Seeing Xiao Chen regaining his fighting spirit and self-confidence, Master Qinglong nodded in satisfaction.

Such an indomitable character is the son of national luck.

"By the way, you have to practice the Azure Dragon Transformation Art. At the same time, I guessed that within a few years, Yuan Tian Zhizun's secret store should be born." Qinglong Shanghuan.

"Yuan Tian Zhizun, could it be... a supreme strong?" Xiao Chen's eyes widened.

"Yes, Yuan Tian Zhizun is extremely strong, and has a strong and domineering personality. It is rumored that he has taken several ancient keels from the ancient royal family and the Ancestral Dragon Nest." Qinglong Shanghuan.

Speaking of ancient dragon bones, Master Qinglong's eyes were slightly hot.

"Prime Royal Family..." Xiao Chen took a deep breath.

That Yuan Tian Zhizun is really a domineering lord, even the ancient royal family dare to provoke him.

However, Xiao Chen immediately thought of the key points. He said, "Does the ancestor want to..."

Master Qinglong nodded and said, "Yes, you need to find a Yuantian Supreme Order, and then find a chance to enter the Vault and seize the ancient dragon bone."

"Your Azure Dragon Transformation Art, if you get the ancient dragon bone, you can definitely cultivate to the top."

"This seat can also be used to reshape the flesh with an ancient keel."

Xiao Chen clenched his fists, fighting spirit in his eyes.

"My ancestors don't worry, I will definitely go to the Yuantian Supreme Secrets, and take the ancient dragon bones!"

"There are **** Jun Xiaoyao and Bai Yuer, you all wait for me!"

Xiao Chen looked up to the sky and smiled, finally seeing the dawn of revenge.

And at the same time, inside the Emperor's Palace.

啾!

Jun Xiaoyao touched his nose.

"Someone is scolding me, is it Xiao Chen?" Jun Xiaoyao muttered to himself.

According to the routine, at this time, he should have already gotten the chance.

I should be thinking about how to avenge myself in the future.

"Xiao Chen, you gave me Longqi and my fiancé this time. I don't know what to give me next time." Jun Xiaoyao smiled.

He hopes that the more talents like Xiao Chen come, the better.

Only cut leek, not exhausted farmers.

"The matter of Xiao Chen, put it aside for the time being, in a few years, he probably won't be able to make it into a climate."

"We still need to prepare for the ten-year-old banquet first. We need to retreat and break through." Jun Xiaoyao murmured.

is, after all, his first appearance on stage, and it is shown in the eyes of many forces in Xianyu.

If the performance is not good, the price will be too low.

When news came out that Jun Xiaoyao was going to retreat.

The entire Jun family was a sensation.

"Oh my god, Lord God son is going to start retreating?"

"I remember, Master Shenzi has never been in retreat until now, right?"

"If you don't practice in retreat, the speed is so fast, how about retreating?"

"Sir, God Son should break through to the real spiritual realm, right?"

Jun's family is everywhere, and there are voices of discussion.

They are also very curious, Jun Xiaoyao who never retreats.

If it is a year of retreat, how strong will it be?

In such curiosity and anticipation, a year's time passed slowly.

And in this year, the news that the Jun family would hold a ten-year-old banquet for Jun Xiaoyao also began to circulate in the deserted fairyland.

Many forces have paid close attention to this.

After all, ten years ago, the vision of Ten Thousand Saints' pilgrimage was too terrifying.

Many big figures and old antiques are speculating about the mysterious physique of the mysterious son of the Jun family.

"The father of the **** son is the **** king in white clothes, a taboo existence, it is estimated that the constitution of the **** son is not much worse."

"Yes, the white-clothed **** king has no regrets, he is known as one of the people who have the most opportunity to prove the emperor in the ancient times, and even touch the immortal realm. It is a pity that ten years ago..."

Many big figures of the ancient forces communicated in the void.

They are actually curious, what is the amazing performance of the son of the Jun family who was born under the aura of his father's generation and appeared in the world for the first time?

.....

Hongzhou is one of the three thousand states in the ridiculous heaven and immortal realm. It is located in the sphere of influence of the ancient royal family, the Zulong's Nest.

The entire three thousand states, most of the states, are occupied by major forces.

For example, the ancient country of Suzaku occupied the entire Huozhou.

And Hongzhou is just one of the more than fifty Daozhou that Zulong's Nest masters.

Yes, the ancient royal family of the Ancestral Dragon Nest alone owns more than fifty Daozhou territories.

The ancient country of Suzaku only occupies one Daozhou.

The gap between the first-class forces and the Taikoo royal family can be imagined.

But the Jun family is even more terrifying, occupying hundreds of Daozhou, which is twice the size of the Ancestral Dragon Nest.

Huangzhou is just the base camp of the Jun family.

At this moment, in a big city in Hongzhou.

Many kinds of human beings of different shapes are in constant contact.

Some have black horns on their backs, some have wings on their backs, some have scales on their foreheads, and some have eyes like beast pupils.

These creatures are all the immortal tens of thousands of people, and there are many kinds.

The creatures of the ancient royal family are among them.

In the territories of some ancient human families and immortal dynasties, there are most human beings.

In the territory of the Primordial Royal Family, or some immortal races, strange creatures, there are most of the ten thousand peoples.

Of course, the creatures of all races, including humans, can generally live in peace.

On the streets of the city, the eyes of many creatures, UU reading www.uukanshu.com all looked at a woman in a blue skirt wearing a hood.

Although her appearance is mostly hidden, she can also tell that she is a human race and she has a slim figure.

Within the sphere of influence of the Primordial Royal Family, it does not mean that there is no human race, but it is very rare.

The woman in the blue skirt lifted her head slightly, revealing a charming face. It was not someone else, but Lan Qingya, who was expelled from the Jun's house.

At this moment, she looked at a magnificent restaurant at the end of the road.

"It should be there, the lord, will meet there, I want to reveal the news that Jun Xiaoyao is carrying the human communion."

"Jun Xiaoyao, Jun Linglong, my Lan Qingya is indeed unable to avenge you, but someone can!" A bitter resentment flashed across Lan Qingya's face.

After she was expelled from Jun's house, she was in an extremely miserable situation.

I'm used to being pampered, and now I'm suffering from desolation.

Lan Qingya will not reflect on her behavior, she will only attribute it to Jun Xiaoyao and Jun Linglong.

on the top floor of that magnificent restaurant.

A group of creatures are gathering.

some have wings on the back, some are covered with scales, and some are as strong as a bear and tiger.

And these creatures, at this moment, are surrounded by one person like stars holding the moon.

It was a young man in a golden garb. His facial features were arrogant, and there were two dragon horns on his head.

His eyes are like two big stars, glowing with cold light.

Under the skin, there are faint golden dragon scales appearing occasionally.

The breath of the whole person is very breathtaking.

This young man is exactly one of the proud sons of the ancestral dragon nest, one of the dragon sons, Long Haotian.

And his elder brother is the first generation of taboo in the Ancestral Dragon Nest, Long Aotian, who is pregnant with the blood of Emperor Dragon!
