

Sacred King 3251

Chapter 3251

"Good lad!" Meng Shi was secretly speechless as he looked at Xu Rui and Chen Qianhe, thinking to himself, "What sort of a person did we bring back?" A Supremacy at the Third Transformation of the Dao Manifestation realm could not even last a single move against this man! Meng Shi recalled how he mocked Su Zimo earlier on and could not help but feel a lingering fear. If this man wanted to cause trouble for him, he would definitely die even if he had ten lives! Xu Rui and Chen Qianhe exchanged glances and could see the shock in each other's eyes. The woman in makeup had a terrible expression as she weighed the pros and cons in her heart. Eventually, she decided to avoid the limelight and said coldly, "Black Rat Sect admits defeat today. We'll meet again in the future!" Although Black Rat Sect still had six Supremacies and an army of tens of thousands, their morale was plunged with the death of their sect master and their morale was in chaos. Furthermore, even if the six of them joined forces with Pan Mu, they did not have any confidence against this green-robed man. With that said, the woman in makeup waved her hand and wanted to leave with everyone else. This time round, not only did Black Rat Sect fail to take over Chaos Palace despite mobilizing so many people, they even lost their sect master. It could be said that they had lost all their dignity and strength. Su Zimo said, "Why wait? Let's settle all our grudges today." The group of people from Black Rat Sect came with the intention of annihilating everyone. If not for the fact that he was here by chance, Chaos Palace would have been completely destroyed. Therefore, Su Zimo did not intend to let them off either. If he allowed a tiger to return to the mountains, it would be inevitable that there would be trouble in the future. The expressions of the Supremacies of Black Rat Sect changed when they heard that! Although that person's tone was calm, everyone could hear the killing intent behind it! The woman in makeup channeled her bloodline and beast patterns appeared on her face as she narrowed her eyes. "Fellow Daoist, what do you mean by that? Are you trying to keep us here?" "There are seven Supremacies on our side. If we attack together, you might not be able to escape unscathed!" When he said those words, in terms of aura, he was already 30% weaker. Xu Rui, Chen Qianhe and Meng Shi exchanged glances and stood out at the same time. Although they were unwilling to continue fighting against the Black Rat Sect, they would not back down since Su Zimo had made his intentions clear!

Xu Rui said solemnly, "There are still three of us in the Primal Chaos Palace. If we fight, it will be seven against four!" "Hmph!" The woman in makeup coldly snorted, "Don't forget, I have an army of tens of thousands behind me. If all of them rush at me, how many of the 3000 plus people from your Primal Chaos Palace will be able to survive?" Xu Rui's face sank. This was also the reason why he didn't want to confront the Black Rat Sect head-on. On the battlefield of the Venerable Ones, in a seven versus four situation, they still had a powerhouse like Su Zimo on their side. The Black Rat Sect would not be able to gain any advantage. However, if they were to be entangled with the enemy, the others from the Primal Chaos Palace would definitely not be able to withstand the assault of the Black Rat Sect's army of tens of thousands! At that time, the Primal Chaos Palace would definitely suffer countless casualties. "All at once?" Su Zimo suddenly laughed. He moved and said, "Let's see who dares to move!" When he said the word 'I', Su Zimo had already arrived in front of the woman in makeup and suddenly attacked! He was way too fast! The movement technique of the sect master of Black Rat Sect was fast and agile. However, Su Zimo's movement technique was several times faster than that! The woman in makeup was a Supremacy at the Third Transformation of the Dao Manifestation realm after all. Her reaction was fast

enough as she supported a world and retreated. However, her world was still pierced by Su Zimo's sword finger! Making use of that opportunity, the woman in makeup spun and appeared behind another Supremacy of Black Rat Sect. Poof! Right from the beginning, the Supremacy could not react in time and had his head pierced by Su Zimo's sword finger, becoming a scapegoat for the woman in makeup. The moment he said 'look', Su Zimo's sword finger changed direction and a sword beam shot out, slicing the other Supremacy of Black Rat Sect into two! Even Xu Rui and the other two who were standing beside Su Zimo were stunned, let alone the Supremacies of Black Rat Sect. A figure flashed before them and a green figure charged into the crowd. In a flash, five Supremacies of Black Rat Sect fell! The entire process happened so fast that Su Zimo only finished his last word after he said, "Let's see who dares to move."

The five Supremacies of Black Rat Sect were all dead on the spot! The mountain was in an uproar! Five Supremacies died with a single sentence and five words! A single word meant a life! The woman in makeup was right. The seven Supremacies were fighting against the Supremacies of Chaos Palace and Black Rat Sect's army would take advantage of the situation to attack. However, Su Zimo did not give them the chance. The battle that everyone imagined ended before it even started. Of the Supremacies of Black Rat Sect, only the woman in makeup and Pan Mu who defected were left. When they saw that, the army of Black Rat Sect was stunned on the spot. Those scoundrels did not even dare to turn and escape, let alone attack Chaos Palace. They were afraid that their actions would attract Su Zimo's attention! "That's it?" Meng Shi was in a daze for a moment when he saw that. The three of them did not even have the chance to attack. Why were Supremacies as weak as three-year-old children in front of this person? Xu Rui's heart skipped a beat and he could not help but recall that they encountered fewer dangers on their way back from the Flying Immortal Altar. At that time, the three of them thought that they were lucky. Now that he thought about it, it was probably because of this person. Pan Mu was already shivering in fear. The woman in makeup was pale as well. Looking at Su Zimo who was walking over slowly, her breathing turned heavy as she shouted, "What are you trying to do?!" "Y-You can't kill me! I'm telling you, I'm a clansman of the fourth leader of Myriad Beast Ridge. If you dare to kill me, Myriad Beast Ridge will definitely tear you into pieces and raze Chaos Palace to the ground!" Pan Mu seemed to have thought of that as well and suddenly raised his head to look at Xu Rui and the other two. "You guys have offended Myriad Beast Ridge. The person you guys found is already in big trouble!" When they heard the woman in makeup mention Myriad Beast Ridge, the expressions of Xu Rui and the other two changed as fear flashed through their eyes. "Oh?" Su Zimo smiled faintly. "You have a backer?" The woman in makeup snorted. "You just ascended to the Great Thousand World, so you probably haven't heard of Myriad Beast Ridge. Why don't you ask Xu Rui?"

Su Zimo did not know anything about Myriad Beast Ridge, so he turned to look at Xu Rui and the other two. Xu Rui said in a deep voice, "Myriad Beast Ridge is a second-grade force in the Huagai Continent. It's said that the four leaders are all Heavenly Venerates and have the wolf, tiger, and leopard races under them. The number of beasts is in the hundreds of thousands!" "Four Heavenly Venerates ..." Su Zimo muttered. Heavenly Venerates were only at the Lesser Dao Comprehension Realm, so they were not a threat to him. Although his cultivation was only at the Third Transformation of the Dao Manifestation Realm, his physical body had fused with Qinglian and the Red Karmic Fire Lotus. He had the absolute strength to kill those above his level! Furthermore, his Primordial Spirit had already reached the Greater Dao Comprehension Realm, making him a Great Heavenly Venerate! "It's said that the fourth leader of

Myriad Beast Ridge is a Leopard Race Heavenly Venerate. The patterns on this woman's face are leopard patterns. If she's related to the fourth leader of Myriad Beast Ridge, I'm afraid we can't kill her."

Chapter 3252

Chen Qianhe sent a voice transmission. "We're already at odds with Black Rat Sect. Even if we let her go, won't she make use of the strength of Myriad Beast Ridge to take revenge on Chaos Palace?" "That's a problem as well." Xu Rui nodded. Now, this leopard lady had suddenly mentioned the Myriad Beast Ridge, and it instantly caused this matter to become extremely troublesome. They could not kill that woman but they did not dare to let her go either. Xu Rui said deeply, "Right now, there are only two solutions. The first is for her to swear a Dao oath not to take revenge on Chaos Palace. The second is for us to continue fleeing and leave this place." Chen Qianhe and Meng Shi were silent. Neither of these two methods were good. Even if the woman swore a Dao oath, they would not be able to avoid a calamity if news of this spread to Myriad Beast Ridge. If they continued fleeing, Chaos Palace would have to migrate once more and they would have to face countless dangers along the way. It had to be known that every time the Primal Chaos Palace fled, the number of people would be greatly reduced. Chen Qianhe sighed gently. "Why don't we continue fleeing? If Fellow Daoist Su is willing to stay, I believe that there's still hope for Chaos Palace to rise." The three of them looked at Su Zimo in unison. Although Su Zimo had only been in Chaos Palace for less than a day, the three of them were inclined to let Su Zimo make the final decision. After all, they and Chaos Palace were only able to survive because of Su Zimo. Su Zimo remained silent. He did not take the worries of Xu Rui and the other two to heart. He was thinking about something else. Instead of waiting passively for Myriad Beast Ridge to come knocking on his door, he might as well take drastic measures to solve the problem once and for all! Given the state that Chaos Palace was in, it was not a good idea for them to remain in this mountain. There were no Origin Ores in the surroundings either. Since Myriad Beast Ridge was a second-grade faction, they must have occupied some Origin Ores and built on a large scale – they would not be in such dire straits like Chaos Palace. Furthermore, Su Zimo had cultivated to the Third Transformation of the Dao Manifestation realm and had yet to fight against a Heavenly Venerable expert. As such, he did not know what level his combat strength was at.

There were four Heavenly Venerables in Myriad Beast Ridge and he could use them to test his strength ... When the leopard lady saw that Xu Rui and the other two were communicating with the azure-robed man with their Spiritual Sense, but the latter didn't say a single word or reply, her thoughts started to run wild. She was indeed from the Leopard Clan that came from the Myriad Beast Ridge, but in reality, she did not have any blood relations with that Leopard Clan Emphyrean. She did not know him at all. Otherwise, she wouldn't have married the leader of the Black Rat Sect and lowered herself to a third rate force. Just now, she had been quick-witted and brought out the Leopard Race Emphyrean of the Myriad Beast Ridge to take a risk. As expected! If her guess wasn't wrong, Xu Rui and the other two should be telling this man how powerful the Myriad Beasts Ridge was. The green-robed man remained silent the entire time. It was likely that he was also fearful and apprehensive. "We can't push him too hard, lest he decides to fight to the death." Suddenly, the leopard lady said coldly, "Don't worry, Fellow Daoist. As long as you're willing to let me go, I can swear in front of everyone that I won't ask the 10,000 Beasts Ridge to take revenge on you." "I've already expressed my sincerity. What happens next is up to you." In reality, the Venerable Leopard Lady had left herself some leeway with this Dao oath. Even if she didn't ask the 10,000 Beasts Ridge for revenge in the future, she could ask other forces for help! No matter what, she had to make the Chaos Palace pay for today's grudge! Xu Rui and the other two

exchanged glances and were tempted. If they could avoid escaping without becoming enemies with the 10,000 Beasts Ridge, it would naturally be for the best. Of course, it was up to Su Zimo to choose to believe in the leopard lady or continue escaping. "Fellow Daoist Su, make a decision. We'll listen to you." Xu Rui said in a deep voice. "There's another way." Su Zimo suddenly said. "Oh?" The eyes of Xu Rui and the other two lit up. Su Zimo's earlier methods had already convinced the three of them. His idea would definitely be better.

Su Zimo said, "I'll head to the 10,000 Beasts Ridge and communicate with the Leopard Race Emphyrean to see if we can resolve this matter." The moment he said that, the entire place fell silent. Xu Rui and the other two were dumbfounded as they looked at Su Zimo as though they were looking at a lunatic. "Is there something wrong with this person's head?" The leopard lady looked at Su Zimo with a strange gaze as well. What was he trying to communicate with? He was a Dao Manifestation Supremacy who could not even meet the Leopard Race Emphyrean! And he wanted to communicate with the fourth leader of the 10,000 Beasts Ridge? What rights did he have? He would probably be devoured alive by the demon beasts of the 10,000 Beasts Ridge before he could even meet the Leopard Race Emphyrean! Of course, those thoughts merely flashed through the leopard lady's mind. She was not stupid enough to provoke Su Zimo. Xu Rui coughed gently. "Fellow Daoist Su, y-you must be joking." "I'm not joking." Su Zimo said in a serious tone. Chen Qianhe could not help but remind, "Fellow Daoist Su, you've just ascended and haven't seen a Heavenly Venerate before. You don't know how strong they are." "The demons of the 10,000 Beasts Ridge are entrenched and their corpses are as thick as forests. You might not even be able to meet the Leopard Race Emphyrean if you head there." Chen Qianhe's words were rather tactful. She was just short of saying that Su Zimo should not take things too hard and seek his own death. Meng Shi was a little anxious as well. "Those Heavenly Venerate experts are definitely not kind and treat our lives like grass. Why would they be kind enough to communicate with you? Fellow Daoist Su, don't be too naive ..." Chen Qianhe turned back and glared at him. Actually, Meng Shi regretted his words the moment he said that. His words had always been harsh. Earlier on, he was afraid that Su Zimo would head to the 10,000 Beasts Ridge without knowing the dangers. In his anxiety, he did not pay attention to his words. Su Zimo was indifferent and replied casually, "It would naturally be best if we could communicate ..." Su Zimo only finished half of his sentence. Xu Rui and the other two shuddered when they heard that!

What was going on? If they could not communicate, what else did this person want? "Are you really going to the 10,000 Beasts Ridge yourself?" The leopard lady was secretly delighted but she asked without batting an eyelid. The fact that the green-robed man was courting death was exactly what she wanted. It would save her the trouble of taking revenge in the future. "Of course, I have to bring you along." Su Zimo said, "I don't know the way. Furthermore, this matter is related to you." "Alright!" The leopard lady agreed immediately. "Indeed, you have guts. Impressive!" The leopard lady praised but sneered in her heart. Although she had nothing to do with the fourth leader of the 10,000 Beasts Ridge, as long as this person dared to step foot in the 10,000 Beasts Ridge, he would be torn apart by the beasts before he could even see the leopard race's Heavenly Venerate! After all, she had the bloodline of the leopard race and had a high chance of surviving in the 10,000 Beasts Ridge. Naturally, the leopard lady's schemes could not be hidden from Su Zimo. Suddenly, Su Zimo raised his hand and slapped the leopard lady's head, causing her Essence Spirit to almost dissipate and her cultivation to be crippled by more than half! "Pfft!" The leopard lady spat out blood and sat on the ground weakly. She looked at Su Zimo with

resentment and screamed, "What are you doing?!" "I don't like being threatened," Su Zimo replied indifferently, "I'm teaching you a lesson." Xu Rui and the other two wanted to stop him but it was too late. The three of them sighed. Now that things had come to this, there was no way to negotiate with the 10,000 Beasts Ridge anymore.

Chapter 3253

Xu Rui took a step forward and said in a deep voice, "Fellow Daoist Su, I'll go with you." "Us too!" Chen Qianhe and Meng Shi came to Su Zimo's side as well. Since the 10,000 Beast Ridge was a tiger's den with a slim chance of survival, they couldn't let Su Zimo face it alone while they hid here and stayed out of it! "We'll go too!" The remaining 3,000 odd people from Chaos Palace stood out as well. On one hand, they were grateful that Su Zimo had just saved them. On the other hand, for some reason, they had an inexplicable trust in Su Zimo. Naturally, those living beings did not know that it was because of Qinglian's bloodline. Pan Mu retreated carefully, wanting to escape. All of a sudden! A figure flashed and Xu Rui was already behind him, asking expressionlessly, "Pan Mu, you want to leave without giving us an explanation?" "What explanation?" Seeing that there was no hope of escaping, Pan Mu threw caution to the wind and shouted, "A fine bird chooses a good tree to nest in. I've guarded the Chaos Palace for so many years and I truly can't see any hope!" "I don't want to continue fleeing with you guys. I want to change my way of living! What Chaos Sacred Ground? It's nothing but an illusory legend. Until now, only you guys still believe in it!" Pan Mu was considered an Elder of Chaos Palace and had many years of friendship with Xu Rui and the other two. Xu Rui was clearly still thinking about their old relationship and was struggling in his heart, unable to do it. Chen Qianhe sighed with a complicated expression. Meng Shi was furious as he gritted his teeth. "Everyone has their own aspirations. If you want to leave, we won't stop you. But why did you betray the Chaos Palace?" Xu Rui and the other two still had a final strand of hope for Pan Mu. "So what if I didn't betray you?" Pan Mu sneered, "Do I have to follow you guys to the 10,000 Beast Ridge to die? You guys are loyal and are willing to die, but I don't want to die!" "The three of you trust this outsider who just ascended so much. The Chaos Palace will be buried by you guys eventually!" "That's fine." Su Zimo suddenly smiled. "Bring him along to the 10,000 Beast Ridge so that he can die with a clear understanding."

"Very good, very good!" Venerable Leopard Lady smiled bitterly and said, "If all of you from the Primal Chaos Palace send yourselves to me, none of you will be able to escape!" In truth, the cultivators of the Primal Chaos Palace didn't have high cultivations. If they stayed here, there was a chance they would encounter other dangers. Su Zimo would be able to take care of them if they went to the 10,000 Beasts Ridge together. Moreover, if they could occupy the Myriad Beasts Ridge, the cultivators from the Primal Chaos Palace would be able to stay there. "Let's go." Su Zimo took the Black Rat Sect Master and the others' storage pouches, collected the world fragments, and briefly organized the battlefield. After that, he took out an immortal boat and carried Xu Rui's trio, Venerable Leopard Lady, Pan Mu, and more than three thousand people from the Primal Chaos Palace toward the Myriad Beasts Ridge. On the immortal boat, Xu Rui and the other two went up to Su Zimo and expressed their gratitude. "There's no need for that." Su Zimo smiled and handed Chen Qianhe a storage pouch. "Thank you for your Origin Stones, Fellow Chen." Chen Qianhe subconsciously took it and opened the storage bag to take a look. There were hundreds of Origin Stones inside! "This, this is too precious!" Chen Qianhe hurriedly declined. Apart from Su Zimo's hundred odd Origin Stones, there were also Origin Stones that he had just collected from the Sect Master of Black Rat Sect and the others. Xu Rui and Meng Shi's eyes burned with envy. The few

Origin Stones that Chen Qianhe had given Su Zimo were now a hundred times more valuable! Su Zimo said, "I've reached the peak of the Third Transformation of the Dao Manifestation stage, and I don't need Origin Stones anymore. I have no use for these." After the Third Transformation of the Dao Manifestation stage, one had to comprehend the essence of the Great Dao if they wanted to take another step forward. No matter how much Genesis Qi they absorbed, if they could not comprehend the essence of the Great Dao, they would not be able to break through the bottleneck. Chen Qianhe no longer declined. She was a little nervous as she probed, "Can I share these Origin Stones with the others?" "Of course." Su Zimo nodded with a smile. "These are already your Origin Stones. You can do whatever you want with them."

Chen Qianhe heaved a sigh of relief and looked at Xu Rui and Meng Shi at the side. "Let's keep some of these Origin Stones and distribute them to the other Chaos Palace Imperial Lords." Although the Origin Stones were precious, Chen Qianhe did not intend to keep them for herself. Instead, she wanted to share them with her fellow sect members. Xu Rui, Meng Shi and the others accepted the Origin Stones happily and their worries for this trip lessened slightly.... Three days later, the group from Chaos Palace finally arrived at the Myriad Beast Ridge. Before they even set foot on the Myriad Beast Ridge, they could already smell a strong stench of blood that was suffocating! From afar, the Myriad Beast Ridge was filled with white bones that shone with light. No one knew how many corpses were buried there. There was a large patch of black and red between the mountains and not a single blade of grass grew! Everyone from Chaos Palace had grim expressions. Xu Rui and the other two were worried once more. "Fellow Daoist Su, are you really going to meet the Heavenly Venerable of the Leopard race?" Xu Rui could not help but remind, "If we enter the Myriad Beast Ridge, there's no turning back." "Haha." Su Zimo laughed. "What's there to turn back for? Chaos Palace will be staying here from now on." Xu Rui laughed bitterly. Everyone took it as a joke and no one took it seriously. The Leopard Lady's cultivation had been crippled. Her heart was filled with endless resentment as she cursed, "In my opinion, you ants from the Primal Chaos Palace will all turn into bones and flesh and stay in the 10,000 Beasts Ridge forever!" When they arrived at the mountain gate, Su Zimo put away the immortal boat and descended with everyone from Chaos Palace. "Who's there!" Tens of thousands of demon cultivators appeared in front of the Myriad Beast Ridge's mountain gate. All of them had surging demonic qi and looked wary. The four people in the lead were all Dao Manifestation Supremacies! "Good lad." Meng Shi was secretly shocked. "The Myriad Beast Ridge is so strong. There are so many people guarding the mountain gate and even Supremacies!" Su Zimo was slightly surprised as well. Normally speaking, there was no need for such a formation to guard the mountain gate. Furthermore, the expressions of the demon cultivators of the Myriad Beast Ridge seemed as though they were facing a formidable enemy, as though they knew that they were coming.

"Interesting." For a moment, Su Zimo could not figure it out either. He carried the Supremacy leopard lady who was still cursing to the front of the sect and declared, "I am Su Zimo of the Chaos Palace. I would like to meet the four leaders of the Myriad Beast Ridge." Xu Rui and the others felt their hearts skip a beat when they heard that. They wanted to stop him but it was too late. It was one thing for him to visit the fourth leader. However, wasn't he a little too arrogant to visit all four leaders at once?! Furthermore, the four leaders of Myriad Beast Ridge were Heavenly Venerables. If a third-grade faction like them were to suddenly visit with thousands of people, they would only attract the hostility of Myriad Beast Ridge! Furthermore, Fellow Daoist Su's tone was way too casual. He did not use any polite words such as 'sorry for the trouble and sorry for the sudden visit'. Xu Rui and the other two did

not know that Su Zimo was already being polite by coming to the mountain gate and saying that. "Chaos Palace?" When the four Supremacies of Myriad Beast Ridge heard that, they frowned and exchanged glances with puzzled expressions. "Everyone, please wait for a moment. I'll go in and !" The four Supremacies communicated with their spirit consciousnesses before one of them cupped his fists and turned to leave. Xu Rui and the other two were stunned. Myriad Beast Ridge was that easy to deal with?

Chapter 3254

Myriad Beast Ridge. Four huge stone pillars were engraved with the totems of the four beast races — the wolf, the tiger, and the leopard. Their ferocious faces and demonic auras filled the place, forming a solemn Myriad Beast Hall. At that moment, the three leaders of the Myriad Beast Ridge, the Wolf, Tiger, and Leopard Heavenly Venerates, were sitting side by side at the top of the hall. The surroundings were silent, and the atmosphere was stifling. The three of them had heavy expressions, clearly troubled. "Humph!" After a long while, the Tiger Race Emphyrean seemed to be unable to hold it in any longer. He slammed the table and stood up, scolding, "Isn't that Black Goat Ridge's appetite a little too big? They want us to hand over the nine Origin Mines of the Myriad Beast Ridge as soon as they open their mouths. If there's no other way, we'll fight it out with them!" The Myriad Beast Ridge only had a total of nine Origin Mines. The Black Goat Ridge asking for the nine Origin Mines of the Myriad Beast Ridge was practically asking for the foundation of the Myriad Beast Ridge! The Leopard Heavenly Venerate also looked at the Wolf Heavenly Venerate and asked, "Second Brother, do we fight or retreat? You decide." "How should we fight?" The Wolf Heavenly Venerate frowned. "The Black Goat Ridge has two Grand Heavenly Venerates and more than ten Heavenly Venerates under them. We can't win at all. Are we going to give up the foundation that we worked so hard to build to them?" The Tiger Heavenly Venerate was indignant and indignant. The Wolf Heavenly Venerate said in a low voice, "Let's see if Big Brother can break through the bottleneck and become a Grand Heavenly Venerate. If Big Brother can take another step and become a Grand Heavenly Venerate, we'll have some room to negotiate with the Black Goat Ridge. I believe that the two Grand Heavenly Venerates of the Black Goat Ridge will have some scruples." "There might not be enough time." The Leopard Heavenly Venerate shook his head slightly and asked, "What if the Black Goat Ridge comes knocking on our door before Big Brother breaks through?" "We'll drag it out if we can. If we can't..." After a pause, the Wolf Heavenly Venerate said helplessly, "We can only give up on the Myriad Beast Ridge and find another way out. Given our abilities, even if we leave this world, we can still make a name for ourselves in the Huagai Continent!" "If we all break through one day and become Grand Heavenly Venerates, we can still come back and take everything back!"

"Second Brother is right. The Leopard Race Emphyrean nodded. The Wolf Clan Heavenly Venerable said, "Tell the little ones below to be more alert and tighten their defenses. If the Black Goat Ridge goes crazy and launches a surprise attack, we can also be prepared." "Second Brother, don't worry!" The tiger race Emphyrean said, "I've arranged for four Supremacies and over ten thousand demonic beasts to guard the mountain gate. Increase the patrols around the 10,000 Beasts Ridge as well. If there's any trouble, we'll be the first to know." At this moment, a Venerable One rushed in from outside the door with a strange expression. The three Celestial Venerables were discussing the Black Goat Ridge when they noticed the strange expression on the newcomer's face. Could it be that something had happened? "What is it?" The Wolf Clan Heavenly Venerable asked in a deep voice. The Venerable said loudly, "Outside the mountain gate, there is Su Zimo who claims to be from the Primal Chaos Palace. He wishes to pay his respects to

the three leaders!" "Su Zimo?" The Leopard Race Emphyrean was a bit puzzled. He looked at the two beside him and asked, "Who are you? I've never heard of you before." The other two Celestial Venerables shook their heads slightly as well. The Tiger race Emphyrean frowned. "I've heard of that Primal Chaos Palace. It's a third-grade faction that's almost destroyed. There hasn't been any news of them for a long time. What are they doing here?" The Wolf race Emphyrean asked again, "What's the cultivation realm of that Su Zimo?" "A Supremacy at Third Transformation of the Dao Manifestation realm." The Supremacy outside the hall replied. The Leopard race Emphyrean asked, "How many people are here from the Primal Chaos Palace? What are their cultivation realms?" The Supremacy outside the door replied, "The ones with the highest cultivation realms are at Third Transformation of the Dao Manifestation realm. There are two of them and a few other Supremacies. The remaining 3,000 odd people are all below the Supremacy realm. They don't seem threatening at all." "Motherf * cker!" The Tiger race Emphyrean cursed and waved his hand impatiently. "Where did these ants come from? How dare they meet the three of us? Kill them and share them among you brothers!" "Thank you, third leader!" The Supremacy bowed and retreated, about to leave. Right then, the Wolf race Emphyrean's heart stirred and shouted, "Hold on!"

The Supremacies outside the hall stopped in their tracks. The Tiger race Emphyrean and Leopard race Emphyrean turned to look at the Wolf race Emphyrean with questioning looks. The Heavenly Venerate of the Wolf Clan narrowed his eyes and asked, "What did the person who came say? Repeat everything in full detail!" "That person said that he was Su Zimo from the Primal Chaos Palace and wished to meet the four leaders of the Myriad Beast Ridge." The Venerable One repeated the story without changing a word. Upon hearing that, the Leopard race Emphyrean could tell that something was amiss. What a boastful tone! It was clear that a Supremacy at the Dao Manifestation realm had ill intentions for him to say such words! The Wolf race Emphyrean and Leopard race Emphyrean exchanged glances and thought of the Black Goat Ridge at the same time! The Wolf race Emphyrean pondered for a moment and Just Now, he instructed, "Invite this Su Zimo and the people he brought over here. Also, arrange for some good wine and dishes to be served together." "Yes ... sir." Although the Supremacy was puzzled, he still agreed. When the Wolf race Emphyrean saw that the person did not seem too concerned, his expression darkened as he hollered, "Luo Feng, listen up! Invite those people in!" "You bunch of dogs, be smart and pay attention to your etiquette. Don't offend these esteemed guests!" Luo Feng replied hurriedly. There was no way he could understand that the Tiger race Emphyrean had just asked them to eat up the group of people from the Primal Chaos Palace. In the blink of an eye, they became esteemed guests. After Luo Feng left, the Tiger race Emphyrean was still confused and asked with a frown, "Second brother, fourth brother, how did those ants from the Primal Chaos Palace become esteemed guests?" The Leopard race Emphyrean heaved a sigh of relief and exclaimed, "Second brother, your reaction is still fast. We nearly fell for the Black Goat Ridge's trap!" "What do you mean?" The Tiger race Emphyrean asked. The Leopard race Emphyrean explained, "There's an 80% chance that Su Zimo is an envoy sent by the Black Goat Ridge. If we kill that group of people, we'll be exposed and there'll be no turning back." "Levitating Goat Peak is truly sinister!" The Tiger race Emphyrean broke out in cold sweat when he heard that and gritted his teeth. "No wonder a Supremacy at Third Transformation of Dao Manifestation dares to be so arrogant. So, he has the backing of the Black Goat Ridge!"

"However, speaking of which ..." The Leopard race Emphyrean continued, "The Black Goat Ridge is looking down on us too much by sending a few Supremacies over to talk to the four of us." The three of them

were Supremacies and leaders of their respective factions. Under normal circumstances, the Black Goat Ridge would at least send Heavenly Venerate experts over as a show of respect. "Third brother, fourth brother, there's no need to be angry." The Wolf race Empyrean had a calm expression. "Let's see why Su Zimo is here. If he has any requests, we'll try our best to satisfy them." "We just have to delay it as much as possible and wait for the results of big brother's seclusion to break through the bottleneck. Don't complicate things." "Understood!" The Tiger and Leopard race Empyreans replied in unison.

Chapter 3255

In front of the Myriad Beast Ridge. The group from the Primal Chaos Palace did not wait long before they saw the Supremacy return. Before he even got close, this Supremacy's yellow-haired face was filled with smiles. He even looked a little fawning and strange. "Esteemed guests, your presence brings light to the Myriad Beast Ridge." Luo Feng the Supremacy said, "I'm Luo Feng. Just Now, please forgive me for my negligence. Please come in!" Everyone from the Primal Chaos Palace was stunned on the spot. "What's going on?" "Could it be a trap?" "It doesn't make sense. If the Myriad Beast Ridge wants to deal with us, is there a need to be so polite?" Xu Rui and the others looked at each other and were still secretly communicating with their divine senses. Su Zimo was also a little puzzled. However, he had experienced far too many things in his path of cultivation. He only nodded slightly as he walked from a small chiliocosm to where he was today with the body of a mortal. In the eyes of the hunchbacked Supremacy, this scene was even more unfathomable. "It seems that this person's background is indeed great. Otherwise, the three leaders wouldn't have paid so much attention to him." Luo Feng thought to himself, "Just this bearing and calmness is far inferior to others." "Continue to guard the mountain gate. Don't relax!" Luo Feng the Supremacy straightened his face and looked at the other demonic beasts. He then bowed slightly and smiled at Su Zimo and the others. "Esteemed guests, please follow me. The three leaders have already prepared a banquet in the Myriad Beast Great Hall to welcome you." "This ... " Everyone from the Primal Chaos Palace was even more confused. "Supremacy Luo Feng, I used to be from the Myriad Beast Ridge!" The leopard lady, who was being escorted by Meng Shi, suddenly said, "This group of people from the Primal Chaos Palace don't know the immensity of heaven and earth. They don't put the Myriad Beast Ridge in their eyes at all, much less the leopard race's Heavenly Venerables!" Xu Rui and the others' hearts sank. This leopard lady was clearly trying to sow discord. Chen Qianhe hurriedly explained, "Fellow Daoist, don't listen to her nonsense. There's a misunderstanding here." "Well said, well said." Who knew, Luo Feng the Venerable One did not care at all. He only responded with a smile.

The leopard lady's heart gradually sank. She did not have any relationship with the Leopard Clan Empyrean at all. Originally, she only wanted to use the Myriad Beast Ridge's name to save her life. Who would have thought that these people from the Primal Chaos Palace would become honored guests in the Myriad Beast Ridge! The people from the Primal Chaos Palace followed behind Supremacy Luo Feng. Along the way, they saw horrifying scenes all around the Myriad Beast Ridge! This mountain ridge could indeed be called a forest of skeletons. Blood mixed with the soil. There was not the slightest bit of greenery. There was no vegetation, and the stench of blood filled the air! On top of the bone forest, there were pieces of human skin hanging. Some had already dried up, and some were still stained with blood. Some demonic beasts were gathered around a bonfire, drinking wine and making merry. They tore off large pieces of flesh and placed them in their mouths, chewing until their mouths were full of blood. Under the illumination of the fire, the demon beasts whose faces and mouths were stained with

blood were like evil spirits that had crawled out of hell! Some of the flesh and blood came from plants and vegetation. Some of them were humans. After cultivating to this level, they had long since stopped eating grains. The behavior of this group of Demonic Beasts was completely due to their bloodthirsty and savage nature. The group from the Primal Chaos Palace had heavy hearts and remained silent. Originally, this mountain ridge was also lush with vegetation, surrounded by green water, and full of vitality. But now, the mountain ridge was covered in blood and bones were buried. The green water had turned into a blood river and there was no sign of life in the surroundings. Su Zimo was expressionless, but his gaze turned colder. Before long, everyone arrived at the Myriad Beast Great Hall under the lead of Supremacy Luo Feng. On both sides of the hall, there were sumptuous banquets. Although the three leaders did not come out to welcome them, they stood up one after another and looked at Su Zimo's group, scrutinizing them. "This group of people ..." The Heavenly Venerate of the Leopard race frowned slightly and was puzzled. Apart from the leopard girl who was clearly severely injured, none of them were demons. Furthermore, they looked extremely down and out, as though they had nothing to do with the Black Goat Ridge. Black Goat Ridge was similar to the Myriad Beast Ridge in that they were ruled by many demonic beasts. How could there be so many plants and vegetation living beings?

The Heavenly Venerate of the Wolf race also noticed something strange. "Could we have guessed wrongly?" Although that was what he thought, the Heavenly Venerate of the Wolf race remained calm and prepared to test the group's intentions. "Everyone, please take a seat." Supremacy Luo Feng was still inviting Su Zimo and the others to take a seat. Everyone from the Chaos Palace had been fleeing all these years and had only faced third-grade factions. Even Heavenly Venerate experts were rare. Now that they suddenly saw the three Heavenly Venerates sitting high in the hall and felt the powerful auras of the three Heavenly Venerates, they were all terrified. Not to mention them, even Supremacies like Xu Rui, Chen Qianhe, and Meng Shi were much weaker in front of the three Heavenly Venerates and did not dare to look them in the eye. Under such circumstances, no one from the Chaos Palace dared to sit down. Su Zimo was the only one who was calm as he found a seat and sat down as though there was no one else around. The group from the Chaos Palace subconsciously followed and stood behind Su Zimo. It was as though that was the only way for everyone to feel at ease. When the Heavenly Venerate of the Wolf race saw how calm Su Zimo was, he muttered in his heart. "That person is only a Supremacy at the third Transformation of the Dao Manifestation realm. Where did he get his confidence from?" The Heavenly Venerate of the Leopard race coughed gently and asked, "You must be Su Zimo, Fellow Daoist Su, right?" "That's me." Su Zimo nodded. "Fellow Daoist Su, this is your first time in the Myriad Beast Ridge. Why don't you stay here for a few days? We can talk slowly if there's anything." The Heavenly Venerate of the Leopard race had two considerations when he said that. If Su Zimo was truly sent by the Black Goat Ridge to probe, he could stall for time by letting them stay here. If that group of people had nothing to do with the Black Goat Ridge and stayed here, they would not be able to escape! "Let's talk now." Su Zimo tapped the table gently with his finger and said with a firm tone that was unquestionable! So domineering? The Heavenly Venerate of the Wolf race narrowed his eyes and became even more cautious. "What do you want to talk about, Fellow Daoist Su?"

Su Zimo pointed to the Leopard Lady Supremacy behind him. "That person brought Black Rat Sect and wanted to destroy Chaos Palace. However, I suppressed her." "She said that she was from the Leopard race of the Heavenly Venerate of the Myriad Beast Ridge and even threatened to tear me into pieces

...""Therefore, I'm here to ask the Heavenly Venerate of the Leopard race if the Myriad Beast Ridge is going to stand up for her."The moment he said that, the Myriad Beast Great Hall fell silent.Xu Rui and everyone else from Chaos Palace broke out in cold sweat and shuddered!Was this how their master communicated with Heavenly Venerates?Why did his tone sound like he was here to denounce them?What was even stranger was that the three Heavenly Venerates above did not seem to be enraged because of this.Naturally, they could not understand why the more domineering Su Zimo appeared, the more certain the three Heavenly Venerates of the Myriad Beast Ridge were that Su Zimo was related to the Black Goat Ridge!'So, they're trying to find a reason to incite conflict and denounce us.'The Leopard race Heavenly Venerate thought to himself.On second thought, he glanced at the Leopard Lady Supremacy and smiled. "Fellow Daoist Su, you've misunderstood. I don't know that Leopard Lady at all and she's not from my race either. There's no need for me to stand up for her."

Chapter 3256

The Leopard race Heavenly Venerate sneered to himself.Finding a random leopard girl and wanting to pin it on our Myriad Beast Ridge? What wishful thinking.Putting aside the fact that this leopard girl had nothing to do with the Myriad Beast Ridge, even if she was really from the Myriad Beast Ridge, he would deny it no matter what!"Heavenly Venerate, save me!"Seeing that the situation was bad, the leopard girl hurriedly shouted, "Although I'm not a member of the Heavenly Venerate race, I was once a member of the Myriad Beast Ridge ...""Humph!"The Leopard race Heavenly Venerate harrumphed coldly.Everyone from the Chaos Palace felt their vision blur as though something flashed past.The next moment, Meng Shi felt his hand suddenly lighten.Originally, he was holding the leopard girl in his hand.At this moment, he subconsciously lowered his head and saw that the leopard girl in his hand had already been torn into two. Blood splattered all over the ground and her corpse lay beside his feet!Psst!Meng Shi sucked in a breath of cold air as all the hair on his body stood on end.He hurriedly looked up.The leopard race Heavenly Venerate was still sitting in his original position, seemingly not moving at all!The speed was too fast!With just a cold harrumph, the leopard race Heavenly Venerate killed the leopard girl and returned to his original position!Throughout the entire process, Xu Rui, Meng Shi, and the others did not see clearly how the leopard race Heavenly Venerate killed!This was the difference between a Supremacy and a Heavenly Venerate!Pan Mu was so frightened that his legs went limp as he sat on the ground, trembling.Meng Shi's entire body stiffened and his back turned cold.If that leopard race Heavenly Venerate had casually slashed his neck just now, his head would probably be separated from his body by now!However, he could not understand why the leopard race Heavenly Venerate would suddenly attack and not attack them. Instead, he killed the leopard girl."Everyone, please forgive me."The leopard race Heavenly Venerate smiled. "This leopard girl was vicious and wanted to frame my Myriad Beast Ridge. In my anger, I killed her!""Fellow Daoist Su."The wolf race Heavenly Venerate also smiled. "This matter has been resolved perfectly."Xu Rui was delighted when he heard that.Although he did not understand why the Myriad Beast Ridge would be so polite to them, since the matter was resolved, they could escape successfully.

In the Ten Thousand Beasts Great Hall, they were under tremendous pressure at all times.Even a Supremacy like him was like this, let alone the others in the Chaos Palace."Fellow Daoist Su, this matter is over. Let's go!"Xu Rui immediately sent a voice transmission and urged.Su Zimo still did not understand why the 10,000 Beasts Ridge was so strange.Of course, it didn't matter.Since he was already here, he had no intention of leaving."That's just the first thing."Su Zimo said leisurely, "This time, I have

a second matter to discuss with you all. Is the Jackal Race Emphyrean not here? ""Fellow Daoist Su, let's quit while we're ahead. Let's quickly retreat!"Meng Shi couldn't watch on any longer, so he sent a voice transmission with his Divine Sense."They still came!"The Wolf Clan Emphyrean trio's hearts sank when they heard that.The Wolf Clan Heavenly Venerable said in a deep voice, "If there's anything, the three of us can make the decision. Big Brother is currently not in the Myriad Beast Ridge.""Oh?"Su Zimo smiled faintly, but did not point it out.His Primordial Spirit had reached the level of a Great Emphyrean.When his Divine Sense swept across the Myriad Beasts Ridge, he vaguely sensed a huge wave of energy coming from a hidden cave.This sign was most likely that someone was accumulating strength to break through the bottleneck.Judging from the Wolf Clan Emphyrean's reaction, the person breaking through the bottleneck was most likely the Jackal Race Emphyrean."This matter is simple."Su Zimo said indifferently, "The Chaos Palace currently has no place to stay. I think your 10,000 Beasts Ridge is pretty good. Give it up."Xu Rui, Chen Qianhe, and Meng Shi were dumbfounded. They almost thought that they were hallucinating.What was Su Zimo doing?He wanted the three Emphyrean experts to give up the 10,000 Beasts Ridge?And he said it so naturally?It was as if he was talking about the most ordinary thing.Furthermore, this was not a tone of negotiation. It was more like an order!

Everyone in the Chaos Palace was so frightened by Su Zimo's words that their faces turned pale.Even Xu Rui and the other two resisted the urge to turn and run. They stood where they were and carefully observed the expressions of the three Emphyreans of the 10,000 Beasts Ridge.Strangely enough, not only were the three Emphyreans not angry, but they also didn't seem surprised at all!"As expected of Emphyrean experts. To think that they would be so shrewd."Meng Shi was secretly speechless.How could he have expected that after hearing Su Zimo's words, the Wolf Clan Emphyrean and the other two were even more certain that Su Zimo was from the Black Goat Ridge?"Fellow Daoist Su, is there no room for negotiation?"The Wolf Clan Emphyrean asked in a deep voice.Everyone in the Chaos Palace was stunned.They were Emphyrean experts who were asked to leave their territory. At this moment, they were actually negotiating with a Dao Manifestation Supremacy!"What kind of negotiation do you want?"Su Zimo asked instead, "Submit to me and join the Chaos Palace?"He did not expect the three Emphyreans of the 10,000 Beasts Ridge to be so timid as to negotiate with him.Su Zimo was still reflecting on where he had accidentally exposed himself to shock the three Emphyreans.Since the three Emphyreans of the 10,000 Beasts Ridge were so tactful and easy to talk to, it was not appropriate for him to attack."Su Zimo, don't go overboard!"The tiger Emphyrean could not hold it in any longer and slammed the table as he stood up. A torrential demonic qi burst forth from his body as he exuded the might of a Heavenly Venerate with a ferocious gaze!"Third Brother, don't be rash!"The wolf and leopard Emphyreans hurriedly attacked and forced the tiger Emphyrean back to his seat."The bigger picture is more important!"The wolf Emphyrean sent a voice transmission with his spirit consciousness and nodded to the tiger Emphyrean, indicating for him to bear with it for the time being.The tiger Emphyrean took a deep breath of air and grit his teeth. He gripped his fists so tightly that his joints crackled.Right then, Su Zimo's heart skipped a beat and he looked outside the 10,000 Beasts Ridge.The three Emphyreans of the wolf clan had not discovered anything and were still communicating with their spirit consciousnesses, discussing how to stall for time and fight for an opportunity for their brother.

"Hmm?"A moment later, the wolf Emphyrean's expression changed as though he had sensed something. He turned around suddenly and looked outside the hall.Immediately after, the tiger and leopard Emphyreans sensed two extremely domineering auras descending above the 10,000 Beasts Ridge as

well!"It's a Grand Heavenly Venerate!"The wolf Emphyrean said softly with a grave expression.Only a Grand Heavenly Venerate could emit such an aura!The true master of the Black Goat Ridge had arrived!Upon hearing the words' Grand Heavenly Venerate ', everyone in the Chaos Palace no longer had any fear in their hearts. All that was left was despair.Xu Rui, Chen Qianhe, and Meng Shi were also complaining in their hearts. Although they did not say anything, they looked at Su Zimo with a trace of complaint.They could have retreated unscathed with the death of the leopard Emphyrean.Now, even a Grand Heavenly Venerate had come!Everyone in the Chaos Palace felt as though they were ants under the feet of several ancient behemoths. These ancient behemoths could casually raise their feet and trample them until nothing remained!"The four of you from the 10,000 Beasts Ridge, what do you think?"Right then, a voice came from outside.The next moment, two figures stepped into the Myriad Beasts Great Hall.----- Digression —The name 'Levitating Goat Peak' appeared in Tianhuang Region before. After being reminded by a book friend, in order to avoid repetition, it was changed to the Black Goat Ridge. Third watch today.

Chapter 3257

The moment these two figures stepped into the hall, the auras of the three Myriad Beast Ridge Heavenly Venerates were instantly suppressed!The Wolf Clan Heavenly Venerate's expression changed several times before he cupped his hands. "Greetings, Great Heavenly Venerate Black Sheep and Great Heavenly Venerate Golden Armor."The Tiger Clan Heavenly Venerate and the Leopard Clan Heavenly Venerate also stood up and bowed.This was the respect and etiquette one should show to the strong.Su Zimo remained motionless in his seat as his gaze fell on the two Grand Heavenly Venerates as he sized them up.One of them was tall and thin. His grayish-white hair was tied into a slightly curved bun. He had a goatee and a cold expression. This should be Great Heavenly Venerate Black Sheep.The other person was burly and extremely strong. He had a wide nose and mouth with a pair of bull horns. His eyes were like copper bells and a faint wisp of golden light flowed around his body. He should be Great Heavenly Venerate Golden Armor.Su Zimo did indeed feel some pressure from the two Great Heavenly Venerates.After the two Great Heavenly Venerates entered the hall, their gazes swept past Su Zimo and the others without stopping.The highest cultivation level of the people from the Chaos Palace was only a Third Transformation Dao Manifestation Supremacy. They were like ants in their eyes, so they didn't take them to heart."Great Heavenly Venerates, please take a seat. Here are some freshly prepared drinks. Let's chat while drinking."The Leopard Clan Heavenly Venerate hurriedly said with a smile, wanting to change the topic and delay as much time as possible."That's all? You guys, say something."Great Heavenly Venerate Golden Armor waved his hand and said, "Are you going to hand over the nine Myriad Beast Ridge Source Mines?"The smile on the Leopard Clan Heavenly Venerate's face froze.Great Heavenly Venerate Golden Armor said, "Let me tell you. We are giving you this opportunity because we think that the four of you have some ability."If not for this, you would have had to hand over the Black Sheep Ridge's army!"The Wolf Clan Heavenly Venerate's face darkened. He was already burning with anxiety.Based on Great Heavenly Venerate Golden Armor's tone, if they didn't hand over the nine Myriad Beast Ridge Source Mines, they might not be able to escape unscathed!However, their big brother was at a critical juncture of his breakthrough. they didn't want to give up!"Great Heavenly Venerates.The wolf race Emphyrean pondered and said, "It wasn't easy for us brothers to establish this foundation. We are willing to give up five Source Mines and leave four for us brothers so that we can continue cultivating."

"Hahahaha!"The golden-armored Great Empyrean reared his head back and laughed. His powerful voice caused the tiles of the hall to tremble and dust to scatter everywhere."The Myriad Beasts Ridge has no right to negotiate with us!"The golden-armored Great Heavenly Venerate said word by word.The three Myriad Beast Ridge Heavenly Venerables had ugly expressions.Even the hot-tempered Tiger Clan Empyrean didn't dare to utter a word under the pressure of the two Great Empyreans.The atmosphere in the Ten Thousand Beasts Great Hall instantly dropped to the freezing point!On the other side.Su Zimo thought for a moment and understood the matter.The reason why the 10,000 Beasts Ridge treated them so politely and treated them as honored guests was most likely because they mistook them for people from the Dark Goat Ridge.At this moment, Xu Rui and the other two also gradually recovered from their shock.But the more they thought about it, the more scared they became!Originally, the Primal Chaos Palace had only offended the Myriad Beast Ridge.If the two Grand Empyreans of the Black Goat Ridge found out that they were Just Now, the Black Goat Ridge would never let them off!"It's all over now!"Meng Shi secretly sent a voice transmission and said in despair, "If we had stopped while we were ahead, we might have had a chance to escape. Now ...""Sigh, Fellow Daoist Su, we've been screwed over by you!"Xu Rui was also scared out of his wits, but when he heard Meng Shi's words, he quickly frowned and shouted, "Junior Brother Meng, you can't blame Fellow Daoist Su for this. If not for him, we would have been annihilated by the Black Rat Sect!"Meng Shi wasn't someone who couldn't distinguish between gratitude and grudges.However, when he saw Su Zimo lead the people from the Primal Chaos Palace into the abyss, he couldn't help but feel a little resentful.Chen Qianhe looked at Su Zimo and sighed in her heart.She couldn't understand how Su Zimo could be so calm in front of three Heavenly Venerables and two Grand Empyreans.Su Zimo sat there the entire time and didn't get up. When he was free, he would drink a cup of wine and observe the two Grand Empyreans of the Black Goat Ridge with interest."That golden-armored Grand Empyrean should be from the Barbarian Bull Race. His physical body is very strong and he should cultivate some kind of Great Dao."

"The Great Dao that Goatee cultivates is a little obscure, but his strength should be above that of the golden-armored Grand Empyrean.""If that wasn't the case, the faction they belong to wouldn't be called the Black Goat Ridge.""If I don't use my bloodline, I wonder what my chances of winning against these two Grand Empyreans are""It's rare for a Grand Empyrean to come knocking on my door. I can verify it later."Never in her wildest dreams would Chen Qianhe have imagined that Su Zimo was actually plotting against her right now.Boom!At this moment, an earth-shattering sound came from the back mountain of the Myriad Beast Ridge. An extremely tyrannical aura burst forth!"Oh?"Grand Empyrean Black Goat frowned.He glanced at the empty spot beside the three Grand Empyreans of the Myriad Beast Ridge and made a rough guess.The three Grand Empyreans of the Wolf Race were overjoyed when they felt this aura."Success!""Big Brother has broken through!""Hahaha, from now on, the Myriad Beast Ridge has a Grand Empyrean overseeing it!"The Tiger Race Heavenly Venerate laughed maniacally."Who said that the Myriad Beast Ridge doesn't have the right to negotiate with you?"A voice suddenly sounded in the Myriad Beast Great Hall.The next moment, a man descended in the great hall. He was surrounded by the violent power that he had just broken through and had yet to fully control. He looked around and finally looked at the two Grand Empyreans of the Black Goat Ridge."Big Brother!"The three Grand Empyreans of the Wolf Race quickly went up to greet him with joyful expressions.This person was the Grand Empyrean of the Wolf Race who had just broken through!"This time, we're really going to die without a burial ground."Meng Shi transmitted his voice via Divine Sense,

and his voice revealed a trace of despair. The people of the Chaos Palace had never experienced such a scene before. They were gathered in a great hall with three Grand Empyreans and three Grand Empyreans. Everyone was like ants that were trying to survive in a crevice. They were very careful and didn't even dare to breathe loudly! "Not necessarily!" Xu Rui was still able to maintain his calm and did his best to suppress the fear in his heart. "The situation has changed. The Myriad Beast Ridge now has the power to resist the Black Goat Ridge.

"Once the two factions start fighting, they definitely won't be able to care about us. When the two tigers fight, we will have a chance to escape!" Although that was the case, Xu Rui and the others knew that escaping from the Myriad Beast Ridge and the Black Goat Ridge was as difficult as ascending to the heavens. The slightest carelessness and a single misstep would result in death! "In a while, everyone will act according to my signal. Don't act rashly." Xu Rui transmitted his voice to the people of the Chaos Palace. Originally, Xu Rui and the others followed Su Zimo's instructions and came to the Myriad Beast Ridge together. But now that the Chaos Palace's life was hanging by a thread, Xu Rui didn't dare to let Su Zimo continue to command them. Helpless, he could only step forward and lead the Chaos Palace out of the abyss.

Chapter 3258

"Congratulations." The golden-armored Great Heavenly Venerate said with a fake smile. Although he was congratulating, the birth of a Great Heavenly Venerate in the Myriad Beast Ridge would naturally create many variables for the Black Goat Ridge. Great Heavenly Venerate Great Heavenly Venerate stared at the Jackal Race Great Heavenly Venerate and suddenly said, "You just broke through. You have no chance of winning against the two of us." This was the first time Great Heavenly Venerate Great Heavenly Venerate Great Heavenly Venerate had spoken directly! Even if the Myriad Beast Ridge had a Great Heavenly Venerate, the Myriad Beast Ridge still didn't have a high chance of winning if the two sides went to war. "That's right." The Jackal Race Great Heavenly Venerate didn't argue. He first admitted to this matter before changing the topic. "However, if you want to destroy the Myriad Beast Ridge, you will have to pay a heavy price!" Also, I might not be your match if the two of you join forces. However, if I want to escape, the two of you won't be able to stop me! "One day, when my cultivation improves, I will naturally make a comeback and take revenge for today!" The Jackal Race Great Heavenly Venerate was also very strong. He knew that if he gave in now, the Myriad Beast Ridge would really be annexed by the Black Goat Ridge. The two Great Heavenly Venerates of the Black Goat Ridge were also weighing the pros and cons. Was it worth it to forcefully annex the Myriad Beast Ridge and pay a heavy price? Furthermore, forming a grudge with a Great Heavenly Venerate would cause endless trouble for the Black Goat Ridge. The Black Goat Ridge Great Heavenly Venerate said, "Fellow Daoist, you don't have to be so hostile toward us. The two of us came personally, so we naturally came with sincerity." "Humph!" The Tiger Race Great Heavenly Venerate snorted. Sincerity? The Black Goat Ridge clearly sent that Su Zimo to probe and find a chance to cause trouble! The Wolf Race Great Heavenly Venerate and the Leopard Race Great Heavenly Venerate both felt that something was wrong. On the Chaos Palace's side, Xu Rui and the other two were already feeling guilty. When they heard this, their hearts pounded in fear that the Myriad Beast Ridge would notice them. "We have to find a chance to escape as soon as possible!" Xu Rui swallowed his saliva and thought. "If both sides continue talking like this, they will be exposed sooner or later!"

The Great Heavenly Venerate said said. Great Heavenly Venerate. of Great Heavenly Venerate Great Heavenly Venerate Venerate Great Heavenly Venerate said Great Heavenly Venerate. "Thank you for your kindness." The Jackal Race Grand Emyrean shook his head slightly. He had become a Grand Emyrean and was the king of a mountain. How could he easily submit to others? "So, you want us to return empty-handed?" Great Heavenly Venerate Xuan Yang's tone was faint and filled with killing intent! The Grand Emyrean of the Jackal Clan thought quickly. He knew that if he didn't give up something today, the two Grand Emyreans of the Black Goat Ridge wouldn't leave. "The Myriad Beasts Ridge can give you a Source Mine." The Grand Emyrean of the Jackal Race said in a deep voice. "Only one?" The golden-armored Great Heavenly Venerate sneered. "Are you trying to dismiss a beggar? Give us at least five of them!" "No!" The Grand Emyrean of the Jackal Race also refused and shook his head. "Five is too much!" Seeing that both sides were quarreling over the distribution of the Origin Ores, Xu Rui glanced at everyone from the Primal Chaos Palace and transmitted his voice, "Everyone, retreat slowly. Don't make too big of a commotion." Su Zimo didn't seem to hear anything. He was still sitting in his seat, seemingly interested in the quarrel between the Dark Goat Ridge and the Myriad Beasts Ridge. He even had a smile on his face. "Fellow Daoist Su, quickly come with us!" Chen Qianhe transmitted her voice. "Where are you going?" At this moment, the voice of the Leopard Clan Heavenly Venerate suddenly came. After Great Heavenly Venerate Xuan Yang said that he would personally appear, he had been pondering this matter and paying attention to the actions of the Primal Chaos Palace people. Now that he saw the Primal Chaos Palace people's sneaky expressions, as if they wanted to take advantage of the chaos to leave, he immediately stopped them! Meng Shi and the others' faces suddenly turned pale. Some of the weaker cultivators couldn't even control their bodies. Their legs trembled and they almost couldn't stand. Xu Rui suppressed the fear in his heart and tried his best to remain calm. He forced a smile and said, "The Great Heavenly Venerates are discussing important matters. It's not convenient for us to disturb you here, so we left first without asking for permission. I hope everyone will forgive us." At this moment, the expressions of the Wolf Clan Heavenly Venerate and the Leopard Clan Heavenly Venerate had already darkened.

"They want to escape!" At this moment, Pan Mu scrambled to the side of the three Myriad Beasts Ridge Heavenly Venerates and shouted, "They just pretended to be from the Dark Goat Ridge. Now that they've been exposed, they want to escape. I'm not with them. They captured me!" Pan Mu had followed them all the way and naturally understood. He knew that he would most likely die if he followed the Primal Chaos Palace. Only by submitting to the Myriad Beasts Ridge or the Dark Goat Ridge would he have a chance to live. "Traitor!" Meng Shi was furious. He gritted his teeth and cursed, "Bastard, if I knew this would happen, I would have killed you just now!" In fact, even without Pan Mu's words, the Primal Chaos Palace people wouldn't have been able to leave. The Wolf Clan Heavenly Venerates and the Leopard Clan Heavenly Venerates had already reacted. How could they let the Primal Chaos Palace people leave so easily? "Pretended to be from the Dark Goat Ridge?" The golden-armored Great Heavenly Venerate frowned and looked at the four Heavenly Venerates of the Myriad Beasts Ridge. He raised his brows and asked, "There's such a thing?" The Wolf Race Great Heavenly Venerate also looked at the three Heavenly Venerates of the Wolf Race with a questioning look. The Wolf Race Heavenly Venerate pointed at Su Zimo and the others and asked with cupped hands, "Great Heavenly Venerates, are these people really not from the Dark Goat Ridge?" "Of course not." The golden-armored Great Heavenly Venerate pursed his lips and said, "Why would the Dark Goat Ridge take in such weak plant life forms? Even if there were, they would have been eaten by us long ago!" "That's good

enough."The Wolf Race Heavenly Venerate said in a low voice, "Just before the two Great Heavenly Venerates arrived, these people pretended to be from the Dark Goat Ridge and came to the Myriad Beasts Great Hall to demand that we give up the Myriad Beasts Ridge!"The three of us endured it repeatedly because of the two Great Heavenly Venerates of the Dark Goat Ridge."The three Heavenly Venerates of the Wolf Race recalled how they had been suppressed by a Dao Manifestation Supremacy and had to give in repeatedly. They couldn't help but feel frustrated!This was the greatest humiliation of their lives!The Wolf Race Great Heavenly Venerate snorted coldly and said, "So it turns out that we were secretly instigated by these ants. We nearly had a misunderstanding and fought."

"They pretended to be from the Dark Goat Ridge and swindled others. They deserve to die."The golden-armored Great Heavenly Venerate's tone was cold.Many cultivators in the Chaos Palace could no longer withstand the powerful pressure from the Great Heavenly Venerates and Heavenly Venerates. They fell to the ground with fear and despair."Sigh."At this moment, Xu Rui could only sigh deeply and feel disheartened.He didn't expect that the Chaos Palace would end up in such a situation after offending two major factions.Dong! Dong! Dong!Right at this moment, three crisp sounds came from the side.Su Zimo, who had been sitting in his seat all this while, tapped his finger lightly on the table, attracting everyone's attention."I never said that I was from the Dark Goat Ridge."Su Zimo chuckled and said, "You were the ones who were suspicious. Now, you're blaming me?"That was indeed true.However, the three Heavenly Venerates of the Wolf Race blushed when they heard that and felt even more embarrassed.Xu Rui and the others were secretly shocked.Everyone knew that they were going to die today, but they didn't dare to say such provocative words. It could be said that the three Heavenly Venerates had lost all face in public!

Chapter 3259

"I think we should put aside the matter between us for now."The Grand Empyrean of the Jackal race looked at Grand Empyrean Xuan Yang and the other Grand Empyrean. "After us brothers deal with these ants, we'll cut off some fresh flesh to go with our wine.""That's exactly what I wanted."The golden-armored Grand Empyrean laughed.The Jackal race Grand Empyrean looked at his three brothers and nodded slightly.The tiger race Heavenly Veneran had a fiery temper and could no longer hold it in.Seeing his big brother's order, he immediately rushed out and roared. His eyes were wide open as he rushed in front of Su Zimo. He raised his gigantic palm and slammed it down on the top of Su Zimo's head!Su Zimo was still sitting in his original spot, not moving at all. He had no intention of dodging at all, as if he couldn't react in time.Everyone felt that this was normal.After all, the difference between a Supremacy and a Heavenly Veneran was the threshold of a major realm. The difference in strength was too great."Ant, you dare to play with us? Watch me ..."Boom!Su Zimo suddenly raised his fist and punched the tiger race Heavenly Veneran's palm.The fist and palm collided, causing a loud explosion!Before the tiger race Heavenly Veneran could finish speaking, he screamed.Crack!The horrifying sound of bones cracking rang out.The tiger race Heavenly Veneran's palm was smashed into a bloody mess by Su Zimo's punch. Bones stained with blood were exposed. It was a ghastly sight!As for Su Zimo, he was still sitting in his seat. After this head-on collision, not only did his body not move at all, even the seat beneath him didn't suffer any impact!The tiger race Heavenly Veneran was shocked and wanted to take advantage of the momentum to retreat.However, Su Zimo suddenly changed his move. He turned his fist into a palm and grabbed the tiger race Heavenly Veneran's wrist, pulling him over. At the same time, he stabbed forward with his sword fingers!Puchi!A bloody hole appeared in the tiger race Heavenly Veneran's

head. It pierced through his Sea of Consciousness and destroyed his Origin Spirit! The tiger race Heavenly Veneran's corpse fell limply beside Su Zimo's feet. The Myriad Beast Palace suddenly became deathly silent. Xu Rui and the others from the Chaos Palace widened their eyes in shock as they watched this scene in disbelief.

It wasn't that they had never seen Su Zimo's methods. The Black Rat Sect master, who was at the Third Transformation of the Dao realm, could not even withstand one move from Su Zimo. However, no one expected that even a Heavenly Venerate expert would be stabbed to death by Su Zimo with a single finger and die in the same manner! That was Su Zimo's body was body was Su Zimo was's killed a Heavenly Venerate the Heavenly Veneran Zimo was with him... In truth, if the tiger Emphyrean had released his bloodline, propped up a world, summoned an Emphyrean spirit treasure, and many other methods, he wouldn't have died so quickly..... with.... with with with with was.. Were. The entire battle happened in the blink of an eye. Even the three Grand Emphyreans present didn't react. "Third Third!"" Third! ". The Heavenly Venerates of the Leopard and Wolf race cried out tragically and their blood qi surged, supporting a world as they summoned their respective Heavenly Venerate spirit treasures and charged towards Su Zimo. How could the two Heavenly Venerates dare to hold back when they saw the Heavenly Venerate die on the spot? Su Zimo also witnessed the methods of Heavenly Venerates. Physical body, bloodline, and Heavenly Venerate Spirit Treasures. These were all reflected in the various major realms. The greatest difference between Heavenly Venerates and other realms was the world behind them. The Dao Manifestation realm was to condense a Dao seal in a world. The Dao Comprehension realm was to use the Dao seal as the center to spread the Great Dao throughout the world. As one's comprehension of the Great Dao deepened, the traces of the Great Dao would gradually fill the world, resonating and fusing with one's own world. Until they completely fused into one, and the Dao World became one! For example, the Hell Path, the Asura Path, and the Beast Path formed their own worlds because they had already reached the Dao Comprehending realm. The Dao was the world, and the world was the Dao. In the Dao Comprehension realm, the Great Dao resonated with the world, giving birth to many avatars. These were the so-called Great Dao avatars. Through these Great Dao avatars, one could easily determine what Great Dao the other party cultivated. The might of the Great Dao avatars was boundless, far from what the World of Supremacies could compare to.

Su Zimo focused his gaze. In the Wolf Heavenly Venerate's world, a pack of wolves roared as they surrounded him. Countless pairs of ferocious wolf eyes stared at Su Zimo. The wolf pack avatars followed behind the Wolf Heavenly Venerate. Their killing intent surged and their momentum was unstoppable! And behind the Leopard Heavenly Venerate was an extremely fast leopard fey. It transformed into a series of afterimages that augmented his body, causing the Leopard Heavenly Venerate's speed to skyrocket! The Dao of Wolf. The Dao of Leopard. The three thousand Great Dao did not mean that there were only three thousand Great Dao in the Three Realms. Instead, it meant that there were many Great Dao and they were difficult to count. Some Great Dao used race as their foundation. For example, the Shura Dao and Beast Dao that Su Zimo had seen. There was also the Dao of Wolf and Dao of Leopard in front of him. And some Great Dao used weapons and Dharma treasures as their foundation. For example, Sword Dao, Spear Dao ... There were also some that used all things in the world as their foundation. The sun, moon, stars, frost, rain, and snow could all enter the Dao. There were even some Great Dao that used specific Dao techniques as their foundation. For example, the Great Dao of the Five Elements, the Great Dao of Time, the Great Dao of Karma ... For example, the Chaos Great

Dao that Su Zimo cultivated was one of them. The Dao of Wolf contained the bloodline, body, ferocity, brutality, claws, and other sources of power of the Wolf race. There were also all the Dao techniques that the Wolf race Heavenly Venerates cultivated in the past. As for the Dao of Leopard, it contained the speed, agility, and other powers of the Leopard race. It was all-encompassing and mysterious. It was also because of this that there was the saying that the Great Dao was invisible. It could not be touched unless one cultivated to a certain realm. The two Heavenly Venerates released their bloodlines and propped up a world. They summoned their Heavenly Venerate spirit treasures and manifested Great Dao phenomena. It was clear that they were using their full strength without holding back! Even the Myriad Beast Great Hall was lifted by the Great Dao phenomena of the two Heavenly Venerates and collapsed! The commotion here alarmed the demons and hundreds of thousands of demon beasts gathered here. Against the attacks of the two Heavenly Venerates, Su Zimo stood up. His gaze was like a torch and his aura soared. Just the movement of standing up was enough to contend with the two Heavenly Venerates in terms of aura!

Su Zimo let out a long roar. Instead of retreating, he charged toward the two Heavenly Venerates. "Fellow Daoist Su, this is ..." Xu Rui and the others were in disbelief. Without blood, without weapons, and without a world, Su Zimo actually chose to fight the two Heavenly Venerates bare-handed! Boom! Boom! Boom! Su Zimo raised his hands and feet to resist the Great Dao phenomena of the two Heavenly Venerates. Light radiated in all directions and waves of air surged. A deafening explosion erupted! Even when the two Heavenly Venerates' spirit treasures smashed down, they were sent flying by Su Zimo's punches and kicks. They could not injure him at all! "What a strong physical body!" The golden-armored Great Heavenly Venerate watching the battle from the side was shocked. He cultivated the Barbarian Bull Great Dao and his physical body was extremely strong. He had tempered an indestructible golden armor. Even with his current cultivation realm, he might not be able to take on a Heavenly Venerate spirit treasure with his physical body. However, the situation before him was clearly the combination of the two Heavenly Venerates and their trump cards. Yet, Su Zimo had the upper hand with his physical body! The two Heavenly Venerates were showing signs of retreating! "Where did this ruthless person come from?" Great Heavenly Venerate Xuan Yang frowned and thought to himself, "Could he be the successor of some sacred ground?"

Chapter 3260

Su Zimo defeated all of the wolf avatars. The leopard demon's speed was astonishing, but it still couldn't escape Su Zimo's eyes! The three figures fought in the sky above the Myriad Beast Ridge. Su Zimo's aura was monstrous, and the two Heavenly Venerates were suppressed. This was indeed beyond everyone's expectations. Although Su Zimo didn't use any spirit treasures, he seemed to be covered in divine weapons. His fingers were like swords, his fists were like hammers, his elbows were like spears, and his legs were like whips. He forced the two Heavenly Venerates back. If this continued, the two Heavenly Venerates would probably be suppressed by Su Zimo! "Sigh." Seeing this, Xu Rui sighed in his heart. "No wonder Fellow Daoist Su is so confident and dares to come here to meet the four leaders of the Myriad Beast Ridge. It turns out that he has such combat strength. Unfortunately ..." Chen Qianhe, Meng Shi, and the others were silent. Although Xu Rui didn't continue, everyone could guess what he was feeling regretful about. Now, Su Zimo seemed to have the upper hand, but there were still three Grand Heavenly Venerates who hadn't made a move yet! As long as any one of the Grand Heavenly Venerates made a move, this battle could end early. The Tiger Race Heavenly Venerate had just been killed by Su

Zimo, so the Jackal Race Heavenly Venerate wouldn't let him go. If the situation wasn't good, the Jackal Race Heavenly Venerate would definitely make a move and kill Su Zimo! "Today's matter isn't Fellow Daoist Su's fault," Chen Qianhe said. "Who would have thought that the two Grand Heavenly Venerates of the Black Goat Ridge would come here and that the leader of the Myriad Beast Ridge would break through and become a Grand Heavenly Venerate?" The battle continued. Although the Wolf Race and Leopard Race Heavenly Venerates were at a disadvantage, they didn't panic at all. They knew that as long as they called out, the Jackal Race Heavenly Venerate would definitely make a move. As for Su Zimo, he was even calmer. The main reason why he did not use any other methods but chose to fight the two Celestial Venerables head-on was because he wanted to test what level the physical strength of the Green Lotus True Body had reached after fusing with the Red Lotus of Hellfire. At this point in the battle, he already had an idea. If he continued fighting, he would be able to kill the two Heavenly Venerables with his physical strength alone.

But he didn't want to waste any more time. There were still three Grand Emyreans watching from the side. He had just noticed that the Grand Emyrean of the Jackal Race was eager to attack at any moment. Once the Grand Emyrean of the Jackal Race took action, it would be much more difficult to kill the Wolf Race and Leopard Race Emyreans. He had to kill the wolf clan and leopard clan Emyrean Exalts as fast as lightning and not give the jackal clan Grand Emyrean a chance to react! With that thought in mind, Su Zimo's aura suddenly changed. He suddenly propped up a world, which was gray and blurry inside. Chaotic World! The chaos world descended, instantly enveloping the bodies of the Wolf Clan and Leopard Clan's two Emyreans. This world seemed very ordinary. There were no anomalies, no power, no light, no darkness, and no time. But after it descended, the Great Dao phenomena of the wolf and leopard race Emyreans let out sorrowful cries and instantly collapsed! The world of the two Emyreans was also absorbed into Su Zimo's chaos world, turning into chaos. There were too many things fused in this chaos world. Su Zimo's past cultivation of Dao and laws, phenomena, Dharma Idols, Grotto-Heavens, Divine Abilities, secret techniques ... everything was inside! The ultimate destination of all things was chaos! The disappearance of the two worlds meant that the wolf and leopard Emyreans were exposed to Su Zimo's chaos world. "How dare you be so arrogant in front of me!" The Jackal Race Grand Emyrean's expression changed greatly when he saw this scene. The situation of the battle had taken a turn for the worse. It was already too late for him to rush up and save them. Seeing that the lives of the wolf and leopard race Emyreans were hanging by a thread, the Jackal Race Grand Emyrean could only erupt with an Essence Soul Dao seal and attack Su Zimo. This was the fastest killing method, and it arrived in an instant. An attack aimed at the Essence Soul was enough to instantly kill a Third Transformation Dao Manifestation Supremacy! "It's over." This thought flashed through the minds of everyone in the Chaos Palace when they saw this scene. Some people couldn't bear to watch and lowered their heads. In the face of the Jackal Race Grand Emyrean's attack, Su Zimo's expression didn't change. He also released an Essence Soul Dao seal! Su Zimo had once mastered several Essence Soul mystic techniques.

However, at his cultivation realm, these Essence Soul mystic techniques couldn't reach the Dao level and couldn't be of much use. Only by fusing these Essence Soul mystic techniques into the chaos and forming a chaos Essence Soul Dao seal could they unleash great power. "Oh?" The Jackal Race Grand Emyrean's expression changed greatly! This person's Essence Soul ... "The level of a Grand Emyrean!" Great Emyrean Xuan Yang also felt the terror of Su Zimo's Essence Soul Dao seal. He had a grave expression

as he softly muttered. "A Third Transformation Dao Manifestation Supremacy actually cultivated the Essence Soul of a Grand Emyrean?" The golden-armored Great Emyrean gasped. Before the two of them finished speaking, the two Essence Soul Dao seals had already collided. It was silent, but it caused the surrounding void to tremble slightly! The space of the Great Thousand Realms was extremely sturdy. However, the collision of Su Zimo's Essence Soul with the Jackal Race Grand Emyrean could shake the void! "Oh!" The Jackal Race Grand Emyrean was about to step forward when his expression changed drastically and he grunted! Great Emyrean Xuan Yang and the golden-armored Great Emyrean's hearts trembled. In this collision of Essence Soul Dao seals, the Jackal Race Grand Emyrean was at a disadvantage! "He must have just broken through and his cultivation realm is unstable. It's difficult for him to unleash the true power of a Grand Emyrean." The golden-armored Great Emyrean whispered. Great Emyrean Xuan Yang remained silent. He vaguely felt that things weren't that simple! In fact, that was indeed the case. The Jackal Race Grand Emyrean could clearly feel that his Essence Soul was being burned by a kind of fire power. It was extremely painful! Although it didn't hurt his foundation, it still made him break out in a cold sweat. "You can't save the people I want to kill!" Su Zimo glanced at the Jackal Race Grand Emyrean. Taking advantage of this opportunity, the chaos world descended and enveloped the Wolf Race and Leopard Race Grand Emyrean! "Ah!" Within the chaos, the two Grand Emyreans let out miserable screams before they fell silent. Their flesh and blood turned into chaos. Hundreds of thousands of Demonic Beasts in the Myriad Beast Ridge witnessed this tragic scene.

The two high and mighty leaders had been directly suppressed by an outsider in front of the Jackal Race Grand Emyrean. Not even their bones remained! What kind of power was this? Everyone in the Primal Chaos Palace was stunned when they saw this scene. Their faces were filled with shock. Even a Grand Emyrean couldn't stop Su Zimo! "Good move!" Meng Shi couldn't help but shout. His eyes flashed with excitement, and the blood in his body seemed to become restless. This group of Demonic Beasts was cruel and bloodthirsty. Who knew how many living beings had been slaughtered by them? Meng Shi had long hated this group of Demonic Beasts to the bone. When he saw this scene, he only felt incomparably delighted! Xu Rui also subconsciously clenched his fists and did his best to suppress the excitement in his heart. He said, "Fellow Daoist Su is decisive and doesn't leave any leeway. He wants to protect us." If he is entangled by the Jackal Race Grand Emyrean and the Wolf Race Grand Emyrean and the Leopard Race Grand Emyrean escape, I'm afraid he will kill us to vent his anger. "Everyone in the Primal Chaos Palace nodded. Now that Su Zimo had killed three Grand Emyreans of the Myriad Beast Ridge, all the anger of the Jackal Race Grand Emyrean would be poured onto Su Zimo!
