

# SCORING THE SACRED BODY OF THE ANCIENTS FROM THE GET-GO

## Chapter 19: Open in front of you?

Around Jun Xiaoyao, golden blood surging to the sky, like a huge wave roaring!

Inside his body, 20,000 giant elephant particles awakened.

That's right, in these few years, Jun Xiaoyao has cultivated the power of the \*\*\*\* image to suppress the prison, awakening directly from a thousand giant elephant particles to 20,000 giant elephant particles!

This also means that Jun Xiaoyao now has 200 million catties of force!

How terrifying, it can smash the stars in the sky with one palm!

The blood in Jun Xiaoyao's body was surging, the majestic golden mana turned into a golden giant hand, suppressed.

200 million catties of huge force, covering the sky!

Feeling this sky-shaking power, Xiao Chen's face paled with horror, and his face suddenly changed!

Jun Xiaoyao doesn't make a move. Once he makes a move, the sky will shake and the universe will change!

The golden mana giant hand, like the hand of a god, pressed against Xiao Chengai.

"How is it possible!" Xiao Chen couldn't help but roar.

But he has some abilities, he didn't sit still, his mana surged.

"Canglong Potian Fist!"

Xiao Chen's mana gathered on the front of the boxer and shot out with one punch.

With a dragon chant, a phantom azure dragon appeared as if it came out with Xiao Chen's punch at the same time.

However...

still useless!

rumbling!

Like thunder and thunder, big stars collide!

The golden giant hand destroyed the phantom of the blue dragon instantly with the force of destroying it.

Then he bombarded Xiao Chen unabated.

puff!

Xiao Chen felt like he was kicked by an ancient giant elephant, vomiting blood in his mouth.

The whole person flew upside down like a kite with a broken line, and then hit the ground heavily.

dead silence...

Throughout the fighting arena, many of the Jun family's children watched this scene in a bit of amazement.

Although they knew that Xiao Chen challenged Jun Xiaoyao to be irresponsible, they didn't expect it to be in such a crushing situation.

This is no longer a fight, but a naked crush and abuse!

"I'm dear, Lord God Son is already in the Ninth Heaven of the Divine Palace. Then, isn't he about to break through to the real spiritual realm?"

"The real chicken is terrifying, even though Xiao Chen is nothing, but in the outside world, he is considered a very famous arrogant, and he was knocked over by the son of God with one palm."

"Don't forget, the son of God is eight years old, and that Xiao Chen is fifteen or six years old, and he can't beat him twice his age. I'm ashamed of him!"

After a brief misunderstanding, there were shocks.

Countless satirical remarks all point to Xiao Chen.

Rao is worshipping Yu'er, and Yu'er covered her red lips with her beautiful eyes widened with scarlet crystals.

Although she knew that Jun Xiaoyao would win, she didn't expect to win so simply and neatly.

Xiao Chen was in front of him, and he didn't even have the power to resist.

Bai Yuer looked at Jun Xiaoyao's gaze, and he couldn't help but become more colorful.

"How is it possible, how could this be?"

Don't talk about other people, Xiao Chen collapsed in the pit, feeling a little dazed.

It stands to reason, shouldn't it be him who counterattacked and slapped Jun Xiaoyao on his feet, and then made Bai Yuer this \*\*\*\* regret for life?

Why now, he was beaten on the ground?

"Let you take action first, to give you a chance to struggle, so as not to be too boring, now it seems that I still overestimate you." Jun Xiaoyao shook his head, tone of disappointment.

He thought that Xiao Chen could bring him some fun and challenges.

But the result is still so vulnerable.

"Jun Xiaoyao, don't you want to be arrogant, the duel between you and me is not over yet!" Xiao Chen's face flushed with shame and anger.

After the protagonist adds anger, his strength will become stronger. This is an unchanging truth.

Xiao Chen at this moment is the same.

He stood up with difficulty and wiped the blood from the corners of his mouth.

A terrifying dragon aura, brewing and rising from his body.

Xiao Chen's cultivation base actually started to climb.

Jingu Second Heaven!

Shrine Triple Heaven!

The Four Heavens of the Shrine!

The fifth heaven of the Shrine!

Sixth Heaven of the Shrine!

In a short period of time, Xiao Chen's cultivation has skyrocketed to five small realms.

This scene fell in the eyes of the surrounding Jun family children, and it surprised them.

"Oh, the prince of the ancient kingdom of Qinglong is a bit of a way."

In the void, Jun Zhantian and other clan elders also saw this scene in their eyes.

Jun Zhantian slightly surprised and said: "Hey, it's interesting, this kid has dragon spirit and luck, he is a good seed."

"Hehe, it's a pity that you provoke your grandson. I'm afraid it won't end well." Another clan elder said with a smile.

What about Dragon Qi?

Jun Xiaoyao possesses an ancient sacred body that naturally breaks ten chains.

Seeing Xiao Chen's state, Jun Xiaoyao also raised his eyebrows.

"Is this hanging in front of me?"

Jun Xiaoyao himself is a big gangster, and he is very familiar with things like opening gangsters.

opened in front of the big guy, isn't this a gangster?

"Jun Xiaoyao, you didn't expect it, do you really think you are invincible in the world? Let me defeat you!"

"The Blue Dragon Sky Seal!"

After Xiao Chen's cultivation base skyrocketed, his whole body rose up, and in the void, it seemed to condense into a big seal that suppressed the heavens.

This is exactly the martial arts supernatural power he has been practicing hard during this period of time.

Originally, this trick was Xiao Chen's knack at the bottom of the box, and he didn't plan to use it.

But Jun Xiaoyao's strength exceeded his expectations.

So I had to show my cards.

"Jun Xiaoyao, kneel down for me!"

Xiao Chen rose into the sky, controlled the Azure Dragon Heaven Seal, and suppressed Jun Xiaoyao!

He wants Jun Xiaoyao to kneel on the ground!

Jun Xiaoyao faintly raised his eyes, looking at Xiao Chen who was passionate and wanted to suppress himself.

"Sadly..."

He lightly shook his head, and between raising his hand, UU reading [www. uukanshu.com](http://www.uukanshu.com)'s endless golden mana surging like a vast sea, condensed into a magic weapon.

Knife, gun, sword, halberd, axe, yoke, hook, fork...

There are tens of thousands of golden magic soldiers, gathered around Jun Xiaoyao.

At this moment, he seems to be the Lord of Ten Thousand Soldiers and the King of Divine Soldiers.

This is the Jun family's supernatural powers and skills, warfare!

"go with!"

Jun Xiaoyao pushed out with one hand, tens of thousands of \*\*\*\* soldiers gathered into a torrent of \*\*\*\* soldiers that opened the sky and the earth, rushing towards Xiao Chen!

"How come!" Xiao Chen was shocked.

He gritted his teeth and suppressed with his big seal.

Boom!

Two collisions, the world is shaking!

The blue dragon sky seal was directly crushed by thousands of gods!

Xiao Chen's face was pale, he used his body skills and hurriedly backed away, but he was still hit by some magical soldiers.

puff!

Blood soars!

Xiao Chen had wounds on his shoulders, thighs, and waist and ribs, with deep bones visible and blood jetting.

He fell from the sky, hit the ground heavily, with his head disheveled, covered in blood, and embarrassed.

"That's it?"

Jun Xiaoyao tilted his head slightly and looked at Xiao Chen.

Apo!

Xiao Chen heard the words and was so angry that he burst into blood!

shame!

Extreme shame!

Xiao Chen's eyes were blood red, and he saw Bai Yu'er out of the corner of his eye.

She looked disappointed, with a hint of pity and sympathy.

This makes Xiao Chen, who has a strong self-esteem, feel like a needle piercing his heart, stinging!

"There are people outside the world, and there are days outside the sky. In front of the \*\*\*\* son, you are a dragon, and you have to cross your arms, you have to be a tiger, and you have to lie down!"

Jun Xiaoyao's eyes were condescending, like a son of a god, and said indifferently.
