Chapter 24: The Jiang family's double beauty, all forces go to the banquet, Ye family Tianjiao's mind

Jun's family, as the top force in the Wild Fairy Realm.

Its every move will bring changes to the entire Wild Heaven Immortal Realm.

Not to mention the protagonist of this banquet, or the mysterious **** son of the Jun family.

As the son of the white-clothed **** Wang Jun Wugui, Jun Xiaoyao has attracted the attention of all quarters.

And this ten-year-old banquet is the first time that Jun Xiaoyao has entered the world.

.....

One of three thousand states, Qingzhou.

Qingzhou is the land of the Jiang family.

Jiang Family is the family of Jun Xiaoyao's mother and Jiang Rou.

Jiang Rou was also the goddess of the Jiang family, with a high status.

At this moment, in the Jiang family land, a cloud of haze is lingering, and Rui Cai is rising in the blessed world.

A young woman in snow clothes is waiting for something here.

She was immaculate and slender, with a graceful posture and a tall and slender body.

The green silk is like a waterfall, with straight buttocks.

A picturesque face with curving eyebrows, eyes like autumn water, bright red lips, and crystal clear teeth.

At a glance, it looks like a fairy in the dust, beautiful and pleasing to the eye.

"My nephew is hosting a ten-year-old banquet, but I have never seen it before." The woman murmured and suddenly smiled.

This woman is a distant cousin of Jiang Rou. Although she doesn't have much blood relationship, she can be regarded as Jun Xiaoyao's aunt named Jiang Shengyi.

In Jiang Rou's line, Jiang Shengyi is the youngest, only twenty-four years old. He is in the prime of his life and is beautiful and delicious.

At this moment, there was a sound like a silver bell in the distance.

"Sister Shengyi, why are you looking for me?"

As the voice came, a cardamom girl about twelve years old, lightly touched the void with her jade feet, moved in.

She has a petite body, a light posture, her green silk is tied into a double ponytail, and she is lively and vigorously following the movements of the girl.

The eyelashes are long, the eyes are smart, the nose is pretty, and the lips are cherry blossoms.

When laughed, it would show two small tiger teeth, a pretty face and two pear vortices, which looked quite playful and pleasant.

This girl, like the spirit of Zhong Tiandi, is an elf between heaven and earth, cunning and wise.

"Luo Li, you have a spiritual body, you are the physique closest to the origin of the Great Dao of Heaven and Earth, and it is not good to cultivate."

Jiang Shengyi gave Jiang Luoli a white, and stretched out a slender jade to point Jiang Luoli's forehead.

"Hey hey, Sister Shengyi, you are the goddess of my Jiang family, with a congenital fetus. With you, what else does Luo Li need to practice?"

Jiang Luoli covered his forehead with a small hand, blinked, and smiled playfully.

Jiang Luoli is the jewel in the palm of Jiang Rongrong Jun Zhantian.

"You ghost spirit, okay, this time I'm calling you here for business reasons. After a while, let me go to Jun's house for a ten-year-old banquet." Jiang Shengyi said.

Jiang Luoli heard the words and asked: "Is it the banquet of the king's son?"

Jiang Shengyi smiled and said, "Yes, you, you can finally meet your future husband."

"What husband, Sister Shengyi, don't talk nonsense." Jiang Luoli stamped her foot, her face flushed a little.

She hasn't seen that gentleman, how could she be so hasty?

"My nephew must be a distinguished person. If you are so anxious to oppose it, don't regret it then." Jiang Shengyi teased.

"Huh, I'm against arranged marriages. I, Jiang Luoli, will die. Even if I jump down from the mountain, I will never get engaged at random!" Jiang Luoli said with anger and vows.

Jiang Shengyi covered his mouth and smiled: "Well, I seem to have heard my cousin Jiang Rou say that my nephew looks rich and handsome, and Lang Yi is out of dust, like an immortal."

"Really?" Jiang Luoli rolled her eyes, her brilliant eyes sparkling.

"I lied to you, I don't know." Jiang Shengyi chuckled.

But she knew that Jiang Luoli was a pretty dog and had high requirements for appearance.

People who are not handsome can hardly get Jiang Luoli's eyes.

This may be the reason why the Yuanling Taoist body pursues perfection.

"Hmph, the man who can be seen by my Luo Li, that must be the most handsome in Xianyu!" Jiang Luoli puffed up his chest and pouted.

She is also guessing in her heart, what kind of looks can the mysterious son of the gentleman have?

"Don't worry, it won't be long before you will know." Jiang Shengyiyu patted Jiang Luoli's head.

.....

Not only the Jiang family was invited by the monarch's family, but also some other ridiculous ancient families, the supreme family, the immortal dynasty and so on.

The first-rate forces that are inferior will also be invited, but they are not so formal.

As for the second-rate forces that are lower, they are not eligible to be invited at all.

Of course, the Jun family will not refuse them to take the initiative to participate, but they are not eligible to enter the main hall and can only watch from the outside.

With the passage of time, the entire three thousand states of the Wild Heaven and Immortal Realm began to heat up.

One year has finally passed, and the ten-year-old banquet of the son of the Jun family finally kicked off.

On this day, the entire Desolate Heaven and Immortal Domain is roaring.

The ancient warships, flying boats, mounts, etc. of countless forces all rose into the air and turned into thousands of streams of light.

They have only one direction, that is Huangzhou Junjia!

Gorgeous boats rose into the sky and sailed towards Huangzhou.

"Hey, that was Princess Dashang's Lou Chuan, she actually wanted to attend the ten-year-old banquet of the King's Son!"

"No, this ten-year-old banquet is also an opportunity. Who doesn't want to climb the top of the Jun family?"

"makes sense....."

Generally speaking, after the age of ten, you can prepare to find a couple.

Although the prince's son has never been seen, his status alone is enough to make many emperors, princesses, and the princes of heaven be tempted to recommend themselves.

If it can be favored by the **** son of the Jun family, it will definitely soar into the sky, and the forces behind him will also ascend to the sky.

Therefore, the beauties of many forces ~www.mtlnovel.com~ are ready to go to the banquet and try their luck.

Dayan Holy Land, there are also chariots rising into the void, ready to go to Jun's house.

"The last time the Jun's family held a ten-year-old banquet in such a grand manner, it was still for the first sequence, but now the ten-year-old banquet of the son of the Jun family is even more grand..."

The ancient family of the ancient Ye family, there is a divine bird pulling a cart into the air.

"I heard that Luo Li would also go, so naturally, I can't be absent."

Inside the car, a young man in a blue shirt with a delicate face and a sword eyebrow smiled, his eyes flashing with luster.

The Luo Li in his mouth is the jewel in the palm of the Jiang family, Jiang Luoli.

"Master Xingyun, the master has orders, we are going to the banquet, not to cause trouble. If the master is foolish at the banquet of the Jun family, the master will not let you go."

On the side, an old man with goat-beard said solemnly.

There was a faintly quasi-saint breath all over him.

With the quasi-sage as his servant, the status of this young man is obviously not low.

"Haha, don't worry, Fu Bo, I naturally know how well I am. I am looking for Luo Li, not to provoke the king's son." The young man laughed loudly.

His name is Ye Xingyun, and he is a top arrogant of the Huanggu Ye family.

This Jun's family banquet is a good time to strike up a conversation.

"Luo Li, you will definitely be my woman!" Ye Xingyun's eyes flashed with firm confidence.
