

Sacred Body 29

Chapter 29: It's completely crushed, the abnormal shape of Ye Xingyun

"How is this possible, your strength!"

Ye Xingyun roared.

Feeling the power of Jun Xiaoyao, his scalp seems to be exploded!

Horror!

shock!

unbelievable!

Can this feature be called mediocre?

Ye Xingyun wanted to scold his mother.

Not only him, but all the guests around him, they are also petrified.

The phrase "Jun's God Child" is unremarkable, and it is really very spiritual.

Ye Xingyun's heart trembled, but no matter what he was, he was ultimately the favorite of the ancient Ye clan, and his psychological quality was not bad, so he responded directly.

"Star picker!"

Ye Xingyun had no reservations, and directly displayed his own powerful methods.

He wanted to test it out, but now it is completely unnecessary.

Ye Xingyun explored his hand, and the turbulent star mana condensed into a radiant giant hand, the stars were dazzling, as if they were branding the trajectory of the stars.

This is a martial arts supernatural power that only the star king body can display, and it is powerful.

This giant star hand collided with Jun Xiaoyao's palm.

The golden mana was surging to the sky, it broke open the giant star hand directly, and struck Ye Xingyun horizontally.

Click!

Accompanied by a series of bone cracking sounds, Ye Xingyun was directly knocked out of the hall, dragging a line on the ground.

The audience is dead.

Looking at Ye Xingyun who was lying outside the hall, coughing up blood, many Tianjiao felt that their hairs were standing upright.

Then they looked at Jun Xiaoyao, even with a look of horror.

Monster!

A real little monster!

Ye Xingyun is not a cat or dog, but the proud son of the Ye family, not to mention having a star king body.

Such a young Tianjiao was slapped flying by the ten-year-old Jun Xiaoyao. Isn't this a monster?

Don't talk about these people, even Jiang Luoli, Jiang Shengyi and others have their red lips blankly, a little unbelievable.

But after that, Jiang Luoli's brilliant eyes flashed again and again.

Her criteria for choosing a mate, the first is naturally to look handsome, which is the most important.

If you are still very strong on the premise of being handsome, then you will be more complete.

Jun Xiaoyao perfectly fits Jiang Luoli's image of the true emperor.

As for Jiang Shengyi, a strange color flashed through his clear eyes.

"The golden blood, it really is the ancient sacrament." Jiang Shengyi secretly said in his heart.

Not only her, but also many big figures in the audience flashed their eyes and saw it.

"It turned out to be an ancient Eucharist, no wonder it was able to arouse the vision of the pilgrimage ten years ago."

"After all, it is the human sacrament, but isn't it rumored that the ancient sacrament has become useless? Why is the king's son still so powerful?"

"Could it be that the Jun family spent a lot of resources to help the Jun family **** son break the shackles?"

"It is very possible, but even so, the road to the ancient Eucharist is not long."

Jun Xiaoyao's shot was almost confirmed by the entire audience, his physique was an unparalleled ancient sacrament.

If in the famine ancient years, the ancient sacramental body can be called king, and fight against the ancient emperor.

But in modern times, the status of the ancient Eucharist is very embarrassing.

Although in the three thousand physique, the ancient eucharist is still one of the top ten existences.

But now, the deterrent power of the Desolate Ancient Eucharist is far not as strong as in the Desolate Ancient Years.

"You turned out to be an ancient sacrament!"

Outside the hall, Ye Xingyun struggled to get up, feeling a sharp pain in his chest.

But he is also the King of Stars, and his physique is much stronger than the average Tianjiao.

"I said, there is no need to discuss, because there is no suspense in the result." Jun Xiaoyao shook his head slightly.

"It's not over yet, I wasn't ready before." Ye Xingyun gritted his teeth, he was naturally unwilling to give up in a panic.

"Master, you..." Ye Xingyun's old servant Fu Bo hesitated to say something.

"Chaotic Star Finger!"

Ye Xingyun directly violently shot, pointing out.

In an instant, the power of the stars gathered and turned into an ancient finger, as if it could crush the stars outside the sky.

"It's boring." Jun Xiaoyao patted his hand again.

The golden blood gushed out, turned into a giant golden mana palm, and directly slapped that finger off.

Then, Jun Xiaoyao grabbed his probing hand, and his mana surged, condensed into a purple-black spear, burning the **** flames.

is the unique knowledge in the spirit of the gods, the spear of the underworld.

Jun Xiaoyao threw out the spear of the underworld.

The void screamed, shaking out ripples!

Mingyan Taotao, the sharp spear of the underworld penetrates directly towards Ye Xingyun!

Feeling the power of the Spear of the Underworld, Ye Xingyun's expression changed drastically again.

"Star Shield!"

Ye Xingyun offered a royal weapon, which was a shield with shining stars.

However, it is breathtakingly breathtaking.

The Spear of the Underworld, which was blessed with 400 million catties of tremendous power, fell on the Star Shield, directly piercing it, causing it to split.

Ye Xingyun's face appeared in terror.

Jun Xiaoyao's methods made him feel terrified and his back was chilly.

"Star-swallowing black hole palm!"

Ye Xingyun offered his unique trump card, and the special star Linghai in the dantian was urged to the extreme.

He blasted out with a palm, as if a black hole appeared.

The Spear of Underworld was directly swallowed into the black hole.

But Ye Xingyun also suffered backlash, backing dozens of steps, vomiting blood in his mouth, and his arms trembling violently.

"ended."

Jun Xiaoyao once again used his military strategy.

Endless golden glow rushes, transforming into ten thousand gods, swords, spears, swords and halberds, axes and hooks, densely packed, roaring like a torrent, splitting the void.

This power makes the young Tianjiao of many forces look scared and fearful.

"The real body of stars!"

Ye Xingyun saw this and roared up to the sky, completely not suppressing his realm.

The five-fold cultivation base of the True Spirit Realm burst out.

He knew that if he continued to suppress the realm, he was afraid that he would really be suppressed by Jun Xiaoyao.

However, Jun Xiaoyao's face did not fluctuate at all.

He also completely revealed his own cultivation skills.

Boom!

The nine-fold cultivation base of the true spirit realm surged out, and the golden mana rose up like a burning flame!

"This...this is ~www.mtlnovel.com~Nine Heavens in the True Spirit Realm!"

"How is it possible, the son of the Jun family is only ten years old!"

When Jun Xiaoyao's cultivation base broke out, everyone in the entire hall was shocked, as if they had seen a ghost!

Ye Xingyun himself, his complexion hardened, his heart and hair cold.

Jun Xiaoyao is younger than him, and his realm is higher.

The most important thing is that he looks more handsome than him!

asked Ye Xingyun if he was angry?

Boom!

The two bombarded with their moves, and there was no surprise in the result.

The ancient sacred body can stabilize Ye Xingyun's star king body.

Jun Xiaoyao's realm is also higher than Ye Xingyun.

Finally, Ye Xingyun spurted blood from his mouth, his breastbone shattered, and his body was covered with bleeding wounds. He was knocked into the air like a rag pocket and smashed out of the hall again.

"Master!" Fubo changed his color and hurried to investigate Ye Xingyun's situation.

Fuber breathed a sigh of relief after the investigation was clear.

Although Ye Xingyun was hurt very badly, it didn't hurt the root.

Ye Xingyun's face was pale, and he looked at Jun Xiaoyao unwillingly.

"Brother Xiaoyao is so handsome!"

Jiang Luoli stared at Jun Xiaoyao, drooling with her eyes braving the little stars.

didn't even look at Ye Xingyun at all.

Ye Xingyun saw it, and a mouthful of blood rushed up, rushing to his forehead, and fainted directly.

At the moment of fainting, Ye Xingyun's consciousness seemed to have come to a strange place. Looking at it, a majestic star palace stands among the stars of the universe.

In front of the star palace, a figure dressed in the sun, moon and stars, facing him, seemed to stand on the heavens!

However, before Ye Xingyun's careful investigation, his consciousness fell into darkness...
