

Sacred Body 571

[Chapter 571: Combination of moves, 1 move to penetrate the **** star, bring the eternal goddess...](#)

Jun Xiaoyao meditated on the spot for a while, and then acted again.

He once again urged the power of the origin of the universe, slowly raising his left and right hands at the same time.

In the left hand, a gleam of divine light that was bright enough to brighten the eyes of blind people spread out, as if it was the first light of the chaos.

In the right hand, the red lotus karma is rising, and the dark red line of sin karma karma emerges, as if to punish sentient beings and lower robbery.

The two moves of God's Light and God's Punishment were simultaneously performed by Jun Xiaoyao.

At this moment, Jun Xiaoyao holds the life of light with his left hand and the darkness of sin karma with his right hand.

He is like the **** of destruction and rebirth, in charge of life and death!

Then, Jun Xiaoyao slowly merged the two forces.

Suddenly, a wave of waves like the desire to destroy the world swept out, and the entire nineteenth floor of Hell Star was in turmoil!

"go with!"

Jun Xiaoyao shot out with a single move, and the wave of destruction swept out, everything along the way was annihilated.

Then, this wave turned out to directly penetrate the nineteenth barrier of the Hell Star, then the eighteenth, seventeenth, sixteenth...

Finally, with a terrifying sound that made the sky tremble, that vast wave of destruction directly penetrated the entire Hell Star.

Rumble!

Dojo outside the hell.

Many Tianjiao who were chatting, suddenly noticed a wave of horror sweeping out, causing their hair to stand on end.

"How is this going?"

"It's the Hell Star, the Hell Star has changed!"

"Could it be that the son of the Jun family came out?"

All Tianjiao cast their eyes at the same time.

"What, the master is coming out!"

The nine lions, Golden Winged Xiaopeng King, Mu Yuehan, and Kong Xuan and others also raised their eyes for the first time.

Then, all Tianjiao on the dojo saw a scene that shocked them extremely.

A wave of destruction penetrated the entire **** star, spreading along the way, annihilating and shattering many surrounding stars.

hiss.....

Countless sounds of cold breath sounded.

"So... what kind of fluctuation is that? Could it be that the unknown existence on the nineteenth floor of the Hell Star is angry?"

"Terror, too horrible, that wave, if it touches a little bit, it will definitely be broken!"

Many Tianjiao got goose bumps all over.

They never thought that this was the movement made by Jun Xiaoyao.

I thought that something happened in the nineteenth floor of the Hell Star.

"In this way, isn't the Jun Family God Son in danger?" Some Tianjiao stared at each other.

Just when the outside Tianjiao fell into extreme shock.

On the nineteenth floor of Hell Star.

Eternal Jade Heavenly Girl opened her mouth and watched this scene, but she couldn't recover for a long time.

How powerful is it to penetrate the **** star with one stroke?

More importantly, this is a magical power created by Jun Xiaoyao, not from where he learned it.

This showed Jun Xiaoyao's evil spirit from the side.

"not bad."

Looking at the damage he caused, Jun Xiaoyao nodded lightly.

Right now, it was just a preliminary attempt, and no one at Weili let him down.

After sublimation in the future, the power should be stronger.

At this point, it was almost time for Jun Xiaoyao to leave Hell Star.

This time he was in Hell Star, and he had a good harvest.

He condensed the Void Immortal Qi, signed the Sin Karma Immortal Qi, and obtained the King of Immortal Marrow.

Awakened the third supernatural power of the supreme bone, comprehended the second formula of Genesis, and achieved a breakthrough to the Saint Realm Great Perfection.

All in all, Jun Xiaoyao's strength once again soared to a new level.

Only himself can surpass Jun Xiaoyao.

On the other side, after returning to her senses, Eternal Jade Heavenly Maiden turned her head up and looked at the outer star of Hell that was penetrated by Jun Xiaoyao.

"what is that....."

Seeing those twinkling stars, the Eternal Jade Heavenly Girl was in a daze.

"It's freedom." Jun Xiaoyao said.

"I...want to leave." Eternal Jie Tian Nu hesitated for a while, said.

Jun Xiaoyao nodded slightly and said, "Yes, I will take you away."

Before, Jun Xiaoyao couldn't take the Eternal Jietian Girl away because the **** of the nineteenth floor of Hell Star was too strong.

However, after more than a year, the sin karma energy of Hell Star was almost absorbed by Jun Xiaoyao.

The constraints of rules have also been greatly weakened.

Even Jun Xiaoyao penetrated the Hell Star with one move.

He can already take away the Eternal Jietian Girl away safely.

"After leaving the Hell Star, my strength will be weakened a lot." Eternal Jie Tian said.

On the nineteenth floor of the Hell Star, the reason why it is difficult for the Supreme to enter it is mainly because of the power of the Hell Star.

Now that the Eternal Jade Goddess leaves the Hell Star, it is naturally impossible to have the power to destroy everything.

"It doesn't matter, your talent is here, follow me, you can see the three thousand prosperous world in the future." Jun Xiaoyao said calmly.

Eternal Jie Tiannv finally made up her mind and nodded.

"Let's go." Jun Xiaoyao took the lead and walked out along the pierced passage.

Eternal Jie Tiannv followed.

Dojo outside the hell.

Many Tianjiao are digging their heads, wanting to watch, but they dare not come close, for fear that they may be involved in the nineteenth floor of the Hell Star.

In this waiting, in the gap where the Hell Star was blasted out, there was a sacred light and a fairy rush.

A white-clothed peerless, immortal-like figure, walked out from the deepest part of the Hell Star with his hands under his shoulder.

With that posture, it's as if I went for a walk and came back again.

"Yes, the son of the Jun Family is out!"

"He really came out, from the nineteenth floor of Hell Star!"

"Oh my God, the one who penetrated the Hell Star before, wouldn't it be the Son of the Jun Family?"

The appearance of Jun Xiaoyao undoubtedly caused the entire dojo to explode like it had been ignited.

The nine lions, Golden Winged Xiaopeng King, Mu Yuehan, Xiao Xian'er and Kong Xuan rushed to the forefront in the first time.

When she saw that figure, Kong Xuan was stunned.

What she waited for was nothing but a result.

If Jun Xiaoyao really didn't get out of the nineteenth floor of Hell Star, then Jade Buddha's enmity would be avenged.

But at this moment, looking at Jun Xiaoyao, who was clean in white and looked plain.

Kong Xuan felt desperate in her heart.

"Jun Xiaoyao~www.mtlnovel.com~ is really invincible?" Kong Xuan's eyes were lost.

Revenge for Jade Buddha?

It's just a joke.

However, when Kong Xuan hadn't recovered yet.

The guardian of Hulao Pass, Chongming Supreme, also appeared.

He smiled slightly, and just about to congratulate Jun Xiaoyao, he saw the figure following Jun Xiaoyao.

It was a woman in a red dress, with a blue silk cascading down like a river of blood, her face was cold, branded with weird black curse lines.

"Then... Could it be..." Chongming Supreme's eyes were almost out of their sockets, and his body trembled slightly.

As the guardian of Hulao Pass, although he has not entered the nineteenth floor of Hell Star, he has vaguely heard some rumors.

"Is this the one on the nineteenth floor of Hell Star?" Chongming Supreme couldn't help being shocked.

[Chapter 572: Jun Xiaoyao is the 9th most incredible, go to the deserted battlefield](#)

As one of the seven incredibles, the nineteenth floor of Hell Star, even the Supreme Chongming Dare not to enter.

However, he has heard rumors that in the deepest part of the Hell Star, there is a person who controls the power of sin karma of the entire Hell Star.

But at this moment, the glamorous woman with weird temperament behind Jun Xiaoyao should be inseparable from the nineteenth floor of Hell Star.

"What, God Son of the Jun Family actually brought out the existence in the nineteenth floor of Hell Star?"

Hearing the words of Chongming Supreme, all Tianjiao in the entire dojo was stunned.

They looked at the Eternal Jie Heavenly Girl, all back, for fear of some kind of involvement.

Upon seeing the Eternal Jietian Girl, a coldness flashed in her beautiful eyes.

She found that other people seemed to be afraid of her, and regarded her as a ghost.

Instead, it was Jun Xiaoyao, who didn't have any special eyes on her, and even willing to accept her as a follower.

For a short while, Eternal Jie Tiannv looked at the white back in front, her eyes also changed slightly.

"Yes, she is the one on the nineteenth floor, but now, she is already a follower of the son of God." Jun Xiaoyao smiled lightly.

The words fell, and the audience was silent.

Jun Xiaoyao not only emerged from the nineteenth floor, but was intact, and even abducted the taboo existence on the nineteenth floor and accepted it as a follower.

This is so outrageous!

"It's worthy of being the son of the king's family." Chongming Supreme also wiped the sweat from his forehead.

What a fierce man.

After a short silence, all kinds of surprises, shocks, and admiration came out.

Jun Xiaoyao refreshed everyone's cognition.

"Seven incredibles, the king's **** son has broken two alone, Niubi!"

"There is no one before, no one after, you say, there are five incredible things left, will the king's **** son explore them one by one?"

"It's very possible, don't forget, the Jun family has the eighth most incredible title."

"I think the son of the Jun family should be called the ninth most incredible." A female Tianjiao said with fanatical worship in her eyes.

"Yes, the eighth most incredible is the Jun family, and the ninth most incredible is the son of the Jun family!"

Even Jun Xiaoyao didn't expect it.

He has another incredible title of Ninth.

After Chongming Zhizun flattered a few words, he murmured in his mouth and left.

Jun Xiaoyao came to King Jin Wing Xiaopeng and the others.

The surrounding Tianjiao are scattered, because they are afraid of the Eternal Jade Heavenly Girl.

"My Lord God!"

Jin Wing Xiaopeng Wang and the others handed over.

The closer they got to Jun Xiaoyao, the more they could perceive the powerful pressure emanating from Jun Xiaoyao.

It wasn't that Jun Xiaoyao deliberately distributed it, but it revealed it naturally.

"Dare to ask, the current realm of the son of God..." King Jin Wing Xiaopeng hesitated.

"It's not too fast to barely reach the Dzogchen Dzogchen," Jun Xiaoyao said casually.

This is no secret, there is no need to hide it.

"what!"

Jun Xiaoyao's understatement fell in the ears of others, like a thunder explosion!

The saint is complete!

From Jun Xiaoyao's entry to Emperor Road to the present, it has only been two years since he was full.

Jun Xiaoyao's age is only twenty.

For the monk's life span, the young land is like a baby.

In the end, Jun Xiaoyao had already cultivated to the Great Perfection of the Saint.

"Oh my God, the son of Jun's family retreats once, spanning five realms!"

"Doesn't this mean that it won't be long before the son of the king's family can cultivate to the king of saints?"

"Perhaps the Son of God can get the title of the youngest saint king in history..."

Amazing!

Shocked!

sigh!

worship!

Kong Xuan's body trembled, her pupils trembling.

She was completely resigned.

What a jade Buddha, you don't even deserve to carry shoes to Jun Xiaoyao!

The two are not at the same level at all.

"Perhaps it would be a good choice to be a mount for the Lord Jun's Son." Kong Xuan actually gave birth to this idea.

"The **** child has such a cultivation base, it seems that the battle with Ye Guchen is worth seeing."

"Even though Ye Guchen is strong, the son of the Jun Family is not a vegetarian. He went out of retreat and his strength soared to such an extent that even the characters in the nineteenth floor became followers."

"Ok?"

Hearing this discussion, Jun Xiaoyao raised his eyebrows.

It seems that many things have happened during his more than a year of retreat.

"Let's go, find a place to chat." Jun Xiaoyao said.

"Yes!"

King Jin Wing Xiaopeng and others followed.

Soon, they came to a courtyard in Hulaoguan.

As soon as she settled, Xiao Xian'er jumped in front of Jun Xiaoyao, her big eyes full of hope, and she pulled the corner of Jun Xiaoyao's clothes and said, "Little brother, I want..."

"Why haven't you been fattened yet?" Jun Xiaoyao glanced at Xiao Xian'er.

"There is nothing I like to eat." Xiao Xian'er said aggrieved, rubbing her belly with her hands.

"Take it." Jun Xiaoyao sacrificed the Mother Qi Cauldron and distributed several strands of Mother Qi to Xiao Xian'er.

Xiao Xian'er immediately smiled and swallowed.

"Tell me the latest news, and what happened to Ye Guchen's engagement?" Jun Xiaoyao said.

"My Lord God, it's like this..." Mu Yuehan stepped forward and told Jun Xiaoyao about the big news in the past year or so.

"So that's the case, the deserted battlefield is open, fighting for the seal of proof."

"There is also Ye Guchen, who asked me to fight." Jun Xiaoyao said.

He and Ye Guchen had no grievances.

The only friction with Ye Family before was Ye Xingyun.

However, Ye Xingyun did not die in his hands, but was killed by Wuji Xingjun.

Therefore, Jun Xiaoyao and Ye Family have no grudges.

Ye Guchen must not have made an appointment with him because of any enmity, it was just a simple challenge.

"If this is the case, this **** son will take it, hope Ye Guchen can bring me some surprises." Jun Xiaoyao said.

He has cultivated all the way, all sweeping invincible.

Sometimes, standing on the top and not finding an opponent is also a kind of loneliness.

Ye Guchen, the sword demon reincarnated, is very strong, even more courageous, dare to cut the past and reshape the true self.

Jun Xiaoyao is looking forward to Ye Guchen's long-lost passion and blood.

"By the way, the son of God ~www.mtlnovel.com~ has another news, I think you should be very concerned." Jin Wing Xiaopeng said kingly.

"What's the matter?" Jun Xiaoyao asked.

"In the battlefield of Huangtian, Jiang Shengyi got an immortal fetus, and was put on the cusp of the storm. I heard that someone might be against her and want to encircle her."

"Is there such a thing?"

Jun Xiaoyao's eyes were silent like a cold abyss.

Although he did not show obvious anger, Jin Wing Xiaopeng Wang and others suddenly felt a chill in their body, as if their blood was frozen.

"I heard that Dragon Xuhuang, Huang Jiuyan, the descendants of the crocodile ancestors and other ancient royal princes may also participate in it." Golden Wing Xiaopeng continued.

"There are always ants who are overwhelming. If so, let's make a conclusion before embarking on the ultimate ancient road."

With a flick of Jun Xiaoyao's sleeves, his temperament changed in an instant, from being an immortal to being a killer!

"Go to the wild battlefield!"

[Chapter 573: Jiang Shengyi's situation, a mysterious person, the preacher of the sect, the celestial...](#)

The eighteenth pass at the end of Huangtian Xianyu Emperor Road is called Hangu Pass.

After exiting Hangu Pass to the west, it is the starting point to embark on the ultimate ancient road.

And beyond the millions of miles of void in Hangu Pass, there is a vast and endless ancient battlefield.

It was not so much a battlefield, but at a glance, it looked like a wild continent suspended in the starry sky of the universe.

Rumor has it that this deserted battlefield is an extremely ancient relic, so many great opportunities have been left behind.

For example, the fairy fetus, this kind of precious treasures that are almost impossible to appear in other places, can be found in the deserted battlefield.

At this moment, a long time has passed since the battlefield of Lihuangtian opened.

Many Tianjiao are fighting among them.

Of course, there are also some Tianjiao who did not enter in the appearance, because they were already tired and their Taoism was exhausted along the way.

Now they are just curious, who can win the seal of enlightenment and embark on the ultimate ancient road.

And the battle between Ye Guchen and Jun Xiaoyao also attracted many Tianjiao.

Even some aboriginal creatures in Dilu gathered here to watch the excitement.

In the void, a middle-aged man dressed in a dazzling armor, with a supreme pressure, subdued the audience.

He is the guardian of the Eighteen Passes of Emperor Road, the guardian of Hangu Pass, Du Tuo Supreme.

The deserted battlefield is the ultimate test place for the last pass of Emperor Road, which is very important.

Even Du Tuo Supreme had to pay attention and stayed here.

"Tsk tusk, fairy fetus, that's something that even the deity will be moved." Du Tuo Zhizun exclaimed.

The fairy fetus is such a treasure of heaven and earth, even his supreme will be moved, not to mention the arrogance of those who participate in the battle.

In order to get the immortal fetus and cultivate the immortal qi, they can do anything.

One-to-one fair competition?

It doesn't exist at all!

"But what makes the deity puzzled is that the little girl of the Jiang family got the fairy fetus, why not directly refine it?" Du Tuo Zhizun shook his head, with doubts in his eyes.

Although Jiang Shengyi was targeted by all parties, she should be able to spare the time to refine the fairy fetus.

With her innate talent, if she refines the fairy fetus, she will definitely become the top taboo Tianjiao.

But Jiang Shengyi did not do so.

At this moment, in the depths of the deserted battlefield.

On a deserted Gobi.

A celestial shadow rushed away.

She is dressed in snow clothes, white hair, beautiful face, beautiful and refined.

The figure is graceful and flawless, and the body is pretty, like a relict of snow lotus, jade muscle and fairy bones, and the temperament is dusty.

It is Jiang Shengyi.

Only at this moment, her condition is not very good.

The exquisite and picturesque fairy face is pale and bloodless, and the snow clothes on his body are stained with blood stains, as if blood plum blossoms.

Paired with her white hair like frost and snow, it looks beautiful.

"Persevere again, persevere...We must wait until, he comes..." Jiang Shengyi wiped the blood remaining on the corners of his lips.

During this time, she was besieged and suppressed from time to time by Tianjiao from all sides, and escaped all the way.

As for the Jiang family and Jun family who wanted to help her, they were also harassed and blocked and could not come in time.

After all, the treasure of heaven and earth like the fairy fetus is crazy enough, and no one can resist this temptation.

What made Jiang Shengyi feel a little uncomfortable was that some small giants seemed to have reached some kind of agreement secretly and began to target her with all their strength.

Just as Jiang Shengyi was thinking about it, a figure suddenly appeared from the void in front of him.

It was a beautiful shadow in Tsing Yi, sitting on the lotus platform, her face covered with white gauze, covering Xianhua, only revealing a pair of pupils that were as clear as autumn water.

It is the goddess of the Ji family, Ji Qingyi.

"Ji Qingyi, it's you." Jiang Shengyi's beautiful eyes showed a look of alertness, and the power of the innate Taoist fetus in his body flowed.

"Jiang Shengyi, Qingyi doesn't want to declare war with you, I can use all kinds of precious treasures to exchange fairy fetuses with you." Ji Qingyi said.

She did not intend to kill, nor did she want to shoot.

"You know, it's impossible." Jiang Shengyi shook his head.

What a precious thing the fairy fetus is, how can it be replaced by any treasure.

Moreover, she got the fairy fetus, and she had her own thoughts, which could not be given to others.

"How about exchanging immortal scriptures?" Ji Qingyi smiled.

"What, do you have a fairy scripture?" Jiang Shengyi was really surprised.

Immortal scripture, what a rare thing it is, the rumors are true immortals, the supreme way left behind.

Even among some immortal forces, there may only be some incomplete celestial scriptures.

"My immortal sutra is naturally not complete, but there are half of it, enough to cultivate immortal powers." Ji Qingyi said.

Jiang Shengyi glanced at Ji Qingyi deeply.

Ji Qingyi is not only a goddess of the ancient Ji family, but also a fairy.

As the successor of the two immortal forces, Ji Qingyi is rather low-key, unlike Jun Xiaoyao, who is famous for the entire deserted fairyland.

But she is definitely the person who hides the deepest, even Jiang Shengyi can't see through.

However, Jiang Shengyi still shook his head.

Her fairy fetus has long belonged to it.

"Really, that's a pity, you missed a chance to make good relationships." Ji Qingyi sighed.

"Make good destiny, with you?" Jiang Shengyi said.

"It's not me, it's a true preacher of immortal religion, a destined to become a supreme being, and I, but only a helper, this immortal baby also wants to obtain for him.

Ji Qingyi held up the blue silk on her temples, her tone as calm as a waterway.

"A real human preacher?" Jiang Shengyi showed a ray of surprise in his beautiful eyes.

The unpredictable Ji Qingyi, the dignified fairy cult saint, turned out to be just a helper?

"Human Xianjiao is not the native great religion of Huangtian Immortal Territory, but like Shengjiao, it is preached from other fairy territories."

"The one who is destined to become the supreme being is precisely the descendant of the heavenly descendant who has been sleeping for many epochs in the main line of the Human Immortal Sect."

"His physique is also one of the top ten horror physiques among the three thousand physiques, and its background is even more taboo."

"It can even be said that that person's background is not worse than Jun Xiaoyao." Ji Qingyi said.

Jiang Shengyi felt a little uncomfortable hearing this.

She doesn't like it, someone can compare with Jun Xiaoyao.

In her mind, Jun Xiaoyao will always be the man standing on top ~www.mtlnovel.com~ overlooking the common people.

"You don't hand over the immortal fetus, but you don't integrate the immortal fetus. Is it because you want to leave the immortal fetus to Jun Xiaoyao?" Ji Qingyi guessed.

Jiang Shengyi's face remained unchanged, but a wave of fluctuations flashed in his beautiful eyes.

Obviously, Ji Qingyi got it right.

"Such a precious immortal fetus, if you merge with the congenital Dao fetus, you can definitely sublimate to the extreme, and the Dragon Void Phoenix and others will have to drink and lose in front of you."

"And you are willing to be hunted down, besieged, and injured, just to leave the fairy fetus to Jun Xiaoyao?"

Ji Qingyi sighed, she was really surprised, beyond her expectation.

Such a precious thing as the fairy fetus is enough to turn the siblings back and kill friends.

Jiang Shengyi desperately kept the immortal baby, but not for himself, but wanted to leave it to Jun Xiaoyao.

What kind of deep feelings can make a person make such a dedication choice?

[Chapter 574: Ji Qingyi's scruples, aid was blocked, Chiyan Ancient Star Territory...](#)

"It seems that the rumors are true. You were Jun Xiaoyao before, and the green silk turned white one night."

"Now, for him, protecting the immortal fetus with his life, just to be able to leave him for refining." Ji Qingyi sighed.

This kind of feeling is moving.

"No need to say anything extra, I won't give you the immortal baby." Jiang Shengyi's eyes were determined.

This fairy fetus, although it fits her congenital fetus very well.

But in contrast, Jun Xiaoyao only stepped into the emperor's road very late, and he needed this fairy fetus more.

Although Jiang Shengyi was traumatized, she also had the confidence to fight Ji Qingyi and protect the fairy fetus.

Ji Qingyi's pupils were deep, and for a moment, she seemed to mobilize mana.

But then Ji Qingyi gave up.

"Jun Xiaoyao enters the nineteenth floor of the Hell Star, and I don't know if I can come out again. If you can't make it through this period of time, wouldn't the fairy fetus be given to others for nothing?"

The fact that Jun Xiaoyao left the nineteenth floor of Hell Star hadn't been transmitted to Hangu Pass so quickly, and it was impossible to directly transmit it to the battlefield of Huangtian.

"It's none of your business, I will protect it with my life." Jiang Shengyi's tone was slightly cold.

"Then Jiang Shengyi, you can do it yourself." Ji Qingyi shook her head slightly and left immediately.

She has scruples.

She was worried about not just Jiang Shengyi's own strength.

Even more scrupulous about Jun Xiaoyao behind Jiang Shengyi.

Ji Qingyi has seen Jun Xiaoyao very well.

Although she didn't think that Jun Xiaoyao could be better than the mysterious descendant of Immortal Sect.

But at least, Ji Qingyi can't afford to offend.

So she gave up.

Seeing Ji Qingyi leaving, Jiang Shengyi was also slightly relieved.

Ji Qingyi is regarded as one of the arrogant arrogances hidden deepest in Huangtian Immortal Territory, if she really makes a move.

Even if Jiang Shengyi could escape, he would be injured again.

"I want to keep this immortal baby for Xiaoyao. When he comes to the battlefield, I will give it to him personally." Jiang Shengyi muttered.

When thinking of the figure in white clothes, Jiang Shengyi's mouth suddenly showed a smile.

Paired with her beautiful and exquisite fairy face, there is even more extraordinary beauty.

In her body, the congenital fetus was always concerned about moving, as if urging Jiang Shengyi to quickly refine the fetus.

Jiang Shengyi has been suppressing.

She knows clearly that if she refines this fairy fetus, she may cultivate three, four, or even five fairy qi.

But she still refused to do so.

Because in her heart, Jun Xiaoyao is the most important.

Next, another month passed.

Jun Xiaoyao, who started from Hulao Pass, was also pushed all the way.

For the ordinary Tianjiao, the imperial road of step by step crisis, to Jun Xiaoyao, is like walking on the ground, like visiting his back garden.

Now on Emperor Road, with Jun Xiaoyao's strength, nothing can threaten him anymore.

The alien beasts in the starry sky, the undercurrents of the void, and all kinds of dangerous places, Jun Xiaoyao is all pushing horizontally.

As for the star bandit, when he saw Jun Xiaoyao from a distance, he was already frightened and avoided.

Jun Xiaoyao is like a **** king in white, walking in the galaxy, pushing everything along the way.

At this speed, Jun Xiaoyao could soon reach the deserted battlefield.

However, in this period of more than a month, the situation on the deserted battlefield has also been changing.

Not only those arrogances of the Primordial Royal Family, such as Long Xuhuang, Huang Jiuyan, and descendants of Crocodile ancestors, they must target Jiang Shengyi.

And those small giants of Tianjiao from the Ancient Star Region are also united.

They seem to have reached an agreement with Long Xuhuang and others.

Long Xuhuang and others went to encircle Jiang Shengyi.

The small giant Tianjiao of the Ancient Star Territory went to resist those who helped Jiang Shengyi.

Desolate ancient battlefield, a certain boundary.

Several figures are converging in one direction.

One of the young girls with double ponytails is Jiang Luoli.

Her starry eyes are shining, her Qiong nose is pretty, her lips are greasy, her pretty face is beautiful, she is like a little beauty carved in jade.

Only at this moment, her little face was full of anxiety, and said: "Those guys are too presumptuous, they dare to openly encircle Sister Shengyi."

Before, because of Jun Xiaoyao, Jiang Luoli and Jiang Shengyi seemed to have a little separation.

But this does not hinder the affection between Jiang Luoli and Jiang Shengyi.

"Heh... If Jun Xiaoyao is there, would they dare to be so presumptuous?"

On the side, a valiant man with a god-printed palm showed a sneer at the corner of his mouth.

It is the ancient freak of the Jiang family, Shenyin Wang body, Jiang Tianyan.

"Anyway, let's hurry up and save people." Another man, Jiang Xuling said.

But at this moment.

A dozen figures suddenly appeared in front of him.

Seeing these suddenly appearing figures, Jiang Luoli's face sank.

The head is a man with long red hair, with a breath of violent fire, and his cultivation has reached the realm of a saint.

"It turned out to be the little giant Gu Yan in the Chiyan Ancient Star Region." Jiang Tianyan frowned slightly.

This Gu Yan is also somewhat legendary.

Rumor has it that he was originally the Chiyan Ancient Star Region, a little-known disciple.

As a result, he accidentally fell into the forbidden area of the Chiyan Ancient Star Territory, the Blazing Abyss, and was swallowed by the ancient flame demon.

But in the end, Gu Yan not only did not die, but merged with the ancient flame demon, controlling the power of the flames and rising strongly.

After stepping on the road of God, he swept all the way, and now he has become a famous little giant.

In addition, Tianjiao beside Gu Yan is not weak, not much worse than the small giant.

"Everyone, where are you going?" Gu Yan smiled.

"Get out of the way, this girl has no time to chat with you!" Jiang Luoli shouted.

"The jewel in the Jiang family's palm is really charming. I wonder if Gu will be lucky enough to talk to the girl about life and ideals?" Gu Yan smiled.

He is very powerful ~www.mtlnovel.com~ with a handsome appearance, has become a small giant, and is also a dazzling star in Dilu.

"Only you are an ugly monster, do you deserve it?"

"The strength is no better than a finger of Brother Xiaoyao. As for your appearance, comparing your appearance to that of Brother Xiaoyao is an insult to Brother Xiaoyao!"

Jiang Luoli's mouth was not weak, and the smile on Gu Yan's face disappeared.

"Heh... that Jun Xiaoyao entered the nineteenth floor of the Hell Star, and I don't know if he can come out alive, what good is it to like a dead person."

"You presumptuous!" Jiang Luoli puffed his cheeks and breathed fire with big eyes.

On the side, Jiang Tianyan took a step forward and said coldly: "If you want to stop me from waiting for Jiang Shengyi to help Jiang Shengyi, just say straight, why bother?"

"It's okay if you understand, do you want to sit down quietly, or do you want a battle?" In Gu Yan's eyes, flames were surging.

Vaguely, behind him, there seemed to be a terrifying ancient flame demon phantom emerging.

[Chapter 575: Jun's helping hand is intercepted, Jiang Shengyi is in desperate situation, and people are taught by immortals...](#)

"I'm just a little curious, what did Long Xuhuang and others promise you so that you are willing to help him?" Jiang Tianyan said coldly.

"You don't need to know this." Gu Yan said lightly.

They reached an agreement with Long Xuhuang and others, which is naturally profitable.

Otherwise, Gu Yan would not be so stupid to help others in vain.

"If this is the case, then let me learn how strong the ancient flame demon is!"

Jiang Tianyan took a shot, pinched a side of the **** seal, the king body of the **** seal moved, and his breath was strong.

As an ancient freak of the Jiang family, his strength is absolutely beyond doubt.

"Haha, I also want to try, the ancient freaks of the Jiang family, how true are they!" Gu Yan also shot.

Jiang Luoli, Jiang Xuling and others also did not hesitate to take action.

For a time, the two sides fought, and mana burst out, shaking the earth.

At the same time, in another place on the deserted battlefield.

The three figures are also walking in the sky.

The man in the front, wearing a plain white robe with a wine gourd pinned to his waist, holding an umbrella in his hand, his head full of ink and hair fluttering, his appearance is unparalleled.

It is the ancient freak of the Jun family, Lord Grim lying drunk on the battlefield.

Next to him are the two sequences of Jun Lingcang and Jun Mulan.

"In the ancient world, when our Jun family was in crisis, the Jiang family also helped them. This time, it's our turn to help them." Jun Mo said with a smile.

"Yes, rightly so, as for Jun Wushuang and the others, they should also act." Jun Lingcang said.

When they heard that the Jiang family was in trouble, the Jun family would not stand by.

This is the friendship between the two families.

At this moment, there was suddenly a dense crowd in front, hundreds of figures appeared.

The dozens of people headed by them are all powerful talents at the level of small giants.

"Huh?" Lord Grim narrowed his eyes slightly.

"What do you mean?" Jun Lingcang said indifferently.

"You guys of the Jun family, the Jiang family, you shouldn't participate in it." Among the group, a small giant walked out.

It was a man with a rough face and a devilish breath.

He is the heir of an ancient star field, the immortal force and the magic cave.

"That's right, we don't want to have any evil with the Jun family either." Another luxurious man in an imperial robe walked out.

He is the crown prince of Tianyao.

The other dozen or so small giants also have their own backgrounds, and they are all talented people.

The rest of the seventy or eighty Tianjiao are not weak or small.

"It's an honor for Jun to make you so excited, but..." Jun Mo's joke suddenly changed.

"Can you...stop me?"

As Lord's joke fell, a horrible breath was released.

This breath made the faces of small giants such as the descendants of Zhan Modong and Tianyao Shenchao's prince change faintly.

Lord Grim didn't make it to the Desolate Heaven Ranking List because he was not interested.

If Lord Grim wants to compete for the list, Ye Guchen may not be able to get the first place in the sacred list so easily.

It is precisely because of this that these little giants in the Ancient Star Region attached great importance to Lord Grim, and a hundred people came at once.

There are more than a dozen small giants in the town.

Tianyao said to the prince: "It is naturally difficult for us to stop you, but if we just delay, we should be able to do it."

"Try it then." Lord Grim had cold eyes.

Next, without any extra words, Lord Grim, Jun Lingcang, and Jun Mulan will fight more than a hundred Tianjiao.

Only Lord Grim needs a large number of people to suppress him in order to barely delay time.

On the other side, Jun Wushuang and other sequences have also been harassed and entangled by some small giants, and it is difficult to rush to help in a short time.

In a barren place on the edge of the barren battlefield.

Jiang Shengyi dragged his tired body to this place.

"No, if you flee again, you can only leave the deserted battlefield, but in that case, it will be easier to be locked." Jiang Shengyi said with a tired face.

Her fairy face was as pale as paper, and her snow clothes on her body were stained with mottled blood, which looked very dazzling.

In order to protect the fairy fetus, she didn't even have time to capture the seal of proof.

It can be said that Jiang Shengyi paid too much for Jun Xiaoyao.

But she has no regrets.

At this moment, a playful voice sounded.

"Jiang Shengyi, the game of cat and mouse is tired of playing, it should be over."

As the sound came out, many black spots appeared in the distance, and it was an emperor Lu Tianjiao who surrounded him.

The one who spoke was a heroic man with phoenix wings and phoenix wings.

His breath has a suffocating sense of oppression, like an ancient wild beast appeared in the world, and the blood aura on his body is extremely rich.

It is the Dragon Void Phoenix with the supreme Dragon Phoenix body.

"Jiang Shengyi, why bother struggling? If you hand over the fetus obediently, you can also avoid the suffering of flesh and skin." On the other side of the sky, the sky was full of fire and rain.

A man wearing a luxurious scarlet robe with phoenix wings on his back came stepping on the sky.

He is the ancient freak of Wanhuan Lingshan, Huang Jiuyan.

"If this woman doesn't know each other, just swallow her alive!"

A hoarse and rough voice sounded. It was a brawny bald man, covered with black scale armor, eyes were a pair of dark green vertical pupils, with bloodthirsty wildness.

It is the descendant of the crocodile ancestor of the ancient crocodile lake.

The three Tianjiao of the Primordial Royal Family are all standing on the top of Emperor Road.

In addition, there are hundreds of tianjiao gathered around, all tianjiao of various ancient star regions.

There are also many small giants, dozens of them.

As for the Tianjiao of Huangtian Immortal Realm, there are also, but they are only temporarily watching from a distance.

After all, the Jiang family was also one of the three Huangguyu families in the Huangtian Immortal Territory, and Jiang Shengyi's background was still very shocking.

Those Tianjiao in the Wild Heaven Immortal Realm did not dare to intervene at will, and could only take the opportunity to act.

"Now, Jiang Shengyi is afraid that he will really hand over the fairy fetus." A woman in a pink skirt with a flawless appearance murmured.

She is the Yan Rumeng of the Demon Temple.

"Oh, it's troublesome now, why haven't a helping hand come yet." On the other side, a lady in a black dress said.

She is naturally the little demon fairy of the demon sect.

Xiao Moxian is considered to have made friends with Jun Xiaoyao, and Jiang Shengyi's relationship with Jun Xiaoyao needless to say.

So Xiao Moxian didn't want to see Jiang Shengyi doing anything.

But with her strength alone, she couldn't reverse the situation at all.

Just the small giants, there are dozens of them, plus the three royal talents such as Long Xuhuang, this lineup is simply terrifying.

"Sure enough, it is still difficult to escape the fate of being siege."

Ji Qingyi also appeared, looking at the scene, she shook her head slightly.

If Jiang Shengyi gave her an immortal baby, why should he fall into such a field.

"Fairy Qingyi, why didn't you just grab the fetus before, so I can bring it back to the master."

Beside Ji Qingyi, there was a woman with a beautiful face and extraordinary breath. She had cultivated two celestial spirits, comparable to a small giant.

It's hard to imagine ~www.mtlnovel.com~ a small giant who would even consider others as the main.

"Jiang Shengyi is pregnant with a congenital fetus, and he is not an easy target to deal with, but what I really worry about is Jun Xiaoyao behind her." Ji Qingyi said.

She hid deeply and was very cautious.

Because she has seen how powerful Jun Xiaoyao is, she will never provoke Jun Xiaoyao unless she is a last resort.

"Then Jun Xiaoyao, is he really as strong as the rumors? Although he is like his master, he has a top ten taboo physique, but the ancient Eucharist has declined and it is destined to be impossible to regain glory.

This woman, named Chen Fei, is a follower of the mysterious descendant of the Immortal Sect.

The same as the follower of that overlord who Jun Xiaoyao met before.

Chen Fei wasn't the arrogant of the Wild Heaven Immortal Realm, but a spy who smuggled onto this imperial road through a special method to inquire about the master.

Regarding Ji Qingyi's failure to get the fairy fetus, she has a lot of criticism.

[Chapter 576: Jiang Shengyi fights the three giants in blood, Jun Xiaoyao is here, white clothes...](#)

"You are not a person from the Desolate Heaven and Immortal Realm, naturally you don't know what prestige and status Jun Xiaoyao has in the Desolate Heaven and Fairy Realm." Ji Qingyi said.

"So what, in front of the master, it's nothing more than that." Chen Fei curled his lips and said.

In her mind, the master of her family, the descendant of the Immortal Sect, is an invincible existence, destined to dominate the ups and downs of this era.

At this moment, Jiang Shengyi, who was surrounded by enemies, did not have the slightest panic and fear on his beautiful face.

As the goddess of the Jiang family, but also pregnant with innate Taoism, Jiang Shengyi's Taoism has long been unbreakable.

At this moment, she looked calm and opened her lips indifferently: "You really decided that you want to be an enemy of my Jiang family and Jun family?"

Jiang Shengyi's words made the faces of some small giants in the Ancient Star Region a little unnatural.

Behind Jiang Shengyi, stood the ancient Jiang family.

The Huanggu Jun family and Huanggu Jiang family are the same enemy, they wear a pair of pants.

Offending a Jiang Shengyi is tantamount to offending two great ancient families.

But thinking of the rewards they could get, these little giants in the ancient star domain calmed down.

Long Xuhuang and others agreed to them.

As long as the three of Long Xuhuang can get the immortal fetus, each of them can get at least one seal of proof.

Even, there are fairy rewards.

The seal of sermons, that is not available to anyone.

Even a small giant may not be as strong as one.

This shows how attractive Long Xuhuang's condition is.

And with the strength of Long Xuhuang and others, it is indeed strong enough to have more than one seal of proof.

This is the agreement reached between them.

"Hehe, don't use the Jiang family and the Jun family to oppress people. When the time comes, my Ancestral Dragon Nest, Wanhua Lingshan, Ancient Crocodile Lake and other forces will join forces. Can't I still deal with the Jiang family and the Jun family?"

Long Xuhuang's face was scornful and dismissive.

The forces behind him are not afraid of the Jiang family at all.

It's just that Long Xuhuang and others didn't know that the forces behind him had long been destroyed by the Jun family.

"Yes, indeed, with the support of the Primordial Royal Family, what are we afraid of?"

Those little giants in the Ancient Star Territory were even more relaxed after hearing this, and there was the ancient royal family, so they didn't need to be afraid.

"There is only one immortal baby, how should the three of you divide it?" Jiang Shengyi continued.

"Don't play this kind of tactics, and you don't need to worry about it." Long Xuhuang looked at Jiang Shengyi as if looking at the trapped beast in the cage.

"You are not afraid, if Happy comes, will you all be killed?" Jiang Shengyi continued, wanting to delay for a while.

Long Xuhuang's eyes flashed coldly and said: "For the time being, Jun Xiaoyao can come out of the nineteenth floor of Hell Star, even if I can come out, I am not afraid of him!"

After all, Long Xuhuang had cultivated three celestial energy, which was stronger than the average small giant.

In his expectation, even if Jun Xiaoyao is very strong, he should not be able to completely suppress him.

"Hehe, my Phoenix Nirvana Rebirth Art, but also needs an opponent to achieve the final transformation." Huang Jiuyan also didn't care.

He also hoped that Jun Xiaoyao could come, so that he could just use his hand to polish himself.

"Don't talk nonsense, this woman obviously wants to delay time and go straight." The descendants of Crocodile Ancestor said with a hoarse and indifferent voice.

boom!

Long Xuhuang and Huang Jiuyan are also procrastinators.

The two of them shot at the same time, and the descendants of the crocodile ancestors also shot.

Although three top Tianjiao famous Yangdilu besieged a woman, the reputation was not good.

But at this time, winning the fairy tire is the first place.

Although Jiang Shengyi is a woman, she is not a soft persimmon.

Relying on the special advantages of the congenital Taoist birth, Jiang Shengyi has also cultivated three immortal energy.

Her jade hand brushed out, and the avenue lines spread.

Jiang Shengyi, like the daughter of the goddess, is powerful and powerful with gestures.

Of course, Long Xuhuang and the others are not vegetarians, and the combination of the three of them is enough to completely suppress Jiang Shengyi.

Winning the fairy fetus is just a matter of time.

As for the other small giants, they are here to prevent accidents. If anyone else wants to save Jiang Shengyi, they will try to obstruct it.

As time went on, two quarters of an hour later, under the suppression of the three top arrogances, even if it was as strong as Jiang Shengyi, it was a bit unbearable.

"Dragon Phoenix shakes the palm of the sky!"

The Dragon Void Phoenix urges the power of the three immortal qi, and at the same time urges the blood of its own Ancestral Dragon and Divine Phoenix to the extreme.

An ancestral dragon and a divine phoenix phantom, accompanied by the bombardment of his palm wind, roared in the void and quashed.

Like a dragon and a phoenix, killing from the ancient times across time and space, the prestige moves people's hearts.

Puff!

Jiang Shengyi had been traumatized before, and now he was suppressed by the three great arrogances.

The palm of Long Xuhuang was like the last straw that crushed the camel, causing Jiang Shengyitan to spit out blood, splashing it on the front of his clothes, very beautiful.

And at this instant, Huang Jiuyan actually took advantage of the void to enter, and he sacrificed a supreme weapon, a phoenix feather sharp blade.

The phoenix feather blade slashed down like a sky sword.

Jiang Shengyi could only barely dodge, but his arm was still scratched, and the crystal clear blood was splashing.

She was hit hard again.

"Damn, you are too bullying!"

There was a sweet voice, it was the little demon fairy of the demon fairy sect.

Don't say she has something to do with Jun Xiaoyao.

Even the unrelated passerby would feel indignant when seeing the three of them insult a beautiful woman in this way.

Little Moxian shot.

At the same time, several figures rushed to this place.

"You are going to be rampant!"

An arrow shot out like a hole through the void.

"Could it be... the followers of the Emperor's Son?"

Seeing the arrow that seemed to penetrate the sky and the earth, Tianjiao onlookers whispered.

A figure appeared, it was Yi Yu!

"Three famous Tianjiao who insulted a woman in this way, Long Xuhuang, you really got back alive!"

There was a dragon spirit, and a beautiful woman appeared wearing a fairy dress in a palace dress and a first-born dragon horn. It was Princess Long Ji.

"Princess Longji, I think you are addicted to Jun Xiaoyao riding, and the face of Zulong's Nest has been lost by you!"

Seeing Princess Longji appeared, Long Xuhuang just sneered.

He also did not regard Princess Longji as the arrogant of the Ancestral Dragon Nest. He had previously injured Princess Longji because of some chance.

On the other side, Yan Qingying in a black gauze skirt also appeared.

Her breath is deeper, her eyes are like night stars, with a chilling chill.

Yan Qingying said nothing, but also wanted to intervene in the battlefield.

However, those small giants are not vegetarian.

"Today, no one can intervene in this battle!" Dozens of small giants are on the periphery, like a copper wall and an iron wall, blocking everything.

Even Yi Yu, Yan Qingying, Princess Long Ji, and Xiao Moxian are very powerful.

It is obviously impossible to break through the defensive circle of dozens of small giants in a short time.

"Does the Jiang family goddess really want to kill her jade today?" Some onlookers murmured.

At the same time, outside the Huangtian battlefield, many cultivators did not leave, but were paying attention to the news here.

An ancient star domain Tianjiao shook his head and said: "I have heard that the reason why the Jiang family goddess did not refine the fetus by herself, seems to be to leave it to Jun Xiaoyao."

"Really, this is too stupid. Refining it yourself, isn't it fragrant?"

"Who knows, you said, Jiang Shengyi won't have a leg with Jun Xiaoyao, right?"

"So, no wonder, the woman in love really has no brains."

"But I heard that Jiang Shengyi seems to be the aunt of the son of the Emperor's family, this relationship..."

"Hey, want me to say..." Just when the ancient star domain Tianjiao wanted to say something.

He suddenly discovered that the faces of the surrounding Tianjiao facing him suddenly solidified, then their blood faded, and their lips were trembling, as if they had seen some kind of great terror.

"What's the matter with you?" the ancient star domain Tianjiao asked in confusion.

"What did you just say, say it again?"

An indifferent voice sounded like a cold abyss from behind this Tianjiao.

The Tianjiao had a sudden stop and turned around tremblingly ~www.mtlnovel.com~ and saw a figure with a peerless white robe, but with a cold face like a god.

"Jun...Jun..." The throats of these Tianjiao were blocked, and they couldn't speak.

Jun Xiaoyao didn't even move his fingers, looking at it with a cold eye.

puff! puff! puff!

The primordial spirits of these Tianjiao burst open, their heads burst, like scarlet fireworks in full bloom!

For a time, the movement here attracted the attention of all the monks outside the Huangtian battlefield.

The indifferent killing intent that the white figure exudes shakes the sky and makes the universe tremble!

The big stars in the universe burst with the steps of Jun Xiaoyao!

In one step, the killing intent overturned the galaxy!

Killing the gods in white clothes will finally come to the world!

[Chapter 577: The third seal of the ban on immortals, banned the entire battlefield, young people don't talk...](#)

"It's the son of the Jun family here!"

"He actually came out of the nineteenth floor of the Hell Star!"

"Oh my god, that breath seems to shake my soul out!"

Jun Xiaoyao's arrival undoubtedly detonated the whole atmosphere in an instant.

Like a boulder falling into the sea, making a terrible noise!

"It's the son of the king's family..."

In the depths of the starry sky, Du Tuo Zhizun saw Jun Xiaoyao's arrival, his eyelids trembled.

He could feel that the extreme killing intent emanating from Jun Xiaoyao seemed to freeze the heavens and galaxies.

"What kind of evil is the Jun Family God Son, his cultivation level has reached the Great Perfection of the Saint?"

After sensing Jun Xiaoyao's cultivation realm, even Du Tuo Supreme, his cheeks twitched.

This Nima is a big pervert.

With Jun Xiaoyao, how can there be room for other Tianjiao to rise?

The cultivators around the Huangtian battlefield also felt the breath of Jun Xiaoyao, and their eyes were almost out of their sockets.

"Holy... Saint's Great Perfection?"

"Oh my God....."

"Terror, too terrifying. I thought that if Jun Xiaoyao was a little bit suspicious of Shang Ye Guchen, now it seems that I think too much."

"Furthermore, I heard that the goddess of the Jun family also cultivated four immortal auras. This is simply not a human being."

The sage reaches the perfect state, plus four immortal spirits.

If Jun Xiaoyao is second, who would dare to be first?

At this moment, Jun Xiaoyao is like a white-clothed killing god, descending on the deserted battlefield.

Behind him, Golden Winged Xiaopeng King, Mu Yuehan, Nine Lions, Eternal Journey, Xiao Xian'er and others followed.

They did not speak, because they knew that Jun Xiaoyao's mood was not very good.

When Jun Xiaoyao is in a bad mood, he will kill.

"If the prince's son enters the deserted battlefield, won't Long Xuhuang and others be over?"

"Who knows, but it will definitely not be better."

In the hearts of some monks, they began to mourn for Long Xuhuang and others.

However, some people think that with the strength of Long Xuhuang and others, even if they can't beat Jun Xiaoyao, they should still be able to escape.

However, what puzzled everyone was that Jun Xiaoyao didn't have the first time and rushed into the battlefield.

Instead, he stood with his hands holding his hands, with indifference like an abyss in his eyes.

"What is the son of the Jun family going to do?"

Everyone is surprised, even Du Tuo Supreme, it feels incredible.

Could Jun Xiaoyao care about Jiang Shengyi's safety?

At this moment, in Jun Xiaoyao's eyes, in addition to the indifferent killing intent, there was a little helplessness and sigh.

"Sister Shengyi, you are too stupid."

Such a precious fairy fetus, not to be used by himself, but to defend it desperately, just to keep it for him.

Jun Xiaoyao asked himself, he was very hard to be moved, and he would never love someone to die.

But this does not mean that Jun Xiaoyao has no feelings.

Jiang Shengyi has done this, can Jun Xiaoyao remain indifferent?

It is precisely because of this that Jun Xiaoyao's eyes have a touch of decisiveness.

The next moment, he slowly raised his hand, and the strength of the Saint Dzogchen was urged to the extreme.

Strands of forbidden patterns emerged in the void, spreading towards the entire deserted battlefield.

All the monks have seen it, that forbidden formation pattern, covering the galaxy, across the battlefield, like an inverted bowl, to seal the entire deserted battlefield!

"Forbidden Immortals... the third letter!"

Jun Xiaoyao's words fell, and the power of the ban broke out, unleashing the infinite divine light, and wanted to imprison the entire deserted battlefield!

With Jun Xiaoyao's strength after breaking through, he can already display the third seal of the Forbidden Immortal.

This is stronger than the sealing effect of the second seal of Forbidden Immortal.

"The King's Son actually wants to seal the entire deserted battlefield, what is he going to do?"

Seeing Jun Xiaoyao's actions, countless monks in the audience made a sound of shocking noise.

Throughout the ages, no one has ever done anything like Jun Xiaoyao to seal the barren battlefield.

Jun Xiaoyao is the first!

"Son of the Jun family, what are you doing?" Du Tuo Zhizun couldn't help but ask.

He is in charge of the order of the Huangtian battlefield, and Jun Xiaoyao's move undoubtedly broke the rules.

"Close the door, kill the dog!"

Jun Xiaoyao is simple, spit out four words, but the killing intent is creepy.

"The **** son of the Jun family is closing the door and beating the dog, and he is not going to let anyone go."

By this time, everyone understood Jun Xiaoyao's thoughts.

He banned the entire Huangtian battlefield because he didn't want to let go of someone who shot Jiang Shengyi.

Any Tianjiao who has done anything unfavorable to Jiang Shengyi must die!

"Ruthless, too ruthless, the son of the Jun family is simply the first ruthless person!"

"Can he do it? It is not only Long Xuhuang and others who deal with Jiang Shengyi, but also hundreds of small giants, and nearly a thousand Tianjiao." Some Tianjiao couldn't help being afraid.

In addition to the Tianjiao who chased Jiang Shengyi, there were also some small giant Tianjiao who were in charge of blocking the Jiang family and the Jun family.

If you add everyone together, there are definitely thousands.

Jun Xiaoyao alone, is it clean?

And the most important thing is that these arrogances are all elite seeds of the Wild Heaven Immortal Realm.

If they all die in the deserted battlefield, wouldn't many people be able to embark on the ultimate ancient road?

"Son of the Jun family, should we converge?" Du Tuo Zhizun felt a little burnt.

If ordinary Tianjiao did this, he would have stopped it.

But the one who made the shot was the king's **** son.

This makes him feel unable to start.

"Don't mess with me!"

Jun Xiaoyao left a cold sentence, stepped on his feet, straddling the void and stepping into the deserted battlefield.

Like a lion entering a flock, it will start a monstrous killing!

Seeing Jun Xiaoyao's back, all Tianjiao felt that something shocking might happen.

Du Tuo Zhizun's face was also extremely stiff, his dignified guardian of the Imperial Pass was so ignored.

However, when he thought of the identity of the **** son of the Jun family, he could only sigh helplessly: "Young people nowadays, don't they talk about martial ethics like this?"

Jun Xiaoyao's approach is truly incredible. Sealing the entire deserted battlefield is not going to leave others a way to survive.

Along with the entire deserted battlefield, it was enveloped by the third seal of the banned immortal.

Tianjiao in the battlefield naturally felt it too.

"How is this going?"

"Does the battlefield of Huangtian be closed in advance?"

Many Tianjiao are surprised.

"No, I'm afraid the situation will change, go to Long Xuhuang first!"

Some small giants who attacked Jiang's family and Jun's Tianjiao also noticed that something was wrong.

Gu Yan, the descendant of War Demon Cave, Tianyao Shenchao's prince and others, stopped the battle and rushed to Longxuhuang.

They believe that something may have happened.

"Let's go too."

Lord Grim, Jun Lingcang, Jun Mulan.

And Jiang Luoli~www.mtnovel.com~ Jiang Tianyan and others are close behind.

For a time, in the entire Huangtian battlefield, almost all the cultivators of Tianjiao gathered towards Long Xuhuang and Jiang Shengyi.

At the same time, in the deepest part of the deserted battlefield.

A vast ancient battlefield, like a huge island, suspended in the void.

The five jade seals with dazzling luminosity, exuding the aura of heaven, spin up and down in mid-air.

It is the seal of the five sermons!

At this moment, a stern figure in black was sitting side by side with a blood-stained sword on his knee.

It was Ye Guchen.

When the barrier pattern covered the sky over the Huangtian battlefield, Ye Guchen's closed eyes slowly opened.

"Is it finally here?"

Ye Guchen looked at the sky with deep eyes.

[Chapter 578: The lady in the blood-stained white dress smiles, and she never regrets her death for 9!](#)

All Tianjiao in the deserted battlefield knows that something has happened on the battlefield.

But they didn't know that this change was caused by Jun Xiaoyao.

At this moment, deep in the battlefield.

Long Xuhuang and others who were hunting Jiang Shengyi also noticed something was wrong.

"What's the matter with that banned power?"

"Could it be that the deserted battlefield has to be closed in advance?"

"Anyway, I won't talk about it before winning the fetus."

Long Xuhuang and the others launched such a big battle just to win the fairy fetus.

Any change cannot interrupt their plan.

"Damn, this lady is really stubborn!" The descendants of Crocodile Ancestor's face sank.

Jiang Shengyi's willpower is too strong, even if suppressed by the three of them, he still resists desperately.

All kinds of Jiang family's trump card magical powers are displayed, matched with three immortal spirits and innate womb.

They want to suppress it in a short time, which is really troublesome.

At this moment, Long Xuhuang seemed to have thought of something, and suddenly said: "Jiang Shengyi, I remember you seem to be Jun Xiaoyao's aunt, tusk, this relationship..."

"Shut up!"

When Jiang Shengyi heard the words, his mood suddenly fluctuated, and his breath was a little unstable.

Before, no matter what Long Xuhuang said, she would not care, Dao Xin was firm.

But when it came to this, Jiang Shengyi couldn't calm down.

Although this is not too taboo, she and Jun Xiaoyao have no blood relationship.

But if it spreads out, it will always be criticized.

"Hehe, Jun Xiaoyao's charm is really great, even his aunt can't resist..."

Upon seeing this, Long Xuhuang's eyes flashed brightly, and he continued to attack with foul language.

No matter how firm Jiang Shengyi's heart is, he is a woman after all.

She has endured too much.

"Really despicable."

In the distance, even if it was Yan Rumeng, Ji Qingyi and others, the eyebrows were frowned, and a look of disgust flashed in their beautiful eyes.

Such methods as Long Xuhuang were indeed despicable and unworthy of his status as a prince.

Jiang Shengyi was unstable, and was caught by Long Xuhuang and others.

"Dragon Phoenix's overturning seal!"

The Dragon Void Phoenix once again urged the ultimate move, a large seal of dragon and phoenix, manifested on the sky, entrained with the might of three immortal energy, and fell outright!

"Immortal Heavenly Phoenix Slash!"

Huang Jiuyan held the blade of the phoenix feather and cut it down with a single knife, and a crimson light of ten thousand feet, like the wings of a Divine Phoenix, cut down.

"Ferocious Desolation Technique!"

The descendants of the crocodile ancestors also forced their hands to get started.

boom! boom! boom!

The violent shock pierced people's eardrums.

"Sister Shengyi!"

In the distance, there was a cuckoo cry of blood, Jiang Luoli and others rushed here.

"A step late!"

Lord Grim and the others also came, their expressions condensed.

Of course, the little giants who attacked them, Gu Yan, the descendants of War Demon Cave, and the Prince of Tianyao God Chao also rushed here.

In the endless smoke, coughing up blood sounded.

As the smoke dissipated, Jiang Shengyi's figure appeared in everyone's eyes.

Her snow clothes were stained with blood, and her white jaw was also covered with blood.

The crystal body actually began to spread cracks, like a delicate porcelain, began to crack.

Having withstood the three powerful moves of Long Xuhuang and others, coupled with his instability, Jiang Shengyi suffered an unprecedented hit.

She coughed up blood again and vomited out broken organs.

Jiang Shengyi's heart pulse was directly shattered!

If it were not for the tenacious vitality of the saint, Jiang Shengyi was afraid that even his body would be annihilated!

At this moment, Jiang Shengyi's innate power was surging, as if he wanted to spur some kind of power.

Suddenly, a crystal-clear fairy fetus, pulled by the power of the innate Taoist fetus, escaped from the spatial magic weapon.

This immortal fetus is extremely clear, and it seems to contain a universe, with galaxies splendid, intertwined with the rules of immortality and immortal energy.

When this fairy fetus appeared, Long Xuhuang and the others had fiery eyes, and even their breathing became rapid.

Fairy tire!

At least it is the energy source left by the residual fairy. If it is refined, no matter how bad it is, you can cultivate two or three fairy qi!

This is very good for the ultimate ancient road in the future.

The congenital Dao fetus pulled the immortal fetus out for refining Jiang Shengyi.

If Jiang Shengyi refines the immortal fetus, not only can he fully recover his injuries, but he can also increase his cultivation base and kill Long Xuhuang and others.

"No...no...this fairy fetus is reserved for Xiaoyao..."

Jiang Shengyi continued to cough up blood, and the blood dripped on the fairy fetus, which was very sad and beautiful.

She wrapped her hand tightly around the fairy fetus, this was her gift to Jun Xiaoyao.

Seeing this scene, even those passers-by watching the play, their faces couldn't help showing movement.

"Sister Shengyi..." Tears appeared in Jiang Luoli's big eyes.

Now, she didn't want to be jealous, she didn't want to be jealous, only that Jiang Shengyi could survive this catastrophe.

"Kill, take the fairy fetus!"

The eyes of Long Xuhuang and others were red, and the three of them shot again to suppress Xiang Jiang Shengyi.

Jiang Luoli, Jiang Tianyan, Jun Moxiao, Jun Lingcang, Little Moxian and others all offered assistance.

In the end, he was stopped by small giants such as Gu Yan, the descendants of War Demon Cave, and Tianyao Shenchao's prince.

There are hundreds of small giants present, which is terrifying.

Many of them joined because they disliked Jun Xiaoyao.

After all, before Jun Xiaoyao, he casually tortured and killed the Seagod Third Prince, Xukong Jianzi and others.

They are all Tianjiao born in Ancient Star Territory.

Subconsciously, they all regard Jun Xiaoyao as the kind of person who stands above him and regards their ancient star domain Tianjiao as a pig and dog.

However, this is indeed the case.

Jun Xiaoyao indeed regarded them as pigs and dogs.

Puff!

The blood is falling!

Jiang Shengyi was not only stained with blood in his snow clothes, but also his white hair like frost and snow was stained with blood!

"Jiang Shengyi, why are you so stubborn? For the sake of this immortal baby, can you really not even have your life?!"

Huang Jiuyan shouted coldly, holding the supreme weapon, the Phoenix Feather blade, and slashing down at Jiang Shengyi who had no resistance!

Jiang Shengyi's body was cracked at this moment, and his body was about to collapse.

If Huang Jiuyan was cut with this knife, Jiang Shengyi would definitely be cut in half with his body and soul ~www.mtnovel.com~!

But the corner of Jiang Shengyi's mouth showed a **** smile.

"You can know that you are thinking of Jun Xi Jun, and you will not regret your death for the nines..."

Jiang Shengyi felt his vision blurred.

After being chased for so long, she really wanted to rest and sleep.

At this moment, a gentle voice, with a sigh, slowly sounded in Jiang Shengyi's ears.

"Sister Shengyi, why are you so stupid?"

"Have you heard... the auditory hallucination?" Jiang Shengyi's mind was dizzy.

She felt her tender body being taken into a warm embrace.

A sense of peace that has never been felt before, flowing in my heart, like a erratic flat boat, returning to the harbor.

"Sister Shengyi, it's okay, next, leave it to me..."

[Chapter 579: 3 bright circles, give life to me, 1 mind dark, sink the world...](#)

At this moment, the entire deserted battlefield was completely silent.

Time and space seem to freeze.

All the sounds seemed to disappear.

Everyone's eyes fell on the white figure that appeared.

He is like an immortal **** in white, straddling the void, coming here.

Huang Jiuyan slashed out with all his strength and was clamped by that figure with **** at will.

His other arm is surrounded by the blood-stained beauty in Xueyi.

A look of horror slowly appeared on the faces of all Tianjiao.

"Jun Xiaoyao!"

"It's the son of the Jun family!"

In all directions, countless shocking sounds rang out.

Everyone's expressions were shaking, and they took a breath!

"Jun Xiaoyao?"

Long Xuhuang and others were also shocked by mistakes, but they didn't expect Jun Xiaoyao to come out of the nineteenth floor of hell.

I didn't expect that he could rush to the deserted battlefield so quickly.

"Jun Xiaoyao, you..."

Huang Jiuyan also looked shocked.

The knife he cut out with all his strength was actually caught by Jun Xiaoyao with two fingers!

You know, that's a supreme device!

Blessing his own power, ordinary saints will be split in half!

Jun Xiaoyao blocked it with two fingers.

Then, Huang Jiuyan's expression suddenly solidified.

Because he saw Jun Xiaoyao's eyes.

As cold as ice!

Cold as the deep!

That indifferent killing intent seems to freeze thousands of miles of void!

"dead!"

The word Jun Xiaoyao fell, like a judgment from heaven!

The vast divine energy, along with the power of the origin of the universe, rushed out of Jun Xiaoyao's body.

boom!

A terrifying divine energy burst forth, and that supreme weapon-level phoenix feather blade was shattered inch by inch directly under Jun Xiaoyao's fingers!

Unabated, he hit Huang Jiuyan straight.

Huang Jiuyan's whole person was overwhelmed by the vast divine light.

"what!"

A screaming scream came out, Huang Jiuyan's body exploded, torn apart, and blood mist was flying all over the sky!

One move, Huang Jiuyan in seconds!

All the Tianjiao around, the expressions were a little dull, their souls trembled, and their scalp burst!

Huang Jiuyan, who had cultivated three immortal spirits, could not stop Jun Xiaoyao's move!

"Brother Xiaoyao!"

"Happy!"

"My Lord God!"

"Master!"

Jiang Luoli, Jun Moxiao, Jun Lingcang, Yan Qingying, Yi Yu and others all looked excited.

In the eyes of the enemy, Jun Xiaoyao is the **** of death coming to the world.

In their eyes, it is the savior of the world!

"Xiaoyao...you finally came, this...for you..."

Jiang Shengyi, who was held in his arms by Jun Xiaoyao, smiled at the corners of his **** mouth.

The person she was thinking of, finally came.

Jun Xiaoyao never disappoints.

She held the fairy fetus stained with her blood in her hands and pushed it to Jun Xiaoyao, with a contented smile on the blood-stained fairy face.

His body was about to collapse and suffered heavy injuries. Jiang Shengyi's first thought was to hand over the immortal baby to Jun Xiaoyao.

Rao is a person with indifferent feelings like Jun Xiaoyao, and his heart at this moment is also slightly touched.

"Sister Shengyi, wait for me to get rid of these chores first."

Jun Xiaoyao reached out and wiped the blood from Jiang Shengyi's face.

Jiang Shengyi nodded slightly. She was so injured that she finally couldn't help it anymore and passed out into a coma.

The black forehead concealed Jun Xiaoyao's eyes.

The woman in her arms turned white for him overnight.

In order to be able to hand over the immortal fetus to him and make him stronger, he was willing to be chased and killed, and refused to refine the immortal fetus.

Jun Xiaoyao felt that this affection was too heavy.

And all he can do is for Jiang Shengyi...

Blood washes the world!

The terrifying aura spread out from Jun Xiaoyao's body!

The coercion of the Sage's great consummation, powerfully covers the Quartet!

The sky is shaking, the stars are shaking!

Many Tianjiao, even just feeling this breath, feel suffocated, and their bodies are about to be crushed to the ground.

"The son of the king's family turned out to be a great sage!"

"This is too scary!"

In all directions, horror sounded one after another.

"Jun Xiaoyao, you..." Long Xu Huang's complexion also changed drastically, sensing that aura, which actually made his Dao heart unstable.

"No... I am an invincible Dragon Phoenix body, and I will not lose." Long Xu Huang gritted his teeth and muttered to himself.

The fierce power of the descendants of the crocodile ancestor at this moment was also suppressed by the vast power of Jun Xiaoyao.

He seemed to have gone from an ancient fierce to a small worm.

"How is this possible?" The descendants of Crocodile ancestors couldn't believe that Jun Xiaoyao's strength had reached such a terrifying state.

And at this moment, Huang Jiuyan, who had been beaten into blood mist, suddenly returned to form in a violent flame.

"It's the Phoenix Nirvana Skill!"

Some Tianjiao's eyes flashed.

Huang Jiuyan cultivates with the Phoenix Nirvana Rebirth Secret Art, which can be reborn in despair nine times.

This is a very enchanting method.

Jun Xiaoyao's move happened to help Huang Jiuyan to carry out his last Nirvana.

However, Huang Jiuyan, who was reborn from Nirvana in the flames, did not have the slightest joy on his face.

His face was as pale as paper, and there was still a look of fear in his eyes.

Just now, he was in Jun Xiaoyao's hands, like an ant, crushed and killed at will, without a trace of resistance.

That feeling is like facing the vastness of God!

Even if Huang Jiuyan has now Nirvana nine times, his bloodline has changed and his strength has skyrocketed.

But he felt that he was still an ant in front of Jun Xiaoyao!

"Jun Xiaoyao, with you alone, do you want to deal with all of us?" Long Xuhuang shouted coldly.

He wanted to pull all the small giant Tianjiao who intervened on his boat.

Jun Xiaoyao didn't say a word.

The entire deserted battlefield fell into a strange silence.

But this silence is even more suffocating!

Sweat appeared on the foreheads of Long Xuhuang and others, and it was obvious that they were extremely uneasy.

Finally, Jun Xiaoyao slowly raised a hand.

A terrifying power of destroying the world is surging.

Jun Xiaoyao didn't say a word of nonsense to Long Xuhuang and others.

Because at this point, all cruel words appear pale and weak!

Only blood and killing can quell Jun Xiaoyao's anger a little bit.

In Jun Xiaoyao's body, from the origin of the gods, the power of the universe originated violently!

At the same time, the power of sinful karma is surging.

Light and darkness, two powers, intertwined, merged and converged in Jun Xiaoyao's hands!

At this moment, Jun Xiaoyao seems to be the **** of creation and the **** of destruction!

God's Light and God's Punishment ~www.mtlnovel.com~ The two types of original avenue supernatural powers, fused in his hands, burst out unprecedented terrifying power!

"The Three Realms are bright, do my best to give birth, and the whole world sinks into darkness with one thought!"

Jun Xiaoyao embraces the unconscious Jiang Shengyi in one hand, and raises the other hand high, the power of the two types of source avenue supernatural powers are combined in his hand, bursting out the power of destruction!

Jun Xiaoyao covers the sky with only one hand and destroys everything!

boom!

An indescribable wave of annihilation, with Jun Xiaoyao as the origin, spread out!

It was like a hundred nuclear bombs exploded at the same time, and it was like thousands of stars exploded at the same time!

The surrounding land is sinking, and the thick cracks spread everywhere like a canyon!

Everyone can't escape this world-destroying fluctuation!

Jun Xiaoyao was angry, the world fell, and all spirits died!

[Chapter 580: The earth-shaking big move, kill 1 per second, the holy blood saves the beautiful woman](#)

This kind of destruction wave, like fate, cannot be escaped.

However, this power is controlled by Jun Xiaoyao.

Within this wave of destruction.

Whoever he wants to give birth to!

Whoever wants to die must die!

"Do not!"

Long Xuhuang and the others screamed loudly.

Their strength is urged to the extreme.

Long Xuhuang urged the blood of his own Ancestral Dragon and Divine Phoenix with all his strength to make a world-shaking move.

Huang Jiuyan also made a long roar, offering a great move.

The descendants of the crocodile ancestors have even manifested their body, transformed into a fierce crocodile with thickly armored scales, and they are also doing their best.

Not only them, but everyone who participated in this encirclement and suppression plan before, everyone is fighting hard to resist.

There are also those small giants in the Ancient Star Territory, such as Gu Yan, the descendant of the War Demon Cave, and the prince of the Tianyao God Dynasty.

But useless!

Jun Xiaoyao's full blow was so terrifying.

You know, Jun Xiaoyao has almost no time to fight with people.

Even dealing with Yufozi and the others, Jun Xiaoyao only used 40% of his power to kill him lightly.

But now, Jun Xiaoyao exploded in his extreme anger.

It also exhibited the magical powers of the original avenue that merged the two.

Who can stop this power?

Not to mention a saint, even if it is a saint king, facing Jun Xiaoyao's destructive move, his body will explode and the soul will burst!

The world-destroying fluctuations, like wild waves, swept the entire deserted battlefield!

Not only the Huangtian battlefield, but even outside the Huangtian battlefield, all the Tianjiao who paid attention to them also felt a terrifying force that made their scalp numb and trembling all over.

"Then... what kind of power is that?"

"Could it be that some ancient powerhouses have fallen asleep in the deserted battlefield?"

Some monks were surprised and thought that some ancient strong man had awakened.

As for Du Tuo Supreme, after sensing this power, he also took a deep breath, with deep shock hidden in his eyes.

"The prince's son, it's really a big deal." Du Tuo Zhizun had a headache.

When the Wild Heaven Battlefield is over, I don't know how many Tianjiao will be alive.

The approach of closing the door to kill the dog is terrific.

At this moment, in the deserted battlefield.

With one move, Jun Xiaoyao sank almost half of the deserted battlefield.

With this trick, Jun Xiaoyao directly penetrated the Hell Star.

This shows the power of this trick.

Whether it is Long Xuhuang, Huang Jiuyan, or descendants of Crocodile Ancestor.

Or Gu Yan, heirs of War Demon Cave, Tianyao Shenchao Prince and other small giants.

They can't stop this trick.

Their figures are shattered in the waves of destruction, no matter how they resist, there will be no way to survive.

"Jun Xiaoyao, if you kill me, don't you be afraid that the Ancestral Dragon Nest and Wanhuan Lingshan will start an immortal battle?" Long Xuhuang struggled and exclaimed.

As a dragon and phoenix body carefully cultivated by two major forces, if he falls, it will surely cause great waves.

"Don't worry, they are already waiting for you in Huangquan." Jun Xiaoyao said coldly.

"what?"

This remark made many Tianjiao frightened and couldn't help but twitch their eyelids.

What does Jun Xiaoyao mean?

"What do you mean?" Long Xuhuang shouted while struggling.

"The Immortal War is over long ago, and the Quartet Primordial Royal Family no longer exists..."

Jun Xiaoyao's words made the audience dead silent.

Many people looked dazed and looked unbelievable.

Of course, there are also a small number of Tianjiao who have vaguely received some news, but they are not sure.

It now appears that this is indeed the case.

"No, it's impossible, you are shaking my Dao Xin!" Long Xuhuang screamed, unable to believe it.

How could the four great ancient royal families be completely destroyed?

Huang Jiuyan, the descendants of the crocodile ancestors also couldn't believe it.

But it doesn't matter whether they believe it or not.

Jun Xiaoyao was too lazy to talk nonsense with them.

The power of the gods is urged to the extreme, and the fusion of the two types of original avenues is more powerful than Jun Xiaoyao's imagination.

In the end, when Jun Xiaoyao stopped.

The earth in a radius of thousands of miles was sunk.

Countless cracks spread like a canyon.

As for Long Xuhuang and others, they no longer exist, annihilated into ashes in this formula.

It's not just their three Taikoo royal family arrogances.

There are more than a hundred small giants, including Gu Yan, the descendant of the war demon cave, and the prince of Tianyao, who are also crushed and destroyed.

There are also nearly a thousand Ancient Star Territory Tianjiao who are not weak in strength, and there is no way to survive, all of them burst into blood mist, floating in the void.

A blood-red wind blew across the deserted battlefield.

That is the remaining blood, floating in the air.

At this moment, all the remaining Tianjiao felt that their backs were chilling, and their bodies seemed to be immersed in the bone-thin ice spring water.

They asked themselves, if Jun Xiaoyao's move was an indiscriminate attack, wouldn't they already be in Huangquan at this moment?

Thinking of this, all Tianjiao felt cold all over.

"Oh my god, one move, just one move, the three great ancient royal family Tianjiao, more than a hundred small giants, and nearly a thousand Tianjiao, all died."

"Those more than a hundred small giants, all saints, were killed by the king's **** son with a single move."

"Is this a record?"

The Tianjiao of Huangtian Immortal Realm's tone was trembling, and he couldn't believe what he saw before him.

The news that Jun Xiaoyao shook a hundred saints to death before did not circulate in Dilu.

But all Tianjiao witnessed this scene with their own eyes.

seeing is believing.

The scene that is vividly displayed in front of you is the most shocking.

Rao was as deep as Ji Qingyi, and took a deep breath.

She has taken Jun Xiaoyao very high.

As a result, Jun Xiaoyao's improvement in strength even exceeded her expectations.

Now Ji Qingyi was thankful that she was cautious, but fortunately she didn't attack Jiang Shengyi.

She believes that if she really made a move, she is now afraid that it will be too bad.

Jun Xiaoyao would not show mercy to her men just because she is a beautiful woman.

"Now, do you still have to question?" Ji Qingyi said in a light tone to Chen Fei on the side.

Chen Fei stopped talking, her face was also pale.

To be honest, she was also stunned by Jun Xiaoyao's harsh methods.

Killing thousands of Tianjiao with one move, including more than a hundred sage-level titans, what strength is this?

And when Jun Xiaoyao had just arrived, the momentum made her feel that she was even more sacred than her master.

However, Chen Fei bit her lip immediately.

She believed that if his master did his best, he would not be weaker than Jun Xiaoyao.

After Jun Xiaoyao killed a group of enemies with one move, he focused all of his attention on Jiang Shengyi.

Jiang Shengyi was seriously injured, UU reading www.uukanshu.com's body was cracked, and his crystal body was full of cracks.

The heart vein was shattered even more.

This kind of injury is uncomfortable when it falls on a man, let alone Jiang Shengyi is a woman.

Although Jiang Shengyi has a congenital Dao fetus, the strengths of the congenital Dao fetus lie in enlightenment, supernatural powers, mana and other aspects.

For the physical body, there is no particularly big blessing.

Therefore, Jiang Shengyi's physical injuries were very serious.

Jun Xiaoyao took out a lot of supreme sacred pills and treasures.

Even the rare elixir had taken out more than one strain and refined it into Jiang Shengyi's body.

But Jiang Shengyi's situation is still not optimistic.

Jun Xiaoyao frowned slightly, then without hesitation, pointing to a sword, he cut his wrist.

Drops of golden holy blood dripped into Jiang Shengyi's cherry lips.
