

SCORING THE SACRED BODY OF THE ANCIENTS FROM THE GET-GO

Chapter 20: Waste Xiaochen, take the dragon spirit, I am doing this for your good

The system is added, the talent is peerless, and the background is invincible.

Jun Xiaoyao wants to dominate this era!

All the protagonists of Tianjiao can only be reduced to his supporting roles, bleak.

Let alone Xiao Chen who is a little lucky.

"you....."

Xiao Chen clenched his fists and gritted his teeth.

To tell the truth, he hadn't expected that he was defeated so thoroughly and embarrassed.

A thick humiliation was rolling in his heart.

But he can no longer say anything arrogant.

Because facts speak louder than words.

"Xiao Chen, it's enough. With the strength of Lord God Child, he can easily kill you. He has been merciful to you." Bai Yuer stood up and said.

Although she was so disappointed with Xiao Chen, she even invalidated the marriage contract.

But after all, I used to be a childhood sweetheart. Although not very close, there is still a little affection.

But it is limited to this.

"Shut up, you bitch, do I need Jun Xiaoyao to be merciful?" Xiao Chen shouted angrily.

It was kind to worship Yuer, but it stimulated Xiao Chen's nerves even more.

He was almost depressed in his eyes, but now he is filled with unwilling anger again.

"This stupid girl is pulling hatred on me..." Jun Xiaoyao secretly said.

However, this is exactly what he wants.

Because Jun Xiaoyao had another plan in his heart.

"You... OK, I'll treat it as a donkey liver and lungs!"

Xiao Chen took a bite of a bitch, making Bai Yuer's pretty face gloomy, and the only bit of affection was wiped out.

Xiao Chen panted heavily, his chest rising and falling.

He knew that he could not defeat Jun Xiaoyao today.

Xiao Chen clenched his five fingers tightly, his nails pierced deeply into his palms, causing painful pain.

His eyes swept across Bai Yuer and Jun Xiaoyao coldly, and he spoke.

"Jun Xiaoyao, don't be proud of you, Hedong for thirty years, Hexi for thirty years, don't bully the young and poor!"

"Three years later, you and I will fight again!"

Xiao Chen spoke, quite determined and tragic, matching the blood-stained delicate face.

It makes some Jun family girls look slightly different.

At this moment, Xiao Chen's indomitable will is indeed quite aura.

Xiao Chen, who had finished speaking hard, turned around, dragged his wounded body, and stepped out of the fighting arena step by step with blood marks on each foot.

Even if it was Bai Yuer, my heart was shocked slightly.

She seemed to see Xiao Chen Tenglong's appearance in the future.

But at this moment, an indifferent voice sounded.

"Wait..."

Hearing this, Xiao Chen paused in his footsteps.

"Did I tell you to leave?" Jun Xiaoyao stood with his hands in his hands, his expression a bit playful.

said a classic saying, leaving a sulky back, and want to leave safely?

Xiao Chen couldn't help thinking too simple.

"You... what do you want to do?"

Xiao Chen turned around, his face stiff.

Jun Xiaoyao, as the son of the Jun family, shouldn't he let him go to a great extent, and then wait for three years to be slapped in the face?

Why don't you follow the routine?

"In my Jun's family, I will speak harshly to my son, and then I want to leave safely, what do you regard my Jun's family, and what do you regard my son?" Jun Xiaoyao sneered.

"Then what else do you want to do, is it possible that you are afraid that I will defeat you in three years?" Xiao Chen's eyes flashed with a panic, as he forced to calm down.

"Hehe, use less aggressive methods, but I really don't plan to kill you now." Jun Xiaoyao smiled lightly.

"Then what are you going to do?" Xiao Chen breathed a sigh of relief when he heard this, still showing vigilance in his eyes.

"Capital sins are forgiven, living sins are inevitable, your dragon spirit, I like it."

Jun Xiaoyao's voice fell and raised his hand.

The golden spirit sea inside his body churned, rolling mana surged, condensed a big hand, and grabbed Xiao Chen.

"You are despicable and shameless!" Xiao Chen's expression changed drastically, and he turned to run away.

But he was slapped over by the big golden hand.

Then Jun Xiaoyao grabbed it in the air, and Xiao Chen heard a long roar of dragons.

Soon, a half-imaginary blue dragon phantom was caught by Jun Xiaoyao.

This is the dragon spirit that Xiao Chen is carrying.

"No, my dragon spirit!" Xiao Chen's eyes were blood red, and he roared frantically.

"Noisy!" Jun Xiaoyao took another shot.

There was a bang, accompanied by a sore bone cracking sound.

Most of the bones in Xiao Chen's body were broken, and the blood in his mouth was vomiting out like money.

"You...you actually abolished my meridians!?"

Xiao Chen's face was pale, and his teeth were crushed.

Jun Xiaoyao didn't kill him, but he abolished him.

In this way, let alone three years, it is three hundred years, three thousand years, he will not be able to defeat Jun Xiaoyao.

"Jun...Xiao...Yao..." Xiao Chen spit out every word, his eyes filled with enmity and anger.

The disciples of the Jun family around, also shuddered slightly, their hearts were cold.

It was the first time they saw Jun Xiaoyao's cruel methods.

"Zhantian, act freely, it's really quick and resolute." A clan elder hidden in the void smiled.

"This is good, the more ruthless the grandson's means, the more at ease in my heart." Jun Zhantian smiled.

Not only did they not think there was anything wrong with Jun Xiaoyao's move, they thought it was normal.

In the future, Emperor Road will be opened, and there will be more cruel things, what is this level of thing.

On the battlefield, after Jun Xiaoyao won the dragon qi, he didn't hesitate, he just started to absorb it in front of Xiao Chen.

There was a loud noise from his body.

It was the sound of giant elephant particles awakening.

After absorbing most of the dragon energy, Jun Xiaoyao awakened another ten thousand giant elephant particles.

Now he has fully awakened 30,000 giant elephant particles, which is 300 million catties of huge force, which is absolutely terrifying.

Not only that, Jun Xiaoyao also discovered that the dragon energy is also nourishing his body, making his already powerful sacred body, UU reading www.uukanshu.com is even stronger.

In addition, under his skin, there seems to be a layer of blue light spreading, which can be transformed into a dragon scale inner armor when needed.

"Good harvest." Jun Xiaoyao nodded slightly.

Then he injected the remaining, undigested dragon energy into Bai Yuer's body.

"My Lord God, you..." Bai Yuer was surprised, and never expected Jun Xiaoyao to do this.

"You have the Vermillion Bird Divine Fire in your body, and it should complement each other with the Qi of Qinglong." Jun Xiaoyao said lightly.

His move was naturally to win over people's hearts.

In the future, she will still need to worship Yuer and manage the ancient country of Suzaku for him, so her talent should not be too weak.

"Thank you, Lord God!" Bai Yuer was so moved, tears even flickered in his eyes.

This grace is like remaking!

And Xiao Chen, who witnessed this scene, couldn't help but spit out his heart blood!

Angry!

is so angry that his internal organs are burning with anger, and his liver and gallbladder are broken!

Jun Xiaoyao refines his dragon spirit in front of him, and also borrows flowers to present the Buddha to his former fiancée.

The former fiancée worships Yuer, and kneels and licks Jun Xiaoyao in the posture of a mother licking a dog.

This made Xiao Chen feel black in front of him and almost fainted.

When Jun Xiaoyao saw this, he said earnestly: "Xiao Chen, don't be angry, I will take your dragon spirit and abolish your cultivation for your own good."

Which protagonist is not suffering from all kinds of hardships and hardships.

will not be scrapped, and I am embarrassed to say that I am the protagonist.

From this perspective, Jun Xiaoyao is indeed helping Xiao Chen with good intentions.

Xiao Chen was trembling with anger when he heard the words. Finally, he couldn't help but screamed up to the sky, incompetent furious, vomiting blood and fainted to the ground.
