

Sacred Body 1061

[Chapter 1061: Who is the protagonist and refuses to marry, Jun Xiaoyao expresses his opinion](#)

In the void, two figures of a man and a woman emerged.

is naturally Kagura and Jun Xiaoyao.

Before , Kagura had long passed the news of Jun Xiaoyao's arrival to the Yixie clan.

That's why the elders of the Yixie clan, including Huang Quan, came out to greet them.

Jun Xiaoyao can be said to be flourishing in a foreign land now, and the future is even more limitless.

Even if it is the Yixie clan, there will be no negligence at all.

Jun Xiaoyao wins snow in white clothes, immortal figure and jade bone, elegant and timeless.

The chaos and haze all over the body are scattered, the glow is looming, and the temperament is mysterious and deep, unfathomable.

The whole wedding banquet was quiet.

"It's the Kagura of the Yixie clan, and...the **** of war!"

"It's really that chaotic body, he is here!"

"I'm dear, this is the first time I have seen the deity of the chaotic body, it is indeed detached!"

The appearance of Jun Xiaoyao undoubtedly shocked everyone present.

After all, there is still a certain degree of isolation between the sea of chaos and the ten foreign states.

They didn't expect that the famous Chaos God of War in the top ten states would come to Luanmohai to participate in this wedding banquet.

"Sir Xiaoyao!"

Huangquan's eyes are like a magnet meeting iron, sticking to Jun Xiaoyao tightly.

The son is like a jade, and his clothes are better than snow!

It's nothing more than having such a supernatural temperament and appearance.

The strength is still the best in the world.

The reason why Huangquan worships Jun Xiaoyao so much.

is more than just licking his face value.

She heard that Jun Xiaoyao is in the wasteland.

With the supreme realm, he caught the move of Emperor Xianyu.

This is not something that anyone can do, it can be called shocking, and there are not many people in the past.

In Huang Quan's heart, Jun Xiaoyao is a hero who transcends the era, surpassing any other gods!

"This is your cousin?"

Jun Xiaoyao glanced at Huangquan and said to Kagura.

"Exactly, how can I enter the eyes of a palace?" Kagura groaned with a smile.

Jun Xiaoyao smiled and said nothing.

Huangquan's worship look, he saw it in his eyes.

is also used to it.

, from beautiful old aunts of several eras, to loli who may start in three years.

Few women can resist his charm.

"Haha, the arrival of Young Master Xiaoyao has made me the Yixie clan, Pengxun is shining!" The fifth elder laughed haha.

He didn't expect that Kagura could really invite Jun Xiaoyao.

In this way, I am afraid that there will be a turning point in the marriage today.

"The little friend is now famous in our world. With the supreme realm, the move to block the Great Emperor Xianyu makes the old body very surprised."

The elder of the Yixie clan, the old woman also smiled slightly.

After seeing Kagura and Jun Xiaoyao get along, the smile on her face grew thicker.

Jun Xiaoyao is a chaotic body, and even the first king. He also has a very eye-catching performance in Bianhuang.

The future is limitless.

If you can become the son-in-law of the Yixie clan.

Didn't the Yixie clan have two kings who destroy the world?

When the time comes, the Yixie clan is afraid that it will become the strongest emperor under the ultimate emperor.

It is precisely because of this that they came out to greet him, and their attitude towards Jun Xiaoyao was extremely kind.

The opposite attitude of the Yixie clan is the Baqi imperial clan.

They all looked very embarrassed.

There is also Naraku's grandfather, his expression is as cold as petrified, and an anger is brewing in his heart.

It turns out that the Yixie clan is so grand, not to welcome them, but to welcome Jun Xiaoyao.

The smile at the corner of Naraku's mouth is also stiff.

It turned out that he was passionate.

Huangquan didn't pay attention to him at all.

"Chaotic Body..."

Na Luo had a shade of shadow in his eyes, looking at Jun Xiaoyao.

Jun Xiaoyao's whole body, the void is full of ripples, as if he can't bear the hidden breath.

Na Luo's eyes have a touch of solemnity.

He also heard about Jun Xiaoyao.

It can be said that his reputation is the opposite of his, it is two extremes.

One is the evildoer who shook the entire foreign land, and the other is the ridiculed young master of waste.

Perceiving Naraku's gaze, Jun Xiaoyao glanced lightly.

"It's interesting..." Jun Xiaoyao thought.

His spiritual perception can be felt, and Naraku doesn't seem to have the breath of a cultivator.

But in his body, there is a very astonishing breath faintly.

just haven't leaked out temporarily.

"Is he really as expected, he is also one of the six kings of the world?"

Jun Xiaoyao guessed.

Because the previous Yun Xiaohei is almost of this type, the power of the ten-tailed black fox is hidden in his body.

But no matter what, Jun Xiaoyao didn't put Naluo in his eyes.

With the arrival of Jun Xiaoyao.

The atmosphere of the wedding banquet has undoubtedly reached a climax.

Many people can't help but think of this.

The protagonist of this wedding banquet, is it Naraku or Jun Xiaoyao?

"How do I feel that the one who wants to marry Huang Quan is the **** of war Yuxiaoyao?"

"Yes, I think so too, the young master of the waste, Naraku, is just a joke."

There were some creatures who exchanged thoughts and whispered.

Naraku squeezed her fist tightly, her face turned blue.

But he still endured it.

When the seal in his body is lifted, he will slap everyone in the face, even Jun Xiaoyao.

Next, the wedding banquet continued.

With the arrival of the newcomers of the two imperial clans, the marriage ceremony will also be held.

Huang Quan's gaze has been focused on Jun Xiaoyao.

This makes Naraku on the other side look very gloomy.

Is there anything more humiliating than this?

Invisible, Naraku has a hostility towards Jun Xiaoyao.

Jun Xiaoyao doesn't care.

Even if Naraku is one of the six kings of the world, he doesn't care.

If you dare to pick things up, just suppress it directly.

Then, the marriage ceremony began.

Huangquan bit his red lips, and yelled directly.

"I Huangquan, I won't marry the young master of the Baqi emperor, Naraku!"

Huang Quan originally resisted marrying Naraku.

Now, after seeing Jun Xiaoyao, it is even more impossible for her to see Naraku.

To put it hard, Naraku is just a pile of **** on the side of the road.

The words Huangquan completely quieted the noisy atmosphere.

But those guests did not show any surprises.

Because they had expected that the wedding banquet would not be that simple.

They were here to watch the show.

Many people have a sense of playfulness in their eyes, looking towards the Baqi Emperor Clan and Zhujiuyin.

"Huang Quan, what are you talking about?"

Nai lowered her forehead and the blue veins agitated, clenching her fist tightly.

Huang Quan said in public like this, didn't he hit him and the Baqi Emperor in the face?

"The Yixie clan, you are breaking the agreement!"

Naraku's grandfather, his old face is also extremely cold, he scolded loudly.

On the side of the Yixie clan, the five elders stood up with an indifferent expression: "This wedding banquet is not appropriate at all, it is a mistake."

"What a mistake. UU reading www.uukanshu.com"

At this moment, Zhu Jiuyin pulse is over there.

Zhuhuang stood up.

His brother once told him to befriend Naraku.

This is the time for his performance.

"Sure enough..."

Seeing Zhu Jiuyin's pulse vocalizing, the rest of the guests from all ethnic groups showed an expression of watching a show on their faces.

How would the Yixie clan solve this matter?

"The Yixie clan, breaking the agreement is not a good thing." Zhuhuang said lightly, looking at Huang Quan.

As the strongest immortal emperor in the sea of chaos, they are not afraid of the Yixie clan.

Zhuhuang's gaze made Huang Quan feel a great pressure, making her thinly powdered cheeks pale.

The pressure of the Jiuyin pulse of the candle is enormous.

At this moment, a gentle and elegant voice sounded slowly.

"I feel that everyone has the right to choose a Taoist companion, and the twisted melon is not sweet, it is better to step back and broaden the sky, right?"

Hearing this, everyone agreed and looked at the source of the sound.

is Jun Xiaoyao.

[Chapter 1062: Cthulhu's darling, Naraku broke out with a punch](#)

Hearing Jun Xiaoyao speaking, Huang Quan's originally pale face suddenly showed a flush of excitement.

She did not expect that Jun Xiaoyao was actually willing to speak for her.

Because of this, the two immortal emperors may be offended.

"Oh, son Xiaoyao, this wedding banquet should have nothing to do with you, right?" Zhu Huang narrowed his eyes and looked at Jun Xiaoyao.

Jun Xiaoyao's name, he himself has heard of it.

But because he was born in the line of Zhu Jiuyin, plus there is a brother with extraordinary strength.

So he faced Jun Xiaoyao without any guilty conscience.

However, it is still not waiting for Jun Xiaoyao to say anything.

Kagura interrupted: "Huang Quan is the cousin of the Nujia, and the Nujia is a member of the Palace of the Kings. How can it be called okay?"

I have to say that in terms of quarreling, it is a woman's specialty.

"It seems that reputation is really easy to make people lose their minds. Be careful that the higher you stand, the harder you fall." Zhuhuang said indifferently.

As a Tianjiao with the line of Zhu Jiuyin, he rarely is so despised.

"Then it won't bother you." Jun Xiaoyao didn't bother at all.

With the support of Jun Xiaoyao, Huang Quan is obviously emboldened.

She looked at Naraku with beautiful eyes and said, "You know, it's impossible between us."

"In my world, the law of the jungle where the weak eat the strong is the truth, but you can't bring me the slightest sense of security."

Huang Quan said, but instead looked at Jun Xiaoyao, with a faint longing in his eyes.

If Naraku can't give her the slightest sense of security.

The sense of security that Jun Xiaoyao gives is undoubtedly overwhelming.

Even just standing next to Jun Xiaoyao, there will be an inexplicable sense of peace and stability.

"you..."

Naraku saw Huang Quan's attitude, and his blood pressure went up.

This is simply a face-to-face slap, pops.

can't stretch anymore.

"This is the promise of your Yixie clan!"

Naraku's grandfather was also very angry, and stood up, the breath of Supreme Profound Venerable erupted.

"Huh, what are you going to do?"

The five elders also stepped forward.

Suddenly, the originally jubilant wedding banquet had a taste of rattling.

just when the atmosphere is stagnant.

There was laughter suddenly.

Everyone was surprised when they looked at it.

Is it Naraku who laughed?

"I'm afraid that I will be an idiot?" Someone asked with a weird expression.

But think about it, if you change them to Naraku, you will probably be furious.

"It's ridiculous, it's ridiculous..." Naraku shook his head and smiled.

"What do you mean?" Huang Quan frowned.

"I laugh at you as a frog at the bottom of the well, laugh at your Yixie clan with eyes and no beads!"

Naraku shouted loudly, with a twisted smile on his face.

As he shouted, there was a faintly terrifying power, brewing, as if it was about to break out of the body.

"How is this going?"

Perceiving this strange breath, many creatures around are showing surprise.

It is indeed very strange that a young waste master who has no cultivation base suddenly revealed such a breath.

Jun Xiaoyao's gaze also converged, and the corner of his mouth evoked a slight arc.

That's right.

If you don't do something, Jun Xiaoyao feels boring instead.

On the other side, Zhuhuang's eyes also showed surprise, and then he suddenly realized.

"No wonder my brother wants me to help Nanara, because he really has a secret."

At this moment, Naraku's whole body is full of purple and black evil forces surging out.

His anger, unwillingness, and resentment formed a huge force, which directly broke the shaky seal!

Boom!

An unprecedented purple-black evil force formed a storm and surged from Naraku's body.

His breath also rose accordingly.

Void God, True God, Heaven God, Tao God...!

Sage, Sage King, Great Sage, Holy Lord...!

Quasi-Supreme!

Supreme!

In just a few breaths.

Naraku directly broke through to the Supreme Realm!

Of course, this is not to say that Naraku's talent is so enchanting that he directly broke through to the supreme.

is the strength he has accumulated for a long time, and it has been sealed.

now burst out directly, coupled with the effect of the purple and black evil power, it made Naraku make such an improvement.

rumbling!

Above the sky, the black robbery cloud surging, actually attracted the supreme robbery!

As a result, Naraku waved with one hand.

Purple and black evil power burst out, faintly, as if turned into the shadow of a terrifying demon snake.

directly rushed back to the sky, rushing to disperse the robbery of the day!

Horror!

dead silence!

There is silence everywhere!

If you hadn't seen it with your own eyes, who would have believed that the young master of waste, who was well-known for the Sea of Chaos, had achieved the highest position overnight!

This is an absolute enchanting arrogant in the Sea of Chaos, and even the entire foreign land.

"Am I dreaming?"

"How is it possible, that young master of waste, broke through to the supreme!"

"Oh my god, I can't accept it. I won't have fun in chatting anymore."

Many creatures are shocked, and their eyes are almost staring out.

This change is too dramatic.

"Could it be that Naraku was the one who caused the black six-pointed star mark some time ago? He is one of the six kings of the world?"

Some people also guessed.

"No, there is no dark hexagram this time."

While many people were shocked, they were also very puzzled.

"Nara, you..."

Naraku's grandpa is so excited that he can't help himself!

His grandson, it's not a waste!

is a genius, there is no one in a million!

"That's why I said, you have eyes and no beads!"

Naraku smiled crookedly, extremely cold.

The seal was broken, and Naraku felt that every cell in his body was filled with unprecedented power.

That inherent evil force filled every corner of his body, even every cell.

Vaguely, a horrible figure like a demon **** emerged in his consciousness.

Behind that figure, there is a majestic shadow with eight heads.

Eight Qi Cthulhu!

Naraku reacted immediately.

It turns out that he is really the darling of Cthulhu!

Pressing down on the extreme joy in his heart, Naraku looked at Huangquan again.

"Now you understand, how ridiculous is your refusal to marry?" Naraku's face was cold.

The powerful force brings absolute self-confidence.

Huang Quan's face was pale, but he still gritted his teeth, stubbornly said: "Although I don't know, what is your situation."

"But my life is up to me, and it is still impossible for me to marry you!"

Huangquan's tone is firm.

Although Naraku is now, it's not the same as before.

But in her heart, there is still no comparison with Jun Xiaoyao.

"Oh, ridiculous, it seems that in your eyes, he is considered a wishful Langjun, right?"

"In that case, does your jade Xiaoyao have a kind of fight with me?"

Naraku looked at Jun Xiaoyao.

'S tone is crazy and cool. UU reading www.uukanshu.com

When there is power, it swells.

Besides, it is the power of the evil god.

Naraku already thought that he was the darling of Cthulhu.

Even in the face of Jun Xiaoyao, the world-destroying king, he still has confidence.

"I?"

Jun Xiaoyao pointed at himself.

This Naraku is really picky.

"Yes, it's you, do you have a seed, or..."

Nana's expression changed immediately before she finished her words.

For a short moment.

Jun Xiaoyao appeared in front of him.

fell down with one punch!

Boom!

Naraku's whole person, like a kite flying upside down, was shaken off.

fell down into the distant sea and set off a huge wave!

"Sorry, say it again?"

Jun Xiaoyao stepped on the void with his hands.

Talk to him harshly?

Then I'm sorry.

Jun Xiaoyao would not even give Naraku a chance to speak harshly.

[Chapter 1063: Fight Naraku, Extreme Skill, 8 Qizhiyuan](#)

The scene was quiet for a while.

This scene made everyone dumb.

If Naraku broke out and broke through to the Supreme, it was beyond everyone's imagination.

That Jun Xiaoyao's punch completely ended this imagination.

"Sure enough, garbage is still garbage, and waste is still waste."

"Even if you break through to the supreme, it is still a waste, not the enemy of the Lord of War."

There are many creatures present, and they communicate with spirits.

The shock in his eyes has calmed down again.

From this point of view, it's not a big deal for Naraku to break through to the Supreme.

is still a weak batch.

"Nara!"

Naraku's grandfather, as well as a creature of the Baqi emperor clan, couldn't help but exclaim.

Originally, Naraku broke through to the Supreme, which surprised them and surprised them.

It seems that the once peerless Tianjiao is back again.

The result was hard for three seconds, but Jun Xiaoyao fisted and flew away.

This kind of front-to-back contrast is indeed speechless.

Even the pale Huang Quan couldn't help but laugh out loud.

Boom!

In the distance, the sea level exploded, causing great waves.

An embarrassed figure rushed out from the bottom of the sea, and it was Naraku.

Only at this moment, his clothes shattered, and a huge blood hole appeared in his chest.

is obviously caused by the power of Jun Xiaoyao's punch.

Jun Xiaoyao saw this, but a touch of surprise appeared in his eyes.

With his current physical strength.

said bluntly, throwing a punch casually.

Even if it is a supreme of the same level, the body will explode, and few people can stop it.

Before, even the little Tianzun who was in the line of blue flowers from the other side could not stop Jun Xiaoyao from the physical body.

Now, Naraku only had a blood hole in his chest.

This is already beyond Jun Xiaoyao's expectations.

Naraku coughed out a mouthful of blood, his face was distorted coldly, and with an incredible expression.

After all, he just broke the seal and broke through to the supreme, he was so embarrassed by Jun Xiaoyao's punch.

hasn't started acting hard yet.

, he has actually become this compelling.

No one can accept it.

"You attacked me?!"

Naraku shouted sharply.

Jun Xiaoyao has a faint expression.

"I'm not a kid anymore, don't you feel naive to say such things?"

In a cruel foreign land, there is nothing fair.

The one who can defeat others and survive is the winner.

The so-called fairness and morality do not exist in a foreign land.

Big fist is the last word.

"you....."

Nana's chest rises and falls, with purple and black evil powers converging on her chest.

The big **** hole grew granulation at a speed visible to the naked eye, and then healed.

This scene caused many people's pupils to shrink.

Perceived Naraku, it seemed that it was not that simple.

"Oh?"

Jun Xiaoyao also noticed.

There is a huge evil force in Naluo's body.

But he is not like the Six Kings of the Destroyed World.

This makes Jun Xiaoyao both curious and a little confused.

"I was careless before, come again!"

Naraku shot again, raising his hand, the purple black evil force surged, turning into the shadow of countless big snakes, tearing the void, and killing Jun Xiaoyao.

For some reason, when Naraku shot.

There is a kind of fighting instinct that emerged in his heart.

These moves, as if engraved in his bones and blood, are extremely skillful.

Jun Xiaoyao is just a simple one, holding up his palm to suppress it.

Chaos Qi surged, and every strand collapsed the void, causing huge cracks in the sky.

rumbling!

Like ten thousand thunders burst at the same time.

The waves caused great waves in the surrounding waters.

The island where the Yixie clan is located also actively lit up the defensive pattern to resist this wave of waves.

is another collision.

Naraku only felt that the Chaos Handprint seemed to have the mighty power of the sky.

Even if he has the supreme cultivation base now, there is an extremely majestic evil force in his body.

But still feels powerless.

"Damn it, where did this person pop out from? He is so enchanting!" Na Luo screamed in his heart.

Jun Xiaoyao, seems to have suddenly appeared in a foreign land.

rises like a comet, without fail.

"You must do your best!"

Originally, Naraku wanted to easily suppress Jun Xiaoyao with a calm posture.

It seems impossible now.

He raised his hand and grabbed his five fingers towards the void, gathering endless evil forces!
evil yuan burst!

Jun Xiaoyao, evil forces gathered around, and then exploded!

Intense smoke rose into the sky, and the sound was deafening.

"What a terrifying move!"

Some creatures felt their scalp numb, and the whole body was cold.

Don't say it is a supreme figure.

Even the strong Xiaotianzun felt that this move was extremely terrifying and unpredictable.

"Young Master Xiaoyao!"

Huang Quan couldn't help his heart tighten, and his beautiful eyes showed worry.

Aside, Kagura came to her and said with a smile: "Don't worry, the adult's ability is beyond ordinary people's imagination."

as predicted.

disappeared with the gunpowder smoke.

Jun Xiaoyao's figure appeared in place.

Twenty levels of mana are immune to the **** ring, covering his body.

sets off the Jun Xiaoyao, like a **** shrouded in a circle of gods.

"The Mojie emperor's method, the rumors are true..." When many people saw this, their pupils shrank.

A line of immortal emperor clan's bloodline magical powers can be copied and cultivated successfully, and there is still victory.

This makes many creatures look at Jun Xiaoyao more highly.

"I can't even break through my defenses. You have tolerated for so many years, and the power you have accumulated seems to be nothing short of you."

Jun Xiaoyao stands with his hands on his back, the clouds are light and breezy.

To be honest, he was indeed disappointed.

"you....."

Na Luo's face is stubborn.

There was evil light surging in his eyes, which turned into a pair of purple-black magic pupils.

He urged the evil power in his body to the extreme.

Behind him, a huge purple-black magic shadow even appeared.

faintly, with eight heads emerging, his body stands on top of the earth, it can be compared with the sky!

Looking from a distance, even the sea, in front of the beast's shadow, seemed as small as a pond.

"That's... the evil **** of eight Qi!"

Naraku's grandfather, upon seeing all the Baqi emperor clan creatures, was so excited that his pupils were trembling and his soul was trembling!

The Baqi Emperor Clan originated from the Baqi Cthulhu.

This is an extremely powerful being.

can be said to be one of the oldest existences in a foreign land besides the ultimate disaster!

But because it is too old, there are only vague records.

Even when many people saw the declining Baqi Emperor Clan, they thought that the Baqi Cthulhu was like that.

This is undoubtedly a shame for the Baqi emperor!

but now.

When all the creatures saw the huge beast shadow, many people were so terrified that their souls were frozen!

"Is that... the evil **** of Yaki?"

"The Baqi emperor ~www.mtlnovel.com~Does it depend on the young master of waste to reach the sky in one step?"

Many creatures are frightened.

Many of these creatures have insulted the Baqi emperor and Naraku.

At the moment, my heart is in panic.

"You are known as the God of War, then see if you can take this trick!"

Nairo made a shot.

The majestic evil forces gathered, as if to divide the sky into two.

An incomparably terrifying abyss emerged from the sky, as if everything could be included in it.

"Hachiki Abyss!"

This is a move engraved in the blood of Naraku's bones, and it is naturally displayed.

Jun Xiaoyao sees this, the chaos behind the sky is surging, turning into a scene of open sky.

He is also the law of urging the flesh, and there are five hundred and twenty Sumi world powers.

The majestic physical force crushed the void.

Chaos body anomaly, Chaos opens up!

blasted out with a punch at the same time, shattering the void in front of him.

Open the fist of the gods and demon, and show it out!

[Chapter 1064: Defeated Naraku, time stagnated, quasi-immortal projection, the other side...](#)

Jun Xiaoyao's two extreme moves, both have the meaning of opening the sky!

The terrifying abyss across the sky was directly divided into two by this terrifying force!

As if the night was broken open, dawn appeared!

The violent chaotic energy spread to all directions, completely destroying the abyss of eight Qi.

Naraku was shocked, and was shocked again, her body felt like she wanted to be torn apart.

A series of blood holes burst open, and blood blossoms bloom.

Jun Xiaoyao's current power is too strong, and it has far exceeded the limit of the supreme realm.

plus the power of chaos, the world of Sumi, and other power blessings.

is not weaker than Naraku's power of the evil god.

In terms of realm, Naraku didn't have the slightest advantage.

Therefore, such a fiasco is reasonable.

It can be said that if there is no Jun Xiaoyao.

Maybe Naraku can really put on a wave of force.

But it's a pity, pretending to be forced in front of Jun Xiaoyao.

is simply a slap in the face, taking its own humiliation.

"A boring battle."

Jun Xiaoyao raised his palm again, and killed Naraku.

The big mudra of chaos, like a corner of the sky collapsed and crushed towards Naraku.

Everyone held their breath, their minds were blank, and they didn't come back to their senses.

"Young Master Xiaoyao wants to kill Naraku!?"

Huangquan is also a little dazed.

She thought that it would be enough for Jun Xiaoyao to teach Naruo a little bit.

Who knows, Jun Xiaoyao is so cruel!

"Stop it!"

The creatures of the Baqi emperor clan are all screaming, I did not expect that Jun Xiaoyao's methods are so amazing!

Jun Xiaoyao doesn't care at all.

And just when the Chaos Handprint is about to kill Naraku.

Suddenly, Jun Xiaoyao felt an inexplicable binding force.

That is not the **** of the power of space.

but... time!

That's right!

is the most mysterious power of time!

in that small area of Jun Xiaoyao.

The time is like the pause button has been pressed.

Although only for a short while.

But for the strong, one moment is enough to decide the winner.

For the current situation.

At this moment, it was enough for Naraku to escape.

His figure flickered, and he drew directly to the side of the Baqi Emperor Clan team.

"Grandson, are you okay?"

Naraku's grandfather and others, went forward to investigate, and protected Naraku.

"I'm fine."

Naraku wiped off the blood from the corners of his mouth.

The evil force in his body was surging, and the torn wound on his body surface healed very quickly.
is just his face, extremely distorted and stern, looking at Jun Xiaoyao.

He almost died in the hands of Jun Xiaoyao!

"what?"

Jun Xiaoyao raised his eyebrows slightly and looked to the other side.

There was a sound of vomiting blood.

is Zhuhuang!

Then everyone reacted.

Why did Jun Xiaoyao pause for a moment.

It turned out that Zhuhuang made a secret shot.

Candle Nine Yin pulse, control the power of time!

just...

Why did he vomit blood?

"This person really deserves the name of the God of War. It's terrifying."

Zhuhuang's mouth was dripping with blood.

One black and one white, there was a shock of shock in a pair of eyes.

Just now, it was indeed he who shot secretly.

Because his brother had told him to have a good relationship with Naraku.

Nai is in danger, so naturally he cannot remain indifferent.

So he urged the magical power contained in his own candle dragon bloodline, which is the power of time.

Of course, he belongs to the younger generation, so naturally he cannot use the power of time so profoundly.

Don't talk about the long time of manifestation, reversing the horror abilities of time and space.

Even the most basic time stagnation can only manifest for a moment,

And the stronger the enemy, the shorter the time, and the stronger it will be backlashed.

He once used this trick to deal with the strong of the same level.

is enough to freeze a breath.

But now, when dealing with Jun Xiaoyao, it only freezes for a short while.

and also suffered a strong backlash.

This represents that Jun Xiaoyao's true strength is absolutely terrifying!

is far from what he can easily imprison.

"The power of time?"

Jun Xiaoyao was also a little surprised, looking at that Zhuhuang.

This kind of talent ability of Candle Dragon is really powerful.

Of course, this is also the reason for Zhuhuang's sneak attack.

If Jun Xiaoyao knew that Zhu Huang would make a move, with his strength, Zhu Huang could not limit him at all.

If you forcibly use time stagnation on Jun Xiaoyao, you will even be hit hard by backlash.

Right now, I missed the opportunity.

I want to kill Naraku, which is a bit troublesome.

Jun Xiaoyao doesn't actually care.

For him, killing or not killing is just a matter of convenience.

The reason why he wanted to kill Naraku just now was not how much Jun Xiaoyao hated Naraku.

But it just happens to be killed, so it kills.

Since it's a bit troublesome to kill him now, Jun Xiaoyao doesn't mind letting him live longer.

"So, do you still want to get married?" Jun Xiaoyao stepped on the void with his hands and said calmly.

In a word, the entire Baqi emperor clan's creatures are full of extreme anger and humiliation!

Especially Naraku.

Originally, this wedding banquet was supposed to be the stage for him to wash away the waste and pretend to be a face.

It turned out to be even more embarrassing now.

"Forget it, Brother Nairo, let's go back first." Zhuhuang also expressed fear on his face.

"Thank you Brother Zhuhuang this time." Na Luo thanked Zhuhuang.

Then his eyes turned to Jun Xiaoyao, the resentment in his eyes was self-evident.

But he was still softened.

Sometimes, people are like this.

You said that if you ask him to give up getting married, he will definitely not do it.

But you beat him up, and you die if you don't abandon your marriage.

Then he must still think it's better to abandon the marriage.

But obviously, if the Baqi emperor really retreated today.

That's not losing face.

but laughs generously.

has completely become a joke of the sea of chaos.

rumbling!

Just when everyone thinks, the overall situation is timed.

The sea level suddenly set off a storm.

Above the sky, black clouds are cascading.

Vaguely, there was a vague projection that appeared in the void.

The breath of quasi-immortality is released!

"It's the quasi-immortality of the Baqi emperor!" A creature's eyes widened and couldn't help exclaiming.

The Baqi emperor, although the sunset is west, but after all, it is an immortal emperor.

Except for an immortal king who retreats.

There are several quasi-immortal.

Obviously, this is a quasi-immortal projection.

"Ignorant child, dare to insult my Baqi emperor!"

The quasi-immortal projection made a roar like thunder, which made the world turbulent and the situation changed.

An extremely fierce coercion overturned and enveloped Xiangjun Xiaoyao.

Jun Xiaoyao felt a terrifying pressure in an instant.

But he stood in the void, his face remained unchanged.

didn't even frown his brows.

"Grandpa Five!"

Huang Quan hurriedly cast his help-seeking gaze to the five elders.

The elders of the Yixie clan also frowned~www.mtlnovel.com~ felt that the Baqi emperor's approach was a bit wrong.

and just when they were about to move.

Jun Xiaoyao had a hint of coldness and contempt in his eyes.

No one can threaten him.

"What about quasi-immortality? What about the Baqi emperor?"

"But the yellow flowers of tomorrow will eventually disappear in the dust of history."

Jun Xiaoyao waved his big sleeve and smiled lightly.

is full of free and easy grace!

"You wait to be presumptuous!"

Quasi-immortal projection shouted, like thunder on the ground.

A palm pressed towards Jun Xiaoyao.

Jun Xiaoyao's eyes shone cold.

Open your palms.

On the palm of the hand, a beautiful flower from the other side emerged.

At the moment when the stamens bloom, the whole world seems to be frozen!

A splendid and unrivaled phantom image that will never cease to come, stepping on the sky full of flowers on the other side!

At this moment, the world lost its voice!

A thick sense of shock and astonishment appeared in the eyes of all creatures!

[Chapter 1065: Return to the sky, quasi-immortal and fall, 8 parties are shocked](#)

The other shore flowers bloom all over the sky, like a grand flower rain.

Among the scarlet petals in the sky, an illusory and peerless shadow appeared.

is tall and slender, barefoot and flawless.

Three thousand green silk, dissipating in the void.

Countless avenue runes, chains of order, heavenly lines, surround it.

As soon as appeared, the powerful aura disrupted the world, and even the whole island was roaring and trembling.

Everyone believes that if the island of the Yixie clan has no defensive formation, it is estimated that under this terrifying aura, it will break directly.

However, even if there is a formation to cover up.

Everyone can also feel it, that kind of terrifying aura like the might of heaven.

and it is even more shocking.

This is not the arrival of the deity.

is just a ray of breath manifesting!

This is the most terrifying place!

Many people's eyes trembled at that peerless shadow.

found that his face was hazy, dazzling the endless Qi machine.

But it can be seen vaguely, a mask of grimace that looks like crying and laughing is worn on it.

plus the rain on the other side of the sky.

An extremely powerful and terrifying name, and at the same time it appeared in everyone's mind.

The mother of other shore flowers!

"That is the mother of the Bian Flower of the Bian Emperor!"

"When did the **** of war be in contact with the mother of flowers on the other side?"

"That is the supreme king of the other side emperor clan, and its strength is so deep that it can't be imagined!"

Countless sounds of horror were heard.

Everyone in the audience was dumbfounded.

When did Jun Xiaoyao get in touch with the mother of flowers on the other side?

and also offered a token of the mother of Higan Flower.

"Could it be that before the palace of the king went to the other side of the clan, it was expected that there might be disputes next, so we should plan ahead?"

Kagura's eyes were also extremely surprised.

She knows about Jun Xiaoyao going to the other side of the clan.

was a little confused before, but now it is completely solved.

"The lord of the One King Palace really knows everything like a god, and he has the danger of mountains and rivers in his chest."

Kagura is self-reinforcing, falling into dihua, and his beautiful eyes have the meaning of worship.

The many elders of the Yixie clan are also extremely shocked.

The name of the mother of flowers on the other shore can be described as resounding in a foreign land.

And it is rumored that she is extremely lonely and arrogant, even her family members don't see her often.

But now I gave Jun Xiaoyao a token.

What does this mean?

represents the big brother and also optimistic about Jun Xiaoyao!

For a while, the elders of the Yixie clan also began to figure out how to make a good relationship with Jun Xiaoyao.

is the opposite of the Yixie clan.

On the side of the Baqi Emperor Clan, everyone was shocked, and their minds trembled.

"Mother of Higan Flower, how come?" Naraku's grandfather was also completely shocked.

Naraku's heart trembled even more, and he couldn't help screaming from the bottom of his heart.

The supreme powerhouses who are so graceful are also related to Jun Xiaoyao!

I am afraid that no one will not be jealous.

While present, the most daunting thing is that the projection of the Baqi Emperor Clan is quasi-immortal.

When he saw the phantom of the mother of flowers on the other side, he felt that his scalp was about to explode!

Quasi-immortality is very strong, powerful in all directions, and worshipped by all souls.

An angry, the world trembled.

But in front of the real king of immortality, he is a younger brother!

Not to mention, the strength of the mother of the other shore flower is not comparable to the average immortal king.

Even if the immortal king of their Baqi emperor retreat exits, it is estimated that they can only take a detour.

"How is it possible, how can this child have something to do with other existence!"

This quasi-immortal mentality collapsed.

was originally projected and wanted to support the younger generation of my family.

As a result, now, the waist is about to flash.

"This this..."

Originally majestic and majestic, the powerful Baqi emperor is quasi-immortal.

I'm speechless now.

Put cruel words in front of the mother of flowers on the other side?

What is the difference between and looking for death?

is soft?

Where does that face go?

Therefore, under such entanglement, the quasi-immortal does not know how to deal with it.

This scene makes many creatures speechless.

dignified immortality, falling into such a difficult situation is also a sad reminder.

"Now, who is more ignorant?"

Jun Xiaoyao stepped into the void with his hands.

tone, full of playfulness.

On the means, on the cards, it is not a futility that you are happy.

The Baqi Emperor Clan Quasi-immortal Hearing this, his mentality couldn't be stretched, and the breath that he released caused the sea of chaos to make waves.

At this time, the phantom of the mother of the other shore flower also moved.

She didn't say a word, just stretched out her bare hand like a jade carving, and lightly grabbed it towards the quasi-immortal projection.

Boom!

The sky on that side collapsed directly and turned into nothingness!

The quasi-immortal projection of the Baqi emperor clan can't even resist, it is directly annihilated!

"Hi, the mother of the other shore flower is really terrifying!"

Seeing this scene, the creatures present couldn't help being frightened.

But this is also normal.

It would be surprising if the quasi-immortal projection could not be reached in seconds.

"Heh...is it just that?"

Jun Xiaoyao's face is more playful.

He knows.

The mother of other flowers is not a good character.

is especially related to Jun Xiaoyao.

After all, Jun Xiaoyao is a very special existence to the mother of flowers on the other side.

If anyone provokes Jun Xiaoyao, it is not good for him.

The mother of Higan Flower is obviously not soft-hearted.

On the other side, on the other remote island, deep in the ancestral land of the Baqi emperor.

A vague figure sitting cross-legged, suddenly shaking.

"It's so scary, what is the realm of the mother of the other shore flower?"

"The King of Immortality, that's not right, I should have stepped onto the next level."

"Damn it, besides the ultimate emperor ancestor in the Unspeakable Land, who else can quell the mother of flowers on the other side?"

"And that little bastard!"

This quasi-immortal figure is shrouded in a vague air machine.

'S bitter killing intent changed the color of the sky.

"Fortunately, the king is just going forward with a projection. If the deity goes, the consequences will be disastrous."

This quasi-immortal is scary after thinking about it.

Although that is just a ghost of the mother of the other shore flower.

He also felt a fatal murder.

If it were a phantom of the ordinary immortal king, he might still have a way out.

But the mother of other flowers is different.

"If you offend my Baqi emperor, even if you are one of the six kings of the world, it won't make you feel better."

The quasi-immortal was whispering coldly.

But this time.

In the void around him, there are flowers of the other side blooming.

"this is..."

The quasi-immortal eyes widened immediately, and an ominous premonition enveloped him.

The quasi-immortal powerhouse has a preliminary perception and prediction of his own misfortunes and fortunes.

And what he perceives is a dead darkness!

噗!

This quasi-immortal powerhouse exploded directly.

A magnificent scarlet flower blooms from its body.

Even the primordial spirit could not escape, and was extradited to Huangquan in the prefecture by this other shore flower.

"what happened!"

"not good!"

The other quasi-immortal members of the Baqi emperor clan felt the movement and broke through the sky in an instant. U U Reading www.uukanshu.com

is to see the place, leaving blood and bones!

A quasi-immortal, falling!

rumbling!

At the moment when the quasi-immortality fell, the entire sea of chaos shook.

Numerous avenue runes manifested, returning to between heaven and earth.

Above the sky, an infinite splendid scene emerges.

That is a wisp of natal law, between the fusion into the heaven and the earth!

"It's still in the sky, this is where the strongest person has fallen!"

At the wedding banquet, when I saw the vision in the sky, all the creatures were a little confused.

The strongest above quasi-immortality, although it is difficult to fall.

But if it really falls, the main principle of the body collapses, and it will return to heaven and earth.

This is still a fate!

Whenever this vision emerges, it means that one of the strongest has fallen.

"No way, could it be..."

Many creatures reacted immediately, looking at Jun Xiaoyao in amazement, and the phantom of the mother of flowers behind him.

On the side of the Baqi Emperor Clan, the complexions of Naraku and others also turned pale after brushing, and I couldn't believe it!

[Chapter 1066: Sadly reminded of the eight Qi emperors, domineering and powerful, beheading Zhuhuang](#)

Many people immediately thought of the quasi-immortality of the Baqi emperor.

"But how come it is just a projection?"

"Could it be that the mother of flowers on the other shore is strong enough to kill the quasi-immortal deity that is thousands of miles away by just relying on a phantom?"

The hearts of all creatures are shocked and unbelievable.

And this time.

There was a roar, and it exploded like thunder on the ground.

The place of origin is impressively the seat of the Baqi emperor!

"It's the quasi-immortality of my clan roaring!"

The creatures of the Baqi Emperor Clan turned pale instantly.

They were right, guessing.

It's really the quasi-immortality of their Baqi emperor who died!

"how can that be!"

Naraku's grandpa yelled, his heart trembled, and his body was cold!

A quasi-immortal of their Baqi emperor has fallen.

This is a shocking event!

For the Baqi emperor who was already sunset Xishan.

is definitely worse!

"No, how could this be..."

Naraku was also petrified, his eyes widened and his voice trembling.

The quasi-immortality of their family has fallen.

It can almost be said that it fell because of him.

If he just retreated then, maybe this scene would not happen yet.

Endless regret and resentment filled his mind and body.

makes Naraku almost crazy!

Even now that he and Jun Xiaoyao die together, he is willing.

But is it possible?

In the void, Jun Xiaoyao put away the other side flower.

The phantom of the mother of flowers on the other side also disappeared.

This flower is used once, and the energy is reduced once.

So instead of facing the strongest, Jun Xiaoyao will not sacrifice.

But now it seems that the result is not bad.

A quasi-immortal has fallen, enough to make waves in the sea of chaos.

Jun Xiaoyao looked very plain.

I have even seen the mythical emperor, and even fought against the emperor.

Now Quasi Immortal has fallen because of him, Jun Xiaoyao has nothing to feel, ordinary.

Such a posture also made all the creatures present completely speechless.

The nobility and indifference of Jun Xiaoyao are simply carved into the bones.

"Do you still want to stay here?"

"Or...call out your retired Immortal King?"

Jun Xiaoyao tilted his head slightly, with a playful look on his face.

Naraku heard the words, blood vessels spurted and blood gas surged.

The raging anger seems to ignite every cell.

But in the end, he still suppressed it.

no way!

Jun Xiaoyao just forced him to look up!

Regardless of his own strength, or his backing.

He was completely suppressed by Jun Xiaoyao, unable to turn over at all.

It looks like this, but many people who watch it are embarrassed.

If there is no Jun Xiaoyao.

Today will be the stage where Naraku completely turned over and became famous.

What a pity...

"Grandpa, let's go."

Naraku's voice was extremely hoarse, like a wounded beast.

The Baqi Emperor Clan and his party have left.

When Nalu left, he didn't even dare to say anything harsh.

He is afraid to say one more word, Jun Xiaoyao will kill him again.

Looking at the Baqi emperor who left in embarrassment, the audience was silent for a while.

Who would have thought of the immortal emperor in the dignified and devilish sea.

Being overwhelmed by Jun Xiaoyao, the younger generation, couldn't lift his head.

Even the quasi-immortality of the clan has fallen.

On the other side, Zhu Huang's face was extremely unnatural.

He didn't say anything, and the creatures with the candle nine yin veins were ready to leave.

"Slowly."

Jun Xiaoyao's tone was light, and he looked at Zhuhuang.

Zhuhuang felt a little in his heart.

If it was before, he could still rely on the background of his elder brother and Zhu Jiuyin.

Then, when the immortality falls.

Zhuhuang completely lost this thought.

Jun Xiaoyao is already extremely dangerous in his eyes.

"Just now, you secretly made a move and blocked me, how do you say?"

Jun Xiaoyao said lightly.

Zhuhuang's face was extremely ugly.

Then, under the attention of all the creatures, he bowed to Jun Xiaoyao ninety degrees!

"Sorry, I was abrupt before, and I apologize to Young Master Xiaoyao."

A word makes many living things dumbfounded.

Is this still that very arrogant, nostril-looking candle?

How did it feel to change from a candle dragon to a loach?

This also makes Jun Xiaoyao speechless.

You are so respectful, how can I find fault?

"Get off."

Jun Xiaoyao spit out a word and ignored it.

It's not that he is soft-hearted.

It just provokes the Baqi emperor, there is no need to deal with the Zhujiuyin channel.

Although it doesn't matter to him.

But the hole card, obviously does not consume energy in the sea of chaos.

"Yes...yes..." Zhuhuang nodded like a chicken pecking at rice.

then led a group of people away.

just after turning around, Zhu Huang's eyes flashed coldly.

"If it weren't for my brother didn't come today..."

This Liangzi, Zhuhuang has already written down.

He didn't know.

Jun Xiaoyao has a touch of ridicule in his eyes.

Boom!

caught everyone off guard, Jun Xiaoyao pointed it out as a sword, and the bright sword light shot out directly!

Zhantian Jue!

噗嗤!

Zhuhuang's body and soul were torn in an instant!

dead silence!

The dullness and silence are full!

This scene is beyond everyone's expectations!

"One King Palace!"

Even Kagura's face changed slightly.

She knows that Zhuhuang's brother, the one who is in the line of Zhujiuyin, is a ruthless character.

"you!"

The rest of the creatures in the Jiuyin vein of the candle are all sluggish, and then their eyes are spitting fire, their teeth are broken, and they look at Jun Xiaoyao.

"My son has already given him a chance, but he is seeking his own way of death, and he is cold to me." Jun Xiaoyao sneered.

He possesses a three-generation primordial spirit, but he is extremely sensitive to all kinds of killing intent and emotions.

If this Zhuhuang walks honestly, maybe Jun Xiaoyao is lazy to get this point.

"let's go!"

The rest of the souls in the Jiuyin vein, didn't dare to say harsh words at all, and hurriedly left.

Such a powerful Jun Xiaoyao is undoubtedly an eye-opener for all the creatures here.

"I heard that this **** of war has a domineering temperament and a decisive method. I saw it today and I was completely convinced!"

"There is nothing to say, this is so strong that no one will look at it."

"Cut, what do you know, this is the appearance of a peerless hero, I am in love." There are female creatures showing the meaning of worship. UU reading www.uukanshu.com

In a place where the weak and the strong eat the foreign.

Jun Xiaoyao's character and attitude, on the contrary, will be sought after and admired.

As for the cousins of Kagura and Huang Quan, they have already shown stars.

Especially Huang Quan, who has never been in contact with Jun Xiaoyao before.

I saw it today, and the longing in my heart is hard to describe with pen and ink.

The elders of the Yixie clan cast a glance at each other.

The Fifth Elder coughed even more: "Ahem, I'm very happy today, but if you leave it here, it would be a waste of this wedding banquet."

As he talked, he kept winking at Huang Quan.

caused Huang Quan to bit his lip, showing embarrassment.

When Kagura saw it, he smiled on Huangquan's fragrant shoulders with his jade arms on his beautiful and unparalleled pretty face.

then cast a wink at Jun Xiaoyao, and said softly and greasy.

"One King Palace, anyway, today's wedding banquet is a waste of waste."

"Why don't you marry our cousins?"

With these words, Lei suddenly knocked everyone present!

There is this kind of operation? ? ?

[Chapter 1067: Candle Night is one of the six kings, the status of the monarch of Mosha, enters the eight...](#)

If not seeing it with my own eyes.

Who can imagine that the glamorous and pretty cousins of the Yixie clan would be so active?

Jun Xiaoyao is simply sitting and enjoying the blessing of everyone.

"Is there any reason for this? First, the five beauty of Tushan Mountain, and then the cousins of the Yixie clan..."

There are alien creatures in my heart vomiting, I can't help but envy and hate.

But after another thought, it seems normal.

In a foreign land, the strong are all three thousand harem beauties.

Like Jun Xiaoyao, so good, but there are not a few women around, it is rare.

Even Tushan Wumei is a misunderstanding in itself, but Jun Xiaoyao is too lazy to explain it.

Jun Xiaoyao's performance is simply an ascetic monk who doesn't look like a woman.

Upon hearing this, Jun Xiaoyao also sighed and laughed.

"Kagura, don't make fun of me."

"Yiwangdian, do you think people are joking?" Kagura said innocently.

As if saying, Jun Xiaoyao misunderstood her sincerity.

Jun Xiaoyao is also speechless, knowing that Kagura is not that traditional woman.

doesn't mind sharing with other women.

But for Jun Xiaoyao, this is impossible.

On the side of the Yixie clan, many elders also looked at Jun Xiaoyao expectantly.

Ruojun Xiaoyao really agreed.

Then their Yixie clan can make a lot of money.

As for Jun Xiaoyao, he was married to Tushan Wumei.

That's not a problem at all.

"Hehe, that's the end of the joke, everyone, are you satisfied with today's play?"

Jun Xiaoyao glanced away.

"Where there, Master Xiaoyao laughed!"

"That is, today I can see the prestige of Lord Xiaoyao, and I am worthy of the name of God of War!"

"I will leave first."

Many people are polite to Jun Xiaoyao.

The words are full of compliments and flattery.

The guests from all directions slowly dispersed.

On the side of the Yixie clan, although many elders have a touch of disappointment in their eyes, they are not surprised.

Those who are truly greedy for beauty, what can they do to become the **** of war?

At least for now, their Yixie clan has a good relationship with Jun Xiaoyao.

that's enough.

"Thank you very much Young Master Xiaoyao today, otherwise Huang Quan will suffer." The Fifth Elder smiled at Jun Xiaoyao.

"Just do it casually." Jun Xiaoyao said.

"Young Master Xiaoyao don't worry, if the Baqi Emperor Clan and Zhu Jiuyin are in the same vein, they really dare to be disadvantageous to the Young Master, our Yixie clan will not sit idly by." said the Five Elders.

Jun Xiaoyao is for Huang Quan's first appearance.

If it really causes trouble, they can't ignore it.

"That also wants them to have the courage." Jun Xiaoyao smiled and didn't mind.

He believed that after the fall of a quasi-immortal.

The Baqi Emperor Clan and Zhu Jiuyin are in the same vein, so they shouldn't be so stupid to attack him again.

"Yes." The five elders smiled.

There is the mother of the other shore flower as the backing, except for the ultimate emperor of the Unspeakable Land.

No one really dares to be against Jun Xiaoyao.

Next, the banquet was over and everyone dispersed.

Huangquan is naturally 10,000 worshipers to Jun Xiaoyao.

The brilliance of admiration in his eyes can hardly conceal.

But she is also very self-aware.

Knowing that I can say a few words with Jun Xiaoyao, I am lucky enough.

Jun Xiaoyao's attitude is also very calm, gentle and elegant, not at all the overbearing resoluteness of the thunder before.

After talking to Huang Quan for a while.

Kagura got some information from the tribe.

Then and Jun Xiaoyao came to a side hall alone.

"Yiwangdian, you are really a heartbreaker, why don't you marry?" Kagura said in a charming voice.

"Well, what news have you got, let's talk." Jun Xiaoyao said.

Kagura's expression is also slightly more serious, said.

"It stands to reason that the slave slave is one of the six kings of the world. Even the Yixie clan with me, no one should dare to provoke it."

"But the candlestick nine-yin pulse does not seem to be jealous."

"So, you mean..." Jun Xiaoyao also guessed something.

"Yes, just now, I heard some people say that the person who caused the dark six-pointed star seems to be the candle night of the nine yin of the candle, that is, the brother of the candle." Kamura said.

"Sure enough, is the candle nine yin pulse." Jun Xiaoyao also guessed it.

Why at that time, Zhu Huang still had a cold heart towards him.

is nothing more than thinking that his brother can help him get back.

And Zhu Jiuyin is one of the six kings of the world, which is understandable.

After all, the Six Kings of Destroying the World are all existences with extraordinary heritage.

The first God of War, the Great Dark God, the Mother God of Huangquan, and the Ten-tailed Black Fox.

Now I have added another candle with nine shades.

can be said to be all Xeon heritage.

"In this way, Nanara is indeed not one of the Six Kings of the Destroyed World, then he..."

Regarding Naraku, Jun Xiaoyao did have some doubts.

Although he suppressed Naraku in a few strokes, he still felt that he was not easy.

Shenle heard the words, hesitated for a moment, and said: "Yiwangdian, you have asked Nunu about the extermination of the six kings before."

"Actually, there is one more thing, Nunu didn't tell you."

"Oh?"

Jun Xiaoyao looked at Kagura.

"There is also a misty legend, because I am not sure, so Nunu didn't say it."

"The legend is that when the six kings of the world are completely gathered together, there will be a powerful monarch of Mosha, leading the six kings to subvert the fairyland."

"Of course, because there has never been a gathering of six kings in history, this legend is just a legend and has not been confirmed."

Kagura's words made Jun Xiaoyao fall into thinking.

"Sovereign of Demon, is it..."

With this, Jun Xiaoyao immediately figured it out.

Why is Naraku not the Six Kings of the Destroyer.

He thought of the legend of the evil **** of eight Qi.

That is indeed the oldest taboo existence in a foreign land.

is one of the most taboo existences besides the ultimate misfortune.

And the evil power that Naraku exploded is probably related to his identity.

"So, Na Naruo may be Lord Demon Lord." Jun Xiaoyao smiled.

The Lord of Demon is in charge of the Six Kings. Doesn't that mean that Naraku will become his boss in the future.

is so ridiculous!

"Nu Nu is not sure, UU reading www.uukanshu.com, but Nu Nu believes that you will not be held back by anyone in a palace." Kagura said.

If Jun Xiaoyao surrenders to others.

Then he is not Jun Xiaoyao, nor the first king that Kagura admires.

"If it is true, then I have directly provoke the Lord of Demon and another King of Destruction."

"But it's okay, it's interesting, otherwise it's too boring, isn't it?"

Jun Xiaoyao does not have any fear, but has expectations.

and the other side.

The Baqi Emperor Clan team that had left in dingy also returned to the home of the Baqi Emperor Clan.

In the ancestral land of the Baqi Emperor Clan, there were many crying sounds.

is the fallen quasi-immortal family member, all crying and screaming.

Nana came back, seeing this scene, heartbroken.

This is all because of him!

A powerful resentment and unwillingness surging from the bottom of his heart.

"I want to enter Yaki Shrine!"

Naraku's roar resounded throughout Yaki Island.

All the crying was stopped for a while.

[Chapter 1068: The Lord of Demon awakens, and the kings gather!](#)

Yaki Shrine is a sacred place enshrined by the Yaki emperor.

is also a restricted area that is absolutely forbidden to step into.

In the past, the Baqi emperor clan creatures, at best, only dared to visit the periphery, begging the evil gods for blessings.

It is impossible to step in.

And now, Naraku actually said that he was going to enter Yaki Shrine.

This undoubtedly caused a wave of the entire Baqi Emperor Clan.

In fact, it stands to reason that the fall of quasi-immortality is related to Naraku.

If he were the former waste master, he would definitely be impeached.

Even the position of the young master will not be guaranteed.

But now, when Naraku breaks through to the Supreme, and manifests the phantom of the evil
**** Yaqi.

All the creatures of the Baqi Emperor Clan understood.

Naraku is the last hope of the entire Baqi emperor.

So in the face of Naraku's speech, many of the Baqi emperor clan creatures remained silent.

An elder asked: "Naraku, you can think about it, there is a forbidden place for my clan, and no one knows what will happen after entering."

"If anything goes wrong then..."

The elder said nothing more.

Although Naraku is the cause of the fall of quasi-immortality.

But now Naraku is very important to the Baqi emperor and should not be missed.

"No matter what, I will go in."

Naraku's tone was firm.

Even if he breaks the seal and breaks through to the Supreme, he is not Jun Xiaoyao's opponent.

The only way is to enter Yaki Shrine.

This is his last hope and capital to stand up.

So even if there is a big risk, he has to enter it.

What's more, Naraku believed that he might not be in danger.

After all, in the past, the purple light in the Yaki Shrine repaired him into a seal.

A sentence echoed in his mind.

You enter the shrine and receive the baptism of the evil god.

Naraku believed that he would not be in danger.

Soon, Naraku arrived in front of Yaki Shrine.

The shrine is very old and the surrounding environment is dark.

It seems that even light cannot be projected into that shrine.

Looking at this shrine, Naraku felt confused.

When the cultivation base was sealed, he hated this shrine very much.

This shrine has burdened him with endless infamy, and it has also made him a famous waste master in the sea of chaos.

But ironically, the only hope for him now is in this shrine.

Naraku took a deep breath and pushed the door into the shrine.

He is also very curious about what is there in this shrine.

"Grandson..."

Outside, Naraku's grandfather and others couldn't help but hold their breath.

Naraku who entered the shrine only felt a wading cold.

does not have any oppressive breath.

Inside , the shrine is extremely dark, without the slightest light, and very quiet.

is almost like coming to a deadly universe.

There is no sound, no light.

However, Naraku could feel an attraction.

As if something was calling him.

Following the guidance in his heart, he continued to deepen.

Finally, he saw it.

There was a faint blue flame in front of him, cold like a ghost fire.

and in the center.

There is an embossed wall impressively.

There is a scary creature with eight snake heads carved on the wall.

Once the overlord of the sea of chaos!

An ancient existence of darkness!

The creatures that bring endless destruction to the world!

Yachi Orochi!

Or.

Eight Qi Cthulhu!

When Naraku saw the relief.

The eight pairs of eyes engraved on the relief sculpture are illuminated with a purple faint magic light at the same time.

Then, in Naraku's shocking eyes.

The Yaqi Orochi, which was originally embossed, started to wriggle.

then turned into a group of purple-black evil power gods, directly fleeing towards Naraku!

"what!"

Naraku felt a blazing heat instantly, and every drop of blood in his body seemed to boil.

There seems to be a kind of terrifying energy deeply rooted in his body.

Countless magic sounds echoed in his mind.

An old picture emerges.

In the picture, he seems to be incarnate in order to dominate all the evil gods.

In my ear, there were still chaotic words faintly echoing.

Naraku didn't really hear it, but vaguely heard the four characters for Monarch Monarch.

The purple evil power wrapped Naraku's whole body like a cocoon.

Outside Shrine, all the creatures of the Yachi emperor clan raised their minds after hearing a scream from Naraku.

I don't know how long has passed.

A purple-black beam of light suddenly burst out of the shrine, reaching the sky completely!

For a time, huge waves were set off around the entire Yaqi Island.

Countless creatures dormant, shivering.

Some very old and cruel sea beasts, sensing this breath, shuddered, and shrank into the abyss of the sea.

Because they produce a sense of fear that originates from the blood and soul.

It is as if their ancestors long ago were shuddered and surrendered under the pressure of this huge evil force!

At the same time, when this breath broke out.

There are also a group of people who feel inexplicably.

is near the edge of the sea of chaos.

A floating ship, crossing the sky.

On the deck of the -floor ship, there was a dark-skinned young man with a pair of black fox ears on his head and ten tails behind his back.

is Yun Xiaohei.

His form has changed slightly from before.

represents him, he has been able to begin to use the power of the ten-tailed black fox skillfully.

This time he came to Luanmohai because he had heard that there is a king who destroys the world in Luanmohai.

He wanted to see if he could be drawn to the same camp.

After all, Jun Xiaoyao and him are mortal enemies.

And next, the Sixth King of Destruction will go to the unspeakable place, so Yun Xiaohei is also here.

Beside him, there are some powerful men from the Mingzhao and Mojie Emperors.

"Huh, that breath?"

Yun Xiaohei looked away.

in a land far away at sea level.

There is a purple beam of light, and it goes through the sky.

Vaguely, there seemed to be a boundless magical shadow, which appeared from time to time, and the majestic body seemed to fill the world.

"The Lord of the Devil..."

Unknowingly, the four words came out of Yun Xiaohei's mouth, and he didn't even react to it.

On the other side, in the ancestral land of the island where the Zhujiuyin line is located.

Deep down, in an underground palace. U U Reading www.uukanshu.com

A young man is located in it.

He is wearing a loose black robe, his black hair is hanging down, and his skin is fair.

is very handsome, with a scale on the center of his eyebrows.

is faintly visible, and there seems to be a black six-pointed star carved on the scales.

In front of him, there is a piece of dark golden thin paper floating in the void

A vague force of time permeates the paper, and every word in it seems to condense the eternal time and space.

At a certain moment, the young man seemed to be in a sense, his gaze was separated by layers of obstacles, looking into the distance.

"Sure enough, I didn't think it was wrong, he really is that one."

The man muttered to himself, without the slightest surprise in his eyes.

"It is stupid to dare to provoke him."

"What's even more stupid is to provoke me."

A faint cold light flashed through the man's black and white eyes.

He is the elder brother whom Zhu Huang said.

Zhujiuyin Yimai emperor, candle night.

At the same time, he has an identity.

That is the second king of the six kings!

[Chapter 1069: Cthulhu Armor, 1 drop of black blood, rainstorm is approaching](#)

It's not just Yun Xiaohei and Zhuye that give birth to the induction.

Jun Xiaoyao and Kagura on the islands of the Yixie clan also felt something.

Above a pavilion.

Jun Xiaoyao and Kagura stand side by side, looking into the distance together.

A purple-black beam of evil power penetrates the sky and the earth.

As long as it is in the Sea of Chaos, you can almost see it clearly.

"One King Palace, it seems that our guess is indeed correct."

Seeing that beam of light, a look of worry appeared in Kagura's eyes.

That terrifying evil force made her feel a little palpitated.

It can be said that if Naraku really becomes the Lord of Demon.

For Jun Xiaoyao, it is bound to be unfavorable and may even be restricted.

"This is interesting. By the way, why does the Lord of Demon appear, and why can Lord Demon rule the Six Kings?" Jun Xiaoyao was a little curious.

Kagura shook his head slightly and said: "The specific situation is not clear to the slaves. After all, before this, this was just a misty legend."

"But..."

"But what?" Jun Xiaoyao's eyes flashed.

"According to some ancient records of my clan, Lord Demon seems to have been bestowed by the ultimate evil, so he has the ability to rule the six kings."

"What has the ultimate misfortune bestowed on Lord Demon's Darkness?" Jun Xiaoyao became even more curious.

"It looks like...a drop of blood." Kagura said.

"A drop of blood?"

Jun Xiaoyao's eyes flashed a dark glow.

He immediately thought of a lot.

also brought a faint smile at the corner of his mouth.

"If that's the case, it's more interesting. Who knows if Naraku is the real Lord of Demon?" Jun Xiaoyao's tone was playful.

"What do you mean?" Kagura was confused and a little at a loss.

In her eyes, Jun Xiaoyao is simply unfathomable.

always had a confident, winning attitude, as if everything was under his control.

"Don't worry, then, let's see if Naraku dared to trouble me." Jun Xiaoyao smiled.

Then, Jun Xiaoyao delivered the message.

Let Su Hongyi also rush to Chaos Mohai.

A real good show will be staged!

...

Just when the entire Chaos Demon Sea was shaking because of this abnormality.

At the source of chaos, on Yaki Island.

The purple-black beam of light that skyrocketed, finally slowly dissipated with the passage of time.

All the creatures of the Baqi Emperor Clan waited nervously, seeming to be waiting for something.

and in the depths of Yaki Shrine.

The purple light began to dissipate.

Naraku's figure emerged.

is different from before.

A hideous purple-black armor appeared on his body.

This purple-black armor carries a mysterious, weird, and dark atmosphere.

Like any magic weapon, it cannot be destroyed.

"The armor of the evil god..." Naraku murmured.

His cultivation is the same as before, still in the Supreme Realm.

But he felt that he had an essential change.

There are many more memories in his mind.

Naturally, he controls many terrifying supernatural powers.

Many of these great supernatural powers are much stronger than the Baqi Abyss that he used before.

In addition, this evil **** armor also provided him with invincible defense.

is almost a level of existence comparable to the Forbidden Device.

More importantly, this armor can also increase his all-round attributes.

It can be said that although Naraku is still the supreme cultivation base now.

But even the powerhouse of the Xiaotianzun level can't pose a threat to him.

His current strength is not the same as before.

Of course, there is the most important point.

"Lord Demon, I turned out to be the legendary Lord Demon Lord who rules the Six Kings!"

Naraku's tone was trembling, and he couldn't believe it.

This is simply joy from the sky, making him feel dizzy.

But Naraku's temperament was fine, and soon calmed down.

"The Evil God of Eight Qi, who has been subject to the ultimate disaster, has become the Lord of the Demon King who rules the Six Kings."

"In this way, am I not Yu Xiaoyao's boss?"

Thinking of this, there was endless resentment in Naraku's eyes.

It can be said that if there is no Jun Xiaoyao.

Presumably he has already rectified his name now, and even the beautiful woman is in his arms.

And everything about him was destroyed by Jun Xiaoyao.

"No hurry, I seem to be a little short of something."

Naraku already knew his identity.

But he still feels that he is not in his most complete state.

"What else is there, by the way, blood, it's a drop of blood!"

Naraku tried hard to recall.

Found in ancient memories.

There is a drop of black blood.

That drop of blood seems to contain endless darkness, with a power that makes the heavens palpitate.

And the Evil God of Eight Qi also took advantage of that drop of blood to dominate the entire sea of chaos and put countless creatures under its rule.

This is also the reason why the evil **** Baqi will be loyal to the ultimate evil.

"It turns out that I need that drop of blood before I can truly become the Lord of Demon Evil and the descendant of the Heretic God."

Naraku understood thoroughly.

Strictly speaking, he is not yet completely awakened by the power of Lord Demon.

just got the Demon Lord's World Destroying Forbidden Tool, the Evil God Armor.

"Need to find another drop of black blood, there is no trace of the sea of chaos, then it can only be in an unspeakable place." Naraku muttered to himself.

He was already thinking about how to leave afterwards.

Now he is confident, even if he meets Jun Xiaoyao again.

Not to mention that it can suppress Jun Xiaoyao, at least Jun Xiaoyao should not threaten him.

It's even more impossible to beat him so embarrassed as before.

"Patiently wait for the last king to be born, when the time comes, everything will come to light."

"There is also Yu Xiaoyao, you may not think of it, even if you are the first king, you still have to take orders from me."

The thought of this made Naraku feel refreshed.

He was already thinking about how to torture Jun Xiaoyao after he completely awakened Lord Demon's power in the future.

"By the way, there are several other kings who seem to have grudges with that Yu Xiaoyao, such as the ten-tailed black fox, and the line of candle nine yin."

Now Naraku can already sense the fluctuations of the World Destroyer King.

One of the fluctuations originated from the candle nine yin channel.

There is no doubt about who he is.

...

In a blink of an eye, a month passed.

What surprised Jun Xiaoyao was that Na Luo did not come to him for revenge.

"It seems that this Naraku, although a bit stupid, is not so stupid that there is no bottom line." Jun Xiaoyao smiled slightly.

At this moment, he is lying comfortably in a hot spring of the Yixie clan.

Soaking in hot springs is Jun Xiaoyao's hobby carved into his bones.

just came to a foreign land, has been in the layout, the rhythm is rushed, and there is no leisure at all.

Now, there is a feeling of tranquility before the storm.

So Jun Xiaoyao is also busy.

Kagura, UU Reading www.uukanshu.com Huangquan, these cousins are also dressed in cool clothes, exposing large areas of snowy, white and tender skin.

Waiting on Jun Xiaoyao by his side, massaging and bathing for him.

"Xiaoyao-sama, in good shape..."

Huang Quan was squeezing his shoulders for Jun Xiaoyao, and his face was flushed, very greedy for Jun Xiaoyao's body.

Jun Xiaoyao does not have explosive muscles, but the well-proportioned jade-like muscles and bones have a kind of natural perfection and harmony.

Huang Quan continued to look at her, her face flushed even more.

On the other side, Kagura's eyes were also flattering, and said: "The size of the son, slaves and cousins can't stand it."

Jun Xiaoyao gave a dry cough, as if he hadn't heard it.

In fact, after signing in Xuanyang Baochu.

He is indeed beyond the depth of a woman.

One step to the stomach is no longer an adjective.

At this moment, a maid's respectful voice came from outside.

"The followers of Xiaoyao-sama are here."

"Is the red shirt coming?" Jun Xiaoyao smiled faintly.

The kings will gather, and the real curtain should be opened.

Heavy rain is coming!

[Chapter 1070: In the misty area, the last king appeared, the **** of the God of War Academy...](#)

is at the border between the sea of chaos and the unspeakable land.

is a thick gray fog.

The dense fog envelops the world.

Some weird roars of beasts can be heard from time to time, making the scalp numb and chilling all over the body.

This is a misty area on the way from the Sea of Chaos to the Unspeakable Land.

If there are no creatures in the unspeakable land to attract.

If the creatures from the outside enter it rashly, it is good luck to get lost.

If you step into a fierce place, or an absolute formation, you really don't even know how to die.

It is rumored that there are various terrifying and weird areas, dark rifts, death trenches and so on in the misty area.

It can be said that the existence of the supreme level is dangerous to step into it rashly.

Unless it is the strongest person above quasi-immortality, you can cross directly.

But looking at a foreign land, how many of the strongest creatures are above quasi-immortality?

Therefore, this has further shaped the mystery and horror of the Unspeakable Place.

is a forbidden zone that most alien creatures cannot cross.

But at this moment.

In the misty area, a boat shadow suddenly appeared.

The sea is washed away.

The ship's shadow gradually became clear in the gray fog.

is actually a flat boat.

On the flat boat, one old and one young stood.

The old man wears a hat and holds a piece of wood pulp, rowing a boat.

And the young man looked very handsome, just a pair of eyes, pure black with a kind of evil charm, which looked quite deep and strange.

If people see this scene, they will definitely be surprised.

can be called the misty area of the All Souls Forbidden Zone.

But there is an old and a young, who came in a flat boat.

There is only one possibility.

The old and the young are creatures in the unspeakable land!

It is very difficult for external creatures to pass through the fog area, and even risk their lives.

But the creatures in the unspeakable place can go in and out at will.

"The time is almost there. Just like the prophecy in the clan, this great world will be the time when our world will completely collapse the fairyland."

"How many years have you waited for such an opportunity, the great and supreme misfortune, obviously has been waiting for a long time."

This young man, with a deep breath, speaks at the moment, with a fever of worship.

The worship of the ultimate evil!

He slowly raised his hand, and there was a dark six-pointed star mark on his palm.

"It's time, the kings gather together to go to the unspeakable place."

fell with the voice of the young man.

The dark six-pointed star mark on the palm of his palm suddenly released a dark black light, and the hole shot to the sky!

Above the sky, black clouds are pressing down, and the wind and clouds are changing!

A black six-pointed star mark manifested above the sky.

At the same time, the World Destroyer Kings located in various places in the Sea of Chaos also felt this breath.

"Another World Destroyer King, this one is complete."

On a ship, Yun Xiaohei looked at the six-pointed star mark in the sky in the distance, and his eyes flashed.

The last king, also appeared!

The six-pointed star mark on the black abdomen of Yun Xiao also gave out a black glow, shooting a hole above the sky.

The second six-pointed star mark appears!

He did not hesitate, and went straight to that place.

on Yaki Island.

Naraku, dressed in the armor of the evil god, stepped away with his hands in the air in the awe of the eyes of the many Baqi emperor creatures.

At this moment, he, who is covered in evil armor, is different from the one who was embarrassed as a dog at the wedding banquet.

Now Naraku is like a son of the Heretic God, with an innate power of killing.

"Yu Xiaoyao, I am looking forward to seeing you again."

Naraku's mentality is completely calm, because enough strength has brought him enough self-confidence.

On the other side, there is an island in the line of Jiu Yin.

There is also a horrible aura erupting, and the underground palace trembles.

A figure flashed out.

is dressed in a black robe, with flying black hair.

has handsome features, with a scale on the center of his eyebrows and a black six-pointed star mark on it. The hole shoots out a faint glow, shooting directly into the sky!

The third six-pointed star mark appears!

"Finally arrived, the meeting between the Six Kings and Lord Demon."

"And Jade Xiaoyao, my brother's life is not so easy to take."

This young figure is naturally candle night.

He stepped on his footsteps, his speed was so fast that he seemed to shorten the time a lot.

can be seen from here.

He is in control of the power of blood and the power of time.

is much deeper than Zhuhuang.

The two are not in the same state at all.

is just as the clouds are moving in all directions.

The Yixie family, one man and two women, three figures appeared in the sky.

is Jun Xiaoyao and Kagura, and Su Hongyi who came from the God of War Academy.

And on the three of them, a black awning hole shot out, turning into a black six-pointed star mark, imprinting on the sky.

For a time, six six-pointed star marks, all imprint the sky!

"The last king has also appeared, and with us, the six kings will gather together."

Jun Xiaoyao looked at the six marks on the sky, his expression relaxed and free, without any sense of tension or fear.

He is about to come into contact with the deepest secrets of the foreign land.

This is something no one in the fairyland can do.

If you really find out what the secret is peerless.

Na Jun Xiaoyao is undoubtedly a great hero to Xianyu.

Of course, all of this has been unspeakable.

"By the way, I want to ask you something?" Jun Xiaoyao looked at the two women.

Kagura and Su Hongyi are both looking at Jun Xiaoyao.

"If Naraku is really that demon Lord, then doesn't he also have the right to command you to rule."

"Then you, who do you listen to?"

Mieshi Six Kings, ruled by the Lord of Demon.

And Kagura and Su Hongyi, both are one of the six kings, and both are subject to the Lord of Demon.

Su Hongyi almost didn't pause for a second, the blood-red red pupil with a kind of loyalty and determination.

"It is the son who gave the red clothes a new life, and the red clothes are the sons, and only listen to the son's orders."

"Then Lord Demon, if you dare to be against your son, the red shirt will definitely not let him go!"

Su Hongyi said, with a trace of murderous in his scarlet pupils.

Obviously, Jun Xiaoyao's enemy is her enemy.

Kagura was dumb for a moment.

Then Mei smiled: "Where did the Yiwangdian say something, the slaves are always towards the Yiwangdian."

"What's more, your lord is the first king, and there is no need to lower your head in front of Lord Demon."

Kagura obviously cannot be as loyal as Su Hongyi, and even willing to give his life for Jun Xiaoyao.

She just cherishes gratitude and love for Jun Xiaoyao.

even brought a little bit of gluttonous gentleman's body in it.

Jun Xiaoyao didn't mind either, he smiled and said, "Okay, let's go to the meeting together."

The three figures directly broke through the void and headed to the source of the dark six-pointed star, which is the direction of the misty area.

The whole sea of chaos is full of waves!

is not just a sea of chaos.

Even on the side of the top ten foreign states, you can also see the six dark six-pointed stars imprinted on the sky.

"The Six Kings of the Destroyed World, gathered together."

Many big figures and ancient existences are all sighing.

Maybe the Six Kings have not grown up yet.

But as time goes by, the six kings will eventually grow into the dark and immortal kings of the world, which will be the catastrophe of the fairyland.

Styx State, the deepest underground of the God of War Academy.

This is a place where everyone in the school is not allowed to set foot.

Because the person who retreats here is the ancient and supreme God of War Academy, King Shenao!

And at this moment, in a cavernous land underground. UU reading www.uukanshu.com

A bald old man with a tortoise shell on his back and white temples came to the depths of the cave.

The old man looked ordinary, without the slightest breath, and he even seemed to be old-fashioned.

I'm afraid no one would have thought that this shameless old man is exactly the famous Shenao King of the God of War Academy in a foreign land.

At this moment, King Shenao looked into the depths of Dongtianfudi.

There is a misty air machine shrouded there, isolating all spiritual prying eyes.

Even cause and effect are blocked.

can only be faintly felt, a vague figure in white clothes, sitting in it quietly.

Vaguely, brewing a horrible atmosphere that suppresses the heavens, stuns the world, and suppresses the world.

Like a Qianlong in the Yuan.

"My lord, the Six Kings, Qixian, should be heading to the unspeakable place."

The King of God Ao, facing the depths of the misty energy, gently arched his hands.

If this scene is seen, it will definitely blow up the scalp!

A famous foreign immortal king actually called a mysterious existence an adult!

This is simply an incredible thing!
