

## Sacred Body 28

### [Chapter 28: Jun is mediocre, Ye Xingyun is shocked](#)

Ye Xingyun's words made the whole lively hall silent for an instant.

Many people of great power looked at Ye Xingyun with a look of sorrow, as if they were looking at a fool.

"It's the star king body of the Huanggu Ye Family, what is he going to do?"

"Yes, this is the ten-year-old banquet of the king's son, so I dare to say such things."

"I heard that Ye Xingyun seems to be very fond of the Jiang family's pearl..."

There are many guests talking in low voices around.

They don't dare to talk gibberish.

After all, the Ye family is also a well-known ridiculous ancient family, with a strong heritage and inherited countless years.

This kind of contradiction, it is better for them not to reconcile.

And the old servant beside Ye Xingyun, his face changed drastically after hearing Ye Xingyun say this.

"Master, don't mess around..."

"Enough, Fu Bo, I am not trying to make trouble, but I saw the son of the king's family, and I was a little happy." Ye Xingyun directly interrupted the old servant's advice.

He can't bear it anymore, the person he likes in his heart shows such an idiot to Jun Xiaoyao.

"How about it, the son of the Jun family, I wonder if Ye Mou has this honor?"

Ye Xingyun suppressed the jealousy and anger in his heart, and said in a calm tone as possible.

He is not stupid either. If he is really rude and unobtrusive at the Jun family banquet, he is looking for death.

But if it's just asking for advice, Ye Xingyun believes that the Jun family won't take him anything.

As expected, even though Jun Zhantian and others frowned upon hearing Ye Xingyun's words, they didn't say anything.

This is not because Ye Xingyun is backed by Huang Gu Ye Family, but Jun Zhantian and others, and they want to know how much progress Jun Xiaoyao has made for a year in retreat.

"You are..." Jun Xiaoyao's expression is always calm.

"Ye Family, Ye Xingyun." Ye Xingyun looked directly at Jun Xiaoyao.

"Oh, you are the king of stars." Jun Xiaoyao suddenly.

Some young princes of the ancient family, he still knows something.

The Ancient Ye Family, the most famous taboo Tianjiao, should be the reincarnation of the legendary sword demon, Ye Guchen.

Holding a Slayer Sword, sweeping the peerless kendo evildoer of the invincible young generation of Xianyu.

It is rumored that he has never played a second sword against his peer Tianjiao.

Because no one can take his first sword.

And this Ye Xingyun, with a star king body, is not bad, but it cannot be compared with Ye Guchen.

If Ye Guchen is here, Jun Xiaoyao might also raise some interest.

As for Ye Xingyun...

Jun Xiaoyao really looks down upon him.

"No need, Jun Mou is mediocre and there is no need to compete."

Jun Xiaoyao shook his head, too lazy to take action against Ye Xingyun, and found a lame excuse at will.

Hearing Jun Xiaoyao's words, some big figures in the power had different eyes.

To tell the truth, Jun Xiaoyao's debut really shocked them, with a deep breath and aloof temperament, just like the same statue in Linchen.

But now, in the face of Ye Xingyun's provocation, Jun Xiaoyao didn't even make a move, and instead said that his strength was average.

Is that really the case?

The son of the Jun's family is just a silver spear tip?

And when Jun Zhanjian and others heard this, their expressions were sweaty.

God is so ordinary!

"If the Xiaoyao clan brother is mediocre, wouldn't I want to shoot myself to death with a piece of tofu." Jun Zhanjian said in embarrassment.

However, Ye Xingyun did not know the true strength of Jun Xiaoyao.

The vision of Jun Xiaoyao's breakthrough before can only make Ye Xingyun pay more attention to it.

Now, seeing Jun Xiaoyao unwilling to make a move, Ye Xingyun felt anxious.

If Jun Xiaoyao doesn't make a move, how can he pretend to be in front of Jiang Luoli?

After thinking for a while, Ye Xingyun said: "The \*\*\*\* son does not have to be self-effacing. If you are not in a realm enough, then Ye can suppress the realm at the peak of the palace realm and fight with you."

In Ye Xingyun's view, the ten-year-old Jun Xiaoyao, no matter how enchanting he is, at most only has the cultivation base of the Divine Palace Realm.

And Ye Xingyun himself, sixteen or seventeen years old, is already a master of the Five Heavens.

Hearing what Ye Xingyun said, everyone in the hall cast their eyes on Jun Xiaoyao.

If Jun Xiaoyao still doesn't agree, then it would be controversial.

Jun Xiaoyao sighed secretly.

He was too lazy to slap him, but someone wanted to send him a slap.

He looked at Jiang Luoli on the side, and probably knew what Ye Xingyun was doing.

The roots of troubles!

"Are you annoying, why do you keep talking about Brother Xiaoyao?"

Jiang Luoli, the little girl is unhappy.

She also wants to have a good chat with Jun Xiaoyao and exchange feelings.

As a result, Ye Xingyun didn't know what was good or bad, so he intervened.

"Luo Li, I just want to..."

Ye Xingyun's face turned blue, and Jiang Luoli even called Xiaoyao's brother.

Jiang Luoli said impatiently: "What are you thinking about, you broke Xiaoyao's face, will you pay?"

"What am I..." Ye Xingyun choked his throat, his face flushed, and he almost couldn't help but swear.

Being handsome is superior to others, can you do whatever you want?

Ye Xingyun felt even more jealous.

Jun Xiaoyao was also speechless, Jiang Luoli could almost serve as the president of the Appearance Association.

"No, since you have to discuss with this \*\*\*\* son, then take action." Jun Xiaoyao put one hand behind him, and said plainly.

"Brother Xiaoyao, you..." Jiang Luoli hesitated.

She was also a little worried that Jun Xiaoyao would be suppressed by Ye Xingyun.

"Tsk tsk, Luo Li is now worried about her future husband-in-law?" Jiang Shengyi showed his teeth, UU reading [www.uukanshu.com](http://www.uukanshu.com) chuckled.

"Where is there..." Jiang Luoli has a pretty face with Feixia.

Ye Xingyun looked sober, and couldn't wait to prove himself.

He cultivated himself and suppressed it in the Divine Realm Nine Heavens.

Jun Xiaoyao said lightly: "You can shoot first, and you don't have to suppress the realm."

"No need." Ye Xingyun directly refused.

But he knew that if he really did this, then Jun Xiaoyao would have reason to justify his failure.

That way, the effect of pretending to be slapped in the face won't be achieved, so how can you make Jiang Luoli admire?

"Hey..." Jun Xiaoyao sighed.

He didn't say anything any more, and directly urged the gods to restrain the prison.

During this year's retreat, Jun Xiaoyao once again awakened 10,000 giant elephant particles.

In other words, the current Jun Xiaoyao has fully awakened forty thousand giant elephant particles, which is equivalent to 400 million catties of force!

400 million catties of huge force, what is that concept?

One palm is enough to smash the Taikoo Mountains and smash the nine stars!

rumbling!

Jun Xiaoyao's body, the golden holy blood is surging!

The turbulent golden blood gushed out of the body, faintly forming a phantom of an ancient idol, suppressing the sky!

Jun Xiaoyao is simple, push it horizontally with one hand.

Like the hand of an ancient god, opening up the frontiers and breaking the soil, the waves are so strong that the void trembles, and the entire hall is violent!

All the people who came to the banquet, whether they were young Tianjiao or the older generation, couldn't help standing up, their faces gaping!

That terrifying force and coercion made many of the older generation feel scared.

As for Ye Xingyun, his face changed drastically as if he was struck by lightning at this moment!
