter 1054: The truth is revealed, the body of the first life, the flower of the 4 souls](#)

The words of the mother of flowers on the other side seem to be going around in a circle.

Jun Xiaoyao doesn't think she is deliberately being a riddler.

"Senior, can you tell me in detail?"

Jun Xiaoyao has a solemn expression.

The mother of the other shore flower looked at Jun Xiaoyao.

Originally, according to her position, she should kill Jun Xiaoyao directly.

But in my heart, there are certain feelings and emotions surging.

Seeing Jun Xiaoyao is like seeing the most familiar and closest person.

Therefore, the mother of the other shore flower, it is impossible to start with Jun Xiaoyao.

Don't say he is just the family of Xianyujun.

Even if he slaughtered the entire Imperial Clan on the other side.

It is estimated that the mother of the other shore flower will not hurt Jun Xiaoyao.

This is the existence carved into the soul.

"Once upon a time, this king was just a flower on the shore of the river Styx in an unspeakable place."

"After countless years of baptism, I don't know how many epochs have passed, and I have grown step by step to become the king of immortality."

"However, when the king wanted to step into a deeper state, the king failed and was hit hard, and the cultivation of the world would be destroyed."

The mother of other shore flowers, with memories, telling.

Higan Flower, possesses a special ability to reincarnate.

because they themselves are the flowers of the yellow spring that extradite the soul.

This is an ability that other creatures can hardly possess.

They can also condense the mark of reincarnation, resurrecting from life to life.

But that time, the mother of the other shore flower was extremely injured, suffered trauma from the road, and even the immortal Tao fruit was crushed.

And just then, a woman with a ghost face appeared.

She is not an alien creature, but enters it grandiosely.

No one can block her way.

Even if the Immortal King is in front of her, she is terrified.

The kings retreat!

Ghost noodle girl, is specially for the other shore flowers.

She wants to take advantage of the reincarnation ability of the other shore flower to live out her life again.

obliterate, or symbiosis?

The ghost noodle woman gave her a choice.

obliterated her sanity and seized her house directly.

Or, merge and symbiosis with it.

After the first reincarnation, the ghost-faced woman has fully developed the supernatural powers of the other side flower.

The mother of the other shore flower can get back the dominance of the will.

At that time, the mother of the other shore flower did not hesitate, and directly chose the fusion symbiosis.

Because she can feel the horror of the ghost face woman's strength, it is absolutely inscribed in ancient history.

can merge with her, in fact, the mother of the other side flower does not suffer.

The only thing she can provide to the ghost-faced woman is the reincarnation method of the other shore flower line.

Then, everything went smoothly.

Ghost noodle girl is born.

fades away the old body, transforms into a womb, and blends into the mother of the other shore flower.

In that lifetime, the mother of the other side flower was the ghost-faced woman, and the ghost-faced woman was the mother of the other side flower.

The other side emperor clan was also created at that time.

It is a ghost face woman who returns a favor from the mother of the other shore flower.

"She is too strong, but within a lifetime, she has completely comprehended the various mysteries of the Bian Flower Clan and created the Bian Reincarnation Fairy Art."

"A exercise that is comparable to the top celestial scriptures."

"After the first lifetime, she left."

"But she has completely controlled the power of the other shore flower, which can break the imprisonment of reincarnation and condense the mark of reincarnation."

"Years can no longer stop her pursuit."

The mother of the other shore flower said here, she also sighed extremely.

It is hard to imagine that the supremely admired by countless people in a foreign land, the mother of flowers on the other side, would talk about a person in such a respectful tone.

That ghost-faced woman, even she can only admire.

The handwriting is too big, walking through ancient history, resisting time and years, Era can't obliterate her.

Jun Xiaoyao is also a stunned person, like a divine enlightenment, thinking about a lot of things.

Why does the ghost face girl have the power of the other shore flower.

Why can she wander freely in ancient history.

There is also the ghost-faced female burial emperor who is buried forever.

When Jun Xiaoyao entered the funeral world, the Empress of Guimian Empress once helped him.

The ghost face female buried emperor can also use the power of the other shore flower.

Now I think about it, the ghost-faced female burial emperor, maybe the remnant body of the ghost-faced woman in a certain life, was buried in the burial soil and reborn with spiritual wisdom.

"So now, Senior is still affected by her?" Jun Xiaoyao asked.

The mother of Bian Flower said: "Indeed, there is still part of her consciousness in my consciousness. Otherwise, she will not be included by the Bian organization."

The mother of the other shore flower glanced at Xuan Yue.

Xuan Yue understood the reason why she was selected.

Perhaps her life experience resonates somewhat with that ghost-faced woman.

Jun Xiaoyao's puzzle has been solved a lot.

But the only regret.

The mother of the other shore flower is just the first life of the ghost-faced woman.

is not even a complete life, because it is just a symbiotic relationship.

Where is the real she?

There are traces in various places.

Mingming has never really seen Jun Xiaoyao with his own eyes, but has given him tremendous help many times.

If it's just a similar flower.

Jun Xiaoyao thinks he can't bear this love.

"Are you still wondering, where is she on earth?" Seeing Jun Xiaoyao's expression, the mother of Bi An Hua asked.

"Indeed." Jun Xiaoyao nodded.

"With your talent, it may not take long to see her."

"She is also waiting."

"Waiting for what?" Jun Xiaoyao asked back.

"Waiting for you to fully grow up and become an existence that truly overlooks the ages."

"At that time, the truth she is looking for may be able to appear."

"The truth?" Jun Xiaoyao smiled when he heard the words.

He would also like to see this ghost-faced woman who is amazing and talented, condenses the reincarnation seal of the world, and wanders in ancient history.

"Thank you, senior, for answering your questions." Jun Xiaoyao slightly arched his hands.

He also got the clue that he should get.

I can only say that there are still regrets.

But think about it, although the mother of the other shore flower is too strong to be measured.

But compared to the ghost-faced woman, it is still inferior.

"By the way, I can tell you one more thing, she has entered the unspeakable place." The mother of the flower of the other side said.

"Oh?" Jun Xiaoyao had another guess in his heart.

The ghost face woman has entered the unspeakable place.

Have you encountered the ultimate disaster?

This makes Jun Xiaoyao curious.

One side is a ghostly woman who is amazing and brilliant, wandering through ancient history.

One party is the ultimate misfortune in a foreign legend, an unspeakable, unspeakable, unspeakable existence.

Why did the ghost face woman go to the unspeakable place?

Has she witnessed the ultimate disaster with her own eyes?

Although there are some mysteries in my heart, UU read www.uukanshu.com, but the mother of flowers on the other side did not say it, and Jun Xiaoyao did not ask.

"Thank you, senpai, I'm leaving now."

Jun Xiaoyao is ready to leave.

"Are you leaving like this?"

The mother of other flowers suddenly said.

Jun Xiaoyao stepped.

But seeing Yushou, the mother of the other shore flower, made a slight move.

Jun Xiaoyao space artifact suddenly appeared.

"She even gave you this." said the mother of the flower.

Jun is happy for a moment.

The thing that emerged was a flower.

is on the ultimate ancient road, buried emperor star, chaotic ancient pagoda, nine hundred and ninety-nine floors.

Ghost face woman brand, a real flower sent out over a long period of time.

"Dare to ask seniors, this is..."

That flower, seemingly ordinary, has only four petals.

Even Jun Xiaoyao can't recognize the source.

"This is the flower of the four souls, in which there is a mark of reincarnation. It seems that she has foreseen that you will encounter life and death in the future."

The mother tongue of Higan Flower is a bit heavy.

[Chapter 1055: The Great Tribulation of Life and Death, the Immortal Art of Reincarnation on the Other Shore, the Bridge of Soul](#)

"Life and death?"

Upon hearing the words of the mother of flowers on the other side, Jun Xiaoyao's expression was light.

If ordinary people learn that they may encounter life or death in the future, 80% of them will be anxious and a little flustered.

But Jun Xiaoyao has no such emotion at all.

This is absolute natural strength and self-confidence.

But this reminded Jun Xiaoyao of a glimpse of the future scene he saw when he condensed the future soul.

The world is turbulent, all spirits are bleeding, and even the quasi-emperor is in the universe.

and Jiang Shengyi...

The catastrophe of life and death, is it related to that kind of catastrophe?

And the ghost-faced woman, who actually gave him the flower of the four souls in advance, did he really foresee the catastrophe of his life and death in advance?

"Dare to ask seniors, the role of the flower of the four souls..." Jun Xiaoyao asked.

Even with his background and vision, he has never heard of the name of the flower of the four souls.

"At the critical moment, the flower of the four souls will help you, but that is the last resort." The mother of the flower of the other side.

I don't know why, after feeling that Jun Xiaoyao might encounter life and death in the future.

There is an inexplicable tingling sensation in the mother of the other shore flower.

She knew that this was another ghost-faced woman's remaining will affecting her.

"By the way, would you like to learn the immortal tactics of Samsara on the other side?" said the mother of the flower on the other side.

Jun Xiaoyao was taken aback when he heard the words.

The Reincarnation Fairy of the Other Shore?

That should be the supreme core technique of the other side emperor clan.

was also in the ghost face woman's life, she created a top celestial scripture level technique by integrating the gods of the other side clan.

The preciousness of the Samsara Fairy Technique on the other shore can be imagined.

It can be said that even in the other side emperor clan, not many clan members are qualified to practice this technique.

The mother of Higan Flower is willing to teach him this outsider.

Seeing Jun Xiaoyao's eyes cast, the eyes of the mother of the other shore flower are drooping.

Jun Xiaoyao is also very smart, expecting that this might be the effect of the ghost face woman's residual will.

He was not polite either, nodded slightly and said, "Then thank you senior."

The mother of the other shore flower raised her hand and pointed it out.

A bright fairy light emerged and escaped into Jun Xiaoyao's forehead and mind.

Because the Samsara Immortal Technique on the other shore is too precious, there is no scroll left.
can only be passed on to others by passing it on.

Jun Xiaoyao only felt that paragraphs of incomparably vast and mysterious scriptures flooded into my mind.

"By the way, and you, you have a special physique. Although you are a mortal body, you can swallow the Source of Ten Thousand Ways. It is a bit similar to that one."

"This **** swallowing heaven and good fortune art is also the technique she practiced. Would you like to practice it?" The mother of the other bank flower looked at Xuanyue again.

"Of course I do, thank you senior."

Xuanyue arched his hands.

This is a great opportunity that I can't ask for.

And Xuanyue also had an impulse in her heart.

She must have enough strength to keep up with Jun Xiaoyao and drag the oil bottle improperly.

The mother of flowers on the other side also taught Xuanyue the God-Swallowing Technique.

The Reincarnation Fairy Technique of the Other Shore, the God Technique of Swallowing Heaven and Good Fortune, are all created by the ghost-faced woman.

And these two exercises are both of the immortal scripture level.

It can be seen how amazing the ghost-faced woman is.

Jun Xiaoyao even felt that the ghost-faced woman might be the same as him.

has an unusual level of enchanting talent.

The so-called anomalous number is the existence of evildoers that are intolerable to the world!

In the next time, Jun Xiaoyao and Xuan Yue stayed here for the time being, and they learned the exercises separately.

The mother of flowers on the other side, bored, sat back on the throne, with a fragrant cheek in her jade hand, and stared blankly at Jun Xiaoyao who was sinking into practice.

She doesn't understand why the ghost-faced woman is so obsessed, she wants to find a similar flower.

Perhaps, this is a wonderful misunderstanding in itself.

Just when Jun Xiaoyao sank into practice.

Something happened in the outside world.

Someone has seen that in the area of Chaos Demon Sea, there is a dark six-pointed star mark, reflecting the sky.

That means that another king who destroys the world has been born.

Chao Mohai, the geographical position is very special.

is located at the junction of ten foreign states and unspeakable places.

is like a boundary line separating the two places.

It's nothing but a sea of chaos, and it's not dead and nobody.

There are some islands scattered all over the place.

There are also some races living in it.

The Yixie clan where Kagura is located, happens to be the immortal emperor clan living in the sea of chaos.

its ancestral land is also on the island of the sea of chaos.

I said before that the Yixie clan is related to the race in Unspeakable Land.

Because they are close, they know the secrets of some unspeakable places.

And now, there is a world-destroying king in the Sea of Chaos, which undoubtedly attracted a lot of attention.

"There is another king who destroys the world. It's time to find a palace."

After receiving the news, Kagura is going to find Jun Xiaoyao.

The Six Kings are about to appear, and it is time to prepare and go to the Unspeakable Land.

Besides, besides this reason, Kagura has another thing, and he needs to return to the sea of chaos.

She learned the news that Jun Xiaoyao had appeared in the Bi An Dazhou, so she also rushed to the Bi An clan.

Soon, Kagura met Meng Nu'er.

The two women stand opposite each other.

"Meng Nu'er, where's the one from my family's palace?" Kagura smiled slightly, beautiful and charming.

Two women, especially two peerless women, if they meet.

has only two relationships.

Or as close as sisters.

Or contend for beauty.

"Young Master Xiaoyao is a guest in my clan. He had communicated with the little girl all night and had a good chat." Mennu'er was also smiling, her face dreamy.

"Oh, isn't it, then I'm going to ask Yiwangdian myself." Kagura's eyes narrowed slightly.

A weird atmosphere permeated between the two women.

There is actually a feeling of jealousy.

"Forget it, let me tell you directly, Young Master Xiaoyao has gone to visit the supremacy of my clan, do you want to find it too?" Meng Nu'er said.

"Mother of Higan Flower?" Kagura's eyes condensed.

Even if she is leaning against the Yixie clan, she still cannot be condescending when facing the other side clan.

One of the big reasons is that it is the mother of Higan Flower.

She is too mysterious and too powerful.

Even some immortal kings are jealous, and they don't want to be gangsters with the other side.

"If this is the case, then I will wait here, I wonder if Sister Menuer is welcome?" Kagura said.

"Of course." Meng Nu'er smiled.

Between the two women, secretly wrestling.

One is as beautiful as a fairy, and the other is as charming as a demon.

The temperament is completely opposite.

Jun Xiaoyao naturally didn't know that Kagura had come to look for him.

During this time, Jun Xiaoyao was also comprehending the Immortal Jue of Reincarnation on the other shore.

I have to say that this technique created by the ghost face woman is very mysterious.

is not weaker than the various immortal scriptures that Jun Xiaoyao had practiced before.

And this technique, UU Reading www.uukanshu.com combines all the abilities of the other side flower.

Jun Xiaoyao will not be able to digest it for a while.

However, during this period of time, he was in the Samsara from the other side.

refined a terrifying soul supernatural power.

The other side flower line is originally good at the way of the soul. The little Tianzun who used to be the blue other side flower line also wanted to use soul tricks to deal with Jun Xiaoyao.

But in the end he took himself into the pit.

"The Soul Bridge on the other shore..."

Jun Xiaoyao muttered to himself.

This is the soul supernatural power he extracted from the Samsara Immortal Art of the Other Shore.

The soul bridge on the other shore, the soul crosses the other shore.

Once the cast was carried out, a soul bridge appeared.

As long as the opponent's primordial spirit is slightly weaker, he will immediately be recruited. The primordial spirit will leave the body, step on the soul bridge, and head to the other side.

This trick can just be used for the future soul.

In this way, Jun Xiaoyao has his own moves in the past, present, future, and three generations.

When is displayed at the same time, the power can be increased exponentially.

This can once again become Jun Xiaoyao's trump card.

[Chapter 1056: Parting hug, the sea king of chaos is born](#)

After refining the soul supernatural power of the Soul Bridge on the other side.

Jun Xiaoyao did not practice any more.

The mystery of the Reincarnation Fairy Technique on the other shore, he needs time to digest.
can't fully comprehend in a moment.

Xuanyue also temporarily finished her training.

Her breath is much deeper than before.

adds a bit of cold temperament.

"Xuanyue, it seems that your harvest is not small." Jun Xiaoyao smiled slightly.

"I would like to thank my son for being willing to bring Xuanyue here."

Xuanyue looked at Jun Xiaoyao's eyes, full of gratitude.

This time I came to find the mother of the other shore flower, but she didn't play a role.

is a drag oil bottle.

And now, Xuanyue, who has obtained the God-Swallowing God Art, finally has the confidence to follow Jun Xiaoyao.

Jun Xiaoyao turned to look at the mother of flowers on the other side, and slightly arched his hands: "Thank you senior this time, for helping me a person in the fairyland."

The mother of the other shore flower didn't say anything.

If it were other creatures in the immortal realm, she could kill it in a single thought.

But Jun Xiaoyao, don't say he is a person from the fairyland.

is that he wants to annihilate the entire foreign land, and the mother of the other side flower will not do anything to harm him.

"This is the end of the matter, and the answer that should be obtained has also been obtained. I will leave now."

Jun Xiaoyao is about to leave.

"Slowly."

The mother of the other shore flower suddenly spoke.

She glanced at Xuan Yue.

"Xuan Yue, you wait outside first." Jun Xiaoyao said.

"Yes." Xuan Yue nodded and left the hall directly.

Only the mother of Bianhua and Jun Xiaoyao are left.

The mother of the other shore flower raised her hand.

A beautiful flower from the other shore emerged, drifting towards Jun Xiaoyao.

The seemingly beautiful flowers, but contain a heart-pounding coercion and power.

"Seeing flowers is like seeing me, it can help you save some trouble." The mother of the flower of the other side said.

Jun Xiaoyao's identity is too sensitive, and if he reveals his stuff a little, it will be a disaster of extinction.

The mother of the other shore flower is also unclear.

This kind of worry about Jun Xiaoyao in her heart.

Does it come from the original mind or from the will of the ghost-faced woman?

Maybe there is no difference between the two.

Jun Xiaoyao took it, and put away the flowers on the other side.

There was a smile on his face.

"Thank you."

Jun Xiaoyao sincerely said.

Although he knows, even because of the will of the ghost-faced woman, the mother of Higan Flower will take care of him.

But to be thankful, still to be thanked.

Seems to see Jun Xiaoyao intending to leave.

The expression of the mother of the other shore flower, there is actually a touch of hesitation.

Jun Xiaoyao is very keen, aware of this.

"Dare to ask seniors what else to say?"

The mother of the other shore flower hesitated for a moment, and then said slightly.

"I don't know, can you...can you hug this king?"

to be frank.

I couldn't even think of the mother of Higan Flower, that I would say such a thing.

Who is she, the king of the other side.

is famously immortal in a foreign land.

reached her level.

Even emotions such as feelings and desires are things that can be easily controlled.

The result is now.

Is she begging for a hug?

If it hadn't been said in person, the mother of Higan Flower would not believe it herself.

It's not like something I would say at all.

It can only be said that the remnant of the ghost face woman's will has merged with her own will, affecting her judgment.

Jun Xiaoyao was also taken aback.

Such a super immortal powerhouse, saying this kind of thing, there is indeed a sense of violation.

But he thought of the ghost-faced female burial emperor again.

When he left the Eternal Burial Ground, the Queen of the Ghost Face also wanted to give him a hug.

Maybe the ghost-faced girl is too short of love.

Jun Xiaoyao didn't hesitate, and directly stepped forward and grabbed the waist of the mother of flowers on the other side.

The mother of Bi An Hua answered his doubts, and also gifted Bi An Samsara Immortal Art and Swallowing Heaven God Art.

Hug, don't suffer.

Fortunately, Jun Xiaoyao's body is a chaotic body, extremely powerful.

Otherwise, it would be embarrassing. It would be difficult to get close to the mother of flowers on the other side, let alone hug.

Feeling Jun Xiaoyao's body temperature, the mother of Bianhua's body also couldn't help shaking.

An emotion that originated from the depths of the conscious soul emerged.

She couldn't help but leaned her head on Jun Xiaoyao's shoulder.

She was as slippery as fat, very close to Jun Xiaoyao, enough to make anyone's heart beat when she watched it.

Jun Xiaoyao is very calm and calm.

After passing by Luo Xiangling, he no longer thought about picking up beautiful old aunts casually.

Because it is too much trouble.

A Luo Xiangling is so troublesome.

Not to mention the stronger, older mother of the other shore flower.

It's not good to say that it's enough for Xiaoyao's grandmother, the mother of flowers on the other side, to be the monarch.

So when embracing this beautiful "grandma", Jun Xiaoyao's heart is still in water.

It seems that ten thousand years have passed, and it seems that only a moment has passed.

Jun Xiaoyao released his hand.

Although the mother of the other shore flower is slender and slim, Jun Xiaoyao has no nostalgia.

The mother of the other shore flower suddenly felt empty in her heart, as if she had lost something.

But she was immortal after all, and soon calmed down.

"Farewell."

Jun Xiaoyao left.

Looking at Jun Xiaoyao's back, the mother of the other bank flower has deep eyes, and there is a faint trace of complexity and nostalgia.

"You will be in this world again, what trouble will you make?"

The mother of flowers on the other side faintly feels that Jun Xiaoyao hides his identity.

It is possible to have a big vote in a foreign land.

When the time comes, he will definitely be in an extremely dangerous situation.

At that point, the mother of Bi An Hua didn't know whether she wanted to catch up with the entire Bi An clan for him alone.

Here, Jun Xiaoyao also left the palace.

Xuan Yue was waiting outside.

"After that, maybe there will be a goodbye day." Jun Xiaoyao muttered in his heart.

He has a hunch that storms will come in the future.

The mother of the other shore flower, shouldn't turn a blind eye to it.

In this way, except for a mysterious immortal that Kai Jun Xiaoyao fabricated himself.

The King of God Ao, King of Nine Tails, plus the mother of the other shore flower.

Those are the three immortal kings who are behind him.

Among them, the mother of the other shore flower, the cultivation base is suspected to be above the ordinary immortality, and Jun Xiaoyao can't judge for a while.

But no matter what, Jun Xiaoyao now has a deep background.

Then, he and Xuan Yue left from the Abyss and returned to the other side clan.

When Jun Xiaoyao returned to the other side clan.

Many members of the other side clan are extremely surprised.

"My son, have you seen the supreme?" Meng Nu'er came upon hearing the news. UU reading www.uukanshu.com

Jun Xiaoyao was a little surprised by the arrival of another charming woman.

Kagura.

"I have indeed seen it." Jun Xiaoyao said.

shocked all around.

The mother of the other shore flower, not everyone is qualified to see it.

"The son really has a relationship with the other side of my family."

Meng Nu'er approached Jun Xiaoyao, smiled slightly, and looked very intimate.

"Ok?"

Jun Xiaoyao raised his eyebrows.

Although she respected herself before, she was not so close, right?

"Yiwangdian, you finally showed up, but Nunu has been waiting for a long time."

Kagura's willow waist twisted, and he also came to Jun Xiaoyao's side, with Yu's hand holding Jun Xiaoyao's arm.

Jun Xiaoyao suddenly.

Mengnuer and Kagura seem to be wrestling in secret.

"What can I do if you come to me?" Jun Xiaoyao asked.

"The sea of chaos, the dark hexagram reappears." Kagura said.

Jun Xiaoyao's eyes lit up.

That represents, another king who destroys the world is born!

[Chapter 1057: Luanmohai Emperor Clan, wedding banquet, waste of 8 Qi Emperor Clan...](#)

Jun Xiaoyao also knows a thing or two about the sea of chaos.

is located at the junction of ten foreign states and unspeakable places.

The specific situation, Jun Xiaoyao is not clear.

"Do you know the situation of Chaos Demon Sea?" Jun Xiaoyao asked.

"Chuck, Yiwang's palace is joking, the Yixie clan where the slaves are, the ancestral land is in the sea of chaos." Kagura laughed.

"That's it."

Jun Xiaoyao understands.

In the Sea of Chaos, there are also foreign races.

He also knows why Kagura knows so many secrets.

The month comes first near the water tower.

The Yixie clan is close to the unspeakable place, and naturally they can learn many secret messages.

"Well then, leave here first." Jun Xiaoyao said.

"Don't you stop staying for a while, the young woman wants to discuss the truth with the young man." Meng Nuer invited.

"Sister, you may not have this chance, but your adult's time is precious." Kagura showed a proud look.

Mengnuer grinds his teeth secretly.

Jun Xiaoyao income in the eyes.

Mengnuer is as vulgar as a fairy in the sky.

Kagura is as coquettish as a charmer.

is really a completely different style, no wonder they will compete secretly.

"Thank you Meng Nuer for inviting me, there are still important things next time, don't go over it for now."

Jun Xiaoyao refused.

"That's really a pity, but since the son is able to face the supremacy of my clan, then the door of my other side will always be open for the son." Meng Nu'er said sincerely.

However, Kagura interrupted, "Will your door be opened for adults?"

Hearing this, Bing Qing Yujie's Meng Nu'er's face was also slightly red, a little secretly embarrassed.

She doesn't know the dirty jokes of Kagura.

Seeing Kagura's playful gaze, she replied unwillingly: "As long as the son doesn't dislike it, the little girl is naturally willing to open the door."

"Dream girl, goodbye." Jun Xiaoyao handed over and left directly.

He doesn't want to contact any other women anymore.

Xuanyue followed closely behind.

"Farewell." God smiled cheerfully and walked away.

Looking at Kagura's back, Meng Nu'er snorted coldly, "This woman..."

...

Void, Jun Xiaoyao, Kagura, Xuanyue and three people, pass the void.

"You said, the black six-pointed star mark appeared in the sea of chaos, do you know the identity of the king who destroys the world?" Jun Xiaoyao asked.

"I don't know for the time being, but with my clan's contacts in the Chaos Demon Sea, it is not difficult to find out as long as you go back." Kagura said.

"So, the distance from the six kings to the unspeakable place is already very fast, isn't it?" Jun Xiaoyao was thinking about some plans.

"That's right, so, do you want to go to the Chaos Demon Sea even though the slaves of a palace?" Kagura seemed to have a look of expectation in his eyes.

"Huh? What else do you want to say?" Jun Xiaoyao asked lightly.

"What do you say about Yiwangdian?"

"You want me to go to Chaos Mohai, should there be other things?" Jun Xiaoyao said.

Kagura's complexion was stagnant, and then he laughed and said, "I know that Nunu's little care can't be concealed from the Palace of Kings."

"That's it, Nunu has a cousin who is related by blood, and may be getting married in the near future."

"It's just that she got married..."

Kagura said here, with a strange expression.

"Say." Jun Xiaoyao became interested instead.

Next, Kagura briefly talked about it.

In the sea of chaos, there used to be many emperors, and the whole sea area was powerful.

such as their Yixie emperor clan.

is also like the Baqi emperor.

Baqi Emperor Clan, once was one of the overlords of Chaos Demon Sea.

Hearing originated from an unimaginable existence.

But in recent epochs, the Baqi emperor clan has been declining.

Especially in the last two world wars, the Baqi emperor lost many top powerhouses.

led to the withering of the strong of this clan.

Until now, only one immortal king who has been in retreat for a long time is struggling to support it.

There are not even a few quasi-immortal ones anymore.

In the previous era, the Baqi emperor had also intermarried with the Yixie emperor.

However, in recent times, there are few intersections.

This time I married a distant cousin who has some blood relationship with Kagura.

And her betrothal is the young master of the Baqi emperor.

is just a controversial thing.

The young master of the Baqi emperor clan was born with a dead body, unable to cultivate.

No one wants to marry a trash.

"So the cousin of Nunu doesn't seem to be very happy to marry the young master of the Baqi emperor." Kagura said.

After listening to Jun Xiaoyao, his expression was also a little weird.

the frail family.

Waste less master.

into a wedding banquet.

Good fellow, there is something inside.

"Don't tell me that the young master of the Baqi emperor is the newly-emerged King of Destroying the World. That would be too unpleasant." Jun Xiaoyao said silently in his heart.

On the surface, he said: "Since you said that the Baqi emperor clan has been declining, it wouldn't hurt to not get married."

"It's correct to say that, but first of all, the grandfather of the young master of the Yaqi emperor clan once accidentally rescued the cousin's parents in an accident."

"Secondly, although the Baqi emperor clan is declining, there is another line of emperor clan, and it is definitely not easy to provoke the emperor clan of that line."

Kagura Yu held his forehead, looking a little helpless.

"That line of emperor clan is..." Jun Xiaoyao said.

"The Candle Dragon Emperor Clan, or called the Candle Nine Yin Line." Kagura said, his tone also a bit solemn.

Obviously, even the Yixie clan is unwilling to provoke Zhu Jiuyin.

"Candle Dragon..." Jun Xiaoyao whispered.

This is also one of the Primordial Fiends. Strictly speaking, it belongs to the dragon clan.

Not only the candle dragon vein, but extremely powerful.

Even in the dragon race, it is an absolutely powerful race.

It is rumored that in this family, open your eyes is the day, and closed your eyes is the night.

is a race that is born to control the power of mysterious time.

You know, the power of time is one of the most mysterious and powerful energy.

Other creatures must at least cultivate to the Quasi-Emperor level before they can initially start to touch the power of time.

reaches the Great Emperor level before you can initially control it.

And if you want to manifest in the long river of time, you need a more powerful realm, less to say, it has to be of the mythical emperor level.

But this family is naturally in control of time.

Of course, the exotic candle nine yin pulse, maybe not a pure blood candle dragon.

But presumably it won't be too weak.

"It turns out that the Zhujiuyin Channel has been well acquainted with the Baqi Emperor Clan, so you are not willing to offend the Zhujiuyin Channel."

Jun Xiaoyao understands.

"So you want to pull me, calm the Zhujiuyin pulse, make them a little bit jealous. UU reading www.uukanshu.com" Jun Xiaoyao said.

He is not alone now.

As the God of War of the God of War Academy, and the son-in-law of the Tushan Emperor.

These two forces can be counted as his background.

, let alone still have contact with the other side.

The background of Jun Xiaoyao is no longer weaker than those of the emperor and goddess, even more so.

Kagura heard this, but hurriedly said: "Of course not, how dare the slaves cause trouble to the adults."

"Actually, getting married is irrelevant. It's just a little wronged by my cousin."

Kagura wanted to help that cousin.

But if Jun Xiaoyao is unwilling, she will never cause trouble to Jun Xiaoyao.

"It's okay, I had to go to the Sea of Chaos to investigate the World Destroyer King, and join the wedding banquet by the way, why not?"

Jun Xiaoyao smiled slightly and didn't mind.

Instead, he was very interested.

"Thank you, sir!"

Kagura showed joy, his delicate body was close to Jun Xiaoyao, and the plump part was next to Jun Xiaoyao's arm.

"The young master of the Baqi Emperor Clan, is it really trash, or is there something mysterious?"

[Chapter 1058: Yixie Clan, Huangquan, the secret of the young master of waste](#)

The Sea of Chaos is located in the gap between the ten foreign states and the Unspeakable Land.

is like the Chu River and Han boundary, dividing the two areas.

The sea of chaos is vast and boundless.

In terms of area, it can be compared with the area of a large state.

Islands are dotted around.

There are races on many islands.

There are some powerful emperors among them.

In the central waters of the Sea of Chaos, there is an island as huge as a continent.

There is a lot of weather on the island.

The palace is suspended in the air.

There is a river of Taiyin with a yin air, falling from the void, pouring down like a waterfall.

This is the seat of the Yixie clan.

The Yixie family originated from the foreign goddess of Huangquan, Yixie.

is an absolute hegemonic power in the sea of chaos.

At this moment, in a palace at the core of the island.

A group of people are surrounding here, discussing something.

"Have you really decided that you want to marry the girl Huang Quan to the trash boy of the Baqi Emperor Clan?" someone asked.

"Huangquan girl, besides Kagura, how can the best junior of my clan marry a trash?"

an old man with extraordinary breath and white beard and hair said indifferently.

He is the fifth elder of the Yixie clan.

is also a strong person in Huangquan's line.

And Huang Quan is the distant cousin of Kagura.

is also the most talented junior in the entire Yixie emperor clan today, except for Kagura.

"However, this marriage has been agreed. If it is violated, what is the face of the Baqi Emperor?" another old man worried.

"It's just a family that has fallen, and will eventually be submerged in history." The five elders didn't care at all.

"In the fall, the lean camel is bigger than the horse. It really annoys them. Who knows what they can do?"

"They still have an immortal king in retreat."

"Besides, have you forgotten the pulse of the nine yin of the candle?"

On the seat headed by , an elderly woman spoke.

She is the great elder of the Yixie clan, and her breath is unfathomable.

Mentioned the Zhu Nine Yin channel, Rao, the fifth elder, also fell silent.

Zhu Jiuyin has a good relationship with the Baqi emperor clan.

At this wedding banquet, there will be people in Zhujiuyin.

If the marriage is sloppy.

Candle Nine Yin, although not for the Baqi Emperor Clan, to fight against the Yixie Emperor Clan.

But definitely pressure.

"My clan Kagura is one of the kings who destroy the world, really dare to provoke us?" The five elders still said unwillingly.

"Who knows, the candle nine yin veins are hidden deep, and no one knows the details of the group of snakes." The elder shook his head slightly.

"By the way, isn't Kagura related to the **** of war, if it's him..."

Suddenly, the five elders remembered something, as if they had caught a life-saving straw.

Jun Xiaoyao's reputation in a foreign land now, but resounding, like the sky.

Even in the remote sea of chaos, there is still a legend of Jun Xiaoyao circulating.

itself is an eternal chaotic body with a mysterious origin.

is more mysterious and immortal behind it.

The Shenao King of the God of War Academy is also his backing.

later became the son-in-law of the Tushan Emperor.

It can be said that if Jun Xiaoyao is really willing to help, his right to speak is definitely not worse than that of Zhu Jiuyin.

"His name and old man have also heard of it, but it depends on Kagura's girl. Let's do everything."

The Great Elder shook his head slightly, without any hope.

After all, it's not anyone who is willing to offend Zhu Jiu Yin.

At this moment, in another side hall.

A young girl is located in it.

The girl's straight black hair is supple, which can be seen by others.

The facial features are clear and beautiful, but Danfeng's eyes have a hint of charming.

Fair complexion, tall and feminine.

This woman is the distant cousin of Kagura, and the woman who became the wedding party, named Huang Quan.

At this moment, her expression is very cold, with a sense of resistance.

"Why is it me, the young master of the Baqi emperor clan, and mediocre talent."

"However, he is a useless person, and he can't even practice."

"And my daughter, except for my cousin Kagura, the most outstanding person in the family!"

Huang Quan looked at her parents.

Huangquan's parents also have a hint of self-blame on their faces at this moment.

Once upon a time, they had an accident and they were rescued by the grandfather of the young master of the Baqi emperor clan.

At that time, it hadn't been heard that the young master of the Baqi Emperor Clan was a waste.

That's why they agreed to marry Huangquan in order to be grateful.

Who ever thought that something like that would burst out later.

The young master of the dignified emperor clan was actually a waste.

This is undoubtedly an extremely absurd thing.

Even if the Baqi Emperor Clan declines again, it will not be so.

This is where they regret it.

"My daughter won't marry, I will announce the cancellation of the marriage contract in public on the day of the wedding banquet." Huang Quan said indifferently.

To be honest, she doesn't think she has a high vision.

But marrying a waste person is absolutely unacceptable to her.

"Daughter, this..."

Huang Quan's parents looked at each other, and they all saw the helplessness in each other's eyes.

"You should know the cousin Kagura, the man she likes is the **** of war in our world, an unparalleled chaotic body, and he has made great achievements in the frontier!"

"But the daughter's man is a useless person, how can this be?"

Huangquan cannot accept it.

Especially in this contrast.

Her cousin, someone Kagura admired.

is the first king, the chaos body, and the **** of war.

And the man who is about to marry her is a waste that can't even be done in practice.

This gap is too big.

No one can accept the change.

The atmosphere fell silent for a while.

at this time.

An old man walked in, it was the fifth elder.

"Grandpa Five!"

Huang Quan saw the old man, his eyes brightened.

The five elders sighed.

"Could it be..." Huang Quan's face turned pale.

In the end, the family still wants her to marry that trash?

"Huangquan girl, you don't have to be like that."

"If you get married, the girl from Kagura will naturally come back. If she can ask that one, maybe things will turn around." The fifth elder smiled bitterly.

"What, who will come?"

Huang Quan's white and delicate cheeks showed a touch of surprise.

Even if she is far away in the sea of chaos, she has heard of Jun Xiaoyao's name.

Which girl does not cherish spring, which girl does not admire heroes?

Compared with the waste master of the Baqi emperor clan. UU reading www.uukanshu.com

Jun Xiaoyao is simply a character at the level of the emperor.

When he thought of Jun Xiaoyao's coming, Huang Quan's depression suddenly diminished.

Because you can see the Jun Xiaoyao she admires!

and in about the same time.

Another island in the Sea of Chaos.

This island has the meaning of ancient barbarism, and it is extremely dark, like a magic island.

On the island, there is another imperial family.

Eight Qi Emperor Clan!

At this moment, in the middle of the island, in front of an extremely old shrine.

A young man in Xuan Yi, standing here with his hand held down, with a long-lost sense of excitement in his eyes.

"When the Dark Kings appear, the seal in my body will be released."

"After all these years of waste, I can finally wash it away."

"At the wedding banquet, I want the world to know."

"My Baqi Emperor Clan Young Master is not a waste, but a more enchanting existence than any Tianjiao!"

"And Huang Quan, I will let you know, what an honor it is to be married to me!"

[Chapter 1059: The ancient evil god, Naraku's secret](#)

This young man in Xuan Yi was the young master of the Baqi Emperor Clan's waste who was well-known for the Sea of Chaos.

Named Naraku.

The meaning of Naraku itself is infinite hell.

The name sounds like it should be the most enchanting Tianjiao.

but not.

Naraku is not only a goddess.

Even bear the infamy of waste all the year round.

It is conceivable that a young master of the emperor clan, unable to practice, is a waste, how much ridicule will he receive?

Even if the Baqi imperial clan sunset Xishan, it is not so unbearable.

So Naraku, and even the entire Baqi emperor clan, received a lot of criticism and ridicule.

But only Naraku knew what the real truth was.

In fact, Naraku is not just waste.

On the contrary, he is a genius.

An unprecedented genius.

Not only is his own talent for cultivation strong, but he is also born with a powerful evil force in his body.

At that time, the entire Baqi emperor family decided to train Naraku as a secret weapon.

He also gave him the position of Young Master directly.

All resources are tilted towards him.

However, the turning point of things happened.

An ancient shrine is enshrined in the Baqi imperial clan.

It is called Yaki Shrine.

It was used to worship the ancestors of the Baqi emperor clan.

The origin of the Baqi Emperor Clan is an existence that is too strong to imagine.

Baqi Cthulhu!

It is different from the mother **** Huangquan of the Yixie clan, and the great black sky **** of the Heitian lineage.

The Baqi Cthulhu is too old.

Even in ancient history, there are not many records.

There are only some vague records.

He is rumored to be a natural disaster from the end of darkness.

Bring endless darkness and misfortune to the world.

But the Baqi emperor has a custom.

After the younger generation reached a certain age, they visited in front of the Yaki Shrine, begging for the blessing of the evil god.

However, when Naraku pays homage.

All the people of the Baqi Emperor Clan believed that he could get the blessing of the evil god, so that his cultivation base could improve again.

The result is.

A purple light shot from the Yaki Shrine and escaped into Naraku's body.

Then all his power was sealed.

In one night, Naraku changed from the enchanting Tianjiao to an ordinary person.

No, not even the average person.

Ordinary people can at least cultivate even if their talents are poor.

However, Naraku couldn't even cultivate.

At that time, there was a voice in his heart.

"When the Dark Kings appear, it is when the seal is lifted."

"By then, you will enter the shrine and be baptized by the true evil god."

Only Naraku could hear this.

He didn't tell anyone.

Because it didn't make sense to tell him, he couldn't practice anymore.

Naraku's name of trash has always been on his head.

But recently.

With the awakening of a king who destroyed the world.

Naraku clearly felt that the seal in her body was loosening.

Naraku sometimes even wondered, is he also one of the kings of the world?

But no matter what, he believes that his seal will be lifted soon.

Naraku stood in front of Yaki Shrine with his hands in his hands.

No one has ever entered the shrine, it is a forbidden place for the Baqi emperor.

But Naraku believed that he would be able to enter soon and gain supreme power.

He is the Son of Destiny in this era!

"Nara..."

A somewhat old voice sounded.

"grandfather."

Naraku turned around and saw a gray-haired old man who was his grandfather.

At the beginning, it was also relying on him to have his marriage contract with Huangquan of the Yixie clan.

"The marriage day is approaching, and you will have a way out at that time, at least for the rest of your life, and grandpa will be relieved." The old man smiled.

"Don't worry, grandpa, grandson won't let you down." Naraku took a deep breath.

He didn't tell anyone his secret, not even his closest friends.

Wait until the day the seal is released.

Don't have to spend much time with him, the world will naturally know how stupid they are!

"But grandpa, I heard that Huang Quan does not seem to be willing?"

Naraku said, with a hint of playfulness in his tone.

He also understands that no one wants to marry a trash.

But if Huang Quan really refuses, then he really has no eyes.

"Don't worry, this marriage will be tenable, and the candle and nine yin clan will also participate." The old man said firmly.

Whoever dares to stop this wedding feast is the enemy of the Baqi emperor.

Not to mention it will offend the candle nine yin pulse.

The old man believes that no one is so stupid.

Next, time passed.

The sea of chaos is also gradually becoming lively.

After all, both the Yixie and Baqi emperors were the overlords of the Chaos Demon Sea.

Although the Baqi imperial clan is sunset in the west, the lean camel is bigger than the horse.

Not to mention, there is also Naraku, the young master of waste.

Many people come here admiringly, wanting to meet the young master of the imperial clan.

There are also many people who hold the attitude of watching theaters.

They don't think that Huang Quan, the arrogant daughter of the Yixie clan, would willingly marry this waste young master.

Unless it is blind.

"Hehe, interesting, I will definitely attend this wedding banquet!"

"Yes, it's a great show of the year, I don't believe it. The beautiful girl of the Yixie clan is really blind, and she will fall in love with the young master of trash.

"I just don't know if I can see that beautiful Kagura?"

"Hey, that one is one of the Six Kings of the Destroyed World, with an extraordinary identity, but I heard that she has mixed up with the God of War."

"God of War? I also heard about it. It's a pity that we are in the Sea of Chaos and we have no chance to visit the God of War in the top ten states. UU Reading www.uukanshu.com"

In the sea of chaos and all the islands, there are warships, and the flying boat sails out, ready to participate in the wedding banquet.

At the same time, on another ancient island.

There is also a team, driving the flying boat out.

On the deck of a flying boat, a man stood.

The man's left eye is pure black and his right eye is pure white.

It's like night and day, very strange.

On his body, the surface of his skin was covered with a layer of fine dragon scales.

It is the soul of the candle nine yin pulse.

"My elder brother is in retreat and is comprehending that broken page, let me participate in the wedding banquet on my behalf."

"It's just that, as a brother, why do you look at that young waste master Naruo with admiration?"

"And tell me, I must not offend him, but have a good relationship."

This man is named Zhuhuang.

His brother's name is Zhuye.

He is the emperor of the candle nine yin line, and his strength is extraordinary.

Recently, he has become more shocked as a heavenly person.

"No matter what, I still listen to what my brother said, this time I want to help the young master of the Baqi emperor clan complete the wedding banquet." Zhu Huang thought.

The team of Zhu Jiu Yin also rushed to the island where the Yixie clan is located.

Just when the whole sea of chaos was surging.

On the edge of the ten foreign states and the sea of chaos.

One man and one woman, two figures emerged.

The man was slender in white, and his whole body was chaotic and hazy. He didn't deliberately exude any coercive aura, but faintly made the void turbulent.

The women are beautiful and charming, and have a charming and charming temperament.

It is Jun Xiaoyao and Kagura.

As for Xuan Yue, Jun Xiaoyao asked him to return to the God of War Academy first.

[Chapter 1060: At the beginning of the wedding banquet, Na Luo put on a hat of forgiveness on her head, 1 see Xiaoyao...](#)

"Is this the sea of chaos?"

Jun Xiaoyao looked around, the waves were vast and dark, rising above the sea.

The sea of chaos, the dividing line between the ten states and the unspeakable places.

There are also many races living in it.

even includes the immortal emperors such as the Yixie emperor, the Baqi emperor, and the Zhujiuyin.

"Where did this sea of chaos originate?" Jun Xiaoyao asked.

"I heard that it is also related to Styx. After all, Styx is the mother river of our world, spanning ten states." Kagura said.

"Stay..." Jun Xiaoyao thought about it.

He thought of Luo Xiangling.

also uses the power of Styx to break through the quasi-immortal realm after a long time.

Jun Xiaoyao has a plan in his heart, if possible.

He wanted to explore the source of the Styx River.

See if he can find a way to make Luo Xiangling break through.

After all, Luo Xiangling is now completely his person, if he can break through and become the King of Immortality.

Behind that Jun Xiaoyao, there will be another powerful backer.

Quasi-immortal, although its status in a foreign land is quite high.

But obviously it cannot be compared with the real King of Immortality.

"The sea of chaos is very lively."

Jun Xiaoyao is already very keen after condensing the three generations of soul.

plus the primordial spirit level of the infinite Dzogchen.

Jun Xiaoyao thought, the divine soul perception swept across a large area of the sea.

There were many people, horses, and fleets, all swept in the same direction.

"It should be the beginning of the wedding banquet," Kagura said.

She actually didn't want Huang Quan to marry the waste young master of the Baqi emperor.

It's just that Jun Xiaoyao didn't express any opinions, and she couldn't force Jun Xiaoyao to do anything.

"Let's go, I haven't attended a wedding banquet for a long time." Jun Xiaoyao smiled.

Kagura gave Jun Xiaoyao a charming look.

"Yi Wang Dian forgot the invitation meeting so soon, but you married five people at once."

Jun Xiaoyao smiled and said nothing.

The two figures broke through the space.

Kagura also passed the message of going to the Yixie clan in advance.

the other side.

on the island where the Yixie clan is located.

The lights are colorful and the atmosphere is full.

All the people from all walks of life come together.

"Congratulations to the beautiful lady of the Yixie clan for their wedding today!"

"The Yixie and the Baqi emperors are really close pairs, and the new couple is also a beautiful girl."

People from all races came to congratulate.

However, the members of the Yixie clan have dark faces.

The more they heard these congratulatory words, the more uncomfortable they felt, as if they were satirizing their Yixie clan.

"Returning to the door, what qualifications does the declining emperor have to be right with us?"

"Yes, what a talented woman looks like, is that young master of waste, is it comparable to our Miss Huang Quan?"

The people of the Yixie clan, their faces are as dark as the bottom of a pot.

For them, the wedding banquet was not a celebration, but a shame.

In a partial hall, Huang Quan has soft black hair, which is turned into a fine hair bun, and a white jade glass hairpin is inserted.

slender and soft figure, hidden in a red dress, adds a bit of beauty and beauty.

A delicate and charming face, with a little pink and a touch of Zhu Dan, makes it even more charming.

The maid beside was staring at it and said, "Miss Huang Quan, you are so beautiful."

Huang Quan pursed his lips and smiled.

The maid was puzzled, couldn't help being curious, and asked.

"Miss, didn't you say that you are going to refuse marriage in public today, but why are you still dressed so beautifully and put on a wedding dress?"

The maid was really puzzled.

It stands to reason that Huang Quan should be quite resistant and disgusted with today's wedding banquet.

But her mood is not as cold and gloomy as she imagined.

Huang Quan smiled slightly and said, "Of course it is necessary to refuse marriage. It is impossible for me to marry that young master Yaqi."

"But, how do you think I am dressed for marriage?"

"What is that for?" The maid became even more puzzled.

Huang Quan did not explain anything.

She just wanted to add a little more brilliance in front of the hero she admired.

If Naraku knew about this, he would definitely vomit blood.

The girl who will soon become her own wife, dressed up in a beautiful way, but for others.

Invisible, Na Luo put on a forgiveness hat on her head.

Soon, the guests gathered.

Three thousand flowing water banquets on the island, jade pan delicacies, and precious spirit fruits.

At this time, a line of flying boats swept over.

A crowd of people walked down.

A young man headed by is Zhuhuang.

"It's a person with the line of Zhu Jiu Yin coming!"

"Hey, it is Zhuhuang, his brother Zhuye has not shown up."

"Tsk tsk, Zhu Jiuyin has a vein. If it weren't for them, the Yixie clan might not be willing to hold this wedding banquet."

Around, some whispers sounded.

"I have a pulse of nine yin, congratulations on the marriage of the two clans." Zhuhuang said loudly.

And then, in the distance, a fleet of ships swept over.

is exactly the team of the Baqi emperor.

is also magnificent.

"A skinny camel is bigger than a horse. Although it's declining, it's pomp..."

Some creatures were secretly frightened, perceiving the powerful aura of the Baqi emperor clan team.

A young man with mysterious clothes headed by , Naraku.

'S face is as calm as water, and he walks faintly.

"Hey, this is the waste young master of the Baqi emperor clan. Why does it look a little bit temperamental?"

"Yes, it is said that this Young Master Yaqi cannot support the wall with mud, but today, it looks like a human being."

Some creatures communicate with spirits.

However, after sensing that Naraku's body did not emit the slightest fluctuation in his cultivation.

Their eyes turned into faint contempt.

seems to be aware of the doubts, contempt, and disdain from the surroundings.

Naraku looked calm, but clenched his fists involuntarily.

"They are all a group of superficial people who look down upon others, and you will be shocked by me in the future." Naraku said inwardly.

He already felt that the seal in his body had been extremely loosened.

An extremely majestic and powerful evil force seems to be gushing out from the body.

At that time, Naraku believed that he would shock the world!

However, just when Naraku and his grandfather and others arrived.

All the elders of the Yixie clan, including the great elder, all appeared together.

There is also a beautiful figure that is as bright as fire, and can't wait to get out of the hall, UU reading [www. uukanshu.com](http://www.uukanshu.com) is Huangquan.

The creatures of the Baqi Emperor Clan, a little dazed.

Including Naraku and his grandpa.

When did the Yixie clan become so enthusiastic?

"Yellow Spring."

Naraku looked at the gorgeous and charming girl, the calm on her face was broken, and she looked a little surprised.

Didn't it mean that Huang Quan was very resistant to marrying him?

does not seem to be the case either.

Even though Naraku didn't particularly favor marriage before.

But who doesn't want to be a beautiful girl?

"Huangquan, you don't have to be so urgent."

Naraku gave a smile that he thought was very decent.

However...

Huang Quan directly ignored him and looked at the void in the distance.

Two figures emerged.

"Cousin Kagura!"

Huangquan was delighted, and then with a sense of anxiety, he looked at the slender, tall, slender, and refined white man beside Kagura.

After locking his eyes, he can no longer move away.

At first sight, happy mistakes for life!
