

## Sacred Body 911

### [Chapter 911: 8-star reward, reflecting the heavens](#)

"Six Kings of Destroying the World?"

"Destroy the fairyland?"

"Sequence One?"

This sentence made Jun Xiaoyao a little dazed.

It seemed that it was after he killed the young man.

Won the mark on him, and then obtained a certain qualification.

"It's a bit interesting. Could it be that I replaced a dark sequence and will become one of the six world-destroying kings who will destroy the immortal realm in the future?"

Jun Xiaoyao was dumb, feeling that this misunderstanding was a bit big.

At the beginning, he only thought that he had just killed a seed-level arrogant who had just awakened.

Now it seems that he has killed an incredible existence.

However, Jun Xiaoyao's expression is still very plain, and his mind is calm.

Although this young man had a pretty good background, Jun Xiaoyao wouldn't care, he would kill him if he killed him.

He didn't have any complacency or pride in it.

For Jun Xiaoyao, killing a dark sequence is not a big deal.

But if this is made known to alien creatures, it will definitely cause great waves.

As soon as Jun Xiaoyao thought, the six-pointed star mark on his wrist slowly disappeared.

Now Jun Xiaoyao is still thinking about investigating some news in a foreign land.

If the mark of the six-pointed star is known to outsiders, it may cause unnecessary trouble.

"Next, sign in."

Jun Xiaoyao came to the depths of the tomb.

Soon, the mechanical beep in the brain sounded.

"Ding, congratulations to the host, arrived at the sign-in place, do you sign in?"

"Sign in."

"Ding, congratulations to the host, get the eight-star reward, and reflect on the heavens!"

"Reflecting on the heavens?"

Jun Xiaoyao is dumb, this name is rather domineering.

He immediately probed the information reflecting the heavens.

After some investigation, Jun Xiaoyao suddenly came across.

It turns out that this reflection of the heavens can project one's own power to the heavens and all realms.

Even more, as long as you devoutly worship Jun Xiaoyao and recite the name of Jun Xiaoyao.

Part of this power can also be manifested and transferred to those who believe in it.

"So, this is just to pretend to be?"

Jun Xiaoyao hit the nail on the head, seeing through the effect of reflecting the heavens.

He thought of a certain famous king in a foreign land, and his descendants would call out his real name piously, and he could reveal some of his soldiers and powers.

Of course, the stronger his cultivation base, the stronger his ability to mirror the heavens.

Jun Xiaoyao is now, although he has truly entered the ranks of the strongest.

But compared with the emperor, the immortal king, it is still much worse.

But to bluff, that is definitely enough.

"The stronger my power will be in the future, the stronger the power reflecting the heavens will be."

"Maybe it can be achieved. Those who praise my real name will see eternal life in reincarnation."

There was light flickering in Jun Xiaoyao's eyes.

He has confidence in himself.

Reflecting the ability of the heavens, it seems that there is not much blessing to Jun Xiaoyao, only to bluff people and collect believers.

But in the future, it will have a big effect on Jun Xiaoyao.

After signing in, Jun Xiaoyao was also ready to leave the tomb.

As for the quasi-innate eucharistic fetus, let it slowly transform.

Born in the future, its ability will never be inferior to the chaotic physique.

At that time, Jun Xiaoyao will come out of invincible form, which can really sweep everything.

What kind of seeds germinated and what era of wild flowers blooming.

Jun Xiaoyao alone can overwhelm this great world and rule the world.

The era that belongs to Jun Xiaoyao alone will come again!

This day, it won't be too far!

"The next step is to leave the heavenly tomb and explore all kinds of information in the foreign land."

"The soul book, one of the nine heavenly books, is likely to be in the hands of Chi Hongyu in the line of Chi Xiao."

"There is also the relationship between the ghost-faced woman and the alien race."

"The most important thing is my father. What happened after his battle with the Scarlet King? Is he really in a foreign land?"

Jun Xiaoyao sorted out, there are not many things he wants to do in a foreign land.

He now has the black blood of God, possesses the Heaven-Stealing and Sun-changing Law, and has a chaotic physique.

It can be said to be the most perfect hiding.

No one can connect him with Jun Xiaoyao.

Add the dark sequence mark of this six-pointed star.

Jun Xiaoyao is more like alien creatures than alien creatures.

He began to walk leisurely towards the outside of the tomb.

...

At the same time, at the junction of the central area and the inner area of the Tian Tomb.

With a squeak.

An agile shadow flashed past, it was even more agile than a civet.

In the rear, a group of royal creatures were chasing and killing.

A royal family Tianjiao flushed, and shouted with shame on his face: "Damn, \*\*\*\* girl, stop for me, dare to trick me and wait!"

Ahead, that petite shadow stopped for a moment, turned around and made a grimace at the royal family Tianjiao, and spit out his lilac tongue.

"It deserves it, you idiots are so stupid that you can't see my illusion, grandma and sister-in-law!"

It was a pink girl who seemed to be only a teenager.

A soft white hair is as shiny as silk and satin, set against a petite face the size of a palm, which looks alive like a white-haired porcelain doll.

She has supple skin, delicate eyes, long eyelashes, and she is full of brilliance and agility.

Qiong nose is petite and tall, with a little cherry red mouth.

She is so cute and exquisite that she can play with her in the palm of her hand.

Shengxue barefoot, with a red rope tied to his ankle.

The soles of the feet are fleshy, very crystal clear, and strangely, they are not stained with the slightest dust when they are barefoot.

"The front is inside the heavenly tomb. If you step into it, you will die, I advise you to quickly hand over the Blood Phoenix Immortal Potion!"

This group of royal creatures are scolding.

During this period of time, there were various movements from the Tian Tomb, which also attracted many people to hunt for treasure.

This group of royal family Tianjiao finally found a rare blood phoenix immortal medicine.

As a result, a strange white-haired old man who was talking about God suddenly appeared.

They were instinctively scared to death, and hurriedly handed over the elixir of bleeding.

As a result, something was wrong immediately.

Sure enough, the white-haired old man who appeared strangely was actually pretended by the white-haired little girl in front of him in the movie.

This made a group of royal family Tianjiao angry.

How can they bear to be teased like this?

So all the way to this place.

Upon seeing this, Lolita with white hair showed a tricky and successful appearance, and took out a fox mask from the treasure bag on her slender waist.

With a bang, smoke rose.

She turned out to be the white-haired old man again.

"You wait for the younger generation, when you see me, you don't have to quickly bow down!"

"My horse!"

A group of royal family Tianjiao was furious.

This is so ridiculous, can you bear it?

"Give it to me, and capture the white-haired girl alive!"

This group of royal families surrounded themselves with a stomachache with anger.

"Hehe, idiots, goodbye, sister-in-law and grandma!"

The white-haired loli returned to her original state and spit out her pink and fragrant tongue.

She has runes intertwined under her feet, and she is extremely fast, sweeping to the distance.

In a short while, a group of people chased after them, and they were about to go deep into the sky tomb.

White-haired Lolita suddenly stopped.

In front, is the depths of the tomb.

All kinds of weird black mist floating.

There are also void cracks, terrifying remnants, strange quagmire and so on.

It can be said that even the supreme dare not go deep at will.

"Haha, run away, you dead girl, run away again if you have a kind!" a group of royal creatures sneered.

however.....

at this time.

Rumble!

In the depths of the tomb, there is movement, the sky is shaking, and the mist is surging!

It seems that there is a masterpiece who is about to be born. UU reading [www.uukanshu.com](http://www.uukanshu.com)

"Then... what is that?"

A group of royal creatures were terrified and frightened.

Doesn't it really alarm the weirdness and ominousness inside the tomb?

Lori Baimao was also a little surprised, her little hand stretched to the treasure sac on her waist.

Ready to sacrifice means to run away.

boom!

All kinds of black fog, weird remnant formations, and broken road patterns were crushed and crushed.

A slender figure in white clothes walked out leisurely from it.

[Chapter 912: I come from the tomb of heaven, white hair Lolita Chunchun](#)

Dead!

Absolute silence!

That is not an ordinary place, but the depths of the heavenly tomb!

The Tian Tomb itself is a strange forbidden place for eternity.

Not to mention the inside of the tomb, it is definitely a dead place that no one dares to set foot on.

Any side of the quagmire, a broken formation, can kill people.

Even treasure hunters never dare to step into an inch!

But now?

What did they see?

A figure in white clothes, without the slightest air of human fireworks.

Just so lightly, stepping from the depths of the tomb.

All kinds of weird killing formations and incomplete Dao lines were crushed directly, completely unable to stop that figure.

It seemed to the white-clothed figure that the Tian Tomb was a forbidden place forever.

Just like your own backyard, come and go at will!

This is amazing!

A bunch of royal creatures were staring at it, and their jaws almost fell to the ground.

Where is that fierce man?

Not to mention them, even the white-haired loli with a certain vision, her eyes widened like glaze, and her small cherry mouth was opened to the largest extent, she was very surprised.

"Could it be that the sleeping old antique has awakened?"

Those royal creatures were horrified in their eyes and speculated in their hearts.

But judging from its appearance, it doesn't look like an antique.

The figure in white clothes, although the hazy mist loomed on his face, made people indistinct.

But looking at its appearance, it is not an old man.

"Could it be the quasi-emperor, or the immortal emperor Tianjiao, who went deep into it, and is now coming out?"

There are also royal creatures speculating.

But faintly, they feel that even if it is the Emperor Tianjiao, it is impossible to go to the depths of the tomb like going to the back garden, right?

But no matter what.

They can be sure that the mysterious man in white is definitely not something they can provoke!

At this moment, the atmosphere fell into a strange silence.

Those royal creatures, one by one, were stiff, and they did not dare to have the slightest presumptuous.

Don't even dare to gasp!

As for the white-haired Lolita, her eyes rolled, she was directly behind the white-clothed figure.

Deliberately behaved and asked with a sweet and lovely smile: "Senior, where are you from?"

"I?"

A soft voice sounded.

"Wow, it sounds like a handsome pot." White-haired Lolita thought from the bottom of her heart.

This sound can definitely make a person's brain orgasm.

"I came from the Tomb of Heaven."

In a word, the royal family Tianjiao was shocked.

Some slumped directly to the ground.

Coming from the tomb of the sky, what kind of existence is this?

As for the previous six-pointed star vision, because it manifested in the entire foreign land.

Therefore, no one can be sure that the dark sequence is in the heavenly tomb.

Naturally, he would not think of Jun Xiaoyao at this moment.

They only felt that the man in white in front of him was too mysterious.

They don't even have the courage to probe the truth.

After Jun Xiaoyao said this, he ignored him and left with his hand.

The white-haired loli actually followed Jun Xiaoyao like a follower.

"That girl, \*\*\*\* it!"

Seeing the white-haired loli leaving with the mysterious white-clothed man.

This group of royal family Tianjiao was furious, but on the surface, they did not dare to move in the slightest.

They dare not to abrupt that existence!

So I can only smash my teeth and swallow in my belly!

...

In the tomb of the sky, some strange scenes are being staged.

Mysterious temperament, handsome and timeless, the man in white clothes wins snow, walks in front leisurely.

At the back, a little white-haired Lolita followed closely like a puppy.

Wordless all the way.

It wasn't until hundreds of miles away that Jun Xiaoyao stopped, without looking back, and said lightly: "When do you want to follow?"

Lolita Baimao smiled, her big glazed eyes rolled around, approaching Jun Xiaoyao, wanting to see Jun Xiaoyao's face clearly.

Jun Xiaoyao didn't deliberately change his appearance, after all, being handsome is a lifetime thing.

Of course, the main thing is that Jun Xiaoyao has the Dafa of stealing the sky, even the cause and effect can be blurred, and I am not afraid of being probed into the details.

In addition, there is a faint haze on his face, making it impossible to recognize his true identity.

Lori Baimao's eyes flashed with a gleam.

She has also practiced some kind of pupil technique, and can clearly see the many falsehoods in the world.

But what surprised her was that she couldn't completely see through the man in front of her.

However, in the mist, the faintly visible face of the face made Lori Baima hold her breath.

This is also much more handsome than she imagined!

At first, she thought that the one who came out of the tomb would be an old monster or a middle-aged man.

But I didn't expect to be so young and so handsome.

"No, Chunchun, you are not such a superficial woman."

White-haired Lori named Chunchun said in her heart.

But the mysterious origin of Jun Xiaoyao really made Chunchun too curious.

"Chunchun just wants to find out his identity, um, there is absolutely no other meaning." Chunchun said firmly.

"Small, what do you want to investigate?"

Perceiving the fluctuation of pupil technique, Jun Xiaoyao said lightly.

Chunchun wrinkled her Qiong nose after hearing the words.

No one has dared to call her younger.

Although she is indeed small.

"Thank you Senior for saving Chunchun, this blood phoenix immortal medicine is given to Senior."

Chunchun made a well-behaved look and took the bleeding phoenix elixir.

An undead medicine, even in a foreign land, is of amazing value.

"No, I didn't save you either." Jun Xiaoyao said.

He really just passed by and never shot.

Jun Xiaoyao's attitude made Chunchun think that his origins were extraordinary.

Even the emperor Tianjiao needs elixir to practice.

Jun Xiaoyao didn't pay attention to it at all.

In fact, it was also because Jun Xiaoyao had no shortage of elixir.

Jun Xiaoyao continued to move forward, and Chunchun followed behind like a little tail.

"interesting....."

Jun Xiaoyao has a touch of deep meaning and playfulness in his eyes.

Unexpectedly, as soon as he came out of the depths of the tomb, he ran into this tribe.

Should it be said that he has fate with this clan?

Of course, Jun Xiaoyao did not break.

He felt that this white-haired loli could also be regarded as a chess piece, which had the value of utilization.

So just let her follow.

It's definitely not because Jun Xiaoyao is a white hair control.

But when he thought of white hair, Jun Xiaoyao thought of the woman who had white hair all night because of him.

"I don't know what happened to Sister Shengyi, but she shouldn't believe the fact that I have fallen."

Jun Xiaoyao sighed slightly in his heart.

He knew that he owed this woman a lot.

In a short time, he couldn't return to Xianyu either.

The melancholy mood quickly disappeared. Jun Xiaoyao is not a person who hurts the spring and sadness of the autumn. He quickly adjusted his mood~[www.mtlnovel.com](http://www.mtlnovel.com)~ Of course, there is also Chunchun Baimao Lolita by the side, constantly exploring Yourself.

"Chunchun still doesn't know the name of the predecessor?"

"Just call my husband."

"Sir?" Pure doubt.

"Because I like preaching and educating people." Jun Xiaoyao said.

"I know preaching, educating people, do you like teaching?"

"No, it's a physical education." Jun Xiaoyao had nothing to do, teasing this loli.

Sure enough, Chunchun immediately distanced himself from Jun Xiaoyao, covering his poor chest with both hands, with a vigilant expression on his face.

[Chapter 913: Tianmu Dazhou, Fallen Xianling, Tianxian Banquet](#)

Chunchun's age cannot be judged by her appearance.

However, because of the pure growth environment and the care and spoiled growth since childhood, Chunchun can maintain such a naive and straightforward character.

Jun Xiaoyao shook his head lightly.

This won't be the same as Jiang Luoli, a legal loli that hasn't changed for thousands of years.

Chunchun also reacted, Jun Xiaoyao was teasing and teasing her, and couldn't help but snorted.

"Sir, don't scare Chunchun, Chunchun is not a child, she can already have children!"

Pure words make Jun Xiaoyao speechless.

If she looked like this, in the previous life, if she really made something, it wouldn't be as simple as going to prison.

Next, Jun Xiaoyao also left the tomb.

Pure nature is to follow.

Along the way, Chunchun twittered like a lark.

When I was hungry, I took out a chicken leg from the treasure bag on my waist.

It can be seen that she should like to eat it very much.

As a cultivator, you just need to absorb the essence of heaven and earth, and you don't need to eat anymore.

Obviously, this white-haired loli is just greedy.

"Sir, where are you going next?" Chunchun asked.

"Wandering around." Jun Xiaoyao said simply.

If you want to collect information, you still need to walk more.

"Mr. Do you know about the immortal banquet that will be held in Tianmu Dazhou?" Chunchun asked.

"Xianxian Banquet?"

Jun Xiaoyao just remembered now.

When preaching Fei Qingxue before, it seemed that I had heard of the fairy banquet from the mouths of those royal creatures.

"Yes, there are many mysterious places in the Tianmu Dazhou. In addition to the Tianmu, there is another place called Fallen Xianling."

"On Fallen Mountain, there is a fairy tree growing. It is rumored to be an ancient tree nourished by a drop of fairy blood, and its leaves contain immortal paths."

"Making tea with fairy leaves, one cup can make people enlighten the way."

"In addition, there are even rarer celestial celestial fruits, which have been fruitful in a thousand years, but now they only bear a few."

When she said this, Chunchun's mouth was drooling.

When she came to Tianmu Dazhou, she also wanted to attend the Tianxian Banquet. It would be even better if she could taste a Tianxian fruit.

Jun Xiaoyao also got some news from Chunchun's mouth.

The place where he is located is Tianmu Dazhou, one of the top ten foreign states.

The holding of the Tianxian Banquet is undoubtedly the most sensational event in the near future.

"The fairy tree nourished by the blood of the immortal." Jun Xiaoyao became interested.

And he has not forgotten that the daughter of luck, one of the chess pieces, Fei Qingxue, whom he personally created, seems to be attending the Heavenly Immortal Banquet.

It just so happens that you can meet this devout believer and start the next stage.

"Then go to the Tianxian Banquet." Jun Xiaoyao said calmly.

"Okay!" Chunchun cheered.

At the Tianxian Banquet, there will be young and powerful people showing up.

Chunchun is also not sure that he can win a Celestial Fruit.

But with Jun Xiaoyao, it's different.

This mysterious gentleman from the heavenly tomb has a deep and introverted aura, and she can't detect the slightest details.

But she instinctively felt that those young Tianjiaos in the Tianmu Dazhou were absolutely impossible for this gentleman's opponent.

Next, Jun Xiaoyao and Chunchun went to the place where the Tianxian Banquet was held.

Along the way, there is pure purity, and Jun Xiaoyao is not boring.

It is equivalent to picking up a pet.

Chunchun was very dissatisfied with Jun Xiaoyao calling her a small point.

Sometimes, she took out a fox mask directly from her waist bag and put it on her face.

The smoke rises, and when she changes her body, she turns into a big beauty with a front convex and backward curling.

"How about it, sir, are you old?" Chunchun grinned.

Jun Xiaoyao was dumb.

He found out that Pure Illusion is very strong, like a little witch with ever-changing changes.

The place where the Tianxian Banquet is held is in Fallen Mountain.

And a hundred miles away from Fallen Mountain, there is an ancient city.

This city is a little cold on weekdays.

However, once the date of the Tianxian Banquet comes, this city will be extremely hot.

The royal elites from the Chiyan Dragon horse-drawn carts came one after another.

In the sky, there is a flying monster, pulling a gorgeous chariot across the void.

There are also various flying boats, warships, and bronze chariots.

It can be said to be extremely lively.

Among these gathered talents, there is no shortage of royal families, peerless talents of top royal families.

Even the quasi-imperial clan has appeared.

At this moment, outside the city, a man in white clothes and a beautiful girl with white hair came here.

"It's finally here, but it will take a few days for the Tianxian Banquet to open, sir, we can enter the city and wait for a few days." Chunchun said.

Jun Xiaoyao nodded, and the two entered.

However, when Chun Chun entered, she wore a fox mask again and became a little book boy with red lips and white teeth.

"This way it matches the temperament of your husband." Chunchun smiled.

Jun Xiaoyao sighed helplessly, she just liked to change so much.

At the same time, in the city, on a quite prosperous street.

The inner three floors and the outer three floors are surrounded by many alien creatures.

Their faces are all showing the appearance of watching a good show.

Because there are two royal families, confront each other here.

And the two royal families were the Ice Spirit royal family and the Fire Rock royal family.

As long as the creatures of the Tianmu Dazhou, there is no one who does not know the grievances between these two royal families.

The generations are guilty.

During the period when the ice spirit royal family was strong, the igneous rock royal family was too much to lift its head.

But now, the Ice Spirit royal family is gradually declining, and the Fire Rock royal family is pressing again.

"Tsk tsk, it seems that this prince Yan is determined, and wants to take Qingxue, the queen concubine of the Ice Spirit royal family, as a concubine."

"Hey, but have you heard that Fei Qingxue seems to have some great opportunity in the tomb of the sky."

"Yes, her realm has broken through to the Saint King, and I heard that the scrap bone has also recovered, and it seems to have become stronger."

There are many whispering sounds around.

In the field.

Among the members of the Fire Rock Royal Family, the headed prince Yan is tall and handsome, wearing a red-gold imperial robe.

The hair burned like flames, and his pupils were red.

Hearing the discussion around him, with a joking smile on his face, he looked at the ice-carved beauty on the opposite side.

"Fei Qingxue, this prince didn't expect that you really got a great chance in the tomb of the sky, and the chicken becomes a phoenix."

"But even so, it can't change the fact that the ice spirit royal family has fallen, and you can't change the fate of marrying this prince as a concubine."

The Yan prince had a touch of pride in his tone. UU reading [www.uukanshu.com](http://www.uukanshu.com) seemed to be trying to judge Fei Qingxue's destiny.

If it were before, Fei Qingxue might be ashamed and angry when she heard this.

But now, she just sneered.

After seeing the great destiny and the \*\*\*\* of creation.

Fei Qingxue believes that even in the dark, there really is an existence that dominates destiny.

That supreme being should also be the \*\*\*\*\* of great destiny and creation.

Not the Yan prince in front of him.

Her destiny can be entrusted to the \*\*\*\* of destiny and creation.

But it will never be handed over to Prince Yan!

[Chapter 914: Top royal family, black peacock royal family, Kong Xiang](#)

"You have no room for consideration."

"It just happens that the celestial banquet is about to start. Why don't you marry me directly on this good day." Prince Yan picked gently.

"Want to marry me as a concubine, do you have that ability?" Fei Qingxue said.

She has silver hair like snow, smooth and supple.

The cheeks are beautiful and refined, the red lips are bright, and the shell teeth are crystal clear.

His skin is as white and transparent as ice and snow.

At this moment, she has a confident and arrogant look in her beautiful eyes.

She is no longer the old girl of the Scrap Bones.

"Do you really think that if you get a bit of adventure in the tomb of the sky, you will be deceived?"

Prince Yan's eyes narrowed slightly.

The next moment, his footsteps flashed, and he suppressed Fei Qingxue with one hand.

The flame rune branded the void, turned into a sea of flames, and burned away.

Facing the Yan prince's moves, Fei Qingxue's lips evoked a touch of coldness.

Before the change, she was powerless to face Prince Yan.

But now, because there is faith in her heart, she is not afraid of everything!

Rumble!

On Fei Qingxue's chest, the bright icy blue brilliance surged, and an extreme chill surged.

You know, Jun Xiaoyao bestowed Fei Qingxue a drop of supreme divine blood.

This drop of supreme divine blood turned Fei Qingxue's crippled icy sky bone into an extremely transformed icy bone.

The difference of a word, the power of the world is different!

"Absolutely zero!"

Fei Qingxue displayed the supernatural powers of the Ice Spirit royal family.

The Ice Dao Bone released unprecedented energy fluctuations, and a raging cold wave came out.

Prince Yan's face changed.

This completely exceeded his expectations.

It was so powerful that even the sea of flames was frozen.

But only for a moment.

Prince Yan turned into an ice sculpture.

"My prince!"

When the surrounding masters of the igneous rock royal family saw this, their expressions changed drastically.

However, after sensing the vitality of Prince Yan, they secretly breathed a sigh of relief.

Just looking at Fei Qingxue with a sense of shock.

When did the Bone-Bone Queen of the Ice Spirit Royal Family become so powerful?

Even if you get a great opportunity in the tomb of the sky, it is impossible to become so strong at once.

Seeing the shocked eyes of everyone around, Fei Qingxue's expression was flat, but there was a sneer on the corners of her lips.

Such a vulgar person knows the power of the \*\*\*\* of destiny and creation.

A drop of blood and a technique can change her destiny!

However, at this moment, a lazy laugh suddenly sounded.

"Tsk tusk, the queen of the Ice Spirit Royal Family, the method is decisive."

Hearing this voice, many people followed the prestige.

The nine-headed red dragon, pulling a splendid car, crossed the sky.

Immediately, a handsome young man in a fur-collared black shirt walked out of the car.

This handsome young man has an extraordinary temperament with a high-level aura.

He looked at Fei Qingxue with a careless high above.

"It is the Black Peacock Royal Family, one of the top ten royal families!"

"That is the young master of the Black Peacock Royal Family, Kong Xiang."

"This Kong Xiang is not only good in his own strength, but he also has a cousin named Kong Qianqian, who is not much worse than the youngest ten kings!"

"Not only that, that Kong Qianqian, I heard that she is still the daughter-in-law of the imperial family."

Seeing this handsome young man, there were many exclamations around him.

The ten top royal clans are almost the reserve of the quasi-imperial clans.

The Chi Xiao line is a good example.

As long as the Peacock King, like the Scarlet King, can break through to the King of Immortality.

The black peacock royal family will immediately be promoted to the quasi-emperor.

Therefore, no one dared to provoke this top royal family.

Not to mention, among the black peacock royal family, there is also a goddess, Kong Qianqian.

His own strength is not much weaker than the Tianjiao of the top ten heavenly kings.

She is the prospective daughter-in-law of the imperial family.

It can be said that the status and status is not comparable to that of the general royal family Tianjiao.

Even with the entire Black Peacock royal family, they are even more unprovoked.

Seeing Kong Xiang's arrival, Fei Qingxue's heart sank slightly.

She is not afraid of the Fire Rock royal family, nor is she afraid of Prince Yan.

But after all, she is not alone, and there is a Frozen Spirit Royal Family behind her.

The strength of the Black Peacock Royal Family and the Ice Spirit Royal Family is not at the same level.

She is not qualified to provoke Kong Xiang.

"Oh, my cheap friend is really pitiful, even a woman can't handle it." Kong Xiang shook his head.

He and Prince Yan met at a gathering of meat and wine.

In fact, there is not much deep friendship.

However, the prince Yan's method of flattering was very good, and he was flattered with Kong Xiang.

Kong Xiang was also happy that someone praised himself, so he said, if you have any difficulties, you can find him.

Kong Xiang must be too lazy to face the big trouble.

However, Kong Xiang was still willing to come forward with such a trivial matter as robbing women.

Kong Xiang raised his hand, the light in his palm circulated, and then patted the prince Yan who had been frozen into an ice sculpture.

A series of clicks sounded.

The ice on the surface of the Yan prince's body cracked and fell off.

The Yan prince jerked his spirit suddenly, trembled all over, gasping for breath.

"You bitch..."

Prince Yan immediately glared at Fei Qingxue.

"Prince Yan, you are a little embarrassed, you can't even handle a woman." Kong Xiang sighed.

"It turned out to be Brother Kong Xiang, thank you Brother Kong Xiang for your help."

When Prince Yan saw Kong Xiang, he bowed and bowed. How could there be any pride in being a royal prince?

Other masters of the igneous rock royal family saw it, and they didn't feel anything wrong.

In a foreign land, people with high status and strong strength will be respected.

"You little concubine, it seems that you are not very good." Kong Xiang said.

"Brother Kong Xiang laughed." Prince Yan said with a shame.

"It doesn't matter, you and I are all friends. It's just a small matter. Is it possible that the Ice Spirit royal family dare to refuse me?"

Kong Xiang smiled disapprovingly.

"Then thank Brother Kong Xiang first." The Yan prince was very happy, and turned to look at Fei Qingxue, with a cruel look on his face.

After getting Fei Qingxue, he will definitely train and train.

Kong Xiang looked at Fei Qingxue.

Although Fei Qingxue's appearance is extremely beautiful, her temperament is also very good, like iceberg snow lotus.

But as the proud son of the Black Peacock family, he has seen a lot of beauties, so he won't be able to win love with a sword.

"It's your honor for my friend to be able to see you. Today's words are here. After the banquet, Prince Yan will accept you as a concubine, right?"

Kong Xiang said lightly.

These words did not give Fei Qingxue the right to choose.

He didn't think that Fei Qingxue dared to refuse.

However, the next moment, Fei Qingxue's words made Kong Xiang stunned.

"My Concubine Qingxue~[www.mtnovel.com](http://www.mtnovel.com)~ I will not become the concubine of Prince Yan even if I die, besides..."

"You are also disgusting!"

Fei Qingxue's tone was cold, and she didn't give Kong Xiang any face.

She doesn't know why.

If it was before, she might be jealous, hesitate, and hesitate.

However, after seeing the supreme existence in the heavenly tomb.

She was suddenly relieved.

If you can't even control your own destiny.

Then what qualifications does she have to become a devout believer of the God of Destiny and Creation?

[Chapter 915: Jun Xiaoyao appeared, with a ray of light, and killed Prince Yan](#)

"what did you say?"

Kong Xiang was stunned, thinking he had auditory hallucinations.

A prince of the Ice Spirit Royal Family who was almost falling out of the top 100 Royal Family.

How dare to talk to him with this attitude?

This feeling is as if the slave has stepped on the master's head.

There is no distinction between respect and inferiority.

"My words will not be repeated a second time."

Fei Qingxue stood there, slender, like a winter plum.

Although it has gone through the severe cold and frost, it still blooms proudly, blooming with its own beauty and persistence.

Who said that women cannot control their own destiny?

"Bold, Fei Qingxue, how dare you talk to Brother Kong Xiang like this!" Prince Yan yelled.

If Fei Qingxue collided again, it would not be a problem for him to become a concubine.

Whether you can live or not are two things.

The many alien creatures around also took a breath, very surprised and unexpected.

Fei Qingxue's courage is too much.

This is no different from looking for death.

"Interesting, really interesting, women who pretend to be noble, I see a lot of them."

"But in the end, they were still one by one, kneeling at my feet, licking my shoes."

Kong Xiang smiled, but that smile was a bit gloomy.

He slowly raised his hand, the light surging in his palm.

That is the secret technique unique to the Black Peacock royal family to kill all.

The cultivation of a great holy realm diffused out.

At his age, possessing the cultivation base of the Great Sacred Realm is already very enchanting.

Fei Qingxue looked solemn.

Although she got the chance to break through to the Saint King Realm.

But in a short period of time, it is obviously impossible to catch up with the proud sons of those top royal families immediately.

Just when Kong Xiang wanted to make a move.

A few light rainbows swept in the distance, but the elders of the Ice Spirit royal family.

"Prince Kong Xiang, please forgive my concubine Qingxue's collision. We will arrange for her to marry Prince Yan at the next day."

The elders of the Ice Spirit Royal Clan were very humble and held a very low posture.

"Elders, you..."

Fei Qingxue bit her lip.

Indeed, she is not alone in her family, and there is the Ice Spirit Royal Family behind her.

If Kong Xiang is really angered, the entire Ice Spirit Royal Family will be in a big crisis.

It seemed that after seeing the hesitation in Fei Qingxue's eyes, Kong Xiang best showed a touch of playfulness.

"Hey, my son is actually very good at talking."

"Let this Fei Qingxue kneel down, crawl under my feet, and lick my shoes. This is all over." Kong Xiang said lightly.

"Master Kong Xiang, this..."

Several elders of the Ice Spirit Royal Family clenched their fists, their pupils trembling.

There is a terrible anger in my heart, but I dare not show it.

They have put their posture very low, almost becoming grandsons of tortoises.

As a result, this Kong Xiang was still so humiliated.

Prince Yan opened his mouth, trying to say something, but in the end he still didn't dare to speak.

Fei Qingxue will become his concubine afterwards, and now she has to crawl on the street and lick Kong Xiang's shoes.

For Prince Yan, his face was also dull.

It may even be made fun of.

But in the end, he still said nothing.

Fei Qingxue's body trembled slightly, as if a bitter wind and snow were set off in her silver pupils.

"Don't do it, yes, it's just the consequences, I wonder if your Ice Spirit royal family can afford it?" Kong Xiang said indifferently.

Fei Qingxue took a deep breath, her nails almost pierced into her palm.

It may be simple to grasp one's own destiny, and the big deal is death.

But it is difficult to grasp the fate of the entire ethnic group.

Fei Qingxue showed a sad smile at the corner of her mouth.

This is the foreign, cold and iron-blooded law of the jungle.

Weak strength, weak identity, weak background, there is no dignity at all!

Just when Fei Qingxue was struggling.

A soft voice suddenly sounded.

"I think you can do a demonstration first."

This voice was suddenly far and near, but it seemed to resound in everyone's ears.

Many people were shocked and looked around.

who is it?

Who has the courage to stroke Kong Xiang's beard at this time?

The crowd in front was shaken away by the inexplicable aura.

Two figures came along leisurely.

The leader, dressed in white, has a bright and long body, with a deep and introverted breath, like a bottomless pit, bottomless, making it difficult to detect.

There seems to be a haze on the surface, but the corner that is vaguely glimpsed is also astonishing as the celestial being banished from the immortal.

Beside the white-clothed man, followed by a petite book boy with red lips and white teeth, blinking his big eyes, watching the situation in the court curiously.

It is Jun Xiaoyao and Chunchun who came here.

"Which son is this?"

Some alien creatures were shocked and curious.

But no matter how they probed, they couldn't feel the breath of Jun Xiaoyao at all, let alone his cultivation.

Even his appearance was looking at the flowers in the fog, and I felt very amazing, but afterwards, it seemed that he could not remember clearly.

This is naturally the effect of Dafa.

But in any case, Jun Xiaoyao is very mysterious in the eyes of everyone.

"Huh? Who are you?"

Kong Xiang looked at Jun Xiaoyao and frowned.

He also couldn't perceive Jun Xiaoyao's breath.

But he only thinks that there is something on Jun Xiaoyao's body that shields his perception.

He would never think that this young man who was a little too overpowered would be stronger than him.

"It doesn't matter who I am. The important thing is whether you can demonstrate how to lick your shoes on the ground." Jun Xiaoyao said calmly.

"Hehe, the hero saves the United States, this set is a bit vulgar."

"Besides, do you have the capital to save it?" Kong Xiang smiled, showing clear white teeth.

Jun Xiaoyao also chuckled, noncommittal.

He stood up, naturally because.

Fei Qingxue is the daughter of luck that he created by himself.

He even bestowed a precious drop of supreme divine blood.

How could such a \*\*\*\* be forced to death by Kong Xiang?

Didn't that ruin his plan?

Jun Xiaoyao has always left no room for those who undermine his plan.

Fei Qingxue also looked at Jun Xiaoyao.

A hint of surprise flashed in his eyes.

Jun Xiaoyao has an excellent temperament, just like a banished immortal walking in the turbid world.

But why should he help himself?

The elders of the Ice Spirit Royal Family were also puzzled.

But they didn't think that the young man in white could restrain Kong Xiang.

However, before Kong Xiang was furious, Prince Yan jumped out directly.

"Who are you to dare to be so presumptuous!"

"Ok?"

Jun Xiaoyao's eyes converged, and the chaos in his eyes was fleeting.

The light in his eyes is like an invisible sword of chaos ~[www.mtlNovel.com](http://www.mtlNovel.com)~Void trembling!

Make a big roar!

Pouch!

Prince Yan's entire body, together with the soul, exploded together!

The blood mist and broken bones blow away with the wind.

This piece of heaven and earth fell into absolute silence all at once.

All the foreign creatures onlookers were trembling, their scalp numb, as if a pelvic bone-piercing cold water poured on their hearts.

A ray of light, killing a royal prince?

What kind of tactic is this?

[Chapter 916: 1 consistent domineering and strong, then cut Kong Xiang, is a ruthless man](#)

There was a ring of cold air around.

There was an unprecedented tremor and unbelievable in the eyes!

Prince Yan is the top arrogant of the Fire Rock royal family.

Although it is impossible to compare with the ten great heavenly kings and others, they are also very famous among the younger generation of Tianmu Dazhou.

He was stared to death with a stare.

This is terrifying!

What is even more frightening is that Jun Xiaoyao didn't have any breath during the whole journey.

As a result, everyone couldn't figure out what cultivation level Jun Xiaoyao was in.

The audience was silent and silent, and none of them reacted.

Even for Kong Xiang, he felt unreal for a moment.

Jun Xiaoyao's expression was faint.

This kind of stuff, when he is in the world of the gods, he can easily die with a breath.

Not to mention that now, the strength of his cultivation realm has greatly increased, and his eyes are more than enough.

"court death!"

The masters of the Fire Rock royal family took a few breaths before they reacted.

Because even they themselves thought that they had hallucinations!

All the masters of the Fire Rock royal family, with red eyes.

Prince Yan is dead, and their guards cannot escape death.

So all of them were killed with red eyes.

Among them, there is no shortage of powerful people in the Great Sacred Realm.

This is also a very strong cultivation realm in a foreign land.

However, Jun Xiaoyao also just glanced away.

The chaos in his eyes surged.

The eyes seem to have turned into a black hole of primitive chaos.

This is also an ability of Chaos Physique, Chaos Eye!

boom! boom! boom! boom! boom!

A series of explosions sounded.

The heads of those masters of the Fire Rock royal family exploded like a watermelon.

The blood mist drifted all over the sky.

The noisy street market fell into absolute silence.

Fei Qingxueyu couldn't help covering her red lips with her hands.

She was so surprised.

When did Tianmu Dazhou emerge such a powerful and mysterious Tianjiao?

Kong Xiang, his face was stiff at the moment, completely stunned, his eyes almost fell out of his eye sockets.

It's not that he hasn't seen the real top arrogant.

Even the Emperor Tianjiao have seen it.

But no matter how powerful they are, at least they can do it.

How could it be the same as the mysterious white man in front of him.

Can you kill with just one eye?

How powerful is this?

Or have some special physique?

Or this is not a young man at all.

But an old monster?

"Qian...senior, why bother pretending to be a young man and teasing me?" Kong Xiang said bitterly.

With such abilities, at least they should have broken through the ninth stage of Tongsheng and set foot on the Seventh Supreme Realm.

This kind of character, even in the top royal family, is the existence of the older generation.

Not that he can offend.

"Senior? I can't afford this status." Jun Xiaoyao said calmly.

Everyone can hear the irony in the language.

The corners of Kong Xiang's eyes twitched even more, and his heart seemed to be pinched by a big hand, which was extremely uncomfortable.

He has always been in a high position, wantonly playing with those inferior creatures.

As a result, at this moment, he himself became an inferior creature, and Jun Xiaoyao picked it up at will. His own cultivation base is also the Great Sacred Realm, similar to those masters of the Fire Rock Royal Family.

Jun Xiaoyao can kill them with a single eye, and naturally it can kill Kong Xiang too.

"I said, you can demonstrate how to lick other people's shoes on the ground." Jun Xiaoyao said.

Kong Xiang's face was suffocated, and a mouthful of old blood almost squirted out.

Jun Xiaoyao's humiliation is more uncomfortable than killing him.

"Why, you can instruct others, but you can't be yourself?"

"That's because my status is higher than her, and my strength is stronger than her." Kong Xiang gritted his teeth secretly.

"That's simple, I am stronger than you, and I can kill you now."

Jun Xiaoyao's words brought a hint of chill and killing intent.

Kong Xiang took a deep breath, staring at Jun Xiaoyao firmly and said: "Don't be too much, I am a member of the Black Peacock Royal Family."

"My cousin is Kong Qianqian, and she has a marriage contract with the immortal emperor."

Kong Xiang moved out of his backer.

Just a Kong Qianqian, may not be able to suppress the mysterious man in front of him.

But with the immortal emperor, that should be enough.

After all, the immortal emperor is in a foreign land, it is the existence of heaven, and it is the highest king's law.

There is a word circulating in a foreign land.

Even a dog that walked out of the immortal emperor had to be offered as an ancestor.

Hearing this, the surrounding alien creatures also nodded secretly.

This Kong Xiang would also take advantage of it.

The immortal emperor is indeed very powerful.

Although that Kong Qianqian was probably just one of the concubine rooms of Emperor Tianjiao.

Jun Xiaoyao smiled.

There is a very ridiculous feeling.

In the world of Shenxu, Tushan Xiaoxiao and Pu Yao from the imperial clan were beaten like dogs by him.

As a result, Kong Xiang even threatened herself with Kong Qianqian and her imperial fiancée.

It's really absurd and ridiculous.

Jun Xiaoyao didn't say anything yet.

Chunchun on the side curled his lips and said, "What is it to marry an emperor, it's just a little wife, not a fart."

A group of alien creatures were dumbfounded.

This little book boy is really amazing.

"Well, I have limited patience."

Jun Xiaoyao stepped freely.

boom!

Kong Xiang's whole person was directly pressed by a terrifying aura, lying on the ground, his limbs spread out, like a big king.

A feeling of dying came to Kong Xiang's heart.

He has no doubt that if he does not follow suit, he will be crushed in the next moment!

"I do, I do!"

Kong Xiang crawled towards Jun Xiaoyao slowly like a dog.

The whole room was silent.

Who would have thought that one of the top ten dignified royal families, the proud son of the Black Peacock royal family, would crawl like a dog in the downtown area and lick shoes.

Several elders of the Ice Spirit Royal Family were also petrified, and they looked stupid.

"What is the origin of this son, dare to offend the Black Peacock royal family like this?"

"Yes, this has offended both the Fire Rock Royal Family and the Black Peacock Royal Family."

The elders of the Ice Spirit royal family are still unbelievable.

Only Fei Qingxue looked at Jun Xiaoyao's eyes brighter than ever.

She knew that Jun Xiaoyao wanted Kong Xiang to lick his shoes on the ground, just to vent her anger.

"why?"

Fei Qingxue felt flattered.

Why should this mysterious, peerless son care about and help her so much?

Kong Xiang, full of humiliation, with blood dripping from the corners of his mouth and chin, crawling towards Jun Xiaoyao's feet like a dead dog.

He endured the extreme humiliation and wanted to lick Jun Xiaoyao's shoes.

But the next moment.

Jun Xiaoyao stepped on the sole of his foot.

boom!

The air wave set off, Kong Xiang's whole body was directly exploded, and the physical body and the soul no longer existed.

"Sorry, I have a cleanliness addiction."

Jun Xiaoyao's indifferent words fell like feathers.

Everyone around was stunned, and then extremely shocked.

The top royal pride, just killed it?

And after playing around for a while, then kill.

This young man is a ruthless man!

"This....."

A group of elders of the Ice Spirit Royal Family were dull and their scalp numb.

This is going to break the sky!

The surrounding atmosphere instantly boiled, and the pan was fried.

Jun Xiaoyao walked to Fei Qingxue indifferently, with inexplicable meaning flowing in his eyes.

It's time to continue to fool this woman of luck.

"Aren't you going to entertain me?" Jun Xiaoyao said.

"Oh, yes, the son will come with Qingxue..."

Fei Qingxue was startled like a frightened little rabbit, and then the white Xuedi instantly became red, with a trace of panic and shyness.

Upon seeing Chunchun from the side, she rolled her eyes.

Is the handsome guy going to harm the good girl again?

Fei Qingxue leads Jun Xiaoyao and Chunchun, UU reading [www.uukanshu.com](http://www.uukanshu.com) to the Bingling royal family residence.

Several elders of the Ice Spirit royal family followed with worry on their faces.

Countless noises rang out all around.

"Hey, my boy, who is that sacred young man in white? Is it really a descendant of the emperor?"

"I haven't heard of it at all."

"However, if you don't have a big background, you probably can't offend the black peacock royal family, right?"

"Then wait and see, Kong Xiang has fallen, and his cousin Kong Qianqian will definitely not let this person go."

"When the Tianxian Banquet opens, there will be a good show to watch."

[Chapter 917: Started to fool again, God's spokesperson, continue to lay out](#)

The whole ancient city was exploded, and countless people were talking about Jun Xiaoyao.

I was very curious about the mysterious white-clothed boy.

As for Kong Xiang, he came to the ancient city in advance, wanting to support Prince Yan.

As a result, I lost my life.

His cousin, Kong Qianqian, will arrive on the day of the Celestial Banquet.

It is conceivable that when the fairy banquet opens on that day, it is the time when the good show really takes place.

And at the moment.

In the western area of the ancient city, there is a rather exquisite courtyard.

It is the place where the Ice Spirit Royal Family lives.

Fei Qingxue brought Jun Xiaoyao and Chunchun to this place.

The three entered a pavilion.

As for the elders of the Ice Spirit Royal Family, they were worried about what they were discussing.

At the same time, he was still sending messages to Bing Ling Tianzun.

After all, what happened this time was too big.

It can be regarded as offended and killed the Fire Rock Royal Family and the Black Peacock Royal Family.

Maybe their Ice Spirit royal family will also be implicated.

In a foreign land, genocide is not uncommon.

At the moment, in the pavilion.

Jun Xiaoyao is at the top.

Chunchun sat aside.

Fei Qingxue stood there respectfully.

She knows that no matter what the origin of this white-clothed boy, it is definitely not something she can be abrupt.

Besides, for Jun Xiaoyao, Fei Qingxue only has infinite gratitude.

After all, no one can offend the Fire Rock Royal Family and the Black Peacock Royal Family for the sake of strangers.

"Small, you go out first."

Jun Xiaoyao said lightly.

Chunchun wrinkled her little nose after hearing the words.

Although she didn't like this title, she still uttered a soft snort in her nose and stepped out.

In the pavilion, only Jun Xiaoyao and Fei Qingxue remained.

Fei Qingxue was a little nervous inexplicably.

Why is this young man calling other people out?

Is it to be like the story in the story, the hero saves the beauty and promises each other?

But for some reason, Fei Qingxue didn't have much disgust and resistance in her heart.

This is definitely not because the young man in white in front of him is handsome and strong.

Well, it's definitely not the case.

"Do you know why I want to save you?" Jun Xiaoyao said.

"Qingxue doesn't know." Fei Qingxue lowered her head.

"Ah....."

Jun Xiaoyao stood up suddenly.

A vast breath overflowed.

The next moment, the surrounding scene changed, Fei Qingxue seemed to be drawn into the depths of the vast starry sky.

A familiar breath and coercion caused Fei Qingxue's pretty face to change suddenly, with a deep sense of astonishment.

She looked at Jun Xiaoyao, her heart beating sharply!

Is it possible...

"I am the \*\*\*\* of destiny and creation, the spokesperson who walks in the world, and the embodiment of his preacher and will."

Jun Xiaoyao's expression was flat and his voice was mighty, spreading across the sky of stars.

The reason why Jun Xiaoyao did not directly say that he is the \*\*\*\* of destiny and creation.

It is because God is to be aloof, is to be mysterious, in order to be awe-inspiring.

If God lifts the veil, the deterrent will be much smaller.

Therefore, Jun Xiaoyao does not directly say that he is the \*\*\*\* of destiny and creation.

Instead, he became the spokesperson of God.

In this way, Jun Xiaoyao's authority status was not shaken.

God is still the \*\*\*\* above.

"Fei Qingxue, I have seen Lord God Envoy!"

Fei Qingxue knelt down.

She finally understood why this young man in white would rescue her.

It turned out that he was the envoy of the \*\*\*\* of destiny and creation, and realized her suffering, so he came to relieve her.

This can't help but strengthen the faith in Fei Qingxue's heart.

"You don't need to be nervous, just call me Mr., as long as you have a sincere belief in the God of Destiny and Creation, God will favor his followers."

Jun Xiaoyao smiled faintly, his expression calm.

"That's nature, Qingxue is an eternal believer of Lord God of Destiny and Creation, and is willing to dedicate everything to it." Fei Qingxue said with a pious face.

"Very well, I also know the situation of your Ice Spirit Royal Family. It's really not too good, but it doesn't matter. God will bless you."

"Next, you can give the Dao Xin magic tactics given by God to other people in the clan for cultivation, and then let your entire clan become stronger silently."

"After that, wait for my order to arrange, and then pass the Dao Heart Magic Technique to other royal families and generals." Jun Xiaoyao said.

He also finally said his purpose.

Jun Xiaoyao is now in a step-by-step layout plan.

On the side of the weakest slave, there is a chess piece Tuoba Yu.

As for the royal family, it is difficult for Jun Xiaoyao to infiltrate those prosperous royal families in a short time.

This declining ice spirit royal family happened to be the best chess piece.

They are also most eager to become stronger.

As long as there is desire, there is desire, and you can take the opportunity to enter.

After Jun Xiaoyao took control of the Ice Spirit Royal Family, he could infiltrate other royal families step by step.

Of course, this is not something that can be achieved in a short while.

Even to infiltrate the Ice Spirit Royal Family also needs to be done step by step.

After all, in the Ice Spirit Royal Family, there are also powerful men like Ice Spirit Heavenly Sovereign.

Jun Xiaoyao figured out that even if it was just a declining ice spirit royal family, the power of belief provided by it would be more than that of dozens or hundreds of slaves.

Of course, the slaves can spread their beliefs quickly, far surpassing the royal family in terms of speed and scale.

"Qingxue would like to follow Mr.'s orders." Fei Qingxue saluted.

The next moment, the world turned around, and they returned to the original pavilion.

Fei Qingxue was nervous and shy before.

Even, there are still some silly daydreams.

But now, she has absolute respect and admiration for Jun Xiaoyao.

After all, this one is the divine envoy of the Lord of Destiny and Creation, the spokesperson who walks in the world!

"Okay, let's wait for the Tianxian Banquet to start."

"In addition, let those elders of your clan do not need to worry about the trouble of the Fire Rock Royal Family and the Black Peacock Royal Family, I will not ignore it." Jun Xiaoyao said.

"Thank you sir!"

Fei Qingxue's face was ruddy, showing a trace of excitement.

What she worries most is whether the two royal families will avenge the Ice Spirit royal family.

Now it seems that with Jun Xiaoyao, what else is she afraid of?

In the small courtyard, several elders of the Bing Ling royal family were a little embarrassed.

After all, this incident was caused by Fei Qingxue.

Their ice spirit royal family can't escape responsibility no matter what.

"You elders don't have to worry." Fei Qingxue walked over.

"Miss Qingxue, the identity of the son of UU reading [www.uukanshu.com](http://www.uukanshu.com) is..." There was a hint of hope in the eyes of an elder.

They do not ask Jun Xiaoyao to be the heir of the immortal emperor.

As long as they belong to the quasi-imperial clan, this crisis can be resolved.

Fei Qingxue lightly shook her head and said: "You elders don't have to worry about this kind of thing, wait until the fairy banquet, everything will be clear to you."

Hearing Fei Qingxue's words, the faces of the elders were undiminished.

They can only expect some miracle to happen.

When Fei Qingxue saw the sad faces of the elders, she secretly thought it was a little funny.

"You don't even know the origins of your husband, and what a supreme existence is standing behind him."

[Chapter 918: The Tianxian Banquet opens, the top masters from all parties show up, the theology of war...](#)

A few days later, everyone in the ancient city felt it.

The spiritual energy between the heaven and the earth, like a vast ocean, tumbling and boiling.

"The Celestial Banquet is about to start!"

The generals of all parties, the royal family's arrogance, showed excitement and were eager to try.

"I heard that there are five heavenly celestial fruits on the heavenly celestial tree this time. I don't know who can be lucky enough to taste it."

"Don't even think about it. Even the fairy tea made from the fairy leaves may not be able to drink a cup, and you still think about the fairy fruit."

"Don't talk about drinking fairy tea, even if you just smell a scent of tea, it's enough to make people sublimate."

There was a lot of discussion from all over the ancient city.

"By the way, a few days ago, the mysterious son who killed Prince Yan and Kong Xiang, I wonder if he will go to a banquet?"

"Should go, there will be a good show then."

Just when the whole ancient city was boiling.

In the courtyard where the Ice Spirit Royal Family is located.

"Sir, the fairy banquet is about to start."

Fei Qingxue respectfully said.

Jun Xiaoyao walked out calmly, looking into the distance.

A huge peak almost towering into the sky, looming in the clouds.

He could feel a strong energy circulating, accompanied by the radiance of the immortal Dao.

A foreign land, vast land and abundant resources, is even broader than the Nine Heavens Immortal Territory.

Among them, there are many chances against the sky.

This fairy tree is one of them.

"Let's go." Jun Xiaoyao said.

He and Chunchun, and Fei Qingxue, set off together.

Several elders of the Ice Spirit royal family were always frowning and followed behind them.

"It's the Ice Spirit Royal Family!"

"Sure enough, that mysterious young man will also participate in the Heavenly Immortal Banquet!"

"It's worth seeing."

Many people are paying attention to Jun Xiaoyao's movements.

Jun Xiaoyao's appearance at this moment undoubtedly caused an uproar in the Quartet.

...

Fallen Xianling Mountain is a famous treasure place in Tianmu Dazhou.

As the name suggests, the legend is that a drop of fairy blood fell here.

Nourish a fairy tree.

Looking around, the whole area of Fallen Xianling, misty and enlightened.

There are green pines and cypresses, Yaocaoqi flowers, and gully vines.

In the middle of Fallen Mountain, a strange peak, like a pillar supporting the sky, towers into the sky.

The highest peak is where the fairy tree grows.

And this strange peak is very peculiar and has a special field.

Even a saint, it is difficult to fly and cross over here, and will be greatly suppressed.

It is precisely because of this that, over time, the Tianxian Banquet has become a place for the Tianjiao competition in Tianmu Dazhou.

Only the strong can reach the pinnacle.

Drink celestial tea and taste celestial fruit.

At this moment, the mountains around the peaks are already full of densely packed alien creatures.

The one with the lowest background is also a general.

The slaves are not qualified to set foot here.

On a mountain, a group of royal creatures were gathering and talking.

They can be said to be the top group of tianjiao at this celestial feast.

One of the royal family, Tianjiao, has four pairs of eyes on his face, and a pair of moth-like wings grow on his back.

This is the Tianjiao of the Moth King.

The moth king is considered to be the most prosperous royal family before it ranks 50th among the top 100 royal families.

"This time the Shenxu World Project, our world has failed miserably. It is amazing that all the younger generations, except for the imperial Pu Yao and Tu Shan Xiaoxiao, have fallen."

"What's even more surprising is that I heard that there is only one Immortal Tianjiao who swept my world."

Aside, a young man with two golden horns on his forehead sighed.

He is the young arrogant of the Golden Goats.

"That man is the \*\*\*\* son of the Xianyu Jun family. His name is Jun Xiaoyao. He is said to be an unparalleled and extraordinary man. He finally died by sealing the gods with evil thoughts. I really want to see what kind of person he is."

A beautiful woman in a long silver dress has a hint of curiosity in her eyes.

She is the proud daughter of the silver royal family, named Yinling.

The silver royal family, like the black peacock royal family, is one of the ten top royal families.

"Yinling, what you said seems like there is no good man in our world." The young Tianjiao of the Golden Sheep Clan shook his head.

"That's not the case. Some time ago, it was not that there was a vision that shocked the sky. The black six-pointed star appeared above the sky. Some people rumored that the dark sequence in the myth of the doomsday may have awakened." Yin Ling said.

With these words, Tianjiao, the royal family present, had a more solemn expression.

The dark sequence in the doomsday myth is not comparable to ordinary Tianjiao.

Even the top ten kings of the younger generation are only rationed to dark sequence shoes.

"Just don't know, where is that dark sequence sacred?" Tianjiao of the Moth Demon King was also curious.

At this moment, a voice suddenly sounded in the distance.

"Maybe when the God of War Academy is opened, you can see the Dark Sequence appear?"

In the distance, a man in a black cloak appeared. His black hair was like ink and his eyes were like two black holes.

"That's... the heavenly arrogant of the gluttonous race!"

Shocked by the royal family Tianjiao.

The gluttonous clan, in the same line as the evil dragon, and the fallen monster phoenix clan, are all quasi-emperor clan.

This family is rumored to have a part of the great fierce, gluttonous bloodline, claiming to have the ability to swallow the sky!

"Sure enough, the quasi-emperor Tianjiao showed up."

However, what shocked many royal family Tianjiao was the words of the gluttonous family Tianjiao.

"The God of War Academy is really going to be opened?" The Golden Goat Clan Tianjiao asked in amazement.

"It should be. I've also heard the news before that the supreme institution of higher learning in Xianyu, Nine Heavens Immortal Academy, has been opened, and it will cultivate true core elites."

"Our world will naturally also have countermeasures. The opening of the God of War Academy is imperative," Yin Ling said.

"The God of War Academy, it is the highest institution in our world. It has not been opened in several epochs. I didn't expect it to be opened in this great world. I don't know what kind of situation it will cause?"

There is the royal family Tianjiao sighing.

The God of War Academy, in the name of the God of War, is naturally to cultivate the invincible God of War Tianjiao.

Its purpose is the same as that of the Nine Heavens Immortal Academy in Xianyu, which is to concentrate on cultivating top figures in the world.

It can grow into a pillar in the future!

The invincible God of War that came out of the God of War Academy almost all swept their peers.

In history, the young God of War who once had the God of War Academy was born. In the borderlands, he even slashed ten seed-level figures in the Immortal Territory.

The young supreme who can be titled the God of War is not difficult to achieve the lowest achievement in the future, and even to achieve true immortality.

"In fact, the reason why the Tianxian Banquet in Tianmu Dazhou was opened was to prepare for the God of War Academy, and to enhance the competitiveness of the younger generation of my Tianmu Dazhou."

On the other side, there was a roar like a dragon, and a sound like a snake crowing.

It was a big golden snake, not big, about one foot long.

There is a pair of three-foot-long meat wings on the back, which are larger than its snake body.

Able to speak, when speaking, the sound made can penetrate gold and cracked stones.

Quasi-Emperor Clan~www.mtlnovel.com~Ming Snake!

Around the royal family, another commotion.

It seems that today's Tianxian Banquet competition will definitely be fierce.

Because the God of War Academy is about to open, the stronger you are, the more you have the chance to be included in it and compete for the title of God of War!

Just when everyone was discussing the Tianxian Banquet and the God of War Academy.

Far from the sky, a magnificent ship flew across the sky.

Two figures stood above.

"The proud daughter of the Black Peacock family is here!"

"The one next to her is...his...is it a member of the Immortal Emperor Clan!"

[Chapter 919: Kong Qianqian appeared, immortal emperor clan, Mingzhao 1 clan](#)

The magnificent boats crossed the void, radiant, with a sense of luxury.

In a foreign land, the order is strict.

The low-strength ethnic groups don't dare to be so arrogant and take the fancy means of transportation.

Above the ship deck.

A pair of young men and women stood.

The woman wore a long black dress and outlined a slender body.

The appearance is also excellent, with Danfeng eyes, crimson lips, and features like jade.

Pull up one ink hair and tie it up with a malachite hairpin.

The whole person reveals a lofty temperament, is a cold and proud beauty.

It is Kong Qianqian, the proud daughter of the black peacock royal family.

Beside her, there is a man standing.

The face is very young, there is a pattern on the eyebrows, and the whole temperament is good.

Standing with Kong Qianqian, he hasn't been compared at all.

When everyone looked at it, they were surprised at first, and then heaved a sigh of relief.

"I was scared to death. I thought it was Kong Qianqian's husband-in-law who came. If he comes, what can we do?"

"Yes, Minzhao's Lijiumin, one of the top three in terms of combat power among the ten heavenly kings, is a true imperial elite and one of the leading figures."

"The man next to Kong Qianqian seems to be a servant of Li Jiuyao. He came with her this time. He should have come to boost the momentum."

Kong Qianqian's arrival undoubtedly caused a lot of waves.

Even the Tianjiao from the gluttonous tribe and the Mingsnake lineage did not dare to underestimate it.

Although they are quasi-emperor Tianjiao, according to their status, they are higher than Kong Qianqian.

But Kong Qianqian is a woman from Jiuyao.

Even if it was just a little wife, her status was not comparable to that of the general quasi-emperor.

The immortal emperor clan in a foreign land is the supreme existence, and its status cannot be violated.

"Miss Qianqian, the master said that he needs to retreat and prepare for the God of War Academy. This time, let me accompany you to pick the fairy leaves and the fairy fruit."

The servant from Jiu Min was named Wu Kun and was several thousand years old.

Relative to the monk's long age, he was considered young, and his cultivation was in the quasi-sovereign realm.

It's just that at this moment, Kong Qianqian's face is not so good-looking, and there is a touch of coldness in his eyes.

Upon seeing this, Ukun said, "Ms. Qianqian is because of your cousin's business? Don't worry, I will resolve this matter."

"Well, although my cousin is not a weapon, he is still related to me by blood. If the man in white who killed him appears today, don't let him leave."

Kong Qianqian's tone was light.

Kong Xiang is just a cousin of hers, not much close, but after all, she is also in her line.

Kong Xiang was killed, Kong Qianqian always wanted something to show.

If the man in white appeared today, it would happen to be resolved easily.

If it doesn't appear, she has a way to send the strongest among the clan to find it.

After all, the majesty of the top royal family cannot be provoked.

Just when Kong Qianqian thought this way in his heart.

Suddenly there was an exclamation sound around.

"That young man in white has really come!"

"It's really courageous, knowing that Kong Qianqian will be here at the Celestial Banquet."

"This time there will be people from the emperor clan accompanying him, this young man is afraid it is a bit bad."

In the noise.

A peerless and mysterious young man in white clothes came into the air leisurely.

His steps are light, slow, and leisurely.

There is no amazing breath, but it just gives people an unpredictable feeling.

"Is the fairy tree on there?"

The person who shows up is naturally Jun Xiaoyao.

He lifted his head slightly, and he could see that above the ten thousand meters high peak, an ancient tree was vaguely visible, shrouded in the misty fairy mist.

"Wow, I want to eat the fairy fruit..." Crystal saliva dripped from the corner of Chunchun's mouth.

Obviously, this snack product has been a little uncontrollable.

Fei Qingxue's face was firm, without the slightest hint of panic.

It seems that in her heart, Jun Xiaoyao's words are beyond doubt.

Jun Xiaoyao said that there is no need to worry, then there is no need to worry.

On the contrary, the few elders of the Ice Spirit Royal Clan that followed were all anxious.

Especially after seeing Kong Qianqian and Wu Kun of the emperor clan, their faces became paler and their eyes trembled.

"People from the Mingzhao Emperor Clan..." The elder of the Ice Spirit Royal Clan was a little desperate.

If the imperial clan does not appear, there may be some room for reversal.

It now appears that Kong Qianqian is going to settle accounts with them.

"Ok?"

The first time Jun Xiaoyao appeared, Kong Qianqian cast his gaze over.

She was also stunned for a moment.

I have to say that Jun Xiaoyao's temperament is too exquisite, super dusty and vulgar, like a true immortal walking in the red dust.

Although he didn't leak a trace of breath.

But it feels more noble than the imperial clan.

Kong Qianqian and Wu Kun, who had good temperaments, were in front of Jun Xiaoyao.

It turned into a local chicken almost instantly.

"You killed my cousin?"

Kong Qianqian asked.

Jun Xiaoyao slowly retracted his gaze, and then landed on Kong Qianqian.

Holy main realm cultivation base.

In terms of her age, she is extremely talented and strong.

It is no wonder that some people say that Kong Qianqian's strength is close to the top ten heavenly kings.

but.....

Even Pu Yao, who is truly one of the ten heavenly kings, is not the enemy of Jun Xiaoyao.

Kong Qianqian, what is it.

And at that time, in the world of the gods, Jun Xiaoyao's strength was worlds apart from now.

Now if Jun Xiaoyao wants to kill Pu Yao, he doesn't need much effort.

Seeing that Jun Xiaoyao didn't mean to answer.

Wu Kun on the side stood up and said coldly: "Did you hear Miss Qianqian ask you, dare to do it but dare not admit it?"

As soon as Ukun's words fell, he immediately felt that a line of sight fell on him.

In an instant, Wu Kun felt like a mountain was pressing down on his body.

That kind of pressure is actually stronger than the coercion of Master Li Jiu Ming!

Pedal! Pedal! Pedal!

Wu Kun stepped back a few steps, cold sweat appeared behind him.

"Wu Kun, what's the matter?" Kong Qianqian turned his head.

Wu Kun is a quasi-supreme powerhouse. He has been with Li Jiujun all the year round, and his strength is also extremely good.

"No, nothing..." Ukun let out a deep breath.

I was a little puzzled, and felt that Jun Xiaoyao was a bit wicked.

But when he thought of his identity as an emperor, Wu Kun's confidence rose.

The owner of his house is one of the ten heavenly kings, Li Jiuyao.

Standing behind is the immortal Minzhao family.

Looking at a foreign land, not many people can make him jealous.

Just when the atmosphere was a bit tense.

Several old antiques who presided over the celestial banquet appeared.

"My proud children, the Heavenly Immortal Banquet is about to start. If there are any issues, let's solve them later."

These old antiques, UU reading [www.uukanshu.com](http://www.uukanshu.com) stand in the void, their strength is extraordinary.

"Hmph, if he dares to climb the mountain, take advantage of the situation and solve him." Kong Qianqian snorted coldly in his nose.

With Ukun here this time, she is destined to get the Heavenly Immortal Fruit.

"Well, everyone, let's start the Tianxian Banquet." An old antique said.

In an instant, countless shrill sounds of breaking wind sounded between heaven and earth.

All the exotic Tianjiao rushed to that towering strange peak almost at the same time.

Moth King Tianjiao, Golden Goat Tianjiao.

The silver spirit, the proud daughter of the silver royal family.

There are also the quasi-imperial family, the gluttonous family and the Ming snake family.

All rushed at the same time.

Kong Qianqian glanced at Jun Xiaoyao coldly, also climbing with Wu Kun.

All Tianjiao, at the moment of climbing, a huge field pressure was overwhelmed.

As a result, everyone can only climb step by step.

This is also a test.

And some creatures who did not participate in the Tianxian Banquet, their eyes fell on Jun Xiaoyao.

Because he did not sprint over like everyone else.

"Sir, we..." Chunchun was rubbing her little hands on the side, she was greedy for Tianxian Guo.

"This fairy banquet is a bit boring." Jun Xiaoyao shook his head slightly.

I thought I could run into an interested opponent.

As a result, none of the ten heavenly kings showed up.

Ukun, the only quasi-superior, also made him completely disinterested.

"Then just go pick it."

Jun Xiaoyao sighed, and walked away with the two daughters Chunchun and Fei Qingxue.

When Jun Xiaoyao entered the Qifeng area, everyone's eyes converged.

next moment.

All alien creatures were dumbfounded.

Jun Xiaoyao just stepped into the void, step by step to the top of the mountain.

What about the others?

Climbing in the tortoise!

[Chapter 920: What a loss, do not leave a leaf, take all chances](#)

If you don't see it with your own eyes, everyone will think they are dreaming.

This is the Fallen Immortal Mountain, especially the Qifeng area where the Tianxian Tree is located.

Have a strong field suppression.

Even Quasi-Supreme can only walk.

But now, what they see.

Jun Xiaoyao is walking in the air.

He also brought two oil bottles with him.

This is outrageous!

"I report, he cheated!"

There was a foreign Tianjiao shouting, and his heart was extremely unbalanced.

"what happened?"

The old antique who presided over the celestial banquet was also surprised.

Of the younger generation, there should be few people who can resist this field suppression.

They tried to get closer, but also felt a strong suppression.

At the same time, there are several divine thoughts, sweeping through Jun Xiaoyao.

"Hey, this junior has something, it's hard to detect its breath?" Old Antique asked in surprise.

But apart from that, they did not find other abnormalities.

The only explanation is.

This young man in white may be stronger than everyone thought!

"There is no abnormality. Let's proceed as usual." An old antique said.

The fall of these words also quelled some controversies.

These old antiques are at least supreme and there is nothing wrong with them.

"how can that be?"

Kong Qianqian couldn't believe it either.

Because of her strength and the presence of Ukun, her speed is in the first echelon.

But compared with Jun Xiaoyao, it is like a cloud and mud difference.

This makes people's minds collapse, and no one can accept it.

"How could this happen, then what is the meaning of our coming here to participate in the Tianxian Banquet?" Tianjiao of the Golden Goat Clan shouted.

"At his speed, whether the fairy leaf or the heavenly fruit, it is estimated that it will fall into his hands." Yin Ling said.

"Hehe, he also has that life to enjoy, is it possible that he dare to offend all our royal families, quasi-imperial clans, and even the emperor clans alone?"

Tianjiao of the gluttonous tribe sneered.

With so many Tianjiao present, how could all the benefits be taken up by the white-clothed man alone.

The Tianjiao of the Astronomers believes that the man in white should not have the courage and dare to swallow the opportunity alone. This is undoubtedly offending all the Tianjiao present.

Other Tianjiao think so too.

But soon.

Jun Xiaoyao brought Chunchun and Fei Qingxue to the top of the mountain.

Looking around, on the top of the mountain, an old tree stands tall.

The leaves are not very dense, but rather sparse.

Only those leaves are very peculiar.

On the leaves, blurred sun, moon, stars, rivers, mountains, rivers and seas are depicted.

It is like tracing a side view of the sky and the earth on the leaves.

There is a natural Taoist rhyme lingering, and it is in harmony with Tao.

At the same time, the entire body of the heavenly fairy tree still has many threads, blood-line-like lines spreading.

It must be the influence of that drop of immortal blood.

"Is this the fairy tree?"

Fei Qingxue was shocked.

Originally, with her strength, it was impossible to reach this place.

Now I just look at it, I feel very content.

After all, just sitting cross-legged under the heavenly fairy tree can get great benefits.

"It's a good baby." Jun Xiaoyao also praised slightly.

With Jun Xiaoyao's critical eyes, it was not easy to get some praise from him.

Jun Xiaoyao saw that this celestial tree had been nurtured by a drop of celestial blood for countless years.

It has exuded a kind of short-distance aura, no worse than the ancient tree of enlightenment.

Even Jun Xiaoyao could feel that this celestial tree already had a little self-fuzzy will.

This is rare.

In the universe of Jun Xiaoyao, the world tree has this kind of self-will.

That's why it resists, and doesn't want the evil thoughts of the deity to get it.

This fairy tree, although it can't be compared with the world tree.

But it can be called a wonder of the world at the level of the fountain of life.

However, the thing that caught Jun Xiaoyao's attention the most was Tianxian Guo.

Five heavenly celestial fruits, located on the heavenly celestial tree, are like five small suns, releasing a dazzling light of godliness.

There are thousands of rays of sunshine lingering in the sky.

What surprised Jun Xiaoyao.

Xian Guo looked like a small person sitting cross-legged that day.

Jun Xiaoyao couldn't help but think of the legendary ginseng fruit.

Jun Xiaoyao figured out that the reason why the heavenly fairy tree bears the human-shaped heavenly fairy fruit is probably related to that drop of fairy blood.

The humanoid fairy fruit is an extension of the image of the owner of the blood of the immortal.

The five celestial fruits are all treasures.

At the same time, it exudes a scent that makes the soul lingering, seductively coveting.

Chunchun on the side showed starry eyes, and her saliva fell like a waterfall, she couldn't stop it at all!

"Sir, sir..." Chunchun was a little impatient.

Fei Qingxue on the other side also swallowed secretly.

No one can refuse this fragrance.

Fei Qingxue lowered her head slightly.

She knew that she did not have this qualification.

Jun Xiaoyao stepped forward.

Suddenly, the heavenly fairy tree trembled, and various ways were intertwined, turning into light blades, and slashing towards Jun Xiaoyao.

Obviously, there is no certain strength, even the qualifications to pick.

Jun Xiaoyao let out a chuckle and flicked his sleeves.

The chaotic aura emerges, and it is a light blade to obliterate all Taoism.

"Well, that's..."

It was this hand that made the faces of a few old antiques congealed suddenly above the sky.

"That breath, a bit like..."

Some old antiques were surprised, and had some guesses in their hearts.

Because Jun Xiaoyao only used one move, they couldn't really feel it.

With a wave of Jun Xiaoyao's big sleeves, all the fairy leaves and five fairy fruits on the fairy tree that day were picked.

The whole celestial tree became a little bare in an instant.

"Little bit, Qingxue, make tea." Jun Xiaoyao said.

It just so happened that under the fairy tree, there was a stone table and a few stone benches.

"Okay!" Chunchun cheered.

Hastily stretched his little hand to the treasure bag around his waist, took out the tea set, and Wannian ice spring water and other utensils.

She had planned to come to the Celestial Banquet before, so all the props were ready.

"Sir, this..."

Looking at the bare fairy tree, Fei Qingxue was speechless.

Dare to love Jun Xiaoyao is to swallow all the opportunities alone, and is not afraid to provoke the anger of the public.

And even if he swallowed it, he didn't want to leave, but made tea here.

Is it a bit too arrogant and pretentious?

If you let other Tianjiao who climbed up to see it, wouldn't it be so angry that one Buddha was born and two Buddhas ascended to heaven?

"Don't worry." Jun Xiaoyao smiled.

It is also a great pleasure to stand alone, taste fairy tea, and taste fairy fruit.

"Hey, this young man is really..."

In the sky, the old antiques are a little bit too much to stand. UU Reading [www.uukānshu.com](http://www.uukānshu.com)

Doesn't this put the younger generation of Tianmu Dazhou in the eyes?

It's too arrogant.

This is also a few old antiques, who don't know the true identity of Jun Xiaoyao.

If you let them know that Jun Xiaoyao is a person from Xianyu, he would definitely not be so calm.

It's alright now, this is a chance for the younger generation of the foreign Tianmu Dazhou.

Taken by Jun Xiaoyao alone.

Jun Xiaoyao sits leisurely on the stone bench, while Chunchun and Fei Qingxue are making tea.

But at this time, Kong Qianqian, Wu Kun, as well as Snakes, Tianjiao and other creatures of the gluttonous tribe, panting for breath, belatedly, and difficult to board.

When their eyes fell on the bare fairy tree, they all had the urge to vomit blood.

Good guy, how bad it is, this is not a leaf for them!
