

Sacred King 2551

Chapter 2551

The Divine Firmament Main Hall was extremely spacious and could easily accommodate tens of millions of people. By the time Qiankun Academy arrived with over 100,000 disciples, there were already many people gathered in the Divine Firmament Hall. It was so densely packed that one couldn't see the end of it. The cultivators of the Divine Firmament Palace were at the highest point of the hall. On both sides were the areas of the seven Heaven-level forces. Now, the Flaming Sun Celestial Kingdom, the Mountain and Sea Celestial Sect, and the Imperial Wind Monastery had all arrived. There were a few familiar faces in the crowd. When the people of the Qiankun Academy arrived, the leaders of the three forces also stood up and cupped their hands slightly. "Moonlight, we haven't seen each other for many years." A white-robed man from the Imperial Wind Monastery stood up. He had a handsome face, sharp eyebrows, and bright eyes. He had a long sword at his waist and greeted the Moonlight Sword Immortal. "Brother Spring Breeze, you're still as elegant as ever." The Moonlight Sword Immortal chuckled and nodded. Yang Ruoxu said telepathically, "This is the Spring Breeze Sword of the Imperial Wind Monastery, one of the three Sword Immortals." "This person has a good relationship with Senior Moonlight. You also crippled Celestial Immortal Luo Yang on the battlefield in Shura. You have to be wary of him." Su Zimo looked at the Spring Breeze Sword Immortal. At the same time, the Spring Breeze Sword Immortal's gaze also fell on Su Zimo. His gaze was a little strange. There was some hostility, but also a trace of pity. Besides the Spring Breeze Sword Immortal, there was another person in the Imperial Wind Monastery that Su Zimo had seen before. Back on the Dragon Abyss Planet, there were three Perfected Immortals. Besides the Moonlight Sword Immortal and Zither Immortal Mengyao, the other one was this person. He seemed to be called Perfected Immortal Wufeng. He was familiar with the leader of the Flaming Sun Celestial Kingdom. It was Xie Ling, who presided over the 10,000-year Meeting and the battle for the seal. The leader of the Mountain and Sea Celestial Sect was a Perfected Immortal named Mu Feng. He was tall and burly. He stared at Su Zimo for a while with an unfriendly expression! In the battlefield in Shura, Yue Hai was killed by Su Zimo. It was not difficult to understand why this person was hostile to him. Su Zimo ignored Mu Feng. This was the Divine Firmament Palace. Even if Mu Feng was hostile to him, he wouldn't have the chance to make a move.

What really caught Su Zimo's attention was the black-clothed man beside Mu Feng. This black-robed man was only a Ninth Stage Celestial Immortal, but he was able to sit side by side with Mu Feng. This person's eyes were closed and his back was ramrod straight. His hands were casually placed on his knees with his palms facing the sky. His face was expressionless and cold. Feeling Su Zimo's gaze, the black-clothed man suddenly opened his eyes and looked towards Su Zimo! "Very sharp senses." Su Zimo nodded secretly. If nothing unexpected happened, this person should be the second on the Heaven List, the reincarnated True Immortal of the Mountain and Sea Immortal Sect, Qin Gu! Everyone from Qiankun Academy took their seats. At this moment, the forces of the Great Jin Immortal Empire arrived at the great hall. The one leading them was the Shadowless Sword who had clashed with Su Zimo and the others before, Shadowless! "Wow, the Divine Firmament Immortal Gathering this time is so lively. All three Sword Immortals are here!" "I just don't know how many of the four fairies will come." "I heard that the Zither Immortal and the Book Immortal are also here, but I didn't see the Chess Immortal." The Chess Immortal belonged to the Mountain and Sea Immortal Sect. With the Chess Immortal's status, if she came to the Divine Firmament Immortal Gathering, Mu Feng would have to bow his head and listen

to her orders. Now that Mu Feng was leading the Mountain and Sea Immortal Sect's team, everyone guessed that they might not have the chance to see the Chess Immortal this time. The Moonlight Sword Immortal stood up and cupped her fists in Shadowless' direction. Shadowless and the Moonlight Sword Immortal's eyes met in mid-air and nodded. Yang Ruoxu suddenly frowned. He felt that something was amiss. There were more than a dozen True Immortals from the Great Jin Immortal Empire who came to participate in the Divine Firmament Immortal Gathering. Normally, the main characters of the Divine Firmament Immortal Gathering were the Heaven Immortals of the Divine Firmament Immortal Realm. The True Immortals of the various sects and factions usually did not come to join in the fun. They were led by two or three True Immortals. Not long after the Divine Firmament Immortal Gathering was the Nine Clouds Convention. At that time, it would truly be a grand gathering of the Immortal Dao, where countless true immortals would gather.

This time, only Xie Ling led the Flaming Sun Immortal Kingdom. The Mountain Sea Immortal Sect only sent one True Immortal, Mu Feng. Two from the Imperial Wind Monastery came, Spring Breeze Sword Immortal and True Immortal Wu Feng. The Heaven and Earth Academy sent four, which was already considered a lot. Now, more than ten True Immortals from the Great Jin Immortal Kingdom were here! "Why did the Great Jin Immortal Kingdom send so many True Immortals?" "Don't you know? The first Executioner, Song Ce, was originally predicted to be fifth on the Heaven Roll, but Su Zimo killed him in one move. It's predicted that the Great Jin Immortal Kingdom will soon have no one on the Heaven Roll. There are only three left, and they are ranked below the 50th place." "So they know about this. So what?" "I guess they want to send a few more True Immortals to support the scene." Some cultivators in the crowd noticed the commotion and were secretly discussing it. Before long, the people from the Zixuan Immortal Kingdom arrived, instantly attracting the attention of countless cultivators. The entire Divine Firmament Main Hall was in an uproar! It was because the two people from the Zixuan Immortal Kingdom were too famous in the Divine Firmament Immortal Realm! "Look, the Zixuan Immortal Kingdom is led by Book Immortal Yun Zhu!" "That lady in plain clothes is Fairy Yun Zhu. She's indeed a Book Immortal. She's so elegant in plain clothes." "The Painting Immortal and Book Immortal are both here. They're really beautiful and have their own merits. If I can win the heart of one of them, I'm willing to sacrifice 100,000 years of my lifespan!" "Dream on!" Behind Book Immortal Yun Zhu was a young man with a long sword on his back. His eyes were sharp as he looked around. He was like an unsheathed sword, showing off his sharpness! He was predicted to be the first on the Heaven Roll, Yun Ting! Yun Ting seemed to be looking for someone in the crowd. When he saw Qin Gu, his eyes did not stop. They swept past him and then landed in the direction of the Heaven and Earth Academy, locking onto Su Zimo! The moment the two of them looked at each other, their eyes lit up! Neither of them retreated or dodged. Their battle intent was soaring! Su Zimo wanted to obtain the Mortal Slayer Sword Art. Not only did Yun Ting want to obtain the Heavenly Slayer and Earthly Slayer, but he also wanted to defeat Su Zimo and regain the dignity he lost in the tomb!

When Book Immortal Yun Zhu arrived, Moonlight Sword Immortal and the others stood up and greeted her. Yun Zhu smiled and returned their greetings. Yun Zhu and Mo Qing looked at each other and smiled. The smiles of the Painting Immortal and Book Immortal caused another commotion in the crowd! Thereafter, Yun Zhu looked at Su Zimo who was behind Mo Qing. "Zimo, be careful. For some reason, the Flying Immortal Sect and Dajin Immortal Kingdom have sent many Perfected Immortals here. They seem to be up to something." Yun Zhu's pleasant voice sounded in Su Zimo's

consciousness. Su Zimo's heart skipped a beat. By the looks of it, Dajin Immortal Kingdom and Flying Immortal Sect might really be up to something! However, he still could not figure out what Zither Immortal Mengyao and the others could do at the Divine Firmament Immortal Meeting. After all, he was a disciple of the Heaven and Earth Academy. Even if the two of them were like fire and water, Zither Immortal Mengyao and the Divine Firmament Palace would not let such a thing happen. Unless Mengyao and the others had a good reason! Just as Su Zimo was deep in thought, the Flying Immortal Sect arrived!

Chapter 2552

The sound of a zither could be heard, spreading to every corner of the Divine Firmament Palace. Before Zither Immortal Meng Yao arrived, she had already attracted the attention of countless cultivators. Meng Yao led a group of Flying Celestial Sect cultivators to the Divine Firmament Palace. Just as Yunzhu had said, there were as many as 18 Perfected Immortals from the Flying Celestial Sect. Zong Feiyu was a reincarnated Perfected Immortal after all, so he stood in the group of Perfected Immortals. He looked at Su Zimo and smiled provocatively, making a throat-slitting gesture. Su Zimo's expression was calm and unmoved. Zong Feiyu was like a clown to him, not a threat at all. The only ones who could threaten him were the Moonlight Sword Immortal, Zither Immortal Meng Yao, and the others. "The three Sword Immortals and the three Fairies have gathered. Such a grand occasion is unprecedented!" "It's a pity that the Chess Immortal is missing." "The Chess Immortal is probably preparing for the Nine Heavens Convention. I heard that the Chess Immortal has a chance to enter the top three of the Perfected Immortal Leaderboard. He even has a chance to fight for the position of a Perfected Immortal!" The Divine Firmament Immortal Convention had not officially begun, but many cultivators were already excited. They felt that this trip was worth it. Now, the three Great Immortal Kingdoms and the four Great Immortal Sects had all gathered. They were waiting for the people from the Divine Firmament Palace to come and host the Divine Firmament Immortal Convention. The crowd did not wait long before a group of cultivators slowly walked out from the depths of the Divine Firmament Palace. The leader was a middle-aged man in a green robe. He had a calm expression and a powerful aura. The middle-aged man seemed to have merged with the void around him. A Grotto-Heaven Immortal King had arrived. Behind the middle-aged man were six Perfected Immortals. They were the six who had watched the battle in Shura. Divine Crane Fairy was among them. There were also many young and beautiful maidservants from the Divine Firmament Palace following behind. These maidservants looked young, but each of them was a Heaven Immortal. From this, one could feel the terrifying power of the Divine Firmament Palace. Even a Heaven Immortal was only a maidservant here. The middle-aged man descended. In front of the Immortal King, no one dared to be rude. They all stood up. The middle-aged man nodded slightly and said, "I am Qingyang, the eldest disciple of the Divine Firmament Immortal Emperor. I am the host of this convention."

Immortal King Azure Sun, at the peak of the Grotto-Heaven Realm, was a peak Immortal King! "Greetings, Immortal King Green Sun!" Everyone cupped their hands and bowed. "Have a seat." Immortal King Qingyang looked indifferent. He waved his hand casually and sat on a high chair, saying, "I think everyone already knows the rules of the Heaven List." The rules of the Heaven List Ranking Battle were the same as the Earth List Ranking Battle. It was all based on the rankings, and the loser would be eliminated. For example, Yun Ting, who was at the top of the Heaven List, would be up against a cultivator who was at the top 100 of the Heaven List. As for Su Zimo, he was ranked third on the predicted Heaven Leaderboard, so his opponent should be the cultivator ranked 98th on the predicted Heaven Leaderboard. "Everyone should know that after the Heaven Ranking Battle, the higher

your ranking, the more benefits you will receive." Immortal King Qingyang said, "Of course, the Divine Firmament Palace will give every cultivator on the Heaven Ranking an opportunity." Many cultivators who predicted the Heaven Roll were overjoyed. Yun Ting suddenly stood up and cupped his fists. "Green Sun Immortal King, forgive me for being blunt, but the rules of the Heaven Board Ranking Battle are too troublesome and unreasonable!" Many cultivators were secretly speechless. Perhaps only Yun Ting had the guts to speak to Immortal King Qingyang like that. Immortal King Qingyang was not angry. He smiled and asked, "The rules of the Ranking Battle have been passed down for many years. Why are they unreasonable?" Yun Ting said, "Because most of the people on the Heaven List have no chance of competing for the top spot." "Oh, do you have a better idea?" Immortal King Qingyang raised his eyebrows slightly. Yun Ting smiled and raised his head slightly. He said proudly, "In my opinion, the top spot on the Heaven List will only be born between me and Su Zimo. The rest are not worthy!" This sentence was extremely arrogant. It was equivalent to looking down on the other people on the Heaven List. Even the second place Qin Gu, the fourth place Zong Feiyu, and the fifth place Lie Xuan were not mentioned by Yun Ting! Zong Feiyu snorted coldly. Although Qin Gu was unhappy, he was expressionless and calm. He did not express his opinion. "So, what do you want to do?" Immortal King Qingyang smiled and asked again. "Simple." Yun Ting pointed at Su Zimo from Qiankun Academy and said, "The two of us will fight in the first round. Whoever wins will be the top of the Heaven List! The others are not qualified to challenge us. Go fight for the third and fourth place." Su Zimo smiled slightly. This was indeed Yun Ting's style. Simple, direct, arrogant, and merciless! Immortal King Qingyang shook his head and said, "This is unfair to the others. Even if I agree, there will be others who disagree." "Who cares about them!" Yun Ting waved his hand and turned to look at Su Zimo. His battle intent surged as he said, "Su Zimo, as long as you agree, it's enough!" Yun Ting's suggestion was due to the pride in his heart. Even after the Ranking Battle, it was most likely that the two of them would be left in the end. However, at this time, the two of them were not in their peak condition. The battle that they had agreed on was not completely fair. Since they wanted to compete, Yun Ting had to defeat Su Zimo fair and square! There was another point. In Yun Ting's heart, the top of the Heaven List was not the most important thing. The most important thing was to defeat Su Zimo and obtain the Heavenly Kill and Earthly Kill Sword Techniques! Su Zimo quickly understood Yun Ting's intention and did not refuse. He stood up and said in a low voice, "Okay, as you wish!" Although this was against the rules, the cultivators below the stage did not stand up to object. This was because most of the cultivators on the Heaven List knew that Yun Ting was right. They did not have the chance to fight for the top of the Heaven List. Qin Gu and Zong Feiyu, who had the chance to fight for the top of the Heaven List, looked at each other and said nothing. For the two of them, there were only benefits and no disadvantages! When two tigers fought, one of them would be injured. They would let Yun Ting and Su Zimo fight to the point where both sides were severely injured. By then, no matter who won, they would be able to stand out and defeat Yun Ting and Su Zimo with ease and reap the benefits! Yunzhu looked at Yun Ting and Su Zimo with a complicated expression. She wanted to say something but hesitated. Even she wasn't sure who would emerge victorious in this battle. She wanted to persuade Su Zimo or Yun Ting not to fight to the death. However, once both of them fought to the extreme, it would be difficult to stop! She did not want to see anything happen to either of them. However, she knew that the battle between the two of them was unavoidable and had to happen! It was like a battle of fate. The two of them had to decide who was better and the three Sword Techniques could be combined into one. "Wait!" At this moment, Zither Immortal Mengyao suddenly spoke and stood up slowly. Yunzhu frowned slightly. "Here it comes!" Su Zimo said in his heart.

Chapter 2553

Meng Yao came to the center of the hall and bowed to Immortal King Qingyang. Then, she looked around and said loudly, "The Heaven Roll is the Heaven Roll of the human race. If you want to compete for the Heaven Roll, you can't be from an alien race." "Of course." The Moonlight Sword Immortal nodded and said, "Even cultivators from other Celestial Realms are not qualified to compete for the Heaven Roll of the Divine Firmament Celestial Realm." Hearing this, Su Zimo's heart skipped a beat. He vaguely guessed something. Suddenly! He felt a strong sense of hostility from the crowd of the Imperial Wind Monastery. Su Zimo looked around and met a pair of resentful eyes. This person had white hair and looked withered. It was Celestial Immortal Luo Yang, who had been crippled by him in the Shura battlefield! Seeing this person, Su Zimo was even more certain of his guess. As the eldest disciple of the Ling Xiao Immortal Emperor, Immortal King Qingyang naturally knew about the world. He had also heard about the feud between Zither Fairy Meng Yao and the Great Jin Celestial Kingdom and Su Zimo. With his eyesight, he could easily see that Zither Fairy Meng Yao had suddenly stood up for him! However, he was also a little curious. He wanted to see how Meng Yao would deal with a disciple of the Qiankun Academy in the Divine Firmament Palace in front of everyone. After all, the Qiankun Academy was not to be trifled with! Immortal King Qingyang did not intend to interfere and was prepared to watch the show. "Fairy Meng Yao, what do you mean by that?" Jue Wuying pretended not to know and asked, "Could it be that cultivators from other Celestial Realms have infiltrated the Heaven Roll?" "Haha, if it's cultivators from other Celestial Realms, it'll be good to chase them away." Perfected Immortal Wufeng of the Imperial Wind Monastery chuckled and said, "I'm just afraid that someone from the alien race has infiltrated the Divine Firmament Celestial Realm and is up to no good!" Someone from the alien race was predicted to be on the Heaven Roll! Most of the cultivators still did not know what was going on, nor did they know who the alien race that Meng Yao and the others were talking about was. Even Yun Ting frowned, not understanding what was going on. Yun Zhu observed the situation with a grave expression. Up until now, the Flying Celestial Sect, the Great Jin Celestial Kingdom, and the Imperial Wind Monastery, had already stepped forward. From the looks of it, Meng Yao and the others should have discussed the Divine Firmament Celestial Immortal's party!

Furthermore, the reason that Meng Yao and the others found was very difficult to refute. "Someone from another race is predicted to be on the Heaven Ranking?" "Who is it? Catch him!" "Those from the alien race must be!" The commotion in the Divine Firmament Great Hall grew louder and louder. Meng Yao's Yao, and, the, she's.....yao Yao..... Meng Yao said calmly, "I'm sure you've all heard of him. He's quite famous in the Divine Firmament Celestial Realm in recent years, and he has a Sky-level sect behind him. It was Immeng.....! This strange race was from one of the seven Heaven-ranked forces! The Moonlight Sword Immortal smiled and said, "Fairy Meng Yao, feel free to speak your mind. I believe that no matter which Sky-level sect it is, if they know that this person is of a foreign race, they will not protect him!" "I'm relieved to hear that, Fellow Daoist Moonlight." Meng Yao nodded. "This alien race is Su Zimo from Heaven and Earth Academy!" Su Zimo had already guessed it, so he was not surprised by Meng Yao's words. But it caused an uproar in the Divine Firmament Hall. Everyone was shocked. Her words were very powerful. Once confirmed, it was enough to destroy or even kill Su Zimo! Yang Ruoxu frowned. He realized that the situation was very bad for Su Zimo. Since Meng Yao dared to say such words, she must be very confident. Although Mo Qing did not say anything, there was a trace of worry in her eyes. "How is that possible? Junior Brother Su is from the alien race?" The Moonlight Sword Immortal looked a little shocked and in disbelief. She seemed to still be defending Su Zimo as she

frowned. "Fairy Mengyao, you shouldn't spout such nonsense. It will affect the reputation of our academy quite a bit." "Since I dared to say it, I naturally have enough evidence." Meng Yao looked in the direction of the Imperial Wind Monastery. "Celestial Immortal Luo Yang, tell us everything you know." Celestial Immortal Luo Yang was already prepared to describe what happened on the Dragon Abyss Planet, half true and half false. "I do have an impression of what you said ..." The Moonlight Sword Immortal's words confirmed Celestial Immortal Luo Yang's words.

"That's right. I can also testify to this. I was on the Dragon Abyss Planet at that time!" Perfected Immortal Wufeng said in a low voice. Celestial Immortal Luo Yang's description was specious. It created a feeling that Su Zimo had some kind of close connection with the Dragons. It was just short of directly saying that Su Zimo was a Dragon! The appearance of the Azure Dragon soul and even the divine dragon behind it was rather strange. In fact, this might not be able to prove that there was a connection with Su Zimo. But once such a thing was said, it would cause people to think, be suspicious, and even be suspicious. Moreover, this matter had Zither Immortal Meng Yao, Perfected Immortal Wufeng, and the Moonlight Sword Immortal as witnesses. The Moonlight Sword Immortal was also a true disciple of the Qiankun Academy. "What can this prove?" Yang Ruoxi stood up and shook her head. "Let's not talk about whether the Azure Dragon soul and the divine dragon are related to Junior Brother Su. Even if they are, how can it prove that Junior Brother Su is of a foreign race? Everyone's judgment is too arbitrary!" Yun Ting thought that Meng Yao and the others could really produce some strong evidence. He did not expect it to be Celestial Immortal Luo Yang's words. "Tsk ..." Yun Ting sneered and looked at Perfected Immortal Wufeng. "Your mount is a Golden Ant. According to what you said, you are of the Golden Ant Tribe!" Not many people present dared to speak to a Perfected Immortal like that or even mock him. Yun Ting happened to be one of them. Although Perfected Immortal Wufeng was annoyed, he was wary and could not attack Yun Ting. "I'm afraid it's not arbitrary." Perfected Immortal Mu Feng of the Mountain and Sea Immortal Sect said in a low voice, "I heard that Su Zimo is proficient in a sound domain mystic technique of Dragons. It's extremely powerful. How could he know the Dao of Dragons?" "Not only that." Jue Wuying said, "This person also knows the secret technique of the dragon race, the True Dragon's Nine Flashes." Zong Feiyu also stepped forward and said, "Seniors, back in the battle at Shura, Su Zimo also used the Dragons' Nascent Soul mystic technique, the Reverse Scale!" "I didn't fight with him back then and left the battle at Shura not because I was afraid of him, but because I sensed that his identity was strange, so I wanted to leave as soon as possible and this to the sect." In fact, Zong Feiyu did not recognize the origin of the Reverse Scale mystic technique at that time.

He was indeed scared away by the Reverse Scale. When he returned to the sect, he searched many ancient books and asked the Immortal Kings of the sect. Only then did he know the Reverse Scale mystic technique. "Reverse Scale?" Immortal King Qingyang was surprised. Most cultivators did not know about this Nascent Soul mystic technique. But as a Immortal King, he had heard about this Nascent Soul mystic technique of the Dragons. Even if other races obtained the cultivation method of this technique, they would not be able to use it without the Nascent Soul of the Dragons! In that case, there might be something wrong with Su Zimo's identity.

Chapter 2554

Yunzhu smiled and said, "If you think that Su Zimo is a Dragon just because of a few Dragons Mystic Arts, it's too ridiculous." "I believe that among the cultivators here, there are many who have grasped the

secret arts of other races. In fact, there are even people from our immortal realms who have cultivated the devil path. Could it be that these people are all from different races and belong to the devil path?"The logic was very simple. But when it came from the Book Immortal's mouth, it was convincing. The noisy crowd gradually calmed down. Many cultivators even began to reflect. If they followed this standard, they would be beaten up as well. The Perfected Immortals of the Flying Deity Sect, the Great Jin Celestial Kingdom, and the Imperial Wind Sect all frowned, confused. They were targeting Su Zimo this time, and Yun Ting and Su Zimo were opponents. Logically speaking, Yun Ting should be on their side. But they didn't expect Yun Ting to speak up for Su Zimo. That was fine. After all, Young Prince Yun Ting had always been unscrupulous and would always do something shocking. But why did Book Immortal Yunzhu stand out this time?"Second Brother, can you speak up for him?"Xie Qingcheng couldn't help but worry when she saw that Su Zimo was besieged by several major forces. She secretly sent a voice transmission to Xie Ling. Xie Ling shook her head slightly and didn't say anything. The situation was getting clearer. Immortal King Qingyang of the Divine Firmament Palace obviously wanted to stay out of it and watch. Among the seven Heaven-level forces, only Book Immortal Yunzhu of the Zi Xuan Celestial Kingdom stood on Su Zimo's side for the time being. On Zither Immortal Mengyao's side, there were the Flying Deity Sect, the Great Jin Celestial Kingdom, and the Imperial Wind Sect. True Immortal Mu Feng of the Mountain Sea Immortal Sect also wanted to add insult to injury. This meant that among the seven Heaven-level forces, the Flying Deity Sect, the Great Jin Celestial Kingdom, the Imperial Wind Sect, and the Mountain Sea Immortal Sect had formed an alliance. Even if he stood on Qiankun Academy's side, it would be useless. Because Zither Immortal Mengyao was obviously prepared this time. There were more than 30 Perfected Immortals of the Great Jin Celestial Kingdom and the Flying Deity Sect alone! If the situation went out of control and both sides fought, Qiankun Academy wouldn't be able to gain any advantage! Moreover, even though Scholar Immortal Yun Zhu spoke up for him, if a conflict were to break out, it was impossible for Scholar Immortal Yun Zhu to fight with the four Heaven-ranked forces over an inner court disciple.

In other words, the four True Immortals of the Universe Academy would have to face dozens of True Immortals from the Flying Immortal Sect, the Great Jin Celestial Kingdom, the Imperial Wind Monastery, and the Mountain Sea Immortal Sect! Amongst them were Shadowless Sword, Spring Wind Sword, Zither Immortal Dreampearl, and True Immortal Edgeless. More importantly, Xie Ling had heard that the relationship between the Moonlight Sword Immortal and Su Zimo was not exactly harmonious. If this was true, no one would be able to protect Su Zimo. It would be difficult for him to escape this calamity!"This is no small matter." True Immortal Wufeng said in a deep voice, "If an alien race infiltrates the Divine Firmament Immortal Domain and allows them to participate in the Heaven List Tournament, it will be an insult to the Divine Firmament Palace." True Immortal Wufeng's words were even more impressive, directly dragging Divine Firmaments Palace into the picture! Immortal King Qingyang's expression didn't change, and he remained silent. Yang Ruoxu said, "You guys have said so much, but you actually don't have any concrete evidence. It's nothing more than your own guesses." Mengyao chuckled and stared at Su Zimo. She said slowly, "It's easy to get evidence. You just have to search his soul, and the truth will be revealed!" "No!" Mo Qing stood up and scolded softly. She was not good with words and did not like to argue with others, so she had not said anything earlier. But now, Mengyao and the others were pushing their luck and wanted to search Su Zimo's soul. This was too much! The Divine Firmament Immortal Gathering had yet to begin, but the three Fairies were already confronting each other! Yunzhu sneered. "Mengyao, it's just a groundless guess, and you want to search someone's soul. How arrogant of you!" "Actually, this is also good for Qiankun Academy." Jue Wuying said, "If this kid is really an alien

race, Qiankun Academy can expel him from the sect sooner." Moonlight Sword Immortal frowned. "Searching his soul is too dangerous. If something goes wrong..." "Don't worry, Fellow Daoist Moonlight," Mengyao said. "This time, I invited a senior of the sect, Old Man Soul Capturer. He's very knowledgeable in the Essence Soul Dao. Even if he searches someone's soul, it won't harm their Essence Soul." Su Zimo sneered. Not to mention whether he would be harmed if he fell into the hands of Old Man Soul Capturer. Even if a soul search did not harm him, he could not let others search his soul! This was his dignity and his bottom line! It was not that Su Zimo had not thought of summoning Wu Dao's true body. However, Wu Dao's true body was in seclusion to deduce and perfect Wu Dao. He did not want to disturb him. Furthermore, this was Divine Firmament Palace. The Divine Firmament Immortal Emperor was most likely guarding this place. Once the Immortal Emperor was alarmed, it would be difficult for Wu Dao's true body to escape with the Hell Suppressing Cauldron! More importantly, he was in danger and Wu Dao's true body had just rushed over. The relationship between the two would be difficult to explain. Mengyao and the others were confident. No matter what choice Su Zimo made, it would be a dead end! If he dared to let Old Man Soul Capturer search his soul, Old Man Soul Capturer could cripple his Essence Soul with just a little trick! At that time, he could just say that it was an accident and no one could say anything. Based on Mengyao's understanding of Su Zimo, he would definitely not let anyone search his soul. Once Su Zimo refused, it would mean that he was guilty and they would have even more reason to attack! The Moonlight Sword Immortal said with a gratified expression, "That's great. A soul search can also prove Junior Brother Su's innocence and reassure everyone. Junior Brother Su, what do you think?" The two of them looked at each other. Su Zimo caught a hint of smugness in the depths of the Moonlight Sword Immortal's eyes! "This is not appropriate!" Mo Qing frowned and refused again. Any normal cultivator would agree to such a request! The Moonlight Sword Immortal smiled and continued asking, "Junior Brother Su, if you have a clear conscience, why are you afraid of having your soul searched?" Su Zimo raised his brows slightly and said, "Moonlight, I suspect that you're a spy from the Demon Territory. Let that old man search your soul first to prove your innocence and reassure everyone." "Nonsense!" The Moonlight Sword Immortal shouted. "Don't be agitated. If you have a clear conscience, why are you afraid of having your soul searched?" Su Zimo asked with a calm expression. These words were thrown right back at the Moonlight Sword Immortal! The Moonlight Sword Immortal was speechless for a moment. Her eyes were sharp and her expression was ugly. Jue Ying said coldly, "What a sharp tongue. I think he's just guilty!" "That's right." Perfected Immortal Wufeng narrowed his eyes slightly and said, "In my opinion, the bigger picture is more important. We should capture him first and search his soul directly!" "How dare you!" Mo Qing took out her natal drawing book and flipped it open, ready to tear it down at any moment. She said in a deep voice, "You guys are so rude and unreasonable. Do you really think that there's no one in the Qiankun Academy?" Yang Ruoxu was also wary and stood side by side with Mo Qing, protecting Su Zimo behind them. All of a sudden! The Moonlight Sword Immortal attacked Mo Qing from behind. A few wisps of sword qi rushed into Mo Qing's body, sealing her Dao Fruit and trapping her on the spot, unable to move. Mo Qing did not expect that someone from the academy would attack her from behind. She was caught off guard and was restrained instantly! At the same time, the other Perfected Immortal of the academy, Chen Xuan, also launched a sneak attack on Yang Ruoxu. He took out a rope and trapped the latter's body, sealing his True Essence. In the blink of an eye, the Painting Immortal Mo Qing and Yang Ruoxu were restrained by the Moonlight Sword Immortal and the situation changed!

This sudden turn of events caused an uproar! The situation had far exceeded everyone's expectations. Unexpectedly, before Mengyao and the rest could make a move, the Qiankun Academy would have an internal conflict. The Moonlight Sword Immortal had made a move and restrained Mo Qing! The Green Sun Immortal King watched this scene with interest and a smile on his face. It seemed that the Zither Immortal, Mengyao, and the rest had indeed planned this for a long time and came prepared. This time, they wanted to completely kill Su Zimo! It was really interesting to cause such a huge commotion for a Heaven Immortal. The Green Sun Immortal King still had no intention of making a move. The current situation was completely one-sided. On Su Zimo's side, even the only two Perfected Immortals who supported him from the Qiankun Academy were restrained by the Moonlight Sword Immortal and the rest. As for the Zixuan Immortal Kingdom's Book Immortal, Yun Zhu ... Under normal circumstances, Book Immortal Yun Zhu would have retreated after seeing this situation. "Moonlight, what are you doing!?" Mo Qing was shocked and angry as she questioned loudly. She even omitted the honorific "Senior Brother". It was obvious that she was furious. The Moonlight Sword Immortal's expression was normal as she said gently, "Junior Sister, don't be angry. I'm doing this for the academy's safety. If Su Zimo is not of a foreign race, then he is still a disciple of the academy and our Junior Brother. But if he is of a foreign race or has any connection with a foreign race, as the top disciple of the academy, I can only clean up the mess for the academy!" "Moonlight, do you know what you're doing!?" Although Yang Ruoxu could not move, her expression was fierce as she shouted, "You're working with outsiders to harm the academy's fellow disciples!" "Junior Brother Yang, you're exaggerating." The Moonlight Sword Immortal's expression was indifferent, and her tone gradually turned cold. "If Su Zimo is proven to be innocent after the Soul Search, I will seek justice for him!" In fact, the Moonlight Sword Immortal, Mengyao, and the rest were already prepared for many possibilities. If Su Zimo accepted the Soul Search, the Old Man Soul Catcher would secretly destroy Su Zimo! At that time, the Moonlight Sword Immortal would step forward and kill the Old Man Soul Capturer, not giving him any chance to explain himself. In this way, if he avenged Su Zimo and even killed a True Immortal, it would be very difficult for others to blame him.

"Second Brother, what should we do now?" Xie Qingcheng asked anxiously through voice transmission. Xie Ling sighed softly and said, "Su Zimo has no chance." "After all, the one he offended is the Zither Immortal, Mengyao. Now that he's in the Qiankun Academy, even the Moonlight Sword Immortal wants to get rid of him, there's no way others can protect him." "Actually, there are many things that can't be blamed on him. It's just that he was born in the lower realms, so he carries some sort of original sin with him." Xie Qingcheng was confused by Xie Ling's last sentence. Xie Ling continued, "Haven't you noticed that this Su Zimo is somewhat similar to a person from hundreds of thousands of years ago?" "Feng Cantian!" Xie Qingcheng immediately thought of the Thunder Emperor and blurted out. Xie Ling nodded and said, "To be precise, his potential is greater than Feng Cantian's. The Divine Firmament Palace also doesn't want to see another Feng Cantian rise. He has only ascended for a few thousand years, and his foundation is too shallow. The Zither Immortal, Mengyao, the Moonlight Sword Immortal, and Shadowless are all famous True Immortals. It can be said that these people can do anything they want in the Divine Firmament Immortal Domain. With so many of them working together to deal with a Heaven Immortal, how can he possibly survive?" ... At the Qiankun Academy... The Moonlight Sword Immortal said calmly, "Junior Brother Su, whether you are innocent or not, the truth will be revealed after a soul search. Please." "A bunch of bullsh * t True Immortals. They are even more vicious and hypocritical than the True Demons of the Demonic Domain!" Yun Ting cursed when he saw

this scene. Even though he was not involved, he felt suffocated. What foreign race? What soul search? Mengyao, Moonlight, and this group of True Immortals clearly wanted to force Su Zimo to death in front of everyone! Yun Ting knew that whether it was him or Su Zimo, they would not yield, compromise, or back down in the face of such demands! And once Su Zimo resisted, this group of True Immortals would have a reason to attack. Yun Ting's anger surged. But he knew that there was nothing he could do. He was a peerless genius of the Divine Firmament Immortal Domain, but he was only a Stage 9 Heaven Immortal now. He could not help at all. At this moment, a trace of sadness rose in Yun Ting's heart. He felt that Su Zimo was not worth it.

This kind of Heaven and Earth Academy, this kind of Divine Firmament Immortal Domain, was not worthy of him! Yun Ting took out a jar of strong wine from his storage bag and handed it to Su Zimo. He said loudly, "Su Zimo, I can't help you today, but don't worry, you won't die in vain!" When I become a True Immortal, I will find those bullsh * t True Immortals who targeted you today one by one and kill them all to give you an explanation!" When these words were spoken, many cultivators were moved and their faces were filled with shock! The Divine Firmament Hall became much quieter. No one had expected Yun Ting to say something like that in front of so many people! Yun Ting used his Stage 9 Heaven Immortal cultivation to threaten the Moonlight Sword Immortal, Zither Immortal Mengyao, Jue Wuying, and the other top True Immortals! Not only did everyone feel Yun Ting's anger, unwillingness, and killing intent, but they also felt a trace of sadness! Everyone looked at the two young men in the middle of the hall with puzzled expressions. Weren't these two enemies like fire and water, tit for tat? Why would Yun Ting help Su Zimo? Why would Yun Ting say such harsh words for Su Zimo? He was even willing to offend so many sects and factions and so many True Immortals? These people did not understand. This was the appreciation between the two top geniuses. Yun Ting wanted to defeat Su Zimo, but he respected Su Zimo more. He respected this opponent who could fight with him! To others, Yun Ting's words were a threat, but Su Zimo understood. This was Yun Ting's promise to him! Since you forced Su Zimo to his death today, I, Yun Ting, will find you one by one in the future and kill you all! Su Zimo took the jar of liquor from Yun Ting's hands and exchanged glances with Yun Ting. "Cheers!" The two of them opened the clay seal of the wine jar at the same time. The wine jars collided and they drank heartily. Crack! After a while, the two of them finished the wine in one gulp and smashed the wine jar heavily on the ground. Su Zimo pulled up his sleeve and wiped the wine from his lips. "Yun Ting, thank you. However, I will take revenge for today myself in the future!"

At that moment, Su Zimo had decided that if Qinglian's real body died, the moment Wu Dao's real body came out of seclusion would be the moment Zither Immortal Mengyao, the Moonlight Sword Immortal, and the rest died! At that moment, no one could understand the meaning behind Su Zimo's words. They only thought that Su Zimo's mind was muddled and he said it casually. After all, if he died, there would be no future. How could he take revenge? Only Book Immortal Yun Zhu's heart skipped a beat. She understood the killing intent in Su Zimo's words. She knew that Su Zimo was prepared to let Araki Takeshi make a move!

Chapter 2556

Mengyao said indifferently, "Yunzhu, it's time to teach your younger brother a lesson. Be careful of what you say!" "Threatening a Perfected Immortal?" Perfected Immortal Wufeng harrumphed coldly. "If not for the fact that he's the Duke of Zi Xuan Immortal Kingdom, we would have enough reason to kill

him!"Yun Ting looked at Perfected Immortal Wufeng and the others and grinned. "Are you guys afraid? When I become a Perfected Immortal, you guys can wash your necks clean!"The Perfected Immortals felt a chill run down their spines.To be fair, given Yun Ting's talent and potential, he would definitely become a Perfected Immortal in the future!When Yun Ting became a Perfected Immortal and came knocking on their door, not many of them would be able to stop him.Moonlight Sword Immortal frowned. "Don't get entangled with a junior. Search Su Zimo's soul first and find out his background."Old Man Soul Capturer let out a strange laugh and leaped, charging towards Su Zimo.Swoosh!A figure flashed past and suddenly blocked Old Man Soul Capturer.That person did not do anything and merely waved her hand gently. Old Man Soul Capturer's expression changed starkly as he sensed a terrifying aura and hurriedly retreated!Everyone focused their attention and saw that the person who attacked was Book Immortal Yun Zhu!"Fairy Yun Zhu, what's the meaning of this?"Perfected Immortal Wufeng asked with a frown."Nothing."Yun Zhu said indifferently, "I just can't stand you guys bullying others."Mengyao's expression was cold as she said, "Yun Zhu, what happened today has nothing to do with you. Don't meddle in other people's business!"Yun Zhu raised her head and met Mengyao's gaze. She did not back down at all and said slowly, "Today, I insist on meddling in other people's business!"Whoever dares to step forward will be my enemy. Don't blame me for being merciless!"Once these harsh words were spoken, it instantly caused a stir in the crowd!No one expected that the Zither Immortal and Book Immortal would confront each other during the Divine Firmament Meeting and even look like they were about to fight!Even Yun Ting was frowning.He did not want Su Zimo to die in such a humiliating manner. However, when he saw his sister rush out to protect Su Zimo, he felt a little sour in his heart.He had long realized that his sister seemed to have a close relationship with Su Zimo.

But he didn't expect that the two of them had already developed to this stage. Could it be ...Su Zimo was touched. He used his Divine Sense to speak to Yunzhu, "Yunzhu, you don't have to do this. You can't stop them all by yourself."In his heart, he was already prepared.If Qinglian's true body was killed, Wu Dao's true body would launch a crazy revenge!Yunzhu still did not retreat. She sent a voice transmission, "I'm not only stepping forward for you, but also for the injustice in my heart. They've gone too far!"In fact, when Yunzhu was young, she liked to fight for justice and could not bear to see injustice in the world. As a result, she offended many sects and forces and was later confined in the library.Over the years, Yunzhu had been cultivating her body and mind. She had read a lot of books and rarely showed herself in public. However, she had always adhered to the righteousness and righteousness in her heart. She had never forgotten it.Otherwise, she wouldn't have saved Su Zimo back in the Coiling Dragon Mountain Range. She wouldn't have scolded True Immortal Mirrormoon, "You're bullying the weak. How shameless!"Right now, her relationship with Su Zimo was no longer the same as before. All the more she couldn't sit by and do nothing!If she retreated today, she wouldn't be able to get over the hurdle in her heart.Mengyao smiled coldly and nodded to Old Man Soul Catcher, indicating for him to continue forward and ignore Immortal Yunzhu.She did not believe that Yunzhu, as the princess of the Zi Xuan Immortal Kingdom, would make enemies with so many Perfected Immortal experts for an academy disciple.Old Man Soul Catcher hesitated for a moment.However, when he recalled that there were dozens of Perfected Immortals behind him, as well as experts such as Zither Immortal Mengyao, Jue Wuying and Perfected Immortal Wufeng, he regained his confidence and continued charging towards Su Zimo.Old Man Soul Catcher swept past Yunzhu swiftly and she did not move at all.Mengyao, Perfected Immortal Wufeng and the others exchanged glances and smiled, relaxing."Fairy Yunzhu, you're wise. You ..."Perfected Immortal Wufeng chuckled. Before he could finish, the situation changed and his smile

froze on his face. Swash! Old Man Soul Catcher swept past Yunzhu and arrived before Su Zimo. Before he could make a move, a jade brush appeared in Yunzhu's hand. Without even looking, she swiped her hand behind her. The void seemed to have been sliced into two by that jade brush!

Old Man Soul Catcher's body froze and his gaze froze. The life force in his body drained rapidly and half of his head seemed to have been sliced off by a sharp weapon! His Essence Spirit was destroyed on the spot and he was dead! This was an Emperor Weapon that Yunzhu obtained in the Avici Hell previously. It was extremely sharp and terrifying! Psst! Seeing this scene, all the cultivators gasped. A Perfected Immortal was dead and he was killed by Immortal Yunzhu! At that moment, everyone truly felt Yunzhu's determination and killing intent! Previously, everyone found it strange that Yunzhu was willing to speak up for Su Zimo. However, they could still accept it. But now, Immortal Yunzhu was willing to fight against the top Perfected Immortals of the various major factions for Su Zimo – that was completely beyond everyone's imagination! One had to know that in such a tense situation, the slightest move would affect the entire situation. Once they started fighting, it would be very difficult to have any room to maneuver. Yunzhu's attack this time round to kill Old Man Soul Catcher was equivalent to leaving no way out for herself – she wanted to fight Immortal Zither, Mengyao, and the others to the end! "Immortal Yunzhu was way too decisive. Old Man Soul Catcher was killed on the spot before he could react." "Actually, none of the Four Fairies are weak," said Ye Futian. "What do you guys think is the relationship between Fairy Yunzhu and Su Zimo? Judging from Fairy Yunzhu's stance, why does it feel like there's something between her and Su Zimo?" "It's indeed a little strange. Even if Yun Ting was in danger, it wouldn't be as bad." "Tsk, tsk. I wonder how many lifetimes Su Zimo from this academy is blessed to have the Painting Immortal and Book Immortal willing to stand up for him." The cultivators in the Divine Firmament Hall were in a heated discussion. Immortal King Qingyang was still sitting in his chair. Even if a Perfected Immortal died, he had no intention of interfering. Mengyao's expression turned cold as she said coldly, "Yunzhu, are you trying to make an enemy out of us? If that's the case, don't blame us for being impolite!" The Moonlight Sword Immortal shook her head slightly and said, "Fellow Daoist Yunzhu, you can't protect Su Zimo alone. Why waste your energy?" "I'll do my best." Yunzhu's tone was indifferent but extremely firm! Mengyao and the others had brought so many Perfected Immortal experts precisely because they were worried that such accidents would happen.

Therefore, even if they saw Yunzhu appear, everyone was already prepared. Perfected Immortal Wufeng took out his heavy sword and said loudly, "I've long heard of Immortal Yunzhu's great name. Today is a rare opportunity to learn from her." Jue Wuying stood out without saying a word. Sword Immortal Spring Breeze chuckled and drew his longsword from his waist. He pointed it at Yunzhu from afar. The sword moved with the wind and trembled slightly. Mengyao sat down cross-legged and took out her zither from her storage bag! "Haha, I'll join in the fun too!" Perfected Immortal Mu Feng of the Mountain and Sea Immortal Sect laughed loudly. In the blink of an eye, all the top Perfected Immortals stood out and surrounded Immortal Yunzhu! "Thank you for the 50,000 book coins tip. I have another Alliance Leader for this book. I'll update tomorrow..."

Chapter 2557

Zither Immortal Meng Yao, Spring Breeze Sword Immortal, Shadowless, True Immortal Wufeng, and True Immortal Mu Feng were the top experts among the True Immortals. They had all reached the fourth level of the True Immortal Realm, the Dongxu Stage. Moreover, there were dozens of Perfected

Immortals eyeing them. Although no one had seen Book Immortal Yun Zhu fight, the four immortals were equally famous. Other than the Chess Immortal, who was recognized as the most powerful, the other three immortals were about the same. It was impossible for the Book Immortal to protect Su Zimo from such a siege! Spring Breeze Sword Immortal, Shadowless, True Immortal Wufeng, and True Immortal Mu Feng stood in four directions, surrounding the Book Immortal and Su Zimo. Zither Immortal Meng Yao looked like she was not involved, but she sat cross-legged with her zither in front of her. She could join the battle at any time with a wave of her fingertips and unleash a terrifying sonic attack! Yun Zhu held a jade brush in her hand with a serious expression. Buzz! Meng Yao plucked the zither gently with her fingertips, and a strand of zither music suddenly rang out. The atmosphere in the Divine Firmament Palace suddenly changed. It was somber and bleak, as if thousands of soldiers and horses were charging in! This zither music was also the signal to attack! Sword Immortal Wufeng, Spring Breeze Sword Immortal, and True Immortal Mu Feng attacked at the same time, charging toward Yun Zhu. Sword Immortal Wufeng's heavy sword, Edgeless, was heavy and powerful. He swung his arm, and the Dao Fruit behind his head shone with rays of light as True Essence gathered. Even without using any Dharma spells, just this slash alone was enough to unleash an unparalleled power. Even if there was a mountain in front of him, it would be split in half by this slash! Spring Breeze Sword Immortal's longsword was as soft as a willow. It moved with the wind and was unpredictable, but the sword's range was huge. It enveloped both Yun Zhu and Su Zimo! True Immortal Mu Feng held a huge saber in his hand. When he waved it, the saber light was so cold that it was as if there were raging waves crashing against one's face. It was suffocating! The three Perfected Immortals only casually attacked, but they already had earth-shattering power. Shadowless did not move, but his figure had almost disappeared into the void. He was as light as a wisp of smoke, waiting for the right opportunity to strike. Once Shadowless Sword attacked, it would be even more dangerous! The situation Yun Zhu was facing was more than she imagined.

She not only did she have to block the attacks, she also had to protect Su Zimo from the four's attacks. As a result, the pressure on her increased exponentially! Yunzhu activated her Dao Fruit and a halo of light bloomed from the back of her head. Her Quintessential Essence condensed on the jade brush and she stabbed it at the three True Immortals. Clang! Yunzhu's jade brush collided with the Spring Breeze Sword first. However, the Spring Breeze Sword was as soft as the wind. As soon as it touched the brush, the sword trembled and was about to slash past the jade brush. Feng, Feng was Was, and Mu was, Was, Had., and Mu, Mu? was.. Exceptional Divine Ability, Wondrous Blossom! Yun Zhu's jade brush stabbed three times in a row and three lotus flowers appeared, defending against the attacks of the three Perfected Immortals! The first time the three True Immortals attacked, they failed to achieve anything. A wave of exclamations came from the crowd outside the main hall! "I did not expect that Fairy Yun Zhu would be able to unleash such battle prowess with just a casual attack despite looking frail. She is not at a disadvantage even though she is fighting against three people alone!" "None of the Four Fairies are easy to deal with. I heard that even Painting Fairy, who is the weakest, is not easy to deal with." "What's so good about Painting Fairy? Her cultivation is at Level 3 of the True Self Realm, Kongming. She can't be compared to Zither Fairy and Book Fairy." "That's not necessarily true. Didn't you see that Moonlight Sword Immortal restrained Painting Fairy before she attacked?" Another person analyzed, "I reckon that the Moonlight Sword Immortal is still wary of Fairy Mo Qing." "The Four Fairies are famous today not only because of their beauty, but also because they are the best of the best among the Perfected Immortals!" Listening to the discussions around him, Xie Ling's expression was calm

and indifferent. Book Fairy was indeed very powerful. She might even be more powerful than Spring Wind Sword! But even so, Book Fairy Yun Zhu was alone. She could not turn the tide. The three Perfected Immortals had not used their full strength. Please! Also, Shadowless was still looking for an opportunity to attack at any time. Zither Fairy Mengyao had not attacked either. If the two of them attacked, Book Fairy would definitely lose!

"As expected of the Book Immortal, your skills are not shallow." Spring Wind Sword Immortal chuckled and flicked the sword. The sword vibrated and hummed. The three Perfected Immortals attacked again! This time, the three Perfected Immortals attacked more fiercely. They did not hold back. Behind Yun Zhu's head, the halo from the Fruit of Dao grew bigger and bigger! Yunzhu held a jade brush in her hand and quickly wrote a few ancient words in the air. "Kill! Destroy! Break! Bang! Shake! Break! Break!" These seven words were not from the civilization of this world. They were filled with a wild and ancient aura. Every stroke contained a mysterious and powerful force! The seven ancient words scattered and rushed toward the three Perfected Immortals! At this moment, Shadowless attacked! The sword went straight for the back of Su Zimo's head! Su Zimo's scalp tingled and he was alarmed. Yun Zhu also noticed the commotion. She narrowed her eyes and threw the jade brush in her hand at Shadowless Sword! Jue Wuying's figure suddenly stopped and disappeared again. This was just a feint. When he appeared again, he was already at Yunzhu's side. He stabbed out with his sword silently and without a trace! "Freeze!" Yun Zhu activated her Fruit of Dao and shouted. This was not the Immobilization Technique. It was the Supreme Super Power, Time Stop! Shadowless's body stopped for a moment and he broke free from the restraints of this Supreme Super Power. Although the effect on him was negligible, this momentary delay gave Yunzhu the opportunity to step forward. She stretched out her slender fingers, which were as sharp as the tip of a pen, and stabbed toward Shadowless's forehead! The tip of his finger shone brightly. Before he could touch Shadowless, a trickle of blood had already seeped out from between the latter's eyebrows! At this moment, a trace of confusion arose in Yunzhu's heart. Shadowless Sword of the three Sword Immortals seemed to be weaker than before. If it was Shadowless Sword at its peak, she should not be able to injure it. Yun Zhu did not know that Shadowless had 60,000 years of lifespan severed by Su Zimo's Instant Splendor back in Gray Cloud Mountain Range!

In reality, Shadowless's combat strength was no longer at its peak. Right then, Meng Yao's zither sounded once more. Yun Zhu frowned slightly and felt a piercing pain in her eyes. Even her arms trembled slightly. Shadowless's eyes lit up and he seized the opportunity to attack! Without a trace, without a sound, without a trace. Shing! Yun Zhu retreated hurriedly. However, she was still a step too late and was injured by Shadowless Sword. A wound opened on her abdomen and fresh blood flowed, dyeing her white robes red instantly. Meng Yao sat at the periphery the entire time and seemed to be uninvolved. However, the moment she attacked, her zither music would decide the direction of the entire situation! Both parties had just exchanged a few rounds and Yun Zhu was already injured. "Yun Zhu, this is just a warning to you," Meng Yao said indifferently, "The next time, you won't just be injured." "Humph!" Yun Zhu was fearless and sneered, "That's all there is to the Zither Immortal! To think that I've been on par with you all these years. What a joke! "

Chapter 2558

In fact, many of the surrounding cultivators also felt that the Zither Immortal's action was a little too excessive and disgraceful. However, they had nothing to do with Su Zimo. What did Su Zimo's life have to

do with them? Moreover, Su Zimo's reputation had been too great over the years. Many cultivators gloated when they saw Su Zimo suffer such a calamity. Most of the time, there was no reason for evil. It might even be because they couldn't bear to see others doing well. "Break!" At this moment, a soft shout came from the direction of Qiankun Academy! Rays of light burst out from Mo Qing's body. She expelled the sword Qi that the Moonlight Sword Immortal had sealed in her body. Immediately after, Mo Qing activated her Primordial Spirit and her Dao Fruit bloomed with halos. She broke free from the ropes on her body and rushed out to Su Zimo's side in a flash. The Moonlight Sword Immortal frowned, somewhat surprised. Logically speaking, with Mo Qing's cultivation, she shouldn't be able to break free from his seal. It seemed that this junior sister's cultivation had improved greatly over the years. "Senior sister ..." Su Zimo called out. Before he could continue, Mo Qing interrupted him and said, "Don't be afraid. The disciples of Qiankun Academy aren't at the point where they can be bullied by others!" "As soon as she finished speaking, a picture book appeared in Mo Qing's hand. This picture book was her natal Dharma treasure. After cultivating for so many years, she had only drawn a dozen pages. There were all kinds of ferocious beasts and powerful creatures on it. Now, Mo Qing's palm exerted force and the picture book was instantly torn to shreds. Countless shreds of paper floated in the air. Su Zimo was shocked! He knew that Senior Sister Mo Qing wouldn't use this picture book so easily. That was because every painting on it had the Dao and charm of the creatures in it. Senior Sister Mo Qing might even spend thousands or tens of thousands of years on each painting! Once the paintings were torn apart and taken out, the creatures in the paintings would also appear. Their combat strength was no different from when she saw them! However, once torn apart, it also meant that the paintings would completely disappear. Therefore, Mo Qing wouldn't tear the painting apart unless she had no other choice.

Back then in the Coiling Dragon Mountain Range, when she confronted the Zither Immortal Mengyao, she only tore a painting to show her determination. But now, Mo Qing had torn the entire album to shreds. It was obvious how furious she was! Seeing this scene, Yunzhu sighed in her heart. Mo Qing's action was equivalent to releasing all the time, energy, and blood she had spent all these years. What kind of courage and decisiveness did this require? Above the Divine Firmament Palace, those floating scraps of paper were filled with a terrifying aura, as if some peerless evil spirit was about to descend here. "Roar!" "Roar!" "Roar!" ... "On the battlefield, a series of dragon roars and tiger roars suddenly sounded, deafening! A slender divine dragon covered in scales, with sharp claws and fangs, was the first to appear in front of everyone. It hovered in the air and roared at the sky! Immediately after, accompanied by a phoenix cry, a divine phoenix was born from the flames. Its feathers were sparkling and translucent red, like iron arrows that had been burned red! Under everyone's gaze, terrifying ferocious beasts and powerful beings descended above the Divine Firmament Palace! There were the ferocious beasts Taowu and Taotie, as well as the immortal beasts Bai Ze and Taowu... There were even some beings that had never been seen before. They had the faces of humans and the bodies of beasts, with a pair of wings and a ferocious aura! In the blink of an eye, more than ten terrifying ferocious beasts and powerful beings descended, surrounding Mo Qing and the other two with murderous intent! "Go!" Mo Qing did not hesitate and directly gave the order. More than ten ferocious beasts charged directly toward Mengyao, Perfected Immortal Wufeng, and the others. "What are you waiting for? Attack together!" Mengyao shouted softly. The Flying Immortal Sect and the Great Jin Celestial Kingdom had been planning this for a long time. Dozens of Perfected Immortals had come, precisely because they were worried that such an unforeseen event would happen! The dozens of Perfected Immortals stepped forward to meet these ferocious beasts. Mengyao looked at the Moonlight Sword

Immortal not far away and sent a voice transmission with her divine consciousness. "Daoist Moonlight, this is your mistake. You should settle it!" "Don't worry." The Moonlight Sword Immortal's expression was calm as she sent a voice transmission. "Leave Mo Qing to me. You guys hurry up and kill that Su Zimo, lest something unexpected happens if this drags on for too long."

With that, the Moonlight Sword Immortal also stepped into the battlefield! "I didn't expect that the Divine Firmament Convention would cause such a huge commotion before it even started. All three Sword Immortals have entered the battlefield!" "Three Sword Immortals and three Fairies have gathered and are fighting. Such a scene is simply unprecedented." "Who would have thought that this level of battle was actually caused by a Heaven Immortal?" "Actually, I'm quite envious of this Su Zimo. To be able to have two Fairies personally enter the battlefield to protect him, this treatment, tsk tsk..." The battlefield was in chaos. More than ten ferocious beasts and dozens of Perfected Immortals were fighting fiercely, causing the heavens to tremble and the earth to rend. The cultivators outside were in high spirits as they discussed animatedly. "Junior Sister, you shouldn't have intervened." The Moonlight Sword Immortal looked at Mo Qing with some disappointment and shook her head slightly. "You're too muddle-headed. Why would you do this for Su Zimo, a servant?" "Don't call me Junior Sister. You're not worthy of being the top disciple of Qiankun Academy!" Mo Qing looked coldly at the Moonlight Sword Immortal. A large part of her anger was because of the Moonlight Sword Immortal. As the top disciple of Qiankun Academy, not only did the Moonlight Sword Immortal not protect her fellow disciples when they were being bullied by other forces, but she even attacked her and Yang Ruoxu! Mo Qing was indeed a little naive, but she was not stupid! She could tell that the Moonlight Sword Immortal was very likely involved in today's matter! "Ha!" The Moonlight Sword Immortal was so angry that she laughed. "If I'm not worthy, do you think Su Zimo is? Moreover, his background is unknown, and he might even be of a foreign race!" "No need to say more. Let's fight." Mo Qing's tone was cold. "I've cultivated in Qiankun Academy for many years, but I've never fought with you. Today, I can ask for your advice." "Junior Sister, you should know that I don't want to hurt you." The Moonlight Sword Immortal was a little helpless and shook her head slightly. Mo Qing could not be bothered to talk to him anymore. She directly took out the Gods, Ghosts, Immortals, and Demon Painting and unfolded it in front of her. There were four figures drawn on the painting scroll. Three of them were drawn with dim strokes and were blurry. She could not see the origins of the three figures clearly.

But the figure on the far left had golden hair and blue eyes. He was extremely handsome, and as his Qi and blood rose, his entire body emitted a golden light. His eyes were like torches and could not be looked at directly! A Protoss! There were four images in the Gods, Ghosts, Immortals, and Demon Painting. They were the Deity Statue, the Ghost Statue, the Immortal Statue, and the Demon Statue. Now, Mo Qing had only comprehended the Deity Statue. Therefore, only one figure was completely revealed on the painting scroll. According to her estimation, if she could comprehend one more Deity Statue, she could possibly enter the fourth level of True Self Realm, the Dongxu Stage! "So you really did obtain the Gods, Ghosts, Immortals, and Demon Painting. No wonder you could break free from my Sword Qi imprisonment." The Moonlight Sword Immortal suddenly understood. He paused for a moment, then suddenly smiled, and a sharp light flashed in his eyes. "Alright, I'll let you see my Moonlight Sword today!" Buzz! The Moonlight Sword had already arrived in the Moonlight Sword Immortal's palm. The sword exuded a brilliance as bright as the moon. One look and one could tell that it was not an ordinary item.

Chapter 2559

Mo Qing's Divine Will moved, and the statue of the Gods, Ghosts, Immortals, and Demon Painting walked out of the painting and became a real Protoss with flesh and blood! This Protoss's cultivation was exactly the same as Mo Qing's. They were both at Level 3 True Self, the Kongming stage! "Interesting." The Moonlight Sword Immortal smirked. "However, even if the real Protoss comes, he won't be able to block my Moonlight Sword!" Swoosh! The Moonlight Sword Immortal moved and charged at the Protoss summoned by Mo Qing. The Moonlight Sword danced in the air, and in the blink of an eye, it stabbed hundreds of times! The Protoss circulated his Blood Qi and attacked continuously. However, he was still bare-handed and could not block the Moonlight Sword's attack. Very soon, this Divine Race being was already covered in wounds all over. The Moonlight Sword was a Pure Yang Spirit Treasure of the Ninth Tribulation. It could even pierce through the Protoss's body! Rumble! The Protoss summoned his Bloodline Phenomenon. An ancient and mysterious pyramid appeared behind him, with billions of living beings prostrating beneath it. The statue of the Gods, Ghosts, Immortals, and Demon Painting was so lifelike that it could even summon its Bloodline Phenomenon. "Hmph!" The Moonlight Sword Immortal sneered and wiped the Moonlight Sword with her finger. The Moonlight Sword shone brightly and suddenly released a dazzling sword ray! Moonlight Slash! Boom! The sword ray collided with the Protoss's Bloodline Phenomenon. After a slight pause, the Protoss's Bloodline Phenomenon was pierced through by the Moonlight Sword's sword ray and collapsed! After all, the Protoss's cultivation was still a level lower. Moreover, the secret technique that the Moonlight Sword Immortal had just used was one of his killer moves! Mo Qing's expression was calm. She took out an ink brush from her storage bag and activated her Dao Fruit. Her True Essence condensed at the tip of the brush. With her True Essence as ink and the void as paper, she casually drew a few strokes on the paper and quickly drew a soldier riding a war horse and holding a long spear. This soldier was also at the True First Realm, but only at the first level of the True First Realm. With a thought from Mo Qing, the soldier materialized in the void and charged towards the Moonlight Sword Immortal! Mo Qing drew a few more strokes in the void, outlining a few divine weapons. They all materialized as though they were real. They also charged towards the Moonlight Sword Immortal!

While the Moonlight Sword Immortal and Mo Qing were fighting, True Immortal Edgeless, True Immortal Chunfeng, and True Immortal Cleansing Peak attacked Yunzhu once more. Shadowless disappeared again. This time, there were dozens of True Immortals and dozens of ferocious beasts. Under the cover of the chaotic battle, no one could discover his tracks at all! This kind of threat that could erupt at any time was the most terrifying. Meng Yao gently placed her fingers on the zither as she looked at Yun Zhu and Mo Qing with a mocking expression. It was only a matter of time before these two fairies who were equally as famous as her were defeated! Today, Su Zimo would definitely die! After all, the Book Immortal was one of the four great fairies and the princess of the Zi Xuan Immortal Kingdom. Spring Breeze Sword Immortal and the others still had some misgivings. Otherwise, the Book Immortal might not have been able to hold on until now. Suddenly! A ghostly figure suddenly appeared behind Su Zimo. Shadowless attacked again, stabbing towards the back of Su Zimo's head. It was silent and did not even reveal any killing intent. Shadowless could hide from Su Zimo's five senses, but it could not hide from his spirit perception! The moment Shadowless appeared, Su Zimo was shocked. He did not have time to think and wanted to use the Primeval Body again to escape from Shadowless's attack. As for Yunzhu and Mo Qing, they both realized that Su Zimo was in danger and wanted to help. Unfortunately, Mo Qing was entangled by the Moonlight Sword Immortal and was completely at a disadvantage. As for

Yunzhu, she was surrounded by True Immortal Chunfeng and True Immortal Chunfeng. She was also struggling and could not escape. Just as the two of them were burning with anxiety, Meng Yao's zither rang out without warning. Clang! The zither's murderous sound disturbed one's mind! The timing of the zither's sound was simply too exquisite! When Yunzhu heard the zither's sound, her ears hurt and she was slightly dazed. Three more wounds appeared on her body and blood gushed out! On the other side, the Moonlight Sword Immortal's eyes lit up and she shouted, "Junior Sister, you've lost!" Not only Mo Qing, but even the summoned Protoss was affected by Meng Yao's zither sound. The Moonlight Sword Immortal took advantage of the situation and cut the Protoss in half! Without the help of the statue, Mo Qing was no match for the Moonlight Sword Immortal.

In the blink of an eye, Yunzhu and Mo Qing were already in danger. They could not even protect themselves, let alone save Su Zimo. In the face of Shadowless's attack, Su Zimo wanted to use the Primeval Body to escape. However, he could also hear the sound of the zither. His body couldn't help but tremble. However, this momentary delay was more than enough for a top-notch assassin like Shadowless! From beginning to end, Zither Immortal Meng Yao did not join the fight. However, every time she played the zither, the entire battle situation would be changed! A cold smile appeared on Shadowless's face. It was as if he could already see Su Zimo's head being pierced by his sword! "Su Zimo is dead." Xie Ling shook her head slightly and sighed. Perhaps this was fate. Although Su Zimo had escaped Shadowless's attack once, he would not be able to escape a second time. Yang Ruoxu clenched her fists and her eyes were about to pop out of their sockets. Even Immortal King Green Sun thought that Su Zimo was dead for sure. Suddenly, he frowned and looked to the side with a changed expression. Whoosh! A black light pierced into the battlefield. It was so fast that it instantly collided with the Shadowless Sword! The Shadowless Sword was supposed to be invisible. With the help of light and the environment, it could perfectly hide the sword. It could even fool the heavens and the sea and block the five senses. It was difficult for others to detect it. However, not only did this black light hit the Shadowless Sword accurately, but it also completely exposed the Shadowless Sword! Cries of surprise rang out from the crowd. Someone could actually break Shadowless's attack. That was really impressive! In fact, the bystanders did not know that Shadowless was shocked at this moment. That black light had not only hit his Shadowless Sword. The power that exploded from the black light was extremely strong. It had even passed through the Shadowless Sword into his body! His five viscera and six bowels had all been severely shaken! "What a strong power!" Shadowless was secretly shocked. He swallowed a mouthful of blood that had already surged to his mouth. Su Zimo quickly took the opportunity to escape from the Shadowless Sword. He looked back with lingering fear.

Thud! At this moment, the black light that hit the Shadowless Sword fell to the ground with a crisp sound beside Shadowless's feet. Su Zimo, Shadowless, and the other cultivators looked over instinctively. That black light was actually a flat and round black stone. It looked very ordinary. They looked like black chess pieces in a game of chess. Su Zimo's heart skipped a beat. He suddenly thought of someone! When Shadowless, Mengyao, and the others saw this black stone, their expressions changed drastically. They clearly recognized the origin of this black stone! "She's here too?" Guessing the identity of the person who came, the Moonlight Sword Immortal felt a headache.

Chapter 2560

Not far away, a woman rushed over. Her sleeves fluttered in the wind, and her long hair was tied up in a simple bun. She looked like a young Daoist nun. The woman did not have any accessories on her hair, neck, earlobes, or even on her body. She looked extremely simple and plain, but her every movement exuded an indescribable charm of the Dao! The woman did not wear any makeup, and she was extremely beautiful. In other words, even if there was a little bit of makeup left on this stunning face, it would destroy this natural beauty and make people feel sorry for it. The woman carried a huge square chessboard on her back. On the square chessboard, the black and white chess pieces landed on it like stars. The woman seemed to carry the starry sky on her back as she entered the Divine Firmament Palace. Her body exuded a powerful aura that made people feel suffocated. Apart from Immortal King Qingyang, everyone could clearly feel this pressure! When everyone saw this woman, they were not attracted by her beauty at first glance. Instead, they were shocked by her powerful aura! In the Divine Firmament Palace, there were hundreds of millions of cultivators, but no one dared to have any improper thoughts about this woman! "Chess Immortal Jun Yu." Immortal King Qingyang raised his brows and said in surprise. These four words were like a stone that stirred up a thousand ripples. The crowd instantly exploded, setting off countless waves of commotion! "Chess Immortal! So this is the Chess Immortal!" "I didn't expect Fairy Jun Yu to also come. The four great fairies are gathered together. This is an unprecedented grand scene!" "The Chess Immortal's aura is too strong. As expected of the strongest of the four great fairies." "I wonder why the Chess Immortal has appeared at this time?" As everyone was discussing, Su Zimo looked at the Chess Immortal Jun Yu, who had just saved his life, and felt a little emotional. When he saw the black chess piece, he guessed that the Chess Immortal might have come. And when he saw Fairy Jun Yu, he was even more certain that this woman was the Chess Immortal! No one other than the Chess Immortal could match such a graceful bearing! The four great fairies could be said to be peerless in their generation. However, each of their temperaments and temperaments were completely different. Each had their own merits. The Chess Immortal was probably the only one who could make everyone feel such a strong pressure the moment she appeared! However, Su Zimo was a little confused.

Did the Chess Deity, Jun Yu, lend a helping hand just now? Or did she rush over on purpose? If it was the former, it could be explained. It was rumored that other than being obsessed with the art of chess, the Chess Immortal was the most combative and would often seek out experts to fight. If it was the latter, then why? Su Zimo thought back carefully and was certain that he had never met the Chess Deity, Jun Yu. "So it's Fairy Junyu. It's been thousands of years since we last met." The Moonlight Sword Immortal smiled as she cupped her hands and greeted the Chess Immortal Princess. Jun Yu casually glanced at the Moonlight Sword Immortal and said, "The last time I challenged you to a duel, you hid and refused to meet me. Why do you dare to come out today?" The Moonlight Sword Immortal's face reddened as she cursed in her heart. There was a commotion in the crowd, and a few chuckles could be heard. Yunzhu pursed her lips and smiled. This Fellow Daoist Jun Yu was still the same, speaking without any scruples and not leaving any face for others! However, even she didn't know whether Jun Yu's sudden appearance was a blessing or a curse for them. This was because she wasn't very familiar with the Chess Deity, Jun Yu. They didn't have much of a friendship and had only fought once. Judging from Mo Qing's expression, there was even less of a relationship between her and Jun Yu. The Moonlight Sword Immortal was embarrassed to be exposed by the princess. She coughed lightly and forced a smile. "I was indeed cultivating in seclusion. When I came out, I heard that Fairy Jun Yu had already left. I didn't mean to avoid you." "Oh?" Jun Yu's expression was indifferent as she said, "Since you're here today, let me see

your Moonlight Sword."The Moonlight Sword Immortal's expression was ugly.If he rejected her in front of everyone, it would be equivalent to admitting that he had avoided her because he was afraid of the Chess Deity's challenge."Buzz!"The sound of a zither rang out. Mengyao slowly stood up and looked at the Chess Deity with a smile. "Fellow Daoist Jun Yu, we still have important matters to attend to today. Once we're done, you have the freedom to challenge whoever you want."The Moonlight Sword Immortal heaved a sigh of relief.Fortunately, Mengyao stood up and saved the day.

"Talk to me. Put away your stupid zither. I'm annoyed by it."Jun Yu looked coldly at Mengyao. Her words were sharp and merciless!Mengyao's smile also froze on her face.Jue Wuying had just been injured by Jun Yu's chess piece. Now that she saw Jun Yu being so domineering and aggressive, she was even more resentful. She could not help but sneer. "Jun Yu, today's matter has nothing to do with you. You better not interfere!"How do you know it has nothing to do with me?"Jun Yu retorted.Jue Wuying snorted coldly and said, "A foreign race has appeared in the Qiankun Academy. Today, we are going to eliminate this foreign race and remove a hidden danger for the Divine Firmament Immortal Region!"Could it be that you, Chess Deity Jun Yu, are also related to this foreign race?"Something bad is going to happen!"The Moonlight Sword Immortal's heart sank when she heard Jue Wuying's words.Chess Deity Jun Yu had a domineering personality and loved to fight. Jue Wuying's words would definitely arouse Jun Yu's desire to fight.Perfected Immortal Mu Feng and Chess Deity Jun Yu were both from the Mountain Sea Immortal Sect.He knew this Senior Sister's personality even better.He hurriedly laughed out loud and tried to smooth things over. "Senior Sister Jun Yu, please calm down. Fellow Daoist Shadowless was just impulsive and spoke carelessly. Senior Sister, please don't take it seriously and take it to heart."Jun Yu looked at True Immortal Mu Feng and asked, "Who told you to join forces with them?"Jun Yu's tone was calm, but there was a hint of coldness in it!True Immortal Mu Feng felt the pressure suddenly increase. He gulped and laughed dryly. "No one. It was my own decision."Senior Sister, you might not know, but our sect's Yue Hai was killed by this academy's Su Zimo on the battlefield in Shura. I also want to avenge Yue Hai..."Yue Hai died at the hands of a cultivator of the same level. It's his own fault. He can't blame others."Before True Immortal Mu Feng could finish, Jun Yu interrupted him and said coldly, "As a True Immortal of an immortal sect, you want to personally take revenge on a Heaven Immortal? And join forces with other True Immortals? "True Immortal Mu Feng was sweating profusely after being scolded by Jun Yu. He didn't know what to do.Although they were all True Immortals, there was a huge difference in status in the Mountain and Sea Celestial Sect.

True Immortal Mu Feng looked embarrassed. "Senior Sister, I..."Get lost!"Jun Yu scolded.True Immortal Mu Feng trembled and didn't dare to say another word. He lowered his head and returned to the seats of the Mountain and Sea Celestial Sect. He only felt that his face was red and hot.The atmosphere in the Divine Firmament Main Hall was extremely solemn."Haha."Sword Immortal Spring Breeze chuckled and broke the silence. "Fellow Daoist Jun Yu, please calm down. We want to kill the alien race out of kindness. We're not bullying the weak because of our cultivation."Is that so?"Jun Yu glanced at Mengyao and the others and said slowly, "I'm here today. Let's see who dares to touch him!"
