Chapter 2381: Chapter 2380: whether or not you're pregnant

Translator: 549690339

Wei Min stood behind Yun Jian. When she shouted these words at Yun Jian, she was full of confidence.

It was as if she had all the evidence. Her arrogant voice made Si Yi, who was holding onto Yun Jian's little hand and about to leave, suddenly stop in his tracks.

Even Yun Jian, who was about to move forward, suddenly stopped.

When she suddenly saw Yun Jian and Si Yi's reaction, Wei Min thought that she had made the right bet. She let out a wanton laugh. After that, she leaned back because of her maniacal laughter and continued:

"I forgot that you still don't know that you're pregnant! I was the one who bribed the school doctor to hide this from you at the school's clinic last time."

"Ha! How is it? That handsome guy over there, you have to be more careful when looking for a girlfriend in the future! This kind of woman who has been lost for ten years before finding her way home, who knows how many people have raped her!"

"I reckon that she doesn't even know who the bastard in her belly is!"

Wei Min's words were full of logic, as if that was the truth.

Si Yi did not hear Wei Min's words clearly. When he heard Wei Min say that Yun Jian was pregnant, he paused for a moment. In an instant, the corner of his lips curled up, and his handsome face, which even Wei Min could not help but turn to look at, lifted, a smile of undetectable joy appeared on his face.

In the next second, in front of Wei Min, Si Yi grabbed Yun Jian's small hand and pulled him into his embrace. He hugged her tightly from behind Yun Jian and placed his hand on her abdomen.

Because he was afraid that pressing his hand on her abdomen would affect the child in her stomach, Si Yi did not dare to use too much force.

This unconcealable joy and the way he doted on Yun Jian so much that he wished he could treat her with everything he had made Wei Min's heart thump.

Could it be that the child in Yun Jian's stomach was...

Before Wei Min could react from Si Yi's actions, and before Si Yi and Yun Jian could speak, a shocked, slightly hoarse young man's voice suddenly sounded. There was a slight tremble in his voice as well as disbelief:

"What! Wei Lin... Wei Lin is pregnant! ?"

Just as his voice fell, four figures walked out from the forest by the side of the small path beside the academy's Stadium.

These four figures were Luo Jiajun, Luo Jiachen, Wei Ze, and Hong Ling.

The owner of the young man's voice just now was none other than Luo Jiajun.

Luo Jiajun just happened to have followed Yun Jian and Si Yi out just now. However, when he heard Wei Min's words, Luo Jiajun's face turned deathly pale.

Seeing Luo Jiajun's sudden appearance, Wei Min's face turned even paler. However, she gritted her teeth and decided to go all out. She spoke to Luo Jiajun in a soft voice that had changed the sharp tone of her voice to that of a neighbor's younger sister:

"Brother Jiajun, I heard from the school doctor that she's pregnant!"

"How long has it been since she returned to our Wei family? The school doctor said that she's already two months pregnant!"

"At that time, she hadn't returned to the Wei family! What does this mean! This child is very likely that she was fooling around outside and got pregnant!"

"She got pregnant before marriage! A young lady from a wealthy family got pregnant before marriage! She is destined to be ridiculed by others for being lascivious and unable to endure the loneliness! She is simply ruining the reputation of our Wei family!"

This time, Wei Min had sufficient words to prove that Yun Jian had done bad things before returning to the Wei family!

Women in the countryside got married early and got pregnant early. However, the marriages of wealthy families were not too early, let alone getting pregnant before marriage?

This would be laughed at by others!

Wei Min made a solemn vow that Si Yi would immediately dump Yun Jian after hearing the news of Yun Jian's pregnancy. Her brother Jiajun would also change his mind.

However, just as Wei Min thought so, Luo Jiajun's face turned pale.

Si Yi, who was standing in front of her, hugged Yun Jian's waist from behind and took back a handsome hand that was gently placed in front of her abdomen as if it was protecting some treasure.

After that, without waiting for everyone to make a sound, he was brimming with a smile that was so handsome that it made people and gods angry. He took out the country R marriage certificate from his pocket and showed it to everyone:

"Who said that we were pregnant before marriage? She is my wife. Whether she is pregnant or not, it is not up to you to tell us!"

Si Yi's words were clearly transmitted into the ears of everyone present. His magnetic and mellow voice was particularly attractive. It was so straightforward that it was enough for women to pursue it. It was just like the voice of his fantasy that rang out.

That sound was like a huge bell that fiercely struck Wei Min, Luo Jiajun, and Wei Ze's ears. It was like a message that could shatter the heavens and earth, causing everyone to tremble.

"What did you say! She... you... you... This child is also? You..."

After Wei Min heard Si Yi's words, it was as if someone had hit her head with something that weighed 500 kilograms. Her body suddenly trembled, and then she stopped and fixed her eyes on Si Yi, she spoke incoherently.

"The child in her stomach is yours? You've already gotten a marriage certificate! ?" Luo Jiajun added the rest of Wei Min's words.

At this moment, Luo Jiajun used his trembling words to ask this question.

He was afraid that Yun Jian or Si Yi would say yes!

So they already had a child!

They even got a marriage certificate!

Even if the marriage certificate wasn't from Z country, even if Yun Jian hadn't reached the legal age to go to the Civil Affairs Bureau to register their marriage!

However, Yun Jian and Si Yi already had a marriage certificate, so it was legal!

Luo Jiajun's entire body trembled.

It was the first time he was so interested in a girl, and it was also the first time he paid so much attention to a girl!

In the end, not only did this girl get married, but she also had a child...

"Not bad, Wei Lin! Awesome! You're already pregnant! No wonder you like eating pickled cabbage so much recently. You eat it every day, every meal, and even eat three times my appetite alone!"

"By the way, Wei Lin, if the child in your stomach is a girl, how about you save it for me to be my future wife? I'll wait for her for eighteen years! Haha!"

Just when the atmosphere of the scene began to subtly enter a low ebb, Luo Jiachen spoke with a relaxed tone.

Luo Jiachen really did not realize the subtlety of the atmosphere. He was originally a disobedient person. He usually played games on his cell phone and played video games and group fights. He was a very casual person.

At that time, Yun Jian, who was called by name, came back to her senses. On the surface, there was no change in her expression, but in the bottom of her heart, there was a strange feeling.

She... was pregnant?

She was pregnant with his child?

At this moment, Yun Jian's mood was very complicated.

When he really learned that he was pregnant, Yun Jian's mood was very perturbed.

After the child was born, would she not be a good mother?

But to be honest, Yun Jian was more surprised and happy than nervous.

As long as she thought of a small life quietly growing in her stomach, Yun Jian's heart pounded wildly.

Although she looked neither cold nor indifferent on the surface, Yun Jian's red lips, which were clearly upward, foreshadowed her current mood.

"Hey, Wei Lin, to be honest, if you really give birth to a daughter, I will never marry her for the rest of my life. Do you agree to marry her when she turns 18?"

"If you give birth to a boy, then in another six to seven months, will you be able to give birth to a child to play with? Scratch, pinch your cheeks, lift, the child is really fun."

"The last time, there was a little baby who cried because I played with him, but it's not my fault. I only ravaged him a few times. I really didn't do anything bad. Wei Lin, if you're going to give birth to a boy, can you lend it to me for two days?"

The little baby was very fun. His cheeks were tender, pink, and round. Using his fingers to poke at their cheeks was like poking a sponge.

Luo Jiachen was very excited. When he said this, he looked at the cloud tablet eagerly, waiting for the cloud tablet to agree with him.

But just as he said this, Luo Jiachen felt a cold wind sweeping over from the side of the cloud tablet.

Luo Jia Chen was like a robot as he turned his head around with some confusion. He just happened to see Si Yi's pair of black eyes that were flashing with killing intent staring at him. His thin lips moved and Si Yi looked coldly at Luo Jia Chen, he said to Luo Jia Chen in front of everyone with an expressionless face:

"Are you courting death?"

These two simple words came out of Si Yi's thin lips, but they carried a cold and sharp killing intent.

After that chilling sound spread, everyone present was suddenly shocked, and it took them a long time to react.

Especially Luo Jia Chen. Luo Jia Chen had only said what he thought in his heart, but he didn't expect Si Yi to say such a terrifying word.

As soon as he said that, Luo Jiachen was so scared that he shivered. Then, he quickly waved his hand and shook his head, “No, no, no! I don’t want to Die! I don’t want to Die! Big Brother, I was wrong! Just pretend I didn’t say anything! I didn’t say anything, Ha! I didn’t say anything!”

Luo Jiachen was terrified. He stood behind Luo Jiajun and quickly shut his mouth.

After shutting his mouth, Luo Jiachen opened his mouth and said to Yun Jian and Si Yi, “You guys really look like husband and wife! A perfect match! I, I am speaking from the bottom of my heart! Hehe!”

Luo Jiachen was not afraid of offending his big brother, Luo Jiajun. After he finished speaking, he stood behind a big tree at the side, stretched out his hand to hug the tree, and hung his long legs on the tree.

In his heart, he thought to himself: you bunch of immortals fighting, it has nothing to do with this young master!

No one paid any attention to Luo Jiachen’s cowardice. At this moment, Wei Min, Luo Jiajun, and the others had already recovered from their shock.

In fact, it wasn’t just the current college students. In this era of 2003, college students had already begun to date men and women. The feudal ideology of the old era of the last century was already outdated.

And men and women were dating. After all, they were still young. Sometimes, it was inevitable that they would steal the forbidden fruit, and it was difficult for them to control their emotions. Of course, most men and women would find it difficult to get together in the end.

Therefore, as a girl, she had to protect herself. She had to not be taken in by a few words from an ordinary boy. She had to think that she was very knowledgeable and knew what she was talking about. She had to fall in love with the other party and be deceived.

She had to remember one thing. A person with real strength, even if he did not boast, would know his strength! People who talked about being powerful all day were most likely fake and did not have any real abilities.

After returning to reality, it was not uncommon for college girls to get pregnant. There were also some who secretly went to have an abortion. Of course, there were also people like Yun Jian and Si Yi who directly used a foreign marriage certificate to get pregnant. Moreover, looking at their appearance..., there were only a few who did not plan to hide the abortion at all.

“Luo Jiachen, just you wait. I will deal with You When I go back!”After hearing Luo Jiachen’s words, Luo Jiajun was angry and then shouted.

After that, just as Luo Jia Jun was about to speak, Wei Min, who was standing in front of Yun Jian and Si Yi, suddenly gave a cold smile that was completely different from before. “You’re here, Hehe.”

As she spoke, Wei Min even cast a sidelong glance at Yun Jian.

Yun Jian had long noticed that Wei Min was different from the average young miss.

Wei Min was very smart, but her cleverness was used in a bad way.

Yun Jian only narrowed his eyes.

At the moment when Yun Jian narrowed his eyes, a group of middle-aged men in their forties or fifties appeared on the other side of the Academy’s Path.

When Yun Jian saw that group of people, his eyes slightly paused.

That group of people was none other than the upper-class families of Puluo City!

When Yun Jian had just entered the Wei family, she had seen those people at the banquet Wei Xiao had organized for her to return to the Wei family.

And the person in the lead was Wei Xiao!

Wei Xiao had just arrived here with his wife, Wang Ruoya. He scanned the surroundings and saw that there was no banquet venue that Wei Min had told them about, he was stunned. “Min ‘er, didn’t you send an invitation to everyone in my name saying that the academy would be holding a banquet? This is...”

“I’m sorry, I’ve gathered everyone here today because I want to announce something to everyone! Ha! Previously, I didn’t have any evidence, so I didn’t say anything. But now, I’ve found sufficient evidence!

“I’ve already asked someone to take Wei Lin and my father’s samples for DNA testing. They’ve discovered that Wei Lin isn’t my father’s biological child, so... .. I want to tell all of you from the upper class that she, Wei Lin, is simply a liar!”

Wei Min had already calculated that she would surround Yun Jian here. However, Yun Jian and Si Yi leaving early was something Wei Min had never expected. Thus, Wei Min had no choice but to run out and stop Yun Jian and Si Yi.

However, Yun Jian and Si Yi completely ignored her. In the end, she had no choice. Afraid that her plan would fail, Wei Min went all out and directly told Yun Jian and Si Yi that Yun Jian was pregnant.

This was just a trick Wei Min used to stall Yun Jian and Si Yi.

Wei Xiao, Wang ruoya, and even the Luo and Hong families of Puluo City, who were also the father of Luo Jiajun and Luo Jiachen, as well as Hong Ling’s father, were all standing here.

Moreover, everyone was wearing formal clothes, as if they were rushing to attend the banquet. However, it was actually Wei Min who used her father’s name to send out invitations to everyone.

Wei Min’s motive was very simple. She only wanted to expose the true identity of the cloud note in public — she was not the youngest daughter of the Wei family, Wei Lin!

She was a fake!

After Wei Min said this, everyone present booed for a while.

Everyone instantly forgot that Wei Min had used her father’s name to trick them all into coming here. They all looked at the cloud note with great interest.

This news was explosive!

To ask how Wei Min had used the cloud note and her father’s sample for DNA testing, this matter had to be brought up by her collusion with the school doctor, Doctor Jiang.

Doctor Jiang picked up a strand of hair from the cloud note and used it to do a DNA test with Wei Min's father's hair.

Not long after receiving this news, after learning that the cloud note wasn't the real Wei Lin, Wei Min immediately arranged this drama. Her goal was to expose the true face of the cloud note in front of all the people from the upper-class families!

"She's not the real Wei Lin! ?" Luo Jiajun widened his eyes and asked after Wei Min's words.

"Brother Jiajun, I'm not framing her. The evidence is here!" Wei Min laughed coldly and took out a DNA test report from her pocket.

Everyone clearly saw that on the DNA test report, it was clearly marked that the Yun Jian and Wei Xiao couldn't be close relatives. This also meant that they couldn't be father and daughter.

After receiving the DNA test list, Wei Min looked at Yun Jian with a smug expression. Then, she stepped forward like a winner and stood in front of Yun Jian. She raised her head and tiptoed to barely meet Yun Jian's eyes. She sneered and said,

"You are very powerful. You actually managed to deceive my father and successfully pretend to be my sister to come to my house to enjoy wealth and prosperity!

"But there is no wall in this world that is impenetrable. You think that you are very powerful, but in fact, you are not even able to withstand a single blow!

"Tell me, who are you? A commoner? A street thug? A beggar? It's fine even if you don't tell me. Heh, you'll definitely pay for your actions!"

As soon as Wei Min finished speaking, she looked at Yun Jian with an aggressive gaze.

At this moment, Wei Xiao, who was standing at the side, suddenly took a step forward and slapped his daughter's face in front of everyone present. Then, he said in a terrified tone, "You don't want to live anymore! How dare you talk to her like that!"

As soon as he said this, everyone was shocked!

Could it be that Wei Xiao knew that Yun Jian was not his own daughter, Wei Lin, whom he had lost for ten years?

At this moment, even Wei Xiao's wife, Wang Ruoya, stared at him and shook her head.

"Dad? What... What did you say? She's an imposter. Could it be that you... could it be that you know about this! ?" Wei Min also looked at Wei Xiao in disbelief and asked loudly.

However, just as Wei Min finished speaking, a beautiful female voice that sounded like the music of the heavens spoke out first:

“Your dad naturally knows about this because I was the one who threatened him.”

The one who spoke was Yun Jian.

As the sound of her voice faded, everyone’s eyes turned towards Yun Jian.

However, they only saw Yun Jian curling her red arc. Above her expressionless face, a ruthless killing intent flashed through her sharp eyes. At this moment, in the eyes of everyone, she was like a ruthless king of murder, the sound that terrified everyone suddenly rang out at the same time, and it spread throughout the entire area. Wei Min, Luo Jiajun, and the others widened their eyes, and their faces instantly turned pale:

“Don’t you want to know what my identity was before I came to the Wei Family? Then I’ll tell you.

“Listen to me, I’ll only say it once.

“I’m from the International Assassin Dark Soul Organization. I made my debut to kill people when I was twelve, and I killed the former BOSS of the ancient kill mercenary group when I was fourteen. In the circle, those old guys all called me by my code name, Sha Shen!”

The Number One spy in the international spy rankings, the God of Destruction!

That was a person who would scare the living daylight out of anyone who heard of him. His name alone was enough to scare the top business executives in the entire world!

After the words of the cloud note were spoken, the surroundings instantly became silent.

All the clamor, as well as the whispers and discussions after learning that the cloud note was not the youngest daughter of the Wei family, Wei Lin, suddenly stopped after the words of the cloud note were spoken.

The quiet path, which was not wide to begin with, was terrifyingly quiet for a moment.

Dozens of people came and went in all directions, but none of them made a sound just now. All of them shut their mouths at the same time. The scene was indescribably strange.

One could still vaguely hear the shouts of the end of the fencing competition coming from the gymnasium not far away. However, at this moment, this group of people was so quiet that it was frightening.

At this moment, everyone's eyes were all looking at Yun Jian. Their eyes were wide open, and some of them even had their mouths wide open. They looked as if they were frightened by something.

This was especially so for Wei Min, who had been aggressive previously and wished that she could dig out Yun Jian's identity.

Wei Min's face turned pale at a speed that could be clearly seen by the naked eye. Her originally somewhat blood-red face had turned extremely pale at this moment.

What did she say!

What did Wei Lin Say!

She was...

In her circle, those old guys called her by her nickname...

Sha Shen!

The Number One spy in the international rankings, the BOSS of the Gu Sha mercenary group. She was once famous for the "Bloody Night Incident". Her strength swept the entire world, causing all the international bigwigs to be terrified when they heard her name. She killed without batting an eyelid and did not leave a single trace behind!

Wei Min's body began to tremble violently at the same moment. It was as if she had found out about something that was so terrifying that her lips trembled violently.

"What did you say! You Are... !!!" Compared to Wei Min's frightened and frightened expression, Luo Jiajun's forehead shook. He felt as if he had been enlightened for the rest of his life.

He stared at the Yun Jian for two seconds before his mouth opened wide.

To Luo Jiajun, the reason why he paid so much attention to Yun Jian was that Yun Jian was very unique. Her every move, every word, and every action was different from those girls who surrounded him all day long.

There was no lack of beautiful girls around Luo Jiajun, but Yun Jian was the only one who caught his attention.

However, when he found out Yun Jian's identity, Luo Jiajun was dumbfounded. He was completely stunned.

Not only Luo Jiajun, Hong Ling, Luo Jiachen, Wei Ze, Wei Xiao, Wang Ruoya, and all the people from the upper class of Puluo City were stunned. They stared at the scene in front of them, they couldn't come back to their senses for a long time.

"You're not Lin 'er, then, then, then... then where did my Lin 'er go? Lin 'er didn't come back at all, did she? Where's My Lin 'er? Where did she go?"

Wang Ruoya had been watching the whole process from the beginning. Now that she heard Yun Jian's words, what she cared about was not who the Yun Jian was, but the whereabouts of her youngest daughter, Wei Lin. So she looked at the Yun Jian, with a face full of grief and despair, she asked this question.

"Yes, didn't you promise me that you would help me find my youngest daughter? Then, may I ask... have you found her..."

Wei Xiao also recovered from his earlier panic. He looked at the cloud paper, slightly bent his body, and asked the cloud paper.

"Dad! It's already been ten years. Even if she really is the god of the moment... she probably doesn't have the ability to find my biological sister! Moreover, based on her one-sided words, how can we be sure that she is the real god of the moment!"

Wei Min actually believed it in her heart, but she was unwilling to admit it.

During this period of time, Wei Min had always treated the cloud note as her opponent, so she instinctively didn't want to believe her identity.

"Of course I found her." However, just as Wei Min's words rang out, the cloud note curled up and smiled disdainfully.

Then, she stretched out a hand and snapped her fingers softly, as if she had long expected the situation today.

After the sound, a girl who was much more beautiful than Wei Min walked out of the small forest on the side, but had similar facial features...

The young girl was dressed in neat black jeans, a white tight-fitting outfit, and a leather jacket. She walked towards them from the small forest with a slightly elegant pace, gradually walking towards them.

Just from the young girl's appearance, one could infer that this young girl was definitely the biological daughter of Wei Xiao and Wang Ruoya, Wei Lin!

As Wei Min, who had always been at odds with Yun Jian, Wei Min's looks were average and not considered good-looking. However, her figure was not bad, and her figure was completely different from her father, Wei Xiao.

The Real Wei Lin, although her brows were similar to Wei Min's, Wei Lin's looks were perfect. Her nose bridge was slightly straight, her small mouth was red, and her eyes were very big, the way her eyelashes moved and her eyes blinked was very cute.

She was completely different from Wei Min.

She had really been found! A person who had been lost for ten years had really been found by Yun Jian!

The moment she saw the real Wei Lin, Wei Min's eyelids suddenly jumped, and then her heart suddenly tightened. An expression of fear of being discovered after doing something bad spread across her entire face.

"You... you... you are really my Lin 'er! My Lin 'er!" Wang Ruoya recognized her at a glance. Almost at the same time, she rushed forward and hugged Wei Lin.

When Yun Jian returned to the Wei family, although Wang Ruoya was happy, she could not find the feeling of kinship in Yun Jian.

Blood was thicker than water. This was something that outsiders could not imitate.

At least when Wei Lin appeared, her appearance could be recognized at a glance. She didn't even need to do a DNA test. She was the real Wei Lin!

"Thank you!" Wei Lin hugged her mother back and said to Yun Jian with tears in her eyes.

That thank you made Yun Jian squint his eyes. She didn't respond to Wei Lin directly. Instead, she said something that shocked everyone present:

“Perhaps you should thank your ‘good sister’. If it weren’t for her, you wouldn’t have been lost for ten years, and I wouldn’t have had the chance to find you and send you back to the Wei family.”

Wei Min felt guilty when she heard that. She looked at Yun Jian and shouted, “You’re talking nonsense! What nonsense are you talking about! I’m Not!”

“That day, I went out to play with you. You asked me to stand there and wait. I waited for a long time, but you didn’t come. Later, a kind person took me away, so I’ve been living in a kind person’s house. I always thought that you didn’t do it on purpose, but not long ago, I heard that... ..”

Wei Lin spoke first after Wei Min finished her sentence.

At this point, Wei Lin paused and then said, “I heard that you’ve been lying to everyone with the lie that you saw me being kidnapped by a van, but you clearly told me to wait for you at the same place!”

There was no need to say anything else.

Wei Lin’s words were enough to prove that Wei Min had deliberately thrown away the young Wei Lin!

As soon as these words were said, whether it was Wei Xiao, Wang Ruoya, or everyone present, they all looked at Wei Min in shock. They could not believe that the young Wei Min at that time... could actually do such a vicious act of throwing away her own sister!

“No! I didn’t... I didn’t! I...”

Wei Min was exposed for what she had done in the past. She covered her ears and was so scared that her face turned pale. However, in her shock, she suddenly pounced on the cloud as if she had gone mad. As she roared, she tore her voice apart:

“Hahaha! I did it! So what if I did it! It was you! If it wasn’t for you, this little B * Tch Wei Lin would never have returned to the Wei family! I’m also the daughter that my parents doted on the most, and the sister that my brother dotes on the most!”

“You B * Tch, go to hell! You’re finished! You’re finished, Hahaha!”

Wei Min seemed to have been provoked by something. She desperately rushed toward the cloud note, trying to pull it into the water.

It was over! She was done for!

The scandal of that year was exposed in front of the upper-class people of Puluo City. From now on, there would be news of the vicious miss of the Wei family abandoning her sister in Puluo City.

As for her brother Jun...

He would definitely not like her anymore...

At this moment, Wei Min was purely thinking that she was done for and wanted to drag the cloud paper down with her.

Wei Min thought so and did the same.

But just as Wei Min was about to rush to the front of the cloud paper in a frenzy and perish together with the cloud paper...

Si Yi, who had been carefully protecting the cloud paper from the beginning, leaned her back against his chest and circled the cloud paper behind her to protect her.

After carefully doing all this, Si Yi raised his foot and kicked Wei Min's face, which was about 1.6 meters tall. The kick was so strong that it almost broke Wei Min's neck.

Wei Min was dizzy from the murderous kick and fell to the ground with a thud. She was still conscious, but her head, hands, and feet were completely numb in a short period of time.

Especially her head. Si Yi's merciless kick had almost split her neck and body in half.

"Min, min 'er!" Wei Ze, Wei Xiao, and Wang Ruoya cried out involuntarily when they saw this scene.

Although what Wei Min had done to Wei Lin was already a fact, even so, Wei Ze, Wei Xiao, and Wang Ruoya could not watch Wei Min die.

Humans were not cold-blooded animals. No one could guarantee that they would not develop feelings after spending so much time with others.

Feelings referred to pure friendship, familial love, and so on.

Si Yi's face was terrifyingly dark.

Wei Min's action just now was a challenge to his patience.

She actually dared to attack him in front of him!

In fact, that kick directly shattered Wei Min's skull! This kick was even more ruthless than killing Wei Min directly!

"Hehehe, you're finished... you're finished... even if I die here today, you're also finished, hehehe..."

Who knew that Wei Min's head, which was lying on the ground, could not move at all. However, she opened and closed her mouth, saying these words to Yun Jian without fear of pain.

Hearing this, Yun Jian narrowed his eyes. Suddenly, she took out a fan that could be used to close and open a fan from under her clothes. She walked one meter away from Wei Min and pointed the fan at Wei Min:

"Do you believe that I can use this fan as a dagger to seal your throat?"

This fan was the one that Yun Jian had taken from Luo Jiajun, Hong Ling, and the others when he first entered the Imperial College. He saw Hong Ling bullying someone and snatched the fan from that person.

The fan was covered with spiritual energy, so Yun Jian wanted it!

"No! Please don't! Min'er is my daughter too, please let her go! Let Her Go...!" Wang Ruoya heard Yun Jian's words and immediately knelt down to Yun Jian.

Wei Ze and Wei Xiao also begged for mercy.

When the upper-class people who were watching the show saw this, they thought that since Yun Jian had found Wei Lin, he should be a kinder person.

However, they saw Yun Jian throw his fan towards Wei Min.

She wanted to kill her!

When everyone saw this, they were so scared that their faces changed!

However, at the same time when the fan was thrown, a figure in a black robe quickly flashed by the side of the small forest.

Yun Jian narrowed her eyes. When she saw this, she curved her eyes. It was as if she knew that the figure would appear when the fan was thrown.

Just as the sharp edge of the fan was about to cut Wei Min's throat, Yun Jian took a step faster than the black figure. He strode forward, hooked the fan, and retreated to Si Yi's side.

Then, Yun Jian looked at the black figure and sneered:

"You have indeed appeared."

Mysterious Person!

That's right, Yun Jian had predicted from the start that Wei Min would stop her here. Therefore, Yun Jian called Wei Lin to the scene. This was not a coincidence.

And the self-detonation of Sha Shen's identity in front of everyone, as well as the subsequent throwing of this fan with spiritual power, all of this was just to lure the mysterious person out.

It was worth mentioning that all of this was planned by Yun Jian and Si Yi.

However, Yun Jian didn't expect Wei Min to tell her that she was pregnant.

Yun Jian had arrived at the Royal Emperor Academy as part of the plan. It wasn't a coincidence that she had obtained this fan with spiritual energy.

In other words, Yun Jian had arrived at the Royal Emperor Academy to obtain this fan and lure the mysterious person out.

Because this fan was called the wooden fan!

The wooden fan, wooden sandalwood box, and something that Yun Jian and Si Yi were still searching for could rule the entire God continent! As well as tens of thousands of continents! Earth could naturally be taken down easily!

This was written in the records left behind by the ruler of the God continent many years ago since the creation of the God continent.

From the very beginning, the mysterious person had captured Yun Jian's younger brother and forced Yun Jian to use the wooden sandalwood box to exchange for Little Yun Zhu. The mysterious person had a motive.

Because with these three things, he could easily rule over the entire God continent and thousands of continents.

And the wooden sandalwood box was one of them!

The wooden sandalwood box was one of them, and the wooden fan was one of them!

Therefore, the mysterious man had been eyeing it since the beginning, but Yun Jian got it first.

Yun Jian had just taken out the wooden fan to lure out the mysterious man.

"Keke!" The mysterious man revealed a pair of pitch-black eyes and stared at Yun Jian. He laughed arrogantly and then wrapped his black robe tighter around his body. He stared at Yun Jian and Si Yi:

"So you guys have set up an ambush long ago!"

"Today, this is the Day You Die!" Yun Jian held the wooden fan and stared at the mysterious man.

When Yun Jian and Si Yi fought against the mysterious man, both of them were injured because the mysterious man had used a trick.

Now that Yun Jian and Si Yi were at their peak strength, the mysterious man was definitely not their match!

Even if the mysterious man used a hundred times the amount of the potion, he might not be able to win against Yun Jian and Si Yi. This was the difference between them.

This was also the reason why the mysterious man had been hiding in the dark and did not dare to show himself.

"TSK TSK TSK, is that so? Then you are gravely mistaken about the sorcerer God." The mysterious man laughed loudly before he spoke.

This black-robed man who had suddenly appeared? was he called the sorcerer God Yun Jian?

The surrounding people from the upper class of Puluo city, as well as Luo Jiajun, Luo Jiachen, Hong Ling, and the others who were present at the scene, all felt a wave of suspicion rise from the bottom of their hearts.

What was going on now?

What sorcerer God? What on Earth had happened! ?

Luo Jiajun's expression could no longer be described with an expression.

However, just as everyone was in shock and bewilderment, Yun Jian frowned.

Yun Jian suddenly clutched his stomach and a wave of intense pain came over.

"What did you do! ?" Yun Jian clutched her stomach. She felt as if something was flowing out from her lower body. That pain made Yun Jian furrow his brows and he forcefully endured it.

When Si Yi saw this, his eyelids twitched violently. He stood in front of Yun Jian and his brows were tightly furrowed. His originally expressionless face had a look of fear that had never appeared before. "Little Jian, what's wrong! ?"

"Hahaha! With the two of you working together, it's true that I can't defeat the both of you. However, it's a pity that I drugged the sorcerer goddess long before you knew that she was pregnant.

"It's probably a problem whether she can keep the child in her belly. Now that the sorcerer Goddess is gone, only you, divine lord, are left. I've also developed a 10,000 times potion that can increase my strength by 10,000 times. Do you think that you can still be my match? hahaha!"

"You guys must not know how I drugged the sorcerer God! Speaking of which, I still have to thank this idiot! hahaha!"

After the mysterious man cackled twice, he paused for a moment before pointing at Wei Min, who was paralyzed on the ground and unable to move, whose head had been shattered by Si Yi's kick.

After a few chuckles, the mystery man continued:

“I wouldn’t know where to start if this idiot hadn’t stopped your school nurse from telling you about the witch God’s pregnancy!

“This fool really hates you, Sorcerer. She’s the one who drugged you! The swords you held in the fencing match were all contaminated with two drugs, which together turned into an abortion drug. Normal people wouldn’t react when they smelled it, but this pregnant woman smelled... ..

“Ha-ha...”

Pregnant women smell, serious, beyond a certain time range, on the spot abortion!

These two medicines, are unique to thousands of continents, the earth does not have, in fact, Yunjian had already smelled the two medicines, but she did not think of this level.

Not long ago she just checked, pregnant, just a blunder, but did not think this time really pregnant.

Not only was she pregnant, but she had also become a weakness that the mysterious person had used against her!

Not to mention the ignorance of the cloud tablet, her cloud tablet was not omnipotent either. Whether it was the witch God or the Sha God in her previous life, she did not know much about the gynecology aspect of medicine to begin with. In fact, she only had a superficial understanding of it.

What she learned from the cloud tablet was how to kill a person in the shortest amount of time and was familiar with the weaknesses of a person’s entire body.

“Hehehe, I did it. If you want to steal my brother Jun, no way! This is all your fault for coming to the Wei family with Wei Lin’s identity! hehehe!”

At this moment, Wei Min, who was paralyzed on the ground, let out a merciless laugh.

This was no wonder. After Yun Jian revealed that she had abandoned her own sister, Wei Lin, and at the same time, when she knew that Yun Jian’s identity was that of the god of destruction, she still desperately rushed over to deal with Yun Jian. She shouted at Yun Jian, “You’re finished.”.

This was because Wei Min had long been used by the mysterious person. She had drugged the foil sword with a drug that could cause the cloud tablet to miscarry!

She wanted to destroy the cloud tablet!

“If anything happens to the child in her stomach, all of you will be buried with me!”

Just as the mysterious person and Wei Min spoke with those strange words, a cold voice that was as cold as ice on a summer day suddenly rang out. It did not have the slightest bit of warmth.

Si Yi's black eyes were so cold that it was frightening. His handsome face that seemed to have been carefully carved had an aura that was enough to make everyone's faces change drastically.

After he finished speaking, Si Yi stretched out his left hand. In an instant, he placed his left hand on the abdomen of the cloud tablet and injected his spiritual power into her abdomen without holding back, alleviating half of her pain and temporarily protecting the child's safety.

At the same time, his right hand, which was bulging with veins due to his rage, stretched out toward the horizon.

In the next second, an invisible force surrounded the surroundings like a semicircle stadium, cutting off communication with the outside world.

That Was...

A barrier!

Luo Jiajun, Luo Jiachen, Wei Xiao, and all the people from the upper-class society present turned pale when they saw this scene.

They had never seen such a bizarre scene before. Coupled with Si Yi's words just now, a huge sense of fear and uneasiness surrounded their hearts.

However, at that moment, a long and handsome figure suddenly flashed across everyone's eyes.

In the next second, Si Yi directly came in front of the mysterious person and reached out to grab the mysterious person's collar. The veins bulging on his handsome hand and the clear bones were enough to express his anger at this moment. His mellow voice..., almost at the same time, a voice suddenly rang out:

"10,000 times the medicinal liquid, right? Even if you consume 10,000 times the medicinal liquid.

"As the ruler of the God continent, I will tear you into pieces here!"

After that, without giving the mysterious person a chance to react, Si Yi grabbed the mysterious person's collar with one hand and his other handsome hand was already charging towards the mysterious person!

His speed was so fast that it was impossible for the naked eye to catch him!

"Oh my God, have I seen a ghost! What is the sorcerer God? Could it be that the things that suddenly appeared in the surroundings are the enchantments from the anime? And what is that God continent? What is all this and what is This!"

There were already people whose faces had changed greatly. They were so frightened by this illogical and illogical scene that their faces turned pale.

What was going on! What was going on in this world!

Were the scenes that happened in front of them really normal! Did they really exist!

Luo Jiajun, Luo Jiachen, Hong Ling, Wei Ze, Wei Xiao, Wang Ruoya, Wei Lin, and everyone else present were shocked when they found out that Yun Jian's identity was the sorcerer God. However, in front of this completely illogical scene.., they almost fainted from the shock.

"What's going on? Wei... why did that person target you?" Luo Jiachen looked at the distant Yun Jian and swallowed the word "Wei Lin" back into his stomach.

As soon as Luo Jiachen said this, Yun Jian didn't have time to respond. Si Yi's handsome hand had already pierced through the mysterious person's chest and crushed his heart!

"Eh..." the mysterious man's chest was directly pierced through by Si Yi, leaving a trace of blood at the corner of his mouth.

However, to the high-level immortal cultivators of thousands of continents, this wasn't considered a fatal injury.

Si Yi didn't give the mysterious man the chance to react at all. Above his handsome face, which was so handsome that it made people and gods angry, his pair of sharp black eyes were stained with scarlet blood at a speed that could be seen clearly by the naked eye.

He pierced through the mysterious man's chest with one hand, from the mysterious man's chest to the mysterious man's back. His other hand covered the mysterious

man's head with the speed of light, directly pulling out the mysterious man's head by its roots!

This speed was so fast that it shocked everyone present.

However, after they recovered from their shock, everyone present was shocked by Si Yi's furious technique.

A person's hand strength and fist could actually Pierce through a person's chest and pull out a person's head by the roots!

The mysterious person seemed to have lost his breath as his physical body was paralyzed.

"Dead? He died just like that?" Someone let out a terrified and trembling voice.

The mysterious person died just like that?

But this, how was this possible!

"Hahaha! Do you think I'm Dead? I've already consumed 10,000 times the potion before this. Now, my strength is 10,000 times stronger than before! Divine Lord, Oh Divine Lord, no matter how powerful you are, you can't contend against me! Moreover, you still have your wife, the sorcerer God, who is about to have a miscarriage!

"I see that in her current state, not only can she not help you, she might even become a burden to you!"

The Mysterious Man's sinister laughter rang out.

At that second, his chest, which had been pierced through by Si Yi, automatically healed.

The head, which had been pulled out by Si Yi's roots, also automatically healed back to its neck.

Ten Thousand Times Potion!

Consuming this kind of potion was definitely a very harmful thing to one's body!

However, as long as he killed a divine lord, then no one in the entire God continent would be his match!

The mysterious man retreated more than ten meters away in a flash. The loose black robe covered the mysterious man's original appearance. He stretched out his hand and laughed in an extremely disgusting tone:

“Although I have consumed 10,000 times the potion, and with my original strength, I can not defeat you, divine lord, I will say it here today!

“You, Divine Lord, are going to lose!

“For a woman, you are going to lose!”
