

## Schoolgirl 1411

### Chapter 1411: Si Yi's Attack. Dead Just Like That

Johnny's accomplishments in the assassin field were not comparable to Slaying God's, but there was no doubt that he was one of the best! His achievements were only right after Slaying God's!

Even if he was not as capable as Slaying God, the missions he accomplished were close to Slaying God's record.

If Slaying God was the king of the field, Johnny was definitely the top achiever right after the king! What he had accomplished was nothing a person or a word could simply nullify. After all, he was not a regular assassin but the second elite on the assassin chart!

In spite of it, these were all the perception of the regular people.

"Who? Who is it? The accomplishments of I, Johnny, are not voidable just because you say so!" Johnny went around the forest several times but did not discover the person talking, so he began to have his guard up in alert of his surrounding with a deep frown.

Other than Slaying God, there was actually someone else who could speak right around him but remained hidden! No matter who the person was, Johnny dared not let his guard down.

There was a flicker in Yun Jian's eyes.

The voice was a rich baritone with a husky edge that the females there could imagine just how handsome the owner of it was from just hearing it. There was no doubt that it was him.

He had arrived so soon?

Yun Jian's initial plan was that Si Yi would be arriving a day later than her. What she did not know was that Si Yi had rushed here so soon purely to see her sooner.

It was just that... where was he?

"Damn it! What's so impressive about hiding yourself? Show your face if you dare! What do you mean your woman? Who's your woman? Who's your woman who I f\*cking lay a finger on?!"

There was a flicker in Johnny's eyes before he purposely shouted to provoke Si Yi into showing himself.

The truth was, Si Yi was disdainful to hide himself as well.

The next second, someone sprang out above their heads. It was none other than Si Yi. He had been standing on a tree and watching Johnny since just now, but he had hidden himself so well that Johnny could not even find him.

Si Yi hopped off the tree coolly with a hand in his pants pocket, revealing his gorgeous face to everyone out of the blue. His cropped hair was shiny and captivating in black; in addition to his heavenly-sculpted face, everyone was enchanted.

Even Johnny felt that something was amiss. He felt a shudder run through him for no reason.

However, he was the second top assassin on the chart! Facing the kid who was at most 20 years old, he knew that the latter must still be suckling from his mother when he was already in the business!

With that thought in mind, Johnny felt bolder.

“And who are you? You have no right to speak here. You—” Johnny threw a punch to Si Yi as he spoke.

Si Yi furrowed his brows at that and suddenly said, “Noisy. You can die now.”

Johnny’s fist had come before Si Yi after that. The others gasped as no one wanted to see a handsome face getting punched.

Just when they thought about that, a pair of fair, slender hand caught Johnny’s fist easily. At the same time, Si Yi lifted his long leg and kicked Johnny like a bolt of lightning.

He was even faster than Yun Jian!

“Purgh!” Johnny coughed blood from the kick. He pointed at Si Yi and spoke in disbelief, “You... Someone who’s even faster than Slaying God—there’s only An—”

His last word ended with Si Yi sprinting forward and kicking him.

With a bam, Si Yi kicked Johnny’s stomach and crushed his internal organs on the spot, killing the latter right in front of everybody.

The sight drained blood off of everyone’s face while Leng Lingling nearly passed out in horror.

Si Yi did not even pull his hand out from his pants pocket throughout the whole ordeal as he glanced at Johnny in despire. “You once had brilliant accomplishments but you can vanish from the face of earth for daring to harm my woman!”

The second ranker on the chart of assassins, Johnny, was dead just like that!

### **Chapter 1412: Berserk Dragon and Mu Ying’s Reunion**

Yun Jian swallowed.

Johnny’s appearance was a surprise and she had not planned to kill him. She was even thinking about recruiting him to Gu Sha Mercenaries. After all, Gu Sha Mercenaries would definitely double in capabilities if someone like Johnny could join!

It was undeniable that since the subordinates of Gu Sha Mercenaries’ previous boss, the bunch of older folks, were wiped out, their forces were also dissolved. The aftermath of this was that it took quite some time for Gu Sha Mercenaries to recover in terms of capacity.

That was why Yun Jian’s favorite thing to do right now was to recruit talents to Gu Sha Mercenaries.

It was just that with what Si Yi had interrupted... A hand appeared on Yun Jian’s slim waist while she thought of it.

Si Yi pulled Yun Jian into his arms with a large palm. As he stayed closed to her, his deep voice came from above her. “Xiao Jian, what are you thinking about?”

“Why did you kill him?” Yun Jian asked with a frown.

Si Yi glowered at the question. “Isn’t that a good thing?”

“I wanted to recruit him to join Gu Sha Mercenaries,” Yun Jian told him her intention.

“Xiao Jian, the whole An Hun Group is yours and I’m yours too as long as you stick by my side.” Unable to help himself, Si Yi hummed in a low tone right next to Yun Jian’s ear.

The conversation was, of course, spoken discreetly between the two of them. The others saw nothing other than Si Yi killing Johnny then going close to Yun Jian.

What Si Yi said made Yun Jian blush. She gave him a nudge and recalled the matter at hand. “Where’s Berserk Dragon?”

“Over there.” Si Yi pointed; he would never dare defy his beloved and not bring Berserk Dragon with him.

Yun Jian turned to see Berserk Dragon walking over leisurely from the side. She could also obviously see how Mu Ying froze slightly when she saw him from afar.

Mu Ying had been only about nine years old when she died. Berserk Dragon was equally young back then.

One’s face would change with age, but there would not be much changes to one’s features. That was why certain people could easily recognize the photos of someone when they were much younger.

The moment Mu Ying saw Berserk Dragon, she froze and gaped. She suddenly remembered that she was no longer who she used to be; she did not even have her own body now, she was only a stream of consciousness—the consciousness that the crazy professor had transferred to this girl’s body!

She was like a living dead! How could she... meet him again?

Leng Hanzhe caught Mu Ying’s change of expression when she looked at Berserk Dragon and he was deeply unsettled.

“Yingying...” Leng Hanzhe kept his eyes on Mu Ying and was going up to hold her when the latter ran toward the deeper part of the jungle without letting him touch her.

Berserk Dragon who was farther away sensed Mu Ying’s gaze and abruptly reeled in his lazy state. There was a vague sense of familiarity when he caught a glimpse of her.

Yun Jian knew that Berserk Dragon and Mu Ying had feelings for each other when they were in the organization. When Mu Ying died, Berserk Dragon killed their peers who had lured him out and kept him from rushing back to save her.

He had never gotten close to any woman up till this day—none. Since Mu Ying’s death, all that was left in Berserk Dragon’s world was killing, killing, and more killing.

He could only numb himself by killing.

Yun Jian went up to Berserk Dragon and gestured at Mu Ying who ran off. “You still remember MY?”

She did not say it explicitly but realization struck Berserk Dragon and he sprinted to chase after Mu Ying...

...

Mu Ying ran fast. Her abilities remained how she had been at nine years old but she did not give up training after the crazy professor extracted her consciousness and put it into this body.

Despite that, she knew that she was not a complete person now and she did not deserve to see Berserk Dragon. She did not even... have her own body!

Mu Ying ran faster and faster that she did not even notice the vine on the ground. When she tripped and fell, she did not feel the pain as she sat on the ground with tears streaming down her face soundlessly.

She did not know what she was crying for either.

“My silly girl, I’ve been looking for you for over a decade and you’re still as silly as you’ve been.”

A soft voice of a guy came from behind her.

Mu Ying froze. She could recognize that voice anywhere but she dared not turn around.

The owner of the voice crouched and hugged her from the back, pulling her up from the ground and into his embrace.

Mu Ying froze and wanted to struggle but the man hugging her from the back stopped her, saying. “Stop moving, let me hug you.”

### **Chapter 1413: Never the Same World**

Tremors ran through Mu Ying after what Berserk Dragon said. She was thrilled, happy, yet despaired. She did not know what to say, nor did Berserk Dragon, as both of them stood still dumbly with Berserk Dragon hugging her.

It was until footsteps and a furious voice of a guy sounding from behind them that interrupted the situation. This frenzied voice belonged to the guy whom Mu Ying was familiar with for over ten years but had never loved.

“Who are you?! Let go of my Yingying!”

...

As Yun Jian watched Mu Ying run off and Berserk Dragon give chase, Leng Hanzhe ran after them as well. Once he did, Leng Lingling, Guo Xiao and the others who were with him followed suit.

Those who stood on the spot were Shan Chengjie and the two tour groups.

Yun Jian ran over as well, telling Si Yi before she left, “I’ll go have a look.”

After Yun Jian left, Si Yi scanned the others with his sharp eyes before going after Yun Jian with a message left for them, “I’ll kill whoever who dares come over.”

Given Johnny's dead body on the ground, the rest who were there felt their legs freeze as no one dared follow Si Yi. Despite that, they did not dare leave the area alone either.

They were already in the Amazon rainforest. With the danger that they ran into earlier, they could only stand still and wait for Yun Jian's return.

...

When Yun Jian arrived, she saw Leng Hanzhe shouting at Berserk Dragon who was hugging Mu Ying, "Who are you?! Let go of my Yingying!"

He rushed up to the pair with that.

Leng Lingling who was behind Leng Hanzhe cried "Ge!" toward the latter's back before she glared at Mu Ying who was hugged from the back by Berserk Dragon.

It was her! It was all her!

"Go to hell! Why didn't a loose woman like you just die?! My brother's been courting you for years and you should've responded to him a long time ago if you still have a heart! What did you do? It's fine that you didn't reciprocate, you're now hugging another man! Shameless!"

Leng Lingling insulted Mu Ying mercilessly.

Just when Leng Hanzhe went up to try and yank Berserk Dragon away from hugging Mu Ying's waist, Berserk Dragon extended an arm and grabbed Leng Hanzhe's collar before he threw the latter some distance away.

"Ge! Ge! Argh, you guys planned this! Shameless!" Leng Lingling wanted to charge to them in anger when she saw her older brother being tossed.

However, Yun Jian caught her by her collar and slapped her three times directly.

Slap! Slap! Slap!

The three hits sounded exceptionally loud in the quiet jungle.

When Leng Lingling broke out of her trance, she glared daggers at Yun Jian. "How dare you hit me?!"

"Why wouldn't I dare?! Your brother's feeling for Mu Ying is one-sided. Does she have to be with your brother just because he likes her?" Yun Jian scoffed.

"No! No! Yingying and I are people in the same world! People say that we're a match made in heaven since we were young! And we come from the same military family background. We're the best match for each other! He—he's just a despicable man! He's a despicable man!"

Leng Hanzhe was in pain but he forced himself to get up from the ground and snarled resentfully with a finger pointed at Berserk Dragon.

Yun Jian smirked and asked Leng Hanzhe, "Do you know who I am?"

It was only then Leng Hanzhe, Leng Lingling and their friends were aware of it. Yun Jian was a secret agent—the kind who killed! She was Slaying God who was ranked the top on the international secret agent chart!

While they thought of that, they heard Yun Jian saying with a smile, “Whoever I am, she’s the same. She’s once lived a life of guns and blood and she’d never be in the same world as you are!”

What Yun Jian said stunned Leng Hanzhe while Leng Lingling was stupefied.

What?

Mu Ying... Was she a murderous secret agent too?!

#### **Chapter 1414: Eternal Life for the Fittest While the Weak Deserves It**

They could never be in the same world? His Mu Ying... was also a secret agent?

Leng Hanzhe was stunned. He had never thought of this possibility. He was already shocked when he found out that Yun Jian was the secret agent who came in top in the secret agent ranking, but it had never crossed his mind that Yun Jian would say that he and Mu Ying were never in the same world because Mu Ying... was just like Yun Jian...

“No! This isn’t possible! Yingying’s been by my side all this time, she’s never left! How could she be... be the kind of person you said?! I don’t believe it! Fine that you’re that kind of person, don’t pull my Yingying into this!”

Leng Hanzhe loved Mu Ying to the point of losing his mind. He did not believe what Yun Jian said at all and shouted back at her.

Yun Jian chuckled hearing his words while Mu Ying freed herself from Berserk Dragon’s embrace and stopped whatever Yun Jian was going to do.

“Yun Jian, this is my problem. I’ll resolve it myself.” Mu Ying had already recovered from the tense situation earlier.

“Mn.” Yun Jian nodded and stood on the side with Si Yi who had just come over.

Leng Hanzhe looked at Mu Ying pleadingly, as if he wanted the answer he yearned for, but Mu Ying said, “Yun Jian’s right. I’m not the real Mu Ying. I’m just a stream of consciousness. The real Mu Ying’s passed away when she got into the accident when she was much younger. Do you still remember the crazy professor back then? He’s the one who fused my consciousness into Mu Ying who was already dead.”

“And I’m... just an anonymous assassin in An Hun Group back then—a poor girl who’s abducted into the organization alongside hundreds of other kids and tried to stay alive despite the cruel reality only to have her limbs cut and her heart dug out alive before her body was thrown to feed the dogs.”

“Your Mu Ying, the Mu Ying you love, is dead.”

What Mu Ying said was straightforward, stunning Leng Hanzhe. He could not believe it nor could he imagine that the girl he had loved growing up was swapped to someone else halfway through.

“You’re lying to me!” Leng Hanzhe shouted at Mu Ying like he had lost his mind.

“Mu Ying was no longer breathing after the accident. The one who came alive during the funeral is me. She’s already dead. I’m me, I’m MY!” Mu Ying raised her voice.

It struck Leng Hanzhe all of a sudden that he believed what she said now and was completely thrown. If this was the case, what about him? Did he love the Mu Ying when they were kids or the current Mu Ying? What was he pursuing?

Leng Hanzhe fell to the ground limply.

“H-how... did you say you... died just now... Your limbs were cut... and your heart was dug out alive... and your body was fed to the dogs? But—this is a modern society governed by law! How could something so brutal possibly exist...”

Whether Leng Hanzhe accepted it or not, Leng Lingling believed it and her focus was not that Mu Ying was no longer the old Mu Ying.

She, Guo Xiao, and the others were just regular students and had never heard of such terrifying way to die. Moreover, the person who died so horribly was just standing before them...

Leng Lingling felt chills just thinking about it.

Mu Ying did not reply to Leng Lingling; it was Yun Jian who did. She smirked and told Leng Lingling, “That’s why you and us won’t ever be in the same world. In your world, you have your parents if you did a mistake and you have your teachers in school. In our world, you deserve to die if you’re weak. The fittest can live forever while it serves the weak right that they die!”

### **Chapter 1415: Three Hours, the Forgetting Potion**

A model daughter like Leng Lingling who was kept in her parents’ embrace could never understand how Yun Jian and Mu Ying survive the dog-eat-dog world where danger and murders were their daily life. Perhaps, the best life to them was not spending tomorrow better than today, but that they were still alive tomorrow—that they had yet to die.

Leng Lingling gulped hearing Yun Jian’s rather grim statement. She was thoroughly convinced that the current Mu Ying was not the old Mu Ying. After all, she had been best friends with Mu Ying when they were younger.

Since Mu Ying got into the accident, she had changed. She often isolated and hid herself in corners, ignoring Leng Lingling and her brother Leng Hanzhe. It was since then that Leng Lingling hated Mu Ying.

Maybe it was not hatred that Leng Lingling had felt back then, she simply did not feel like playing with Mu Ying anymore. It was later when Mu Ying kept refusing to be together with her brother, Leng Hanzhe, and seeing the latter do so much for Mu Ying yet receive nothing back in return that she began to slowly resent Mu Ying.

It was until Leng Lingling received a confirmed answer just now that she believed it straightaway because the Mu Ying back then and the Mu Ying after the accident were too different.

This was not the case with Leng Hanzhe, however. He did not believe it because he was unwilling to accept this reality.

“Uh... is the world you guys are in really that scary?” Leng Lingling muttered softly after hearing what Yun Jian said.

Yun Jian ignored Leng Lingling this time but smirked coldly.

“Yun Jian, we...” Mu Ying who stood nearby gestured at Yun Jian.

Realization suddenly struck Yun Jian when she saw that. She then walked to Leng Lingling while Mu Ying went to Leng Hanzhe.

Seeing Mu Ying walk to him, Leng Hanzhe thought that his Yingying had come back.

“Yingying... are you planning to—” Before Leng Hanzhe could finish his sentence, Mu Ying came to him briskly and knocked him out with a knife hand strike.

“Ge! You—” Leng Lingling gasped in surprise but was knocked out by Yun Jian as well the moment she spoke.

Leng Hanzhe’s friends were knocked out as well. These people could not retain their recent memory, especially since they knew about Yun Jian’s identity as the world’s top assassin, Slaying God.

Yun Jian retrieved three vials of potions from her bag after the group was knocked out. The liquid contained inside was something named Three Hours Eraser that Qing You had invented recently.

As long as the person was given a little of this potion, they would forget everything they had been through in the last three hours.

This was Qing You’s latest invention. It was unprecedented in the world and it was not for sale. Instead, Yun Jian was gifted three vials of it.

Due to Johnny exposing Yun Jian as Slaying God who ranked top in the secret agent chart, it was not just Leng Hanzhe and group who had to forget about it—those people who joined the group tour had to forget about what happened as well.

Upon knocking Leng Hanzhe and his friends out, Yun Jian let them ingest a drop of the potion each. Berserk Dragon was then asked to knock out everyone in the group tour and each of them was given the Three Hours Eraser too.

The group was currently very close to the Amazon rainforest’s entrance, so they would surely be discovered when they passed out here.

All it took from Yun Jian to do all this was only one-third of a vial out of the three vials of the Three Hours Eraser.

By the time she saved the tribe member from the nearby wild animals research center and took him back to the tribe, it was already evening.

Leng Hanzhe and his friends, as well as Shan Chengjie and everyone in the group tour, laid unconscious, obviously having already forgotten everything within the last three hours.

Simultaneously, Yun Jian and her company walked deeper into the Amazon jungle.

### **Chapter 1416: Move Again and I'll Take You**

They went around the Amazon rainforest but did not manage to find the old man who saved Mu Ying back then, so they went back to Min City.

Mu Ying was saved by the old man shortly after she was left in the Amazon jungle. If it had not been the old man, Mu Ying probably would not have been able to survive six months there based on her abilities.

Yun Jian, on the other hand, had stayed alive for all six months based on her own capabilities. Compared to Yun Jian, Mu Ying was honestly a little weaker. It was also evident that Yun Jian was an unprecedented case for surviving in Amazonia for six months at her age that time.

Mu Ying was thankful to the old man for saving her back then. It was just that she could not find him after going around the jungle and nearly flipping the ground over. She could only relent and return to Min City.

While Mu Ying went back to Min City, Yun Jian went back to Longmen City. Berserk Dragon followed Mu Ying to Min City.

Even though Mu Ying thought that she did not deserve Berserk Dragon, she was reluctant to chase him away, so both of them went back together.

Yun Jian returned to Longmen City with Si Yi.

Having stayed three to four days in Longmen City, the short break of seven days after the military training was over. Yun Jian got ready to depart for class in Min City Military School.

Si Yi had no time to go to school and study with Yun Jian at all recently, but he hugged her and made her sit on his lap for some intimacy before she left.

"Xiao Jian, I won't be able to leave recently. Come to me in An Hun after this." Si Yi wrapped his arms around Yun Jian's slim waist to prevent her from leaving as he propped her up on his lap and talked right next to her ear in the room.

Yun Jian felt shudders from the puffs of air blown against her ear as Si Yi talked but she dared not move. She could not get up either since Si Yi was holding her, so she could only put up with it as she shrunk into herself.

She dared not move because she was on his lap and she was only wearing a short white skirt today. There was only an underwear on her lower half underneath the skirt.

Si Yi's pants were so thin that they might as well not exist. Yun Jian was turning scarlet from how shy she was.

"Let go of me, I need to catch the bus... I'll be late for school..." Yun Jian said with a flush as she nudged Si Yi.

"No," Si Yi replied boldly as he rubbed a large hand on Yun Jian's smooth thigh under the skirt.

"Xiao Jian, you're so gorgeous." Si Yi wanted so much to become one with her!

“Xiao Jian, it’s 6pm now. The bus is leaving at 6:30pm. Are you still sleeping? You’ll be late for school!” Qin Yirou could be heard walking upstairs.

The sudden noise flustered Yun Jian and she nudged Si Yi again. It caused certain parts that were only separated by their thin clothing to rub against each other.

It had been fine before this but Yun Jian could feel a certain part of Si Yi bulging from the friction. The young man’s breathing grew faster next to her.

“Let go!” Yun Jian was dying in embarrassment.

“Xiao Jian, why aren’t you up yet? You weren’t like this before! Hurry up and wake up!” Qin Yirou had gotten up the stairs and was walking toward the room they were in.

“Xiao Jian, move again and I’ll take you right here,” Si Yi whispered next to Yun Jian’s ear abruptly.

Yun Jian flushed crimson at once and actually stayed still, while Qin Yirou had held on the doorknob and opened the door...

#### **Chapter 1417: A Demerit Because of You**

Just as Qin Yirou opened the door, she saw Yun Jian standing before her in a short white skirt. Her daughter was looking back at her with a flushed face.

“Xiao Jian, what’s the matter?” Qin Yirou was startled.

“Did you bully A-Yi now?” What Qin Yirou said next made Yun Jian doubt if she was really Qin Yirou’s daughter.

“Mom, I didn’t,” Yun Jian replied and went around Qin Yirou to go downstairs, tucking her bag on her shoulder as she walked.

“Breakfast’s on the table. Remember to take it and have it on the bus,” Qin Yirou told Yun Jian, chuckling with a hand over her mouth, as she watched her daughter go downstairs in a hurry.

Yun Jian replied with a hum and picked up the breakfast Qin Yirou had put in a transparent bag from the dining table downstairs. She then took the bus to Min City Military School.

Seven days of break was over now and today was September 10th. It was also the official day Yun Jian start school in Min City Military School.

That was why Qin Yirou wanted her to change into a white skirt and a pink top. Yun Jian did not mind and put them on as told. She was also perplexed that why Si Yi had not called her out on the short skirt today.

Shaking her head, she stopped thinking about it, picked up her breakfast and carried her bag to head out of the door.

Si Yi smirked in the room as he recalled the temptation that was under Yun Jian’s short skirt. He would never tell others that he had not stopped Yun Jian from wearing such a short skirt today all because... cough, cough.

...

It was already 8:30am when Yun Jian arrived at Min City Military School with 9am being the required time for students to be there. Since the school had taken into consideration that the students were coming from farther places, they were allowed to arrive at school before 9am for the first day and go back to the usual time on the second day.

Yun Jian captured a lot of attention just as she got to school. She still tied her hair in a high ponytail like usual but she wore a short white skirt with a pink top. Since she was pretty, her perfect face attracted attention from her surroundings. Even girls could not help do a double take.

“Yun Jian, I’m here! Come over quick!” Lin Yuan had been waiting for Yun Jian at the school gate a long time ago and dashed over upon seeing her before she checked her out from head to toe.

“Hey, Yun Jian, the skirt matches you. You look very pretty!” Lin Yuan complimented and glanced around but did not see Mu Ying. “Eh, why isn’t Mu Ying here yet? I remember that she’s always been the earliest in the past.”

“Let’s wait over there for a bit,” Yun Jian said pointing at the security guardhouse at the school gate.

“Sure!” Lin Yuan nodded and waited for Mu Ying at the guardhouse together with Yun Jian.

Just when they got there, the female teacher who was on duty there saw Yun Jian. She was about 75 kilograms in weight but was not even 1.5 meters in height and was dressed fashionably wearing a pair of thin high heels.

What she saw was Yun Jian’s slender figure clad in a short white skirt. Yun Jian’s perfect body made her jealous, so she shouted at her, “Which class are you from?!”

One shout was apparently not enough as the teacher passed the duty booklet in her hand to Yun Jian and hollered at her, “Write down your class and name. Our school’s a military school. Since you’re here, do you not know the military school rules?”

“Our school prohibits shorts and skirts! Do you not know about it? Write down your class and name right now. Your class is taking a demerit because of you!”

### **Chapter 1418: Live Up to Your Name, Crazy Awesome**

The female teacher had ample bosoms and they kept shaking as she spoke. Her breasts were large but her tummy was larger. While her breasts shook, the flesh on her tummy jiggled stronger than them.

The teacher did not spare Yun Jian and Lin Yuan a chance to speak as she spoke more fiercely, words tumbling out of her mouth like a firing machine gun as she did not even pause to catch her breath.

“Girls like you two are only concerned with dressing yourselves up. How dare you come to school for class in such a short skirt? This is a military school! Military school, understood? Don’t dress up like you’re a flashy peacock!”

“The boys in our school are working hard for the country in the future. They’re not about to distract themselves dating girls like you! You girls aren’t forgoing the regular high schools and coming here just to lure our boys to date you, are you?”

The female teacher on duty grew more exaggerated as she spoke.

Yun Jian did not know about the military school rules. While she had listened to Qin Yirou and wore a short skirt today that broke the school rule, she was not the type who ignored discipline and rules.

She had already taken the duty booklet and pen from the teacher to write down her name and class on it. Since she had done a mistake, she was not one to deny it. It was just that the teacher had not stopped yapping as if Yun Jian had done something as serious as having killed someone.

This caused Yun Jian who was already planning to write her name and class down on the booklet to pause her hand.

“Hurry up and write your name and class! You should get a demerit for breaking the school rule!” the teacher on duty urged with a scowl when she saw that Yun Jian stilled her hand.

“Miss, it’s our first time breaking the rule and we’re freshmen. We haven’t learned about the school rules and discipline yet. My friend won’t wear a skirt anymore, can you not deduct the points?” Lin Yuan spoke for Yun Jian.

Schools usually gave students the first one or two weeks to get used to the school discipline, timing, and rules. Even if their names were taken during such time, the demerits were usually voided. It was because students needed some time to get used to things when they came to a new school.

Lin Yuan was thus disgruntled when this teacher on duty planned to demerit Yun Jian’s class points directly.

“Are you talking back to your teacher now?” the female teacher snapped at Lin Yuan condescendingly.

This teacher had always thought that the military school could only be the men’s place. What were girls like Yun Jian and Lin Yuan doing studying in the military school? Other than wanting to lure some men, what could a girl do studying in the military school?

If they were asked to train, they would probably faint from the sun even if it were the simplest task of standing in the military position for the entire morning. If training went on longer, they would complain about turning tanned and want to apply sunblock and whatnot before training.

Girls who came to the military school acted exactly like that! Why had they not gone to the good old regular high school but chosen to suffer in the military school instead? Was it not to date the boys?

The more the teacher thought about it, the more she found girls like Yun Jian and Lin Yuan to be repulsive. Just when she wanted to insult both of them harsher, the voice of a guy rang from the side.

“Eh, Yun Jian? Why are you standing here?”

The person who spoke was Ge Junjian’s comrade, Yu Shaoluo, who was also an instructor in Min City Military School.

The teacher was startled by Yu Shaoluo's appearance and was going to point out how awful Yun Jian was to him when the man patted the girl's shoulder and praised, "Yun Jian, well done, eh! You got first in the outdoor survival activity and only three of you girls out of the school's freshmen got picked for the elite class. Haha, you live up to your name as Team Monarch's Slashing God! You're crazy awesome!"

The teacher on duty who wanted to lambast Yun Jian for her disobedience was stunned. "D-drillmater... Slashing God? You mean... s-she's Slashing God?!"

### **Chapter 1419: The Female Teacher's Change of Attitude**

News about Team Monarch's Slashing God enrolling in Min City Military School as a freshman had already been circulating in the school.

Even if the female teacher did not pay attention to it, she could hear about how amazing and skilled Team Monarch's Slashing God was from others. Moreover, this teacher was a snob and usually liked hanging out with other teachers to gossip about the school's male instructors and female teachers' family affairs. Sometimes, they gossiped about whether there were talents in the school and if the talents were backed by some kind of support.

When she saw Yun Jian and Lin Yuan just now, she instinctively assumed both of them to be girls who got into the military school just to seduce the boys. She thought that they were in the military school just for this.

The female teacher hated girls who were without status or influence and had better figures than her as they dressed up in school and showed off in front of the boys. It was a plus that the school rules stated clearly that girls were banned from wearing short skirts.

Leveraging on this point, the female teacher caught Yun Jian and planned to criticize her harshly. She did exactly what she thought, and even reprimanded Lin Yuan who was beside Yun Jian.

It was just a surprise that Yu Shaoluo, Drillmaster Yu, appeared.

Drillmaster Yu was a recognized young and promising instructor in school. He was young and he was capable.

The teacher had wanted to make a fuss out of the issue and talk bad about Yun Jian in front of Drillmaster Yu, so the latter would berate Yun Jian together with her.

It was thus unexpected for the teacher that Yu Shaoluo went up to Yun Jian, patted her shoulder, and said what he did just now.

Team Monarch's Slashing God?!

Team Monarch's Slashing God had already impressed Min City Military School's instructors before she entered the school and had even caused them to fight to get her into their team!

Just a few days ago, she had also emerged first in the military training's outdoor survival activity and was warranted a spot in the elite class with two other girls. It was said that she had even dealt a huge blow

to the ego of Woolim Military School that had always been at odds with Min City Military School on the last day of the outdoor survival activity.

Right now, the name Slashing God was the representation of legend in Min City Military School! The whole school's instructors and teachers were reverent when they heard the name as well!

This female teacher on duty was merely a teacher! She looked incredibly appalled.

Yu Shaoluo did not know what the female teacher had done earlier. Seeing her surprise and hearing her exclamation, he let out a bark of laugh and replied, "Yup, she's the famous Slashing God everyone's talking about in school. What do you think? Surprised? When I met her, I was like you, thinking she's just a helpless little girl but turns out... Hahaha!"

The female teacher flushed red. She was not just skeptical about Yun Jian earlier—she was planning to pick on her!

Despite that, the female teacher was quick to change. Once she heard that Yun Jian was Slashing God, she snapped her head to her and plastered on a grinning face that squeezed all her wrinkles together.

"So this pretty girl is Slashing God! I didn't expect it, haha!"

The female teacher spoke and checked her watch before telling Yun Jian with a smile, "Go to class, the two of you. Our school considers you late at 9am. Hurry up and go on, it wouldn't be great if your homeroom teacher considers you late!"

"So I don't have to write down my name and take a demerit now?" Yun Jian raised a brow and purposely brought up the awkwardness that the female teacher was trying to gloss over.

#### **Chapter 1420: Assigning Dorm Rooms and New Roommates**

Yun Jian was not stupid. Of course she could recognize that the female teacher was picking on her just now. She played along and retorted her directly, putting the teacher in an incredibly awkward spot.

The teacher regretted her plan of picking on Yun Jian, especially when she was in front of Drillmaster Yu who was the youngest, the best looking and the most eligible instructor in school. She was even a little shy as she was only 28 years old and she was single.

To be frank, the teacher wanted to leave a good impression on an excellent man like Drillmaster Yu. It was unexpected that Yun Jian did not enter the school obediently like other students but exposed her directly in front of Drillmaster Yu.

It was apparent that the girl was trying to embarrass her. The teacher clenched her fists inwardly but could only still smile at Yun Jian because the latter was Slashing God.

"Oh, heh, no way. I was just joking with you just now. You're freshmen in the school. It's normal that you don't know about our school rules!"

"Don't do the same mistake again when you're familiar with the school rules next time! It'd be fine if you run into a kind teacher like me in school but if you run into stricter ones... Haha."

The female teacher did not finish her sentence explicitly but what she meant was more or less out there.

Yun Jian felt goosebumps wracking over her just hearing the teacher call herself “a kind teacher”.

“Mn, I really haven’t met a teacher who’d stop someone and insist a demerit just for wearing a short skirt on the first day of school,” Yun Jian stated the awkward reality right in front of the teacher calmly and frankly.

Even Yu Shaoluo cringed.

“Cough! Uh, Yun Jian, I think you both should head to your class first. It’s already 8:43am right now. You’ll be considered late when the clock strikes 9am, right?” he spoke up to alleviate the awkwardness.

“We’re waiting for our friend,” Yun Jian answered calmly and turned to “politely” tell the female teacher, “Thank you for detaining us, miss, but sorry about today that you couldn’t deduct our class points.”

Yun Jian tugged Lin Yuan to the other side to wait for Mu Ying after that.

“Cough... I’ll go have a look.” Yu Shaoluo came up with an excuse as he did not like talking to this female teacher who was nearing 30 years old and wore a pair of stilettos when she was less than 1.55 meters in height.

It was one thing that the teacher was ugly but Yu Shaoluo did not like her character.

“Hey, drillmaster... You...” the teacher was displeased seeing that Yu Shaoluo walked away and shouted at the latter’s back, “Drillmaster, I’m Zhang Ziyao, the homeroom teacher of Sophomore Class (3)...”

Zhang Ziyao had always wanted to find a male instructor who was in the same school to become her boyfriend—it would be the best if they could progress into husband and wife.

Drillmaster Yu was handsome and was around her age, so she could not help thinking further.

...

When Yun Jian and Lin Yuan managed to wait until Mu Ying arrived and the three of them reported to class, they were one minute away from being late. The three of them entered through Freshman Class (2)’s backdoor at the very last minute.

The freshmen had officially started class now but there were only three people in the elite class, so it was impossible to set up the class so soon. For the following month, the school would select freshmen who were decently skilled to study in the elite class with Yun Jian, Lin Yuan, and Mu Ying.

For this month, the three of them would be studying in the classes they were previously assigned to like the other students.

As today was the first day of school, they did not have classes for the whole day. The homeroom teachers assigned them to their dorms instead.

While there were not as many girls as boys in the freshman year, there was quite a number of them. Six people would share a dorm room and Yun Jian was going to her room with her backpack on her shoulders.

Her room was Room 602.
