

## SCORING THE SACRED BODY OF THE ANCIENTS FROM THE GET-GO

Chapter 7: I am the emperor of heaven, and I will kill the enemy in the world!

"Want to follow me?" Jun Xiaoyao was slightly surprised.

Jun Linglong's thoughts, he really didn't guess.

Becoming a follower is very common.

The ten major sequences of the Jun family, behind each sequence, there are a group of extraordinary followers.

or Tianjiao disciples from within the Jun family, or recruiting tame talents from outside.

In short, every person of the world will cultivate followers and become an important force in the future.

Even his father, Jun Wugui, had a group of followers, who were called by the world to be the king of the gods and the eight tribes, each of whom can take his own role and be called a hero.

Jun Xiaoyao didn't think about it, but he was only three years old now, and he didn't rush to attract followers at all, so he didn't care about it.

"Why?" Jun Xiaoyao was curious.

just because he broke the eternal realm?

"A kind of intuition." Jun Linglong said deeply with beautiful eyes.

She is inconvenient to talk about the future, because she is likely to suffer some kind of huge cause and effect.

Jun Linglong can't bear the consequences.

"Intuition?" Jun Xiaoyao was speechless.

He also noticed that Jun Linglong probably knew something, but didn't say it clearly.

But he has occasionally heard about Jun Linglong.

Born with seven orifices and exquisite heart, he is agile and smart, and he is one step ahead of anyone to comprehend any martial arts.

If it does not fall, it is destined to be holy in the future.

This kind of heavenly arrogant girl, wherever it is placed, is the existence of the stars holding the moon, but it is also qualified to follow Jun Xiaoyao.

"Now Grandpa takes care of my daily life every day. In addition to preaching to me, he is nagging me to grow up and open branches and leaves to the Jun family..." Jun Xiaoyao felt helpless.

Although he is only three years old on the outside, he has already matured in his heart. Facing a bad old man all the time, even his grandfather will be very boring.

"It's not bad for Jun Linglong to be a maid and take care of her daily life." Jun Xiaoyao thought.

He didn't want to train Jun Linglong in the past, but if he was a maid, it would be acceptable.

If you let outsiders know Jun Xiaoyao's thoughts, you must even have the heart to kill him.

actually want to let the stars hold the moon, the arrogant girl of heaven who has been watched by thousands of people, as a maid?

You have to know that even if the Tianjiao sequence like Jun Zhuangjian, he just wants to win Jun Linglong into a fellow practitioner.

Just when Jun Xiaoyao was about to speak, a female voice came.

"Jun Linglong, did you take the initiative to follow others?"

Lan Qingya was the one who asked.

She didn't dare to offend Jun Xiaoyao, so she could only point her words at Jun Linglong.

"What's wrong?" Jun Linglong said calmly.

Facing Jun Xiaoyao, she will be nervous and nervous, but she is not restrained to Lan Qingya.

"The Sword Master once spoke in person and wanted to recruit you, but you refused. Now you are actively following others. Where do you put the Sword Master's face?" Lan Qingya said with an ugly face.

Jun Linglong's move, isn't it just smashing Jun Zhanjian's face naked?

"Jun Zhanjian is very good, but I, Jun Linglong, chasing after others, will suppress the existence of an era!" Jun Linglong's tone was full of enthusiasm.

"Heh... suppress an era? Do you mean him?" Lan Qingya said subconsciously, without a word.

"Huh, where is the ignorant thing!"

Jun Xiaoyao didn't say anything yet, Jun Zhantian raised his eyebrows and his sleeves!

puff!

Lan Qingya's delicate body was knocked into the air and fell to the ground, bleeding from the corners of her mouth.

This is Jun Zhantian's self-confidence, too lazy to kill Lan Qingya.

"If I have a chance in the future, I would like to have a discussion with the swordsman clan brother. As for you, let's go..." Jun Xiaoyao said flatly.

He didn't bother to take action on such a small role.

Lan Qingya's face was pale, she looked at Jun Linglong, with a hint of unwillingness in her eyes, turned around and left.

Jun Linglong didn't care, but stared at Jun Xiaoyao steadily. There was a pitiful color in his beautiful eyes.

Change to any other male, I am afraid I can't wait to agree.

Jun Xiaoyao pondered for a while and asked: "Will you serve tea and pour water?"

Everyone was shocked when he said this.

Jun Linglong was also stunned, but she nodded subconsciously.

Although she has never done this kind of work, it doesn't mean she can't do it.

"Do you know how to wash and stack quilts?" Jun Xiaoyao asked again.

Jun Linglong still nodded blankly.

"Okay, then I agree." Jun Xiaoyao said simply.

At this time, Jun Linglong and the people around them all reacted.

Ganqingjun Xiaoyao is not choosing followers, but a maid.

For a while, all male Tianjiao present showed envy and jealousy.

Let Jun Linglong be a maid, not everyone can do it.

Jun Linglong herself was in a daze for a moment, is she really a maid?

But when he thinks of that corner of the future, Jun Linglong's beautiful eyes reveal a firm color.

She lightly opened her lips and asked, "Sir Godzi has asked so much, can Linglong also ask a question?"

"What's the problem?" Jun Xiaoyao said.

"If the son of God becomes the emperor of heaven in the future, what should he do?" After Jun Linglong asked, her eyes settled, staring at Jun Xiaoyao.

Jun Xiaoyao was stunned, then smiled and shook his head: "It's very simple..."

"I am the Emperor of Heaven, I will kill all enemies in the world as a town!"

Jun Xiaoyao said nothing.

Suddenly, the thunder in the sky exploded, and the sky was shaking!

The words come out of the way, and the world is changing!

Everyone showed a look of horror. UU read [www.uukanshu.com](http://www.uukanshu.com) and they had never seen anything like this.

Jun Zhantian also took a deep breath, his eyes were extremely complicated.

"No regrets, your child, as expected, is like you back then, full of pride..."

Jun Zhantian knew that this sentence, representing a big cause and effect, fell on Jun Xiaoyao.

Just when Jun Xiaoyao said this.

A life restricted zone in Xianyu, an extremely ancient hoarse voice came out.

"The generation of the Jun family has great ambitions, haha..."

In addition, an ancient spirit mountain where the divine phoenix is flying and the true phoenix is circling, there is a sound of cold ironic laughter.

"Kill all the enemies in the world, huh... Have the descendants of Jun Wuhui be so arrogant?"

In an ancient nest where dragon veins converge, there are also indifferent words.

"The road to the emperor in this world will appear, and the descendants of our clan Long Aotian and others will let the Jun family and other desolate ancient families understand what is meant by Tianjiao's bloody, desolate eyes!"

Jun Xiaoyao probably did not expect that a word he said casually would cause such a shock.

When he recovered, he found that Jun Linglong's eyes were extremely bright, staring at him closely.

"What's wrong?" Jun Xiaoyao touched his face.

"Linglong is willing to follow Master Shenzi!" Jun Linglong made up his mind completely, without wavering.

From that sentence, Jun Linglong understood a lot.

Jun Xiaoyao nodded, this time the harvest was complete.

Signed in and gained the Idol's Prison Power, broke the eternal realm, received the reward of the heavens, and the chaos \*\*\*\* grinds the idea.

is the three undead medicines rewarded by the eighteen ancestors.

finally recruited a blonde girl as a maid, which can be said to be a fulfillment of merit.
