

Schoolgirl 2031

Chapter 2031: the boss of the Wolf of Fortune Gang, Song Fan

Miao li heaved a sigh of relief when Yun Jian agreed to participate.

This was an invitation that she had never received before. The underground gang had actually sent an invitation to the students of Jiangcheng University of Electronics and technology, as well as some students of Oriental University.

Of course, Yun Jian did not know that this was not a coincidence.

But Yun Jian could guess most of it.

However, she had never been afraid of a situation like this!

...

That night, Jiang City University of electronic technology, downstairs of the female dormitory.

Miao Li stood behind a big tree and looked into the eyes of a man.

This man was none other than the campus belle of Eastern University, Song Yu.

At the same time, Song Yu had another identity, and that was the son of the boss of Jiang City's underground gang!

"Have you done what I asked you to do?" Song Yu asked Miao Li, who was three meters away from him.

"She has already accepted the invitation and said that she will come." Miao li swallowed her saliva and nodded.

"That's good! I Won't be able to avoid your benefits later!" Song Yu nodded. Then, he looked around and quickly left the place.

...

November 8th, 2002.

On this day, which was also the date of the invitation letter, Song Yu was going to attend.

At 6 pm.

Yun Jian did not put on any makeup. She went out without any makeup and wore ordinary clothes, but it still could not hide her beautiful face and her golden-proportioned figure.

Miao Li and Xi Xiujuan worked for another two hours or so before they walked out of the dorm with their gorgeous outfits.

At that time, Yun Jian and Zhu Huili had already walked out of the school and were about to hail a taxi to the designated location.

Before they could hail a taxi, they were stopped by someone. “Yun Jian, what a coincidence. Shall We Go Together?”

Yun Jian and Zhu Huili turned around and saw brother Kai leading a group of people from the last time they were in the big private room of the bar. They walked over in a grand manner.

Brother Kai was not a bad person. Yun Jian did not like the others, but they still went with him.

When they arrived at their destination, they were halfway up a mountain range. The flat ground halfway up the mountain was set up as if it was the venue of the evening party.

The venue of the evening party held by the gang was open-air.

However, under the neon lights and strong lights, the flat ground halfway up the mountain range did not seem down and out.

On the contrary, it gave people the feeling that it was as bright and beautiful as the day.

Here, Yun Jian ran into Mo Bufan and the others from the martial arts club.

A group of people gathered together and began to chat.

“I heard that the gang leader of River City is the father of Cao Song Yu from Eastern University. Do you guys think this is true or fake?”

A male voice jeered.

This guy was none other than brother Kai and the others. The last time in the bar’s large private room, he refuted Yun Jian and looked down on how Yun Jian could be as powerful as the school’s computer teacher.

His name was Zhou Zheng.

Zhou Zheng was ugly, but he liked to talk dirty jokes. He often showed off in front of the girls.

There were so many female students standing around him at such a big occasion. Looking for an opportunity, he quickly found a topic to talk about.

“Oh my God, the boss of the Jiang City gang is actually the father of the university student song of Dongfang University!”

“Really? Zhou Zheng, don’t talk nonsense!”

...

The girls did not know song Yu’s identity, so they all started to scream in an exaggerated manner. They became even more interested in Zhou Zheng’s question.

“Hey, it’s normal that you guys don’t know. It’s my good brother Song Yu who keeps a low profile! He is indeed the son of the underground gang leader that you guys invited today! The future heir!”

Zhou Zheng bragged again.

This voice caused the surrounding girls to scream.

In fact, Zhou Zheng and Song Yu were not very close. They were just friends as brothers.

"If you guys have any questions, feel free to ask!" Zhou Zheng said exaggeratedly.

Although Zhou Zheng was ugly, the girls liked to hear him brag, so they all rushed forward to ask.

Just as Zhou Zheng was surrounded by the girls, Yun Jian looked ahead and asked Mo Bufan, "River City's number one gang, is it the Wealth Wolf Gang?"

After Mo Bufan heard Yun Jian's words, he nodded and said, "Yes!"

Hearing this, Yun Jian slightly curved his lips into a red arc.

"PFFT, you went to university in River City, don't tell me you've never heard of this?" Zhou Zheng, who had just been smiling mischievously with the girls, turned his head to look at Yun Jian and sneered.

Zhou Zheng had been displeased with Yun Jian's strength the last time. Now that he had the chance to say this, he quickly opened his mouth.

However, what he got in return was Yun Jian's disregard.

Zhou Zheng was very displeased with this.

"Look! That's senior Colonel Song Yu!" At this moment, a female voice sounded.

Everyone looked over.

They saw Song Yu standing next to a masculine, dignified middle-aged man in his forties or fifties, who was protected by a group of bodyguards dressed in black. He was walking towards them.

"That... that must be the boss of the Wolf Gang! Oh My God! Song Yu is so handsome! He kept such a low profile. He didn't even tell us that he was the son of the boss of the Wolf Gang!"

There were a few screams and cheers from the girls.

At this moment, Song Yu walked towards Yun Jian and the others while the girls were screaming.

Song Yu was quite pleased with himself when he brought his father to Yun Jian and the others.

Especially when Yun Jian turned to look at her father, the boss of the first gang in Jiang City, the Money Wolf Gang, Song Fan!

She must have been thinking that her father was actually the boss of the first gang in Jiang City, and she must have been so shocked that she was stunned?

Just as Song Yu thought of this, she raised her head proudly.

However, before Song Yu could raise her head proudly, Yun Jian looked at the boss of the Money Wolf Gang, Song Fan. Her aura was not lower than Song Fan's at all. She opened her mouth wide, and under everyone's eyes, she spoke in the tone of the boss of the gang, "Up against Down..." She was the first to speak directly to Song Fan:

"You are the number one gang in Jiang City, the leader of the Wolf of Fortune Gang, Song Fan?"

Chapter 2032: brothers in the gang, lend me some

Yun Jian's question stunned everyone present.

Especially Song Yu. Song Yu originally thought that Yun Jian would be shocked by his identity when he saw that his father was the leader of the gang.

However, Song Yu thought too much. Not only was Yun Jian not shocked by Song Yu's identity as the son of the leader of the first gang, but he also shocked everyone present.

Yun Jian actually dared to use such a tone to speak to the leader of the first gang, Song Fan?

Could it be that she did not know what kind of person she was talking to!

Song Fan! That was a famous big shot in the underworld!

Song Fan's existence might not be terrifying, but at least when it was mentioned, he was a terrifying figure.

And Song Yu had always been proud of her father.

Song Yu had never publicly announced his identity as the son of the leader of the Wolf Gang.

Today, Song Yu was going all out.

Because when he saw the scene in the pavilion where Yun Jian ordered Diane and the other two to deal with the dozen or so assassins, Song Yu was even more certain of one thing.

Yun Jian and himself were the most compatible people in this world! There was no one else!

Because Yun Jian lived in such a bloody environment, and wasn't he the same?

"Father, this is the girl I told you about. Her name is Yun Jian, and she is the girl I told you about. She is from the same family background as us!"

Song Yu had already mentioned Yun Jian's every move in the pavilion to his father, Song Fan.

Moreover, Song Yu also said that only such a girl was worthy of his noble status!

When Song Fan heard Yun Jian's question, he was also stunned for a moment.

For a moment, he had the illusion that he could see Rakshasa's behavior and tone from Yun Jian.

Of course, Song Fan had never seen Rakshasa's true colors.

Song Fan had heard every word Rakshasa said and did in the past.

However, when he thought about it, this young girl in front of him was just a friend of his son. Moreover, it was rare for his son to be interested in a girl who truly wanted to become his future partner.

How could she be the famous and ruthless raksha? ?

How was this possible?

Song fan knew that this kind of thing was impossible, so he shook his head. After knowing that Yun Jian was his son's sweetheart, song fan gave Yun Jian face and replied to her in public,

"That's right!"

Song fan had an aura that many people could not have. Unlike his son, Song Yu, who looked like a slob, song fan's aura belonged to a gang leader!

Yun Jian narrowed his eyes and immediately had a good impression of song fan.

The good impression here only referred to the disgust and friendliness he felt towards a person.

Towards Song Fan's son, Song Yu, he was inclined towards the type of disgust. However, Song Fan's aura and behavior were people that were worthy of Yun Jian's admiration.

"Are you crazy! You actually dare to use such a tone to speak to the boss of the Wolf of Fortune Gang! Do you not want to live anymore?!"

At that time, Zhou Zheng, who had been trembling, was frightened by Yun Jian's tone when he spoke to song fan. He used a very soft but gnashing voice to curse at Yun Jian.

When the surrounding students knew who Yun Jian was talking to, they were so frightened that their expressions changed.

Yun Jian had gone crazy! How dare she speak to a gangster in such a tone!

However, just as everyone thought that Yun Jian was courting death, Yun Jian glanced sideways at song fan. Under the watchful eyes of so many people, she said something that made everyone feel that she was courting death. They were suspicious of what she was trying to do:

"Boss of the Wolf of Fortune Gang, in two months, lend me your brothers in the Wolf of Fortune Gang."

Chapter 2033: is fine if you don't want to borrow it. You Can Wait for your name to be removed

Yun Jian, what on Earth is she trying to do? !

Everyone present was stunned by Yun Jian's words.

Song Yu was also stunned.

She... ? ... wanted to borrow a brother from her father's gang. Why?

Usually, when two gangs were in a dispute, one gang leader would ask the other gang leader for help.

Was she going to borrow people to fight with many people?

She was not the gang leader, so what was the point of having so many people?

Song fan was also slightly stunned.

As the leader of the number one gang in Jiangcheng, Song Fan's thinking was naturally different from his son, Song Yu.

Song fan was the mature type.

In fact, it was not the first time that song fan had taken a liking to his son, Song Yu, and introduced him to girls he knew.

However, those girls all had a common characteristic — to curry favor with him.

Yun Jian was completely different.

When a girl saw the leader of the number one gang in Jiang City, didn't she try to curry favor with him and flirt with him like the other girls? Instead, she actually wanted to borrow his gang members to use?

Why was this so?

Song fan wanted to ask, but song yu asked, "Yun Jian, what do you want to borrow my father's gang members for?"

"What can I do? Isn't it just to show off? wasn't she like this when she was in the bar's private room? She thought she was very powerful and amazing, and even showed off her computer skills in front of all of us!"

The person who spoke at this moment was Lan Yiyi, who had shouted at Yunjian when she saw Matthew for the first time in river city and then insulted him in the bar's private room.

Although Yun Zhi had displayed amazing hacking skills and extraordinary strength the last time, she was still a nobody.

But, what use was that?

Without a backer, what was she?

Song Yu, the father of Senior Colonel Song, was the boss of the number one gang in Jiang City!

No matter how powerful Yun Zhi was! Even if Yun Zhi was an assassin agent, she was still outnumbered!

Not to mention that she wasn't!

Lan Yiyi's words immediately resonated with all the girls present.

Many of the girls didn't like the cloud note because it not only attracted the attention of big shots like brother Kai, Mo Bufan, Xu Zhenglong, and Wei Jingxuan from Jiangcheng University of electronic technology.

Now, even song Yu from Dongfang University was paying attention to the cloud note!

This undoubtedly pushed Yun Jian to the highest point of envy and jealousy among the girls.

"Why aren't lotus flower, Pan Qian, and the others here yet? I think Lotus Flower is the best match for Campus Belle Song!"

"Exactly!"

“What’s wrong with her Yun Jian? She must act tough in front of the boys! Attract the boys’attention! Is she so short of men? !”

...

All the girls started to talk among themselves.

Of course, Yun Jian heard it, but she didn’t care.

Just as the girls were talking among themselves, song fan’s voice sounded.

“As long as you give me a convincing reason, I can lend you my brothers from the Wolf Gang!”Song fan was indeed brave. He didn’t refuse immediately. Instead, he said this to Yun Jian.

However, just as song fan finished saying these words., song Yu’s additional voice sounded, “Yun Jian, as long as you agree to be my girlfriend and break up with your boyfriend, we, the Wolf Gang, are at your disposal. You are the future wife of the Wolf Gang’s leader!”

When Song Yu said these words, the surrounding girls cried out in surprise.

Did they hear wrongly!

Song Yu actually confessed to Yun Jian!

And it was such a passionate confession!

“So... Do you agree?”Song Yu asked carefully.

“I agree, I agree!”At this moment, the girls around wanted to answer song Yu for Yun Jian.

Song Yu was dating Yun Jian as his wife!

One had to know that song Yu’s girlfriend in the past was just for fun.

But now, as his wife, Song Yu actually asked Yun Jian to be his girlfriend! ?

Just as all the girls were envious and everyone thought that Yun Jian would agree with song Yu’s words, Yun Jian’s cold voice mixed with the flow of air, arrogantly said something to Song Yu and song fan that shocked everyone present:

“I’m here today to tell you that I’m going to borrow the Money Wolf Gang. I’m not asking for permission.

“If you don’t want to lend me the Money Wolf Gang, then you can wait for your name to be removed from Zhejiang Province!”

Chapter 2034: thank you for your praise

Yun Jian’s words were not a joke.

Xu Zetian was now in charge of the Falcon Palace for her. The Falcon Palace was now so powerful that it could destroy any gang with ease.

This was the result of Xu Zetian's hard work over the past two years.

Back then, Xu Zetian thought that he could only be the boss of Longmen City for the rest of his life. Now that he had reached the position of the number one gang in Zhejiang province, his drive had become more and more vigorous.

After returning to reality and hearing Yun Jian's words, Song Yu, song fan, Mo Bufan, and the other members of the martial arts club, including brother Kai and the others, were all stunned.

If they didn't agree with her, would the wolf of fortune gang wait to be wiped out in Zhejiang Province?

This was the wolf of Fortune Gang! Yun Jian actually dared to say such words! Did she really think that she was some powerful figure! !

Everyone present thought that Yun Jian had gone mad.

If she hadn't gone mad, how could she have said such words that could possibly lead to her death!

Even Mo Bufan was slightly worried about Yun Jian, so he said,

"Yun Jian, don't say such words carelessly..."

Mo Bufan said these words out of goodwill.

After all, the truth was laid out here. No matter how outstanding Yun Jian's strength was, she was still only one person.

On the other hand, the boss of the number one gang in Jiang City, song fan, had a large gang behind him!

He could tell at a glance who had the upper hand!

However, just as the atmosphere reached its peak and everyone thought that song fan would fly into a rage in the next second, a lively and loud middle-aged man's voice resounded throughout the entire venue:

"Hahaha! Good temper! Young Lady, I like your temper!"

Everyone saw song fan, who was standing next to Song Yu, standing in front of Yun Jian. He laughed and then looked at Yun Jian with an appreciative expression.

What Yun Jian said just now didn't make song fan angry. instead..? ... It even increased his favorable impression of Yun Jian?

Everyone present opened their mouths in surprise.

"Little girl, I'll see you after the party tonight. Now that my old friends are here, I have to go entertain them! Don't leave First!"

Song Fan's eyes flashed as he spoke to Yun Jian.

When Yun Jian saw this, her red arc rose once again.

Song fan was indeed different from Song Yu. He was a smart person.

“After the party is over, I won’t leave until I see you,”yun Jian said in front of everyone after song fan hinted.

Then, song fan was escorted by more than a dozen of his bodyguards as he walked towards a group of powerful people who were approaching from afar.

These people were all dressed in high-class clothes. Some of them were song fan’s business partners, and some of them were his old friends.

No one saw the glint in Song Fan’s eyes as he walked away.

If outsiders didn’t know what Yun Jian’s arrogant tone and intentions were, then song fan had most likely guessed Yun Jian’s identity!

As he watched song fan leave, the red arc that Yun Jian had just raised calmed down.

This was... over?

Nothing had happened?

The surrounding people were shocked. No one could tell what had happened just now.

Only Yun Jian and song fan knew what had happened.

“Yun Jian! Do you know what you were doing just now? ! You are too shameless! To the extent that you are shameless, the entire world will be ashamed of you!”

Lan Yiyi saw that the big shot song fan had gone far away and there was only her left on the spot once again. Together with the group of university students around her, she glared fiercely at Yunjian as she spoke loudly.

“Thank you for the compliment. The same goes for you.”Yunjian did not avoid answering Lan Yiyi’s words.

Thank you for the compliment? The same goes for you?

Did this mean that if she was shameless, then Lan Yiyi would be exactly the same as her?

Lan Yiyi didn’t immediately realize that Yun Jian was beating around the bush and scolding her.

“Alright, I’ll bring you to the place where we play! There’s a place for us to play. We can shoot guns, shoot balloons, shoot arrows and throw darts! There are also people who set up stalls with food and drinks. If you win, you can get a prize for shooting!”

Chapter 2035: 99 Roses of Love

Song Yu saw that song fan had gone far away and gave him a suggestion.

Although song fan had sent out the invitation in the name of the number one gang in Jiang City, he knew that there would be a lot of big shots on the mountainside tonight. In addition to the party tonight.., it was different from the usual dance venue.

This place was very big, and there were a lot of people. Tonight, there were at least tens of thousands of people gathered. Therefore, Song Fan naturally could not be the one to take care of all the food and desserts for the invitees.

In addition, although Song Fan's wealth and wolf gang sounded terrifying, it had never hurt an ordinary person.

Therefore, this afternoon, there were many street food stalls, or game stalls such as balloons, archery darts, and winning prizes. They were like stalls set up in a market.

There were barbecues, fried snacks, street noodle stalls, and so on.

There were also games that children liked to play, such as balloons, archery, and darts.

If not for Song Fan's invitation to invite everyone to the scene, this place would have become the venue of the night market.

In addition, the lights illuminated the surroundings as bright as day. If it were not for the surrounding mountains, this place was halfway up the mountain. Even if someone said that this place was a foot in a busy city, people would believe it.

As soon as Song Yu finished speaking, everyone present nodded.

"If you guys go, I won't go." Yun Jian turned his head and spoke to Zhu Huili, Mo Bufan, and the other members of the martial arts club.

Song Yu's words clearly aroused the interest of Zhu Huili, Mo Bufan, and the others.

Even if everyone present was no longer a primary school, middle school, or high school student, they were still very interested in this kind of grand prize winning game.

"You're not going?" How could that be! The last sentence was what Song Yu was muttering in his heart.

How could Yun Jian not go!

If she didn't go, how could he carry out his next step of planning!

Just now, when he brought his father, Song Fan, to Yun Jian, Song Yu thought that Yun Jian would change his opinion of him after he found out that his father was Song Fan. However, Song Yu never expected that Yun Jian would actually have that attitude.

Fortunately, he had a plan for the next step!

Song Yu quickly winked at Miao Li, who had been standing silently by the side, and asked her to think of a way.

When Miao Li saw this, she quickly walked up to Zhu Huili, held her fat hand, and said to Yun Jian,

"Yun Jian, let's go together. Let's join in the fun! Right, Huili? You also want Yun Jian to go together, right?"

Zhu Huili was not used to Miao Li's sudden gentle tone. She nodded blankly and said,

“En... Yes, yes. Yunzhi, let’s go together. You’re quite lonely here alone. It’ll be fun if we all go together!”

Yunzhi saw Song Yu winking at Miao Li just now.

After hearing what Zhu Huili said, Yun Jian agreed.

She wanted to see what Song Yu wanted to do.

The group of people soon arrived at the place where they were playing.

Song Yu blinked his eyes.

He deliberately sent away Mo Lianhua and Pan Qian’s group today just for this moment!

“Clap Clap!” After Song Yu brought the group to this place, he suddenly clapped his hands.

After a while, a group of people dressed up as members of the Wolf Gang of Fortune walked out from all directions.

This group of men held many roses in their hands, and soon, they used them to place a heart on the ground.

There were a total of 99 roses, and not a single one was missing.

“Oh my God! How Romantic!”

“Oh my God, Senior Colonel Song is way too romantic! I’m going to die from being charmed!”

...

When they suddenly saw this scene, the girls standing around cried out in surprise.

What the girls yearned for was nothing more than a romantic confession.

At that time, Song Yu had already walked into the circle of ninety-nine roses in front of Mo Bufan and the other martial arts clubs, as well as brother Kai, Miao Li, Xi Xiujuan, and everyone else, five meters away from the cloud paper, she reached out to the cloud paper and looked at her affectionately:

“Ninety-nine roses represent my heart. Cloud paper, I love you! Be my girlfriend! I’ll protect you for the rest of your life and won’t let you get hurt!”

Chapter 2036: was still the same, defeated (1700 + words)

Song Yu stretched out his hand towards the cloud paper, waiting for its reply.

In the circle of ninety-nine roses, Song Yu stood there, waiting for the cloud paper to walk towards him.

When a normal guy proposed, he would kneel down on one knee.

However, Song Yu disliked kneeling on one knee, afraid that it would dirty his knees.

Song Yu thought that he had already asked someone to arrange ninety-nine roses for him. This kind of sincerity was something that the high and mighty him disdained to do in the past.

One had to know that in the past, whichever girl he wanted, that girl would obediently come into his arms.

Therefore, today, he was definitely going to get the cloud note!

“Together! Together! Together!”

At this moment, someone shouted, and the surrounding people also shouted.

Even the girls who were usually at odds with Yun Jian started shouting as well.

Not only the surrounding students, but even the passersby who saw this scene stopped in their tracks and started clapping and shouting.

The atmosphere instantly reached its climax.

Under the boiling voices of the surrounding girls, Song Yu saw that Yun Jian was not walking towards him as expected. He narrowed his eyes and broke into a smile. He looked at Yun Jian and continued to say his sensational words:

“Yun Jian, perhaps you don’t know me well enough, but I will let you know me! You said that we are not from the same world. Today, I have confessed my identity to everyone and to you.

“I am not an ordinary person. I am the son of the leader of the Wolf Gang. Like you, I am a person in a bloody world. That is why we are a match made in heaven!

“I swear that from today onwards, loving you will be my mission for the rest of my life. Please be my girlfriend!”

It was not the first time that Song Yu had made so many girlfriends.

When the surrounding girls heard Song Yu’s emotional words, they were so moved that they wished they could turn into cloud paper and accept Song Yu’s love.

After hearing Song Yu’s words, Cloud Paper only wanted to sneer. Suddenly, she caught a glimpse of a girl’s figure not far away. She immediately narrowed her eyes and looked coldly at Song Yu under everyone’s eyes:

“Are you sure that we really belong to the same world?”

“I’m sure! I love you! I’ve never given my heart to any girl before. Only you are worthy of my heart!” Song Yu said without hesitation after hearing it.

However, before Song Yu could finish his sentimental words, Yun Jian caught a glimpse of the girl’s figure coming behind Song Yu.

“Slap!” With a slap, the girl gave Song Yu a slap.

The girl was none other than Mo Lianhua.

At this moment, Mo Lianhua looked at Song Yu in disbelief, with a betrayed look on his face.

“Yu, I really misjudged you! I thought you were sincere to me! I didn’t expect you to...”

Mo Lianhua looked at Song Yu, who was standing in the circle of ninety-nine roses, heartbroken.

As Mo Lianhua spoke, she turned around and glared at Yun Jian with a murderous look on her face.

At that time, Mo Lianhua no longer pretended to be innocent. She glared at Yun Jian with a cruel look and yelled at Yun Jian,

“You third party! Third Party! Why Are You So Shameless! Why Don’t You Die! Why Don’t You Die! ! !”

Mo Lianhua still didn’t know that she was pregnant.

The person who accidentally made a mistake with Yun Jian was Mo Lianhua.

After hearing Mo Lianhua’s words, Yun Jian only sneered and laughed.

Sometimes, even if you didn’t cause trouble, there would still be people who saw you as excellent and bullied you.

Song Yu and Mo Lianhua were really treating him as an ordinary college girl?

A third party?

Yun Jian didn’t remember anything between her and Song Yu.

“I’m bored,”yun Jian said coldly and turned to leave.

“Yun Jian...”song Yu still wanted to stay.

However, just as Yun Jian took two steps forward, she suddenly glanced to the left.

She saw a long saber slashing toward Yun Jian at lightning speed.

That speed was not something an ordinary person could possess!

Even a high-level assassin could not match up to it!

Yun Jian’s eyes flashed sharply. In the next second, she grabbed the long blade that was coming towards her and used both her hands to press down on the blade on the left and right sides.

At that time, the person holding the hilt had the absolute advantage.

However, Yun Jian’s hands were holding the blade of the long blade. Under the opponent’s attack, she was not injured at all!

Because the person was too fast, the surrounding people did not have time to react.

This change was even faster than the speed of light!

However, three seconds later, Yun Jian had already snatched the long knife from the person and kicked the person out.

The person was kicked back two steps by Yun Jian. If it was a normal person, they would have already vomited blood from Yun Jian’s kick.

Yun Jian did not show any mercy!

Song Yu, Mo Lianhua, and the others were so frightened by this sudden turn of events that their faces turned pale.

However, the woman who rushed up to assassinate Yun Jian stopped in her tracks, reached out to pull the black gloves on her hands, and smiled at Yun Jian:

“TSK, 006, it’s been two years. I didn’t expect you to still be so fast and fierce! But it doesn’t matter. I’m here today to defeat you!”

The person who came was none other than the leader of the Soul Eater organization. In his previous life, he was one of the three survivors who had survived the dark soul organization together with Yun Jian and Mad Dragon. At the same time, he was also Shenji, who had made up her mind to defeat Yun Jian!

Who was 006? 006?

Everyone present, led by Song Yu, was stunned and full of doubts.

However, at the moment when Song Yu, Mo Lianhua, Mo Bufan, and the others were stunned, Yun Jian, who was standing in front of everyone, revealed a terrifying smile that they had never seen before.

Then, she threw the long blade back to Shen Ji in front of everyone. After being caught by Shen Ji, she calmly took out the two butterfly blades and held them in her hands. She calmly curved her lips and said,

“095, this is your 609th attempt to assassinate me. I’ll fulfill your request and fight you!

“However, I’ll still say it. In the Dark Soul Organization, you’re no match for me. Two years ago, you were no match for me.

“You are still my defeated opponent now!”

Chapter 2037: the past of the organization. What a joke

Two years ago, Yun Jian was kidnapped by an assassin organization. It was discovered that the assassin organization called Soul Eater organization belonged to Shen Ji.

Yun Jian even accepted Shen Ji’s challenge.

From Yun Jian’s tone, it seemed like she knew the woman who slashed at Yun Jian the moment she appeared?

And what was the name 006? 095?

From the way she addressed him, why did it sound like she was calling someone from a certain unit?

What were they talking about?

Or did they know each other before?

“What are you guys talking about? What are you babbling about? What 006, what 095? Did you defeat them or not? Did you assassinate them more than 600 times?

“Yunjian, I’m telling you, Yu is mine! You Can’t take him away!”!

“You’re always seducing men with your seductive face! Don’t think that I’m afraid of You! Yu’s father is the boss of the Wolf Gang! If you have any self-awareness, then get lost. Otherwise, I don’t care who you are! I’ll kill you!”

Mo Lianhua was blinded by hatred. She looked at the Yunjian, then at Shen Ji, and said these words with an expression of hatred and disgust.

Song Yu was hers! It was hers!

No one could take it away!

At that time, the cloud paper held the two shiny butterfly knives in its hands and looked at Shen Ji. It did not pay attention to Mo Lianhua who was yelling and yelling at her crazily.

At that time, Shen Ji did ask for her address, and she said that she would come to her again and win!

When the long knife appeared and slashed at her, the cloud paper had already guessed that the person must be Shen Ji.

Only Shen Ji could use such a fast and agile long knife!

Yun Jian and Shen Ji were both good at using knives.

But the difference was that Yun Jian was good at butterfly knives, while Shen Ji was good at Long Knives.

If one wanted to ask the reason, one had to go back to the time when they were in the dark soul organization.

Back then in the dark soul organization, Yun Jian and Shen Ji were trapped together with all the children who were caught in the dark soul organization.

In the third year of the organization, the higher-ups ordered the children to kill each other. The rules of the game required them to kill everyone until there were only three people left.

Only three people survived.

And the night before the battle, the higher-ups told the children to choose their own weapons.

Many children chose long-range weapons like guns and ammunition because long-range weapons like guns and ammunition gave people a sense of safety.

Only Yun Jian and Shen Ji chose a butterfly knife and a long knife.

At that time, the MAD Dragon hadn’t entered the dark soul organization yet.

That battle was the first time that Yun Jian and Shen Ji slaughtered nearly a hundred children in the dark soul organization. In the end, only three people were left alive.

All the children who chose long-range weapons such as guns were killed by Yun Jian and Shen Ji.

Only Yun Jian, Shen Ji, and the other three children survived.

After all the other children died, the dark soul organization recruited a new batch of candidates. Among them, there was mad dragon.

A battle every three years was the dark soul organization's unchanging law.

As long as one was in the dark soul organization's killer training camp, one had to participate in a battle every three years. In this battle, only three people could survive.

Yun Jian and Shen Ji were the survivors of the first battle.

After that, the dark soul organization would continue to train the children who had just joined the dark soul organization. After three years, they would let this group of children fight together with the three people who had survived.

After this cycle, Yun Jian, Shen Ji, and Mad Dragon climbed out of the pile of dead people. It was not an exaggeration at all!

As for the butterfly knife, it had followed Yun Jian all the way to the end.

Shen Ji had always used the long knife and had never changed.

Turning back to reality, Yun Jian had known Shen Ji since he was five years old and had always treated her as his opponent. When she had attempted to assassinate him, Yun Jian had already guessed who it was when he saw the long knife coming out.

"Mo Lianhua, don't be ungrateful!" Song Yu, who had been slapped by Mo Lianhua, pushed Mo Lianhua in front of everyone and shouted angrily.

After shouting, Song Yu hurriedly stood in front of the Yun Jian and stopped Shen Ji. He said to the Yun Jian, "Yun Jian, I said that we are from the same world. Don't be afraid. I will protect you."

"PFFT!" Just as Song Yu finished saying this, Shen Ji, who was opposite him, laughed first.

"Protect her? Do you know who 006 is? You? You want to protect her?" Shen Ji almost laughed until she was out of breath.

This is probably the funniest joke she has ever heard in her life!

Chapter 2038: One World, one height

Shenji, who had planned to fight against Yunjian once again, crossed her arms and placed her long sword loosely by her arm. She continued to smile at Song Yu with contempt:

"Kid, do you think 006 is from the same world as you? This is the funniest joke I, Shenji, have ever heard in my life!

"Do you know who 006 is?"

"She has killed more people than you've ever said in your life!"

“Who do you think you are? If this were in the past, 006 would have sent you to the afterlife with a single slash!

“From the same world? Don’t be too funny!

“Do you know that when dozens of high-level killers held guns and bombs in their hands and fought against the bare-handed 006 alone, 006 didn’t even have a knife in her hand, but in just a few minutes, she seized the guns and killed everyone! She was only fourteen years old that year!

“Did you know that when she faced a powerful assassin organization, not only was she not killed by the other party, but she even wiped out that famous assassin organization?

“Let alone a city’s gang leader, did you know that in front of her, the international black market tycoon wasn’t even worthy to carry her shoes?

“Although I’m her lifelong sworn enemy, I, Shenji, only admire her 006 in my entire life! If I put everything aside, her 006 is my lifelong goal!

“Wherever she is, that place will be the place where international bigwigs and business politicians will not dare to sleep!”

That’s right, Shen Ji had a deep respect for Yun Jian from the bottom of her heart.

However, at the same time, Shen Ji was so strong that she refused to admit defeat. Even if it was thousands or even tens of thousands of times, she would still refuse to admit defeat to Yun Jian as usual.

Song Yu, Mo Lianhua, Mo Bufan, Brother Kai, and everyone else present were shocked when they heard Shen Ji’s words.

Yun Jian was actually such a terrifying figure!

Who the hell was she!

However, before everyone could react, Shen Ji had already walked over and kicked Song Yu, who was one meter away from the Yun Jian, away.

Then, Shen Ji met Yun Jian’s eyes in front of everyone. Shen Ji, who was helping Yun Jian speak, suddenly changed her expression. She laughed out loud and provoked Yun Jian:

“But, the more powerful you are, the more I want to defeat you! My only goal in life is to surpass you!”

Shen Ji’s words seemed to be a provocation, but it also seemed to be a blood oath.

Hearing Shen Ji’s words, the surrounding people thought that Yun Jian probably did not like her to say such words.

However, just as everyone thought so, Yun Jian raised a red arc and replied to Shen Ji in front of everyone,

“I’ll give you ten moves to repay your kindness.”

Last time, when the mysterious person was collecting puppets, the cloud paper asked Shen Ji to stop training puppets for the mysterious person. Shen Ji had given her face.

This kindness was repaid today.

“Haha, then I Won’t stand on ceremony!”

After that, Shen Ji, who was speaking up for the cloud paper a second ago, swung her blade mercilessly at the cloud paper as if she was dealing with an enemy.

The passersby around and all the university students who were invited here were so scared that they retreated to the corner.

Although they didn’t leave and were waiting to watch a good show, they were scared out of their wits.

“Yun Zhi...”song Yu wanted to help Yun Zhi, but when someone pulled him to the corner, he showed a worried look on his face, but he didn’t struggle to go forward.

Yun Zhi and this woman who called herself God Ji both had knives in their hands!

In the second before the knife was drawn, he heard God Ji Look at Yun Zhi. Song Yu, who was retreating in front of everyone, said sarcastically and coldly,

“TSK, Coward! Kid, 006 is not something a trash like you can dream of. She and you are from two completely different worlds.

“Even if you are the son of an international arms magnate, it’s still wishful thinking for you to be from the same world as 006. Go To Hell!”

Chapter 2039: was very sensual, so he touched it again

After Shen Ji said these sarcastic words to song Yu in public, she turned her head to look at the cloud paper and said faintly,

“TSK, I didn’t expect that after not seeing you for a few years, you would actually be entangled with this kind of trash. 006, according to your previous character, it’s a miracle that this kid can live until now.”

Just now, after Shen Ji slashed at the cloud paper in public, the cloud paper did not counterattack, but just dodged to the side.

Shen Ji wasn’t in a hurry to make a move at that time. Instead, she started to speak.

Hearing Shen Ji’s words, the faces of the people standing at the side stiffened.

At this moment, everyone present was dumbfounded. They should have known that 006 was definitely shouting for Yun Jian.

Song Yu and Mo Lianhua, who hadn’t dared to speak since the beginning, were shocked when they heard Shen Ji’s words.

Especially song Yu.

Song Yu and Mo Lianhua did not doubt the words of the divine lady.

Song Yu and Mo Lianhua had witnessed the cloud tablet kill four killers with their own eyes when they were in the pavilion. Then, they ordered Diane and the other two to kill more than a dozen killers.

Now, there was a woman who called herself the Divine Lady. The words of the woman who called herself the divine lady were almost the same as what the cloud tablet described when they were in the pavilion.

Therefore, when Song Yu and Mo Lianhua heard the words of the god-ji, their faces turned pale.

“Nine more moves.” Unexpectedly, Yun Jian did not directly respond to the words of the god-ji. She slightly raised the corners of her eyebrows and said softly.

Yun Jian had just let the god-ji use one move. It was said that he would let the god-ji use ten moves, and not one move less.

“TSK, 006, you are still the same. This kind of thing is so clear-cut.” The god-ji raised the long saber in her hand and smiled.

“With you, I naturally have to clear-cut.” Yun Jian returned Shen Ji with a similarly cold smile.

Shen Ji held the long saber and suddenly walked to the side. “I don’t like to be looked at like a monkey. Let’s go to an empty place to fight.”

As she spoke, Shen Ji left the crowd and walked to an empty place halfway up the mountain.

When Yun Jian saw this, he put away the butterfly saber first and followed closely behind Shen Ji in the direction she left.

“Let’s Go Cheer Yun Jian on!”

When Mo Bufan saw this, even though he did not understand the relationship between Yun Jian and Shen Ji, nor did he understand what Yun Jian and Shen Ji were talking about, he called for the people from the martial arts club to quickly follow.

Zhu Huili naturally followed.

Brother Kai also led a group of people to follow.

“We, we’ll go and take a look too!” Miao Li and Xi Xiujuan said as they chased after her.

Song Yu gave Mo Lianhua a sidelong glance and wanted to chase after her.

“Yu, don’t go... Yu, did you know that two days ago, I went to the hospital for a check-up and I wasn’t pregnant? I promise I won’t do anything bad again! I was wrong. Can you give me another chance? Please...”

Mo Lianhua grabbed Song Yu’s hand and begged.

Mo Lianhua had hidden it from Song Yu the last time. When the two of them were having an affair, Mo Lianhua had secretly punctured the condom. After Song Yu found out about it, he was so angry that he yelled at Mo Lianhua. If Mo Lianhua was pregnant, they would break up.

Mo Lianhua had gone to the hospital for a checkup. Only then did he come running over to tell Song Yu that he was not pregnant because he wanted Song Yu to give him a chance.

But now that Song Yu had taken a liking to Yun Jian, he did not want to go back to the way things were. He flung Mo Lianhua away and ran in the direction that Yun Jian had left. He did not even give Mo Lianhua a look.

Mo Lianhua was so angry that he chased after him.

...

At that time, Gu Nianzhi, who was staying in the same hotel as Li Nong, did not know that she was staying in the same hotel as Li Nong.

Yun Jian was not around that night, so Gu Nianzhi was bored and decided to go to the vicinity of Jiang City by herself.

She went out for a walk mainly because she was so hungry that she had not even had dinner yet.

So when she came out of the hotel room, Gu Nianzhi was jumping around and running very fast.

When passing the corner of the hotel, Gu Nian ran too fast and hit a wall of flesh. She hissed and rubbed her head. She had just raised her head to scold the person who had come.

Then I saw Li Nong standing in front of her.

At that time, Li Nong cast a sidelong glance at Gu Nian, apparently knowing that Gu Nian was staying in this hotel.

The words that came out of Li Nong's mouth made Gu Nianzhi want to tear his mouth apart on the spot.

However, she heard him say these words to Gu Nianzhi with a cold expression and a serious expression on his face:

"What a coincidence. I was just about to look for you. The last time you sat on my lap, I felt very comfortable. Your buttocks are so bouncy and very fleshy. I like it very much. Can you give me another hand?"

Chapter 2040: touching her buttocks was only a one-time thing

Previously, Gu Nianzhi had accidentally thrown herself into Linong's arms, and had even thrown Linong to the ground. She had sat on his lap.

Linong had never felt the touch of that flesh before.

So, without Gu Nianzhi's reaction or even noticing, Linong reached out and held her buttocks by her waist with both hands. He touched them and felt the sensation of a woman's flesh.

Linong liked this touch so much that he wandered around the hotel for a few days. Today, he finally saw Gu Nianzhi. Just as he saw her, she suddenly ran into his arms again. Her fleshy breasts and seductive figure.., Linong gulped.

That was why Linong, who was well-dressed, could not help but ask this question.

“I like it very much. Can you give me another touch?”

In the past, Li Nong had walked along the same path as the gods of the God continent.

However, Li Nong’s talent was high, and his status was low. The gods never gave him face, and they didn’t even want to talk to him.

If Li Nong’s talent was low and his status was low, the gods would probably fight to speak to him.

After all, standing together with a piece of trash was more important to them.

On the God continent, Li Nong was isolated, which meant that he had not had much contact with the gods, much less with the goddesses.

Li Nong did not even know that women’s butts could not be touched.

But Gu Nian, who called herself a matchmaker on the Imperial Dragon Continent, did.

“What — what — What did you say? !”

Gu Nian first wrapped her arms around her chest, then suddenly realized that Li Nong wanted to touch her buttocks. She then placed her hands on her waist to protect her buttocks.

She then glared at Linong, as if to say, “If you dare touch my butt, I’ll make you pay!”

“You pervert! I’m telling you, if you dare touch even a single hair on my head, I’ll never let you off!”

Gu Nianzhi protected her butt and shouted at Linong.

Seeing that Gu Nianzhi was holding her butt like she was protecting her life, Linong frowned and asked, “Why?”

“Why? Why? Are you — are all the gods on the God continent so Shameless? ! Shameless!” Gu Nianzhi’s cheeks were flushed. She looked at Linong and shouted this with a red face.

As she said this, Gu Nianzhi wanted to turn around and leave Linong’s sight.

“Do you want to go to the God Continent?” Suddenly, Linong’s magnetic male voice came from behind Gu Nianzhi.

Gu Nianzhi wasn’t attracted by this pleasant and magnetic male voice. She turned around when she heard Li Nong’s words. She suddenly stopped in her tracks, then stuck her head out and slowly turned her head around.

Reality proved that Li Nong’s words were very tempting.

“You really... can take me to the mainland of gods?” Gu Nianzhi couldn’t help swallowing her saliva when she heard this and asked again.

“Yes.” Li Nong nodded.

After all, to thousands of people on thousands of continents, going to the continent of gods was their lifelong wish.

After all, to thousands of people on thousands of continents, the continent of gods was a place limited to legends.

If they could go to the continent of gods and wander around, some people on thousands of continents would have no regrets even in death.

“Really? is what you said true? Then quickly take me there!” Gu Nianzhi folded her hands that were covering her buttocks like she was begging. She put them to her mouth and pouted. Her small eyes blinked as she looked at Li Nong.

Gu Nianzhi, who had just called herself “Sister”, instantly became a little woman.

“My conditions just now...” Li Nong raised his voice.

Gu Nianzhi clenched her fists and waved them around where Linong couldn’t see. She then said weakly, “Then... I can only do it once... Just Once...”

As soon as Gu Nianzhi agreed, Linong...
