

Sacred Body 781

Chapter 781 Xuan Yue's terror means, the woman who dares to move my gentleman, you are looking for death!

Many people have guessed what the role of the head of the thirteen murderous thieves is.

Now, she finally showed up, beyond everyone's expectations.

Not only because the rumored Zhu Xian Pirate is a young girl.

Because of her strength, she was so powerful that it was trembling.

"I heard before that the thirteen thieves collected various talented physiques and precious blood. Now it seems that they have all been refined by the immortal thieves?"

"It should be so. Although that breath is powerful, it's also a bit complicated."

"How is this possible, how can someone refine so much physique and precious blood?"

Zhuxian Pirate Xuan Yue's cultivation path made many Tianjiao present feel terrified.

This is simply a road of killing and exploitation.

If Xuan Yue wants to make progress, she must kill more people and gain more blood physique.

"It's no wonder that she will take action against the Jiang family goddess. The congenital Taoist is one of the top physiques."

Tianjiao at the scene also had some understanding, why Zhu Xian Pirate would look at Jiang Shengyi.

Jiang Shengyi was a big piece of fat to Xuan Yue.

"If the immortal thief succeeds in swallowing the congenital Dao fetus, and then obtains the sacred body essence and blood, then..." Many people also thought of this.

If it really succeeds, then Xuan Yue will obviously become the most talented existence of this era!

"It's you who caught sight of Xiaoyao?"

Jiang Shengyi endured the pain behind his back, his beautiful eyes were as cold as snow, and he looked at the slender figure isolated in the sky.

Xuan Yue's green silk and ink flowed away, only a black silk skirt wrapped her slender body.

The bright white arms and thin legs are wrapped in bandages, giving people a sickly beauty.

"You and Jun Xiaoyao must die..."

Xuan Yue said indifferently in her cold voice.

"presumptuous!"

Jiang Shengyi yelled softly, gathering mana, and the power of the innate Taoist fetus urged to the extreme.

Around her, countless avenue chains emerged, and the hole shot into the sky, to block the space in that side.

Xuan Yue also moved, and the Death God's sickle in her hand exuded the breath of a quasi-emperor soldier.

The death sickle swept across the room, the chains of the roads were cut off, and the sound of the road roared.

"The boss is here, there is no suspense in the result today." Pojun thief sneered.

Even without Xuan Yue, Jiang Shengyi was at an absolute disadvantage.

Now Xuan Yue appeared in person to seize Jiang Shengyi's congenital Dao fetus, and the result was needless to say.

Next, the greedy wolf thief, the broken army thief, the **** silkworm princess, and the demon Yuekong made their moves again.

Plus a terrifying and mysterious Zhu Xian Pirate Xuan Yue.

Jiang Shengyi was instantly suppressed to the extreme.

It is difficult to resist even barely.

Among them, Princess Shencan and Xuanyue had amazing methods, and Jiang Shengyi, who was already hit hard, was hurt even more.

"Sheng Yi..."

In Jiang Shengyi's mind, Yu Qing Ning's voice came.

Looking at Jiang Shengyi, who was covered in bruises and his snow-clothed red, Yu Qingning was in pain.

"Master, this is Shengyi's own choice, and I don't regret it."

Even if he was besieged and was on the brink of desperation, Jiang Shengyi comforted Yu Qingning in his heart.

She also knew that because of the suppression of the Emperor Burial Star rules, Yu Qingning could hardly help her.

boom!

With another blow, Jiang Shengyi flew upside down like a butterfly with broken wings.

Her body was full of scars.

"Tsk tsk, who would have thought that the goddess of the Jiang family, who is well-known for the ancient way, would be so embarrassed now." Yao Yuekong showed a wicked smile.

For some reason, looking at Jiang Shengyi, who was covered in wounds, Yao Yuekong felt a sickly pleasure in her heart.

That kind of mentality is like, since you can't get something beautiful, then destroy her!

Why is such a beautiful woman in love with Jun Xiaoyao?

He is Xiaoyao, why is he admired and admired by so many outstanding women?

Yao Yuekong had to admit that he was jealous of Jun Xiaoyao.

On the other side, Princess Shencan was indifferent.

In fact, she wanted to watch Jiang Shengyi fall with her own eyes.

After all, she could not tolerate that there were women who were better than herself.

As for Xuan Yue, no one knows her expression because of the grimace mask on her face.

"Hammer Order, Death is crossing the border!"

Xuan Yue's figure flashed, and the sickle of death in his hand swept out, and the dark sickle tore through the sky, like plowing through the cracks in the abyss, opening the entrance to hell!

Under such a forceful attack, Jiang Shengyi finally couldn't hold on anymore, and his body flew out, completely defeated.

Is it because she is weak?

totally not.

Such a situation would be difficult to face with any supreme taboo Tianjiao, and there would be a life-and-death crisis.

After all, Zhu Xian Pirate Xuan Yue alone was enough to deal with the supreme taboo.

"dead!"

In an instant, Xuan Yue's figure flashed and appeared in front of Jiang Shengyi like a teleport.

Then, she poked out a lotus arm that was pale as snow.

Puff!

The jade hand pierced Jiang Shengyi's chest!

In this scene, all Tianjiao who watched lost their voices, their hairs stiff, and their backs got cold!
cough.....

Jiang Shengyi coughed up blood, and the blood dyed his snow clothes into red, which was extremely sad and beautiful.

She stared straight at the girl who was close at hand.

Under the grimace mask, the girl's eyes were cold like a piece of ice.

It is hard to imagine what the girl has gone through to become so cold-blooded.

The dark chain of order gods spread out from Xuan Yue's body, piercing Jiang Shengyi's body.

Then, Jiang Shengyi immediately felt that his own innate power was being absorbed by the dark **** chain.

It's like a vampire, absorbing Jiang Shengyi's innate power!

This weird scene made the whole audience silent.

All Tianjiao felt it, and a chill surged from his back.

This method, in the Nine Heavens Immortal Realm, is definitely the magic way in the magic way!

"How is such a cruel method different from that alien creature?" You Tianjiao said in deep jealousy.

Even the Princess Divine Silkworm and Yao Yuekong had some physical discomfort seeing this scene.

Only greedy wolf thief and broken army thief, their expressions were as usual, even with a hint of excitement.

When Xuan Yue completely absorbed the power of the innate Taoist womb.

So, even Jun Xiaoyao, who is rumored to have swept invincible ~www.mtlnovel.com~, will not be her opponent.

The thief and others have this confidence.

"Could it be... can this be the only thing?" Jiang Shengyi felt his consciousness gradually blurred.

She has worked hard enough to experience all the way from the ultimate ancient road, relying on herself.

In order not to hinder Jun Xiaoyao in the future, and to become his right-hand man.

Now it seems impossible.

But Jiang Shengyi did not regret his decision.

Even if she does it again, she will still stubbornly walk out of Yaochi, this is her heart and obsession.

"Sheng Yi..."

In Jiang Shengyi's mind, Yu Qingning's sigh sounded.

Sure enough, there was a situation that she least wanted to see.

"Shengyi, how can you fall here as a teacher?" Yu Qingning felt a touch of determination in her heart.

She had been mentally prepared before, if Jiang Shengyi was truly in desperate situation, she would help Jiang Shengyi out of danger even if her soul was lost.

Just when Yu Qingning was about to mobilize the power of her own remnant soul.

Rumble!

Between heaven and earth, a roar suddenly broke out, and the sky began to collapse!

A huge crack appeared in the void, like an incomparably terrifying force coming from the void!

In an instant, above Jiang Shengyi and Xuan Yue, the sky was split into two halves by invisible power!

The abyss of space traverses the sky for 100,000 miles!

An extremely transcendent figure straddled out, as if a **** is coming, like the lower realm of a **** king!

A hand of law was pressed down, like the overturning of the sky, and the terrifying power overwhelmed the audience, like the wrath of the gods and the palm of the people!

"The woman who dares to move my Jun Xiaoyao, you are looking for death!"

Chapter 782 has been several years apart, such as the similar faces in the memory of Xuan Yue

The cold drink resounded across the sky.

The hand of the horrible law, like a world crushed, the void below is directly crushed, revealing the turbulence of the pitch black space.

Upon seeing this scene, Xuan Yue's cold eyes under the grimace mask also flashed slightly, and her figure hurried back.

boom!

The void on that side was directly shattered, and the scene was terrifying!

Furious ripples of mana burst out!

The greedy wolf thief, the broken army thief, the demon Yuekong and others were all affected, and their chests became stuffy, spit out a mouthful of blood, and their faces showed extremely horrified expressions!

It's just the aftermath of the move, and it shook them out of blood?

This is ridiculous!

Princess Shencan and Xuan Yue are also regressing.

"This volatility, is it... he is here?"

Princess Shencan's face also changed suddenly, slightly unnatural.

This fluctuation is far beyond her imagination!

The sudden scene made everyone's mind seem to pause.

In the next moment, they saw the figure in white clothes stepping out of a crack in the sky.

Amidst the fairy lights, that long jade figure seemed to be a real fairy.

In the glow, that handsome and flawless face was icy.

Especially seeing that snow clothes dyed red, the whole body was hurt.

An astonishing killing intent changed the color of the sky, and the temperature between the sky and the earth dropped sharply.

Some weak-willed people even almost fell to their knees.

That breath, that killing intent, is so strong that the void is boiling!

Jun Xiaoyao!

Many Tianjiao spit out the name of the famous ancient road at the same time.

There is no need to repeat his legend.

Obviously he was only a young man in his twenties.

But it feels like it has become a taboo that has been left in ancient history!

At this moment, his arrival changed the situation abruptly.

No one dares to ignore the energy of Jun Xiaoyao!

"Sister Shengyi."

Jun Xiaoyao slid forward and flew to Jiang Shengyi's side, with an arm around his slender waist, supporting his shaky body.

At this moment Jiang Shengyi, Xueyi was dyed red, in addition to various wounds on his body, there were also wounds that pierced through.

It was Xuan Yue, who absorbed the power of her innate womb through the black order **** chain.

But fortunately, Jun Xiaoyao arrived in time, and Jiang Shengyi didn't hurt the root.

But even so, Jiang Shengyi at this moment is also very beautiful, like a withered flower.

Seeing that handsome face after a long absence, Jiang Shengyi's fairy face showed a **** smile.

She raised her weak jade arm, and stroked Jun Xiaoyao's eyebrows and side face with her bare hands.

It's as if you want to trace the outline of the person you want with one stroke.

Obviously, it was only a few years apart, but it felt as if they had been separated for three lives.

This may be the so-called missing in one day, such as every three autumns.

"Sister Shengyi, sorry." Jun Xiaoyao said in a low tone.

He originally thought that Jiang Shengyi was accepting West Queen Mother's inheritance with peace of mind, and there shouldn't be any major problems.

Who would have thought that as soon as he came here, he would see Jiang Shengyi's miserable appearance.

Jun Xiaoyao is not easy to get angry.

But at this moment, he was really angry.

"No... Xiaoyao, it's me who should say I'm sorry, and you want to save me again." Jiang Shengyi showed a pale smile.

It was the same last time, she fought hard to save the fairy fetus to Jun Xiaoyao.

In the end, Jun Xiaoyao saved the field and killed everything.

From that time on, Jiang Shengyi silently vowed in his heart that he would work hard to cultivate.

Not to mention being able to stand shoulder to shoulder with Jun Xiaoyao, at least he must be qualified to stand beside him and not drag him down.

Therefore, she set foot on the ancient road alone, enduring the torment of longing alone, and did not go to Jun Xiaoyao.

The separation is for a longer time.

But now, it is still Jun Xiaoyao to rescue her.

Jiang Shengyi felt very guilty.

Looking at the woman in front of him who was badly injured but still feels guilty, the pity in Jun Xiaoyao's heart finally turned into a sigh.

Jiang Shengyi is like that.

No matter how much harm he suffers, he will endure it silently.

But for those who care, everything can be given.

This is true for Jun Xiaoyao, and the same is true for Jiang Luoli.

"Sister Shengyi, you are too stupid, in fact, you don't have to be like that."

Jun Xiaoyao really didn't want to see Jiang Shengyi sacrifice himself so much just to keep up with his footsteps.

This is not necessary.

"No, this is my choice. From the moment you leave without saying goodbye and embark on the ultimate ancient road alone, I swear that I must follow you."

Jiang Shengyi's beautiful eyes showed infinite nostalgia.

She was actually very scared.

Fearing that the Great Tribulation will come to the world someday in the future, Jun Xiaoyao can only face everything alone, no one can stand by his side.

That feeling is too lonely.

Although the strong are always alone, Jiang Shengyi never wants to. In the future, he can only watch Jun Xiaoyao arbitrarily forever.

And after seeing the poignant story of Emperor Wu Endlessly and Queen Mother of the West, Jiang Shengyi strengthened his mind.

She wants to be with Jun Xiaoyao for a long time!

Seeing the affection flowing silently in her eyes, Jun Xiaoyao was silent.

Jiang Shengyi cultivated so hard, not to prove the Tao, not to become an emperor, but to be by his side.

"Sister Shengyi, please take care of it first, let me get rid of this group of ants first."

Jun Xiaoyao forced some of the Holy Body Essence and Blood out of his body and directly merged into Jiang Shengyi's injured body.

Then he took out some holy medicine for healing.

After that, Jun Xiaoyao turned around and faced Princess Shencan and others.

Jiang Shengyi looked at Jun Xiaoyao's profile and was stunned for a while.

"He said, I am his woman..."

Thinking of the words Jun Xiaoyao said when he appeared, Jiang Shengyi couldn't hold back a shy and happy smile. UU reading www.uukanshu.com

Although, that may be what Jun Xiaoyao said subconsciously.

But it was enough to make Jiang Shengyi's heart sweet for a long time.

"Is he Jun Xiaoyao?"

Yu Qingning also finally saw the man whom her apprentice was thinking of.

To be honest, seeing is better than hearing, this temperament is extraordinary.

As the former head teacher of Yaochi, Yu Qingning was a little surprised.

In her time, even the most outstanding peerless Tianjiao could not compare to one percent of the figure in front of her.

But just don't know what his true strength is?

When facing Jiang Shengyi, Jun Xiaoyao's face was soft.

But after turning to the Shencan princess and the others, there was only a piece of coldness without temperature on that peerless beauty.

"It seems that the slaughter made by this **** child on the ultimate ancient road is not enough to shock you young Xiaoxiao."

The ultimate killing intent came out, and the air seemed to be freezing wherever he went.

The faces of the Princess Shen Silkworm and others are not pretty.

As for Zhu Xian Pirate Xuan Yue.

As soon as Cong Jun Xiaoyao appeared, she was in a state of loss of consciousness.

"No...no, impossible...absolutely impossible..."

Xuan Yue mumbled with a voice that only she could hear, her cold eyes under the grimace mask looked chaotic and unbelievable.

That person, that face.

Why is it similar to the person she killed by herself?

In a daze, she seemed to see that figure.

That Tao has protected her since she was a child.

She thought that her heart had been dead since she killed that person with her own hands.

But now, it throbbed silently.

"brother....."

Still looking for "Opening Sign to the Ancient Eucharist" free novel?

Baidu direct search: ""It's easy to read novels!

Chapter 783

The face of Jun Xiaoyao in front of him was a bit similar to the brother Xuan Yue remembered.

Of course, they are only somewhat similar, not exactly the same.

After all, as handsome as Jun Xiaoyao, he couldn't find one in nine days and ten places.

But even if it was only a little similar, it was enough to make Xuan Yue fall into a loss of consciousness, as if she had been hit by thunder.

Insert an app: Perfectly reproduce the old version of the book-chasing artifact that can be replaced with the source app-Mimi Read.

She had no idea that the person she was determined to kill was somewhat similar to the brother she killed by herself.

Buried in her heart, the memories that she didn't want to remember flooded out.

But here, Jun Xiaoyao didn't have any nonsense, he shot directly.

For this group of people who forced Jiang Shengyi to kill, Jun Xiaoyao didn't have any nonsense to say.

Feel free to poke his palms out, the mana of the Great Sage level rushed out, the void set off ripples, and all kinds of dao glowed.

Cultivating to the level of Jun Xiaoyao, you don't need to deliberately display any supernatural powers, and every gesture is comparable to supernatural powers, destroying the world.

Jun Xiaoyao first explored Xuanyue's palm and left.

Not only because Xuan Yue hurt Jiang Shengyi the most.

More because she has many secrets.

For example, she and the Thirteen Thieves both came from a force called the Bi An organization.

The other side organization is a force under the command of a foreign emperor.

In addition, the girl is wearing the familiar grimace mask.

There is also a scarlet flower on the collarbone.

Jun Xiaoyao felt that he should be able to detect some secrets from this girl.

In addition, there is the most important point.

That is, this girl is one of the Seven Emperors.

Based on this alone, Jun Xiaoyao has no reason not to suppress and kill her.

However, in the face of Jun Xiaoyao's shot, Xuan Yue was still in a daze, as if she had fallen into some kind of nightmare memory.

"Well, this woman...?"

Xuan Yue's indifferent performance caused Jun Xiaoyao's brows to frown slightly.

What is this Zhu Xian thief selling?

As one of the seven imperial emperors, she should be willing to take action against herself.

"Boss Xuanyue!"

Seeing Xuan Yue stand still on the spot, the expressions of the wolf thief and the army thief changed.

They flashed out, blocking Xuan Yue's body.

"The praying man's arm is a car.

Jun Xiaoyao let out a cold snort, his palm wrapped around the sacred body qi and blood and the celestial light, crushing out like a god's hand.

puff!

The two thieves retreated at the same time. Among them, the broken army thief with a slightly weaker base was actually under this palm, and his body broke directly.

Even the primordial spirit couldn't escape and was crushed into nothingness!

There are no moves or magical powers.

It's just a simple palm!

Broken army thief fell, greedy wolf thief was hit hard!

hiss.....

In all directions, there were countless sounds of cold breath.

Greedy wolf thief and broken army thief, although not reaching the supreme taboo Tianjiao level.

But not much weaker.

But now, in the hands of Jun Xiaoyao, it is impossible to get out of a round!

Seeing this scene, the princess Shen silkworm felt a deep anxiety in her heart.

She seems to have misjudged Jun Xiaoyao's strength!

Rao was the Demon Yuekong who had a bit of contempt for Jun Xiaoyao at the beginning, and at this moment he was completely muted.

He actually feels that he and Princess Shencan are really like what Jiang Shengyi said before.

The frog at the bottom of the well does not know how wide the sea is!

Some of the blood splashed by the broken army thief's body fell on Xuan Yue's body.

She just came back to her senses.

However, in an instant, the army breaking thief fell, and the wolf thief suffered heavy losses.

But in Xuan Yue's cold eyes, there was not a trace of fluctuation.

If you die, you die.

Xuan Yue had no feelings for these subordinates.

Or in other words, since she killed her brother herself, she no longer has any human feelings.

But now, after seeing that handsome face that is somewhat familiar.

Xuan Yue's deadly heart seemed to be beating.

"Boss Xuanyue!"

The greedy wolf thief shouted, completely wondering why his boss didn't move.

Isn't she one of the Seven Emperors of Nijun? It stands to reason that she should have a killing heart for Jun Xiaoyao.

But at the moment, it is impossible for Jun Xiaoyao to give them extra time.

"In front of my son, do you still want to play mystery?"

Jun Xiaoyao's lips curled up with a cold smile.

For some reason, he looked at Jun Xiaoyao with cold eyes.

Suddenly Xuan Yue felt that her heart was stinging.

It was as if the closest person had turned against each other.

"Why, he is clearly the target I should kill..." Xuan Yue's bandaged jade hand, tightly holding the death sickle.

Her previous plan was to fuse the Seal of Enlightenment Dao Emperor to obtain the congenital Dao fetus, then kill Jun Xiaoyao, and then fuse the ancient Eucharist.

After achieving the highest physique, he will be crowned with the heavenly crown.

Finally returned to the foreign land, embarked on reincarnation, to the other side.

But now, after seeing Jun Xiaoyao, Xuanyue's ruthless heart was messed up for the first time.

She was suddenly a little confused.

But right now, Jun Xiaoyao would not give her a chance to think.

Jun Xiaoyao once again fisted to kill him, the light of his fist illuminates the sky like lightning.

Kunpeng immeasurable divine fist cast out, the huge Kunpeng phantom filled the sky, a flick, splashing ten thousand runes and ripples.

"on!"

Yao Yuekong and Princess Shencan also knew that the situation was a bit uncomfortable.

If there are still reservations at this time, then it is really going to die.

Behind the head of Princess Shensi, the nine **** rings flashed with immortal brilliance, and the nine-colored glow rushed out, and the overwhelming talisman culture burst out of the nine-colored silk thread, as if to seal the heavens and the earth.

Demon Yuekong also displayed his own knack for pressing the bottom of the box, and displayed the demon emperor celestial scripture in the ancient temple of the sky demon.

An illusory demon emperor's law emerged, and the demon energy surged into the nine heavens.

The badly wounded wolf thief also spared no effort to make a move.

Xuan Yue, who had not moved, finally moved.

The death sickle waved out.

However, compared with the previous shots against Jiang Shengyi, the power of Xuanyue's shots at this moment was significantly reduced. UU reading www.uukanshu.com

The four young powerhouses collided with Jun Xiaoyao's one-man moves.

All eyes were fixed on the battle.

Although Jiang Shengyi was strong before, he didn't have much resistance against these people joining forces.

Now it is Jun Xiaoyao, what will happen?

boom!

There was a deafening sound and a roar.

Mana set off a monstrous wave, washed out.

The fluctuations alone were enough to shake Quasi-Sage to vomit blood!

Under such a collision.

The result is!

The body of the greedy wolf thief burst into pieces, unable to withstand the pressure, and the primordial spirit was split and completely fallen.

Demon Yuekong also coughed up blood, completely losing the youthful taboo of the ancient temple of the sky demon.

As for Princess Divine Silkworm and Xuanyue, they are the highest cultivation level among these people.

But Qi Qi was also shaken back.

Princess Divine Silkworm was even more churning with blood in her chest, a mouthful of blood poured into her throat, and she swallowed it.

On the other hand, Jun Xiaoyao, in white clothes, moves and looks peerless.

Strong, still strong!

Invincible, still invincible!

"If you do something wrong, you always have to pay a price, don't you?"

Jun Xiaoyao's cold voice resounded through the sky and the ground.

He slowly reached out a palm and grabbed it towards the void.

A mysterious rune brand appeared.

Jun Xiaoyao folded his five fingers together and pinched the rune brand.

In an instant, the rune was branded into a battle axe, which was held by Jun Xiaoyao.

A terrifying imperial prestige emerged, almost as if it could split the eternal prey!

That breath made the audience shudder, and many arrogances shivered under this imperial might!

It is the ancient axe made by the brand of Emperor Soldier!

Still looking for "Opening Sign to the Ancient Eucharist" free novel?

Baidu direct search: ""It's easy to read novels!

Chapter 784 smash the universe with one axe, would rather provoke the sky than provoke me! (Three shifts)

At this moment, Jun Xiaoyao, holding a chaotic ancient axe in his hand.

It's almost like the prehistoric **** who pioneered the world in myths and legends.

That breath seems to crush the heavens!

Emperor Wei shakes the clouds!

Even the entire Emperor Burial Star seemed to tremble slightly.

Obscure chains of order emerge to prevent unreasonable forces from appearing.

The entire Burial Emperor Star was originally a place of chance that the ancestors left for future generations to pass on.

Naturally, too much power will not be allowed to appear.

This is why it is difficult for Yu Qingning to shoot.

But now, Jun Xiaoyao's hand holding the chaotic ancient axe brand, has vaguely caused the rule of Burying Emperor Star to be suppressed!

This shows how strong Jun Xiaoyao's breath at this moment is!

The world is afraid!

"That...that is... the Emperor Luangu's imperial army, Luangu Axe!"

"Could it be that the son of the Jun family got the inheritance of the Great Emperor Luangu?"

All the Bafang Tianjiao were stunned and took a breath.

Not everyone knew that Jun Xiaoyao was inherited by the Great Emperor Luangu.

At this moment, the emergence of imperial soldiers naturally shocked the audience.

"No, it's not right. Although there is the might of the emperor's soldiers, it is not the essence."

"That is, a brand!"

Soon, some Tianjiao also reacted.

In Burying Emperor Star, if the real Emperor Soldier is mobilized, it will definitely attract rule suppression.

In addition, even if ordinary people get the imperial soldiers, it is difficult to mobilize them.

Even Jun Xiaoyao at the current stage could not exert the true power of the emperor's soldiers.

"Although it's just a brand, it's scary enough." You Tianjiao's eyes trembled.

The imperial soldier's brand can borrow part of the power of the imperial soldier.

Although not many, it is definitely a big killer for the cultivators in the ninth rank of the master.

And don't forget, now this emperor soldier's brand was sacrificed by Jun Xiaoyao.

With Jun Xiaoyao's terrifying strength, he can fully display the power of the emperor's brand.

This is the most frightening place!

Feeling the terrifying emperor's might, Yao Yuekong's face completely turned pale, completely losing her blood.

Jun Xiaoyao, who is already invincible, is branded with God's army of chaos and ancient axes.

This Nima, hell-level boss!

Looking at the entire young generation of Nine Heavens Immortal Domain, who can calmly face the Jun Xiaoyao in front of him?

Even if there are two supreme taboo Tianjiaos, Princess Shencan and Xuanyue, it is not enough to see!

"This axe makes you understand that you would rather provoke heaven than provoke me!"

When Jun Xiaoyao's voice fell, the gods in his body urged, and the power of the ancient sacrament urged!

Daluo immortal immortal body urged, 36 Xumi world power urged!

Various mana and divine abilities are blessed on this axe.

Jun Xiaoyao's move is to build his prestige!

Ning to be the enemy of nature, not to him!

As for the people around him Jun Xiaoyao, let's not provoke him!

If you mess up, you have to pay the price of blood!

boom!

Jun Xiaoyao held the brand of the ancient axe in his hand and chopped down with one axe.

Jun Xiaoyao's own strength is superimposed on the imperial might of the chaotic ancient axe.

That power is beyond words to describe!

The vast axe light covers the sky and the sun, splitting the sky!

Ten thousand miles of the earth will crack, spreading huge cracks as deep as hundreds of feet!

The sky roars and the land collapses!

Even in the sky above Burying Emperor Star, there are various rules and runes that appear and disappear.

This means that the combat power that Jun Xiaoyao exerted at this moment is almost about to cause the suppression of Emperor Burial Star Rules!

"What a volatility is that? Could it be that a supreme boss violated the Burial Emperor Star rules and entered it?"

"No, there is imperial prestige. Could someone activate the imperial soldier?"

In the entire Emperor Burial Star, on all continents, Tianjiao looked up at the sky with a shocked face.

"Rewind!"

On the side of Yaochi Ancient Land, Tianjiao from all directions retreated quickly.

Such an offensive, even if it is only affected by a slight impact, will have to take half of its life.

"Damn it!"

Yao Yuekong's face was twisted, and she let out a sharp shout.

At this moment, it is too late to escape, I can only fight for my life!

"The Demon Emperor has come!"

Yao Yuekong displayed the ultimate move in the Demon Emperor Immortal Sutra, and his blood boiled and burned, as if the whole person had been sacrificed.

In the void, a majestic shadow of the Scarlet Demon Emperor emerged.

Vaguely, it also exudes a touch of imperial might.

The monster emperor of the monster clan is also legendary, and there is a taboo in ancient history.

"Nine Changes of the Divine Silkworm!"

Princess Shen silkworm also displayed the move of pressing the bottom of the box.

Before that, she naively thought that even if Jun Xiaoyao was very strong, she could deal with it calmly.

Now, she understood that she was still too young to have been beaten!

As for Xuanyue, under the mask of grimace, waves flashed in her cold moon-like eyes.

That is obviously the enemy she should kill, but...

She hesitated.

boom!

Extreme strokes collide, and heaven and earth set off a storm of mana.

The earth was torn apart, and the mountains collapsed.

The entire Jade Lake ancient land, except for the Jade Lake protected by rune barriers, is still intact, and other places are in a mess.

Tianjiao who had already hid in the distance, many of them were affected, vomiting blood, and were knocked to the ground.

When gods fight, mortals suffer.

Watching the excitement also comes at a price.

After one move.

A deep ten thousand li canyon appeared on the ground, stretching towards the horizon.

The whole continent was almost split in half by Jun Xiaoyao with an axe!

This is because Emperor Burial Star has rules to suppress it, otherwise, it would not be impossible for the entire Emperor Burial Star to be split.

After all, there is a lesson from the past, the Domineering Star was split by Jun Xiaoyao.

After the gunpowder, there was a mess.

Tianjiao, who swept far away, moved closer.

However, the scene I saw afterwards silenced them all.

Yao Yuekong was covered in blood, her body was shattered, and she collapsed in a pool of blood, almost only a breath left.

His evil and handsome cheeks were covered with blood at this moment, and they were extremely twisted.

"How... how could it..."

Deep regret filled Yao Yuekong's pupils.

If he could do it again, he would never provoke Jiang Shengyi with Princess Shencan.

How do you say that.

Licking a dog will not kill!

A man who licks a woman will never end well!

After a while, Yao Yuekong stopped breathing, his soul had already been shattered by the fluctuation of the ancient axe.

On the other side, Princess Shencan is even more shocking.

Because the princess of the peculiarly beautiful silkworm has disappeared, it is replaced by a golden silkworm ~www.mtlnovel.com~ with nine colored rings on the surface.

At this moment, this golden silkworm was also full of wounds, and its large crystal eyes were full of fear.

But she was hit hard and couldn't move.

"This... Princess Divine Silkworm was beaten back to her original form?" All Tianjiao were stunned.

Jun Xiaoyao hacked Princess Shensi back to her original shape with an axe, which is a bit outrageous.

"I understand, it is said that the **** silkworm clan will activate the defense mechanism when it is about to die, and shed the silkworm body. If it can live to death, it may continue to change!"

"This princess of the Divine Silkworm has been transformed nine times before. If she continues to transform, will she become the Divine Silkworm of Ten Transformations?" Many Tianjiao were surprised.

As the top ancient royal family, the Shencan family naturally has their uniqueness.

Jun Xiaoyao's axe directly smashed Princess Divine Silkworm to the dying state, which triggered the transformation mechanism.

"So that's it." Jun Xiaoyao's eyes were indifferent and didn't care at all.

He finally looked at Xuan Yue again.

What surprised him was that although Xuan Yue was also injured, it was obviously better.

As expected to be one of the Seven Emperors of Nijun, it is really different from the ordinary Tianjiao.

Jun Xiaoyao's pupils were deep, and he said indifferently: "Smelting thousands of bloodlines into one body, this road is not bad, but it is a pity that it will be cut off today..."

Jun Xiaoyao had a cold killing intent in his eyes.

Looking at Jun Xiaoyao, for some reason, Xuan Yue's heart felt a twitching tingling sensation.

Jun Xiaoyao's eyes with hostility and killing intent made her feel very dazzling, and she felt unexplainably uncomfortable.

Xuan Yueyu clenched her hands tightly, her nails pierced her palms, drips of blood dripping down, without knowing it.

Chapter 785 Xuanyue's abnormal attitude, reclusive, my disciple has a good vision (four more)

Jun Xiaoyao continued to shoot, holding the mark of the chaotic ancient axe, killing Xiang Xuanyue.

The bright axe light cut through the sky, and the saint can be smashed to death with one axe, and the saint king has to be cut to death.

Insert an app: Perfectly reproduce the old version of the book-chasing artifact that can be replaced with the source app-Mimi Read.

But I have to say that Xuanyue is very strong, and as the leader of the thirteen thieves, he has blazed a path to smelt the blood of ten thousand physiques.

It seems to be similar to a certain taboo in ancient history.

In addition, Xuan Yue was still one of the seven imperial emperors, combined with an emperor seal of Proving Dao, which made her strength soar.

It can be said that Xuanyue is definitely one of the strongest among the younger generation on the Ultimate Ancient Road!

In addition, the grimace mask made Jun Xiaoyao always care about.

He decided in his heart that he would first suppress Xuan Yue, discover all the secrets behind him, and then kill him.

The axe cut through the sky, tearing open void rifts.

Jun Xiaoyao is like a wild **** who pioneered the world in ancient mythology, and wants to reopen the world!

Under such an offensive, Xuan Yue retreated steadily.

But what is a bit puzzling is that Xuan Yue did not take the initiative to take the initiative, and has always been passively defending.

"What the **** is going on?" Many Tianjiao looked confused.

The operation of Zhu Xian Pirates is very fascinating.

"Could it be that you can't bear to see that the prince's son is so handsome?" Someone complained.

"Impossible." Tianjiao also shook his head solemnly.

The methods used to punish immortals are cruel and cruel.

Before, she actually inserted her hand into Jiang Shengyi's chest in front of all Tianjiao's face, and absorbed the power of the innate Taoist fetus by secret method.

How can a girl who is so cruel and extinct in humanity be so superficial?

But what everyone didn't expect was that Xuanyue really couldn't get rid of it because of Jun Xiaoyao's face.

It wasn't because Jun Xiaoyao was so handsome, but the similarities between the corners of her eyes and the brows made Xuan Yue's mind keep surging with the past that she didn't want to recall.

"This woman, what's the matter?"

Jun Xiaoyao also noticed something was wrong.

She didn't seem to have the desire to make a move, but hesitated and hesitated.

This is not like the performance of one of the Seven Emperors.

It stands to reason that as the Seven Emperors, you should be happy to deal with him.

Just when Jun Xiaoyao was preparing to seal the fourth seal with the forbidden immortal, imprisoning the space.

Xuan Yue's figure suddenly retreated.

"Want to run now?"

Jun Xiaoyao looked playfully, with a sneer.

He swung a chaotic ancient axe in one hand and blasted six reincarnation punches in the other.

The surging wave of desire will destroy everything in front, and the space will be shattered.

In Xuan Yue's body, all kinds of brilliance appeared.

Five-color light, vacant wave, dark beam, etc...

This scene stunned all Tianjiao.

"That is... the power of the Five Elements Dao Bone?"

"And the fluctuation of the Void Emperor?"

"That's the ability of Tianyou Demon Eye!"

The brilliance of Xuan Yue's body is a kind of physical power.

Anything out of it is enough to create a top talent.

However, so many talented supernatural powers were all concentrated on Xuan Yue.

This road is extremely terrifying!

Many Tianjiao also suddenly realized that before the rumor that Zhuxian Pirates killed the taboo was like eating and drinking water, it seems that it is not exaggerated at all!

The general Tianjiao absolutely cannot withstand the suppression of Jun Xiaoyao's offensive, and the supreme taboo Tianjiao has to suffer.

Xuan Yue only coughed up blood, and the blood dripped from under the mask.

The void around her splits, that is the fluctuation of the Void Emperor.

Jun Xiaoyao has also encountered this physique.

Xuan Yue's figure seemed to melt into the void, and she began to retreat quickly.

"There is no one that the goddess wants to suppress yet can run." Jun Xiaoyao stepped on Kunpeng footwork, and wanted to catch up.

However, at this time, Jiang Shengyi shouted: "Xiaoyao, wait!"

"Huh?" Jun Xiaoyao paused.

Jiang Shengyi should have something to tell him.

At this time, Xuan Yue's figure also disappeared in the gap of space.

Jun Xiaoyao frowned, but he relaxed quickly.

Since Xuan Yue had integrated the Seal of the Emperor of Enlightenment and became one of the Seven Emperors, she would definitely look for him in the future.

This is not only Xuan Yue's own will, but also the function of the will of the immortal domain.

After gaining the benefits and integrating the Emperor's Seal of Enlightenment, it must be done.

If you don't do things, even the gods will not be able to pass it, and it is impossible to miss the spot of the Seven Emperors.

So Xuanyue will still find him when the time comes, and Jun Xiaoyao is not in a hurry.

"Sister Shengyi, what's the matter?" Jun Xiaoyao came to Jiang Shengyi.

"Luo Li...Luo Li has entered the gate of life and death!"

Jiang Shengyi was stained with blood at this moment, his face was still pale, and his whole body was very weak.

But now, she was still worried about Jiang Luoli, afraid that she would really have an accident.

"What, Luo Li entered the gate of life and death?" Jun Xiaoyao was also surprised, frowning tightly.

Although it was the first time to bury Emperor Xing, Jun Xiaoyao had also heard of the gate of life and death.

This is one of the most famous and dangerous opportunities for Emperor Burial Star.

Few people can get out of the Tianjiao that has been in through the ages.

Jun Xiaoyao remembered in his mind that Nizi, who was not tall for ten thousand years, was charming and lovely.

With her temperament, will she enter the gate of life and death?

"It was forced by the greedy wolf thief and others, Xiaoyao, go and see if anything really happened to Luo Li..." Jiang Shengyi was full of anxiety.

If it were not for her injury at the moment, she would definitely go there in person.

It was precisely because I was temporarily unable to act, that I called Jun Xiaoyao to stop and wanted him to investigate.

"Sister Shengyi, don't worry, don't you believe Luo Li's Nizi?"

Jun Xiaoyao was actually much calmer than Jiang Shengyi.

If Jiang Luoli really had any accidents, Jun Xiaoyao faintly fainted, perhaps he could feel a little bit.

At least, there will be some uneasiness.

But now, it does not appear.

This means that Jiang Luoli, at least for now, is not in danger of life or death.

"I believe it, but..." Jiang Shengyi stopped talking.

"Sister Shengyi, anxious but chaotic, I will definitely go to the gate of life and death to find out the whereabouts of Luo Li, she will be fine." Jun Xiaoyao comforted.

"Well, I am relieved if you are here with Xiaoyao." Jiang Shengyi relaxed a little. UU reading www.uukanshu.com

She also reacted, Jiang Luoli is not what she used to be now, and she shouldn't fall into death.

"Heh, no wonder you can make Sheng Yixin think about it. My disciple has a good vision. He is really an extraordinary son."

At this time, a slightly illusory shadow appeared.

The face is graceful, the eyebrows are picturesque, the figure is full, with mature and beautiful charm.

It is Yu Qingning.

Jun Xiaoyao's eyes dimmed.

Old aunty ring?

No, it should be Big Sister Ring.

"Xiaoyao has seen seniors, it seems that Sister Shengyi also has her own fate." Jun Xiaoyao arched his hands slightly, politely.

"Really a likable little guy." Yu Qingning smiled.

At the beginning, Yu Qingning was very curious about the people Jiang Shengyi was thinking about day and night.

After all, how good is a woman as good as Jiang Shengyi, who can make her miss her day and night?

Until now, I saw Jun Xiaoyao.

Peerless appearance, plus the fighting power against the sky.

In the era where Yu Qingning was, there was no one to pick.

Even when some ancient emperors were young, they couldn't compare to Jun Xiaoyao, who is now the most charming.

To be honest, if Jun Xiaoyao appeared in Yu Qingning's time, Yu Qingning would definitely admire her love for Jun Xiaoyao.

After all, such an excellent man is rare in the world.

"Almost forgot something, Senior, Sister Shengyi, wait a moment."

Jun Xiaoyao turned around as if thinking of something, his eyes fell on the little thing that moved on the ground, struggling to escape.

Jun Xiaoyao stepped forward and reached out to pinch it up.

It was the **** silkworm princess who was beaten back to her original form.

Chapter 786 is extremely humiliating, treat the Princess Silkworm as a pet?

At this time, the princess of the silkworm turned into a golden silkworm with beeping flesh, her big eyes were full of fear, struggling in the palm of Jun Xiaoyao's fingers.

"Jun Xiaoyao, let go of this princess!"

Although the golden silkworm cannot speak, it can release its spiritual thoughts.

Seeing the Princess Divine Silkworm who was beaten back to her original form and played by Jun Xiaoyao in the palm of her hand, all Tianjiao present were in an extremely complicated mood.

The Nine Changes of God Silkworm on Mingzhen Ancient Road, and the God Silkworm Princess, who was regarded as a goddess by countless people, fell to this point in front of Jun Xiaoyao.

Is it a terrible word?

This is really being played in the palm of the hand, not a description.

"Let go of you? You forced Sister Shengyi so miserably, and still want to be forgiven?" Jun Xiaoyao smiled.

When he smiled, it was not so good for the enemy.

"Jun Xiaoyao, you have enough enemies to provoke, do you still need to add another divine silkworm valley?" The divine thought came from the divine silkworm princess.

"Ah....."

Jun Xiaoyao sighed and shook his head.

The thing he doesn't care most about is background threats.

Jun Xiaoyao's five fingers slowly closed.

The princess Shen silkworm felt that the overwhelming pressure around her was crushing, causing her Shen silkworm body to burst.

This feeling is like in myths and legends, a certain monster stone monkey was suppressed by the five-finger mountain formed by the strongest mythical emperor of the Buddha and Taoism.

"Jun Xiaoyao, stop, what do you want?" Princess Shencan screamed.

She couldn't bear this kind of aggrieved death.

Being pinched to death by Jun Xiaoyao like a bug.

"What should I do?" Jun Xiaoyao was also thinking.

At this moment, a dense figure appeared in Yuankong again.

Headed by them were the Yuhua King and Yu Yunshang.

"Brother Jun, your speed is so fast, it seems I missed another good show."

The king of Yuhua was dressed in a snow-white crane cloak, and even his shoes and socks were white, with fluttering silver hair, and a handsome man.

Yu Yunshang on the side blinked and looked at the messy world in front of her. She was very curious about what she had missed.

"It's King Yuhua. I didn't expect to see so many top evildoers today." The Tianjiao here exclaimed.

"The **** silkworm in your hand, is it..."

King Yuhua's eyes fell on Jun Xiaoyao's palm, and he was also stunned for a while.

"It's a bad little bug." Jun Xiaoyao pinched the main body of Princess Shensi with his fingers.

"Ahhhhh..."

Shennian princess screamed.

It is hard to imagine that with her character, she would be so gaffe.

It was because it was too humiliating. Jun Xiaoyao called it a small bug, and was tossed over and over and touched his whole body.

Although it is only the main body of the silkworm, it also has feelings.

There are even more sensitive points.

Princess Shen Silk now has the desire to die.

"If this princess is not the trash demon Yuekong, but a character like Jun Xiaoyao, how could I fail so miserably?"

Shen silkworm princess thought with humiliation in her heart.

For a while, she actually had such a trace of envy and jealousy of Jiang Shengyi.

There can be such a powerful and peerless man to protect her.

King Yuhua learned what happened just now from Tianjiao.

His handsome face froze for a moment, and then shook his head with a wry smile: "It's really miserable to provoke Brother Jun."

As for Yu Yunshang, her pretty eyes sparkled with brilliant colors.

Jun Xiaoyao only crushed the tenth prince of Jinwu and others, and now swept away Zhuxianpi, Princess Shensi.

Are you really pushing Gulu Invincible?

Even the supreme taboo could not stop Jun Xiaoyao's attack.

Beauty loves heroes.

Besides, Jun Xiaoyao is more than just a hero.

He is an unparalleled legend!

Yu Yunshang's eyes were peach-hearted, and her small heart was pounding.

If before, she just fell in love at first sight, a little heart-stirring.

So now, he really fell into the charm of Jun Xiaoyao.

At this moment, Yu Yunshang, who was immersed in fantasy, was awakened by the cold reality.

"Sister Shengyi, it's up to you to decide the **** silkworm princess."

Jun Xiaoyao walked to Jiang Shengyi's side and said softly.

Yu Yunchang's beautiful and beautiful Lirong was a little sluggish.

It was the first time she heard that Jun Xiaoyao would speak with other people in such a gentle voice.

In her heart, Jun Xiaoyao has always been a cold white moonlight, high above, a little out of reach.

His eyes followed the voice, and Yu Yunchang saw the peerless beauty in white clothes.

Even if they were both women, Yu Yunshang's beautiful eyes showed a touch of surprise.

Jiang Shengyi's eyes contain poetry, her fairy face is picturesque, her paleness and weakness at the moment, not only did not weaken her demeanor, but also added a bit of distressing beauty.

Don't talk about men, Yu Yunchang feels pity for me when I see a woman.

"She is... the Jiang family goddess, she is as beautiful as the rumors." Yu Yunshang was a little lost.

"Hey, you stupid girl." King Yuhua patted Yu Yunshang's Xiangjian shoulder.

As a brother and sister, he couldn't see Yu Yunchang's little thought.

However, King Yuhua had to admit that Jun Xiaoyao was indeed excellent, and his sister's heart was also reasonable.

just.....

King Yuhua sighed secretly.

On the other side, Jun Xiaoyao handed over the fate of Princess Shen Silk to Jiang Shengyi.

Although Jiang Shengyi really disliked the princess Shen Silkworm's scheming and scheming.

But after all, she is the princess of Shen Cangu, if Jun Xiaoyao really kills, he will undoubtedly establish another enemy.

Although Jun Xiaoyao didn't care, Jiang Shengyi was unwilling to cause trouble to Jun Xiaoyao.

"Well, let her go for the time being." Jiang Shengyi said.

Jun Xiaoyao didn't change his face.

He knew that it was not that Jiang Shengyi's heart was flooding, but he just didn't want to cause him more trouble.

At this time, Jiang Shengyi was still thinking about him wholeheartedly.

The **** silkworm princess in Jun Xiaoyao's palm was a little surprised.

"This woman..." Princess Shencan was also silent. UU reading [www. uukanshu.com](http://www.uukanshu.com)

She didn't expect Jiang Shengyi to say let her go.

For a while, Princess Shencan also had a complex meaning in her heart.

It is naturally impossible for Jun Xiaoyao to easily let go of Princess Shensi, his eyes flashed and thought a little.

"It's better than Sister Shengyi plant a slave mark for her, a nine-change divine silkworm with the potential to continue to evolve, but also qualified to be a pet, so she should atone for herself.

Jun Xiaoyao's words immediately stunned the Quartet.

Good guy, plant a slave mark for Princess Shen Silkworm.

Really don't take the Supreme Taboo Tianjiao as a human being?

Oh, Princess Shencan is not a human being, so it's okay.

"Brother Jun really thinks, uh... Qingqi." King Yuhua was also embarrassed.

If you take the supreme taboo Tianjiao as a pet, there will be no one.

Jiang Shengyi pursed his lips, thinking of Jun Xiaoyao's habit of accepting slaves when he was in the Wild Heaven and Immortal Realm.

Although generally only beautiful female slaves are accepted.

However, Jiang Shengyi did not refuse, and she was not the heart of the Virgin, so she would naturally pay a price if she did something wrong.

"There are only two choices next, die, or let go of the Yuanshen restriction, let Sister Shengyi plant a slave mark." Jun Xiaoyao said indifferently.

Princess Shen Silk trembles.

She knew that if she dared to say a "no" word, Jun Xiaoyao would definitely dare to kill her.

Looking at the nine heavens and ten places, there is no one that Jun Xiaoyao dared not kill!

"I...I am willing." Princess Shencan said humiliatingly, letting go of the limit of the soul.

Jiang Shengyi also condensed the slave mark and planted it.

Princess Shen silkworm paid the price for her behavior and became Jiang Shengyi's pet.

Jiang Shengyi could decide her life and death at the first thought.

Chapter 787 Jiang Shengyi's Secret in My Heart, Xuanyue's Struggle and Choice

"Sister Shengyi, your injury..."

Looking at Jiang Shengyi's injuries, Jun Xiaoyao frowned.

Even with the help of the Eucharist, Jiang Shengyi still can't recover in a short time.

At this time, Yu Qingning said: "Don't worry, as long as Shengyi completely accepts the baptism of the Jade Lake, and then refines the Tribulation Immortal Lotus, her injury will not only heal, but her talent and realm will be transformed again."

"That's good, Sister Shengyi, you go to refine the opportunity here, I want to see, who dares to **** you."

Jun Xiaoyao looked around.

A group of Tianjiao who were waiting to scour off scraps around them all took a step back subconsciously.

Although the Jade Lake Baptism and Cross Tribulation Immortal Lotus are tempting, they also depend on whether they are killed or not.

After seeing Jun Xiaoyao's methods to deal with the Shencan princess and others, the fool would miss the chance of Queen Mother of the West.

"Those who have nothing to do, get out of here!"

Jun Xiaoyao flicked his sleeves, and the thousands of Tianjiao around him hurriedly retreated backwards and hurriedly retreated, not dare to stay at all.

Only Yuhua King, Yu Yunshang and others remained in place.

"Sister Shengyi, you go." Jun Xiaoyao said.

Jiang Shengyi nodded slightly.

She saw everything Jun Xiaoyao did for her.

Although in the eyes of outsiders, she paid a lot to Jun Xiaoyao.

But why did Jun Xiaoyao fail her?

It's just because Jun Xiaoyao has his own way to go, so there is no extra time to spend time with his children.

"Xiaoyao, don't forget about Luo Li." Jiang Shengyi exhorted again.

"Understood." Jun Xiaoyao smiled.

After hearing the words, Jiang Shengyi glanced at Jun Xiaoyao, then suddenly stepped forward and threw himself into Jun Xiaoyao's arms.

The jade arm hugged Jun Xiaoyao's body tightly.

The forceful gesture seemed to combine Jun Xiaoyao with her.

"Sister Shengyi?"

"Xiaoyao, next time... don't leave without saying goodbye, I'm afraid."

Jiang Shengyi's voice was with a hint of crying.

Only she understood that when she woke up and found that Jun Xiaoyao had set foot on the ultimate ancient road alone.

That kind of deep loss and sadness almost emptied her heart.

"Sorry, Sister Shengyi, not next time." Jun Xiaoyao also grabbed Jiang Shengyi's shoulder.

This mature intellectual, no matter in any desperate situation, can face all women with tenacity.

But it was because of his leaving without saying goodbye, and my heart was sad and weeping.

This is enough to prove that Jun Xiaoyao has an absolute central position in Jiang Shengyi's heart, which no one can match.

Seeing the pair of Bi people hugging each other, Yu Yunshang didn't know why, and suddenly felt that his love at first sight was so superficial.

Her eyes were also red.

"Okay, Xiaoyao, go ahead and find Luo Li." Jiang Shengyi loosened his jade arm somewhat reluctantly.

A drop of crystal tears hung on the slender and curled eyelashes like butterfly wings.

She stared at Jun Xiaoyao with clear and beautiful eyes, and she was a little bit hesitant to say something, as if she had something to say.

"Forget it, don't tell Xiaoyao, so as not to worry him." Jiang Shengyi sighed inwardly.

She originally wanted to tell Jun Xiaoyao about the West Queen Mother and Emperor Wusong that she saw in the fantasy world.

Because that might be a way to practice the innate body.

The complete version of Jun Xiaoyao's ridiculous ancient sacrament is already enchanting enough. If you train into the congenital sacramental corpse, it will be absolutely unprecedented, unparalleled in all ages, and even the Emperor Wushu can hardly compare it.

But thinking that this might make Jun Xiaoyao worry about her, Jiang Shengyi still didn't say much.

This is a secret she kept in her heart.

If there is such a day...

Jiang Shengyi showed a pale smile at Jun Xiaoyao, said nothing, then turned around and entered Yaochi.

A long time-apart meeting, just a hug, is enough to contain everything.

"Brother Jun, you can rest assured, I don't mind staying here for a while." Wang Yuhua smiled slightly.

"Thanks a lot." Jun Xiaoyao nodded.

He understood that King Yuhua wanted to protect Jiang Shengyi, who was seriously injured.

With Yuhua King, the supreme taboo Tianjiao, there must be no Tianjiao who does not have long eyes to disturb Jiang Shengyi's cultivation.

"Don't worry, no one will disturb her if we are there," Yu Yunshang shouted.

"Well, thanks a lot." Jun Xiaoyao's handsome face showed a faint smile, and slightly nodded to Yu Yunshang.

Yu Yunchang's heart was sweet, and her pretty face blushed.

really.....

She still wants to be the second room of King Xiaoyao!

Jun Xiaoyao left, went to the gate of life and death to explore Jiang Luoli's situation.

Yuhua King and Yu Yunshang are here, protecting Jiang Shengyi.

The **** silkworm princess who turned into the body has also become honest, her life and death are in the hands of Jiang Shengyi.

But compared to other people, the princess of the silkworm is lucky to have a life.

"Unexpectedly, the immortal thief would be able to escape, but with her strength, he can't deal with Jun Xiaoyao." Princess Shencan sighed in her heart.

After Jun Xiaoyao's severe beating, she was completely submissive.

On the other side, in a hidden ancient cave.

A slender figure stumbled into it, and it was Zhu Xian Pirate Xuan Yue.

She held the cave wall with one hand, and took off the grimace mask she was wearing with the other hand.

The moment the mask was taken off, the blood dripped down.

A blood-stained face appeared.

The facial features are exquisitely exquisite, and they look like a picture.

This is a pretty face enough to make any man's heart moved.

I am afraid that no one would have imagined that this cruel and ruthless thief, who was dyed with countless Tianjiao blood, had such a stunning face under the mask of grimace.

The whole face is exceptionally beautiful, but the skin is as pale as snow, without blood.

What is worrying is that there is a blood and tears in the corner of her eye.

It was like a drop of blood and tears.

This bit of blood and tears made the girl's already delicate and beautiful face more poignant and lovely.

At this moment ~www.mtlnovel.com~ Xuanyue was coughing up blood, stumbled into the blood pool deep in the cave, and fell headlong into it.

The dark chain of Order God emerged, absorbing all kinds of precious blood in the blood pool.

Xuan Yue's injuries stabilized.

"Jun Xiaoyao...Jun Xiaoyao..."

In Xuan Yue's mouth, repeating this name, she seemed to be in a daze.

Not only because, Jun Xiaoyao was the first to hurt her like this.

Even more because of the familiarity that radiated from the corners of the eyes and brows.

When I saw Jun Xiaoyao staring at her with indifferent and ruthless eyes in order to protect the snow-clothed woman, he shot her.

Xuan Yue felt very dazzling, unable to tell whether it was jealousy or what emotions, her heart was in pain as if she had been pricked by a needle.

That kind of feeling is as if the person closest to me was taken away by others and hurt myself in turn.

The small book booth used by book friends before.

"No... he is not, it's just an illusion. My brother is dead and killed by my own hands..."

Xuan Yue raised her slightly trembling jade hand, and the buried past, like a nightmare, poured out again.

She didn't believe that the world would bloom a second same flower.

However, the woman from the Bian organization told her that as long as she can succeed, she can go to the rebirth cave of the alien tribe's imperial clan.

Maybe it can make up for past regrets.

But if you want to transform yourself to the extreme, you must integrate all kinds of supreme physiques.

And the congenital womb and the ancient sacrament are undoubtedly the top supreme physique.

In addition, she also incorporates the seal of the Emperor of Enlightenment, and is one of the Seven Emperors.

In other words, she is destined to be hostile to Jun Xiaoyao!

Chapter 788 Entering the gate of life and death, the mysterious river of black and white, the hideous beast

After the Chi Yao ancient land matter ended, time passed.

One thing Jun Xiaoyao did in Emperor Funeral Star was also completely spread.

In Luangu Pagoda, it climbed a thousand stories, broke the record, and got the inheritance of Luangu.

Three strokes defeated Qin Wudao, the son of the Qin family.

Later, he went to rescue the Emperor's hidden vein Tianjiao, and fought alone against the three top taboo Tianjiao, two dead and one severely injured.

After that, in the ancient land of Yaochi, one person swept across Zhuxianpi, Princess Shensi, Yaoyuekong and other Tianjiao.

The escape of escape, the fall of fall, even the princess of Divine Silkworm returned to the body, was planted with a slave mark, and became a pet-like existence.

It can be said that Jun Xiaoyao's deeds completely detonated the entire Emperor Burial Star, and countless Tianjiaos were stunned and unbelievable after learning the news.

Of these opponents of Jun Xiaoyao, none of them existed on Mingzhen Gulu, and none of them were weak.

But it is these daunting top arrogances, when facing Jun Xiaoyao, they are like chickens.

Even holding a group shot, they were beaten into embarrassment by Jun Xiaoyao, dead to death, and fleeing.

It can be said that Jun Xiaoyao's reputation is unshakable.

There are even crazy admirers of Jun Xiaoyao who believe that this game between Jun Xiaoyao and the Way of Heaven is likely to be won by Jun Xiaoyao.

They believe that even if the Seven Emperors are combined, it is estimated that they will not be Jun Xiaoyao's opponent.

Now Jun Xiaoyao is well-deserved, the strongest Tianjiao of the Ultimate Ancient Road.

The younger generation's existence like a big boss is a mountain that no one can climb.

Compared with the hustle and bustle of the entire Emperor Burial Star, Jun Xiaoyao himself was very low-key.

After a period of time, he also came to the gate of life and death.

This is an ancient archipelago.

In the middle of the archipelago, a dark and icy gate is horizontally empty.

The surrounding sky was dim, as if the light had been absorbed by this door.

Jun Xiaoyao's eyes were faint, looking at the door of life and death in front of him.

For other Tianjiao, the gate of life and death is a taboo place.

But to Jun Xiaoyao, it was nothing.

"Hey, this gate of life and death looks like..." Jun Xiaoyao showed a suspicion in his eyes.

With his keen sense of spirit and soul, he noticed an unusual breath.

It seems to be incompatible with the entire Nine Heavens Immortal Domain.

"Interesting." The corner of Jun Xiaoyao's mouth evokes a slight arc.

Even leaving Jiang Luoli aside, Jun Xiaoyao was interested in this gate of life and death.

Without any hesitation or hesitation, Jun Xiao took a step forward and directly opened the door of life and death.

"That... that one is, the son of the Jun Family!"

Around the gate of life and death, there are also a few Tianjiao who came here to pick up the leaks. When they saw the white figure who entered the gate of life and death, their pupils shrank.

One of the most dangerous places of chance for Burial Emperor Star, Jun Xiaoyao is walking leisurely in the courtyard, extremely indifferent.

"Is this the gap between us and Supreme Taboo?" These Tianjiao sighed inwardly.

After hearing so much news about Jun Xiaoyao, they didn't think that a mere gate of life and death could cause a life and death crisis for Jun Xiaoyao.

Inside the gate of life and death, it seemed like another world.

The world is dim, like eternal night.

Pieces of broken continents are suspended in the void.

Here, it is like a broken world, as if forgotten by time.

"Sure enough, the rules of heaven and earth here seem to be slightly different from the Nine Heavens Immortal Domain." Jun Xiaoyao thought to himself.

He was vaguely aware of it when he was outside the gate of life and death before, but now that he enters it, his experience is more vivid.

To some extent, the world of the gate of life and death is somewhat similar to the inner universe of Jun Xiaoyao, and both have their own rules and worlds.

This aroused Jun Xiaoyao's interest.

"It seems that there are other worlds besides Nine Heavens Immortal Territory and Alien Territory."

"On the other side of the sea, what is it?"

"There is also a restricted area of life. The rumored realm of the ruins above the nine heavens is also a world of its own, and is also not subject to the rules of the fairyland."

Jun Xiaoyao thought a lot.

This world is big and has many secrets.

Although Jun Xiaoyao had a high starting point when he was born, it did not mean that he could understand the truth of the whole world.

And those famous emperors, are they dead, or where?

There are also some emperors of the emperor family, including the Great Emperor Qitian, where have they gone?

In addition, where is the so-called "source" in the mouth of the mythical imperial concubine?

Anyway, it is definitely not in Jiutianxianyu.

For a time, Jun Xiaoyao turned a thousand times in his mind.

Yes, his current strength is invincible among the younger generation.

Even stronger than some of the older generation.

But he still has too many puzzles to solve.

And his father, Wang Jun Wugui, the white-clothed god, is still using the method of transforming the three clears into one Qi, and the three-shenzhen three realms.

These things will be resolved by Jun Xiaoyao in the future.

"Forget it, these puzzles will have their own answers in the future, so let's explore Luo Li's whereabouts first." Jun Xiaoyao shook his head slightly, reducing his mind.

He went on.

I don't know how long it took, a river suddenly appeared in front of him.

This is a strange black and white river, vast and mighty, flowing deep into the gate of life and death.

What surprised Jun Xiaoyao is that in this black and white Hanoi, what flows is not the river, but the principles.

Jun Xiaoyao wanted to take a closer look.

But suddenly I noticed that an incomparably terrifying attraction pulled Jun Xiaoyao and fell into the river of black and white.

As soon as he entered the river of black and white, the power of the terrifying Dao Ze rushed over Jun Xiaoyao's body.

Jun Xiaoyao puts his body in the light, and his blood is full of blood. UU Reading www.uukanshu.com resists the erosion of Taoism with the body of Eucharist.

"It's a terrifying power. Fortunately, it's me. If I change to another Tianjiao, I'm afraid I will be crushed to the ground immediately." Jun Xiaoyao thought.

Not all Tianjiao, the flesh is so perverted like Jun Xiaoyao.

The black and white river kept flowing, Jun Xiaoyao still saw many dead bones and mutilated corpses in it.

It should be all Tianjiao who entered the gate of life and death before, and fell into the river of black and white, and then fell into death.

This is also enough to prove the danger of life and death, not everyone has a chance to escape.

"Luo Li should be fine, right?" Jun Xiaoyao frowned slightly.

Jiang Luoli has a spiritual body, and his fellows are friendly. It stands to reason that he can be immune to a certain extent and even absorb the power of the black and white rivers.

Later, Jun Xiaoyao began to realize the power of Dao in the black and white river.

"This is definitely not the rule of the Nine Heavens Immortal Territory. Is it a foreign land, a life restricted zone, or the rule of other unknown places?" Jun Xiaoyao was thinking.

Just as he was thinking, suddenly, his keen sense of consciousness, felt a sense of danger.

The river of black and white suddenly boiled.

A strange beast suddenly rose up and slaughtered Jun Xiaoyao.

It was a ferocious beast, with six sickle-sharp joint limbs, covered with a carapace, and six pairs of dark green compound eyes.

"Humph....."

Jun Xiaoyao let out a cold snort, pointed it out, and a huge thunder finger crashed away.

It was Lei Di pointed.

However, when Lei Di's fingers fell on the six-armed blade-edge alien beast, they disappeared directly.

"Huh? Mana immunity?" Jun Xiaoyao was a little surprised.

Chapter 789 Mana Immunity Transformation, Bubble World, Finally See Jiang Luoli

This situation, Jun Xiaoyao couldn't be clearer.

Because he himself has such ability.

Mana immunity is the ability that Jun Xiaoyao signed in, and it has always been of great help to him.

However, as Jun Xiaoyao's opponents strengthened, his magic immunity gradually couldn't keep up.

Although the power immunity can be improved with the improvement of Jun Xiaoyao's strength, the effect is ultimately limited.

Jun Xiaoyao didn't expect that the six-armed blade-edge strange beast in front of him also possessed the ability of magic immunity.

"His!"

The six-armed blade strange beast made a sharp, piercing neigh, as if it had been angered by Jun Xiaoyao's methods.

The six blade-like limbs slashed Xiangjun Xiaoyao like six heavenly swords.

Jun Xiaoyao made a fist with his five fingers, and blasted out into a fist mark.

boom!

The entire river of black and white is full of endless ripples, and countless channels burst and explode like splashes of water.

Under this punch, the six-armed blade strange beast was directly shocked.

Jun Xiaoyao also took a few steps back.

"A good strength is equivalent to the Great Sage Realm. If coupled with its magical immunity, the general Great Sage is also very difficult to deal with." Jun Xiaoyao judged in his heart.

He can be regarded as understanding, why throughout the ages, there are not many Tianjiao who have entered the gate of life and death.

Let alone those arrogances, can they resist the impact of the river of black and white.

Even if he resisted it, he still had to face the hunting of such alien beasts.

In the black and white rivers, it was necessary to withstand the impact of the power of Dao Ze, plus a strange beast that was comparable to the great sage and also had the ability to immunity.

Even the supreme taboo Tianjiao is troublesome to deal with, let alone other Tianjiao.

That's why it created the sordid name of life and death.

Only Jun Xiaoyao can calmly deal with the situation in front of him.

And Jun Xiaoyao can also be sure that this six-armed blade-edge strange beast is definitely not a creature in the Nine Heavens Immortal Territory.

"Isn't the inheritance in the gate of life and death not the inheritance of the Great Emperor Xianyu?" Jun Xiaoyao was suspicious.

Just as he was thinking about it, the six-armed blade strange beast slammed up again.

"Do you really think it can't help you?" Jun Xiaoyao said coldly.

He slammed his fist again, and the six reincarnation fists came out. The fist was shocking, making the entire river of black and white boil, and various Dao patterns shattered.

Six reincarnation vortices, like six ancient universes, accompanied by Jun Xiaoyao's fist, slammed into the six-armed blade monster.

boom! boom! boom!

After a few punches, the mana immunity of the six-armed blade beast was directly broken.

The fist slammed into the body of the alien animal.

Even if the alien beast is covered with a carapace, it can't resist Jun Xiaoyao's vigorous fist.

However, in just a quarter of an hour, the six-armed blade beast was smashed in blood, and all six blade-edged joints were broken.

Just when Jun Xiaoyao wanted to solve the battle with a punch, he raised his hand as if thinking of something.

Swallowing the devil skill comes out.

The severely injured six-armed blade monster was directly involved in the swallowing vortex for refining.

At the next moment, Jun Xiaoyao felt an inexplicable force into his body.

The power of mana immunity!

After refining this six-armed blade-edge strange beast, Jun Xiaoyao's mana immunity has actually increased a lot.

This is definitely a surprise.

Jun Xiaoyao couldn't expect that he could still have this kind of gain.

"If you kill a few more strange beasts..." Jun Xiaoyao's eyes lit up.

After that, he continued to set foot in the Black and White River, wanting to go to the source of the Black and White River.

During this period, a few six-armed blade-edge monsters appeared again.

After Jun Xiaoyao severely wounded it, he also refined all of them with the Devil Swallowing Technique.

After this time, Jun Xiaoyao's mana immunity has skyrocketed ten times.

"With my current mana immunity, it is almost impossible for the great sage of the same rank to break open cleanly." Jun Xiaoyao was very satisfied with the harvest.

As time went by, he finally reached the source of the river of black and white.

Looking around, near the source of the river of black and white, there were bubbles one after another.

In each bubble, it seems to be a miniature world.

"That is, the power of the world?" Jun Xiaoyao was surprised.

Jun Xiaoyao is no stranger to this kind of power. His inner universe was shaped step by step with his own hands.

So I am familiar with this kind of world power.

Jun Xiaoyao even condensed the world's fairy spirit.

Right now, those bubbles contain the mighty power of the world, and within each bubble, the mountains, rivers, seas, sun, moon and stars are reflected.

"These bubbles are more like powers that have come off and separated from a complete small world." Jun Xiaoyao thought.

Generally speaking, when you are above the supreme, you begin to touch the world of shaping yourself.

Those strong, more use the power of the fairyland rules to shape the inner world.

Only a very small number of evildoers can, like Jun Xiaoyao, walk their own way and shape their own world.

"However, this is also a rare opportunity." Jun Xiaoyao smiled slightly.

Whether it's expanding the inner universe or cultivating the world of Three Thousand Sumeru, the power of the world in the bubble in front of you is the best energy.

Jun Xiaoyao displayed God-Swallowing Demon Art, and while advancing, he began to swallow and absorb the power of the world in these bubbles.

Some of these world forces entered the inner universe after refining.

The other part is used to cultivate the world of Three Thousand Sumi.

Jun Xiaoyao can feel the cells in the body, UU reading www.uukanshu.com began to transform into a Sumi world.

And the inner universe is also expanding steadily.

The effect of these world powers was even better than Jun Xiaoyao imagined.

"The power of this world is really helpful to my cultivation. If I can get the legendary world tree, then I don't have to worry about cultivation resources at all."

Jun Xiaoyao couldn't help thinking.

As far as any treasure has a strong world power, then naturally it is a world tree.

This kind of heaven and earth wonders, the great emperor would be excited when he saw it, and its rarity was even rarer than that of the emperor soldiers.

The world tree, like the fairy artifact, is hard to find in the world.

Even with the background of the Jun family, it is difficult and difficult to find a world tree.

Jun Xiaoyao is just thinking about it now.

In the end, Jun Xiaoyao finally came to the end of the river of black and white.

That is a huge bubble world.

One by one, tiny bubbles are constantly splitting out of them.

"That is... a broken world?" Jun Xiaoyao's eyes flashed.

The previous bubbles were all split from the giant bubbles in front of them.

This giant bubble is a broken world.

Jun Xiaoyao could feel it, and it was full of strong world power and spiritual energy.

Jun Xiaoyao's eyes flashed dimly, and he flashed directly into the giant bubble.

Which contains this vast world.

In the very center of this world, the endless aura and the power of the world form a cocoon.

In the cocoon, you can vaguely see a small and exquisite figure lying in it, sleeping like a fetus.

"Luo Li, I found you." Jun Xiaoyao smiled slightly.

Chapter 790 Yuan Ling Dao Body Transformed into Yuan Ling Xian Body, Thought It Was In A Dream

Jun Xiaoyao didn't actually worry about Jiang Luoli's safety.

It's not that he doesn't care about Jiang Luoli, but he knows that Jiang Luoli should be fine.

Jun Xiaoyao cultivated the three-generation soul, not to mention that he could spy on his fate now.

But some inductions in the dark can still be done.

If something really happened to Jiang Luoli, it would be impossible for him to be without warning or noticing it.

Right now, Jiang Luoli was sleeping in the cocoon of the world, as if the power of the entire broken world was concentrated on her.

"Her physique..." Jun Xiaoyao showed surprise.

He could feel that Jiang Luoli's physique seemed to have undergone some subtle changes.

Although there is still the fluctuation of the Yuanling Dao body, it feels that it is not just the Yuanling Dao body.

"Could it be..." Jun Xiaoyao thought of a certain possibility.

That is the elementary spirit fairy body that is more extreme than the elementary spirit dao body.

Rumor has it that this kind of physique is cultivated to great achievement, enough to swallow a huge amount of immortal energy, extremely powerful.

If you really want to compare it, it is probably the same as the human immortal body carried by the human beings.

It's just that these two physiques, one is to breathe immortal energy, and the other is to quench the body with immortal energy, shaping the body of a person.

The Yuan Ling Dao body that Jiang Luoli had before was actually a top physique.

However, there is still a slight gap compared with the ancient sacrament and the congenital womb.

But at the moment, if Jiang Luoli really transformed into the Yuanling Immortal Body, then it would definitely be enough to make it into the top 15 of 3,000 physique.

"Sure enough, this Nizi also has her own chance." Jun Xiaoyao said.

Jiang Shengyi got the inheritance of Queen Mother of the West.

And Jiang Luoli in front of him seemed to be inherited, and it did not seem to be the inheritance of the emperor of the fairyland.

But no matter where this inheritance came from, Jun Xiaoyao didn't care.

What matters is the person who transports power, not the source of power.

Jun Xiaoyao stepped forward and approached the cocoon of the world.

Jiang Luoli's petite and exquisite jade body is horizontally displayed in it, curled up slightly, her jade arms hug her knees.

It looks like a baby in the mother.

It looks so cute, I feel sorry for it.

"Xiaoyao... brother..."

Nizi murmured.

"Still dreaming?" Jun Xiaoyao smiled faintly.

But to be honest, Jun Xiaoyao really did not expect that with Jiang Luoli's temperament, he would have the courage to enter the gate of life and death.

If according to Jiang Luoli's character in the past, it should be possible to be caught by the wolf thief and others, and then wait for him and Jiang Shengyi to rescue.

"After all, I've grown up, although my height is still the same as before."

Jun Xiaoyao sighed and smiled, with a touch of relief in his eyes.

How can an old father feel like seeing his daughter grow up?

Jun Xiaoyao shook his head and eliminated this weird emotion.

It should be because of Jiang Luoli's unchanging loli face that made Jun Xiaoyao feel that she was still a child.

In fact, the age is about the same as Jun Xiaoyao.

It seemed that he had noticed the arrival of outsiders, and the cocoon of the whole world began to tremble.

And Jiang Luoli, who was wrapped in the cocoon of the world, had her long eyelashes trembling slightly.

Immediately, opened a pair of big clear eyes.

There was still a blank and hazy in her eyes, as if she was half-dreaming and half-awake, with blurred consciousness.

Vaguely, Jiang Luoli saw a long figure in white clothes, standing faintly not far away, watching her.

That handsome face with a gentle smile was enough to melt any woman's heart.

"Brother Xiaoyao?" Jiang Luoli's pretty eyes widened slightly, and a bitter smile appeared at the corner of his mouth.

"Are you dreaming again?"

Jiang Luoli has no idea how many times he has dreamed of Jun Xiaoyao in his dream.

In addition, she was already half-dreaming and half-awake now, and her mind was in a drowsy state, naturally subconsciously thinking that she was also dreaming.

After all, how could Jun Xiaoyao suddenly appear in front of her.

Jun Xiaoyao's figure slowly approached Jiang Luoli.

Looking at the person who was thinking about it this day and night, Jiang Luoli smiled softly at the corner of his mouth and said: "I can see Brother Xiaoyao in my dream, and I am satisfied."

"After all, Brother Xiaoyao still has his own way to go, and Luo Li doesn't want to fall behind."

"Also, Luo Li didn't have any trouble with Brother Xiaoyao this time. I will never be caught by those nasty guys and let Brother Xiaoyao fall into a passive position."

Listening to Jiang Luoli's words in front of him, Jun Xiaoyao was even more relieved.

After all, Jiang Luoli was the jewel in the palm of the Jiang family.

It's the kind that is scared off when holding it in the hand, and scared when holding it in the mouth.

The young girls who grew up in this environment are more or less spoiled and expensive.

But Jiang Luoli was working hard for Jun Xiaoyao to change her character.

This attitude is enough to prove that Jiang Luoli is willing to change everything for Jun Xiaoyao.

"Good, good job." Jun Xiaoyao smiled.

The gentle voice and handsome smile made Jiang Luoli's heart melt like a warm sun.

"There is still interaction?" Jiang Luoli did not expect.

Because Jun Xiaoyao, who had been dreamed of in the past, was just silent.

This couldn't help causing Jiang Luoli's heart to move slightly, and then bumped like a deer.

Her pretty face flushed slightly, and her clear and beautiful eyes became a little watery.

Seeing Jiang Luoli's expression, Jun Xiaoyao's eyes flickered.

This Nizi, won't you do anything inappropriate for children?

Sure enough, but seeing that Jiang Luoli ~www.mtlnovel.com~ started to undress herself.

"Brother Xiaoyao, to be honest, I hate myself, hate the jealous myself."

"When I saw Brother Xiaoyao holding Sister Shengyi, he knew that there shouldn't be such emotions, but there was still no way."

"Luo Li even thought about the stupid way to administer medicine before, and wanted to cook rice with brother Xiaoyao. Now it seems that it is really ridiculous..."

As Jiang Luoli said, there was a little sparkle in her big eyes.

The clothes are getting less.

Snow white gradually became more.

The delicate body is like a tender bamboo shoot, with a light body fragrance.

Jun Xiaoyao could not help but think of one of the four great beasts.

It's not Qinglong, Suzaku, or Xuanwu.

"Brother Xiaoyao, he is no longer a child, even in a dream, can he hug Luo Li?"

Jiang Luoli has a pretty face and a tender face.

The appearance of softly begging for a hug is even more like a fragrant and soft snow-white little rabbit.

Lolita has three good points, her soft tone and soft body are easy to push down. At this moment, Jiang Luoli interprets it vividly.

With this appearance, the Buddha had to be vulgar when he saw it.

Jun Xiaoyao is not a hypocrite, a vindicator.

He looked at Jiang Luoli so generously, with a smile at the corner of his mouth, and said, "I haven't seen him in a few years. Although his height has not changed much, he has developed well in some places."

I heard Jun Xiaoyao's slightly ridiculous tone.

Jiang Luoli was confused.

Are dreams so real?

Jun Xiaoyao stepped forward with a faint smile, and reached out and knocked on Jiang Luoli's head.

"Silly girl, haven't woken up yet?"

Jiang Luoli's moist and pretty eyes suddenly rounded, and the small cherry mouth opened slightly, revealing an expression that shocked her all year.
