

## Schoolgirl 1981

### Chapter 1981: mid-autumn Festival Holiday

The mid-autumn Festival was the national holiday. Yun Jian had just packed his things today and walked out of the school gate with Zhu Huili, heading back to his own home.

After Zhu Huili left, Yun Jian reached out to pull his suitcase, but it was taken away by Si Yi. At this moment, Si Yi was holding her small hand and saying what he had just said.

Seeing Si Yi, Yun Jian's smile also rose slightly. She used her small hand to hold Si Yi's big palm and walked towards Si Yi's Lamborghini.

Si Yi placed Yun Jian's suitcase in the narrow backseat of the Lamborghini. After Yun Jian sat in the passenger seat, he started the car and the car sped away like a bolt of lightning.

Si Yi had not seen Yun Jian for a few days since he last came back. Now that he saw her, he loved her dearly.

Si Yi was different from other men. Some people said that if two people were together for a long time, they would get tired. This was especially true for couples who were quite in love before marriage. After being together for a long time after marriage, the man would get tired of the woman.

The tired feeling here was usually after he knew the woman like the back of his hand. When he felt that it was no longer interesting, he would go outside to find something new. This was the so-called cheating.

Si Yi was completely different from that kind of man.

When Yun Jian completely became his woman, Si Yi would not feel tired of Yun Jian. On the contrary, he would be even more inseparable from her.

He wanted to see her all the time, not a minute or a second apart from her.

Very few students would go home on the weekends of university because after all, students came from all over the world. Some even came from outside the province to study at university.

Going home once was a waste of time and money. Therefore, most students chose to go home during the holidays.

For a large-scale holiday like the mid-autumn Festival, most students had to go home for it.

Yun Jian was no exception.

When Yun Jian and Si Yi returned to Longmen city, it was just one o'clock in the afternoon.

Today was already a holiday. Xiao Yun Zhu and her primary school had already been on holiday the day before.

It was such a good time for the holiday. Si Yi brought Yun Jian back to Longmen City. After Eating Qin Yirou's late lunch, everyone packed their luggage and prepared to go on a trip.

During the three days of the mid-autumn Festival, Qin Yirou and GE Junjian had already agreed that everyone would go on a trip together.

The destination of the trip was still the seaside.

On this trip, Lan Su, Qing Yan, Gu Nian, and Yun Yi would all go together. Of course, Adam would also go along with them.

Because Lan Su was bringing her child along, Adam, who was a nanny, naturally had to follow along to serve them.

On the way out, Xiao Yun Zhu, Duan Li, and Duan Ya were all very happy. Along the way, they sang songs that they had learned from school during their outings. They were happy and carefree.

Mo Sen and Xue Ying had already brought Luo Berry and Si Luo back to the dark soul organization, so they naturally could not appear here at this moment.

At that time, Ge Jun had driven his jeep, Garth's Lamborghini, and Adam's sports car. They were just enough for everyone.

At this moment, three cars were heading to the nearest seaside city, Wenzhou.

Zhejiang province, Wenzhou.

Wenzhou was a coastal city, located right next to the sea. Therefore, there were many seaside resorts. Many people near the sea also started doing business related to seaside tourism.

GE Junjian had already booked a hotel before he came. It was a hotel close to the sea. Although the hotel was not particularly high-class, it was not bad either.

Ge Junjian knew Si Yi's character, so he had booked a room for Yun Jian when he booked the hotel.

This instantly made Si Yi's impression of GE Junjian, his father-in-law, rise a lot.

At that time, Yun Jian and the others had already brought Little Yunzhu, Duan Li, Duan Ya, Qing ya, Yun Yi, Gu Nian, and the others to the sea.

Si Yi, with one hand in his pocket, followed Yun Jian.

Qin Yirou and GE Junjian set up a barbecue grill by the beach. They set up a simple parasol and began to barbecue.

Lan Su did not go far with her child. Adam, one of the four leaders of the dark soul organization, helped Qin Yirou and Ge Junjian bring out the barbecue grill and everything else.

Of course, Adam was also happy to carry everything out with Lan Su and his child by his side.

By then, Yun Jian had already taken Duan Liduan Ya's hand and arrived at the temporary changing room by the beach. Qing Yan and Gu Nian also ran in.

Si Yi and Yun Yi grabbed Xiao Yun Zhu and went to the boys' room.

Yun Jian wore a jacket when she came out of the changing room. She knew Si Yi did not want her appearance in a swimsuit to be exposed to the public.

However, even though she put on a coat, Yun Jian's fair and slender legs couldn't be covered by the coat. She was fully presented in front of everyone.

As soon as she walked out of the changing room, Yun Jian felt Si Yi's burning gaze...

When he saw her beautiful figure, Si Yi suddenly remembered the scene of her being pressed under his body. At that moment, there was a physiological reaction somewhere.

### **Chapter 1982: by the sea, I want to fuck you**

Si Yi did not change his swimming trunks, nor did he take off his shirt.

He did not like to expose his upper body to be seen by others.

Whether Si Yi was conservative or stingy.

He did not want to let others see his small notes, and he would not let other women see him, because everything he had belonged to her small notes.

At that time, other than Qin Yirou and GE Junjian, Lan Su, who was carrying the children, and Adam, who was working as a porter, who hadn't changed, the others had already changed into their swimsuits.

Qing glaze had changed into a swimsuit that wasn't very sexy. It was revealing where it should be, and not revealing where it shouldn't be.

The swimsuit Qing glaze was wearing was conservative, but it was also revealing where it should be. It was beautiful and stunning. Qing glaze's swimsuit was the pink color of a young girl.

Gu Nianzhi was wearing a green swimsuit that looked like a one-piece dress. The top and bottom of the swimsuit were connected together, and only her belly button was exposed. She was so beautiful that it was impossible to look away. Just looking at her made people want to grab her and ravage her.

Of course, Si Yi didn't even look at what Qing Yan and Gu Nianzhi were wearing. His eyes were fixated on Yun Jian, and he couldn't bear to take his eyes off her for even a second.

Yun Yi didn't take off his shirt either, but he had changed into a very conservative pair of swimming trunks. He didn't show off his tall and handsome figure compared to two years ago.

"Wow, Sister Jian, I haven't seen you in two years. Your figure is getting better and better. Quick! Let Me Touch it, let me touch it..."

Qing Yan came out of the locker room and saw that Yun Jian was wearing a coat. She walked towards Yun Jian with a wretched look on her face. Her hands were like chicken feet, and she was about to reach out towards Yun Jian like a pig's trotter.

The scariest thing was that Qing Yan was still saying misleading dirty words with a cheeky smile on her face.

Si Yi stared at Yun Jian when he heard Qing Yan's words. His first reaction was Yun Jian's seductive and beautiful figure...

When he thought of this, Si Yi didn't wait for Qing Yan to go over and Touch Yun Jian in a wretched manner. He stuffed little Yun Zhu into Yun Yi's hand and strode forward to grab Yun Jian's little hand before walking to the beach.

Si Yi took the cloud paper away without saying a word, but he gave a sly smile to Qing Yan and everyone present.

Qing Yan, in particular, clapped her hands when she saw Si Yi take the cloud paper away. She put her elbow on Gu Nian's shoulder and said with a smile,

"TSK, I wasn't wrong either. Sister Jian's figure is much better than before. Her breasts, her buttocks... TSK, tsk. If I were a man, I'd want to have sex with her."

As Qing Yan spoke, she gestured a few times in a lewd manner.

Who knew that just as Qing Yan said this, she felt a light tap on the top of her head. Following that, Yun Yi's somewhat serious voice rang out:

"Who do you want to have sex with?"

Qing Yan turned her head and looked up. She saw Yun Yi's pair of deep eyes looking at her with an inquisitive gaze. She could not help but swallow her saliva.

"I . . . I . . ." Qing Yan rolled her eyes. She didn't know how to answer him.

"Ahem! I'll take Xiaozhu and the other two to the beach to wash their feet! You guys have fun!" Gu Nianzhi slapped Qing Yan's hand away from her shoulder and pulled Xiaozhu and the other two to the beach.

However, Gu Nianzhi hadn't gone far when she suddenly heard Qing Yan's startled voice from behind her. Gu Nianzhi twisted her leg and almost fell to the ground in a frog-like position.

Qing Yan, who had been standing where she was, suddenly became nervous. Seeing that Gu Nianzhi was about to slip away again, she looked at Yun Yi, her eyes darting around, her mouth pouting, and her heart racing. She blurted out what she couldn't control herself and couldn't retract her words:

"I... I want to fuck you!"

### **Chapter 1983: carrying her, no one went anywhere**

Qing glaze was flustered by Yun Yi's stare, so she opened and closed her mouth, casually throwing out these words.

The moment she said these words, even Qing glaze herself didn't realize what she had said in a moment of panic.

By the time she realized it, Qing glaze even wanted to die.

What kind of rotten mouth was she talking about? ! What kind of misleading words was she saying? !

Qing glaze lowered her head, not daring to look at Yun Yi.

Gu Nian, who was already far away, had been dragging Xiao Yunzhu and the other two to the beach to wash her feet. When she heard Qing glaze's words, her feet slipped, and she was so frightened that she threw herself forward.

Feeling that she was about to fall to the ground in a pathetic frog-like position, Gu Nian hurriedly released her grip on Xiao Yunzhu and the other two to prevent Xiao Yunzhu and the other two from tripping over her.

However, just as Gu Nianzhi's body fell to the ground in a flustered manner, Xiao Yunzhu and Duan Li and Duan ya worked together to hold Gu Nianzhi's hand and help Gu Nianzhi stabilize herself.

"Cough, cough, cough!"

Although Gu Nianzhi called herself a matchmaker, she had never had a man before. Upon hearing Qingyan's words, Gu Nianzhi's face turned as red as a monkey's buttocks. She coughed twice and then pulled Xiao Yunzhu and the others along as they stepped on the beach and ran quickly towards the beach.

She hadn't heard anything!

At that moment, Qing Yan had already realized Gu Nianzhi's reaction. Seeing that Gu Nianzhi had heard what she had said, Qing Yan's face really turned red.

"You said it yourself." Yun Yi stretched out his hand. He placed his large palm on Qing Yan's head and gently rubbed it, his lips curling into a devilish smile.

Green glaze suddenly felt as if he had been tricked.

"I, I'll go play with Gu Nian." Green glaze said as he tried to break free from Yun Yi and sneak away.

"Stay with me." Before green glaze could escape, Yun Yi grabbed her hand.

Green glaze was indeed powerful, but in terms of skills, green glaze was not outstanding. However, green glaze, known as the poison lady, could poison anyone without being noticed.

This was green glaze's ability.

However, Yun Yi had been training his skills every day for the past two years. Yun Yi's talent was very good. Up until now, Yun Yi's strength was already above green glaze's.

Green Glaze's use of poison was indeed powerful. Even a top international figure could be imperceptibly poisoned by green glaze.

However, green glaze and Yun Yi had been dating for two years. At this moment, Yun Yi knew green glaze like the back of his hand. He even knew what she wanted to do in the next second.

Therefore, even if Qing Yan poisoned Yun Yi, it would not have any effect.

Because before Qing Yan made a move, Yun Yi had already deciphered her move.

Qing Yan blinked her eyes. Obviously, she had not recovered from the awkward situation just now.

But when she thought about it, she did not say anything wrong. She was his girlfriend, so it was not wrong for her to want to sleep with him.

If Yun Yi heard this, he would probably take Qing Yan back to the hotel every minute and second...

...

On the other side, Si Yi pulled the cloud paper and went straight to the edge of the sea.

There were usually rocks near the beach, not far or near, and the rocks were distributed in an orderly manner. Generally, if one wanted to walk into the rock area, there would be very little sand on the beach.

That Foot would directly step on the rocks.

And generally, if one looked at the rock area from the beach, one would not be able to see the opposite side of the rocks, because many huge rocks would cover the rocks behind.

In addition to the hot summer days, the rocks were burned by the scorching sun. If one stepped on the rocks, they would feel as if they were stepping into a fire pit.

Although it wasn't the hottest noon now, it was only three o'clock in the afternoon. Although the sunlight was much weaker than in the afternoon, it was still the time when the sun was high in the sky.

At this moment, no one walked to the rocky area near the beach.

Si Yi pulled the cloud paper and walked to the rocky area. He stepped on the rock, and the hot temperature on the rock made his eyes move slightly.

In the next second, he seemed to feel sorry for the cloud paper. If he stepped on the rock, he would be burned by the hot rock.

Si Yi bent down slightly and picked up the cloud paper horizontally. He did not care that he would be burned if he stepped on the hot rock and walked to the rocky area where no one was around...

#### **Chapter 1984: Beach Rocks**

"Where are you taking me?" Cloud Jian see Si Yi da horizontal pick up their own, stepping on the rocks to the rock area, she stretched out a hand around his neck, like a little bird like a little woman, asked.

"Close your eyes." Si Yi thin lips move, at this moment he is close to the ear of cloud paper, very light opened his mouth to say so a sentence.

Hearing Si Yi's words, Yun Jian felt a momentary numbness. Her body trembled slightly from this numbness. Then, she switched hands to hug him. She closed her eyes and allowed him to carry her.

To be honest, this was the first time Yun Jian was carried by a princess like this. She couldn't help but have a trace of anticipation in her heart.

Where would he take her?

...

By the beach, the Barbecue Grill and the parasol were already in place. Qin Yirou was currently skewers.

The children wanted to come to the beach to play, so she and Ge Junjian brought the children to the beach.

At this moment, besides GE Junjian and Qin Yirou, Adam and Lan Su were also sitting in the parasol by the beach.

Lan Su was carrying the child. Sometimes, the child was particularly noisy. His pair of uncontrollable little feet kept kicking around. The child's body was soft. Sometimes, Lan Su had to constantly move the position of hugging the child.

There were skills in carrying the child. Some people carried the child as if they were grabbing a chicken. The child was also very uncomfortable being carried.

Lan Su's position of carrying the child was taught by Qin Yiruo. However, the child was especially noisy these two days. He kept moving around.

At this moment, he was nestled in Lan Su's arms and kept kicking around.

Lan Su carried the child. Although the child was already more than a year old, she still felt that she was not used to taking care of the child.

"I'll carry this brat. You Rest for a while." Adam finished moving the barbecue utensils and came over to take the mischievous Zhou yiran from Lan Su's arms.

Zhou Yiran was the name of the child of Adam and Lan Su. He was already more than a year old this year, but he was fair and chubby.

Adam wanted to take the child from Lan Su's arms, but Zhou Yiran held onto the corner of Lan Su's clothes with all his might, refusing to let his father carry him.

Adam saw that his child was grabbing onto the corner of Lan Su's clothes under her chest, and he suddenly felt a wave of jealousy.

When he thought about how this little rascal had actually grown up eating his wife's milk, Adam could not bear to do it. He pulled away the little fellow's hand that was grabbing onto the corner of Lan Su's clothes, refusing to let go, he forcefully carried the little fellow who was crying in an instant from Lan Su's arms.

"Be careful, you'll hurt him." When Lan Su saw this, her heart became anxious.

"It's him," Adam said with jealousy.

If this little guy wasn't his son, Adam would have been thrown to the ground by now.

“How can you treat Yi ran like this? Don’t hold the child anymore, give the child back to me.” Lan Su felt her heart ache when she saw this. She reached out her hand and wanted to take the child back from Adam.

“If you don’t want me to treat him like this, you have to promise me something.” Adam patted the little guy’s butt lightly and suddenly said this.

At this moment, Qin Yirou and GE Junjian were happily standing together and talking. They were putting the skewers together, so they didn’t notice Adam and Lan Su.

While Qin Yirou and Ge Junjian weren’t paying attention, Adam suddenly stuck his head close to Lan Su’s ear and said softly, “Feed me the milk that you fed this brat tonight. I Won’t treat him like this...”

Lan Su’s face instantly turned red when she heard that.

...

Yun Jian and Si Yi didn’t know what was happening here. At this moment, Si Yi had already walked into the rocky area with the cloud tablet in his arms.

No one walked to the edge of the rocky area. Once they walked into the rocky area, even if there were people wandering around on a yacht, they wouldn’t be able to see the blind spots behind the large rocks in the rocky area.

Si Yi carried the cloud tablet and went directly to the blind spots around the rock area that were covered by rocks. There was no one around. He pressed the cloud tablet on a large rock and gently bit the cloud tablet’s ear:

“Little tablet, you can open your eyes now.”

The moment the cloud tablet opened its eyes, it felt si yi pressing it against a rock in an embarrassing position and lifting its beautiful legs.

After staying in the divine spring with Si Yi for two years, how could yun Jian not know what Si Yi was thinking at this moment? She pushed Si Yi. “What are you doing? Someone will come here at any time...”

However, she felt si yi turning her over. He was one step ahead of her and was already busy. “I saw that there was no one around. Don’t you want the Little Jian...”

As he spoke, Si Yi...

## **Chapter 1985: Red Marks**

It was a sunny afternoon. In broad daylight, in the blind spot of the rock, where no one could see, Si Yi did something shameful to yun jian.

When Si Yi did that to Yun Jian, neither of them took off their tops.

Because they were outdoors and near the beach, Yun Jian didn't dare to scream. She could only hold onto Si Yi's clothes tightly and let Si Yi do whatever he wanted to her.

It had to be said that Si Yi had become more and more daring since he started eating meat two years ago. Now, he actually dared to directly pull her to the beach...

In the end, Si Yi could not control himself and the Yun Jian hurriedly pushed him. "Don't... you'll get pregnant..."

It was too late, it was already over.

During the two years he stayed in the divine spring, Si Yi had been doing shameful things to her.

But at this moment, the forbidden fruit that the two of them had stolen could not be restrained.

"If you're pregnant, then give birth to it," Si Yi said after helping Yun Jian to tidy up his clothes. He hugged Yun Jian's red face and did not dare to look at his Yun Jian anymore.

Yun Jian had indeed enjoyed it just now. Although it was very, very shameful, the leader had always been Si Yi. He was the one who wanted to do this.

When he thought of this, the little sense of shame in Yun Jian's heart disappeared.

He gave Si Yi a push and Yun Jian said, "My legs are weak."

"I'll carry you back." As he said this, Si Yi wanted to carry Yun Jian horizontally.

"Don't go back now." Yun Jian pushed Si Yi a few times.

He had just done such a shameful thing, and it was done in the rock field near the beach. Yun Jian didn't dare to see Qin Yirou and the others at this moment.

He was afraid that people would notice that he and Si Yi had done such a shameful thing.

"Little Jian, are you shy?" Si Yi pulled the remaining hair of Yun Jian, curled his lips, and whispered in her ear.

Si Yi saw that after Yun Jian heard what he said, his earlobe became ruddy again.

Seeing this, his smile became even more obvious.

That's right, Adam already had a child, how could he fall behind?

Now that his Little Jian was an adult, Si Yi did it on purpose.

Because only in this way would his little Jian be pregnant with his child.

Then, he would give birth.

...

Poor Yun Jian didn't know Si Yi's bad thoughts. At that time, Qin Yirou and GE Junjian had already started a charcoal fire in the barbecue grill and placed the skewers on the grill.

The skewers they brought this time included lamb skewers, sausages, chicken wings, tofu, and green beans. GE Junjian placed the skewers on the grill and smeared a layer of oil on them.

The sound of the skewers being smeared with oil rang out. Then, a wisp of green smoke floated up, carrying with it a fragrant smell that belonged to a barbecue.

“Fragrant, fragrant, fragrant...” Zhou Yiran, who smelled this smell, began to clap his hands and feet alternately, saying words that were not quite accurate.

Zhou Yiran could now say some simple words. He could also call his parents.

The little guy was already more than a year old. He could eat some food that was slightly more chewy. However, his source of food was still milk. When he did not have milk, he would drink the milk powder that was soaked.

“Kebab kebab, the first one is for Little Yiran to eat. Little Yiran has to be obedient.” Qin Yiruo smiled at the little guy and said to the little guy in a way that coaxed the child.

The Little Guy didn’t know if he understood what Qin Yirou said, but he suddenly grinned, and his hands and feet started to drum even harder.

Yun Jian and Si Yi had just returned when the skewers were almost done.

Gu Nianzhi had also returned with Yun Zhusan.

Yun Yi had brought Qing Yan to an unknown place, and when he returned, Qing Yan was very happy.

Yun Jian’s legs were weak.

“Sister Jian, where did you guys go just now? We couldn’t find you!” Qing Yan skipped over and asked Yun Jian.

When Yun Jian was asked where they went, his face instantly turned red.

Qing Yan didn’t notice anything wrong either.

Suddenly, Qing Yan saw Yun Jian’s originally fair and beautiful legs were red, as if they were left behind by a heavy weight for a long time.

Qing Yan didn’t know that the red marks had been pressed down by Si Yi.

At that time, Qing Yan didn’t think much about it. She looked at Yun Jian’s legs and asked,

“Ah, sister Jian, why is the side of your legs so Red? Did you get stabbed by something in the sea when you went swimming?”

#### **Chapter 1986: was about to leave for the small island of Mount Zhou**

Yun Jian’s first reaction when she heard Qing Yan’s words was to close her thighs and pull the short coat she was wearing towards her thighs.

Although it could not cover her thighs, pulling them down by two points was better than just now.

At that time, Yun Jian's face was so ruddy that words could not describe it.

"Eh, Sister Jian, why are you blushing?" Qing Yan did not know what she had just discovered. She turned her head to look at Yun Jian and asked suspiciously.

"It should be an allergy. It's fine." Yun Jian lied with her eyes wide open.

Yun Jian was not as thick-skinned as Si Yi, and lying was definitely not as smooth as Si Yi.

It had to be mentioned that Si Yi was really a veteran of lying.

"How can you be allergic? Sister Jian, do you want to go to the hospital to have a look?" Qing Yan looked at Yun Jian worriedly and asked.

If they went to the hospital, wouldn't it be seen that she and Si Yi had secretly eaten the forbidden fruit?

"No need, it's fine." Yun Jian quickly refused. As she spoke, she was still in the dark. Qing Yan, Yun Yi, Gu Nian, and little Yun Zhu secretly pinched Si Yi in places that they could not see.

Si Yi looked at Yun Jian and smiled without saying a word.

His little piece of paper was really getting cuter and cuter.

So cuter that he wanted to press his little piece of paper under his body every day...

Yun Jian did not know that Si Yi was thinking about such a shameful thing again. She only lightly pinched Si Yi and could not bear to pinch him too hard.

"The barbecue is already cooked! It's going to burn soon. You guys should come over and eat!" Qin Yirou waved at Yun Jian, Si Yi, and the others from afar.

Seeing this, the marks on Yun Jian's legs were finally put aside for the time being.

Yun Jian and the others had just returned to their umbrellas when Qin Yirou placed the skewers into the prepared bowls and plates and handed them to Yun Jian and the others.

The little guy from the Lan Su family had already started eating the skewers.

Of course, Lan Su didn't dare to give the little guy too much. The skewers that she gave the little guy didn't add any seasonings, and they were only given to the little guy after they were mashed into porridge.

The mashing project was naturally done by the father, Adam.

The Little Guy's appearance made Adam both happy and depressed.

The happy part was naturally that he and Lan Su had their own children.

And the most important point was that he had children earlier than the young master, Ling Wei, Mo Sen, and Xue Ying!

Hey, there was finally a first place!

His sperm was stronger than theirs!

If Si Yi heard this, he would probably send Adam into space with a rocket.

Qin Yirou's barbecue was really delicious. Yun Jian ate more than 20 skewers in one go.

Everyone ate with Relish.

"Tomorrow We'll go to Shanghai Island to play. Tonight, we'll play around here for a while. Tomorrow, we'll return the hotel. After we take the ship to Zhoushan Island opposite, we'll find a hotel to stay at Zhoushan Island."

Ge Junjian told them his brief arrangements as he ate.

Everyone expressed that they had no objections.

In modern Chinese, an island was a small piece of land surrounded by seawater.

Therefore, if one wanted to go to an island, they had to take a ship. If one wanted to take a ship, they had to go to the dock. As there were more tourists going out for the mid-autumn Festival, they had to buy tickets in advance. Otherwise, they would not be able to take the extra seats on the ship.

The island that everyone wanted to go to was called Zhou Shan Island. Zhou Shan Island was the largest island among the many islands nearby. It was also the largest island in Country Z.

Whether it was the beaches or the scenery, Zhou Shan Island was one of the best. It was a national-level tourist attraction.

Since he had come to Wenzhou, he had never been to Zhou Shan Island. It could be said that he had never been there.

GE Junjian had already bought a ticket from the dock to Zhoushan Island the moment he arrived in Wenzhou. It would be at seven o'clock the next morning.

And the tour would not end after eating barbecue.

The mid-autumn Festival tour would only officially begin the next morning.

### **Chapter 1987: GE Junjian**

They stayed from three in the afternoon until six in the evening. The Sun in the west was already setting. The orange afterglow reflected on the slowly floating clouds, leaving a scene of the sunset.

After enjoying the afterglow, they went back home.

They had just arrived in Wenzhou from Longmen City and played for about three hours in the afternoon. They even had a barbecue, so everyone was a little tired.

Just as they were about to go back, GE Junjian received a phone call.

"What? Old Liang, why did you come to Wenzhou too? Haha, Okay, okay. We are at the OASIS Hotel. You can go there directly after you arrive here. Oh, okay, okay, okay. Then I'll see you later, Haha!"

GE Junjian looked at the person on the other end of the phone and was surprised and happy. After saying that, he hung up the phone.

Because he did not turn on the speakerphone, he could only hear Ge Junjian's surprised and happy voice.

It was not until GE Junjian hung up the phone that Qin Yirou looked sideways at GE Junjian and asked, "Whose phone is it?"

GE Junjian and Qin Yirou were now more and more old married couples. Even the tone of their conversation was that of an old married couple.

After GE Junjian hung up the phone, he smiled and explained to Qin Yirou,

"It's old Liang calling. His unit is also on holiday for the mid-autumn Festival. When he heard that we were taking our children out for a vacation, he also came over. He said that he would come with us to Zhoushan Island to have fun. After all, this is a rare opportunity."

GE Junjian explained it once. After Qin Yirou heard it, she responded and nodded.

Old Liang was GE Junjian's childhood friend. They had known each other since they were young. Later on, although their professions were different, they had always kept in touch.

Old Liang was the director of a high-level company. He was now in a high position and had been very busy in recent years. He couldn't even spare time for holidays, let alone meet GE Junjian.

This year's mid-autumn Festival, Old Liang was actually on holiday, which surprised and delighted GE Junjian.

And apparently, Qin Yirou also knew who old Liang was.

At that time, Yun Jian and Si Yi also helped to pack up all the barbecue appliances, put the barbecue grill and other things back into the car, and the group drove back to Oasis Hotel.

Because his childhood friend, Old Liang, had already rushed to the oasis hotel with his family, GE Junjian was very excited.

How long had it been since he last saw Old Liang?

After they had their own families, it had been almost a few years since they last saw each other!

As soon as they returned to the oasis hotel, Yun Jian saw a middle-aged man who was about the same age as GE Junjian standing in front of the Oasis Hotel.

Next to the middle-aged man stood a graceful and elegant lady. The lady was holding onto a young lady who was about the same age as Yun Jian.

Before Yun Jian and GE Junjian could walk over, the young lady who was about the same age as Yun Jian looked around with disdain. She waved her hand to dispel the summer heat beside her ear and said to the middle-aged man,

“Dad! Why did you come to such a godforsaken place for a vacation? ! It’s So Hot! You can just find your own friends to come by yourself. Why did you have to make me and mom come as well? ! HMPH, I don’t care. I’ve already asked Yu to accompany me! He’ll be here soon!”

“You! Hey, I say, you, you, you’ve grown up and you don’t have any peace of mind! I’ve already said that Jin Yu, that kid, isn’t suitable to be your boyfriend, and even more so, he’s not suitable to be your future husband. Why didn’t you listen to me? !”

When the middle-aged man heard his daughter’s words, he was furious and clenched his fists.

“What are you doing? ! You still want to hit our daughter? I think Jin Yu is an upright person and not bad. The most important thing is that our daughter likes him! Our daughter is rich and beautiful! She has all kinds of men!”

When the lady saw that her husband wanted to hit her daughter, she quickly stood in front of her daughter and glared at the middle-aged man.

“Old Liang!” At this moment, GE Junjian had already brought Yun Jian and the others and rushed to where the middle-aged man was.

The middle-aged man had a look on his face as if he was holding his forehead. He had a headache over his doted daughter and his wife who looked like they were protecting their daughter. However, when he heard GE Junjian’s voice, the middle-aged man turned around.

“Old Ge!” The middle-aged man no longer hesitated. He walked over in front of everyone and hugged his buddy GE Junjian, whom he had not seen for a long time.

### **Chapter 1988: Yun Jian wanted to do bad things secretly**

Old Liang was the middle-aged man just now.

And the noblewoman standing next to Old Liang was Old Liang’s wife, Yu Yuan.

Yu Yuan was born into a noble family, and was a match for Old Liang, who was originally from a wealthy family.

In fact, it was not entirely true. Old Liang’s family was the same as GE Junjian, who was born into a wealthy family. Old Liang and Ge Junjian were both from a wealthy family, so their marriage was not up to them.

It was just that GE Junjian’s ex-wife had run away with a man, so the marriage was annulled. Old Liang was a corporate executive, and Old Liang’s wife, Yu Yuan, was also forced on him by his parents.

Yu Yuan was a perverse troublemaker, and was not liked by Old Liang.

Old Liang and Yu Yuan also had a daughter named Liang Xiumin. Liang Xiumin was the daughter who did not listen to Old Liang just now.

Her father didn’t agree, so Liang Xiu Min had a social boyfriend. This time, Old Liang forced her to come to Wenzhou to play. Liang Xiu Min was reluctant and even called her social boyfriend over.

And he was almost here.

Old Liang knew Ge Junjian was coming out to play. Coincidentally, his company was on vacation, so he also came over.

At this time, he saw his old friend Ge Junjian, whom he hadn't seen for a long time. Old Liang forgot that he had a headache about his daughter just now. He walked over and hugged GE Junjian.

Because there were too many things to do, Old Liang could not leave Ge Junjian's second marriage. For this, Old Liang was already somewhat apologetic.

Now that he saw Qin Yirou, Old Liang even said apologetically to her, "Sister-in-law, I could not make it to the scene of your wedding last time. Please forgive me."

Old Liang had not arrived, but the gifts had not been left behind. Qin Yirou naturally remembered. She could naturally recognize who was good and who was bad.

Thus, Qin Yirou also said a few polite words.

Other than Yu Yuan and Liang Xiumin who did not speak to Qin Yirou or GE Junjian, Old Liang was very friendly.

In the end, Old Liang forced his daughter Liang Xiumin to be introduced to Junjian, but at that time, Liang Xiumin had a quarrel with her father, so no one wanted to talk to her.

It was not until Liang Xiumin's boyfriend, Jin Yu, arrived that Liang Xiumin opened her mouth, and her bad mood was somewhat better.

Liang Xiu Min's boyfriend, Jin Yu, was dressed very socially. In this era, ragged pants were not popular, and boys or girls wearing ragged pants would give people the impression of a hooligan.

At this moment, Jin Yu was wearing a pair of ragged pants. He walked over from afar with a particularly high-spirited air.

There were a few boys and girls next to Jin Yu. They were dressed similarly to Jin Yu, and it was obvious that they were part of society.

When Liang Xiu Min saw Jin Yu, she was still smiling. When she saw the young men and women following Jin Yu, her face darkened again. "My dad was unhappy when he found out that you came. Why did you bring someone else?"

Jin Yu was not bad-looking, but she was definitely a gigolo.

"Didn't everyone want to come and play together? I brought them here. When we came, we had already spent all our money on the train tickets. Xiu Min, the money we will spend next will all depend on you."

Jin Yu was secretly deceiving Liang Xiu Min.

As she spoke, Jin Yu approached Liang Xiu min and added ambiguously, "I love you, so you called me over. I have no money on hand, so I came over. Alright, don't be angry."

...

Yun Jian heard what Jin Yu and Liang Xiu Min were secretly saying.

It was obvious that Jin Yu was deceiving Liang Xiu Min.

After all, the Liang family was wealthy and had a lot of money.

But what did this have to do with her Yun Jian?

While Liang Xiu Min and Jin Yu were talking, Yun Jian had already returned to the hotel with Si Yi, Qing Yan, and the others.

At eight o'clock in the evening, Qing Yan came to invite Yun Jian. "Sister Jian, there's a casino on the second floor of this hotel. Should we go and play a few rounds?"

Si Yi and Yun Yi were called by GE Junjian to accompany him and Old Liang to play chess.

Si Yi naturally agreed to his future father-in-law's invitation.

Oasis hotel was a national green AAAA hotel. The hotel's facilities were very high-end, with hot springs, massage facilities, and other facilities.

There was also a chess room.

Yun Jian thought of what Si Yi had done to her in the afternoon, so she nodded and agreed to Qingyan's invitation.

The mysterious person had not been removed. Right now, she had hidden safety risks at all times. It was best if she could not get pregnant at this time. This did not mean that Yun Jian did not want to give birth to Si Yi's child.

Therefore, while Si Yi was not around, Yun Zhi planned to go to the pharmacy downstairs to buy an emergency morning-after pill.

Of course, Yun Zhi did not dare to let Si Yi know that she was going to buy this pill.

In the past two months, her period had been very irregular. Yun Zhi was afraid that if she really got pregnant, she would not be able to fight against the mysterious person. She would even become a burden to Si Yi.

At that time, Yun Zhi did not think about what would happen if Si Yi found out that she bought an emergency morning-after pill...

### **Chapter 1989: said that Yun Jian was from the underworld**

"Okay." Yun Jian agreed to Qing glaze's invitation.

Later, he would take the opportunity to go to the casino and buy emergency contraception from the pharmacy downstairs. Then, he would secretly take it. Everyone knew that.

Qing glaze actually took advantage of Yun Yi's absence, so she came to invite Yun Jian to the casino to gamble.

Yun Jian was known as the 'goddess of gambling' by the group of old men with the best gambling skills in international gambling!

Yun Jian had once gambled wildly in the world's famous Feng Yun Casino for one night, gambling away a month's worth of Feng Yun Casino's earnings of one billion US dollars!

His gambling skills were astonishing!

That was why Qing Yan had come to invite Yun Jian, intending to let Yun Jian bring her, a poor man who did not have very good gambling skills, for a big round of gambling!

The two of them had just come out of the room and went down to the second floor of the hotel when they unexpectedly bumped into Liang Xiu Min, Jin Yu, and the others.

Liang Xiu Min pursed her lips and reluctantly followed Jin Yu and the others to the casino.

"Don't worry, what's there to be afraid of in the casino? I'm protecting you! Moreover, we don't gamble much, so our chances of winning are very high. Moreover, even if we lose, it won't cost us much money. Xiu Min, your family is so rich, you won't care about such a small amount of money, right...?" "...". "..."

Jin Yu was still trying to lure Liang Xiu Min. Just as he said this, Jin Yu saw Yun Jian and Qing glaze.

Jin Yu instantly stopped what he had just said.

From what Jin Yu said to Liang Xiu Min the moment he appeared, and from the various phenomena that followed, it could be seen that Jin Yu was a gigolo.

Liang Xiu Min's father, Old Liang, was the manager of a high-rise company, and was very rich.

From the very beginning, Jin Yu had taken a fancy to Liang Xiu Min's family's money. Although Liang Xiu Min wasn't particularly good-looking, she was still barely able to bite down on it.

For the sake of money, Jin Yu had approached the appearance of a young miss. She seemed to be high and mighty, but in fact, she was completely unguarded. Liang Xiu Min was quite easy to deceive.

It was a coincidence that they met Yun Jian at the hotel's casino's main entrance. It also made Jin Yu shut her mouth to deceive Liang Xiu Min.

She had already seen Yun Jian at the entrance. It had to be said that Yun Jian's appearance was too attractive. Jin Yu was attracted at a glance.

At this moment, seeing that Yun Jian was actually going to the casino, Jin Yu put down her gold mine, Liang Xiu Min, and hurriedly waved at Yun Jian:

"Hey Hey, we just met at the entrance. You Are Xiu Min's father's friend's daughter, right? Why did a girl like you come to the casino? Don't tell me you know how to play gambling?"

As she spoke, Jin Yu even brushed her short black hair.

This was a trick that Jin Yu used to flirt with girls.

There were very few girls who were not seduced by Jin Yu.

To be honest, Jin Yu was not bad-looking. She was fair and clean, and her bones exuded a youthful aura.

She was the type that many young girls liked and pursued.

But this type was completely unattractive to Yun Jian.

Yun Jian ignored her and walked towards the casino with Qing Yan.

“Hey, why is she ignoring me?” When Liang Xiu Min saw this, she wanted to stop Yun Jian.

“Forget it, forget it. She should be the type that is more noble.” Jin Yu stared at Yun Jian as he walked into the casino and stopped Liang Xiu Min.

The few friends of Jin Yu who were standing beside Jin Yu were all hooligans like Jin Yu.

One of the girls, Tong Liwei, saw the way Yun Jian turned around and walked into the casino without paying attention to Jin Yu. She instantly thought of a tall and handsome figure.

When she saw Si Yi holding onto Yun Jian’s small hand at the entrance, she was so envious of Tong Liwei.

She also wanted to have such a handsome and outstanding boyfriend.

Therefore, at that moment, she had an impulse to snatch Si Yi away from Yun Jian.

Tong Liwei had always been a person who would take action after thinking about it. Now that she saw the cloud note enter the casino, she could not help but complain in front of everyone:

“This woman is probably from the underworld. To be able to enter such a place, it’s obvious that she’s an indecent person.”

The handsome man did not follow her, which meant that the cloud note was stolen.

With that thought, Tong Liwei instantly had the thought of catching the cloud note for doing something bad and letting Si Yi see its true colors.

In this way, Si Yi probably wouldn’t like the cloud note anymore. When Si Yi was stimulated after the breakup, she would comfort him.

After all, young boys and girls would be hurt after breaking up, and they would suffer for a long time!

Then wouldn’t her appointment be just around the corner?

Tong Liwei curled her lips, feeling smug for this thought of hers.

### **Chapter 1990: The Strongest Gambler, BET with me**

Yun Jian didn’t know what Tong Liwei and Jin Yu were thinking, nor was he interested. By then, Yun Jian had already walked into the casino on the second floor of the Oasis Hotel.

The casino on the second floor of the Oasis Hotel wasn't big, but it wasn't small either. As soon as Yun Jian walked in, he smelled a strong cigarette smell mixed with a stench, which was extremely unpleasant.

There were no guards at the entrance of the casino, so Yun Jian and Qing glaze easily walked in.

Yun Jian was beautiful, exquisite, and a little playful. At that time, Yun Jian was already 18 years old, and he was slim and graceful. His plump buttocks were just right, giving men a sense of conquest from afar.

Yun Jian still had a high ponytail. Looking from afar, he gave people the illusion that he was full of energy and so beautiful that they couldn't take their eyes off him.

Therefore, after Yun Jian walked into the casino, there were a few middle-aged men or bald men who were sitting up straight and counting cards with their legs crossed. When they saw Yun Jian, they straightened their backs.

Where did this woman come from! She was actually so beautiful! She was like a movie star! She had delicate skin and tender flesh!

However, when the surrounding men looked at the cloud note, they only took a few more glances at it. They didn't have any other thoughts.

Liang Xiumin, Jin Yu, and Tong Liwei followed closely from behind and entered the main entrance.

Liang Xiumin and the others who entered later saw the cloud note and green glaze walking toward the casino's manager.

"What is she doing? Does she know the manager here?" Tong Liwei, who had the intention to target the cloud note and find the flaws in it so that Si Yi could recognize the original appearance of a person like the cloud note, blinked her eyes when she saw this.

Tong Liwei secretly cursed in her heart. Humph, this woman is really a hooligan! How does she deserve the love of such a handsome man?

Such a handsome man should belong to her, Tong Liwei!

Tong Liwei felt that there was something wrong with the cloud note when she saw it walking toward the person-in-charge of the casino.

Tong Liwei even thought that the cloud note couldn't be the secret mistress of the person-in-charge of the casino, right?

Everyone could see that the casino's manager was a fatty who was less than 1.68 meters tall and weighed about 200 kilograms. The fat on his body could be rolled up into a pile.

Just looking at it was enough to spoil one's appetite.

Thinking that Yun Jian could be the mistress of such a person, Tong Liwei was so excited that she wanted to find si yi immediately so that Si Yi could see the real face of Yun Jian.

"Hey, Hey, what are you going to do!" When Jin Yu saw Yun Jian actually walking towards the casino's manager, he quickly rushed up to block in front of Yun Jian.

Then, he looked around and said softly to Yun Jian,

“You’re just a little girl, what are you doing here? This kind of place is usually protected by big shots who are involved in the underworld. Those are people from the underworld! Can you afford to offend them? Hurry up and leave, don’t hurt yourself when the time comes!”

Jin Yu’s words sounded like he was thinking for the sake of Yun Jian, but in reality, he was also thinking for the sake of Yun Jian.

However, Jin Yu was not thinking for the sake of Yun Jian. He was doing it for a purpose.

He was doing it to get Yun Jian’s good impression of him.

It was also because of Jin Yu’s flirtatious methods that many girls liked him. Everyone thought that Jin Yu was a good man.

But today, Jin Yu flirted with the wrong person. The person he flirted with was Yun Jian.

“Get out of the way.” Yun Jian didn’t even give Jin Yu a look.

“I’m doing this for your own good...” just as Jin Yu said this, Yun Jian bypassed Jin Yu and continued to walk towards the casino manager.

Because of the green glaze blocking him, Jin Yu couldn’t go around Yun Jian anymore.

“What does she mean? Aren’t we doing this for her own good?” Although Liang Xiu Min didn’t pay attention to Yun Jian at the beginning.., she had a Missy’s temper, but at the critical moment, she was still a good person, although the tone of her voice made people easily misunderstand.

Liang Xiumin really wanted to turn around and call her father or GE Junjian to stop the cloud note, for fear that the cloud note would do something that couldn’t be undone.

Tong Liwei, who was beside her, didn’t think it was good to brainwash Liang Xiumin with the cloud note. “I think she definitely knows the person in charge of this casino. Perhaps, she’s the woman lying under the casino’s person in charge...”

Tong Liwei had just finished speaking when everyone suddenly saw the person in charge of the casino stand in front of the person in charge of the casino. His cold eyes moved, and his arrogant and arrogant voice rang out in front of everyone:

“You’re the person in charge here? If you don’t want to Lose Your Casino in the next ten minutes, then let the person with the best gambling skills in your casino come out and gamble with me!”
