

Sacred King 2511

Chapter 2511

"Who's talking?" Yue Ying was stunned. The voice sounded like it came from the Blood Fiend Lake. But how was that possible? How could there be a living person in the Blood Fiend Lake? Immediately after, a figure slowly walked out of the lake. There was not a single drop of water on him. He had black hair and a green robe. He had delicate features, but his eyes were filled with killing intent! "Su Zimo!" Heaven Immortal Yue Ying was shocked and exclaimed! The surrounding cultivators' expressions changed as well. They frowned in disbelief. The news of Su Zimo being forced into the Blood Fiend Lake by Zong Feiyu had already spread among the crowd. Everyone assumed that Su Zimo was dead. Who would have thought that Su Zimo would walk out of the Blood Fiend Lake alive! Only Zong Feiyu, Song Ce, and a few others were not shocked. Instead, they were happy. Su Zimo was still alive. This meant that they had another chance to snatch the Jade Purity Jade Book from him! "You ... You ... Aren't you already dead?" Heaven Immortal Yue Ying felt a chill run down his spine when he was stared at by Su Zimo. His voice trembled uncontrollably. He had seen Su Zimo's methods with his own eyes. Even the experts on the Heaven Roll could not withstand Su Zimo's attacks! Heaven Immortal Yue Ying felt a strong sense of danger, as if a catastrophe would befall him at any moment. He was also very decisive. He wanted to take out a teleportation talisman and escape from the Shura battlefield. Bang! A figure flashed past. Immediately after, Heaven Immortal Yue Ying was sent flying by a huge force. His body suddenly exploded in mid-air, turning into a cloud of blood mist! This tremendous force blasted his Primordial Spirit into smithereens! Fast, too fast! Even though Heaven Immortal Yue Ying knew that Su Zimo wanted to kill him, he could not avoid it! A Stage Nine Heaven Immortal was instantly killed by Su Zimo without being able to resist! That powerful divine sense could suppress Xie Qingcheng, a Stage Seven Heaven Immortal, but it could not suppress Su Zimo, who was at the same level. "Look, he has already broken through to Stage Seven Heaven Immortal!" "He must have obtained some sort of fortuitous encounter at the bottom of the lake." "So what if he's a seventh level Heavenly Immortal? What can he do? I predict that any one of the top ten on the Heaven Leaderboard will be able to teach him a lesson! "

Many cultivators noticed the changes in Su Zimo's body and started discussing. The more ignorant one was, the more fearless one was. As for the six experts who fought against Su Zimo in front of the Blood Malevolent Lake, they frowned secretly. Although the battle at that time was short, Su Zimo was able to injure Song Ce in a one versus six situation, which showed how terrifying his means were. Now that Su Zimo had broken through to the Seventh Level of the Heavenly Immortal Realm, his combat strength would definitely rise to another level! Of course, to the six Heaven Immortals, Su Zimo, a Tier Seven Heaven Immortal, was not much of a threat. He was just a little troublesome. Su Zimo helped Xie Qingcheng up. "Brother Su, you're still alive!" Xie Qingcheng was overjoyed and excited. Su Zimo nodded and looked at the Nirvana Bridge behind him. "Go to the island and get the seal. With me here, no one can get on this bridge." He said it casually but there was a domineering aura in it. It was as if he was looking down on everyone present! The six experts who were predicted to be in the top ten of the Heaven Leaderboard were present as well. Su Zimo's words were equivalent to disregarding the six Heaven Immortals! "Hmph!" Princess Yu Yan's eyes were filled with disdain as she sneered. "You're just a defeated opponent of Brother Zong. How dare you boast so shamelessly?" "How arrogant!" Duke Yan could not help but stand out and point at Su Zimo, scolding, "You're just a seventh level Heavenly Immortal and you dare to guard the Nirvana Bridge alone?" "With an order from me, dozens of Heaven

Immortals under my command will crush you until there's nothing left of you!" Su Zimo swept his gaze and saw a few Heaven Immortals behind Duke Yan who were originally on Xie Qingcheng's side. With a thought, he guessed what Xie Qingcheng had encountered in the past. "I don't need you to give the order. I'll cripple you first!" Before Su Zimo could finish, he released his innate divine power, Six Fangs Divine Power! The flesh of Qinglian's true body had refined and absorbed countless White Tiger malevolent qi. The malevolent qi outside no longer had any effect on him. Six divine elephant tusks that were as white as jade grew from Su Zimo's back. They emitted a terrifying aura and the power in his body surged!

At the same time, Su Zimo's right eye burst forth with an incomparably blinding beam of light that tore through the air! It was his visual technique, Illumination Eye! "Watch out!" Lie Xuan's expression was grim and his pupils constricted as he reminded Duke Yan loudly. The killing eye technique arrived in the blink of an eye. Lie Xuan did not have time to release any other methods and hurriedly conjured his visual technique as well! Boom! Their visual techniques collided with a deafening bang and sparks flew everywhere! Lie Xuan's visual technique was similar to Illumination Eye and was also incomparably bright, hovering in his eye sockets like two blazing suns. Unfortunately, no matter how strong his visual technique was, it could not match Illumination Eye. The predecessor of Illumination Eye was the visual technique of Dragons, the Illumination Dragon Eye. If it was just the Illumination Dragon Eye, it might be evenly matched against Lie Xuan's visual technique. However, Su Zimo's right eye contained a mysterious Illumination Stone. With the Illumination Stone as the foundation, he could unleash the power of Illumination Eye to its limits! After the two visual techniques collided, there was a slight pause. Immediately after, Illumination Eye broke through the obstruction of Lie Xuan's visual technique and arrived behind him instantly, in front of Duke Yan! Initially, Illumination Eye was aimed at Duke Yan's glabella. However, there was a slight deviation because of Lie Xuan's obstruction. Even so, the light beam from the Illuminating Eye still entered Duke Yan's chest and exploded with a loud bang! "Release your Essence Spirit and escape!" The moment the two visual techniques made contact, Lie Xuan had a bad feeling and shouted. With Lie Xuan blocking at the front, Duke Yan reacted and his Essence Spirit flew out of his head hurriedly. The moment he did that, his body was shattered by the beam released by Illumination Eye. A raging fire burned and even his Essence Spirit was about to be engulfed! Lie Xuan hurriedly took out the teleportation talisman and pressed it on Duke Yan's Essence Spirit, shattering it instantly. Duke Yan's Essence Spirit was sent out of the battlefield in Shura. Su Zimo's visual technique was way too terrifying. Duke Yan's body was completely crippled and turned into ashes before long without a single drop of essence blood left.

Even with Lie Xuan's capabilities, he could only protect Duke Yan's Essence Spirit as much as possible and send it out of danger temporarily. Many cultivators were gathered in the massive square of Flaming Sun Palace. Everyone knew that today was the final day of the seal battle and the Duke of Spirit Dawn County would be decided. Therefore, many cultivators were gathered here to wait. All of a sudden! A beam of light flashed in the square. Immediately after, an Essence Spirit appeared with a pained expression. It struggled continuously and screamed, "Save me!" "Duke Yan!" Everyone recognized the Essence Spirit quickly and exclaimed. Although Duke Yan managed to escape from the battlefield in Shura, his body was crippled and his Essence Spirit was affected by the residual power. His body was scorching hot and shone with a red light. Xie Ling's expression changed as he hurried forward and released his True Essence to suppress the fire poison in Duke Yan's Essence Spirit and resolve the

crisis. Xie Ling looked at Duke Yan whose Essence Spirit was dim and dispirited and shook his head gently, sighing internally. Although Duke Yan managed to survive, his Essence Spirit was severely injured. Even if he could find a suitable body in the future, he would be crippled and disappear from the masses.

Chapter 2512

On the battlefield in Shura. With Duke Yan's withdrawal, no matter how many people were left in his group, he no longer had a chance to obtain the Spirit Dawn Seal. Lie Xuan was enraged. It was not because Duke Yan had withdrawn from the fight for the seal, but because Su Zimo had crippled Duke Yan right in front of him. That was no different from slapping him in the face in public! All of a sudden! Lie Xuan's expression changed starkly! "Not good!" Before he could retaliate against Su Zimo, Su Zimo had already charged over. Although he did not turn back, Lie Xuan could still sense a suffocating malevolent aura surging over! It was as though it was not a human that was charging over, but a savage ferocious beast that ate humans! Lie Xuan had just saved Duke Yan and was slightly distracted, allowing Su Zimo to seize the opportunity to close in! He did not have time to release any divine powers or weapons. At this distance, the only way to resolve the crisis and turn the tables was to release secret skills instantaneously! Lie Xuan did not dare to release teleportation. Although teleportation could allow him to escape from his original spot, it was a supreme divine power after all that had to be released. During the process, it was easy to be interrupted. He was already at a disadvantage to begin with. If he was interrupted by Su Zimo, there was a high chance that his life would be in danger! "Ah!" In a flash, Lie Xuan made a judgment and channeled his blood qi to its limits. His bloodline phenomenon appeared vaguely as he released a sound domain secret skill! "Roar!" However, at the same time, Su Zimo's sound domain secret skill rang in his ears. The dragon roar that was filled with endless might burst forth once more, reverberating through the world and charging into the clouds! It could be said that Lie Xuan's reaction was extremely fast and he made the right choice. However, things were different now. More than 20 days ago, Su Zimo released the Dragon Roar secret skill at the realm of a Rank 6 Heavenly Immortal without the support of Six Fangs' divine power. But now that Su Zimo had broken through to become a Rank 7 Heavenly Immortal, the power of the Dragon Roar secret skill had almost doubled! The two of them were extremely close. Behind Lie Xuan and the 60 odd Heavenly Immortals under Duke Yan were the first to bear the brunt and suffered the greatest impact!

"Pfft!" Lie Xuan spat out a large mouthful of blood. His head buzzed and his expression was sluggish. His ears hurt and blood seeped out. The blood qi within his body surged and before his Bloodline phenomenon was fully formed, it was nearly scattered by Su Zimo's Dragon Roar and was on the brink of collapse! Lie Xuan was ranked fourth on the Heaven Ranking, a reincarnated True Immortal of the Flaming Sun Immortal Empire. His fleshly body and bloodline were extremely powerful, and he had almost no weaknesses. Even he couldn't endure it, let alone the sixty-plus Celestial Immortals behind him. Puff! Puff! Puff! The heads of the Heaven Immortals in the first few rows exploded like watermelons. Their Primordial Spirits were destroyed. The Stage Nine Heavenly Immortals behind him were also swaying, bleeding from their seven orifices. Their eyes were glazed over as they died. Plop! Plop! More than sixty Celestial Immortals fell to the ground in rows. Those who were further away didn't have any injuries on their bodies, but they looked dazed. Their Sea of Consciousness had been shattered, and their Primordial Spirits had dissipated. Duke Yan's army was completely wiped out! Those people died in the battlefield of Shura before they could even release their teleportation talismans. As for Su Zimo, he released his Dragon Roar and did not even look at those people. Like an anaconda, he coiled around Lie

Xuan's body and exerted strength! Boom! Lie Xuan's Nine Suns Hovering Bloodline phenomenon collapsed before he could release it! Crackle! The sound of bones cracking could be heard from within Lie Xuan's body. His eyes bulged and were bloodshot. His face was purplish and it was as though he was about to explode from being squeezed by Su Zimo! "Brother Su, hold on!" Right then, Xie Qingcheng snapped out of her stupor and shouted hurriedly. "Hmm?" Su Zimo's expression changed and he did not continue exerting strength. Instead, he recovered and reached out, grabbing the top of Lie Xuan's head and lifting him up, striding towards Xie Qingcheng. Lie Xuan was predicted to be number four on the Heaven Ranking. Now that he was grabbed by Su Zimo, his entire body went limp and he could not resist at all. Su Zimo pressed his palm on the top of his head and sealed his Essence Spirit.

As long as he made any strange movements, Su Zimo's palm would be able to kill him! The entire process happened way too quickly! It was only at this moment that the surrounding cultivators snapped out of their daze and their expressions changed! The crowd was horrified and retreated instinctively, wanting to distance themselves from Su Zimo. Nobody expected Su Zimo to be so domineering as to take the initiative to attack Duke Yan and Lie Xuan in front of everyone. What was even more unexpected was that Duke Yan who was arrogant and domineering earlier on was crippled instantly and fled the Shura. His team was completely annihilated! Even Lie Xuan who was predicted to be number four on the Heaven Ranking and was a reincarnated Perfected Immortal was suppressed by Su Zimo and captured alive in melee combat! The entire process took merely a few breaths. Everyone knew that it was easy to defeat someone of the same cultivation realm. However, it was extremely difficult to capture someone alive unless one's strength was superior. Zong Feiyu, Song Ce and the other experts on the Heaven Ranking had different expressions. They did not stand by idly on purpose. It was just that none of them expected Lie Xuan to be defeated so quickly! By the time they reacted, the battle was already over. Zong Feiyu, Song Ce, Heaven Immortal Luo Yang, Yue Hai and Xie Tianhuang exchanged glances. Although they did not say anything, they had a tacit understanding. Su Zimo had given them way too much pressure earlier on! If they were to fight again, the five of them would definitely have to join forces! In the blink of an eye, Su Zimo brought Lie Xuan before Xie Qingcheng and asked, "Why? Brother Xie, are you planning to deal with him personally?" "No." Xie Qingcheng looked at the dispirited Lie Xuan and shook his head slightly, hesitating to speak with a troubled expression. After hesitating for a moment, he said, "I would like to ask Brother Su to spare him this once." "Oh?" Su Zimo raised his eyebrows slightly. Xie Qingcheng hurriedly explained, "Before this, Duke Yan brought people to humiliate me. He helped me before, I ..." Xie Qingcheng was very clear about kindness and hatred. He owed Lie Xuan a favor. In his opinion, Lie Xuan's crime did not warrant death. "Alright." Su Zimo nodded.

Since Lie Xuan had helped Xie Qingcheng before, there was no harm in letting him go. Su Zimo was about to release Lie Xuan when Xie Qingcheng hurriedly waved his hand to stop him. Xie Qingcheng looked at Lie Xuan and said solemnly, "Brother Lie Xuan, I can let you go, but you have to promise me that you will leave Shura immediately and not attack Brother Su again. You are not allowed to be enemies with Brother Su from now on!" Although he wanted Su Zimo to let Lie Xuan go, he did not want to give Su Zimo another strong enemy in Shura because of this action. Lie Xuan clenched his teeth, his eyes burning with anger. He pursed his lips and did not say a word. Of course he did not want to die, but he did not want to surrender either! Also, he had just been defeated, and he was not willing to accept it at all! In his opinion, Su Zimo had suppressed him completely because he was distracted while saving Duke Yan, which led to a series of defeats later. He still had a lot of tricks and trump cards that he had not used

yet!At this time, Su Zimo seemed to see through Lie Xuan's thoughts and suddenly asked, "Lie Xuan, are you not willing to accept it?"Lie Xuan clenched his fists and still refused to speak."Hahahaha!"At this time, Su Zimo looked up and laughed loudly. "Lie Xuan, so what if I let you go? If I can suppress you once, I can suppress you a second time! "

Chapter 2513

Hiss!Everyone at the scene was shocked and their expressions were aghast!These words could be said to be filled with lofty sentiments and shocking the heavens!Even the six True Immortals of the Divine Firmament Palace who were above the blood mist could not help but exclaim in admiration."This kid is so bold!""There are Zong Feiyu and the other five experts who are predicted to be in the top ten of the Heaven Leaderboard. There are hundreds of top Heaven Immortals. Surrounded by so many enemies, this kid restrained a strong enemy like Lie Xuan and even dared to let him go. Who can match such boldness!"Fairy Divine Crane's beautiful eyes were full of splendor. She could not help but say, "In a while, we must write this sentence on the Heaven Leaderboard!""Of course!"..."You, you really dare to let me go?"Lie Xuan finally spoke, his face full of disbelief.In all fairness, even if he was in Su Zimo's position, he would not let him go. This was no different from letting a tiger return to the mountain."Don't say I didn't warn you."Lie Xuan gritted his teeth. "With my physical body and bloodline, it won't take long to recover my combat strength. You ..."Before Lie Xuan could finish, Su Zimo threw Lie Xuan back to the opposite side.Lie Xuan looked at Su Zimo with a complicated expression. Taking a deep breath of air, he took out a bunch of elixirs from his storage bag and swallowed them, beginning to recuperate and heal his injuries.Su Zimo looked at Xie Qingcheng and said indifferently, "Don't worry and go get the Lingxia Seal. With me here, no one will be able to pass."It was almost the same sentence.Just now, everyone felt that it was extremely ridiculous and arrogant.But now, everyone could hear a strong and unshakable confidence in these words!"This ..."Xie Qingcheng was still a little hesitant."With you here, I can't do anything."Su Zimo nodded slightly and gave Xie Qingcheng a reassuring look."Okay!"Xie Qingcheng did not hesitate anymore. She turned and walked toward the island at the end of the Paramita Bridge."Don't let him pass. Do it!"Duke Ming Jiong hurriedly urged.Princess Yuyan, Duke Feng, and the others were also a little anxious and hurriedly gave the order.

In reality, there were five people who acted even faster than the Regional Dukes' orders!Zong Feiyu, Song Ce, Luo Yang Tian Xian, Yue Hai, and Xie Tianhuang, the five of them were predicted to be in the top ten of the Heaven Leaderboard. Without saying a word, they split into five different directions and charged toward Su Zimo!At this time, Su Zimo had just said goodbye to Xie Qingcheng. His back was facing the crowd, and he did not turn around.This scene was extremely similar to when Su Zimo had attacked Lie Xuan."Hmph!"Su Zimo didn't turn around, but he had already sensed the danger.His expression did not change, but the killing intent in his eyes was almost tangible. His hand formed a spell that he had never released before!The Blood Fiend Lake seemed to be attracted by some kind of powerful force, and the endless Blood Fiend Lake quickly condensed.A terrifying aura descended upon the battlefield.Zong Feiyu and the other four felt a chill in their hearts, and their expressions turned serious.Under this aura, their minds began to tremble uncontrollably, as if something extremely terrifying was about to happen!Suddenly!Roar!Accompanied by an earth-shattering tiger roar, a huge white demonic tiger suddenly appeared in the west of Song Ce. It was emitting a powerful killing intent.The White Tiger Sacred Beast had arrived!When the White Tiger Sacred Beast appeared,

everyone present felt a pressure that came from the depths of their bloodline and soul, and they all trembled in fear!The White Tiger Sacred Beast's eyes were red. It locked onto Song Ce, who was in front of it, and suddenly pounced toward him!Along with the tiger's roar, the five Perfected Immortals quickly released their own Sound Domain secret techniques to resist the White Tiger Sacred Beast.However, the White Tiger Sacred Beast appeared suddenly, and its aura was locked onto Song Ce. It did not give him any chance to escape!Song Ce still wanted to resist, and in the blink of an eye, he released a series of secret techniques!Unfortunately, none of them could stop the White Tiger Sacred Beast from pouncing!The White Tiger Sacred Beast opened its bloody mouth and swallowed Song Ce. Blood spurted out, and the killing intent entered Song Ce's body, destroying his vitality!This scene was extremely shocking.In the eyes of countless cultivators, a white tiger suddenly appeared in the west and held Song Ce in its mouth.

Song Ce's body was covered in blood, and he was motionless. His eyes were wide open, and they were filled with horror. There was no sign of life in his body!Song Ce was dead!The White Tiger Sacred Beast held Song Ce's body in its mouth and stood in the air, exuding a shocking killing intent. It was as if it was the God of Slaughter between heaven and earth!Although Song Ce was dead, he still took out the teleportation talisman from his storage bag and crushed it before he died.Unfortunately, it was all too late.Song Ce's body was wrapped in a ray of light, and he left the battlefield in Shura.This was the fourth secret technique of the Prison Suppressing Cauldron, the White Tiger Sacred Beast!In fact, although the power of the White Tiger Sacred Beast was terrifying, it was not at the level where it could kill Song Ce, who was predicted to be the fifth on the Heaven List, in one move.Song Ce was not that weak.However, because this was the battlefield in Shura, the killing intent was everywhere.Su Zimo's position was at the edge of the Blood Lake.Therefore, when the White Tiger Sacred Beast was formed, it absorbed a large amount of the killing intent in the lake, and it was almost materialized!One must know that even a True Immortal would not be able to withstand such killing intent and would have to avoid it.The reason why Su Zimo was able to survive in the Blood Malevolent Lake was because he relied on the Green Lotus True Body and cultivated the White Tiger Corpse Devouring secret skill.Although Song Ce's methods were strong and he had many trump cards, he could not withstand the impact of the White Tiger Sacred Beast.Moreover, the White Tiger Sacred Beast was released in the form of a killing technique!After this secret technique was released, the scene instantly fell into a deathly silence, not a single sound could be heard!All the cultivators who wanted to attack Su Zimo earlier on were frozen on the spot, still unable to recover from the shock of what had just happened.Xie Qingcheng did not take a few steps. She was still worried and subconsciously turned back to look.At this moment, she saw a White Tiger coming from the west and killing Song Ce instantly!Only now did Xie Qingcheng truly feel at ease. She faintly realized that he might really be the final victor!In the square of the Flaming Sun Palace.Many of the cultivators gathered here did not know what happened in the Shura battlefield. They were only guessing based on the real-time prediction of the Heaven Leaderboard.

"I didn't expect Duke Yan to be almost crippled even with Lie Xuan's protection.""It must be Zong Feiyu. Only he has the ability to do so."Just as the crowd was discussing, a ray of light flashed in the square again.Following that, a bloody corpse fell from the sky and lay motionless on the ground. There was no sign of life in the body. It was already dead."Which unlucky guy got killed with a Teleportation Jade Talisman?"Haha, with this level of skill, you still want to participate in the Shura battlefield? Why don't you join us in the fun outside?"The crowd chuckled."Eh?"Someone frowned and said, "The corpse seems

to have a token of the Executioner's Guard hanging on his waist?""Executioner's Guard?"Someone stepped forward and kicked the corpse, turning it over.Seeing the corpse's face, the person was shocked and took a few steps back.Hiss!The other cultivators also sucked in a breath of cold air!The fifth on the Heaven Leaderboard, the Executioner's Guard Song Ce!Song Ce is dead!What happened in the Shura battlefield?

Chapter 2514

In the sky above the ancient city.The six Perfected Immortals of the Divine Firmament Palace were stunned.Divine Crane Fairy had already thought highly of Su Zimo and predicted that this battle would be very intense.However, she did not expect that Song Ce would be killed by Su Zimo in one move before he could even reach them!Song Ce was not a small fry. He was the first Executioner of the Divine Firmament Palace and was predicted to be fifth on the Heaven Leaderboard.It might be possible to defeat an expert of this level if they were of the same level.However, it would be extremely difficult to kill him!Moreover, it was an instant kill!Back then, in the battle between Qin Gu and Zong Feiyu, the second on the Heaven Leaderboard, Qin Gu was slightly better, but he could not kill Zong Feiyu.Song Ce had a teleportation talisman that could allow him to leave the battlefield in Shura at any time, but he did not have the time to use it."This ..."Shen Hong calmed herself down and analyzed in a low voice, "This Su Zimo is too smart. The reason why his secret technique was so terrifying was because he used the power of the Blood Lake! "Divine Cloud said, "After he appeared, he took control of the situation. Not only did he capture Lie Xuanyi, but he also took advantage of the environment to kill Song Ce."Song Ce's death is a wake-up call for everyone here," Divine Cloud said."If anyone sees that the situation is not good, they will immediately crush their teleportation talismans and escape."In fact, the situation below was just as the six Perfected Immortals had expected.The cultivators who were ready to use their Dharma treasures all took out their teleportation talismans from their storage bags and held them in their palms, looking alert.There was a short pause on the battlefield because of Song Ce's death.Everyone, including Zong Feiyu, Yue Hai, Luo Yang Tianxian, and Xie Tianhuang, froze. They were shocked and shocked.Confusion flashed through the minds of the four people subconsciously.If that fiendish white tiger had pounced on them, who would have been able to withstand it?No one could give an answer.Even Zong Feiyu could not guarantee that he could escape unscathed.Thinking of this, the four of them felt a lingering fear.Song Ce had died for the four of them!Of course, with their experience, they could quickly tell that Su Zimo's secret skill was based on the Blood Qi in the Shura battlefield.

Moreover, this kind of unparalleled killing secret technique could not be used continuously.Therefore, the four of them did not retreat.But just as the four of them were stunned, Su Zimo attacked again!Among the four, Zong Feiyu was the strongest.If he couldn't defeat Zong Feiyu in a short period of time, he would be surrounded by the four of them.Therefore, Su Zimo used the True Dragon's Nine Flashes and instantly appeared in front of Luo Yang Tian Xian.He had no intention of holding back at all. He raised his hand and unleashed a peerless technique, Fleeting Brilliance!"Call the Wind and Summon the Rain!"Celestial Immortal Luo Yang also released a peerless divine ability, but he could still feel a strong sense of danger!"Not good!"Celestial Immortal Luo Yang was aghast!He had heard of how terrifying Su Zimo's peerless divine ability was, but he had never experienced it before. He could never understand the powerlessness of time.Even Lie Xuan had to use many divine abilities and secret skills, including the Nine Suns in the Sky, to escape unscathed.In a flash, Celestial Immortal Luo Yang's eyes flashed with decisiveness. He crushed the teleportation talisman in his hand and chose to escape from

the Shura battlefield! It was not that he was weak, but that he had no other choice. With his means, he could release many divine abilities and secret skills, including the Bloodline Anomaly. He could definitely resolve the danger of Fleeting Brilliance. However, Su Zimo was already close to him! He chose to stay on the battlefield and resolve Fleeting Brilliance, which meant that he would have to face Su Zimo's close combat attacks! He had seen Su Zimo's close combat power. If even Song Ce and Lie Xuan could not withstand it, he would not stand a chance. Moreover, after resolving Fleeting Brilliance, he would be at his weakest. If Su Zimo closed in on him, he might not even have the chance to tear the teleportation talisman. There was a flash of light. Celestial Immortal Luo Yang disappeared from the Shura battlefield and returned to the square of the Flaming Sun Immortal Kingdom. Although he had escaped, Fleeting Brilliance's divine abilities and power were still there. He could clearly feel his lifespan depleting at a terrifying speed!

Whoosh! Celestial Immortal Luo Yang's eyes widened as he activated his bloodline to the extreme. His body rumbled and released the Bloodline Anomaly. At the same time, he released many divine abilities and secret skills and finally expelled the power of time from his body. Even so, his lifespan had been completely reduced by 100,000 years! 100,000 years of lifespan in an instant! A Celestial Immortal's lifespan was 300,000 years. He was originally 190,000 years old and was at his peak. His vitality was strong, and his lungs were filled with energy! Now, his lifespan had been reduced by 100,000 years. He was 290,000 years old, and his hair was white and his face was full of wrinkles! His vitality was so weak that even his Bloodline Anomaly could not support it. "Ah!" Celestial Immortal Luo Yang grabbed his white hair. His eyes were wide open, and his face was contorted as he let out a hysterical cry! "Su Zimo, you're too ruthless!" Celestial Immortal Luo Yang grit his teeth and spat out a few words, trembling in anger. Su Zimo's attack earlier on was way too domineering and did not leave him any way out at all! If he had stayed on the battlefield in Shura and released his divine abilities, secret skills and Bloodline Anomaly to resist Fleeting Brilliance, he would have been killed by Su Zimo in melee combat. Even if he chose to leave the battlefield decisively, he would not be able to escape the severe injuries of Fleeting Brilliance! On the battlefield in Shura. Many cultivators were dumbfounded when they saw Celestial Immortal Luo Yang choose to escape after Su Zimo released a supreme divine ability. In fact, they even found it ridiculous. No matter how strong Su Zimo was, there was no need for him to be that scared, right? Su Zimo was the only one who raised his brow slightly and nodded. "As expected of the number eight on the Heaven Ranking. You do have some skills." Thankfully, Celestial Immortal Luo Yang escaped quickly. If he was slower, Celestial Immortal Luo Yang would definitely be dead by the time he released his melee combat technique! Su Zimo was sincerely praising Celestial Immortal Luo Yang. However, his words sounded like great mockery to the cultivators present. Many cultivators even secretly despised Celestial Immortal Luo Yang for being such a coward. Even the number eight on the Heaven Ranking was nothing compared to him. Su Zimo forced Celestial Immortal Luo Yang to retreat with a supreme divine ability. Without stopping, he turned around and charged towards Yue Hai, who was the closest to him.

On the other side, sword lights flashed. Zong Feiyu attacked! The Flying Fish Sword, which was as thin as a cicada's wing, arrived in an instant! Xie Tianhuang narrowed her eyes slightly. Instead of joining the battle, she turned around and charged towards the Paramita Bridge! His plan was perfect. Right now, Zong Feiyu and Yue Hai were working together to hold back Su Zimo. He could make use of this once-in-a-lifetime opportunity to charge onto the Paramita Bridge. By then, on the isolated island, it would be a battle between him and Xie Qingcheng! And Xie Qingcheng was no match for him at all. As long as he

could suppress Xie Qingcheng, Su Zimo would not be a threat to him and he would be able to successfully obtain the Lingxia Seal!

Chapter 2515

It had to be said that the Duke of Heavenly Phoenix's judgment of the situation was extremely accurate. The opportunity before his eyes was a once in a lifetime opportunity that was fleeting! Although he did not have any experts who were predicted to be in the top ten of the Heaven Roll, he had used Zong Feiyu and the others to create an almost perfect opportunity for himself. Even the six Perfected Immortals of Divine Firmament Palace, who were watching the battle from the sky, could not help but praise him for his cleverness. The Duke of Heavenly Phoenix's move could allow him to avoid a direct battle and maximize his advantage! Unfortunately, his opponent this time was Su Zimo. As soon as he made a move, Su Zimo sensed his intention. As he rushed toward Yue Hai, a jade book flew out from between his eyebrows. The jade book emitted a green glow. In the blink of an eye, it formed an avatar that looked exactly like him and rushed toward the Duke of Heavenly Phoenix! The Primeval Body from the Jade Pure Jade Book! Su Zimo's Qinglian Real Body was fighting against Yue Hai and Zong Feiyu. The Primeval Body was blocking the Duke of Heavenly Phoenix! Just as the Duke of Heavenly Phoenix reached the Paramita Bridge, the Primeval Body arrived first. He naturally recognized that this was an avatar formed by Su Zimo using the Jade Pure Jade Book. Su Zimo's purpose was to hold him back. "Hmph!" The Duke of Heavenly Phoenix sneered. He held the red Heavenly Phoenix Saber with both hands and slashed it toward Su Zimo's Primeval Body! "You want to stop me with just an avatar? You must be dreaming!" The Duke of Heavenly Phoenix shouted. His Qi and blood surged, emitting waves of color. He pushed his strength to the limit! In fact, the Duke of Heavenly Phoenix was right. The Primeval Body was formed by the Jade Pure Jade Book. Although it was powerful, it did not have a real Primordial Spirit. It could defeat ordinary cultivators of the same level, but it stood no chance against a top expert like the Duke of Heavenly Phoenix. Even if it transformed into the form of the Forbidden Dragon Phoenix, it would be useless. Suddenly! Just as the Heavenly Phoenix Saber was about to strike, the Primeval Body in front of him suddenly swayed slightly. The Duke of Heavenly Phoenix's vision blurred for a moment. Something seemed to have happened in front of his eyes, but everything seemed normal.

The doppelganger of Su Zimo in front of him still had black hair and a green robe, with delicate features. On the other side, Yue Hai and Zong Feiyu teamed up and unleashed the most powerful attack they had ever unleashed. They didn't hold back at all, and even unleashed their Bloodline Anomalies. Like a storm, they bombarded Su Zimo. Under such an attack, Su Zimo's figure seemed so frail, like a small boat in a stormy sea. Bang! Su Zimo's body exploded. He died just like that? Zong Feiyu and Yue Hai didn't believe it at all. What's more, Su Zimo's body exploded, but no blood flowed out. "This is a clone!" Zong Feiyu immediately thought of something. He turned around abruptly and looked in the direction of the Heavenly Phoenix Commandery Prince. "Be careful!" he shouted. Upon hearing Zong Feiyu's warning, a mocking look flashed through the eyes of the Primeval Body in front of the Duke of Heavenly Phoenix and his lips curled. When he saw that change in expression, the Duke of Heavenly Phoenix's pupils constricted violently and he suddenly felt a bone-chilling chill! The Su Zimo before him was not a clone, but his real body! Su Zimo's eyes shone brightly. Suddenly, he reached out and grabbed the Heavenly Phoenix Saber that was slashing down. He took a step forward, clenched his fist into a seal and smashed down! The Duke of Heavenly Phoenix hurriedly raised his arm. Bang! The seal smashed

down as though it was leather. Immediately after, the sound of bones cracking could be heard. The Duke of Heavenly Phoenix felt a sharp pain in his arm – it was broken by Su Zimo's punch! Su Zimo took another step forward and slammed down with another palm strike! The Duke of Heavenly Phoenix retreated and raised his head to dodge. Snap! The palm strike landed on his chest. His Heart Protection Mirror shattered! His chest caved in deeply as well, revealing a huge crater with the imprint of a palm! Even the armor on his body could not withstand Su Zimo's strength! The Duke of Heavenly Phoenix's Heavenly Phoenix bloodline was suppressed by the White Tiger Blood Malevolence and could not release his bloodline phenomenon. In close combat, Su Zimo crushed him effortlessly with a crushing momentum!

Left with no choice, the severely injured Duke of Heavenly Phoenix could only give up on the Heavenly Phoenix Saber and the Spiritual Dawn Seal. Filled with indignation and resentment, he tore apart the Teleportation Talisman and fled the battlefield in the Shura. He truly did not dare to hesitate at all! The scene of Song Ce's death earlier on was too deep. Duke Yan's physical body was also destroyed and it was unknown whether Heavenly Immortal Luo Yang was still alive. The person before him looked like a gentle and refined scholar. However, when he fought, he was decisive and had no scruples. Who knew if he would kill him when he was enraged! Su Zimo stood at the end of the Nirvana Bridge and casually threw away the Heavenly Phoenix Saber. With a thought, the Jade Purity Jade Scroll returned to his sea of consciousness. "I've said that no one can pass with me guarding here." Su Zimo's tone was indifferent. Zong Feiyu and Yue Hai's expressions were extremely ugly! The five experts who were predicted to be in the top ten of the Heaven Leaderboard had joined forces. In the blink of an eye, only the two of them were left. Moreover, in front of everyone, they and the Duke of Heavenly Phoenix were toyed with by Su Zimo. Their joint forces were completely destroyed! High up in the sky, Fairy Shencrane clapped her hands and praised, "Using the Primeval Body with Form Displacement, not only did he avoid the attacks of Zong Feiyu and Yue Hai, but he also took the opportunity to severely injure Xie Tianhuang. Impressive." "This move is indeed brilliant." Shen Ze shook his head slightly and said, "This guy has too much control over the situation. No one can escape from his calculations." "After all, he's from the Qiankun Academy." "I heard that during the Celestial Sect Selection, this guy was hunted down by the Dajin Celestial Nation. He won first place in the selection and had the chance to join any of the Four Major Celestial Sects. However, the other three Celestial Sects were wary of him and did not accept him. Instead, the Qiankun Academy picked up a treasure." On the battlefield, Lie Xuan, who had been recuperating at the side, had already recovered from his injuries. He stood up, full of fighting spirit. He had seen what had happened just now. Seeing that the situation was not good, Princess Yuyan could not help but urge, "Brother Zong, hurry up and chase this guy away. Xie Qingcheng is about to reach the island!"

Su Zimo was blocking the way. Even Xie Tianhuang could not get past him. How could they, the Dukes, dare to act rashly? Zong Feiyu looked at Lie Xuan and said, "Brother Lie, my Flying Fish Sword is greatly suppressed here. I can't use my peak combat power." Zong Feiyu did not say it directly, but Lie Xuan understood what he meant. Zong Feiyu was inviting him to come forward so that the three of them could work together to deal with Su Zimo. Lie Xuan shook his head slightly and said, "I will naturally compete with Su Zimo, but I will not work with the two of you." Su Zimo had just let him go. Even if he was unwilling to be suppressed and captured alive, he was too embarrassed to work with others. This kind of behavior was no different from a despicable person! He had to rely on his own strength to regain

his face!"Haha!"Hearing Lie Xuan's words, Su Zimo laughed and nodded with satisfaction. "Lie Xuan, you're not bad. When I'm free, I'll suppress you and let you go again! ""F * ck ..."Hearing this, Lie Xuan was so angry that he felt dizzy. His body shook slightly, and the blood that had just calmed down started to boil again. The newly healed wounds almost burst open!

Chapter 2516

In the square of the Flaming Sun Palace.Many cultivators looked at Luo Yang Celestial, who had just come out and was already in his twilight years. They were shocked and dumbfounded."I didn't expect Luo Yang Celestial, who is predicted to be eighth on the Heaven List, to be in such a miserable state.""Compared to Song Ce, he's lucky. After all, he's still alive.""Look at him. He's already in his twilight years. It's impossible for him to be on the Heaven List, let alone be ranked eighth."After a short moment of silence, the crowd began to discuss. Some people began to point at him and whisper.Luo Yang Celestial's old face was gloomy.The words around him were like sharp knives that stabbed into his heart.His life was ruined just like that!Ruined by a person who ascended from the Lower World.What was more ironic was that this person was so weak a few thousand years ago. He didn't even look at this person in the eye!At this moment, another ray of light flashed in the sky above the square.Then, a figure appeared, coughing up blood. He staggered and fell to the ground. He clutched his sunken chest and his face was pale."The Duke of Heavenly Phoenix!"A cry of surprise came from the crowd.The Duke of Heavenly Phoenix was a popular candidate for the seal this time.Although the Duke of Heavenly Phoenix didn't have any powerful helpers, he was predicted to be in the top ten of the Heaven List. If he could really get to the island, he would have the biggest advantage against the other Dukes!No one expected that the Duke of Heavenly Phoenix would be the first to be eliminated among the remaining Dukes.Even Xie Ling frowned. He was surprised."Isn't this battle too tragic?""Indeed. This is just the beginning. Three of the top ten Dukes on the Heaven List have already been eliminated. One is dead, one is at the end of his life, and one is severely injured.""It must be Zong Feiyu! Other than him, no one else has such powerful combat strength. ""It should be him. Although Brother Liexuan has such combat strength, he wouldn't be so ruthless against the Duke of Heavenly Phoenix."The crowd was discussing.Xie Ling stepped forward and took out a few Spiritual Pills. He gave them to the Duke of Heavenly Phoenix and asked with a frown, "What's the situation inside? Did Zong Feiyu do it?"

"No!"The Duke of Heavenly Phoenix panted slightly. His face was pale as he replied unhappily."Not Zong Feiyu?"Xie Ling was a little confused. After pondering for a while, an idea flashed through his mind.He suddenly recalled that there seemed to be a person on the Prediction Heaven List who was proficient in an exceptional ability that allowed time to pass!"Could it be ..."Xie Ling's expression changed slightly, revealing a look of disbelief....Shura battlefield, in front of the blood lake.The Commandery Prince of Ming Jiong was furious after losing Song Ce. He could no longer hold back and said in a deep voice, "In my opinion, we should join forces and suppress this person first!""Exactly."Princess Yuyan said, "With this person blocking the bridgehead, none of us can go over. We can only watch Xie Qingcheng take away the Lingxia Seal.""Alright!"Duke Yu also stepped forward and agreed. "Let's join forces and suppress this person first!"The Duke of Starflame quickly said, "That's right. It doesn't matter who gets the Spirit Dawn Seal. We can't let that b * tch Xie Qingcheng get it, right?""Hmph!"Su Zimo looked at the hundreds of elite Heaven Immortals opposite him and sneered. "A bunch of useless people. Even if you join forces, you are nothing to me!"This sentence was like a slap to the faces of the crowd.Almost all of the Heaven Immortals present were Stage Nine Heaven Immortals who could reach the ancient city.

There were also some elites on the Prediction Heaven List, including Zong Feiyu and Yue Hai. And now, Su Zimo's words were equivalent to scolding everyone! "Arrogant bastard!" "He's too arrogant!" "Everyone, let's attack together and teach him an unforgettable lesson!" Many of the cultivators were agitated. Without waiting for the orders of the Commandery Princes, they had already attacked one after another, exploding with Divine Powers and secret techniques. These Divine Powers and secret techniques were like countless torrential rivers, surging in one direction and converging into a stormy sea! Streaks of Heaven-grade Dharma Treasures turned into countless divine lights in mid-air, intertwining into an airtight net and enveloping Su Zimo! "Three Heads and Six Arms!" Facing the attacks of hundreds of cultivators, Su Zimo did not retreat at all. He guarded the Paramita Bridge alone and unleashed his ultimate Divine Powers.

Two more heads and four more arms grew from his body. One of his hands held the Tri-Jade Ruyi Scepter, the other held the Taiyi Horsetail Whisk, and the last held the Seven-Tailed Phoenix Feather Fan. The three hands that were free formed Divine Powers and Dharma Seals. He stood on the spot and spun rapidly. In mid-air, the Tri-Jade Ruyi Scepter turned into a stream of light and collided with the Dharma Treasures that were intertwined, creating a huge hole in the net. These Dharma Treasures collided with the Tri-Jade Ruyi Scepter and were instantly swept away. In the blink of an eye, the entire net was shattered by the Tri-Jade Ruyi Scepter. Even if some Heaven-grade Dharma Treasures fell, they were casually swatted away by Qinglian's real body. Su Zimo conjured the Spirit Turtle Shield and released the One Heavenly True Water at the same time. It enveloped the Spirit Turtle Shield, increasing the defensive power of the innate Divine Powers and allowing it to defend against the impact of the many Divine Powers and secret skills! At the same time, Su Zimo channeled a secret skill and released the Mystic Spirit Big Dipper Diagram, causing his strength to rise once more. A gigantic Star Domain appeared above his head and billions of stars shone with endless starlight that surged into his body. Even with hundreds of top-tier Heaven Immortals attacking at the same time, they could not do anything to Su Zimo! In fact, they could not even make him take a single step back! "I'll let you guys witness my capabilities as well!" After blocking the first wave of attacks, Su Zimo's eyes shone brightly and he clenched his sword fingers. A shocking killing intent burst forth from his body and surged into the clouds, shocking the Nine Underworlds! The Heavenly Slaying and Earthly Slaying were released at the same time! The next moment, the earth quaked and the skies collapsed! Billions of Heaven Slaying Sword Qi exploded in the crowd opposite him! In the sky, the stars were in a mess. Countless Sword Qi condensed into a Sword Qi Divine Dragon and swooped down. Everywhere it passed, blood was stained and broken limbs flew everywhere! The ground under the feet of the Duke of Star Flame suddenly cracked open and a Sword Qi Soaring Serpent emerged. In a hurry, he jumped and dodged. Splat! Even so, the Soaring Serpent still bit off more than half of his body. Blood was dripping and his internal organs spilled out. The stench of blood filled the air!

The Duke of Star Flame was scared out of his wits. He did not dare to stay in the same spot and immediately released a Teleportation Talisman and left the battlefield in Shura. The battlefield was in chaos because of the Heavenly Slaying and Earthly Slaying. During this period, rays of light flashed. Some people could not hold on and chose to leave the battlefield in Shura. However, Su Zimo's counterattack did not stop there! He changed his hand seals again and activated his Primordial Spirit. Suddenly, four different colored flames appeared beside him. Nanming Li Fire, Immortal Dao Fire, Fiend Dao Fire, and Buddhist Dao Fire! The four flames quickly merged together and transformed into a gigantic fireball. It

exuded an extremely high temperature as if it could melt everything in the world! Lie Xuan, who was extremely skilled in the Dao of Fire, could naturally feel the terrifying power contained in the fireball. However, this power was not enough to threaten him. At this moment, Su Zimo threw the fireball into the crowd. At the same time, another spirit sense flame burst out from his sea of consciousness and entered this fireball! Lie Xuan's expression changed drastically when he saw this!

Chapter 2517

The fusion of the four flames had already reached a terrifyingly high temperature. Now, another flame had fused into the giant fireball, causing the fireball to undergo a qualitative change and its power to increase by several times! "Run!" Lie Xuan's eyes widened as he suddenly roared. The fusion of the four flames was not much of a threat to him, but now, the fusion of the five flames was something even he had to use all his strength to block! If he was already in such a state, the fate of the others could be imagined! After all, Lie Xuan was a reincarnated True Immortal of the Flaming Sun Immortal Kingdom. He naturally did not want the many Dukes present to die here. For example, Duke Feng, Duke Yu, and the others had some understanding of the Dao of Fire and could feel the terrifying power of Su Zimo's mystic technique. Now that they heard Lie Xuan's warning, they did not hesitate to crush their teleportation talismans. It was a small matter if they could not snatch the Lingxia Seal, but if their cultivation was crippled or they died because of it, it would be too late for regrets. "Brother Zong, I ... " Princess Yu Yan was still hesitant as she subconsciously transmitted her voice. "Run!" Zong Feiyu did not waste time and only said one word. His judgment was the same as Lie Xuan's. Among the cultivators present, only he, Yue Hai, and Lie Xuan could block this mystic technique. The rest would not be spared! Some cultivators saw that the situation was bad and did not dare to hesitate after hearing Lie Xuan's warning. They quickly retreated from the Shura battlefield. However, some cultivators still had a trace of hope. When Su Zimo's Pentadhi Dao Fire exploded in the crowd and the flames spread in all directions, it was already too late for these people to escape! Some cultivators were at the center of the Pentadhi Dao Fire and were instantly vaporized. Their bodies and souls were destroyed, and not even a trace of ash was left. Boom! Boom! Boom! Zong Feiyu, Lie Xuan, and Yue Hai summoned their Bloodline Phenomenons at the same time to resist the Pentadhi Dao Fire! Zong Feiyu's Bloodline Phenomenons actually manifested a tall human figure that stood tall and looked down on everyone. It was in the sea of fire and protected him. Around Yue Hai's body, a deep blue ocean appeared, rolling up raging waves to resist the surrounding flames.

Lie Xuan stood in the sea of flames, nine suns hanging in the sky behind him. However, at this moment, his eyes were closed. His entire body was bathed in the Pentadhi Dao Fire. The nine blazing suns became even hotter, as if they were sensing something. Zong Feiyu and Yue Hai looked at each other and activated their Bloodline Anomalies. Stepping on flames, they charged toward Su Zimo in a triangular formation! Yue Hai lightly shouted, "Su Zimo, if you keep using this secret technique, let's see how long you can last!" In his view, Su Zimo was a Tier Seven Heavenly Immortal after all. Releasing Heavenly Slaughter and Earthly Slaughter, including this kind of fire-grade secret art, was a great burden on his Primordial Spirit. What he didn't know was that Su Zimo's nascent spirit had already reached the level of a Tier Nine Heavenly Immortal when he was a Tier Six Heavenly Immortal. Now, Su Zimo was a Stage Seven Heavenly Immortal, and his Primordial Spirit had surpassed that of a Stage Nine Heavenly Immortal. With the support of the Six Tusks Divine Power, his Primordial Spirit was infinitely close to that of a True First Realm cultivator! Otherwise, he wouldn't have been able to sense the six True

Immortals of Divine Firmament Palace in the sky above the ancient city."Su Zimo, you will die today!"Zong Feiyu had already put away his previous frivolous attitude. He now saw Su Zimo as the most powerful opponent in his life!Before this, he wanted to kill Su Zimo only to please Zither Immortal Mengyao and get the Jade Purity Jade Scroll.Now, his biggest goal was to kill Su Zimo and eliminate the threat!He didn't dare to imagine that if Su Zimo cultivated to Tier Eight or Tier Nine Heavenly Immortal, no one in the same realm would be able to fight him head-on!"Hmph!"Su Zimo sneered. "If you want to kill me, I'll add more fuel to the fire!"Before he finished speaking, he held the Seven-Tailed Phoenix Feather Fan with both hands and fanned it three times at the fire in front of him!The Seven-Tailed Phoenix Feather Fan was originally a top-grade magical treasure of the Dao of Fire.Although it was suppressed by the White Tiger Blood Malevolence and could not condense a Divine Phoenix, the power of the fan was still present.The fire borrowed the strength of the wind. Coupled with the raging wind created by a magical treasure of the Dao of Fire, the power of the Pentadhi Dao Fire was raised to another level!Glug! Glug!The deep sea around Yue Hai turned extremely hot in the blink of an eye. Countless bubbles rose and the surface of the sea was covered in mist.

Even Yue Hai's Bloodline phenomenon was about to be vaporized by the Pentadhi Dao Fire!Zong Feiyu's situation was not much better.The human figure behind him dimmed significantly and swayed slightly, as though it could not withstand the burning of the Pentadhi Dao Fire and could collapse at any moment."Don't waste time with him. Use your Essence Spirit secret technique and kill him directly!"Zong Feiyu hurriedly communicated with Yue Hai with his spirit consciousness."Alright!"Yue Hai had planned for this long ago.If the two of them joined forces and released their Essence Spirit secret technique, they could definitely deal a fatal blow to Su Zimo!As long as Su Zimo's Essence Spirit was attacked, the flame secret technique he released would be destroyed on its own.Swoosh!Yue Hai's glabella shone brightly as his massive spirit consciousness condensed continuously.In the blink of an eye, a seemingly small mountain flew out of his consciousness. However, it contained a tremendous amount of spirit consciousness power and flew towards Su Zimo."Go!"A sword beam flew out from Zong Feiyu's glabella as well and shot towards Su Zimo's face instantly."Essence Spirit?"Su Zimo had a fearless expression and chose to ignore the sword qi secret skill released by Zong Feiyu. He gathered his spirit consciousness and channeled his secret skill!"If you want to fight with your Essence Spirit, I'll show you what an Essence Spirit secret technique is!"Su Zimo hollered and released the Rulai Dharmic Seal first. A bedazzling golden rune collided with the incoming mountain.The collision of Essence Spirit secret techniques was silent but extremely dangerous!"Hmm?"Yue Hai's expression changed starkly and his body swayed slightly. His face was pale and he nearly fell from midair.In a clash of Essence Spirit secret techniques, he was the one who was disadvantaged and his Essence Spirit was shaken!"This person's Essence Spirit is even higher than mine!"Yue Hai was shocked!Furthermore, the power of Su Zimo's Essence Spirit secret technique of the Buddhist monasteries was shocking as well!The Essence Spirit of Qinglian's true body was fused with the Dragon Phoenix Essence Spirit and cultivated the forbidden secret manual, the Perfection of Wisdom Nirvana Sutra. In terms of Essence Spirit fights, he had never met a match among those of the same cultivation realm.

Back in the Emperor's tomb, it was because he released a series of Essence Spirit secret skills consecutively that Yun Ting was defeated and almost killed!Realizing the danger, Yue Hai took out a teleportation talisman without hesitation, wanting to escape from this place.However, the moment the teleportation talisman shattered, Su Zimo's second Essence Spirit secret skill descended!It was like a bolt

of lightning that streaked through the night! A long whip that shone with endless lightning tore through the void and the sea of flames, whipping his body with a thud! Yue Hai shuddered and the light in his eyes dimmed gradually. However, his figure was still brought away from the Shura battlefield by the power of the teleportation talisman and vanished.

Chapter 2518

Zong Feiyu did not care about Yue Hai's life or death. The only thing he noticed was that his spirit consciousness sword qi had entered Su Zimo's consciousness without any obstruction! Did he succeed? Zong Feiyu believed that no Primordial Spirit could block his Sword Qi. Moreover, his Primordial Spirit was far beyond a Stage Nine Heavenly Immortal. His Primordial Spirit was infinitely close to the True Self Realm! However, it was a pity that the moment the sword qi entered Su Zimo's consciousness, it vanished without a trace like a stone ox entering the sea. Su Zimo did not seem to be affected or hurt at all. Not only that, Su Zimo even turned around and smiled at him. That smile sent chills down Zong Feiyu's spine! Su Zimo dared to make such a decision because he had the Qinglian Sword in his mind, which could neutralize Zong Feiyu's Sword Qi. Among the Primordial Spirit Secret Techniques that he had mastered, the most powerful one was not the previous two, but the Reverse Scale! He had purposely left this Primordial Spirit Secret Technique for Zong Feiyu! Su Zimo smiled at Zong Feiyu. Then, a palm-sized Dragon Scale flew out from between his eyebrows and flew towards Zong Feiyu. The Dragon Scale looked ordinary, but Zong Feiyu felt a strong sense of danger when he looked at it! However, he was unwilling to retreat just like that. He was different from others. His own strength was already a level higher than others. With the Teleportation Talisman in hand, he could leave anytime he wanted. It was impossible for Su Zimo to kill him. At this thought, Zong Feiyu did not retreat. Instead, he released a Divine Sense and tried to touch the Dragon Scale. Just as the two Primordial Spirit Secret Techniques touched each other, Zong Feiyu's expression changed drastically. He immediately cut off the Divine Sense and retreated! However, the Reverse Scale had already locked onto him. It followed his Qi and continued to chase after him. "Circle the Ground!" At this moment, Su Zimo's voice sounded again. A peerless Mystique descended! Once Zong Feiyu was trapped in the same spot, the reverse scale would descend and he would have nowhere to run! A divine ability like Prison Circle was of no threat to Zong Feiyu. However, as he looked at the incoming dragon scale, a deep fear appeared in his eyes. "Su Zimo, in the battlefield of Shura, it's difficult for me to use my skills. Today, I'll let you be proud. You and I will definitely have a battle in the Heaven List Tournament! "

Before he could finish his sentence, Zong Feiyu crushed the teleportation talisman without hesitation. With a flash of light, he left the battlefield in Shura! Ni Lin still wanted to follow the trail left by Zong Feiyu and chase after him. Unfortunately, Zong Feiyu was pulled out of this space. Although the reverse scale was powerful, it could not cross this space and gradually dissipated. Su Zimo was not surprised by this result. Zong Feiyu was too cautious. Once he sensed the danger, he didn't go against the reverse scale. Furthermore, Zong Feiyu's Primordial Spirit was not below his! Otherwise, his Origin Soul would have been severely injured from that light touch! In the sky above the ancient city, the six Perfected Immortals of the Divine Firmament Palace looked at the scene below. They were stunned and shocked! They had anticipated that this battle would be extremely intense. However, they never expected that Zong Feiyu, Song Ce, Luo Yang Tian Xian, Yue Hai, and Xie Tianhuang, who were predicted to be in the top ten of the Heaven List, along with hundreds of other Perfected Immortals, would be defeated by one person! Song Ce and Yue Hai were dead. Luo Yang Tian Xian's lifespan was reduced.

Although he was still alive, he was no different from a cripple. Xie Tianhuang, on the other hand, managed to survive and escape with serious injuries. Among the five, only Zong Feiyu managed to escape unscathed. Moreover, in the last scene, Zong Feiyu was obviously scared off by Su Zimo's methods and did not dare to fight again! The other hundreds of Perfected Immortals also suffered heavy losses. Only less than half of them managed to escape alive. The rest were buried in the sea of fire. Shen Ze's expression was complicated. He murmured, "Who would have thought that the fight for the seal would end in such a way?" Shen Yun sighed and said, "Yes, before this, everyone thought that this section of the Nirvana Bridge would be filled with blood and that the island would be covered with corpses, but ...""One person guarded the Nirvana Bridge alone and stopped everyone outside. Only Xie Qingcheng reached the island alone. It was easy for her to get the Lingxia Seal." Up until now, Shen Feng still found it unbelievable. Shen Yan sighed. "Xie Qingcheng's team only had two people left, but they were the final winners.""Chaos, chaos!" Shen Hong kept murmuring.

"What?" The others asked instinctively. Shen Hong looked at the Heaven List in front of her and smiled bitterly. "In this battle, Su Zimo alone turned the Heaven List upside down. It's a complete mess!""Indeed." Fairy Shen Crane nodded and said, "Three of the top ten of the Heaven List are completely eliminated. Moreover, among the dead cultivators, there are also people on the Heaven List.""How should this kid be ranked?" Shen Hong asked. "At least third!" "In my opinion, he should be ranked second!" "He's only a Level Seven Heavenly Immortal, but he's ranked second. This, this doesn't make sense ...""No matter what, he should be above Zong Feiyu." Although Zong Feiyu could not unleash his full strength in the battle in Shura, Su Zimo was facing more pressure in this battle. "Yes, I think he should be ranked third. After all, Qin Gu is not weak." Fairy Shen Crane said, "Moreover, to him, there is no difference between second and third. If nothing goes wrong, the first place on the Heaven List will only appear between him, Yun Ting, and Qin Gu." "Who will write the update on Su Zimo?" Shen Hong asked. Although it was only one battle, there was a lot of information. "I'll do it." Fairy Shen Crane volunteered. "Don't rush, wait first. It's not over yet." Shen Yun reminded. There were only two people left in front of the Blood Lake. Lie Xuan and Su Zimo. "Eh?" Shen Hong's expression changed, and she suddenly said, "Interesting. This Lie Xuan actually comprehended something from Su Zimo's secret flame technique Just Now. He seems to have gained quite a bit!" "Looks like Lie Xuan has a chance to defeat this kid?" "Indeed, it's possible. Don't forget, Lie Xuan is currently at his peak, and Su Zimo just fought a fierce battle. He has used up a lot of his trump cards." Fairy Shen Crane quickly said, "Even if Lie Xuan wins, Su Zimo's ranking will not change." "Of course." The other True Immortals chuckled. On the battlefield below, the Pentadhi Dao Fire was gradually extinguishing. Lie Xuan looked at Su Zimo and was not in a hurry to attack. He said in a low voice, "Su Zimo, I won't take advantage of you."

"Today, you have fought many powerful enemies. You have used up too much energy." "I won't hide it from you. I just comprehended something, and my Flaming Sun Sutra broke through again. If I attack you now, it will be bullying." Su Zimo looked at Lie Xuan quietly. After he finished speaking, he strode forward and said, "Stop talking nonsense. If you want to fight, let's fight!"

Chapter 2519

Looking at Su Zimo who was charging over, Lie Xuan shook his head slightly and said, "That's good as well. After I suppress you later, I'll spare you once and we'll be even." That was the only way he could get rid of his worries. Otherwise, every time he saw Su Zimo in the future, he would subconsciously think of

how he was suppressed and released. Lie Xuan channeled his bloodline phenomenon and his blood qi surged. Nine suns hovered behind him, emitting a terrifying heat and blazing flames as his aura continued to rise! "Everyone thinks that when the Flaming Sun Sutra is cultivated to its peak, the bloodline phenomenon will appear with nine blazing suns." Lie Xuan said in a deep voice, "Even many members of the Flaming Sun royal family don't know that the peak of this sutra technique is to return nine to one and transform into a blazing sun!" The moment he said that, the nine blazing suns behind Lie Xuan collided rapidly and released a blinding brilliance! Even with Su Zimo's eyesight, he narrowed his eyes and paused for a moment. In reality, the light of the nine suns returning to one was enough to blind cultivators of the same cultivation realm! Su Zimo's eyes were intact and it was all thanks to the Illumination and Nether Glow Divine Stones in his eyes. "Earlier on, I was able to comprehend the final true essence of the Flaming Sun Sutra from your flame secret technique. You're the first person to endure such power. Even though you're defeated, it's still an honorable defeat." Lie Xuan was extremely confident and seemed to have fused with the gigantic blazing sun behind him as he charged towards Su Zimo! Nine to one and nine blazing suns turned into a single sun, causing Lie Xuan's combat strength to surge! Su Zimo was still in midair. His palms were pressed together and his fingers were intertwined, forming a strange Dharmic seal! "Mi!" At the same time, Su Zimo chanted Sanskrit and raised the Dharmic seal, striking it towards Lie Xuan! Instantly, Su Zimo seemed to have vanished from Lie Xuan's eyes. All he saw was a pitch-black towering mountain range that was endless like a wheel, enveloping a pure land within. An incomparably ferocious Buddhist Dharmic seal descended! Great Vajra Wheel Seal! Back in the Avici Hell, Su Zimo was fortunate enough to obtain the teachings of Emperor Ananda. He hid the true essence of the Great Vajra Chakra Seal and the Great Sumeru Seal in the Asoka Flower. A world in a flower. That was why he was able to see the complete Vajra and Sumeru Divine Mountains and comprehend the essence of these two seals!

Boom! An earth-shattering boom rang out! Lie Xuan's charging figure was actually stopped by Su Zimo's Great Vajra Chakra Seal, unable to take even half a step forward. Even the Great Sun Anomaly behind him began to tremble slightly. The Great Vajra Wheel Seal was indestructible and unshakable! Lie Xuan felt that what he had crashed into was not a person, but a towering, incomparably sturdy mountain peak! "How is this possible?" Lie Xuan abruptly circulated his Blood Qi and let out a long howl. The Great Sun Phenomenon behind him burst forth with endless flames that engulfed the Great Diamond Mountain! "Bang!" Su Zimo chanted the Sanskrit mantra, and his hands changed the seal again, as if another mountain was formed. The moment the mountain peak descended, Lie Xuan felt an unimaginable pressure! If the Great Vajra Chakra Mountain gave him the feeling that it was indestructible and unshakable ... If that was the case, there was only a single word that could describe Su Zimo's second Dharmic seal – heavy! It was heavy and majestic, descending with a shocking might! How could there be a living being in this world that could withstand such a terrifying mountain peak?! The Great Mount Meru Seal had descended! Su Zimo cultivated the Perfection of Wisdom Nirvana Sutra and any Buddhist Dharmic arts he released would be much stronger. Furthermore, the power of the two Dharmic seals of the Buddhist monasteries was extremely terrifying to begin with! Boom! Another deafening sound echoed! A majestic mountain peak crushed down on Lie Xuan's body heavily. The gigantic blazing sun behind him shook violently, as though it could not withstand the burden. Its brilliance flickered and it could collapse at any moment! At that moment, Lie Xuan was carrying the Great Mount Meru on his back and the Great Diamond Mountain in front of him. Unable to advance, he was under immense pressure and his bones crackled! "Ah!" Lie Xuan roared and bit the tip of his tongue

gently, spitting out a mouthful of essence blood. He released a secret skill and his strength rose once more as he tossed the Great Mount Meru out! However, at that moment, it was as though a gigantic anaconda had slithered over beneath his feet and coiled around his body instantly! At that distance, Su Zimo would not give him any chance at all!

Lie Xuan had just let go of the Great Mount Meru when he was restrained by Su Zimo once more! His Great Sun phenomenon was already on the verge of collapse under the consecutive suppression of the Great Vajra Chakra Seal and Great Mount Meru Seal. Now that Su Zimo was entangling him in close proximity, it broke down completely! Almost in the same situation, Lie Xuan was once again restrained by Su Zimo's python. His eyes bulged, filled with blood vessels, and he could not move at all. He could only hear the sounds of bones rubbing against each other coming from his body! As long as Su Zimo exerted strength, Lie Xuan's body would explode! Su Zimo's palm hovered above Lie Xuan's head the entire time and he did not even have the chance to release his Essence Spirit! Lie Xuan was way too aggrieved! Previously, he was distracted to save Duke Yan and was taken advantage of by Su Zimo – that was understandable. But now, the two of them were fighting openly. In less than three moves, he was suppressed by Su Zimo once more! The most frustrating thing was that it was the exact same move twice! Lie Xuan felt his vision darken and his consciousness fade as he gradually could not hold on. All of a sudden! His body lightened and the suffocating and omnipresent pressure from earlier on vanished instantly. Lie Xuan knelt on the ground and panted heavily. "I've said that I'll let you off once more after I suppress you." Su Zimo's voice sounded not far ahead. Lie Xuan did not raise his head. He no longer knew how he was going to face Su Zimo from now on. More importantly, a sense of helplessness rose in his heart. He had cultivated the Blazing Sun Great Solar Sutra to its peak and condensed the bloodline phenomenon of nine suns as one. However, he was still no match for Su Zimo who had just gone through a huge battle and was suppressed in three moves. He felt that he might never be able to surpass this person in the future. Raising his head, Lie Xuan looked at Su Zimo who was not far away with a conflicted expression. This cultivator, who looked like a weak scholar, gave him the feeling that he was an unshakable Great Titan Mountain, an unstoppable Great Meru Mountain! He was unable to surpass the immense pressure! Even if he was a reincarnated Perfected Immortal with two lifetimes, he would not be able to surpass this person.

Unlike how he predicted the outcome of the other people in the top ten of the Heaven Ranking, Su Zimo did not kill Lie Xuan. Firstly, it was because of Xie Qingcheng's request. Secondly, he could tell that Lie Xuan was an upright person. Thirdly, Su Zimo had another thought. If not for Xie Qingcheng's plea, Lie Xuan would have been killed long ago. In a sense, Xie Qingcheng was Lie Xuan's lifesaver. Now that Xie Qingcheng had successfully obtained the Spirit Dawn Seal and was in charge of a territory, she lacked a top expert by her side and Lie Xuan was a good candidate. With Lie Xuan's talent and experience, he would definitely become a Perfected Immortal in the future. With his help, Xie Qingcheng would definitely be able to gain a firm foothold in the royal family of the Flaming Sun Immortal Kingdom! It had been midnight for the past few days. He wondered if he could make it into the top ten of the monthly votes. Now, he was in the top twenty ...

Chapter 2520

On the square of the Flaming Sun Palace. The crowd was filled with emotions as they watched Song Ce, who was predicted to be in the top ten of the Heaven List, die. Luo Yang Heaven Immortal was in his

twilight years, and the Duke of Heavenly Phoenix was severely injured. They had expected that the battle for the seal would be extremely intense. However, no one had expected that the battle would be so intense that it could be described as tragic! Even the three predicted to be in the top ten of the Heaven List had ended up in such a state. "This is under the condition that they have the Teleportation Talisman. If they didn't have the Teleportation Talisman, I think Luo Yang Heaven Immortal and the Duke of Heavenly Phoenix would not have survived." "Even if Luo Yang Heaven Immortal is not dead, he won't live for long." Many cultivators pointed at the white-haired and senile Luo Yang Heaven Immortal without any scruples. Luo Yang Heaven Immortal's old face was gloomy. Before this, he was predicted to be in the top eight of the Heaven List. When the cultivators around him saw him, they would show respect and no one dared to talk nonsense. Now, he was in his twilight years and his Primordial Spirit was exhausted. He might not even be able to defeat a Rank Nine Heaven Immortal, let alone being in the Heaven List. With Luo Yang Heaven Immortal's former status and glorious achievements, there was no need for him to stay here and suffer such humiliation. However, he was unwilling to accept this! He wanted to wait here for the final result. He wanted to know the news of Su Zimo's crushing defeat and even death as soon as possible! He believed that Zong Feiyu could do this. After all, Zong Feiyu was a reincarnated True Immortal who was predicted to be in the top three of the Heaven List. He could also team up with Yue Hai and hundreds of Heaven Immortal experts. At this moment, above the square, there was a flash of brilliance and figures appeared one after another. The Duke of Starry Flame dragged his broken body and escaped. His face was pale and his eyes were filled with fear. It was unknown how much shock he had suffered. The other dozens of cultivators were also covered in wounds and dripping with blood. Xie Ling quickly went forward and helped the Duke of Starry Flame stabilize his injuries and rebuild his body. "The Duke of Starry Flame is out too!" "As expected, his cultivation is not high. The two experts under him who are predicted to be in the Heaven List are much weaker than Zong Feiyu and the rest."

"How many dukes are left now?" "Only Duke Mingjiong, Princess Yuyan, Duke Feng and Duke Yu are left. However, Princess Yuyan has Zong Feiyu's help and Duke Yu has Yue Hai's help." "There seems to be one missing?" Another cultivator asked with a frown after making some calculations and finding that the number was wrong. The other person thought for a long time before he suddenly remembered. He curled his lips and said, "There's only Xie Qingcheng left. She only brought a dozen people in. It's definitely free." "That's right. He has Su Zimo from the Academy by his side. He can barely be considered a figure, but I heard that he's only a sixth-level Celestial Immortal." Another person laughed and said, "Everyone, what do you think? The seal seizing battle this time was so tragic. Song Ce, Heavenly Immortal Luo Yang, and Heavenly Phoenix Duke all ended up like this. Is a mere Level Six Heavenly Immortal good enough?" Most of the cultivators were attracted by the situation of Song Ce, Celestial Immortal Luo Yang, and the others. They did not notice or predict the changes on the Heaven List. Luo Yang Celestial Immortal, the Duke of Heavenly Phoenix, the Duke of Starry Flame, and the rest of the people who had just escaped from the battlefield in Shura looked gloomy. "What do you know!" The Duke of Starry Flame could not hold back and scolded the crowd. Everyone was at a loss for words. Suddenly! There was another flash of light in the sky above the square. Then, the Duke of Ming Jiong, Duke of Feng, and Duke of Yu appeared in the sky above the square. Not long after, even Princess Yuyan's figure appeared! At the same time, more than a hundred Heavenly Immortals who were covered in flames and black smoke appeared one after another. They cried for help in hoarse and miserable voices. The cultivators under Xie Ling's command hurried forward to save these Heavenly

Immortals."What's going on?" "The four princesses are all here. The seal seizing battle should be over, right?" "Who got the Lingxia Seal, Princess Yu Yan?" Many cultivators were at a loss as countless questions appeared in their minds. Where were Zong Feiyu and Yue Hai? Where were the others? Where was the Lingxia Seal? Who burned these Heavenly Immortals to such a state?

While everyone was talking, another flash of light appeared in the sky above the square. Yue Hai's figure appeared and fell to the ground with a thud. There was not a single wound on Yue Hai's body. However, when everyone used their divine senses to check, their expressions changed! He was dead! They predicted that Yue Hai of the Mountain and Sea Celestial Sect, who was ranked seventh on the Heaven Leaderboard, was also dead! "This, this, this ... what happened inside?" "Is there a need to ask? Only Zong Feiyu is left inside. He must have done it." "Hmph!" Princess Yu Yan's face was as cold as ice. She snorted and said, "This has nothing to do with Brother Zong. Don't talk nonsense!" Xie Ling only took a glance and could tell that Yue Hai's Primordial Spirit was severely injured and had died. If it was not Zong Feiyu, there was only one possibility! Another flash of light appeared in the square. Zong Feiyu appeared with a pale face and a panicked expression. He had already returned to the Flaming Sun Palace, but he still looked back with lingering fear. When he was sure that he had gotten rid of the dragon scale, he heaved a sigh of relief and calmed down. "Brother Zong, even you ..." Princess Yu Yan looked at Zong Feiyu with a complicated expression. She wanted to say something but stopped. Zong Feiyu was silent for a while before he said, "Yuyan, I'm sorry. I couldn't use my full strength in the battle at Shura." "But don't worry, I'll show him my true strength in the Heaven List Ranking Battle!" After that, Zong Feiyu turned around and left. He quickly disappeared in the direction of the Flaming Sun Palace's teleportation array. Princess Yu Yan stomped her feet in anger. What was the use of regaining her face in the Heaven List Ranking Battle? She had already lost the chance to become the Princess of Lingxia! Luo Yang Heavenly Immortal had already guessed the outcome. He knew that there was no point in him staying any longer. After Zong Feiyu left, he also left and prepared to return to the Flying Celestial Sect. The surrounding cultivators were still confused. "What did Zong Feiyu mean? Even he lost?" "I think so. From the looks of it, he lost to the reincarnated True Immortal of the Flaming Sun Immortal Kingdom, Lord Lie Xuan."

"I knew that Lord Lie Xuan's strength was above Zong Feiyu's!" "But what's the use of Lord Lie Xuan? He's not a Duke. How can he get the Lingxia Seal?" "We seem to have forgotten about someone ..." At this moment, another person left the Shura battlefield. Lie Xuan appeared. Looking at the black mass of people around him, Lie Xuan sighed and said, "The battle for the seal is over." "It's over? Who got the Lingxia Seal?" The crowd quickly asked. Lie Xuan said, "There's only one Duke left in the Shura battlefield. You still don't know who got the Lingxia Seal?" "There's only one Duke left. Could it be ..." Xie Qingcheng! "How is that possible?" At this moment, a majestic voice came from the sky above the Flaming Sun Palace. "The Lingxia Seal has been assigned to someone. The new Duke of Lingxia is Xie Qingcheng!" Along with this voice, Xie Qingcheng appeared above the palace with a shining seal in his hand. In an instant, it was as if he was endowed with endless glory! Under the cover of the Lingxia Seal, his entire person shone brightly! Under this light, almost no one noticed that not far behind him, there was a handsome green-robed cultivator.
