

Sacred King 3101

Chapter 3101

Qing Xiao Immortal Domain. Warring States. Lin Zhan sat in the middle of the great hall. His expression was heavy, and his eyes shone brightly as he stared at the 20 Celestial Kings seated below. Immortal King Ling Long sat beside him with a worried look on her face. After obtaining the Yin Yang Talisman Scripture, not only did Lin Zhan recover from his injuries, but he also improved further and became a Quasi-emperor. As for Immortal King Ling Long, she had obtained the inheritance of the Nine Heavens Xuan Nü Grand Monarch and the Yin Yang Talisman Scripture. Her comprehension of the scripture was deeper, and her cultivation level was higher. Now, she had already cultivated to the peak of the Grotto-Heaven realm! As Lin Zhan recovered from his injuries and recovered to his peak, he gradually stabilized the situation of the War Kingdom. More and more immortal kings took the initiative to join the War Kingdom. Although they had yet to recover to their peak, the number of Immortal Kings in the Warring States Kingdom had already exceeded twenty! However, the situation in the Azure Firmament Celestial Realm had become chaotic due to the great changes in the Nine Firmament Celestial Realm. Until the death of Qing Xiao Immortal Emperor, the peace in the Qing Xiao Immortal Realm was completely broken! In the face of Immortal Emperor Chen Mu's coercion, many forces in the Green Firmament Immortal Realm chose to submit to him. Except for Sengoku. Under such circumstances, the Warring States Kingdom inevitably became the target of public criticism and was in imminent danger! Even the interior of the Warring States began to fall apart. "War King, the situation is becoming clearer. The entire Nine Clouds Celestial Region will be under Immortal Emperor Chen Mu's command. From now on, there will be no Nine Clouds, only the Celestial Region." Flying Sand Immortal King said in a deep voice: "Even the Immortal Emperors of the other Immortal Domains have successively bowed their heads. I don't understand, why do you still insist?" "Not bad." Immortal King Yin Yu added, "The Nine Firmaments Immortal Realm is bound to be united. Only by unifying the Continent of the Nine Clouds can we compete with the Pure Land of Bliss and the Demon Region." Liefeng Immortal King said, "Immortal Emperor Chen Mu entered the imperial tomb and survived. He's the only one who has the strength to fight against the Pure Land's Lord of Six Brahma Heaven and the Demon Realm's World Devastator Devil Emperor." Lin Zhan said slowly, "I owe Immortal Emperor Qing Xiao a great debt of gratitude. Now that he died in the hands of Immortal Emperor Chen Mu, I will never surrender!"

Back then, if it wasn't for Immortal Emperor Qing Xiao, Lin Zhan and Fairy Linglong wouldn't have been able to establish themselves in the Heaven Realm. It was also because of the support of Immortal Emperor Qing Xiao that Lin Zhan was able to establish an Immortal Kingdom that protected the living beings of the lower realm in the Heaven Realm, which was surrounded by experts. If they didn't have Immortal Emperor Qing Xiao's support, Lin Zhan and his wife would have been ostracized, targeted, schemed against, and even besieged by countless beings from the Upper Realm! Their fates would not be any better than Feng Can Tian's. With Immortal Emperor Qing Xiao dead, how could Lin Zhan submit to Immortal Emperor Chen Mu? Flying Sand Immortal King coldly snorted, and said: "War Monarch, your stubbornness will only implicate the millions of living beings in the Warring States Kingdom, causing them to suffer a calamity of extinction!" Lin Zhan was clear in his heart. With his current combat strength, challenging Immortal Emperor Chen Mu was like throwing an egg against a rock. Lin Zhan spoke in a low voice, "For those who wish to leave the Azure Firmament Immortal Realm, I will naturally arrange a path of retreat for them. As for everyone here, everyone has their own aspirations. I won't force you." He had

once discussed this matter with Immortal King Ling Long. In this situation, the Warring States can no longer be maintained. For them, there was only one way out, which was the Heaven Wasteland Sect of the Demon Domain. Although the Heaven Wasteland Sect was situated in a corner, it had not encountered any calamities over the years. Moreover, the Devil Area had the World Devastation Devil Emperor overseeing it, so Immortal Emperor Chen Mu didn't dare to rashly step in. "Lin Zhan, you can't leave! "At this moment, a voice suddenly came from outside the main hall. Immediately after, a series of powerful auras surged over. "Hmm?" Lin Zhan stood up and scanned with his divine sense. There were at least 200 Immortal Kings around the main hall. Among them, there were a few extremely powerful auras. They were obviously Boundary Emperors! There was also one more ... At this moment, a man in a yellow robe walked into the main hall. An extremely powerful aura descended and enveloped everyone in the main hall! Immortal Emperor! "It's you!" Lin Zhan's gaze landed on this person, and he narrowed his eyes slightly.

In the past, this Immortal Emperor Luofeng had once lost a battle with Immortal Emperor Qing Xiao. He had fled and no one knew where he went. Unexpectedly, not long after Immortal Emperor Qing Xiao died, Immortal Emperor Luofeng appeared again and was now a peerless Immortal Emperor! "It seems like you have already submitted to Immortal Emperor Chen Mu?" Lin Zhan asked. "There is no Immortal Emperor Chen Mu now." Immortal Emperor Luofeng cupped his hands slightly and said respectfully with a respectful expression, "There is only the Nine Firmament Immortal Emperor now!" "In the future, Master will even go one step further and create an era, becoming the Nine Firmament Immortal Emperor!" "We will follow in Master's footsteps and conquer the world for him. We will also be recorded in the annals of history and shine for eternity!" At this point, Immortal Emperor Luofeng's tone also became a little excited. There was even a hint of undetectable fanaticism in his eyes. Immortal King Ling Long secretly cast a spell into the surrounding void. However, it was like a stone ox entering the sea. It didn't cause any ripples. "The surrounding space has been sealed!" Immortal King Ling Long secretly frowned and transmitted a message with her divine sense. "Don't waste your energy." Immortal Emperor Luofeng seemed to have noticed Immortal King Ling Long's actions. He smiled slightly and said, "The surrounding space has been completely sealed. Today, no one in this main hall can leave." "Greetings, Immortal Emperor Luofeng." Immortal King Flying Sand hurriedly stood out and bowed to Immortal Emperor Luofeng. He smiled fawningly and said, "I'm Flying Sand. I have long had the intention to surrender. I was just persuading Lin Zhan to surrender, but he was too stubborn." "Very good." Immortal Emperor Luofeng nodded and said, "A fine bird chooses a fine tree to nest in. Those who surrender will not be killed." After he said this, Immortal King Yin Yu and Immortal King Lie Feng looked at each other and also stood up to express their intention to surrender. In the blink of an eye, more than half of the twenty-plus Immortal Kings under Zhang Jiu stood on Immortal Emperor Luofeng's side. Other than Lin Zhan and his wife, Lin Lei, and Lin Luo, there were still five Immortal Kings who didn't express their stance. And these five Immortal Kings all came from the Lower Realm. It was because Zhang Jiu took them in that they had a place to stay.

They were indebted to Lin Zhan for recognizing their worth and even saving their lives. Their feelings towards Zhang Jiu were completely different from others. Lin Zhan looked at Immortal Emperor Luofeng and took a deep breath. He said slowly, "Immortal Emperor Luofeng, today, I, Lin Zhan, will die. I have nothing to say. I only hope that you can give them a way out." "I've said it before." Immortal Emperor Luofeng smiled faintly and said, "As long as you lead them obediently and submit to the Nine Firmament

Immortal Emperor, I'll give you a chance!" "Death or life, you choose for yourself." Lin Zhan gritted his teeth, his face expressionless. If he was alone, he would naturally fight to the death and never submit. However, behind him were Immortal King Ling Long, Lin Lei, and Lin Luo. There were also five Immortal Kings who had followed him for many years! "No matter what choice you make, I'll accompany you." At this moment, Immortal King Ling Long suddenly reached out and held Lin Zhan's large hand. "Father!" Lin Lei said loudly, "We're a family. If we want to fight, we'll fight together. Even if we die, we'll have no regrets!" Lin Luo also stood beside Immortal King Ling Long. She didn't say a word, her expression resolute. "Warlord, give the order!" The Immortal Kings from the Lower Realm also stood up. "Hehe ..." Immortal Emperor Luofeng laughed with a pitiful expression. He shook his head and sighed. "So, you're all seeking your own deaths?" "So what if we are?" A voice sounded in the hall. "Then don't blame ..." Immortal Emperor Luofeng's face was filled with killing intent. Just as he was about to attack, he suddenly frowned as he sensed that something was wrong. The sentence 'so what if we are' was not said by Lin Zhan! Unknowingly, there was another person in the hall!

Chapter 3102

Everyone in the hall looked in the direction of the voice. Everyone, including Lin Zhan and his wife, Lin Lei, and Lin Luo, were stunned. They turned around and looked over. At some point in time, a black-haired, purple-robed man wearing a silver mask had appeared behind Lin Zhan and the other three. No one in the hall knew how this person had broken through the spatial seal of the Immortal Kings and arrived here! Lin Zhan's eyes lit up when he saw who it was. He was excited and subconsciously said, "Zi ..." "Ahem!" Immortal King Ling Long coughed softly. At the same time, she stretched out her finger and quickly poked Lin Zhan's waist. She smiled and asked, "Fellow Daoist Araki Takeshi?" The moment she saw Wu Dao's true body appear, Fairy Ling Long knew that the crisis of the Sengoku Kingdom had been resolved. No wonder she had predicted the fate of the Sengoku Kingdom several times previously. She had always seen the light at the end of the tunnel. It was also because of this that she didn't arrange too many backup plans, resulting in the current situation. However, she couldn't deduce who could help the Sengoku Kingdom survive this calamity. It turned out that it was Araki Takeshi. Araki Takeshi? Upon hearing this Daoist name, everyone in the main hall was shocked and their expressions changed! The battle of the Grand Desolate World, the end of the battle between the Dragons, Phoenixes, and Kun Peng, the destruction of the Witch Race, the death of the Blood Realm and the Poison Realm, and the heavy losses of the two realms. A series of news spread. Who in the 3,000 realms didn't know the name of Araki Takeshi? Lin Lei and Lin Luo were also shocked when they saw Wu Dao's true body. Speaking of which, Lin Lei and Lin Luo had been lucky enough to see Araki Takeshi in action in Lang Feng City and the Jianmu Mountain Range. At that time, Araki Takeshi was still called the Demon Realm's Great Demon! When they were in Lang Feng City, Lin Lei felt that the gap between him and Araki Takeshi wasn't too big. He even regarded him as his greatest opponent. By the time they fought in the Jianmu Mountain Range, the gap between the two of them had already become extremely wide. When Lin Lei heard about the battle of the Great Wilderness, he even suspected that Emperor Araki Takeshi and Araki Takeshi of the Demon Realm were the same person. Until now ... The gazes of Emperor Luo Feng and the other experts flickered as they gazed at Wu Dao's main body, and they revealed surprised and bewildered expressions.

The name of Araki Takeshi had spread throughout the three thousand realms. However, not many people had actually seen Emperor Araki Takeshi. No one had ever seen Araki Takeshi's true appearance. If it was really Emperor Araki Takeshi, they wouldn't hesitate to kowtow to him. But if not ... Emperor Araki

Takeshi wore a silver mask all year round. It was really hard to say whether this was the true body of Emperor Araki Takeshi. Moreover, what kind of status did Emperor Araki Takeshi have? Why would he suddenly come to the Heaven Realm's Green Firmament Immortal Domain and get involved in such a trivial matter? Immortal Emperor Luo Feng narrowed his eyes and observed every move of Wu Dao's main body. He wanted to find a flaw. It was rumored that Fairy Ling Long was unparalleled in wisdom and intelligence. She found someone to impersonate Emperor Araki Takeshi in order to scare them away and survive this calamity. It was very possible. Immortal Emperor Luo Feng didn't say a word. He decided to bide his time and wait and see. "Haha!" Under everyone's gaze, Lin Zhan laughed loudly and went forward. He grabbed Emperor Araki Takeshi's shoulders and shook it forcefully. He said loudly, "Brother Araki Takeshi, you're here!" Everyone in the hall was dumbfounded. Even Lin Lei subconsciously opened his mouth wide with a puzzled expression. "Father is so familiar with Emperor Araki Takeshi?" Lin Lei subconsciously looked at Immortal King Ling Long and guessed a possibility. He thought to himself, "Mother's method ... Isn't it too fake?" When Lin Zhan first saw Emperor Araki Takeshi, he had blurted out a word. Then, he was interrupted by Immortal King Ling Long. Lin Luo saw this detail. "Father's reaction at that time didn't seem to be an act. It was as if he really knew Emperor Araki Takeshi." "What ... What?" Lin Luo frowned slightly. She looked at Wu Dao's main body, then looked at Lin Zhan and Immortal King Ling Long thoughtfully. Seeing this scene, Immortal Emperor Luo Feng finally relaxed. He snorted and couldn't help but laugh out loud. "This is what they mean by 'even a wise man will make a mistake'." Immortal Emperor Luo Feng sneered and said, "Immortal King Ling Long, you put in so much effort to find someone to pretend to be Emperor Araki Takeshi to scare us. But you didn't expect Lin Zhan to be so good at acting!"

The other Immortal Kings gradually came to their senses and laughed mockingly. "You're just a Sub-Thearch, yet you call Emperor Araki Takeshi your brother. Are you worthy?" "I've been in the Warring States Period for many years, but I've never heard of Lin Zhan having any relationship with Emperor Araki Takeshi." "You don't say. If we don't pay attention, we'll be easily fooled by him. Everyone, take a look. He's wearing a purple robe and a silver mask. He really looks like it." "The problem is, who knows what Emperor Araki Takeshi looks like? If I change into a purple robe and wear a lousy mask, I'll still be Araki Takeshi. Haha!" Lin Zhan and Immortal King Ling Long didn't care at all when they heard everyone's mockery. They seemed to be laughing even more happily. Lin Lei thought that Immortal King Ling Long's scheme had been seen through. His face flushed red when he heard that. "You guys are too noisy." Wu Dao's main body suddenly spoke. The mocking laughter in the hall suddenly stopped. Then, an even louder laughter erupted! "Hahahaha!" "So?" "Lin Zhan, Ling Long, where did you find this person? Why is he addicted to acting?" Wu Dao's main body didn't look directly at them. He only slowly raised his arm, opened his palm, and gently clenched it in the direction of the crowd. Puchi! Blood mist spewed out! The pungent smell of fresh blood instantly filled the hall! In an instant, the bodies of the dozens of Immortal Kings who were laughing the loudest just now exploded, turning into a cloud of blood mist. Their primordial spirits were destroyed, and their bodies and Dao disappeared! Among them, two Sub-Thearchs weren't spared either. Their bodies and souls were destroyed! The hall was completely silent. Moreover, for a long time, there was no sound at all. Even the sound of breathing had disappeared without a trace. The group of Immortal Kings who were still alive stood on the spot. Warm blood splattered on their faces, but they didn't dare to move. Their bodies were stiff, and their eyes were filled with endless fear! What kind of power was this? Dozens of Immortal Kings were like ants in the hands of that person. With a clench of his fist, all of them died! Even Immortal Emperor Luo Feng was scared silly. His eyes widened, and his expression was one of shock!

With his cultivation level, he had the ability to kill dozens of Immortal Kings, but he definitely couldn't do it so easily! This kind of power had even exceeded his understanding! Could it be that this person is really ... Hiss! When Immortal Emperor Luofeng thought of this possibility, all the hair on his body stood on end. He felt his scalp go numb, and his legs went weak. "I, I'm under the orders of the Nine Heavens Immortal Emperor, you ..." Immortal Emperor Luofeng took a deep breath and mustered his courage. His voice trembled slightly as he wanted to use the Nine Heavens Immortal Emperor to stabilize the situation. "Oh." Wu Dao's main body glanced at him and said, "I forgot to kill you." He flicked his finger. A ray of light descended! Immortal Emperor Luofeng's pupils constricted, and he hurriedly propped up a world. This ray of light descended from the sky and instantly broke his world. His body was cut in half, and his primordial spirit was also directly wiped out! Everyone looked at this scene in horror. A peerless Immortal Emperor was actually killed by this person with a flick of his finger!

Chapter 3103

Celestial Emperor Araki Takeshi! These were the only words left in the minds of everyone in the main hall! In the world, only Celestial Emperor Araki Takeshi had such means! Plop! Plop! The Immortal Kings who were still arrogant just now knelt on the ground with terrified expressions. They lay on the ground and trembled. "Greetings, greetings, Celestial Emperor Araki Takeshi ..." "Please forgive us, Celestial Emperor Araki Takeshi. We were blind ..." "We didn't want to be enemies with the War Kingdom at all. We were all ordered by Immortal Emperor Luofeng and were forced to come ..." Immortal King Flying Sand smiled as if he was trying to curry favor with her. "Immortal King Ling Long, I, Flying Sand, was originally from the War Kingdom. I was just blinded by greed just now. I'm willing to return to the War Kingdom ..." "You're not worthy." Immortal King Ling Long interrupted him with a cold gaze. "What should we do with these people?" Wu Dao looked at Lin Zhan and his wife and asked. When the Immortal Kings kneeling on the ground heard this, they immediately became nervous. Their foreheads were covered in sweat, and their hearts were in their throats. Their lives were in the hands of Lin Zhan and his wife! After an unknown period of time. "Let them go." Lin Zhan's voice sounded. "They're just puppets who are helping the devil." All of the Immortal Kings relaxed. However, they still knelt on the ground obediently and didn't dare to get up. That person didn't say anything. Who dared to move? "Let's go." Wu Dao said calmly. The Immortal Kings felt as if they had been pardoned. After thanking him, they fled and disappeared in the blink of an eye. Looking at the empty main hall, Lin Lei gradually realized that his father Lin Zhan really knew Celestial Emperor Araki Takeshi. Moreover, their relationship was not shallow! At the same time, another doubt in Lin Lei's heart was quietly solved. No wonder that day in Lang Feng City, in order to save his dao child, Araki Takeshi seemed to have deliberately avoided him and his sister and didn't hurt them at all. It turned out that Araki Takeshi knew his father and mother long ago. "Why did you think of returning to the Heaven Realm?"

Immortal King Linglong asked. Wu Dao's main body said, "Little Ning and Night Spirit ran into some trouble. It's a good opportunity to settle some grudges." After the Nine Heavens Convention, when Su Zimo arrived at the War Kingdom, he had chatted with the Lin Zhan couple about Tianhuang Mainland and mentioned Night Spirit and Xiaoning. At that time, he had asked Lin Zhan and his wife to look for Ning. "Where are they?" Lin Zhan asked. Wu Dao's true body said, "The Crimson Heavens Immortal Region is being hunted by the Crimson Heavens Palace." Immortal King Ling Long smiled and said, "If you show up, that Immortal Emperor Dan Xiao will probably be scared half to death." Wu Dao shook his head and said, "I have to find someone else." "Who?" Lin Zhan and his wife could tell that Wu Dao's tone was a

little serious. They couldn't help but be curious. Who exactly was this person that could make Araki Takeshi pay so much attention to?"Immortal Emperor Chen Mu."Wu Dao's main body said slowly."It's him!"Lin Zhan and his wife looked at each other. They could see the surprise in each other's eyes.All these years, Immortal Emperor Chen Mu had been bold and decisive. He had used thunderous methods to unify the Nine Clouds and formed a balance of forces in the Heaven Domain.Immortal Emperor Chen Mu, who had come back from the dead, was naturally very strong. However, Lin Zhan and his wife didn't expect him to be so strong that even Araki Takeshi was so cautious!"You go and meet him. Leave the Crimson Heavens Immortal Region to us!"Lin Zhan said in a low voice.Wu Dao's main body nodded. He turned around and stepped into the void, disappearing."Lin Lei, Lin Luo, gather people and head to the Crimson Heavens Immortal Region. Prepare for a big battle!"Lin Zhan's eyes were filled with fighting spirit as he said loudly....Crimson Heavens Immortal Region.Blue Blood Mountain Range.Most of the mountain ranges here were crimson red, as if they were dyed with blood. There were layers upon layers of mountains, steep mountains, and jagged rocks of strange shapes.Halfway up a mountain, there was a cave hidden under vines. There were two people inside, a man and a woman.The man was wearing a tight-fitting black shirt. He was expressionless and had a cold expression. Only when he looked at the woman would his expression become much gentler.

The woman was wearing a white alchemist robe. She looked gentle and was carefully refining a type of pill. She was focused.After a while, a few immortal pills flew out of the cauldron, emitting waves of fragrance.The woman looked at the patterns on the pills and nodded in satisfaction. Then, she passed it to the man in black and said, "Here, eat it."The man in black reached out and took it."It might be a little bitter ..."The woman reminded him again.The man in black swallowed it without hesitation. He shook his head and said, "It's not bitter."The woman pursed her lips into a smile and said, "With these Immortal Pills, your injuries should be healed very quickly. Our chances of escaping have increased by a fraction."The man in black nodded. He started to circulate his bloodline and closed his eyes to heal his injuries.Back then, after leaving the Celestial Tribute World's Evil Demon Battlefield, he had been to countless realms and didn't cultivate much. He was running around just to find the woman beside him.Otherwise, with his innate bloodline, he would have most likely stepped into the Grotto-Heaven realm by now!All these years, he had experienced countless dangers along the way. Thankfully, he had finally found her in the Heaven realm."Once I step into the Grotto-Heaven realm, we will definitely be able to escape!"The man in black thought to himself."Su Xiaoning, Night Spirit, the two of you won't be able to escape!"Right then, a cold voice sounded from outside.The woman in the cave shuddered.The man in black opened his eyes as well.They were Night Spirit and Su Xiaoning who were hiding in the Blood Jade Mountain Range.Night Spirit could clearly sense that more and more experts were gathering around this mountain, forming an encirclement!They couldn't hide anymore!Night Spirit stood up slowly. He hid in the darkness of the cave like a ghost in the night.Xiaoning stood up with him with a worried expression.Boom!Night Spirit waved his hand and broke through the cover in front of the cave. The two of them walked out.More than a hundred Immortal Kings had already gathered around the mountain.

More and more Immortal Kings, Perfected Immortals, and other experts were rushing over, setting up an inescapable trap!In front of the two of them, a blue-robed man stood in the air with his hands behind his back. His expression was cold as he looked down at the two of them in front of the cave.The son of Immortal Emperor Crimson Heaven, Immortal King Stone Que!"Su Xiaoning, you disappoint me too

much."Immortal King Stone Que said coldly, "You would rather follow this beast to the ends of the world than become my concubine!"Su Xiaoning said in a deep voice, "We have already pledged our lives to each other in the lower realm. I hope Immortal King Stone Que can fulfill our wish.""Ha!"Immortal King Stone Que sneered and said, "Pledged our lives to each other in the lower realm? You also know that you were born in the lower realm? As the Emperor's son, I wanted to take you in as my concubine to give you a chance to get rid of your lowly status. Unfortunately, you don't know what's good for you." "Su Xiaoning, don't forget that if Crimson Heaven Palace hadn't taken you in back then, you would be nothing! You would be a lowly servant who wouldn't have lived to this day! "That might not be the case! "At this moment, a woman's voice sounded not far away. It was neither soft nor heavy, but it was sonorous and powerful."If Crimson Heaven Palace hadn't taken her in, there would have been Zixuan Immortal Kingdom."

Chapter 3104

Not far away, a few figures arrived. The one who spoke was Book Immortal Yun Zhu.Momo and Liu Ping followed closely behind.Behind the three of them was an old man in the Grotto-Heaven Realm.However, they were surrounded by the Crimson Heaven Palace's army.Immortal King Stone Que didn't care at first.The Zixuan Immortal Kingdom was only a Heaven-level force in the Divine Firmament Immortal Realm. They were not on the same level as the Crimson Heaven Palace. If the Divine Firmament Palace had stepped in, he would have been a little worried.The Zixuan Immortal Kingdom?Haha.Immortal King Stone Que glanced over casually, but his eyes suddenly lit up!One of the three fairies, Book Immortal Yun Zhu!The four fairies were all peerless beauties with outstanding talent. They each had their own strengths and were extremely famous in the entire Heaven Realm.Unfortunately, it was said that the Zither Immortal had been disfigured at the Jiuxiao Convention and was later killed by Su Zhu of the Sword Realm in the Celestial Tribute Realm.Among the remaining three fairies, the Chess Immortal was the most belligerent. Immortal King Stone Que wasn't interested in her.The Qiankun Academy where the Painting Immortal was from had long declined. In addition, she lived in seclusion and rarely showed herself, so her reputation was not as good as before.Only the Book Immortal Yun Zhu was the one he liked the most.He had even invited her to the Crimson Heaven Palace several times, but unfortunately, he didn't get a response."Let them in."Immortal King Stone Que smiled and waved his hand.The Crimson Heaven Palace's army opened a gap and let Yun Zhu and the other three in.At this time, the Crimson Heaven Palace's army had gathered around hundreds of thousands. More than three hundred Immortal Kings had all arrived!In the formation of thousands of troops, countless gazes were fixed on them, and there were so many Immortal Kings. Yun Zhu and the other three were indeed under great pressure.Immortal King Duzui, who was protecting Yun Zhu, was used to seeing storms. In the face of this situation, he was also a little nervous and nervous.In this situation, if a conflict broke out, he would be unable to protect himself, let alone Yun Zhu's safety.Immortal King Stone Que smiled and said, "Fairy Yun Zhu, I invited you to the Crimson Heaven Realm many times, but you refused. I didn't expect you to come uninvited today."

Yunzhu cupped his fists and said, "Immortal King Shi Que, these two are my old friends. I hope you can give me some face and show mercy."As a matter of fact, she has no relationship with Ning and Night Spirit. It is only because of Su Zimo's request.However, with this additional layer of relationship, she was worried that Immortal King Stone Que would not agree.When Ning and Night Spirit see Momo, they can roughly guess who Yunzhu is here for."Alright!"Immortal King Shi Que said with a smile, "Since Fairy Yunzhu has asked, I will definitely give you face."Unexpectedly, Immortal King Stone Tower actually

agreed right away. Yun Zhu was slightly stunned, but she quickly noticed the flickering light in Immortal King Shi Que's eyes, and she realized that Immortal King Shi Que had other intentions!"In that case, many thanks to Immortal King Stone Que." Yunzhu pretended to know nothing. She waved at Ning and Night Spirit and said, "Let's go." "Hold on!" Immortal King Shi Que's expression darkened as he said coldly, "Fairy Yunzhu, why do you have to play dumb with me? I can let her go, but you have to pay a price!" "What do you want?" Yunzhu asked. "You!" Immortal King Shi Que said with a fake smile, "This Su Xiaoning should have been my immortal concubine. If you're willing to replace her, I can naturally let her go." "Of course, Fairy Yunzhu, don't worry. If you're willing to give yourself to me, I can make you my Dao companion." Yunzhu's expression was calm and there was no fluctuation in her eyes. She merely said indifferently, "Immortal King Shi Que, you must be joking." "I never force others," Immortal King Shi Que smiled. "You can think about your choice." Yunzhu remained silent. She had no choice but to appear at this moment and wanted to stall for time as much as possible. However, judging from Immortal King Shi Que's attitude, she might not even be able to protect herself! Tao Yao's expression was anxious and worried. "Daoist Yunzhu, Xiaoning thanks you." Xiaoning cupped her fists from afar and said, "But don't be fooled by him. He has many wives and concubines, and he already has a Dao companion. Now that he's going to abolish his Dao companion because of you, it's obvious that he's a heartless person."

"Leave now. Don't worry about us."

"Interesting." Immortal King Shi Que was not angry when he heard that. He looked down at Xiaoning and Night Spirit and said, "I didn't expect you to be able to get Fairy Yunzhu to help you. Unfortunately, even if the Zi Xuan Immortal Kingdom intervenes, they won't be able to save you!" "If my father intervenes, the various factions in the Nine Firmament Immortal Realm will have to give him face. You're just a couple from the Lower Realm. How many people do you know, and you want to fight me? Hmm?" "So what if we're from the Lower Realm?" At that moment, a crack suddenly appeared in the void, and a mocking voice came from within, "Do you think those from the Lower Realm can f * ck your mother? Why are you always talking about it?" Night Spirit shuddered when he heard the voice. He looked up in disbelief. Four figures descended from the crack. The one who spoke just now had a strong head and a ferocious face. Who else could it be other than Tiger? Beside her, a woman in green with long legs said coldly, "They don't need to know many people. Us brothers are enough!" Qingqing! The golden-haired man beside her looked at Night Spirit and grinned. "Fifth Brother, we're here. Did you miss us?" The little fox did not speak. She only blinked her big, watery eyes and waved her hand vigorously in Night Spirit's direction. Night Spirit clenched his fists. His eyes were red, and his heart was in turmoil. Perhaps it was his nature, but Night Spirit had always been very calm. He rarely showed any emotional fluctuations, and rarely showed too much emotion. However, at this moment, an indescribable emotion suddenly burst out from the depths of his heart! Brothers! He, Night Spirit, was not alone – he had a few good brothers! Tiger, Qingqing, the little fox and the Golden Lion sprinted over. One by one, they hugged Night Spirit and groped him all over. "It's been a long time since we last met. You seem to have gotten stronger." "Little Night Spirit, let me cherish you. I was the one who hatched you back then ..." "Eh? Your personality has changed. If it was in the past, I would have been sent flying after touching you like that." Under normal circumstances, Night Spirit would not allow anyone to get so close to him and even touch him so intimately. However, at that moment, Night Spirit merely pursed his lips when he heard the familiar voices around him. He looked at the four familiar faces and felt a surge of warmth in his heart, causing his vision to blur.

Ever since he ascended, Night Spirit had never been as free as he was in Tianhuang Mainland. Even though he had found Xiaoning, he felt as though something was missing. It was only at this moment that

everything returned. Those familiar feelings and the companionship that he was used to ... Everyone hugged each other and ignored the strange gazes around them. They cried and laughed, as though they had returned to Tianhuang Mainland. This scene fell into the eyes of the crowd as if they were looking at a few fools. Perhaps no one would ever understand that the feelings between the few of them were above everything else, surpassing kinship and life and death. No matter how time passed or where they were, they would be bound to each other forever.

Chapter 3105

Immortal King Shi Que frowned slightly with a gloomy expression. Just now, the tiger had been cursing and swearing. He had been holding back and not attacking, not because he was afraid of these four demonic beasts. These beasts were nothing to be afraid of. They were only at the True Spirit level. What he was really afraid of was the terrifying aura that was faintly emitted from the void rift in mid-air! Tearing the void was something only a Grotto-Heaven King could do. However, the one who sent these four demonic beasts was probably not a Demon King! "May I know which expert has graced us with your presence? Why don't you show yourself?" Immortal King Shi Que looked at the void rift and asked in a deep voice. After a short silence, two figures walked out of the void rift. It was a man and a woman. The woman was wearing a pink fur coat. She was naturally charming, and her jade-like arms were exposed like lotus roots. She had long snow-white legs and a slender waist that could not be held with one arm. She exuded a seductive charm! The moment this woman appeared, she immediately attracted the attention of hundreds of thousands of soldiers. Everyone stared at the woman in pink, and the sound of people swallowing their saliva could be heard. The man beside her was tall and burly, and his aura was strong. Normally, he would definitely attract attention. However, after appearing at the same time as this woman, it was as if she was the only one left in everyone's line of sight. The Divine Elephant Demon Emperor seemed to be used to this scene. He only shrugged slightly and did not mind. Immortal King Shi Que's eyes gradually lost focus as he looked at the woman. He had even forgotten everything. Suddenly! In his mind, the jade ornament on his Primordial Spirit emitted a faint light. Immortal King Shi Que suddenly woke up, and his eyes gradually regained clarity. When he saw the nine tails swaying slightly behind the woman in pink, he could not help but exclaim, "The Nine-Tailed Demon Emperor!" Hearing this voice, the Immortal Kings also came to their senses. Unknowingly, they all broke out in cold sweat. One had to know that behind the Nine-Tailed Demon Emperor was the Great Wasteland Domain ruled by Emperor Araki Takeshi and the Blood Butterfly Demon Emperor! Someone who could stand shoulder to shoulder with the Nine-Tailed Demon Emperor was also a Demon Emperor! Two Demon Emperors from the Great Wasteland Domain had arrived at the same time. What were they trying to do?

Although there were hundreds of thousands of soldiers, more than 300 Immortal Kings, and even Quasi-emperors present, they were still not enough in front of two Demon Emperors! Seeing the two Demon Emperors from the Great Wasteland Domain appear, Yun Zhu heaved a sigh of relief. The Demon Emperor. She just didn't know if he would come ... "Senior Demon Emperors, are you here in the Heaven Realm to start a Realm War?" Immortal King Shi Que quickly calmed down and asked in a low voice. This time, he did not mention the Crimson Cloud Palace. Instead, he brought up the Heaven Realm. "Don't be nervous." The Nine-Tailed Monarch Beast giggled and said, "We didn't bring an army here. We've only brought them here to enjoy the show." Immortal King Shi Que lowered his head, avoiding the Nine-Tailed Demon Empress' gaze. The Nine-Tailed Demon Emperor's seductive eyes were like silk. He had

only taken a casual glance just now, and his soul had almost left his body!The Divine Elephant Demon Emperor said, "You can continue. We will not interfere with your feud."A Sovereign Emperor was a man of his word. Naturally, he would not go back on his word.The Immortal Kings present exchanged glances and heaved sighs of relief.That said, the crowd still had some misgivings in their hearts.If there were only four True Spirits of the Demon Clan, what could they do? Why would they need two Demon Monarchs to escort them personally?"Hey, that dogshit Emperor's son!"The tiger looked up at Immortal King Shi Que and said loudly, "Listen carefully, I'm also from the lower realm. We're all from Tianhuang Mainland!""You're just a dog relying on its master's power!"Immortal King Shi Que snorted coldly. "If it weren't for the presence of the two Demon Monarchs, you bunch of servants wouldn't have the right to speak here! What Tianhuang Mainland? I've never heard of it! ""Then I'll make you remember it today!"At this moment, a long roar came from afar.An army tore through the air. Flags fluttered in the wind, and dust billowed. There were actually 100,000 of them!The leader held a halberd and strode forward with surging battle intent. The Immortal Kings of the Crimson Cloud Palace were intimidated by his aura and did not dare to block him. They all made way."War Monarch?"

Immortal King Shi Que frowned when he saw who it was.Lin Zhan's eyes were like torches as he stared at Immortal King Shi Que. He said with killing intent, "I'm also from Tianhuang Mainland. Say the word 'servant' again in front of me!"Immortal King Shi Que did not dare to reply.He had a feeling.If he dared to say that word again, Lin Zhan would chop his hand off on the spot!Immortal King Shi Que looked around and saw Immortal King Ling Long and the other five Immortal Kings following closely behind.He had heard that the War Kingdom was about to be destroyed. How could they still mobilize so many people?"Lin Zhan, what are you trying to do?"Immortal King Shi Que asked slowly. "You've led an army to the Crimson Cloud Palace. Are you trying to start a war with the Crimson Cloud Palace?""So what if I am?"Lin Zhan was completely fearless. "If you dare to touch the people of Tianhuang Mainland, I'll dare to flatten the Crimson Cloud Palace!""Hahahaha!"Immortal King Shi Que laughed loudly and said, "Immortal Emperor Qing Xiao is already dead. Do you think the War Kingdom and these people from Tianhuang Mainland can flatten the Crimson Cloud Palace?"No matter what, the Crimson Cloud Palace had the Crimson Cloud Immortal Emperor.If it weren't for the two Demon Monarchs from the Great Wasteland Domain, the current situation would still be under Immortal King Shi Que's control.At this moment, another crack appeared in the sky.A few figures descended. One of them was an old man with an iron crown on his head. He stood straight with his hands behind his back. The aura he emitted was no weaker than the Nine-Tailed Demon Monarch and the Divine Elephant Demon Monarch!Immortal King Shi Que didn't know this old man with the iron crown, but he knew Lu Yun and the other peak masters of the Sword World."Is that the Celestial Emperor of the Sword World?"Immortal King Shi Que's heart skipped a beat."Fellow Daoists of the Sword World, what brings you here?"Immortal King Shi Que cupped his hands and asked.The old man with the iron crown didn't even look at him. He kept looking at the sky with his hands behind his back.Lu Yun, the Peak Master of the Sword World, smiled and said, "I heard that you want to touch two people from Tianhuang Mainland. What a coincidence. The Peak Master of the Ninth Sword Peak, Kitsune, is from Tianhuang Mainland."

Kitsune glanced coldly at Immortal King Shi Que. She didn't say a word and descended to guard Xiaoning.True Spirit?Immortal King Shi Que's eyes flickered.If it was just Kitsune, of course, there was nothing to be afraid of.But what did the Sword World mean?Several Immortal Kings and even an Imperial Lord of the Sword World personally came to escort them. Who were they trying to

scare?"Count me in, Tianhuang Mainland!"The void cracked open, and a voice rang out.Immediately after, a young man rushed out. He was also a True Spirit, but his bloodline was extraordinary. He came to Kitsune's side and smiled as he called her Senior Sister.Who was this?The Immortal Kings of the Crimson Heavens Palace had ugly expressions and their eyelids twitched.What was going on?They were just chasing two True Spirits from the lower realm. Why did it seem like they had poked a hornet's nest?Two figures could be seen emerging from the crack.This was ...Imperial Lord Kun of the North!Imperial Lord Nan Peng!The two Realm Lords of the Kun Peng Realm were personally escorting them!That young man just now ...Was he the young master of the Kun Peng Realm?

Chapter 3106

The three hundred or so Immortal Kings of Crimson Heaven Palace were instantly suppressed by the appearance of these Immortal Emperors. They were all bewildered and uneasy."Don't worry."Emperor North Kun looked around and waved his hand. "The two of us have nothing to do with Crimson Heaven Palace and the Heaven Realm, so we won't interfere."It's just that this kid is too stubborn. We're just here to keep an eye on him and don't let him get hurt."As he spoke, Emperor North Kun pointed at Carefree, who was with the people of Planet Tianhuang.Immortal King Shi Que frowned.Although Emperor North Kun said that he wouldn't interfere, who would dare to hurt the young master of Kun Peng with two Immortal Emperors and a Realm Lord watching over him?In other words, even if the young master of Kun Peng rushed up and slapped him, he might not dare to fight back!Why were there so many fierce people on Planet Tianhuang?Another crack appeared in the sky.Several figures with golden hair and blue eyes appeared.Protoss?Everyone was shocked again.There were no Immortal Emperors among the Protoss, but there were a few Immortal Kings. The woman in the lead was wearing a crown. She was obviously the Protoss Goddess!Why would the Protoss be alarmed by such a small matter in Crimson Heaven Immortal Region?"Fellow Daoists of the Divines ..."Immortal King Shi Que took a deep breath and was about to speak.One of the Immortal Kings interrupted him and pointed at Nien Qi. "We sent her here."Nien Qi descended and greeted the people of Planet Tianhuang.Another person from Planet Tianhuang?At this moment, a low rumble of thunder came from the distant sky. It was as if thousands of soldiers and horses were galloping in the sky!The next moment, banners fluttered in the wind, with the words "Planet Tianhuang" written on them.The leader carried a large spear on his shoulder and stepped on wind and thunder. His eyes were like lightning as he strode over with a monstrous aura!Feng Cantian led a hundred thousand soldiers of Planet Tianhuang into Crimson Heaven Immortal Region.Since almost all the Immortal Kings of the Crimson Heaven Immortal Domain had been mobilized to besiege Ning and the Night Spirit, the army of Heaven Wasteland Immortal Domain marched straight in with irresistible force!Behind Feng Cantian were Ming Zhen, Yan Beichen, Demoness Ji, and other people from Heaven Wasteland Region.

"Brother Feng!"Lin Zhan was agitated when he saw the person who came. He shouted loudly."Brother Lin, Fellow Daoist Ling Long!"Feng Can Tian also laughed loudly.There were many cultivators from Tianhuang Mainland present, but Lin Zhan, Feng Cantian, and Immortal King Ling Long were experts from the same era.In Tianhuang Mainland, it was the golden era of the ancient era where emperors rose together!The Night Spirit brothers, Xiaoning, Nien Qi, and Yan Beichen belonged to the later generations of Wu Dao's prosperity and the revival of the human race.The two great flourishing ages were separated by a long time, yet they were both incomparably glorious. Countless resplendent radiance emerged, illuminating the past and present.Some had already passed away.As for the survivors of Tianhuang

Mainland, the elites and paragons of two prosperous eras were finally gathered at this moment! It was a strange feeling. The people of the two eras seemed to have crossed the river of time and gathered in the Upper World. "That's the Human Emperor of Tianhuang Mainland, and the one beside him is Fairy Ling Long, who founded Enigma Palace." "Wow!" It was the first time the tiger, Qing Qing, Xiaoning, and the others saw Lin Zhan and Immortal King Ling Long, and they couldn't help but exclaim. To them, these experts were the seniors and ancestors that they respected the most! "That's the Thunder Emperor, the current Immortal King Heaven's Wrath!" "As expected of the Human Emperor and Thunder Emperor. They came with an army of a hundred thousand. How heroic!" In mid-air, Lin Zhan, Immortal King Ling Long, and Feng Cantian reunited. They were excited and emotional. Lin Zhan said, "We're the only ones left from that era on Tianhuang Mainland. It's a pity that Brother Zang Ye couldn't wait until now." At the mention of True Immortal Zang Ye, Feng Cantian's eyes dimmed. Then, he clenched his fists slightly and said, "Fortunately, Zimo killed Yuan Zuo, cut off his head, and sent it to Brother Zang Ye. He can die without regrets." In the ancient times, the various emperors rose together and created a glorious era that belonged to the human race. However, the Great Dao was heartless. Today, only the three of them were left. Immortal King Stone Que's expression had become extremely ugly. The Demon Realm's Tianhuang Sect had also come! The Tianhuang Sect was not strong.

However, there were rumors that the Great Wasteland Domain's Emperor Araki Takeshi was once the Demon Realm's Demon Araki Takeshi! For so many years, the Demon Realm had been under the rule of the World Devastation Demon Emperor, but the World Devastation Demon Emperor had never touched the Tianhuang Sect. It was very likely because of this reason! Immortal King Stone Que realized that the situation was no longer under his control. He had only wanted to kill two servants. Who would have thought that he would cause such a big trouble! Other than the Tianhuang Sect, the War Kingdom, and the Purple Xuan Immortal Kingdom, there was also the Great Wasteland Domain, the Kun Peng Domain, the Sword Domain, the Light Domain ... These were all super large domains! Immortal King Stone Que even suspected that these domains were going to join forces and start a domain war against the Heaven Realm! "Everyone, there must be some misunderstanding here." Immortal King Stone Que saw that the situation was not good, so he quickly changed his words and explained, "I don't look down on Tianhuang Mainland. Previously, I was only targeting the two traitors of the Crimson Heaven Palace." "Traitors?" Tiger laughed loudly when he heard this and said, "Prince Dog, with your brain, you won't even know how you died today!" "If you chase after the two of them, you will become the enemy of Tianhuang Mainland!" Feng Cantian's gaze fell on Immortal King Stone Que as he said coldly. Immortal King Stone Que's cultivation level was clearly higher than Feng Cantian's, but when he faced Feng Cantian's gaze, he felt a huge pressure. "Since fellow cultivators of Tianhuang Mainland want to protect them, then let's forget about today's matter for now. We'll meet again someday." Immortal King Stone Que forced a smile and said with cupped fists. He turned around and tore through the void to escape. Boom! Just as he tore a crack in the void, a pitch-black and thick long rod with golden light flew out diagonally. It descended from the sky and shattered the spatial tunnel! "Who said you could leave?!" A voice filled with murderous intent sounded. Hearing this voice, Night Spirit, Tiger, Qing Qing, Little Fox, and the Golden Lion shuddered and looked over in disbelief. A tall figure walked out from a crack in the void. His body was covered in long hair, his arms were extremely long, and his eyes were bloodshot. It was Monkey! "Monkey!" Tiger and the others' eyes lit up as they called out loudly.

Monkey turned around and looked at Night Spirit, Qing Qing, Tiger, Little Fox, and the Golden Lion

below. He subconsciously clenched his fists and tried his best to suppress the excitement in his heart. He descended and pretended to be calm as he nodded and said, "Everyone is here ...""Stop pretending!" Tiger was the first to pounce forward and hugged Monkey. Monkey was just about to give him a backhand slap when Night Spirit and the rest rushed forward. Behind Monkey, Long Ran also rushed out and shouted, "The Dragons are here too!" The hearts of the Immortal Kings of Crimson Heaven Palace skipped a beat when they heard this. Could it be that a few super great realms had joined forces to start a realm war against the Heaven Realm?

Chapter 3107

Along with Long Ran, Long Li and the Nightmare Dragon King walked out. There was also the new Master of the Dragon World, Frost Dragon Emperor. Another Imperial Lord and the World Lord of the Dragon World had arrived! Although the Dragon World was severely injured and weakened after the war between the Dragons and Phoenixes, no one dared to underestimate the combat strength of the dragons! Until now, Immortal King Stone Que was still puzzled. It did not seem realistic that so many experts of the realms had appeared just for the two True Spirits of Tianhuang Mainland. Judging from the expressions of the Imperial Lords and World Lords, none of them seemed to know Su Xiaoning and Night Spirit! Who was it that had the power to gather the experts of these super realms? Just as Immortal King Stone Que was puzzled, two more figures walked out from behind Long Ran and the others. One of them had black hair and green robes. He had delicate features and looked like a scholar. The other person wore gray Daoist robes and had a fair face without a beard. He held a folding fan in his hands and looked around with bright eyes. When Su Xiaoning caught sight of the green-robed man, her eyes reddened instantly as tears streamed down her face. Her red lips parted slightly as she called out softly, "Brother!" All these years of longing, hardship, hardship, sadness and grievances ... all sorts of emotions were contained in that call. The siblings had been through many hardships along the path of cultivation. After parting ways in Tianhuang Mainland, they finally reunited at this moment. Su Zimo's eyes flickered with gentleness when he caught sight of Xiaoning. Initially, there were three of them. Each time the two of them reunited, they could not help but think of their elder brother, Su Hong, who had protected them throughout their growth. Su Hong had once passed away in front of Su Zimo. At that time, he was helpless. He would definitely not let the same tragedy happen to Xiaoning. In Su Zimo's heart, no matter what cultivation realm Xiaoning was at, she would always be that little girl who loved to pester him and would never grow up. "Brother!" "Hurry, come over! We're waiting for you!" When Tiger and the others saw Su Zimo, they were excited and called out loudly. For some reason, a strange thought flashed through Immortal King Stone Que's mind when he saw that. Perhaps, this green-robed cultivator was the key?

However, he quickly rejected this idea. This person looked like he was only at the large success stage of the Grotto-Heaven Realm. His cultivation level was even lower than his. How could he have gathered so many super great realms to help him? "This person looks familiar." At that moment, someone from the Crimson Heaven Palace whispered among themselves. "I remember now. I saw him at the Continent of the Nine Clouds back then. He's Su Zimo from the Cosmos Academy!" "That Creation Qinglian? I heard that he was hunted down by the Patriarch of the Academy. He ran into the Emperor's Tomb and died." "No, this person is Su Zhu from the Sword World. I've seen him before in the Celestial Tribute World!" A True Spirit said in a deep voice, "Back then, in the Evil Demon Battlefield, I saw with my own eyes that this person, at the Kongming stage, defeated more than twenty True Spirits by himself. It left a deep

impression on me!" Su Zimo? Su Zhu? Immortal King Shi Que frowned and felt a headache coming on. Hearing the name Su Zhu, Yunzhu smiled and looked at Su Zimo with a complicated gaze. Emperor Araki Takeshi and the Blood Butterfly Demonic Empress had appeared in a high-profile manner and swept through the three thousand realms together. She had naturally heard of them long ago. Yunzhu also knew that although she was a Book Immortal, she was far inferior to the Blood Butterfly Demonic Empress. Moreover, she had learned from Momo that Su Zimo and the Blood Butterfly Demonic Empress had known each other for a long time. In fact, the main reason why Su Zimo had been able to reach this step in cultivation was because he wanted to follow in the footsteps of the Blood Butterfly Demonic Empress. Her fate with Su Zimo could only end here. "Clothes are not as good as new, people are not as good as old." Yunzhu lowered her head and smiled faintly. Perhaps it was because she had read a lot of books and was used to the romance between men and women, but she was able to see through this matter. Even if the two of them were not fated to be together, in her heart, Su Zimo was still different from others. "Huh? Isn't that Dao Master from Tianhuang Mainland?" "That's right. What's his name again? He's a storyteller." Tiger noticed that the person beside Su Zimo looked familiar and started discussing.

Night Spirit recognized the person with a single glance and said, "Lin Xuanji." Back then, Lin Xuanji, Su Zimo and Night Spirit ate a dragon egg in the forbidden grounds of the Dragons of Tianhuang Mainland. Of course, most of it was eaten by Su Zimo and Night Spirit while Lin Xuanji licked the bottom. Later on, Lin Xuanji even had designs on him and wanted to kidnap him! Su Zimo arrived slightly later because he met Lin Xuanji on the way and was delayed for a moment. Lin Xuanji was initially at Heaven and Earth Academy. According to him, he observed the celestial phenomena for a day and night and saw the stars rising in the east. With that, he knew that a calamity was about to befall the Pill Heaven Immortal Realm and thus, he calculated with his fingers ... Lin Xuanji was eloquent in front of Su Zimo and his saliva flew everywhere. If not for the fact that Su Zimo interrupted him with a darkened expression, no one knew how long he would have to go on ... After being interrupted by Su Zimo, Lin Xuanji licked his lips, seemingly unsatisfied. No matter what, the fact that Lin Xuanji could calculate their journey and even find them halfway proved that he was rather capable. At the mention of that, Lin Xuanji was rather smug. Lin Xuanji ran over and greeted everyone. When he caught sight of Immortal King Ling Long, his expression changed. Immortal King Ling Long had heard Su Zimo mention this person before and was looking at him with a fake smile at this moment. "Greetings, Grandmaster Ling Long!" Lin Xuanji came before Immortal King Ling Long and bowed. "Hurry and get up." Immortal King Ling Long helped him up hurriedly and smiled. "You're also a Grotto-Heaven Immortal King. Now that you're in the upper realm, you don't have to care about your seniority in the lower realm." Lin Xuanji's cultivation technique was unique. Although there were many experts present, not many could see through his cultivation. To think that Immortal King Ling Long would see through it with a single glance! The reason why Lin Xuanji could cultivate so quickly was because of Elder Xuan's unreserved inheritance. "You're the storyteller of this generation of Enigma Palace, right?" Immortal King Ling Long asked with a smile. "That's right!" Lin Xuanji nodded. "How did you know, Grandmaster Ling Long?" Immortal King Ling Long smiled. "Seeing how talkative you are, you must be bored out of your mind because you don't have a place to tell stories."

"Martial Ancestor Linglong truly has divine foresight. She's wise and powerful, and her foresight is godly ..." Lin Xuanji started bragging as soon as he opened his mouth. Fairy Ling Long blushed at his words and

shouted, "Stop!" Lin Xuanji coughed gently. Actually, Immortal King Ling Long was right. He had been bored out of his mind all these years! After accepting Elder Xuan's inheritance and becoming the tenth elder of Heaven and Earth Academy, he could not casually appear in public, let alone go around telling stories and telling fortunes. Elder Xuan was severely injured by the academy's Patriarch and imparted Lin Xuanji his Dao techniques. He had expended a lot of energy and did not have much lifespan left. Lin Xuanji did not dare to tell Elder Xuan as he was afraid that Elder Xuan would not be able to take it and be nagged to death by him ... Therefore, Lin Xuanji had been bored out of his mind all these years. This time, he finally made use of the opportunity of Heaven and Earth Academy attending the 10,000 Year Meeting of the Divine Firmament Immortal Realm to sneak out.

Chapter 3108

"I wonder if I should address you as Su Zimo or Su Zhu?" Immortal King Stone Que asked in a deep voice. "That's not important." Su Zimo glanced at him coldly, then pointed at Ning and said, "Just remember one thing. I'm her brother." "Haha." Immortal King Stone Que smiled and said, "I'm also infatuated with your sister, so I acted a little too aggressively. Fortunately, I didn't hurt her." "Fellow Daoist, if you don't mind, follow me to Crimson Heaven Palace. I'll personally offer you tea as an apology!" Immortal King Stone Que saw that the situation was bad and began to show weakness. No matter what, he had to return to Crimson Heaven Palace first. Didn't hurt her? If no one had shown up, Night Spirit and Ning would have been dead! Su Zimo sneered and said, "I'll naturally go to Crimson Heaven Palace, but not with you. I'll take your head!" Su Zimo didn't hide the killing intent in his heart. "I'm the son of Immortal Emperor Crimson Heaven." Immortal King Stone Que's face darkened. "You have to know what it means to kill a Thearch's son! Even if you invite these Imperial Emperors here today, they won't be able to protect you forever." "You won't be able to withstand the revenge of an Immortal Emperor!" Immortal King Stone Que saw that the other party was not backing down, so he began to show a tough attitude. "Thearch's son?" Su Zimo smiled and said, "If Immortal Emperor Crimson Heaven dares to interfere, I'll kill him too!" Kill an Immortal Emperor? Su Zimo's words were too laughable to Immortal King Stone Que. How could an Immortal Emperor die so easily? In the entire Three Thousand Realms, apart from someone as ruthless as Araki Takeshi, who would dare to say that they could easily kill an Immortal Emperor? In fact, Immortal Emperor Crimson Heaven had already sensed the arrival of the Imperial Emperors in Crimson Heaven Immortal Realm. However, he didn't know the intentions of the Nine-Tailed Demon Emperor and the others, so he didn't dare to act rashly. He could only wait and see. Su Zimo and the rest of the people from Heaven Wasteland Domain were nothing to be afraid of. However, any one of the Imperial Emperors from the super large worlds was a peak Imperial Emperor. Their combat strength was far above his!

"You're too arrogant!" Shi Que Immortal King narrowed his eyes and said in a deep voice, "This is the Crimson Heaven Immortal Region. If the Imperial Emperors don't interfere, you people from Tianhuang Region won't have much of a chance of winning." "If we fight to the death, it won't do us any good!" Immortal King Shi Que could clearly see that apart from the Imperial Lords of the Kun Peng World and the Great Desolate World, there were not many experts who truly belonged to Tianhuang Mainland. Only Lin Zhan, Feng Can Tian and a few others were a threat. After all, there were still more than three hundred Immortal Kings from Crimson Heaven Palace. Su Zimo said plainly, "Crimson Heaven Palace is not worthy to talk about a life and death struggle with me." In this battle, they would definitely break the net. However, what the Crimson Heaven Palace had caught was not fish, but a group of

dragons! Xiaoning said, "Brother, this person is extremely daring. He just wanted to take Fellow Daoist Yunzhu." "He's an Imperial Prince. He's arrogant and looks down on us who ascended from the lower world. He keeps calling us servants. He's very noble," the tiger said. "Just flatten Crimson Heaven Palace!" Feng Can Tian said loudly, "Today's battle will let this group of Immortals from the upper world understand that all living beings in the lower world can pull you down from your altar regardless of your status!" "Flatten Crimson Heaven Palace!" The people of Tianhuang Sect roared loudly. Most of the cultivators of Tianhuang Sect were living beings who ascended from the lower world. They had suffered in the upper world and finally found a place to settle down in Tianhuang Sect. They had long hated the arrogance, condescension, and oppression of the Immortals from the upper world. They could not tolerate it anymore! Seeing this, Shi Que Immortal King also realized that there was no room for negotiation between the two sides. If he did not deal with it properly, he would not be able to escape this calamity! "Imperial Emperors, you are all famous seniors in the Three Thousand Worlds. Your words carry weight. I hope you won't interfere in this matter. This is between the Crimson Heaven Palace and the people of Planet Tianhuang." Shi Que Immortal King bowed deeply to the old man with the iron crown, Emperor North Kun, the Nine-Tailed Demon Emperor, and the others. As long as he could keep these Imperial Emperors under control, the outcome of this battle was still unknown.

Crimson Heaven Palace had ruled the Crimson Heaven Immortal Realm for so many years. Its strength was not something the people of Tianhuang Sect could easily shake! The old man with the iron crown and the others looked at Shi Que Immortal King with a trace of pity in their eyes. Emperor Araki Takeshi and the Blood Butterfly Demon Emperor had taken action one after another, so the battle outside Torch Dragon Planet didn't spread completely in the three thousand realms. Shi Que Immortal King hadn't realized what kind of opponent he was facing. In the battle outside Torch Dragon Planet, Su Zimo had killed more than a thousand Grotto Heavenly Kings in the face of an army of hundreds of millions of soldiers from more than a hundred realms! The three hundred or so Immortal Kings of Crimson Heaven Palace were not enough. Shi Que Immortal King looked around and said loudly, "Everyone, the people of Tianhuang Sect are going to flatten Crimson Heaven Palace today. This concerns everyone here, every sect, and every family! If the people of Tianhuang Sect win, we will lose everything we have now!" Shi Que Immortal King's words hit the sore spot of many of the Imperial Emperors. In the Crimson Heaven Immortal Realm, the sects, kingdoms, and Crimson Heaven Palace had long formed a complicated relationship. They were deeply rooted and monopolized all cultivation resources. If Crimson Heaven Palace was destroyed, they wouldn't be any better off! It was the same in the Divine Firmament Immortal Realm. Therefore, Feng Cantian's rise back then was like a thorn in the side of the Immortals from the Upper World. In the end, he was imprisoned for hundreds of thousands of years and never saw the light of day! Shi Que Immortal King's passionate words had indeed aroused the fighting spirit of the Crimson Heaven Palace. However, he didn't expect Crimson Heaven Palace to completely collapse the moment the two sides clashed! They couldn't fight! They couldn't win at all! Su Zimo took out his four-headed and eight-armed state. He held the Three Treasures Jade Scepter, the Taiyi Horsetail Whisk, and the Qingping Sword. Coupled with the terrifying bloodline of the twelfth-grade Creator, Qinglian, he charged directly into the crowd! Only peak-stage Immortal Kings could barely resist with their perfected grotto-heavens. Ordinary Immortal Kings and peerless Immortal Kings were like chickens and dogs in front of him, unable to withstand a single blow! Su Zimo alone was enough to scatter the three hundred Immortal Kings of Crimson Heavens Palace. He was simply a killing machine in human form! Thunder rumbled and lightning flashed.

A large sea of lightning surged. Feng Cantian was in the middle of it. He was like a god born from lightning, waving his long spear and killing in all directions. Lin Zhan directly faced the Boundary Emperors from Crimson Heaven Palace. In the same realm, the Boundary Emperors were completely suppressed by Lin Zhan. They were at a disadvantage and were forced to retreat. Immortal King Ling Long used the Nine Palace Subtle Steps and the Xuantian Tortoiseshell in her hand. She shuttled through the Immortal King battlefield elegantly. The Immortal Kings couldn't even touch the corner of her clothes. The True Spirit Battlefield was also extremely tragic! The Monkey took out the Battle Imperial Weapon and released the secret technique of the Battle Universe. A thousand-foot-tall Battle Soul descended. Together with the Bloodline Phenomenon, it was invincible! A True Spirit from Crimson Heaven Palace was sent flying by the Monkey's staff. He spat out blood and was severely injured. Before he could react, a black shadow flashed and a bloody hole appeared on the top of his head. His Primordial Spirit was destroyed, and he died. In the True Spirit Battlefield, a spirit wandered like a ghost. Many True Spirits were silently killed before they could see the Night Spirit! Just the Monkey, Night Spirit, Tiger, Qing Qing, Little Fox, and the Golden Lion alone had turned the True Spirit Battlefield upside down!

Chapter 3109

Monkey, Night Spirit and the other brothers had not seen each other for a long time and had not fought side by side for a long time. Now that they were reunited, it was as though they had returned to the battlefield of Tianhuang Mainland. On the side of Tianhuang Sect, Ming Zhen gripped his Demon Subduing Pestle and his eyes were clear with the might of a Vajra. A peerless saber light descended from the skies with a torrential saber intent that surged like the mortal world, causing one to be unable to extricate themselves from it! Yan Beichen struck with his saber, Desire for the Mortal World! That was a killing move of the Fiend Buddhist Devotion Sutra! There were only a handful of True Spirits in the entire Tianhuang Sect who could withstand that slash, let alone ordinary True Spirits! Demoness Ji's movement techniques were agile and she shuttled through the crowd with her sword in hand like a dancing elf. Every single action, frown and smile of hers could cause one's heart to flutter. To her, the word 'massacre' did not seem to be stained with blood at all. Instead, it was filled with beauty. Some of the True Spirits of Crimson Firmament Palace fell at her feet and revealed satisfied smiles before they died. "Everyone, watch out! That monkey is here!" "We can't hold on any longer! Head over there!" "Don't come over! There's the Seven Emotions Fiend General here! Hurry and dodge!" "Everyone, don't panic! Gather together and kill our way out!" On the True Spirit battlefield, many True Spirit experts of Crimson Firmament Immortal Domain were in a mess and were defeated. A Paradise Void Realm True Spirit of Crimson Firmament Palace wanted to gather everyone together and kill their way out. Many True Spirit experts of Crimson Firmament Immortal Domain gathered towards the sound. However, before they could gain a foothold, they caught a whiff of a flower fragrance. In such a tragic battlefield where blood qi surged into the skies, the appearance of the flower fragrance was way too strange. Peach blossoms of various colors floated down from the skies one after another. They emitted a faint fragrance that was intoxicating like a rain of flowers. Some of the True Spirits did not think too much about it and wanted to wave away the falling peach blossoms. However, when his palm collided with the seemingly weak peach blossom, a blood mist burst forth! Poof! Endless sword qi burst forth from the peach blossoms and riddled that True Spirit with holes! "Watch out!" Someone exclaimed.

Buzz! All of a sudden! The sound of a sword rang out. Amidst the peach blossoms that filled the sky, a dazzling sword light descended. It contained an extremely sharp sword intent, and a chill enveloped the area, tearing the crowd that had just gathered into two! The sky was intoxicated with flowers, and the sword was cold with frost! Kitsune had defeated the confidence of the True Spirits from the Crimson Heaven Celestial Realm with just one strike! With Nien Qi, Carefree, Momo, Liu Ping, and the others joining the battle, Crimson Heaven Palace suffered a crushing defeat on the True Spirit Battlefield! "Tsk tsk ..." Monarch North Kun was watching the battle from the side. He exclaimed, "These people from Tianhuang Continent are incredible. Their strength alone is enough to crush the entire Nine Heavens Immortal Realm, let alone the Crimson Heaven Immortal Realm!" "Indeed." Imperial Monarch Nan Peng nodded and said, "Of course, there's a precondition. That's under the condition that Imperial Monarchs don't interfere." The old man with the iron crown said, "Currently, they lack top experts like Imperial Monarchs. Otherwise, given their strength, it's not impossible for them to establish a realm." Before Su Zimo left the Sword World, he mentioned this to Old Man Tie Guan and the other two Sword World Lords. This time, apart from saving Xiaoning and Night Spirit and resolving some of the grudges from back then, Su Zimo also intended to confirm this matter by gathering everyone from Tianhuang Continent in the Heaven Realm. The upheaval of the three thousand worlds was imminent, and everyone from Tianhuang Continent was scattered everywhere. Once the calamity descended, Su Zimo would not be able to take care of everyone. It was imperative to gather everyone from Tianhuang Continent as much as possible and find a place to settle down. "Establish a realm?" Monarch North Kun shook his head and chuckled when he heard that. He pursed his lips and said, "That's a little naive. Given their current strength, they can only establish a low-level realm." "If they want to survive in the current chaotic situation, they can only rely on the various super realms. Wouldn't they still have to live under someone else's roof?" Hearing that, the Frost Dragon Emperor opened her mouth slightly and hesitated. She seemed to have heard Long Li mention that Monarch Araki Takeshi also came from Tianhuang Continent. However, not many people knew about this. Monarch Araki Takeshi had only suddenly risen in recent years. He wore a silver mask that covered his appearance and was extremely mysterious. Not many experts from the three thousand worlds knew about his background.

Of course, even if Monarch Araki Takeshi came from Tianhuang Continent, he might not stay with these people because he was in the Great Wilderness Domain. Monarch South Roc also said, "We are all Monarchs and we know that it's not that easy to establish a realm and become one of the three thousand worlds." "Survival is only one of the problems in the current chaotic situation. There's also the problem of Heaven and Earth Yuan Qi." "If you want to establish a foothold in the three thousand worlds, there must be spirit items that gather Heaven and Earth Yuan Qi in the realm. Otherwise, how can cultivators cultivate if the realm has thin Spirit Qi? How many people are willing to give up a cultivation environment with abundant Spirit Qi to cultivate in a realm with thin Spirit Qi?" The Iron Crown elder fell silent. Actually, he knew that Monarch South Roc was right. This matter was also the foundation of establishing a realm. For example, the Heavenly world had the Divine Tree of Creation. Under such circumstances, in order to absorb more Heaven and Earth Yuan Qi, the Pure Lands had the three sacred trees and the Fiend Domain had the Tree of Immortality. Every immortal domain in the Nine Firmament Immortal Domain had their own spirit items and immortal trees! However, even if the people of Tianhuang Continent obtained any spirit items that could gather Heaven and Earth Yuan Qi, it would be easy for others to rob them if they did not have an Imperial Lord expert or a powerful realm to rely on. "No matter what, if Zimo wants to establish a realm, our Sword Realm will have to take

care of him."The Iron Crown elder thought to himself.In the Iron Crown elder's opinion, as long as there was enough time, people like Su Zimo would definitely be able to establish a firm foothold in the three thousand worlds by establishing a realm!However, the current situation of the three thousand worlds ...Monarch North Kun said, "Immortal Emperor Dan Xiao is still sitting still. He hasn't appeared yet.""With us around, even if we don't make a move, he won't dare to show himself." Monarch South Roc chuckled.The Frost Dragon Empress' expression was solemn as she said in a deep voice, "I'm not worried about Immortal Emperor Dan Xiao. I'm worried about the three in the Heaven Realm ..."The Frost Dragon Empress did not say the specific names, but the expressions of the Imperial Lords present changed slightly.The Nine Firmament Immortal Emperor, who was also the Immortal Emperor Chen Mu of the past.

The Six Brahma Heavenly Lord.The World Devastator Demon Emperor!These three dominated the Heaven Realm and occupied a region. Their strength was unfathomable. In an extremely short period of time, they unified the Immortal, Buddhist, and Fiend Domains!Without exception, the Imperial Lords who had once resisted them either died or surrendered!As for the World Devastator Demon Emperor, after 40 million years, he came back from the dead. Even now, it was still a mystery.The Imperial Lords present looked at each other and did not speak.In fact, they were somewhat apprehensive about coming to the Heaven Realm.It was because of the existence of these three.In fact, when they stepped into the Heaven Realm, their hearts were shrouded in a layer of haze. They all felt an indescribable pressure that was somewhat heavy!It was even accompanied by a faintly discernible sense of danger!However, this pressure seemed to have encountered some obstruction. It was suppressed by another force and did not erupt.

Chapter 3110

Divine Firmament Immortal Region...Divine Firmament Palace...Originally, it only had one owner, the Divine Firmament Immortal Emperor.However, after Immortal Emperor Chen Mu unified the Nine Heavens and became the Nine Heavens Immortal Emperor, this Divine Firmament Palace became one of his palaces.In the spacious Divine Firmament Palace, there were only two figures sitting opposite each other. There was a peach wood square table in the middle with two steaming cups of fragrant tea on it.Without the Nine Heavens Immortal Emperor's permission, even the Divine Firmament Immortal Emperor could not set foot in this palace!One of the two figures was Nine Heavens Immortal Emperor, who had become famous in recent years.The other had black hair, purple robes, and a silver mask. His eyes were as deep as the sea. It was Wu Dao's main body!When he first arrived, the Nine Heavens Immortal Emperor seemed to have been waiting for a long time and had already brewed fragrant tea."Try it."The Nine Heavens Immortal Emperor smiled and slowly pushed the teacup toward Wu Dao's main body. "This tea is not bad."Wu Dao's main body raised the cup, put it under his nose, sniffed it lightly, and drank it in one gulp.Wu Dao's main body put down the teacup and looked at the Nine Heavens Immortal Emperor. "How should I address you? Immortal Emperor Chen Mu, Immortal Emperor Nine Heavens, Emperor Bo Xun, Lord Six Brahma, World Devastator Demon Emperor, or... Great Emperor Zang Tian?"The Nine Heavens Immortal Emperor chuckled. "Looks like you have already guessed it.""Immortal Emperor Chen Mu, Emperor Bo Xun, and the World Devastator Demon Emperor used the power of the Thearch Tomb to come back from the dead. This means that they have all cultivated the Heaven Burying Sutra."Wu Dao's main body said, "Or rather, they awakened some kind of memory and comprehended the Heaven Burying Sutra."Back then, Qinglian's main body had been able

to come back from the dead in the Thearch Tomb because of the Heaven Burying Sutra. At that time, he had already guessed that Immortal Emperor Chen Mu, Emperor Bo Xun, and the World Devastator Demon Emperor had a close relationship with Great Emperor Zang Tian. And Emperor Bo Xun, the current Lord Six Brahma, had long shown signs. Su Zimo had already noticed some clues during the battle that day! After Emperor Bo Xun came back to life, he suddenly disappeared without a trace. However, Buddha's Six Brahma Heaven Lord had suddenly risen to power. Relying on his profound Buddhist teachings, he had gathered a large number of Buddhist disciples.

Bo Xun's understanding of the Buddhist Dharma was no weaker than any other Buddhist Imperial Emperor. This time, after coming back from the dead and experiencing life and death, he had improved further in the Buddhist Dharma and even surpassed the Buddhist Imperial Emperors! Only Emperor Bo Xun would be able to unify the Pure Lands of Bliss in such a short period of time without bloodshed! That day outside the Great Wasteland Domain, in his conversation with the Demon Master, the Demon Master had indirectly confirmed his conjecture. Wu Dao's true body said, "In the lower bound, a Blood Demon obtained your Three Corpses Technique and cultivated the three bodies of immortals, Buddhas, and demons. Emperor Bo Xun cultivated the Buddha body, the Six Desires body, and the Seven Emotions body. His conception is superior." "I'm a little curious. What are your three bodies?" Wu Dao's true body had speculated that Great Emperor Zang Tian's Three Corpses Technique might be Immortal Emperor Chen Mu's immortal body, Emperor Bo Xun's buddha body, and the Apocalyptic Devil Emperor's devil body. However, these three bodies were similar to the Blood Demon's understanding of the Three Corpses Technique. In terms of conception, they were inferior to Emperor Bo Xun's Three Corpses. "Of course, their understanding of the Three Corpses Technique is far inferior to mine." Immortal Emperor Nine Firmaments' eyes flashed with pride when he mentioned this. He said, "After several eras of cultivation, I comprehended the ultimate meaning of the Three Corpses Technique and severed the three corpses. They are the Good Corpse, Evil Corpse, and Self Corpse!" Wu Dao's true body pondered for a moment before realization dawned on him. In terms of conception, severing the Good Corpse and Self Corpse was indeed superior to the Blood Demon and Emperor Bo Xun's Three Corpses Technique. The so-called Good Corpse was actually the original Immortal Emperor Chen Mu. Before he came back from the dead and awakened Great Emperor Zang Tian's memories, Immortal Emperor Chen Mu was indeed a righteous person who slayed demons and demons. It was also because of this that Immortal Emperor Chen Mu appeared in two different states in the Emperor Tomb. Before his memories were completely awakened, he retained the last bit of Good Corpse and passed down the Dao Art of Morning Bell and Evening Drum to Su Zimo. He also advised Su Zimo to stay away from the Three Thousand Worlds. As for the Evil Corpse, it was naturally the World Devastator Demon Emperor whose heart was filled with destruction and killing intent! The so-called Self was actually one's own obsession. The Self Corpse was also known as the Obsession Corpse. The Self Corpse that Great Emperor Zang Tian severed was Emperor Bo Xun!

It was also because of this that he was able to create the Demonic Buddhist Sutra. Wu Dao's true body said, "You severed the Three Corpses and allowed them to cultivate in the Three Thousand Worlds. Before their memories are awakened, each of the corpses has its own consciousness." "In a sense, the Three Corpses are complete lives. They have the chance to take the final step and become Great Emperors!" "That's right." Immortal Emperor Nine Heavens nodded and said, "However, the Three Corpses encountered different bottlenecks in this life and were unable to break through. I could only

choose another path, which was to let them die, awaken their memories, and revive them."Wu Dao's true body said, "In other words, the fall of the Three Corpses in the previous life was inevitable. It was also caused by you.""Of course."Immortal Emperor Nine Heavens smiled and said, "Otherwise, how could it be so coincidental that they all died in the Emperor Tomb?"Wu Dao's true body thought of something else and said, "The Immortal Slaying Sword Emperor died in vain."During the battle of the Grand Tie Wei Mountain, Emperor Bo Xun was besieged by twenty Imperial Emperors. Among them, the Immortal Slaying Sword Emperor died while Emperor Bo Xun was buried in the Avici Hell.How could the Immortal Slaying Sword Emperor know that his lifelong friend, whom he had saved with his life, was only one of the Three Corpses of Great Emperor Zang Tian?Regardless of whether he helped or not, Emperor Bo Xun's death was inevitable.Immortal Emperor Nine Heavens' face did not change at all when the Immortal Slaying Sword Emperor was mentioned.Wu Dao's true body was not surprised by this.He was facing Great Emperor Zang Tian. The death of the Immortal Slaying Sword Emperor was nothing to him.Immortal Emperor Nine Heavens seemed to have thought of something and suddenly smiled meaningfully and said, "Actually, before you, there was another person who guessed my identity."Wu Dao's true body pondered for a moment and asked, "The Patriarch of the Academy?"""Smart!"Immortal Emperor Nine Heavens clapped his hands and smiled, saying, "The Patriarch of the Academy is a smart and interesting person.""He's also a very ambitious person."Wu Dao's true body said.Immortal Emperor Nine Heavens did not deny it and said with a smile, "He took the initiative to come to me and proposed a possibility. You definitely won't be able to guess it."Wu Dao's true body was silent.

He really could not guess what the Patriarch of the Academy wanted to do."He wants to cooperate with me!"Immortal Emperor Nine Heavens laughed.Wu Dao's true body sneered and asked, "Will you cooperate with him?"The difference in status between the two was huge.The fact that the Patriarch of the Academy dared to propose this matter was indeed beyond Wu Dao's true body's expectations.With Great Emperor Zang Tian's means, it would be easy for him to control the Patriarch of the Academy."At first, I did not care about it."Immortal Emperor Nine Heavens smiled and said, "However, this Patriarch of the Academy is really too interesting. I can't even bear to attack him. I'm even vaguely looking forward to the cooperation between us! "
