

## Schoolgirl 2041

### Chapter 2041: Shura God Ji, that person Sha Shen (1600 +)

Gu Nian had betrayed her in order to go to the God continent.

Of course, the betrayal here was only...

Anyway, she wouldn't lose a piece of meat if she touched it! When she returned from her visit to the God continent, she would definitely beat this pervert to death!

Sister Jian had actually accepted such a pervert as her disciple!

At that moment, in the hotel corridor.

Gu Nianzhi closed her eyes tightly. Linong wrapped his arms around her and placed his slender hands on her buttocks.

Ahhhh, this pervert actually dared to touch her buttocks! Gu Nianzhi's face was as red as a red apple.

"Are you done?" Gu Nianzhi covered her face, not daring to look at Linong. If she had opened her eyes at that time, she could have looked directly at Linong's chest.

At that moment, Gu Nianzhi's face was only separated from Linong's chest by Gu Nianzhi's hand.

Gu Nianzhi's hand happened to be pressed against Linong's chest.

Linong was facing Gu Nianzhi with his chest, and had placed his hand on Gu Nianzhi's buttocks by her waist.

However, just as Gu Nianzhi was urging Linong to stop, and even pushed Linong with her hand to tell him that he had had enough...

Li Nong's hand, which was resting on Gu Nianzhi's buttocks, reached out and grabbed her.

"Ah!" Gu Nianzhi cried out involuntarily. When she finally reacted, she pushed Li Nong away and looked at him in disbelief with a red face. "I already said I could only do it for a while! How could you..."

"It's very soft," Li Nong commented.

Gu Nianzhi's shy face instantly flushed again.

"Alright, Hurry up and take me to the mainland of gods!" Gu Nianzhi said.

"Not Now." Linong turned his head and turned his handsome side profile in front of Gu Nianzhi.

"You, are you trying to cheat me? !" Gu Nianzhi was so embarrassed that she still couldn't snap out of it.

Linong turned his head and showed Gu Nianzhi his handsome face.

The next second, he didn't say anything. He walked over and grabbed Gu Nianzhi's hand. Not long after, he grabbed Gu Nianzhi and returned to Gu Nianzhi's hotel room...

...

At the party where Jiang City's number one gang had sent out their invitations.

Yun Jian and Shen Ji had just arrived at an empty field.

The people following Yun Jian and Shen Ji had also arrived.

Just as Shen Ji had arrived, Yun Jian was still following her. Suddenly, Shen Ji grabbed her long knife and swung it at Yun Jian.

Every move of the agents was fatal.

As agents, what they learned was how to kill a person in the fastest way.

Whether it was an assassination or a dirty trick, as long as they could kill the other party, it was fine.

Seeing Yun Jian and Shen Ji walk into the spacious open space, they started to attack before they could speak.

The people who followed them were stunned.

"F \* ck! They started fighting without saying anything!"

"Are these two women even human? They can move so fast!"

"They must have learned some martial arts!"

...

The surrounding boys broke out in cold sweat when they saw Yun Jian and Shen Ji's fighting techniques.

At that time, after Yun Jian gave Shen Ji ten moves, the real fight between the two had just begun.

"What's going on?" Song fan, who was walking over with his old friends, asked when he saw the cloud note and Shen Ji exchanging moves.

"The two of them said that they wanted to compare moves!" Someone replied to Song Fan.

As the leader of Jiang City's gang, Song fan couldn't help but observe the cloud note and Shen Ji with a serious attitude after hearing this.

However, after Yun Jian defended for ten moves, he began to attack.

"Look at her! That Girl is going to fight back! I heard that she is the president of the martial arts club! There will be a show to watch, Haha!"

When someone saw this, he couldn't help but become excited.

However, after everyone's excited voice fell, Yun Jian and Shen Ji's figures went from the initial rapid exchange of moves to the speed of the exchange of moves that was so fast that it was impossible for the naked eye to catch them.

Seeing this scene, everyone's jaws dropped.

At the moment when everyone's hearts were tensed up, Yun Jian had already used the butterfly knife to parry Shen Ji's long knife, sending her long knife flying dozens of meters away. Then, she turned sideways and circled around Shen Ji's back.

At the same time, the butterfly knife in Yun Jian's hand had already been pressed against Shen Ji's heart on her back.

"You've lost." Yun Jian's crisp voice spread throughout the arena.

Yun Jian and Shen Ji had only fought for a minute.

When experts fought, each move was fatal. The more powerful the move, the faster the speed of the exchange.

Although it was only a minute, Yun Jian and Shen Ji had exchanged hundreds of moves.

Both of them showed no mercy.

And those who could survive hundreds of moves under Yun Jian were undoubtedly the top existences in this world!

"Ha, 006, after two years, your skills are better than before!" Shen Ji laughed softly as Yun Jian held her back with the butterfly knife.

"You have also improved a lot." Yun Jian put away his knife.

"If two years won't do, then ten years. 006, I will definitely surpass you!" After saying that, Shen Ji walked towards the direction of her long knife, intending to pick up her knife and leave.

Yun Jian admired Shen Ji's imposing manner of not being discouraged after losing the battle. She said to Shen Ji's back in front of everyone,

"Whether it's ten years or twenty years, I will wait. However, as the old saying goes, you will always be my defeated opponent!"

When Shen Ji heard this, she snorted and bent down to pick up her saber.

However, at this moment, a middle-aged man standing next to Song Fan suddenly pointed at Shen Ji's saber and said in front of everyone with a trembling voice,

"That knife! That knife! That mark on the knife! Could it be that the woman that Song Fan's son took a fancy to is Shura Shen Ji, the second-ranked assassin?!"

"Legend has it that Shura Shen Ji only takes one person as her opponent in her entire life. That person is the number one assassin on the international spy rankings, Sha Shen!"

"That girl, could it be..."

**Chapter 2042: guessed her identity, and she was the one**

"That girl, could she be the legendary number one on the international list of agents, Sha Shen?"

The middle-aged man standing next to Song Fan spoke in a voice that everyone could hear clearly.

As soon as he finished speaking, everyone was stunned.

“What? The number one on the international spy rankings...?”

Mo Lianhua’s eyes were wide open as he looked at Yun Jian with an expression of shock and disbelief. Although he didn’t understand what the number one on the international spy rankings signified, he didn’t think that Yun Jian would be the number one on the international spy rankings.

However, Mo Lianhua, Song Yu, Mo Bufan, and everyone present hadn’t seen wrongly!

When the middle-aged man next to Song Fan said the Word ‘God of Destruction’, he swallowed a mouthful of air! Just the mention of this name was enough to make his heart tremble with fear!

After saying the Word ‘God of shakeout’, because he suspected that Yun Jian was this person, he was so scared that he took two big steps back and hid his figure in a hidden place. Only then did he dare to say these two words that made his blood run cold just by mentioning them.., these two words made his hair stand on end!

“Uncle Zhang! What did you say?!” After hearing the middle-aged man finish his words, Song Yu’s expression changed drastically. He looked at the middle-aged man and asked loudly in front of everyone.

The middle-aged man whom Song Yu called Uncle Zhang was the person who pointed out Yun Jian’s identity in public just now.

Uncle Zhang was an old friend of Song Yu’s father, Song Fan. At the same time, he was also a super big shot who mingled in the black market!

Usually, when Song Yu followed Song Fan around, he would always see this Uncle Zhang in a solemn and solemn manner. Even if someone greeted him, Uncle Zhang was still a calm and collected person who would only nod slightly.

But just now, he saw something on Uncle Zhang’s expression!

Song Yu saw Uncle Zhang, who had always been calm and composed in the past, actually reveal a terrified expression just now!

This was enough to prove that the number one on the international spy rankings, Sha Shen, was a terrifying existence!

Yun Jian in the distance did not expect that someone would actually recognize Shen Ji’s long saber.

Shen Ji’s long saber had accompanied Shen Ji for more than ten years, and the word ‘ji’ that was unique to her was engraved on the long saber. It was impossible for outsiders to imitate it.

Seeing the long saber was like seeing the second-ranked assassin, Shenji!

One had to know one thing.

Back then, the three survivors from the dark soul organization, Sha Shen, Shenji, and Mad Dragon, were all the top figures on the international assassin list!

Yun Jian aside, Shenji was the second-ranked assassin on the assassin list!

Her strength was shocking, and her completion rate on missions was second only to Yun Jian. She was also an existence that made people panic when they heard of her name.

Mad Dragon was ranked third on the international spy rankings, codenamed War God.

Mad Dragon was famous for being strong and strong. His strength was not much weaker than Yun Jian and Shen Ji.

However, in terms of speed, Yun Jian surpassed him. This was the reason why Mad Dragon would never be able to surpass Yun Jian in his entire life.

The three people who survived from the dark soul organization were undoubtedly the top figures on the international spy killer rankings!

This was also the reason why the dark soul organization occupied an important position in this world!

“What! Old Zhang, what did you say! Shen Ji, who is ranked second on the international list of assassins? Sha Shen, who is ranked first on the international list of assassins! This... how is this possible! They are so young, how can they be such terrifying figures!”

Even Song Fan revealed a shocked expression in front of everyone.

“It’s indeed impossible... but that knife... that knife...” Uncle Zhang immediately shook his head and refuted Yun Jian and Shen Ji’s frightened identity in public.

However, he couldn’t understand. If Shen Ji wasn’t the second-ranked assassin in the legend, then...

Why did she have this knife.

When Shen Ji saw the terrified expressions of Song Fan, Uncle Zhang, and the other students, as well as the pale faces of the students around her, she laughed out loud. When she saw the panicked expressions of the people around her, she found it interesting, she immediately admitted her identity in public:

“Hahaha, since I saw it, I won’t hide it anymore. That’s right, I Am...”

### **Chapter 2043: will protect you and let me touch you again**

I am the second-ranked assassin, Shen Ji!

However, before Shen Ji could finish her sentence, Yun Jian, who was walking over from behind her, used his elbow to hit her waist.

With this hit, Shen Ji swallowed the words that she wanted to say.

“006, you...”

“If she was the second-ranked assassin, she would have been so stupid that she was killed. Otherwise, why is her strength inferior to mine?” Yun Jian had already taken over Shen Ji’s words and walked in front of everyone.

Then, Yun Jian’s eyes flashed sharply. In front of everyone, she pursed her red lips and continued to speak:

“It’s true that her name is Shen Ji. This is just a coincidence.

“Or do you believe that I, who just turned eighteen, am the first-ranked assassin on the International Ranking List, Sha Shen?”

Yun Jian’s two sentences completely calmed down the crowd that was in an uproar.

That’s right, she was only 18 years old!

Although everyone present did not know Sha Shen’s age, to have such a battle record, Sha Shen... ? ... should be a person in her 30s or 40s, right?

Moreover, how could Sha Shen, who was ranked first on the international list of agents, be a woman?

No matter what, she should be a strong and strong man, right?

In that case, it was completely impossible for Shen Ji to be ranked second on the international list of assassins.

Song fan, Uncle Zhang, and everyone else around them all heaved a sigh of relief at the same time.

“The President of our martial arts club is really amazing! This is the glory of our martial arts club! Long live the President!” Mo Bufan saw that the opportunity was ripe, and he shouted at the cloud paper as if he was heckling.

“From now on, the members of our martial arts club will swear to follow the president of the Cloud Paper Club to the death!” Mo Bufan’s shout caused the members of the martial arts club around them to raise their heads proudly and shout.

In just a short while, the shouts of the members of the martial arts club resounded throughout the entire venue.

“Swear to follow President Yun Jian to the death!”

“Swear to follow President Yun Jian to the death!”

Perhaps it was because the strength that Yun Jian displayed just now was too shocking, but the martial arts club was now proud of Yun Jian!

Such a grand occasion had never happened before. Seeing this, everyone present was shocked by the scene.

Indeed, Yun Jian was definitely not an international agent. Otherwise, how could she be here?

This was simply impossible!

However, for a girl to be able to subdue everyone in the martial arts club and convince so many people, it was definitely not an easy thing.

Shen Ji blinked her eyes. In the end, without saying anything, she picked up her long saber and left the scene.

Since 006 didn't want to expose her identity, she naturally had to give him face.

It seemed that she, Shen Ji, wasn't qualified enough!

However, she would never give up!

Unless she died!

Otherwise, she would definitely surpass 006!

Even if she couldn't surpass 006, she would still take this as her life goal and endlessly improve her strength.

This was the tacit understanding between Yun Jian and Shen Ji.

No one could do it without anyone.

This was because the two of them had viewed each other as mortal enemies since they were five years old in Yun Jian's previous life. With the intention of surpassing each other, they would improve together, becoming the top-level existences that countless people couldn't touch.

They would encourage each other and grow together!

...

On the other side, Gu Nian, who had been dragged into her hotel room by Li Nong, refused to go in. In the end, Li Nong directly carried her in with ease.

"What are you doing... Let Go of me! Don't think you can bully me just because you're a God! Be careful, I'll tell my sister Jian to take care of you! You promised me, but you didn't do it!"

Gu Nianzhi struggled and was thrown onto the bed by Linong's body.

By then, the door was already closed.

However, she felt a pair of pig trotters groping her buttocks and scratching her indecently.

Li Nong's calm but annoying voice came from behind Gu Nianzhi. The voice did not ask for Gu Nianzhi's permission, but directly started to act:

"You're a person from thousands of continents. If you go to the continent of gods, you won't be treated so well. For your safety, I'll protect you. As long as you let me touch you again..."

#### **Chapter 2044: Martial Arts Competition — strengthen your training**

As he spoke, linong confidently grabbed another handful.

“Ahhh! Ahhh! Don’t, don’t, grab again... I’m begging you! I’m begging you, okay!”

Gu Nianzhi was pinned to the bed with her stomach down. Linong was using his slender right leg to press against her legs as he continued to do so.

“B \* Stard! Shameless! I’m going to get married in the future! How am I going to get married if you want me to! Ahhhh, you dirty B \* Stard!”

Gu Nianzhi’s back was facing the ceiling, so her legs were pinned down. She raised her head and tried to use the strength of her shoulders to get up.

Unfortunately, she was no match for Linong.

Although both of them were on earth and couldn’t use the spiritual power of the mainland, Linong was much stronger than Gu Nianzhi.

It was clear that Linong did not completely rely on spiritual power on the mainland of God. He had also put in a lot of physical and physical training requirements.

Therefore, Gu Nianzhi was naturally no match for him.

Hearing gu nianzhi yell, “I’m going to get married in the future! How am I going to get married?!” Linong’s hand, which was still on Gu Nianzhi’s butt, stopped.

Li Nong was stunned.

Get Married?

She was going to get married?

Gu Nianzhi turned to look at Li Nong, who was stunned by her words. She pushed him away with all her might and stood up quickly. She glared at Li Nong and ran out the door.

Just as she ran out the door, Li Nong caught hold of Gu Nianzhi’s hand.

“What are you doing? ! I’m starving! I’m going to eat!” Gu Nianzhi felt wronged at the mention of this.

She hadn’t even had dinner yet, and he was already touching her, a pervert and a scoundrel... Touching... ...

“I’ll take you to eat.” Li Nong didn’t act rashly this time. He grabbed Gu Nianzhi’s hand and brought her downstairs to eat like a boy in love.

...

On the other end of the Yun Jian.

After Shen Ji left, everything went back to normal.

After that, nothing major happened. However, everyone still followed their original plan and played a round of games such as winning the grand prize by playing balloons and throwing darts. Yun Jian did not participate, instead, he stood beside Zhu Huili and taught her how to shoot and throw darts.

“Yun Jian, you can shoot and throw darts!” At this moment, Mo Bufan could no longer use the word ‘worship’ to describe his admiration for Yun Jian. He stood beside Yun Jian and said this with extreme respect.

This was an affirmative sentence.

He did not doubt that Yun Jian could shoot and throw darts and other games.

“En.” Yun Jian merely pursed his lips indifferently.

Because of Yun Jian’s guidance as a “Master teacher,” Zhu Huili shot a medium-sized doll. Out of the dozen shots, she only missed one shot.

Zhu Huili had never shot so many balloons before. When she received the big doll, Zhu Huili jumped excitedly and hugged Yun Jian’s neck. She was so excited that she could not control herself.

In the end, nothing worth mentioning happened until the crowd dispersed.

Opposite Yun Jian, Mo Bufan, and the others, Song Yu was staring at Yun Jian’s slim figure, unable to regain his senses for a long time.

Mo Lianhua stood at the side and watched Song Yu stare at Yun Jian, unable to contain his anger.

Song Yu did not give up on pursuing Yun Jian. Mo Lianhua did not dare to stop Song Yu, but she had the urge to kill Yun Jian.

Both of them had ulterior motives.

...

About half a month had passed since the gathering on that day.

On that day, Mo Bufan, as the vice president of the Martial Arts Club, received news that a martial arts competition would be held in Jiangcheng City soon.

As long as one was a martial arts fan, they could register to participate.

Because it was not a competition initiated by the school, but an event organized by Jiangcheng City’s organizers, the school’s martial arts club was free to participate or not.

However, Mo Bufan would lead everyone to participate in this annual martial arts competition.

Moreover, their martial arts club’s opponents weren’t people from society.

They were martial arts clubs from other schools!

At that time, Yun Jian was standing in the martial arts club and said to the members, “Before the martial arts competition, I will strengthen your training these days.”

**Chapter 2045: the god of Jiangcheng, the solipsistic society**

In the past, whenever a martial arts competition was about to start, Mo Bufan would lead the members of the martial arts society to strengthen their training.

However, this year, the person leading the martial arts society was not Mo Bufan, but Yun Jian.

Yun Jian's words were echoed by most of the members of the martial arts society:

"For the sake of the competition, we are not afraid no matter how hard we work! President, feel free to increase the difficulty of our training!"

"That's right. This time, we must trample the members of the martial arts club of the neighboring Dongfang University under our feet!"

"Haha! With the president here, it won't be a problem! Last year, Dongfang University's martial arts club obtained first place, while Longcheng University's Green Bull Gang obtained second place. We are only third place."

"Now, the president of the Green Bull Gang has already been killed by the president. As long as we kill Dongfang University's martial arts club, the position of first place will belong to us!"

...

After Yun Jian's words were spoken, everyone in the martial arts club was full of fighting spirit.

The atmosphere at the scene was quickly heated up.

Everyone in the martial arts club had witnessed Yun Jian's skills and strength.

At that time, the admiration and trust towards Yun Jian had already entered deep into the hearts of everyone in the martial arts club.

"I will go and register for the martial arts competition tomorrow. In addition, the martial arts club that will register for this year's martial arts competition needs to provide a club name. Everyone, think about what kind of club name our martial arts club needs to provide."

At that time, Mo Bufan held a martial arts competition form in his hand and said to everyone.

"How about the Invincible Gang! Is this name Loud Enough?"

Immediately, a boy said mischievously.

"PFFT! Invincible Gang? What's the difference between this and the Green Bull Gang? Our martial arts club can't have such a tacky name! It's a disgrace!"

The members of the martial arts club discussed animatedly.

"How about... we get the president to help us get one?" Zhou Juntao blinked, stuck his head out to look at Yun Jian and said.

"That's right! Let the President come! The president is the spiritual pillar of our club now!"

"That's right!"

Someone immediately agreed with Zhou Juntao's words.

At that time, Yun Jian, who was surrounded by everyone, blinked his eyes.

“Are you sure you want me to take it?” Seeing this, Yun Jian raised his eyebrows slightly and said.

“Yes, yes! President, you’re the Best!” A boy named Zhou Dun looked at Yun Jian and shouted.

Zhou Dun was the fattest boy in the martial arts club. His body was like a fat block, and he walked unsteadily. He was a typical fat boy.

When Zhou Dun finished speaking, everyone expressed that they had no objections.

Therefore, everyone handed the martial arts club’s name to Yun Jian to choose.

“Bang!” At this moment, the mysterious door outside the martial arts club was kicked open.

The person walked in angrily. After the martial arts club took a few of her own things, she left angrily outside the door.

“Senior Huiling?”

“Is senior huiling back? Senior Huiling, where are you going?”

The person who returned was Cai Huiling.

Cai huiling was Yun Jian’s third-year senior who had been stepped on by Yun Jian when she had pushed Zhu Huili when she had just entered university.

Cai Huiling had entered the martial arts club because of Mo Bufan.

Ever since she had been stepped on by Yun Jian in public, Cai Huiling had not appeared in school or the martial arts club for a long time.

Cai Huiling, who appeared at that time, glared at Yun Jian and said to the crowd, “I want to quit the club! This kind of person will be the president of our martial arts club, and sooner or later, she will be finished!”

“Mo Bufan, you will regret it!” Cai Huiling closed her eyes and yelled at Mo Bufan angrily before turning around and running away.

She was probably still hoping that Mo Bufan would chase her back.

Many of the girls who remained in the martial arts club had a good relationship with Cai Huiling.

But at that time, after seeing Cai Huiling run out after saying those words to Yun Jian, no one chased after her.

“Senior huiling has really gone too far this time!”

“Exactly! OUR NEW PRESIDENT IS REALLY AMAZING!”

“Anyway, this time, I will definitely stand on the side of our new President!”

After Cai Huiling left, the girls of the martial arts club still defected to Yun Zhi’s side.

This was the charm of Yun Zhi.

At that time, Yun Zhi didn't even need to speak. He had already become the god in the hearts of the boys and girls of the martial arts club!

"Shrine." Just as everyone was discussing the excessive words that CAI Huiling said before she ran away, Yun Zhi suddenly raised his red lips and spoke in front of everyone.

"Is this... the name of our martial arts club?" Mo Bufan asked Yun Zhi on behalf of everyone.

However, Yun Zhi, who was standing in front of everyone, nodded her head and her slightly raised red arc deepened again. She pursed her lips slightly and explained the meaning of naming the club as Shinto in front of everyone:

"The god of Jiang City, the Society of only me."

Therefore, Shinto.

### **Chapter 2046: Xiao Jian was pregnant with my child (1600 + words)**

'The god of Jiang City, the Society of only me'

The God of Jiang City was none other than the martial arts club led by Yun Jian!

The words that came out of Yun Jian's mouth made everyone's blood boil with excitement.

The martial arts club! This was a name that did not allow defeat!

Whether it was in the martial arts club or in other fields, as long as the shrine was led by Yun Jian, it was not allowed to fail!

The first place belonged to them!

After a long time, everyone who recovered from Yun Jian's words was stunned for a moment.

These two words gave everyone the feeling that they were supreme! Supreme!

"Good! Good name! From now on, our martial arts club will be called the Shinto society! The God of Jiang City, the Shinto society! These eight words will be the slogan of our Shinto Society!"

When Mo Bufan heard this, his blood boiled and he felt a sense of fear. In front of everyone, he repeated the name and meaning of the Yun Jian.

At that time, after hearing Mo Bufan's words, everyone's blood boiled.

"Okay!"

"Listen to the President!"

"Whatever the President says!"

...

Everyone agreed unanimously.

Unknowingly, everyone in the martial arts club had already made the cloud note their core.

“The martial arts club’s competition will be held in about a month and a half. There’s still a month and a half left for us to train. We must increase our training progress.

“During this month and a half, as long as we have time, everyone will come to the martial arts club. Work harder. Think about the competition. If you win first place, you will receive a 30,000 RMB reward.

“If we can get this reward, we will split it equally among everyone. So, everyone, work hard for a month and a half. Come On!”

Mo Bufan encouraged the people for a while.

In fact, since Mo Bufan’s family was so rich, he naturally wouldn’t be short of thirty thousand yuan.

On the contrary, the martial arts club was established by Mo Bufan himself.

Otherwise, Jiang City University of electronic technology wouldn’t have any extra space for the martial arts club.

Mo Bufan really liked martial arts.

“There’s a prize money? Haha! I’m motivated again!”

“The first place in this martial arts competition is none other than our shrine!”

...

As expected, upon hearing that there was a prize money, everyone’s fighting spirit became even stronger.

In the next few days, the members of the martial arts club really went all out. They did as Yun Jian said.

Time passed very quickly. In the blink of an eye, seven days had passed.

By the end of November, the weather had already become very cold. In places like Jiang City, where the cold winter came earlier, many students had already put on big cotton-padded jackets.

On the day of the end of the month, the school arranged for the students to take the exam.

After Yun Jian finished writing his questions, he left the exam venue early.

University was different from junior high and high school. After you finished writing and left the exam venue, the teacher would not say anything. At most, he would ask if you were sure to hand in your exam papers.

Yun Jian was wearing a light blue down jacket. It was a very ordinary jacket, but on Yun Jian, it showed off his stature.

At that time, Yun Jian put his phone and hands into his pockets and walked toward the university entrance.

He had just sent her a message that he was waiting for her at the university entrance.

Unexpectedly, just as Yun Jian walked out of the gate, he was stopped by Song Yu who had just come from Dongfang University. "Yun Jian!"

With that, Song Yu held a rose in one hand and ran toward Yun Jian.

Ever since the gathering, Song Yu had given the cloud tablet roses every day without missing a single day.

However, the cloud tablet never paid any attention to them, let alone taking them.

"Yu..." Mo Lianhua watched as Song Yu ran towards the cloud tablet. She was in a daze as Pan Qian supported her.

"This little B \* Tch! She doesn't accompany her rich, short, and fat boyfriend! She seduces Senior Colonel Song every day and is cheating on him. It's so disgusting!" After Pan Qian supported Mo Lianhua, she said angrily.

However, just as Pan Qian finished speaking, she suddenly saw Song Yu happily walking to the side of Yun Jian. When he was about to walk to the side of Yun Jian, the figure of a man who was so handsome that even the gods were angry had already arrived in front of Yun Jian.

Then, this handsome man grabbed Yun Jian's slender waist and looked at Song Yu who was holding a rose in his hand with a murderous look. Compared to him, Song Yu was in an extremely sorry state.

Such a handsome man! He actually wrapped his arms around Yun Jian's slim waist in front of everyone!

Mo Lianhua and Pan Qian both drooled.

Who was he!

Why was there such a handsome man in this world!

"Who are you! Why Are You Hugging My Woman!" Song Yu saw Si Yi suddenly appear. He looked at Yun Jian angrily and shouted at Si Yi.

He looked like he had already gotten the Yun Jian.

"Your Woman?" Si Yi frowned when he heard that.

"When did my wife become your woman?" Si Yi hugged the thin waist of the cloud paper tightly.

"Wife? !" Mo Lianhua and Pan Qian, who were far away, cried out in shock.

"No, that's impossible! Are You Yun Yi's short and fat boyfriend? !" Song Yu shook his head in disbelief.

He's short and fat?

Si Yi's handsome brows furrowed slightly.

Then, before Song Yu could react, Si Yi had already raised his handsome eyebrows.

After showing off the country R marriage certificate he had with Little Jian, Song Yu, Mo Lianhua, and Pan Qian turned pale with fright. He took out the pregnancy test sheet that he had kept at the hospital

the last time. Although the pregnancy test sheet was wrong., the words 'confirmed pregnancy' were still on it.

Si Yi's slender, well-defined fingers clamped the pregnancy test sheet and showed it to Song Yu, Mo Lianhua, and Pan Qian.

Then, with Song Yu and the other two's expressions as if they had eaten shit, Si Yi's face didn't turn red. His heart didn't skip a beat as he continued his lie that was so thick-skinned that even a gun couldn't break it:

"Xiao Jian is already pregnant with my child."

### **Chapter 2047: had been listed on the kill list**

Yun Jian glanced at the pregnancy test sheet in Si Yi's hand and suddenly blushed.

He didn't expect that paper to be hidden by him.

Yun Jian had a bad premonition. He felt that this paper was very likely to replace the country R marriage certificate...

"No, impossible! It must be fake! Fake!" Song Yu shook his head while holding the rose in his hand.

"Yunjian, I placed 99 Rose Love Circles for you last time, and I sent you roses every day for so many days. My love for you can be sworn to the heaven!

"How can you not understand my love for you!"

Song Yu looked at Yunjian with a look of betrayal on his face.

When Yunjian saw this, a contemptuous smile appeared on his face.

This man actually placed a love circle of ninety-nine roses on Yun Jian?

Si Yi, who was not so jealous just now, was instantly filled with jealousy.

Just now, Si Yi did not have any intention of killing Song Yu. At this moment, Si Yi frowned slightly and a murderous intent spread from his side.

Song Yu, Mo Lianhua, and Pan Qian could not help but feel a chill down their spines.

Before Si Yi could make a move, Yun Jian had already wrapped her arms around Si Yi's chest. Her head was only enough to reach Si Yi's chin, and Yun Jian pressed her side profile against Si Yi's chest.

This scene was so loving that it blinded Song Yu's eyes.

However, that was not all. Yun Jian was in front of Song Yu, Mo Lianhua, and Pan Qian, who had initially said that Si Yi was a short, fat, and low-class son of a rich family. Now, they were all dumbfounded.

She stood on her tiptoes and raised her hand to grab Si Yi's collar like a kitten scratching an itch. Si Yi could not help but bend down when she grabbed him.

In front of everyone, she brought her red lips to Si Yi's mouth and took the initiative to kiss him.

After a light peck, Yun Jian once again pressed her side profile tightly against Si Yi's chest. After that action, which was even more intimate than a couple, Yun Jian cooperated with Si Yi and said something that made the three people in front of her so angry that they almost vomited blood:

"We're already married. Having sex is a matter between husband and wife. Even if you're pregnant, it's reasonable. Why Not?"

Yun Jian's words were very smooth. When Si Yi, who felt the side of his little Jian's face pressed against his chest, heard these words, a handsome smile appeared on his face.

His little Jian could also say such beautiful words.

The words 'romance', 'Marital Affairs', and 'pregnancy' were like a bolt of lightning that struck Song Yu's heart.

Mo Lianhua had long forgotten that Song Yu was pursuing Yun Jian. She kept staring at Si Yi, unable to believe that this handsome man, who was even more handsome than the handsome man in the manga, was Yun Jian's boyfriend.

That legendary short and Fat Man!

Pan Qian was also shocked to the point where she stood rooted to the ground.

Who told her why Yun Jian's boyfriend was so handsome!

No, this could not be described as handsome at all!

He was so handsome that there was no other man in the world who could be more handsome!

There was not a single flaw in that handsome face that looked like it had been meticulously carved.

Standing next to Yun Jian, one was as handsome as this, while the other was as beautiful as jade. There was not a single flaw or flaw that could be found.

Mo Lianhua and Pan Qian were extremely envious of this scene.

"Even so, there is no one in this world who is more compatible than us! Yun Jian, you must be mine! Look, you are also a person in the bloody world, and so am I! My father is the leader of the number one gang in Jiang City!

"Come with me, I won't despise you. Even if you're pregnant with someone else's child, as long as you abort it, we..."

Even after listening to Shen Ji's words and now knowing all this, Song Yu still refused to let go.

As he spoke, Song Yu reached out his hand to pull Yunjian's wrist.

However, before Song Yu's hand could touch Yunjian, he was kicked more than ten meters away.

The one who attacked was undoubtedly Si Yi.

After Si Yi sent Song Yu flying more than ten meters away, a fierce killing intent welled up. He looked coldly at Song Yu, who was about to spurt blood, and his cold warning voice immediately rang out. Song Yu, who was so shocked that he fell to the ground and could not get up, was so frightened that his heart started to pound violently:

“How Dare You Dream of My Woman, the number one gang in River City? Very good. Your father’s gang has already been listed on the death list of my dark soul organization.”

#### **Chapter 2048: is already married. She is my wife**

Si Yi’s words were like the call of the King of Hell. His voice reached the ears of Song Yu, Mo Lianhua, and Pan Qian.

Mo Lianhua and Pan Qian almost screamed when they saw Si Yi’s kick just now.

So handsome!

They had never seen a man as handsome as Si Yi in their lives!

Especially the scene where Song Yu was sent flying with a kick just now. Si Yi was half-hugging the cloud paper.

What Gang Si Yi said almost made Mo Lianhua and Pan Qian scream like a nymphomaniac.

But in the end, they held it in.

Mo Lianhua was initially wanting to kill Yun Zhi for Song Yu confessing to Yun Zhi, but at this moment, Mo Lianhua did not even look at Song Yu.

If she could, she wanted to exchange with Yun Zhi!

However, unlike Mo Lianhua and Pan Qian, although Song Yu did not participate in his father’s gang matters, he had heard his father’s words many times.

In the underworld, the one that one should not offend the most was not an international gang leader, much less an international arms magnate.

Compared to the two organizations, the international gang leaders and international arms magnate had to stand aside.

And these two organizations, one was called the dark soul organization, and the other was the famous ancient kill mercenary group.

Anyone who offended these two forces would be equivalent to standing directly above the coffin, a distance of zero meters from the Grim Reaper!

Song Yu was no stranger to the Dark Soul Organization’s ultimate kill list.

Song Yu’s father, Song Fan, had warned Song Yu with a very strict attitude. He said that anyone who was listed on the Dark Soul Organization’s ultimate kill list would become a wanted criminal of the dark soul organization.

In the future, as long as an assassin or agent of the dark soul organization saw them, they would directly destroy the wanted person or organization with a bounty.

One had to know that even if only one assassin or agent of the dark soul organization came, they would have the strength to destroy a gang!

When Song Yu first heard about it, he was so scared that his face turned green and purple. He even swore that he would never provoke the people of the dark soul organization in his life.

But what did he just hear?

He actually heard Si Yi say...

His father's gang had already been listed on the Dark Soul Organization's kill list!

'My Dark Soul Organization'?

Si Yi's five words made Song Yu's eyes widen.

"You, you, you, you are a member of the Dark Soul Organization!" Song Yu was sent flying more than ten meters away. At this moment, he did not have the time to get angry or cover the area where he was hurt. He looked at Si Yi with his eyes wide open.

Mo Lianhua and Pan Qian did not know what was going on when they saw how Song Yu was so afraid of the dark soul organization, but they were even more fascinated by Si Yi's handsomeness.

At that moment, Mo Sen, who had been standing not far away, walked over from the side.

"Young master, the number one gang in Jiang city has been listed on the kill list." Mo Sen had already followed Si Yi's words.

"Okay." Si Yi withdrew his eyes from Song Yu and placed them on Yun Jian.

Then, he held Yun Jian's little hand in front of Song Yu and the other two and turned around to leave.

Song Yu was completely paralyzed on the ground.

Mo Lianhua and Pan Qian wanted to chase after him, but they were frightened by Mo Sen's sharp eyes.

...

At that time, Si Yi was walking on the street with Yun Jian in his hand.

"Little Jian, why are your hands so cold?" Si Yi felt the cold hands of Yun Jian and asked softly.

Yun Jian adjusted the light blue down jacket he was wearing and said, "I just finished writing the test paper in the classroom."

When he was writing the test paper, he held a pen in his hand. It was similar to the weather in winter, so his hands were naturally cold.

When Si Yi heard this, he frowned slightly. Without saying anything, he pulled Yun Jian to a milk tea shop and ordered a cup of milk tea for Yun Jian to warm his hands.

Before the milk tea was ready, Si Yi used his big hand to hold the cloud paper's small hand to warm the cloud paper.

The owner of the milk tea shop passed the milk tea to Si Yi. He quickly passed the hot milk tea to the cloud paper to warm her ice-cold small hand.

Seeing this scene, the owner of the milk tea shop couldn't help but sigh:

"Young man, there aren't many college students like you who dote on your girlfriend!"

After the owner of the milk tea shop said that, he thought Si Yi would be proud of how he doted on his girlfriend. However, Si Yi frowned slightly and explained unhappily,

"She's not my girlfriend. We're already married. She's my wife."

#### **Chapter 2049: Si Yi told her to call out obediently**

When he heard the owner of the milk tea shop say that Yun Jian was only his girlfriend, Si Yi was not happy.

At that time, the owner of the milk tea shop who heard Si Yi's explanation paused slightly. Then, the owner immediately put on a 'I know everything' attitude.

Although he did not believe that Si Yi and Yun Jian were already married.

However, the owner of the shop believed that Si Yi completely doted on Yun Jian.

The weather was so cold that it looked like winter. The pedestrians on the street didn't even want to reach out their hands that were stuck in their pockets.

Si Yi used his big palm to warm the little cold hands of the cloud paper.

After milk tea was done, he handed milk tea to her immediately.

The shop owner was also experienced and had a wife he loved deeply. He nodded with a smile. Although he thought that Si Yi and the cloud paper's marriage was fake, he still nodded as if he believed it. He looked at the cloud paper and couldn't help but sigh:

"Miss, you have a husband who loves you deeply!"

"Since you are a couple, then live well! Hehe, play when you should play, and study when you should!"

The shop owner looked at Yun Jian and Si Yi with a kind face and urged them.

The shop owner thought that Yun Jian and Si Yi were both college students, and the shop owner himself was only in his forties, but he showed a kind face. He looked like an old man in his fifties or sixties who was carefully exhorting his juniors.

Hearing the shop owner's words, Yun Jian was stunned, but his red arc slightly rose.

"You Old Thing, the customers behind are all lined up like a mountain. You must be so busy. Hurry up and help me!"

The lady boss was busy making milk tea and fried chicken ribs by herself. She gently grabbed the shop owner's ear and yelled at the shop owner in a playful tone.

After being yelled at by his in-laws, the owner happily waved at Yun Jian and Si Yi and went to work.

The Lady Boss was fierce to her husband, but when she saw Yun Jian and Si Yi, she nodded with a smile and continued to work on her own.

In this era, milk tea was not popular yet.

The business of this milk tea shop was very good, but the seven big words on the shop sign represented that the milk tea shop had not joined:

The Zhang couple's milk tea shop.

Then Si Yi did not say anything. He took Yun Jian and left the place and returned to his and Yun Jian's warm room.

Si Yi had bought a luxurious suite nearby in Jiang City. As long as he had time to come to Jiang City, Yun Jian would come out from his dorm to stay.

In the university, there were many girls who went out with their boyfriends to get a room at night. If Yun Jian was not in the dorm, no one would know.

...

At that time, Yun Jian bit Si Yi's shoulder that did not have any fat, and Si Yi made a shameful move.

At that time, the two of them were staying in the luxurious suite that Si Yi bought for him to meet Yun Jian.

The orange lights in the room shone down. The lights were dim and not cold.

However, Yun Jian could see clearly what Si Yi was doing on his body.

Even when he was doing such a thing, his handsome face did not change at all.

If Si Yi was not naked, Yun Jian would have thought that he was the only one who was doing such a dirty thing.

Yun Jian almost could not hold it in and screamed, but she held it back in her stomach.

Doing such a shameful thing was already embarrassing enough. If she screamed again, where would her face go?

"Little Jian, shout it out." His handsome arc was raised. Under the dim light, he was as handsome as ever.

Yun Jian simply pressed her face against his shoulder. She was so embarrassed that she did not dare to look at him.

"Little Jian, be good. Shout it out." He continued to coax her.

Then, he bit on Yun Jian's ear. Yun Jian's numbness softened and she could no longer hold it in. She let out a moan that made her feel shy:

“Uh-huh...”

## **Chapter 2050: Gu Nianzhi has sex in the water**

Yun Jian, who had been forced to scream, couldn't bear it any longer.

Of course, this was all thanks to someone's hard work.

...

At that time, it had been more than twenty days since Li Nong had promised Gu Nianzhi to take her to the mainland of gods.

After Li Nong had taken Gu Nianzhi to a small restaurant for dinner, he hadn't done anything else.

He hadn't taken Gu Nian to the mainland of gods either.

Of course, he hadn't broken his promise. Li Nong had just arrived on Earth and had no intention of going back.

But at that moment, Gu Nian angrily knocked on Li Nong's door.

Li Nong, who was dressed in formal attire, opened the door. When he saw that it was Gu Nian standing behind the door, no one saw him. Li Nong, who had only been glancing at the door, had his eyes light up slightly.

“Hey, Kid! Are you playing with me? It's been almost a month. Why aren't you taking me to the continent of gods?”

“Let me tell you, if you don't take me to the continent of gods, I'll follow you all the time in the future. I Won't leave! I'll wait for you until you take me to the continent of gods! Otherwise, ptui, you won't be able to walk out of this door!”

Gu Nianzhi straightened her body and spread her legs and arms like a spider. She had an expression that said, “If you don't agree with me, I won't leave.”

“Are you sure you want me to follow you wherever you go?” Li Nong raised his eyebrows slightly when he heard Gu Nianzhi. He suddenly looked down and met Gu Nianzhi's eyes. A sly and deep smile appeared on his handsome face.

Gu Nianzhi saw this sly and deep smile and she took a deep breath.

Then she looked at Li Nong again. Why did she feel that something was wrong?

But Gu Nianzhi didn't think too much about it. She nodded at Linong and laughed as she reached out her hand. “That's right! That's right, I'll follow you wherever you go. I'm so annoyed with you! You Dirty Bastard, you still don't Keep Your Word...”

“Then let's Go!” Linong didn't wait for Gu Nianzhi to finish speaking before grabbing her wrist and closing the door to his hotel room. He dragged Gu Nianzhi out of the hotel.

“Hey, what are you doing? What are you doing? Why are you taking me? !”Gu Nianzhi wanted to struggle free of Linong’s grip, but was dragged away by Linong.

Previously, Gu Nianzhi hadn’t been like this. At the time, Gu Nianzhi had called herself “Sister”all the time because she wanted to pretend to be a big brother in front of linong.

“Let me tell you, it’s useless no matter where you take me! I Won’t listen to You!”In order to show her determination, Gu Nianzhi patted her chest and said to Linong.

“Let’s eat.”Linong suddenly curved his lips into a smile when he heard Gu Nian’s solemn words.

“You’re not going?”He added.

Gu Nian swallowed when she heard the word “Let’s eat.”The word “Not going”that was on the tip of her tongue was forcefully changed. “I won’t forgive you even if we eat. You have to take me to the mainland of gods!”

“Okay.”Li Nong replied quickly this time. After he finished speaking, he pulled Gu Nianzhi towards the restaurant.

Gu Nianzhi, who was completely focused on eating, did not realize that her hand was being held by someone. She did not let go the entire way.

...

At the same time, Si Yi carried the limp and exhausted cloud paper into the bathroom to wash it.

At first, Si Yi really did wash it carefully for the cloud paper.

“I’ll get up first. You Soak slowly.”The cloud paper had been soaking in the bathtub for a long time, so it wanted to get up first.

However, when the cloud paper stood up, it scanned the beautiful Si Yi and actually knew to press the cloud paper into the bathtub...

“Little paper, you’re So Beautiful.”Si Yi swept his gaze across the cloud paper without any obstacles.

What did this look mean? The cloud paper and Si Yi had been together for so long, it could be seen at a glance.

The 666 days of the divine spring immediately appeared in Yun Jian’s mind.

“Don’t, don’t do it here...”Yun Jian blushed in embarrassment, revealing the face of a young girl that only appeared in front of him.

“Little Jian, I can’t wait any longer.”

After saying that..
