

## Sacred Body 26

### [Chapter 26: Mo Shang is like jade, God's son is unparalleled!](#)

can make the two gentlemen's sequences exist with solemn expression, it is conceivable that there are only stronger sequences.

Walking into the hall was a young man in a silver armor.

His face is square, his temperament is cold and arrogant, and his cheeks have interlaced scars, which seems to add a bit of coldness.

This young man's eyes are like two thunder lakes. Between the opening and closing, lightning bursts, and there are thunder and lightning secrets around him.

"It turned out to be this one!"

"I didn't expect him to come too!"

Seeing this young man, many of the powerful Tianjiao figures are dignified.

Even Ye Xingyun said solemnly: "He is here too, the fifth sequence of the Jun family, Jun Wanjie."

Jun Wanjie, this is definitely a legendary arrogant.

He was born in a side line of the Jun family, his status is not high, and he suffered from cold eyes.

These people from the Jun family are usually sent to various states to take care of the Jun family's property.

And this Lord Wanjie was originally one of them.

Until he accidentally obtained a supreme law, the inheritance of the power of crossing the heavens.

Jun Wanjie is even more so, awakening the top physique that he has never noticed, Thunder Tribulation Battle Body!

Thunder Tribulation battle body, in the three thousand physique, it can be ranked in the top three hundred, and even one of the top physique, extremely powerful.

Jun Wanjie also became strong in the fifth sequence of the Jun family.

The ten major sequences of the Jun family, although they are all heroes, there is still a certain gap in strength between them.

was able to rank in the top five in the ten major sequences, which was enough to prove the strength of Jun Wanjie.

But his arrival made both Jun Zhanjian and Jun Xuehuang frown.

The reason is very simple, maybe it is because Jun Wanjie was born a collateral family and was so cold-eyed since he was a child.

His character is very cold, arrogant and domineering, and his relationship with other sequences is not very good.

"With his character, it is really strange to come to the ten-year-old banquet of the Xiaoyao clan brother." Jun Zhuangjian muttered, obviously not too much to see Jun Wanjie.

"Perhaps, he wants to witness the strength of the \*\*\*\* child, after all, in the future, the \*\*\*\* child is likely to be one of the top ten sequences." Jun Xuehuang guessed.

They don't even know that Jun Xiaoyao is actually the default zero sequence.

After Jun Wanjie arrived, he directly chose a seat and sat down alone, and everyone around him dared not approach.

With the arrival of the three-digit sequence of the Jun family, the atmosphere in the entire hall has become more and more heated.

At this time, a strong breath came, and the people of many powers and traditions were all stunned and stared.

The arrival of a group of old monarchs and families, each of them is full of momentum and daunting.

and Jun Xiaoyao's mother Jiang Rou also came.

"Everyone, thank you for coming to my grandson's ten-year-old banquet. I would like to thank you." The golden-robed old man in the middle, Jun Zhantian, said with his hands.

"You're welcome!"

"It is also our honor to be able to see the true face of the Son of God!" All the people present smiled and bowed their hands in return.

An orthodox elder hesitated and said: "I don't know where the son of God is now?"

As soon as I said this, many people's ears were also pricked up.

The banquet has already begun, but the Lord has not appeared yet, which is a bit wrong.

And these people came, to a large extent, to see the true face of the son of the Jun family.

"Sorry everyone, my grandson has been in retreat and has not been out yet, but it should be coming soon..."

just when the voice of Jun Zhantian fell.

In the depths of the Emperor's house, the Tiandi Palace suddenly heard a roar.

Above the nine heavens, thunder is surging, the rays of light are endless, and there are thousands of Rui Cai.

"What a sight that is!"

"It seems that someone is breaking through the realm, is that the son of God?"

"But this breath of breakthrough realm is a bit too scary, right?"

Many powerful people in the hall felt the aura fluctuations, they were all dumbfounded and took a deep breath.

The son of the Jun family, he is only ten years old.

Boom!

In the distance of the Heavenly Emperor Palace, Haoguang masterpiece, the golden light is endless.

Vaguely, it seems that a phantom of an ancient idol appeared, suppressing nine heavens and ten earth!

"What kind of exercise is that, it makes me feel some palpitations..."

Ye Xingyun felt the pressure of the ancient idol, and his face changed slightly.

He is quite arrogant, with a star king body and extraordinary talents, enough to suppress all directions.

But that ancient idol made Ye Xingyun feel frightened.

Ye Xingyun frowned. He didn't like this feeling.

just when the guests were surprised.

A giant hand appeared in Yuankong, pressed down from the sky, isolating all visions, so that outsiders could not snoop.

"That hand... is it... the supreme..."

Seeing the giant hand that erased the vision at will, all the powerful people present swallowed secretly, frightened.

The person who shot, is undoubtedly a supreme powerhouse.

"Is it the eighteenth ancestor of the Jun family?" Some people speculated.

Just when many forces have all kinds of speculations because of that vision.

The gate of the Heavenly Emperor Palace was finally opened.

In a burst of bright light, a peerless figure in white clothes slowly appeared.

At this moment, between the heaven and the earth, there is no amount of light, all like a sea of rivers, falling on the figure that has stepped out of the Heavenly Emperor Palace.

That was a young man with a rosy figure, surrounded by a misty fairy, dressed in white clothes to win the snow, like a banished fairy who has not fallen into the world.

The roots of his hair are shining brightly, and his body seems to be the best fairy jade, containing divine light.

Its appearance is shrouded in a misty mist, but it can still be seen vaguely.

The five senses are beautiful and natural, and Junyi makes people feel unreal.  
makes people wonder at first sight.

Are you a human?

Still the fairy who accidentally fell into the mortal world?

At this moment, the world is silent.

Many women even seem to stop breathing.

Rao are some of the Jun family girls who have seen Jun Xiaoyao~[www.mtlnovel.com](http://www.mtlnovel.com)~ At this moment, there is also a feeling of suffocation.

After one year of retreat, Jun Xiaoyao's temperament has been sublimated and deepened.

"The stranger is like a jade, the son of God is unparalleled..."

A young girl from the Jun family murmured such a thing as if she was idiotic and stupid.

At this moment, Jun Xiaoyao looked at the sky full of sight, but his heart was slightly surprised.

"Is it my ten-year-old banquet?"

Jun Xiaoyao didn't expect that, he was closed for a year in an instant.

Now his strength has been sublimated again, reaching the peak of the Nine Heavens of True Spirit.

far surpassed his original goal of breaking through the true spirit realm, which was considered to have overfulfilled the task.

It can be said that looking at the Wild Heaven and Immortal Realm, there are not many people who can reach the nine-layer real spirit at the age of ten.

"My Lord God, the banquet has already begun."

Seeing Jun Xiaoyao leaving the customs, Jun Linglong, who had been waiting outside the palace, stepped forward and said.

As for Bai Yuer, he has already returned to the ancient country of Suzaku.

"Well, let's go to the hall first." Jun Xiaoyao nodded slightly, and walked in the air, as if an immortal volleyed.

It wasn't until Jun Xiaoyao's figure was far away that the attention of those eyes came back.

"I don't know the strength of the son of the king's family, but in terms of appearance and temperament, it is the first in the fairyland." A great power saint who came to the banquet muttered to herself.

At this moment, in the main hall, many people also know that the son of the Jun family has left the pass.

After only a moment, a calm and gentle voice came from the door of the hall.

"Thank you all for coming to Jun's banquet."

The voice fell, and a dusty figure dressed as Xuexue walked into the hall leisurely.

All the noise, stop at this moment...
