

## SCORING THE SACRED BODY OF THE ANCIENTS FROM THE GET-GO

Chapter 8: The sign-in place is refreshed, and in the 10th sequence, Jun Zhanjian is out!

After       , Jun Xiaoyao took Jun Linglong with Jun Zhantian and returned to the Heavenly Emperor Palace.

As for the other children of the Jun family in the Arena, they watched him leave with envy and awe.

If Jun Xiaoyao's performance is poor, everyone will naturally have a slight remark in their hearts.

But now, Jun Xiaoyao's performance has completely conquered everyone.

Didn't you see even Jun Linglong willing to be the maid of Jun Xiaoyao?

"You said, will Jun Zhanjian find his place back?" a young gentleman asked with interest.

"No, as long as Jun Zhanjian is not stupid, he probably won't provoke God." The rest shook their heads.

Everyone knows that Jun Xiaoyao is highly valued by the eighteenth ancestors and has a boundless future. In the future, he is destined to be the pillar of the Jun family.

If the Lord Zhanjian would offend Lord Xiaoyao because of a Lan Qingya, it would definitely be a brain drain.

As for Jun Xiaoyao himself, he didn't take the matter of Jun sword at all.

If he came to find a place for Lan Qingya, Jun Xiaoyao would still be happy to fight with him.

"Is this the Heavenly Emperor Palace?"

Jun Linglong looked at the magnificent palace in front of him with a hint of excitement.

Although her status is high, she is not qualified to enter the Heavenly Emperor Palace.

"Be free and don't be cautious." Jun Xiaoyao waved his hand.

"Thank you, Lord Godson." Jun Linglong bowed to Jun Xiaoyao and smiled sweetly.

"It would be difficult for Jun Linglong to take another look when I changed to someone else, but I could just accept him as a maid. Is this power and status?" Jun Xiaoyao was secretly speechless.

Reincarnation is indeed a technical job.

"By the way, grandpa, you won't have to come every day if Linglong takes care of your grandson in the future." Jun Xiaoyao turned his head.

"Hey, you grandson..." Jun Zhantian blew his beard and stared.

With a beautiful maid, he turned around and threw grandpa away, right?

It's not enough but Jun Xiaoyao, Jun Zhantian still compromised, but sometimes he will come if he needs to preach.

In the next few days, Jun Xiaoyao was comprehending the Shenxiang Zhenyujin exercise.

Idol's Prison Strength is not only the cultivation of great power, but also the evolution of various martial arts disciplines.

For example, it can evolve the strongest attack method, the Spear of the Underworld.

Because of the ancient idols, it can suppress the boundless hell, absorb the aura of hell, and turn it into a spear that pierces everything.

can also evolve the strongest defensive method, guarded by the gods, and unbreakable.

can even condense the wings of the devil, the wings shook, and the void was extremely fast.

As Jun Xiaoyao's insight deepens, more and more abilities will be unlocked later.

In the end, you can even evolve a true ancient idol, summon the gates of hell, and the endless swarms of demons will fight for the king!

"This idol is really very practical." Jun Xiaoyao was amazed.

Although the Jun family also has many supreme body refining methods, in terms of functionality, they are not as complete as the power of idols.

"I really hope there is a chance to sign in." Jun Xiaoyao couldn't wait to sign in again.

Ding!

At this moment, a systematic voice came from Jun Xiaoyao's mind again.

"Congratulations to the host, the new sign-in location has been refreshed!"

"Please sign in at the ten-year-old banquet!"

Jun Xiaoyao heard this voice, and he was slightly taken aback: "Ten years old banquet, is it my ten years old banquet?"

He heard what Jun Zhantian said, when he is ten years old, the Jun family will hold a grand ten-year-old banquet for him.

At that time, many forces from the Wild Heaven and Immortal Territory, the ancient family, the supreme family, etc., will be invited to come to the banquet.

Even the identity of Jun Xiaoyao's serial number zero will be announced at the ten-year-old banquet.

This banquet was the first time that Jun Xiaoyao entered the WTO.

"It seems that the place and time of check-in are random, not regular." Jun Xiaoyao thought.

But this is nothing, the idea of Shenxiang Prison Guard and Chaos God Grinding is enough for Jun Xiaoyao to practice now.

"I'm a bit looking forward to the ten-year-old banquet..." Jun Xiaoyao smiled slightly.

"By the way, why hasn't there been any movement on Jun Zhanjian, is it really persuaded?"

Jun Xiaoyao whispered secretly, but slightly disappointed.  
at the same time.

In the Jun's house, a place is suspended above the void of the spirit island.

The ten major sequences of Jun's family have different treatments from those of ordinary Tianjiao, and each has a separate residence.

or Tiangong, or God Island, or cave in heaven.

This Lingdao is the tenth sequence of the Jun family, the mansion of Jun Zhanjian.

On Spirit Island, there is a mountain like a long sword, inserted into the sky, exuding panic-like sword aura like the mighty sky!

At the foot of the mountain, Lan Qingya in a blue skirt has been waiting here for several days.

"Is the Lord Swordsman still out of the customs?" Lan Qingya expressed anxiety, grievance, and unwillingness.

The more I remembered what happened on the martial arts arena, the more Lan Qingya felt aggrieved and angry.

But she did not dare to trouble Jun Xiaoyao and Jun Linglong, so she could only rely on Jun Zhanjian.

Every time in the past, someone offended Lan Qingya and only looked for Jun Zhanjian. In the end, someone must apologize.

It is precisely because of this that Lan Qingya has such a proud personality.

Boom!

At this moment, a huge wave suddenly spread from the top of the mountain.

A terrifying mana storm traverses between the sky and the earth, like a tornado.

"It's the swordsman, he broke through again!"

Above the Ling Island, some followers of the sword sword were startled, their eyes all looking over the mountain peak.

Lan Qingya's expression of grievance swept away, and she looked very excited.

Jun broke through with a sword, and strengthened again, presumably he can help her out.

Not to teach Jun Xiaoyao, at least to teach Jun Linglong.

On the mountain peak, a young man in black robes with a sword backed stepped down into the void.

Generally speaking, after the Linghai Realm, when you reach the Divine Palace Realm, you can walk in the air.

Obviously, this black-robed boy is already a master of the Divine Palace realm.

He is about thirteen or fourteen years old, with flying ink hair and deep black pupils. The temperament of the whole person is like a divine sword that cuts through the sky, which is daunting.

This black-robed boy is in the tenth sequence of the Jun family, the Jun sword!

It is rumored that on the day of his birth, all the swordsmen of the Jun family had their long swords spun out of their own accord and pointed to the birthplace of the sword.

He is born with a clear sword heart, and has an indestructible sword body, which can hold endless sword energy in his body. He has a talent for enchanting swordsmanship and martial arts. UU reading [www.uukanshu.com](http://www.uukanshu.com)

It is precisely because of this kind of talent that makes the king's sword rise strong and become one of the ten major sequences.

Although is only the tenth sequence at the bottom of the ranking, it is still not to be underestimated.

You must know that the entire Jun family, with thousands of young Tianjiao, it is so difficult to obtain a sequence identity.

Not everyone is like Jun Xiaoyao, born high above, with extraordinary status.

"Qingya, have you been waiting for me?"

The king drew his sword to the ground, and a group of followers around him bowed and bowed their hands, but the king directly ignored the sword and looked at Lan Qingya.

"Sword Master!"

Lan Qingya squeezed out a few tears, with a grievance on her face, she threw herself into Jun Zhanjian's arms.

"This bitch..." The other followers cursed inwardly, with contempt in their eyes.

are followers of Jun Zhanjian, and they can't understand Lan Qingya's style.

also said that others Jun Linglong is a green tea bitch, he is the real green tea bitch.

"What's the matter, who made you unhappy again?" Jun Zhanjian smiled faintly.

He really favors Lan Qingya, and his attitude towards her is different from the rest of his followers.

"It's like this..." Lan Qingya told the whole story.

Then she wailed her grievances and said: "Master Zhanya, Qingya is all for your face, who ever thought, that Jun Xiaoyao and Jun Linglong..."

"You said... you offended Jun Xiaoyao?"

The black hair concealed Jun Zhanjian's eyes, making it difficult to see his expression.

"Yes, Lord Zhanjian, you must seek justice for Qingya..." Lan Qingya said grievances.

Snapped!

However, what greeted her was a loud slap!

"Are you trying to kill me!?"
